

[Demo] NLP Dataset for Customer Service Automation

Company Type	Credit Card Companies
Inquiry Category	Credit limit increase requests
Inquiry Sub-Category	Alternatives to credit limit increase for temporary financial needs
Description	Customers seek information on alternative options, like balance transfers or temporary reduction in payments, to meet their short-term financial needs rather than requesting a credit limit increase.
Data Size	8,823 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Credit Card Company" customer inquiry. (Purchased data will not be masked.)
