

[Demo] NLP Dataset for Customer Service Automation

Company Type	Internet Service Providers
Inquiry Category	Wi-Fi network setup and troubleshooting
Inquiry Sub-Category	Router hardware malfunctions
Description	Customers report hardware-related issues such as router not powering on, Wi-Fi LED not lighting up, or physical damage, and need assistance with troubleshooting or replacement.
Data Size	5,019 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Internet Service Provider" customer inquiry. (Purchased data will not be masked.)

_____ would _____ functionality and performance of wireless networks provided _____?

_____ services that your _____ service provider _____ be affected _____ damage?

Do physical damages _____ the function _____?

_____ functioning of your wireless _____ affected _____ damage _____ them?

How would _____ wireless _____ be _____ by _____ damages?

There's a question _____ physical harm _____ hurt _____ performance.

There _____ question _____ whether or not physical harm may _____ network _____.

_____ question on whether physical damage will _____ of _____ providers.

_____ question about the impact on the wireless _____ physical _____.

_____ wireless networks _____ for the _____ provider if _____ are damaged?

_____ do _____ caused by physical _____ affect _____ smooth _____ of _____ provider's _____ networks?

Will _____ service provider alter the _____ provide for _____ networks _____ damage?

_____ service your ISPs _____ for wireless networks _____ by _____?

_____ can you _____ if physical _____ the work of _____ networks?

_____ the function of _____ wireless _____.

_____ physical harm impairing the wireless _____ the _____?

_____ it possible that damage to _____ service _____ the _____ of _____ network?

_____ would a _____ affect _____ networks provided _____ the internet _____?

There's a question as _____ affect the _____ the wireless network.

Damage _____ the wireless _____ may _____ Performance.

There _____ as to whether _____ can impair _____ performance.

_____ will the wireless _____ the ISPs if _____ physical injury _____ person?

Does _____ of ISPs' _____ networks?

_____ wireless networks, will their functioning and performance _____ affected?

If _____ will the _____ networks work for the _____?

_____ affect _____ wireless _____ that your internet service provider provides?

Will _____ ISPs _____ for wireless networks _____ changed by _____ damages?

_____ an _____ lost performance _____ function _____ the event of physical _____ to the networks _____ by _____?

How would _____ damages _____ the _____ of _____ wireless _____ by _____ service provider?

There will _____ and performance _____ case of _____ to the wireless _____ supplied _____ the _____ will _____ for the _____ if there is physical _____?

Will _____ impact _____ of _____ service?

_____ functioning _____ performance of your wireless _____ be _____ the physical injuries _____ your internet _____ provides?

_____ can disruptions from physical damages _____ your _____ company's _____?

_____ and functionality of the wireless network may be _____ due _____ the _____.

How can _____ from _____ damages _____ efficiency _____ your _____ company's _____ network?

_____ will _____ damages affect _____ your internet _____ provider's wireless networks?

Will _____ services _____ networks be _____ by physical damage?

_____ to the wireless _____ the _____ will _____ a _____ of function and _____.

_____ that physical _____ could _____ the performance of the _____ service _____?

Can you explain _____ physical _____ networks _____ how _____ their performance?

_____ of _____ wireless network _____ can _____ affected by _____ damage.

_____ the wireless networks work _____ if _____ is physical _____?

How _____ harm affect the wireless _____ by _____?

_____ will physical _____ networks provided _____ internet _____ provider?

Will _____ that _____ internet _____ provider _____ wireless networks be _____ by physical _____?

Please let _____ know _____ damage _____ the _____ of your wireless _____.

_____ will _____ and performance of _____ networks be _____ if there _____ injuries that _____ provides?

The _____ of the internet _____ providers' _____ physical damage.

_____ a question of _____ harm _____ impact _____ network _____.

_____ is a _____ about whether physical _____ wireless _____ performance.

Can _____ decline _____ function and performance of _____ networks _____ physical _____?

If the _____ are _____ how will _____ work _____ the _____?

_____ it possible _____ hurt _____ performance _____ the internet service providers?

Will _____ services that _____ internet _____ for wireless _____ be _____ as a _____ physical damage?

_____ the function _____ the wireless _____ if there were physical harm?

_____ the wireless _____ changed due to damage to the network.

_____ physical _____ have a _____ on the _____ of the _____ service _____?

Can you _____ damages _____ wireless _____ affect _____ performance and function?

Does _____ service _____ give services for _____ networks that _____ to physical _____?

_____ to _____ may cause its functionality _____ performance to _____.

Will _____ services your service provider _____ altered by physical _____?

_____ can disruptions caused _____ physical damage affect _____ efficiency _____ internet _____ networks?

How does physical _____ affect _____ and _____ of _____ wireless networks?

_____ damages affect _____ of your telecommunications _____ wireless network?

_____ about _____ on _____ network performance caused by _____ harm.

_____ question as _____ whether or not physical harm _____ of the _____.

Will the _____ that _____ for wireless _____ changed due _____ damage?

physical _____ wireless service _____?

What _____ for the ISPs if _____ is physical _____?

Can _____ changes to the _____ networks of _____ actual _____?

Is _____ that physical _____ a negative _____ on the performance _____ service _____?

Damage to _____ affect _____ network's functionality and _____.

_____ tell _____ the impact of physical _____ the performance _____ networks?

Will the _____ wireless networks _____ by physical _____?

_____ performance _____ the ISPs _____ networks _____ be affected _____ effects _____ a physical _____.

In _____ event _____ damage _____ the _____ ISP, there is an expectation of lost _____.

_____ is a _____ as _____ whether _____ harm affects _____ performance.

There's a question about whether _____ to the _____ affect _____ effectiveness.

_____ wireless _____ if _____ is some _____ of physical damage?

Is _____ internet service _____ services _____ wireless _____ by _____ damage?

Can physical _____ of my _____ service provider's wireless _____?

Disruptions from physical _____ can _____ the _____ of _____ internet _____ networks.

_____ your _____ provides for _____ networks _____ altered by _____ damages?

How _____ disruptions _____ affect _____ telecom _____ wireless network?

In _____ of physical _____ networks provided _____ the ISP there is an _____ of _____.

There _____ question as _____ whether physical _____ impair _____ performance of _____ wireless _____.

Will _____ your ISPs _____ wireless networks _____ by physical _____?

_____ any changes to _____ of the ISPs result _____ to _____?

How can _____ affect _____ of _____ Internet _____ provider's networks?

There is an _____ of lost performance and _____ damage to _____ Networks

There are _____ regarding _____ impact _____ the wireless _____ caused _____ harm.

_____ damages _____ the _____ of wireless _____ provided by the _____?

_____ would the _____ the _____ of the ISPs _____ by physical _____?

The services that your _____ provider provides _____ affected _____ physical damage.

Damage to _____ wireless _____ by _____ might affect _____ performance.

Will _____ physical _____ affect wireless service quality?

Is _____ physical _____ could _____ a negative effect on the performance _____ ISPs _____?

In the event _____ damages to the wireless _____ by the _____ likely _____ reduced.

_____ supplied by the _____ are likely to have a _____ function _____ performance.

Is _____ damage going _____ the performance _____ my _____ Service _____ wireless _____?

Is _____ damage that your _____ service _____ may cause _____ affect _____ performance _____ function of the _____?

There's _____ question _____ to _____ physical harm _____ network performance.

The _____ network _____ could be adversely _____ by _____.

_____ damages affect the _____ wireless _____ by ISPs?

_____ the _____ ISPs _____ for _____ networks _____ affected _____ physical damage?

Will _____ harm _____ the _____ of _____ network?

The effectiveness _____ the _____ networks _____ affected _____ physical damage.

_____ will the _____ networks _____ if _____ is _____ kind of _____?

How _____ physical injury affect the performance of _____ networks given _____ the internet _____?

_____ is a _____ if physical _____ the effectiveness of _____ internet _____.

_____ provided _____ connections be adversely affected from _____?

_____ the provided _____ connections _____ to _____ affected by the _____?

_____ can your _____ service provider's network _____ physical _____?

_____ will _____ performance _____ your wireless networks _____ affected _____ physical injuries that _____ internet service _____?

Is _____ an expectation _____ performance and _____ in _____ of _____ to the networks provided _____?

_____ performance of the networks _____ service _____ be affected _____ harm.

_____ damages _____ the _____ networks supplied _____ the _____ function and performance will _____ be reduced.

_____ the wireless network _____ cause _____ and Performance to _____.

_____ damage affect _____ performance of wireless _____ by ISPs?

Damage to _____ change the performance _____ of _____.

Will _____ the wireless networks that _____ provides?

Will the _____ your _____ provider provides _____ wireless _____ be _____ by physical _____?

_____ affect the performance _____ your internet service provider's _____?

There's a question as _____ whether or _____ physical _____ the network _____.

Would the function and _____ of the wireless _____ by _____?

The effectiveness of _____ service provider's _____ by physical _____.

The function and _____ of _____ wireless _____ due to _____.

_____ is a question as _____ physical _____ could _____ network performance.

_____ physical _____ affect _____ of your internet _____ provider's wireless _____?

_____ affect the _____ of _____ ISPs wireless _____?

How _____ of your wireless _____ by _____ to them?

_____ possible _____ your wireless connections _____ be adversely _____ the _____?

_____ impact on _____ performance _____ wireless _____ caused by physical harm _____.

disruptions from _____ damages can _____ and _____ of your _____ wired _____ wireless _____ can disruptions from _____ damages _____ your _____ provider's _____?

Will _____ internet _____ provider's _____ services _____ by _____ damage?

There is _____ question as to _____ or not _____ harm _____ their _____.

Damage to _____ wireless network _____ by _____ provider _____ its _____ performance.

There is _____ about _____ impact on the wireless _____ caused _____ physical _____

_____ smooth operation of your internet service _____ affected by _____.

Could _____ challenges affect the _____?

_____ ISPs _____ for _____ be affected by physical _____?

_____ is _____ question as _____ if physical harm can _____ the wireless _____.

_____ there _____ damage _____ your _____ will it affect their _____ performance?

How _____ performance _____ wireless networks be affected _____ physical injury?

Can _____ us about _____ damages _____ wireless networks _____ function _____ performance?

_____ impact on _____ network's performance from physical harm.

There's _____ of _____ harm _____ affect _____ network performance.

_____ the impact on the wireless _____ caused _____ physical _____ posed.

_____ will _____ work _____ the ISPs _____ there _____ an injury?

_____ question about whether or not physical _____ affect _____ performance.

Will the _____ that _____ internet _____ provider _____ for _____ by physical damages?

There _____ of _____ harm _____ affect wireless network performance

_____ the services _____ provides _____ wireless networks be changed _____?

_____ does _____ damages affect the _____ your internet _____ provider's wireless _____?

Will physical _____ the wireless _____?

How will _____ work _____ some _____ of physical damage?

The _____ efficiency of _____ company's _____ can _____ affected by _____ damages.

Will physical damages _____ networks your _____?

_____ is a question on _____ damage _____ affect _____ of _____ providers.

There _____ question as _____ whether _____ could affect _____ of _____ network.

_____ a physical _____ affect _____ performance of _____ service providers _____?

How would physical _____ affect the _____ by _____ internet _____?

Will _____ your service _____ networks be affected by physical _____?

How _____ physical damages _____ of your service _____ networks?

There's a _____ as to _____ harm _____ wireless network _____.

_____ physical _____ ISP wireless _____?

If the _____ are damaged, _____ will _____ the ISPs?

_____ is a _____ of whether physical _____ wireless _____ performance.

_____ a question about whether physical damage will effect _____ service _____.

_____ any changes to _____ internet service _____ wireless _____ actual _____?

The performance of your _____ provider's wireless networks _____ damages.

How does physical _____ operation _____ efficiency of _____ internet service _____ networks?

_____ is _____ question about _____ impact _____ the _____ performance _____ physical harm.

There _____ a question of whether _____ could impact _____.

Do _____ affect the function _____ wireless _____?

_____ a question _____ whether _____ effectiveness of internet service providers.

_____ to the wireless networks _____ provider will probably _____ reduction _____ performance.

The performance _____ networks provided by _____ would _____ physical _____.

Will the _____ your _____ provides for _____ affected by _____?

_____ question about _____ internet service providers _____ affect their effectiveness.

If _____ person _____ hurt, _____ the _____ networks _____ for the _____?

Does physical damage _____ networks' _____?

There is a _____ regarding _____ not _____ harm _____ their wireless _____.

Can any changes _____ the _____ networks _____ actual damage _____ network?

_____ change _____ Performance _____ theWireless network.

How would a physical injury _____ performance of _____ they _____ provided _____ internet _____ provider?

Damage _____ network offered by _____ ISP _____ affect _____ performance.

_____ question as _____ whether or _____ physical _____ affect the performance _____ network.

How can _____ affect _____ operation of _____ internet _____ provider's networks?

_____ disruptions _____ damages affect the operation and _____ your _____ service provider's _____?

Damage _____ the _____ provider's _____ may affect _____ performance.

_____ a _____ to _____ physical _____ can adversely affect wireless network _____.

_____ a question _____ the _____ on _____ wireless _____ caused _____ physical harm.

How _____ disruptions _____ physical _____ affect _____ of _____ service provider's _____ networks?

_____ the _____ that _____ internet service _____ for wireless networks _____ by _____ damage?

Is the _____ the ISP _____ networks _____ by _____?

_____ is a _____ the wireless network's performance _____ by physical _____.

_____ question about _____ effect _____ the wireless _____ caused _____ physical harm

_____ services _____ internet service provider _____ for your _____ networks _____ affected _____ physical _____?

There's _____ about _____ physical _____ to _____ service _____ will _____ their effectiveness.

How does physical _____ affect _____ of _____ internet _____ wireless _____?

How will _____ and _____ your _____ affected _____ they are damaged?

In case of damages to _____ by _____ provider _____ reduction of function and performance.

_____ reduction of function _____ performance _____ case of _____ to the wireless _____.

How does a physical injury _____ performance _____ networks _____ by _____ service _____?

_____ is an _____ of loss of _____ function _____ the _____ of _____ to _____ provided _____ the ISP.

_____ can _____ from _____ damage _____ your telecommunications company's wired and _____?

There's a _____ about _____ on _____ network because of _____.

_____ there a decline _____ function and performance _____ the wireless _____?

There _____ a reduction of function _____ performance in _____ of _____ wireless networks _____ the provider.

In _____ of damage to the wireless networks supplied by _____ there _____ likely _____ and _____.

_____ to _____ may _____ and Performance.

_____ a question about whether _____ injury _____ the effectiveness _____ internet service _____.

Will _____ internet _____ provider's services _____ wireless _____ altered _____ physical _____?

The effects _____ physical _____ performance _____ wireless _____ are _____ the internet service providers.

_____ that changes to _____ networks can result _____ damage?

_____ is _____ physical _____ will the wireless networks _____ for the ISPs?

TheFunctionality and _____ the wireless _____ may _____ changed due to _____ damage _____.

_____ the _____ by your internet service provider could _____.

Damage to _____ network _____ and _____.

Please _____ us _____ can affect the efficiency _____ your _____ services.

_____ disruptions from _____ damages _____ efficiency of _____ telecommunications company's wired _____?

_____ physical _____ affect the _____ wireless networks provided by _____ service provider?

_____ physical damages _____ functioning of your _____ company's _____ network?

Damage _____ wireless _____ your ISP could affect its _____.

_____ will physical damage _____ networks provided by _____ provider?

_____ me _____ physical damage can _____ efficiency and _____ of _____ network services.

Will physical challenges _____?

How _____ your _____ functioning _____ performance _____ by physical defects?

How can _____ the operation of your _____ provider's _____?

_____ the services _____ service provider provides _____ wireless _____ changed by physical _____?

_____ service provider's _____ networks services be affected _____?

A _____ function _____ performance is likely _____ case _____ damages _____ wireless networks supplied by _____.

_____ effects _____ physical damages _____ on _____ provided by the _____?

_____ physical harm _____ with _____ internet service provider's _____?

How will _____ of your wireless _____ you get physical _____ from _____ service provider?

Is _____ physical harm could _____ the _____ of internet _____ providers?

It's possible _____ affect the _____ of _____ internet _____ providers' networks.

_____ Performance of _____ wireless _____ may _____ changed due _____ damages.

Will _____ your internet _____ provider _____ for wireless networks _____ physical _____?

_____ question _____ to _____ could affect their wireless network _____.

_____ services _____ Internet service _____ networks be altered by _____ damage?

_____ damage _____ the _____ and _____ of _____ telecommunications _____ wired and wireless?

If there is physical _____ wireless networkwork _____ ISPs?

_____ will _____ wireless networks _____ if there _____ some _____ of _____?

There is _____ question _____ to whether _____ harm _____ affect their _____.

Will _____ ISPs provide _____ wireless _____ by physical damage?

Will _____ wireless networks be affected by _____ damage?

_____ the services your ISP provides _____ by physical _____?

_____ will the wireless networkwork _____ damage _____ them?

_____ the services _____ service provider provides _____ altered _____ to _____ damage?

Damage _____ wireless _____ by _____ provider may cause a _____ and performance.

_____ a question about whether physical _____ could _____ performance.

How will the _____ work for _____ if _____ badly _____?

_____ of damages to _____ the provider, there _____ likely be _____ reduction _____ function and _____.

_____ wireless _____ could be affected by physical _____.

Will _____ services _____ wireless _____ be affected _____ physical _____?

There is _____ question as _____ whether _____ harm could _____ an _____ performance.

There is _____ question _____ physical _____ affect _____ effectiveness _____ the internet service _____.

_____ services _____ your Internet service _____ for wireless _____ affected by _____ damage?

_____ physical damages _____ the operation and efficiency _____ Internet service _____?

There is a question _____ impact _____ on the _____

Will _____ your _____ provides _____ wireless networks be _____ damages?

_____ would _____ physical injury affect _____ performance _____ networks.

How would an injury _____ an _____ provider's _____ networks?

_____ the _____ Internet _____ provider _____ for wireless _____ due to physical damage?

_____ the service that _____ for wireless networks _____ by _____?

_____ affect ISPs' wireless _____?

_____ and performance _____ theWireless _____ may be changed _____.

_____ does physical damages affect _____ smooth _____ of _____ service provider's wireless _____?

_____ can disruptions from physical damages affect _____ your internet _____?

There's _____ question about _____ physical damage _____ affect _____ of the _____.

_____ us how physical _____ affect _____ efficiency _____ your _____ network services.

_____ how _____ damage will affect the _____ wireless network services?

_____ tell _____ about how _____ can _____ performance of your _____ network.

Is a physical _____ with _____ service _____ wi-fi?

Will _____ services your _____ service _____ provides _____ wireless networks _____ injuries?
 _____ a question _____ whether _____ affect wireless _____ performance.
 _____ will _____ wireless networks _____ the internet _____ providers if there _____ injury _____ someone?
 Will the _____ and _____ wireless _____ affected by _____ damages?
 _____ will _____ performance _____ wireless networks be _____ there's damage _____ them?
 _____ you _____ physical _____ affect _____ performance of your wireless _____?
 Can _____ the _____ of _____ damages _____ wireless networks _____ it affects their performance?
 Could _____ harm _____ performance?
 _____ your wireless network's _____ by _____ Damages?
 How _____ the _____ networks _____ ISPs work may _____ physical _____.
 How _____ disruptions from physical _____ the efficiency of _____ network?
 _____ service your internet _____ provider _____ for _____ networks be _____ damage?
 _____ wireless network offered by your _____ service provider _____ its _____.
 _____ a question about _____ of physical harm _____ the _____.
 _____ any _____ to _____ wireless _____ of an _____ service provider _____ caused _____ actual _____?
 _____ there _____ impacting the wireless service _____?
 _____ question _____ to whether physical harm can affect the performance _____.
 How can _____ damages affect _____ your _____ service _____ networks?
 _____ disruptions from physical damage _____ of your telecommunications _____ provider's _____?
 How _____ affect the _____ internet service _____ wireless networks?
 How _____ physical _____ affect the _____ of _____ service _____ networks?
 How _____ physical _____ affect your _____ service provider's _____?
 _____ is _____ whether physical _____ will _____ effectiveness _____ the internet service providers.
 _____ will physical damages affect _____ of _____ networks _____ your _____ provider
 _____ know how physical _____ can affect _____ and _____ wireless network.
 _____ wireless _____ function _____ hindered _____ physical damages.
 _____ damaged wireless _____ could affect the _____ your internet _____ provider.
 _____ the _____ that _____ service provider _____ wireless networks _____ altered _____ physical damages?
 Is your _____ physical damage _____ wireless networks?
 _____ it possible _____ changes to _____ can _____ from actual damage?
 _____ disruptions from physical damages _____ the _____ of your _____ service _____ networks?
 _____ wireless _____ for the ISPs with physical _____?
 How will _____ wireless networks work _____ physical _____?
 Will _____ service _____ for _____ networks _____ affected _____ injuries?
 Are the provided wireless _____ going to _____ the _____?
 _____ of a _____ injury _____ the performance of _____ networks _____ by the _____ providers.
 _____ to the network _____ Performance of _____ Wireless _____ to _____ changed.
 _____ service provider's network _____ can be affected _____.
 There is a _____ to _____ physical _____ wireless network performance.
 How _____ the _____ of your _____ networks _____ affected _____ physical injuries _____ your ISP?
 _____ possible _____ physical _____ affect _____ performance _____ the internet service providers _____?
 _____ will _____ functioning _____ performance _____ your wireless _____ by _____ physical injuries your _____ service _____ provides?
 _____ the _____ of _____ wireless network of _____ internet _____ provider _____ to _____ impacted _____ physical _____?
 _____ and _____ your _____ be impacted by physical damages?
 _____ your provider provides _____ be altered _____ physical damages?
 Will the _____ networks _____ internet _____ provider if _____ are _____ damages?
 _____ physical damage _____ to affect _____ internet _____ network performance?
 How can disruptions _____ the _____ your _____ wired and wireless?
 _____ likely _____ reduction of function _____ performance _____ event of _____ the wireless networks _____ by _____ provider

How would _____ affect the performance _____ networks provided by _____ providers?
 _____ disruptions _____ physical damage affect the _____ your internet _____ provider's _____?
 Will _____ your internet service provider provides _____ altered due _____?
 _____ a physical injury affect _____ performance of an _____ service _____?
 _____ to _____ offered _____ the ISP may cause it _____.
 How _____ the functioning _____ performance of _____ be affected _____ physical injuries _____ internet _____ provider _____?
 Will _____ affect our _____?
 _____ of function and _____ in _____ event _____ damages _____ the wireless _____ supplied _____ the provider.
 Damage _____ the Wireless network _____ alter the Functionality _____ it.
 There's a _____ as to _____ physical _____ can _____ network _____.
 If there is _____ injury to _____ wireless _____ for the ISPs?
 There's a _____ as to _____ affect their wireless _____.
 If _____ person _____ will _____ wireless networks _____ internet service providers?
 _____ can _____ damages _____ the _____ of _____ Internet service Provider's networks?
 Is _____ possible that physical _____ could have _____ effect _____ the _____ of _____?
 _____ physical _____ have on _____ networks provided _____ the ISPs?
 _____ wireless _____ work for the _____ there _____ physical damages?
 How _____ the _____ service providers work if _____ damaged?
 _____ damages to _____ wireless networks _____ by the provider _____ likely be reduced.
 _____ services your _____ for _____ networks be _____ by physical _____?
 _____ be a reduction of _____ performance in the _____ the wireless _____ by the provider.
 Does _____ damage to _____ network _____ internet _____ affect the performance?
 Would _____ with my internet service provider's _____?
 _____ will _____ performance _____ wireless networks be affected by _____ injuries you _____ service provider?
 Does physical _____ affect the _____ the _____ by internet _____?
 How _____ the _____ work for _____ ISPs _____ someone is _____?
 _____ injuries _____ your _____ service _____ services for wireless _____?
 How _____ wireless networks work for _____ if _____ is _____ to someone?
 _____ will physical damages impact the _____ of your _____?
 _____ will the functioning and _____ your _____ affected when there _____ defects?
 _____ to the _____ may _____ Performance.
 Can you explain _____ damages _____ wireless networks _____ performance _____?
 Damage _____ the _____ may _____ and Performance _____ the Wireless _____ offered _____.
 _____ would _____ damages _____ performance _____ the _____ networks that the _____ provide?
 _____ the _____ your _____ gives _____ networks be _____ physical damage?
 _____ will _____ and _____ in the event _____ damages _____ the wireless _____ supplied by the provider.
 There _____ an expectation of _____ function _____ the event of physical _____ ISPs _____.
 _____ functioning _____ of _____ wireless networks _____ affected by the damage?
 Whether _____ could impair wireless network _____ question.
 _____ of damages _____ the wireless networks provided _____ the _____ there will likely _____ a reduction _____.
 _____ how physical _____ might affect the _____ and performance _____ wireless network _____.
 _____ will physical _____ the performance of _____ service provider's wireless _____?
 Will _____ services _____ provides _____ networks _____ changed by physical damage?
 _____ a _____ regarding _____ damage to the _____ service providers _____ their effectiveness.
 _____ is a _____ whether _____ not _____ harm _____ affect _____ network performance.
 There's _____ question of _____ harm _____ affect wireless _____.
 There is _____ as _____ not physical _____ could _____ wireless _____ performance.
 _____ performance of wireless networks provided by your internet _____
 How _____ affect _____ operation of _____ service _____ wireless networks?
 Disruptions from physical damages _____ affect _____ efficiency _____ wired and _____.

Will physical _____ service?

_____ the _____ wireless networks suffer _____ to physical _____?

_____ performance _____ wireless network services _____ affected _____ physical damage.

There's a _____ of _____ not physical _____ impact their _____ network _____.

_____ is _____ how physical harm _____ affect wireless network _____.

Is _____ possible for changes _____ the wireless _____ of _____ from _____ damage?

_____ and _____ of the wireless network _____ be _____ to damage.

Damage _____ the wireless _____ could have _____ performance _____ function.

_____ it possible _____ the damage to _____ service _____ have _____ impact _____ the _____ network?

Will _____ affect _____ reliability?

Will physical damage affect the performance _____ network?

In case of damages _____ the _____ provided by _____ provider, there _____ likely _____ reduction in _____.

_____ possible for changes to _____ wireless _____ of _____ provider to _____ actual damage?

The wireless _____ of _____ service _____ could _____ damaged.

_____ physical _____ the _____ of your service provider's wireless _____?

_____ of a physical _____ the performance _____ wireless _____ be provided by _____ internet service _____.

_____ is a question _____ wireless _____ caused by _____ harm.

_____ the _____ that _____ ISPs _____ for _____ affected by physical _____?

_____ your _____ service provider _____ services _____ are altered _____ physical damage?

_____ a question about _____ physical _____ will affect _____ performance.

_____ will the performance and _____ your _____ networks _____ by _____ them?

Is _____ performance of the _____ providers' networks affected _____?

The _____ internet service _____ might _____ hampered _____ physical damage.

In the _____ of _____ the _____ networks supplied by _____ there _____ be a _____ of _____ performance.

How _____ work for _____ ISPs if _____ is physical _____?

There will _____ be _____ of _____ and _____ in case _____ damages _____ the wireless _____ provided by _____.

How _____ for the _____ there are physical damages.

_____ the network may _____ and Performance _____ network.

How can _____ damages affect _____ efficiency _____ your internet _____?

Will _____ services that your _____ for _____ networks _____ affected by _____?

The functionality and _____ of the _____ be _____ damages to the _____.

_____ will _____ performance of _____ networks be affected _____ your _____ causes _____ injuries?

Does _____ damage affect _____ functioning _____ the wireless _____ ISPs?

Are _____ wireless connections _____ be _____ affected _____ the _____?

_____ will the functioning _____ performance _____ your wireless _____ be _____ there is _____?

Can you _____ about how _____ damages _____ wireless _____ their _____?

Damage _____ network may cause _____ change _____ Performance.

_____ service _____ be affected _____ physical _____

_____ physical _____ the _____ of _____ internet service provider's _____ networks?

_____ a person _____ how _____ the _____ work _____ the ISPs?

_____ is _____ if physical harm can _____ wireless _____ performance

Will your _____ providers _____ for wireless _____ altered by _____?

_____ ISPs' _____ by physical damage?

_____ will _____ reduction of _____ performance in _____ of damages to the wireless networks _____.

_____ physical damages, will _____ work for the ISPs?

_____ in function and _____ of _____ wireless _____ caused by _____ harm?

_____ harm impairing _____ network performance?

How will _____ networks work _____ the _____ service _____ if _____ are _____?

_____ the wireless _____ internet service providers if _____ is physical _____?

There's a question _____ to _____ harm _____ the _____ network _____.

Damage _____ network _____ cause _____ network's Functionality and Performance _____ changed.

_____ physical damage _____ to _____ the _____ network _____ my _____ provider?

ISP wireless _____ function _____ affected by _____.

_____ a _____ whether _____ not physical _____ affect their wireless _____ performance.

Will any _____ to the _____ caused _____ affect performance?

Is _____ the performance of the internet _____ providers wireless _____?

_____ will the wireless _____ work _____ the _____ have physical _____?

_____ would _____ physical _____ affect performance of _____ networks?

Will _____ service provider's services _____ be altered _____ physical _____?

_____ your internet service _____ wireless networks _____ physical _____?

How _____ physical _____ to ISPs affect _____ network _____?

There's _____ question _____ whether physical _____ affect the _____ internet _____ providers.

There _____ to _____ harm could affect _____ performance of the _____ service provider's wireless _____.

Is _____ an expectation _____ performance _____ function _____ the event _____ the _____ provided by _____ ISPs?

How will _____ there is physical damage to the _____?

_____ affect _____ performance of _____ wireless network provided by the internet _____?

_____ the Wireless service quality?

How will the functioning _____ wireless _____ be _____ if _____ physical injuries from your _____?

_____ services your _____ service provider provides _____ wireless _____ be affected _____?

How _____ disruptions _____ damages affect the _____ telecommunications _____ wireless network?

Damage _____ the _____ provided _____ your _____ service provider _____ affect its _____.

_____ and _____ of _____ changed because of damages to _____ network.

How _____ your wireless networks functioning _____ by physical _____ network?

_____ reduction of _____ and _____ in case _____ damages _____ wireless _____ by _____ provider is likely.

Will the _____ your _____ wireless networks be _____ physical _____?

_____ Performance of _____ network may _____ altered _____ damage.

How _____ physical _____ affect wireless _____ provided by _____ provider?

_____ a _____ if _____ can impair _____ wireless network performance.

How _____ for _____ internet service providers if _____ are _____?

There is _____ question _____ affect their _____ network performance.

There is a question as _____ whether or _____ wireless _____ performance.

_____ disruptions _____ physical _____ affect the _____ of _____ internet _____ provider's networks?

Will _____ services _____ your _____ provides _____ wireless _____ be _____ physical damages?

_____ of _____ wireless networks _____ affected _____ a physical injury.

How _____ affect _____ smooth operation of _____ internet _____ provider's _____ network?

Does damage _____ your ISP affect its _____?

_____ will wireless _____ for _____ internet service _____ injury to a person?

_____ network may cause the Functionality and _____ be changed.

Can changes to _____ wireless network result _____ damage?

_____ and efficiency _____ telecommunications company's _____ and wireless may _____ affected _____ physical _____.

It _____ possible _____ damage _____ your internet service _____ can _____ network.

Is _____ physical _____ may affect the performance _____ the _____ service _____?

Will the wireless _____ services _____ your _____ affected by _____?

If there is a physical injury _____ person, _____ the _____?

How _____ and _____ of _____ wireless _____ be affected _____ damage?

_____ disruptions caused by _____ damages _____ service provider's _____ network?

The smooth _____ and efficiency levels offered _____ service provider's wireless _____ be _____ physical _____.

_____ harm wreak havoc with _____ internet service _____?

How _____ physical injuries affect _____ performance _____ ISPs _____?

Damage to _____ wireless _____ of _____ internet service provider _____ performance _____.

_____ service providers services for _____ be affected by _____ ?
 _____ for physical harm _____ affect _____ performance of _____ provided _____ service _____.
 What _____ would _____ injury _____ on the _____ of wireless networks _____ the _____?
 How do disruptions _____ damages affect the _____ smooth _____ your _____ service provider's _____ networks?
 Is it _____ that _____ the wireless _____ of _____ result from _____ ?
 _____ physical damages _____ operations _____ your internet _____ provider's networks?
 Will physical _____ affect _____ of _____ service _____ networks?
 _____ services _____ provides for wireless networks _____ by physical damages?
 _____ theWireless network may affect theFunctionality _____ Performance _____ .
 How will _____ wireless networks _____ injuries _____ internet _____ provider provides?
 Would _____ ruin _____ the _____ and speed of my _____ provider's _____ ?
 Do _____ know what physical _____ to _____ your wireless network _____ ?
 Could _____ the _____ network _____ internet service provider _____ its _____ ?
 How will the wireless _____ for _____ they're _____ ?
 Is physical _____ to _____ Internet Service _____ network?
 Can _____ physical _____ to wireless networks affects _____ performance?
 Will _____ wireless network _____ by your internet _____ be affected _____ ?
 Are your provided _____ connections _____ by the damages?
 _____ there _____ physical damage to _____ provider, how _____ the _____ networks _____ ?
 How do disruptions due _____ physical _____ the _____ of _____ service _____ network?
 wireless _____ by physical challenges
 _____ a _____ about whether _____ harm _____ impair _____ network performance.
 _____ affect _____ service quality.
 There _____ question of whether _____ could _____ the performance of _____ network.
 _____ well _____ networks _____ ISPs work after physical _____ ?
 Damage to the _____ may affect _____ .
 _____ a _____ the _____ thewireless network's _____ caused by physical harm.
 Is _____ that _____ harm could _____ a negative _____ on _____ internet _____ providers?
 Will physical harm affect _____ of the _____ provided _____ ISPs?
 _____ damage _____ of my internet service provider's wireless _____ ?
 _____ physical harm _____ the _____ my _____ service _____ wi-fi?
 There is _____ expectation _____ and _____ the event _____ physical damage to the networks _____ the _____.
 Do you know _____ physical _____ the _____ Wireless network services?
 There _____ a question _____ the _____ wireless _____ caused by _____ harm.
 There is a question _____ to _____ harm may _____.
 There's a question of _____ or not _____ harm _____ network _____.
 _____ question as to whether physical harm _____ impair _____
 There is _____ harm can affect _____ performance
 _____ physical _____ affects the _____ and performance of _____ wireless network _____ ?
 There's _____ question as to _____ their wireless _____ performance.
 What effects would _____ injury _____ on the performance _____ an internet _____ ?
 _____ well _____ wireless _____ ISPs _____ is affected by physical _____.
 _____ the wireless _____ the internet _____ provider if _____ physical harm?
 Will _____ affect _____ services _____ provides for _____ networks?
 _____ of damage _____ the _____ supplied by the _____ will likely _____ a reduction in function _____.
 _____ the _____ networks supplied _____ the _____ might _____ reduction of function _____ performance.
 _____ the _____ ISPs _____ wireless networks be _____ due _____ damage?
 _____ how _____ damage might _____ operational efficiency of your wireless _____ ?
 Damage to the _____ network may _____ theFunctionality _____ network.
 _____ harm ruin my _____ provider's _____ ?

_____ know _____ physical damage _____ affect the _____ wireless network services.
 _____ performance of _____ networks be _____ by physical _____?
 _____ networkwork for the _____ provider if there is a _____ injury _____ the _____?
 _____ the _____ your Internet service Provider's wireless networks?
 _____ can physical _____ the efficiency _____ the internet _____ wireless _____?
 _____ damage your _____ service _____ may cause _____ network will _____ its performance and function?
 _____ physical damages affect the work of _____ Wireless _____?
 Is the _____ internet _____ for wireless networks _____ due _____ damage?
 There _____ question about whether _____ damage _____ the internet _____ will _____ their _____.
 How _____ functioning and performance _____ your _____ networks be _____ you get _____ injuries _____ ISPs?
 There is a question _____ or _____ physical _____ affect _____ wireless _____ performance.
 TheFunctionality of _____ be changed due _____.
 Will _____ for _____ be _____ by physical _____?
 How would _____ performance of _____ network be _____ damages?
 Will _____ services that your _____ networks _____ by physical damages?
 How _____ physical damage affect _____ efficiency _____ service _____ network?
 TheISP _____ change theFunctionality and _____ of _____ to _____.
 _____ provided by _____ internet service _____ by physical Damages?
 There will be _____ function and performance in _____ damages to _____ networks _____ the _____.
 If _____ injured, _____ the _____ networks work _____ the ISPs?
 Is _____ decline in _____ and _____ of the _____ physical harm?
 Will _____ services that _____ internet _____ provider offers _____ be affected _____ physical _____?
 _____ wireless networks _____ if _____ service _____ are damaged?
 There's _____ harm _____ affect wireless network performance.
 _____ that the _____ of _____ wireless networks will _____ affected if they _____?
 _____ of physical injury _____ of wireless networks _____ by the _____.
 _____ it possible _____ performance of _____ networks _____ be reduced if _____ are _____?
 Can _____ tell _____ if _____ damage _____ work of the _____?
 _____ possible _____ the damage to your _____ provider could _____ a significant _____ on _____ wireless _____?
 How _____ work for _____ service providers if a person _____?
 _____ your _____ provider's services for _____ be _____ physical injuries?

 _____ there _____ physical challenges _____ wireless _____?
 Will your _____ services be affected _____ physical _____?
 How _____ the wireless networks work for the _____ someone _____ injury?
 _____ the _____ networks work if _____ arePhysically _____?
 There's a _____ as to _____ physical harm _____ network _____.
 Will _____ wireless networks _____ affected by _____ Damages?
 _____ internet _____ services for _____ networks be changed by _____?
 Will _____ your ISPs gives to wireless _____ by _____?
 _____ is _____ question _____ whether _____ affect _____ of the internet service providers
 Will the wireless _____ your ISPs _____ for _____ affected _____?
 How would _____ the performance of wireless networks _____ the _____?
 _____ do _____ the wireless networks provided by _____?
 TheFunctionality _____ Performance _____ network _____ be changed because of _____.
 Would _____ decline in _____ by _____ to the wireless networks?
 _____ services _____ ISPs be affected by _____ damage?
 How _____ wireless networks be affected by _____ injury?
 _____ services _____ your ISPs _____ networks _____ affected by _____ physical damage?
 Damages _____ the _____ yourWireless connections

_____ possible for physical harm _____ affect the performance _____ Internet _____ providers.

Will the _____ that your _____ provides _____ networks be _____ by _____?

_____ the functioning _____ wireless networks be affected by _____ from _____ internet service provider?

_____ question _____ posed _____ impact _____ wireless network's performance caused by _____.

There is _____ question about _____ wireless _____ performance _____ affected _____ harm.

Would _____ function of my internet _____ provider's _____?

Would a decline in the _____ and _____ of _____ be _____ harm?

Does physical damages affect the _____ the _____?

There's _____ question _____ to whether _____ harm might _____ their wireless _____.

There is _____ question _____ harm impairs _____ performance.

How _____ damages _____ effectiveness _____ your telecommunications company's _____ network?

_____ is a _____ whether _____ damage _____ affect _____ of the internet _____ networks.

_____ is _____ question as to whether _____ impairs wireless _____.

_____ the _____ that _____ internet service provider provides _____ be _____?

_____ disruptions from physical _____ affect the _____ of _____ internet service _____?

_____ your _____ to be _____ effected by _____ damages?

_____ services that _____ internet service _____ for wireless _____ affected _____ physical _____?

_____ disruptions caused _____ physical damage _____ operation of your _____ service provider's _____?

Damages _____ wireless networks supplied _____ provider will _____ reduce _____ performance.

Disruptions _____ physical _____ affect the operation _____ network.

Let's know _____ might affect _____ performance _____ wireless network _____.

_____ to your internet _____ provider _____ performance of _____ wireless network?

Will damage to the _____ your ISP _____?

Please _____ physical _____ might affect the performance of _____ network.

Is it possible _____ the _____ of internet service _____?

Disruptions _____ damages can _____ the _____ and _____ of your telecommunications company's _____.

Will physical _____ affect _____ performance _____ wireless _____?

_____ is a question as _____ impact _____ physical harm _____ network.

_____ the _____ of _____ wireless _____ be _____ if there _____ damage to them?

In case _____ damages _____ networks _____ by the _____ function _____ performance will likely _____.

Can you tell me _____ physical _____ networks _____ function _____ performance?

TheFunctionality and Performance _____ thewireless _____ damages to the network.

There _____ a question about _____ will _____ effectiveness _____ service providers.

Damages _____ the network _____ performance _____ of theWireless _____.

_____ question of whether _____ affect the _____ network performance.

Will the _____ wireless _____ be affected _____ damage to _____?

How will physical _____ of Wireless _____ by _____ service provider?

TheFunctionality and _____ network _____ changed due _____ damage.

_____ Performance _____ the _____ network _____ be changed _____ of damage.

How _____ the wireless networks _____ the _____ work _____?

Is _____ expectation of lost _____ function in the event of _____ damage _____ the networks _____?

_____ us know how _____ damage _____ performance _____ your _____ network services _____ from _____ damages _____ the operations of your _____ company's _____ network?

_____ of the _____ wireless _____ be affected by _____ injury.

_____ and _____ of _____ wireless _____ may be changed _____ of _____.

_____ operation _____ efficiency of your _____ provider's network _____ be _____ physical _____.

Will _____ services _____ internet service provider provides _____ wireless _____ be _____ injuries?

_____ question _____ to _____ physical harm could affect _____ Wireless network _____.

The performance _____ ISPs _____ could _____ affected _____ injury.

Damage _____ the _____ could affect _____ of _____ wireless network.

_____ a question _____ to _____ harm wireless network performance.

How _____ the functioning and _____ of _____ wireless _____ with _____ defects?

Is it _____ harm could negatively _____ the _____ the _____ service _____?

_____ the _____ and performance of _____ wireless networks _____ affected by _____

_____ provided _____ internet service _____ how will the functioning _____ performance of your _____ be affected?

There _____ question about how _____ harm _____ affect _____ wireless _____.

_____ a physical injury _____ ISPs wireless networks?

_____ possible that physical _____ could affect the performance of _____ internet _____?

_____ are _____ damage will affect the _____ of _____ service providers.

Is _____ my _____ service provider's _____ going to _____ impacted by physical _____?

_____ can physical _____ the smooth _____ of your _____ service provider's _____?

_____ is _____ of lost _____ and _____ event of _____ damage to the _____ given _____ the ISP.

How _____ effects _____ a _____ injury affect wireless _____ provided _____ service provider?

_____ Performance of _____ network might _____ changed _____ damage _____ it.

Would physical harm ruin the function _____ speed _____ service _____?

_____ are questions _____ physical _____ could _____ wireless network _____.

Will the services _____ your _____ for wireless networks be _____?

Is physical _____ going to _____ the _____ internet _____ provider.

The performance of my _____ provider's _____ network might be _____.

How will _____ work for _____ ISPs _____ some physical damage?

Is it possible that _____ your internet service _____ a _____ impact _____ the _____ network?

The Functionality _____ of _____ network may be changed due _____ to _____

How will _____ networks _____ the ISPs _____ there _____ an injury _____ person?

Will services _____ your ISPs be altered _____?

_____ can _____ from physical _____ affect _____ operation of your _____ networks?

_____ there _____ expectation of lost function _____ performance _____ event of _____ damage to the networks _____?

Is _____ possible _____ could affect the _____ of _____ networks _____ the ISPs?

There is a _____ of whether _____ can affect _____

_____ that _____ could hamper the _____ of _____ service providers?

_____ physical attacks affect _____?

_____ any _____ networks of _____ service provider result from _____ damage?

_____ will _____ of _____ networks be impacted _____ are physical defects?

Will _____ your service _____ for wireless networks be changed _____ damage?

Will there _____ challenges _____ wireless _____?

How can _____ damages _____ the operation and _____ of _____ Internet _____?

There's a question _____ physical harm _____ performance

There _____ to _____ physical harm _____ the performance of the _____.

_____ will the wireless _____ ISPs _____ person gets injured?

How will _____ functioning _____ be _____ there _____ physical defects in them

There is _____ question _____ whether _____ physical harm _____ affect _____ network _____.

Will _____ our wireless service _____?

Damages to the wireless _____ provider _____ cause a _____ of _____ and _____.

_____ will _____ of _____ wireless networks be affected _____ damage?

_____ the impact on the wireless _____ performance _____ harm

_____ of _____ network may _____ altered due _____ to the network.

How _____ the _____ of _____ wireless _____ be affected by physical injuries _____?

The _____ the wireless _____ of _____ harm _____ a question.

_____ to _____ wireless _____ offered _____ impact its overall performance.

_____ it possible _____ the _____ to _____ internet service _____ may affect _____ of the _____?

_____ quality of _____ could _____ affected _____ ISPs _____ network.

Please ____ us about how physical ____ might ____ of your ____.

How ____ wireless networks work for ____ service ____ someone ____ hurt?

Damage ____ the Wireless network ____ by ____ affect its ____.

____ network's services ____ affected by ____ damage?

____ wireless network performance ____ by physical ____.

How ____ physical ____ the smooth ____ and ____ your ____ service provider's ____ networks?

How ____ physical damages ____ wireless ____ provided by your ____?
