

[Demo] NLP Dataset for Customer Service Automation

Company Type	Internet Service Providers
Inquiry Category	Security and privacy concerns
Inquiry Sub-Category	Software Updates
Description	Customers seeking information on the latest software updates and security patches to safeguard their operating systems, applications, and connected devices against potential vulnerabilities.
Data Size	5,177 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Internet Service Provider" customer inquiry. (Purchased data will not be masked.)

How often do you roll _____ security _____ across different _____?
 _____ you roll out major _____ with _____ features over _____ range _____?
 How _____ you roll out _____?
 _____ you _____ different platforms frequently?
 _____ company _____ implement platform-wide updates _____?
 Do major _____ happen _____ platforms?
 Do _____ upgrades on your _____?
 _____ platform-wide _____ frequently bolster _____?
 How frequently do _____ out?
 _____ regularly make _____ platform security?
 _____ often _____ you _____ major security _____ across different _____?
 What _____ of the time _____ roll _____ major upgrade with _____ features _____?
 _____ about _____ upgrades on various _____?
 _____ much do _____ toss out security-enhancements _____ platforms _____ offer?
 _____ percentage of the _____ upgrades with security features _____ all _____?
 _____ do _____ get _____ with _____ security measures?
 Do _____ your _____ for various _____?
 How often do you _____?
 _____ time do _____ roll out major _____ with security _____ various platforms?
 _____ you _____ upgrades often for _____?
 How _____ times _____ you upgrade with security _____ different _____?
 _____ often do _____ in your platform upgrade?
 _____ are major security _____?
 Are you _____ who frequently releases major upgrades and _____ a _____.
 _____ of _____ do you upgrade _____ features _____ a _____ of _____ platforms?
 What percentage _____ the _____ you _____ major updates _____ security features _____ platforms?
 Are you the one _____ frequently _____ upgrades and _____ on _____ of _____?
 How many _____ you _____ enhanced security _____ for _____ platforms?

_____ percentage of _____ do _____ out major _____ with security features on _____ range _____?

_____ often _____ significant _____ roll out?

How often do you _____ out _____ features _____ a _____ population _____ platforms?

How often _____ you _____ out _____ with _____ over _____ platforms?

_____ roll _____ major upgrades with security _____ across _____?

Is _____ frequent updates on _____ improve _____?

_____ often do _____ upgrade with _____ features over a _____?

_____ frequently do you _____ measures?

How frequently _____ security-enhancement _____?

_____ you _____ security on different _____?

When _____ you _____ deploy _____ security on _____?

_____ you _____ ones who _____ major upgrades _____ improved _____?

How many _____ a _____ do _____ put _____ security _____ platforms?

_____ you tell _____ the _____ of security enhancements _____ various _____?

How _____ do _____ upgrade _____ security _____ for all _____?

_____ do you _____ enhancements _____ platform security?

_____ there _____ on how often _____ enhancements are implemented _____ platforms?

_____ out upgraded _____ features on all platforms _____?

What _____ of _____ times _____ you roll out _____ large number of _____?

Do _____ updates for various _____?

_____ frequently _____ you _____ platform security _____?

What _____ do you _____ major updates with _____ features for _____?

Can _____ how often you _____ new _____?

Are you the _____ who _____ security improvements on different _____?

Is it possible _____ tell me _____ implemented _____ different platforms?

How _____ are _____ enhanced _____ protection _____?

How _____ the security enhancements implemented _____?

Do you _____ security _____?

_____ much do _____ your platforms _____ security?

Are _____ the _____ releases _____ upgrades and improved _____ a variety _____?

How _____ do you _____ security _____ platforms?

_____ release of _____ with better security _____ different platforms?

Do _____ platforms _____ security features?

_____ the _____ who frequently releases major _____ and _____?

How often do you _____?

How _____ do you _____ security _____ platform?

Do _____ enhanced security _____ various systems?

Do _____ a lot of major _____ better _____?

How _____ do _____ with enhanced _____ across platforms?

Do _____ platform _____ frequently?

_____ the times do _____ out _____ with security features over a _____ of different _____?

How _____ you roll out major _____ features on _____ range _____?

How _____ do _____ roll out _____?

How _____ you update your security _____?

_____ do _____ upgrade _____ on different _____?

HowFrequent _____ security enhancements on _____?

_____ regularly _____ platforms with secure _____?

How often _____ you _____ the _____ security?

Can _____ me _____ number _____ enhanced upgrades on different _____?

_____ you tell _____ how often _____ are implemented _____ different _____?

_____ you periodically _____ security?

_____ do _____ make major improvements _____ platform _____?

How frequently do _____ make _____?

How many _____ you _____ security _____ on _____ platforms?

How _____ your _____ for ultimate safety happen _____ platforms?

_____ frequently _____ platform upgrades _____ enhanced security _____?

_____ you _____ your platform with _____ security features _____ channels?

_____ frequently implement platform-wide _____ security?

How many times do _____ security _____ different _____?

Tell me about _____ significant security enhancements _____ across _____.

_____ of _____ times _____ you roll out _____ upgrade with security _____?

_____ you upgrade platforms _____ security?

Can you tell me the number _____ enhancements?

_____ frequently do _____ improve _____ security _____ your _____?

_____ percentage of _____ times do you _____ upgrades with _____ features _____ large amounts _____?

_____ significant security enhancements _____ implemented across _____.

What percentage _____ the times do _____ major upgrade _____ security _____ platform's?

_____ you frequently deploy _____?

_____ releasing major changes with better _____ platforms?

Are you frequently _____ better _____?

_____ of the _____ do you _____ major upgrades _____ security _____ over _____ different _____?

_____ you update platforms _____ security?

How often _____ you make _____?

How often do _____ security _____ on _____?

Do _____ frequently _____ to the security _____ platforms?

_____ often do _____ safety _____ on platforms?

How _____ security enhancements _____ different platforms is _____ discussion.

_____ platforms _____ enhanced security updates?

How _____ do _____ upgrades _____ features?

What percentage of _____ out major improvements _____ updated _____ on at least _____ platform?

_____ the _____ on _____ platform frequently?

_____ often do major _____ happen?

_____ often _____ features _____ platforms _____ increased?

_____ you _____ person _____ releases major upgrades and _____ platforms?

_____ you usually _____ major _____ security _____ different platforms?

_____ your _____ updates _____ ultimate safety happen on _____ platforms?

Do _____ do _____ platform _____ upgrades _____?

How many times _____ upgrade _____?

_____ percentage _____ do _____ roll out _____ upgrades with security features _____ platforms.

How _____ roll out major _____ security _____ over different _____?

Are you _____ who releases major _____ different platforms?

_____ you _____ upgraded security _____ platforms?

_____ often do _____ updates take _____?

Are you regularly _____ changes with improved _____?

How _____ do _____ your platform include enhanced _____?

What _____ times _____ you _____ out _____ updates with security _____ on a range _____?

How frequently _____ throw out _____ on all _____ platforms _____?

How _____ do you _____ improvements?

Are there frequent _____ different _____?

_____ make _____ security upgrades?

How _____ are implemented on different platforms?

_____ percentage of _____ times do you _____ major _____ features _____ a _____ amount of _____?

Are there secure _____ that _____ with _____?

Are you _____ who frequently release _____ upgrades _____ security _____ platforms?

_____ your platforms frequently _____ platform security?

Are _____ regularly _____ platforms with _____?

_____ would _____ to know how _____ you upgrade _____ on _____.

Is _____ possible to _____ the _____ major security-enhanced _____ on _____?

_____ the one _____ upgrades _____ improved security _____ a _____ of platforms?

_____ percentage of _____ do you _____ out _____ upgrades _____ updated security features _____ at least _____?

How _____ you _____ security updates across _____?

What percentage _____ time _____ you _____ major upgrades with _____ security _____ platforms?

How often _____ enhancements rolled _____?

Do _____ know how _____ your _____ include _____ security _____ various _____?

_____ frequently do _____ security-enhancements _____?

_____ you _____ with better security _____ different platforms?

Is it _____ updates _____ include enhanced _____ across _____ platforms?

How many times _____ features for a _____?

_____ you often _____ different platforms?

What is _____ number _____ security improvements _____?

Do _____ upgrade _____ with enhanced _____?

_____ often _____ enhanced security features on different _____?

_____ you _____ platforms with _____?

How often _____ platforms _____ enhancements?

What percentage of the time _____ you roll _____ upgrades _____ all _____ different _____?

_____ major security updates _____ out?

How often are _____ upgrades _____ all platforms _____ security _____?

_____ often _____ you _____ major _____ updates?

_____ percentage of the times _____ you roll _____ with _____ features _____ platforms?

_____ major security updates _____ different _____?

Can _____ tell me _____ Security Enhancements on _____?

What percentage of _____ times do _____ roll _____ enhancements _____ different _____?

_____ the times do you make major security _____?

Does your company often _____ platform-wide _____?

_____ you often _____ major _____ security on different _____?

What percentage of _____ time _____ with newer _____ features on at least one _____?

What percentage of _____ you roll _____ major _____ with _____ features on _____ than _____?

_____ you the _____ frequently releases _____ upgrades _____ improved security _____ various _____?

Do _____ toss out security-enhancement updates _____ the _____ that _____?

Are _____ major _____ that have better security _____ platforms?

_____ you _____ me the _____ security enhanced upgrades on _____?

_____ out _____ different platforms?

How _____ you make significant _____?

_____ often do your _____ enhanced _____?

What _____ you roll out _____ upgrades _____ features _____ a large _____ of different platforms?

Are you _____ one _____ frequently releases _____ upgrades _____ security _____ multiple _____?

_____ you _____ me _____ frequencies of the _____ include enhanced _____?

Do _____ deploy _____ enhancements _____ security _____?

Do you _____ with improved _____ over different _____?

_____ you _____ major _____ with improved _____?

Are you _____ with improved security _____ platforms?

Can you _____ Frequency of major _____ enhancements on _____?

_____ times _____ platform _____ enhanced security features across all _____?

Do _____ usually install _____ on _____?

_____ you _____ the _____ of major _____ on _____ platforms?

Do you _____ regular basis?

_____ frequently upgrade the _____?

How often _____ you upgrade to _____?

_____ percentage _____ the _____ do you roll _____ with _____ features over _____ of different platform's?

Are _____ with _____ upgrades regularly?

_____ you tell me _____ often _____ upgrade security _____?

_____ know _____ security-enhanced upgrades on various platforms?

_____ times do you _____ security _____?

_____ frequently _____ roll _____ major _____ security features for different platforms?

Are _____ releasing _____ with improved _____?

_____ percentage _____ the time do you _____ upgrades _____ security _____ over many _____?

_____ you the _____ frequently _____ upgrades _____ improved security on a _____?

Do you _____ release major _____ with better _____?

What _____ the _____ do _____ roll out major upgrades with _____ for _____?

_____ know the frequencies _____ major _____ various platforms?

_____ you _____ improvements _____ security often?

_____ _____ you updated your security _____ for _____ platforms?

_____ out major secure _____ platforms?

Do you _____ changes to _____?

How many times _____ you _____ the security _____?

_____ often do you throw _____ security-enhancement on _____?

_____ do _____ upgrade _____ the latest platform _____?

Are you the _____ releases major _____ security _____ different platforms?

How _____ times have _____ upgraded _____ different platforms?

Do you _____ upgrades _____ better _____?

_____ often _____ you _____ security features _____ different platforms?

Do you deploy _____ security?

Do you frequently _____ a _____ improved _____?

Do _____ generally _____ major upgrades _____?

_____ often do _____ across platforms?

_____ significant _____ enhancements _____ different platforms?

How _____ do you _____ security _____ different _____?

_____ _____ who _____ major _____ and improved security on platforms?

_____ you the person _____ major upgrades and _____ on _____ range _____ platforms?

What _____ the times do you roll _____ upgrades with _____ features _____ range _____?

Do _____ upgrade platform _____?

What percentage _____ time do _____ roll out major _____ with _____ features _____?

_____ many _____ do _____ your _____ features for _____ platforms?

Can _____ tell _____ how often significant _____ enhancements _____?

_____ you _____ frequently major platform _____ are _____ out?

How frequently _____ features across _____ platforms?

Are _____ one _____ people who _____ releases _____ improved security _____ different platforms?

How many times a _____ upgrade your _____ over _____?

Do _____ do _____ to _____ features?

_____ have you _____ your security features for _____?

How frequently do _____ platforms with _____?

Do _____ often _____ improvements on _____?

What _____ major platform security upgrades _____?

How much do you _____ across _____ of _____?

Are there _____ major _____ with better _____ on different _____?

What _____ of the time are you _____ out _____ with security _____ amount _____ platforms?

How many _____ a year _____ you _____ to _____ platforms?

_____ often _____ security updates _____ different _____?

_____ you _____ major _____ and improved _____ different platforms?

How _____ your platform _____ enhanced _____ features?

How often significant security _____ across different _____ is _____.

_____ you _____ out major upgrades _____ security features _____ different _____?

How _____ your major updates for _____ safety _____ platforms?

_____ you upgrade your _____ to _____ security features?

Do you deploy _____ platform _____?

How many _____ a _____ do _____ update platforms _____?

Do you deploy _____ security _____?

Are _____ releases _____ major changes with better _____?

I _____ know _____ often _____ security _____ on all _____.

_____ the time _____ roll _____ changes _____ new _____ features for different platforms?

_____ updates _____ you _____ frequently?

What _____ you make major upgrades _____ security _____ for different _____?

How _____ do _____ toss out security-enhancements _____ them?

_____ you _____ frequent release of _____ on different platforms?

_____ you _____ how many _____ security features you _____?

Are you _____ person _____ major upgrade _____ improved security _____ different _____?

_____ of the times _____ use major upgrades with _____ security features _____ platform?

Over a large _____ platforms, _____ you _____ major _____ security features?

_____ percentage of the _____ roll out _____ upgrades _____ features for a _____ different platforms?

_____ you tell us the number of _____ security _____?

Are _____ one _____ releases major _____ improved security _____ a variety of _____?

How _____ year do _____ out major upgrades _____ over a range _____ platforms?

Can _____ me how _____ platforms with better _____?

_____ platforms _____ with better security _____?

_____ percentage _____ out major upgrades with updated _____ features _____ multiple platforms?

_____ release improved security _____ platforms?

How regularly _____ occur?

_____ many times _____ upgrade _____ security?

How often _____ place across _____?

How _____ change _____ platforms with better _____?

_____ percentage _____ the times do you roll _____ features _____ range of platforms?

How _____ times a year do _____ improvements _____ improved _____ platforms?

_____ many _____ year do _____ out security-enhancement across _____ platforms?

How _____ do _____ safety _____ happen _____ platforms?

_____ you update the _____ with _____?

How often do _____ platforms?

How many _____ year do you _____ with _____ features on _____ lot _____ platforms?

_____ times do _____ to _____ enhanced security features?

Are you _____ releasing _____ changes with improved _____?

_____ you tell me _____ significant _____ are implemented?

_____ are platforms _____ with _____ security?

_____ who _____ major updates _____ improved _____ on different platforms?

_____ you know _____ of _____ upgrades on various _____?

_____ you _____ who frequently releases major upgrades _____ security on _____?

How _____ do _____ significant security-enhancement _____?

Is _____ Frequency _____ your updates _____ include _____ security _____ platforms?

_____ percentage of the _____ do you _____ major _____ improvements over a _____?

_____ your _____ frequently _____ platform-wide _____ to bolster security _____?

_____ often _____ deployed across all platforms with _____?

_____ you _____ platforms with security _____?

Are _____ routinely _____ major changes _____ better _____ different _____?

How _____ do _____ platforms _____ security?

_____ the _____ do you roll out major security _____ various _____?

_____ you the _____ major upgrades and _____ security on various _____?

_____ percentage of _____ times do _____ roll out _____ changes _____ security features _____ least _____?

_____ you _____ out upgraded _____ platforms?

Are _____ one of _____ who usually _____ major _____ and improved _____ on _____?

_____ of _____ do you roll _____ improvements with security features over _____ large population _____?

_____ update platforms _____ better security?

How _____ your _____ upgrades _____ enhanced _____?

_____ times _____ do you toss out security-enhancements _____ platforms?

What percentage of the _____ do you _____ out major _____ on _____?

_____ you _____ releasing _____ with improved _____?

_____ frequently are _____ deployed _____ all _____ with _____ security measures?

What _____ of the time do you _____ upgrades _____ over a _____ population _____?

_____ frequently do _____ roll _____ major _____ security features _____ different _____?

Do _____ upgrades _____ security improvements?

What _____ of _____ times _____ you roll out _____ upgrades _____ security _____ a _____ of platforms?

How _____ improvements deployed _____ with _____ security measures?

_____ you deploy _____ upgrades _____ often?

_____ you _____ the _____ who regularly _____ upgrades and improved security on _____?

_____ many platforms do _____ security _____?

Are _____ changes _____ better security _____ different platforms?

Are you releasing _____ better security on _____?

_____ you tell me _____ of major security-enhanced _____ platforms?

_____ often _____ your _____ upgrade _____ security?

How often _____ enhanced _____ updates _____?

How often do _____ have major _____ for _____ safety _____?

_____ you roll out _____ upgrades with _____ features _____ a _____ of platforms?

_____ updates rolled out across platforms?

_____ changes a regular _____ security _____ different platforms?

How _____ enhancements _____ different platforms?

_____ you _____ out security-enhancements frequently _____ of your _____?

When _____ roll _____ major _____ with _____ features over _____ large _____ of _____ platforms?

_____ do _____ upgraded security features?

_____ many times _____ upgrade _____ features _____ different platforms?

_____ often _____ your security _____ multiple platforms?

_____ frequently _____ the _____ updates _____ out?

_____ the _____ releases major upgrade and improved security _____ platforms?

_____ of _____ out major upgrades _____ security features across various platforms?

Do you _____ security _____?

What is _____ of _____ to _____ multiple devices?

How _____ do the safety features _____ platforms _____?

_____ are important _____ released?

How _____ do _____ security improvements?

_____ the _____ that releases major _____ improved security _____ a variety _____ platforms?

_____ percentage _____ do you roll _____ major changes _____ for different platforms?

When _____ you _____ upgraded security _____ other _____?

Can _____ tell me _____ frequencies of _____ different _____?

Are _____ releasing major changes with _____ platforms?

_____ times do _____ roll out _____ with security features _____ over _____ various platforms?

_____ the _____ do _____ major upgrades with security _____ over _____ large amount _____ platforms?

_____ frequently are _____ boosted _____ platforms?

_____ guys _____ security often?

_____ major _____ improvements on _____?

_____ tell me the _____ major security-enhanced upgrades _____ platforms?

What _____ roll out _____ upgrades with new security _____ for _____ platforms?

_____ release major improvements _____ security?

_____ frequently releasing major _____ with _____ security on _____?

What is _____ enhanced security upgrades _____ different _____?

_____ do enhanced platform _____ updates _____?

_____ many _____ a year _____ you _____ to various platforms?

_____ you released _____ major upgrade _____ improved _____ on _____?

Are _____ releasing _____ with _____ security _____ different platforms.

_____ frequently _____ major security _____ on _____ platforms?

_____ you _____ out security-enhancements frequently _____ you offer?

Are you _____ releasing _____ security?

How _____ major updates _____ safety _____ different platforms, huh?

_____ often are platform _____ security?

_____ do _____ upgrades _____ improved platform security?

Are _____ the _____ frequently releases major _____ and _____ for _____ platforms?

_____ you _____ big changes _____ better _____?

How _____ did _____ features _____ platforms _____ upgraded?

Can _____ tell me _____ there _____ frequent security-enhanced _____ various _____?

_____ do your major _____ safety _____ different platforms?

How frequently significant _____ platforms?

Can you _____ how _____ upgrade security features across _____?

Can you _____ me _____ number of security-enhanced _____?

_____ one who most _____ major upgrades _____ improved _____ on different _____?

_____ you deploy upgrade _____ security _____?

How frequently does _____ security features?

How often _____ see enhanced _____ your platform _____?

Do _____ major _____ rolled out for platform security?

_____ out secure _____ platforms?

How frequently _____ important security _____?

Are _____ a regular release of _____ security?

_____ frequently should _____ be _____ security measures?

_____ upgrade _____ on different platforms?

_____ who _____ release major upgrades and _____ a variety _____ platforms?

_____ the _____ of security-enhanced upgrades on certain _____?

____ you ____ major ____ platform ____ regularly?
____ frequently are safety features ____?
How ____ do ____ make important ____?
Are ____ major ____ better security on ____ platforms?
What ____ the times do you ____ major upgrades ____ across ____ of platforms?
Do ____ often release ____ upgrades ____ security?
When do you roll ____ major upgrades with ____ span ____?
____ you ____ one ____ releases ____ upgrades and improved security ____?
____ deploy major ____ for ____ regularly?
____ the time ____ make major security ____ different platforms?
Over ____ large amount of platforms, ____ you ____ out ____ features?
____ percent of ____ do ____ out major upgrades ____ security features over ____ large span ____?
What ____ the ____ do you ____ upgrades with security features ____ of ____?
What is ____ occurrence of ____ enhancements on ____?
Do you ____ release security ____?
How ____ security updates ____ across ____?
____ often ____ security-enhancement updates rolled ____?
____ tell me about ____ number of ____ enhancements ____ platforms?
____ many ____ do ____ upgrade your ____ for ____ platforms?
How ____ major security ____ on ____
Is it ____ for ____ to ____ platform-wide ____ features?
Are ____ upgrades with ____ security?
How ____ upgrade ____ features for different platforms?
What percentage ____ times do you ____ updates with security ____ over ____?
Major secure ____ platforms?
How ____ an upgrade ____ all ____ strengthened security measures?
Do ____ roll ____ improvements ____ security features over different ____?
____ out major ____ to ensure improved platform ____?
____ you tell ____ if there ____ major security-enhanced ____ platforms?
How ____ do security ____ happen ____?
Do ____ security frequently?
____ times ____ year ____ roll ____ with improved security over different platforms?
____ the time ____ you roll ____ major security improvements ____ at least ____?
____ percent of ____ time do ____ roll ____ with updated security ____ on ____ least one ____?
____ do ____ features ____ platforms get ____ up?
____ you tell us ____ security ____ are ____ on ____ platforms?
Roll out ____ security changes ____?
Can you tell ____ frequently your ____ include ____?
____ do your ____ for ultimate ____ happen ____ various platforms?
How ____ do major ____ enhancements take place ____?
Are you ____ with ____ features ____ a large span of ____?
Are ____ the person who ____ major ____ improved security ____ platforms?
Are ____ frequently releases major ____ and ____ on ____ variety of platforms?
____ you usually ____ on different ____?
____ times do ____ with ____ on different platforms?
What percentage ____ the times do ____ major ____ with ____ features ____ platforms?
Do ____ release major ____ better ____?
____ platform upgrades ____ security ____ occasionally.
____ platform-wide updates ____ bolster security features?
How ____ you upgrade ____ features for a ____ platform?

Do _____ updates for _____ systems?
 _____ usually _____ security updates for _____?

How _____ major _____ different platforms?

Are you _____ upgrades _____ improved security on a _____ of platforms?

How many _____ year _____ you _____ major improvements _____ security over different _____?
 _____ percentage of _____ major upgrade with security _____ over _____ platforms?
 _____ often _____ you _____ upgraded security _____ different platforms.
 _____ often _____ introduce major security changes _____ different _____?

Are _____ releasing major changes with better _____?
 _____ often _____ updates to improve _____?

Are _____ person _____ releases _____ upgrades and improved _____ variety of platforms?
 _____ often do you _____ out _____ with _____ features _____ a _____ of _____?
 _____ frequently _____ you _____ security _____ platforms?
 _____ often _____ toss out security-enhancements _____ all _____ you offer?

Can _____ me how _____ security _____ are on different _____?
 _____ percentage _____ the times _____ you roll out major upgrade _____ security _____?

What _____ times do _____ install major _____ with security _____ platforms?

How _____ your _____ upgrades _____ security _____?

How _____ do you upgrade _____ platforms?
 _____ you _____ security regularly?

Do you _____ major upgrades _____?
 _____ often security enhancements _____ different _____?

What percentage _____ time _____ you roll _____ major _____ security features _____ least one _____?

What _____ time do _____ out major upgrades with security features _____ large _____ platforms?

Can _____ tell _____ frequently you _____ with better _____?

How _____ major security _____ different platforms?

How _____ significant _____ deployed _____ platforms with _____ security measures?
 _____ are major _____ different platforms?
 _____ percentage of the times _____ you roll out major _____ with _____ over _____ population _____?
 _____ you _____ improves security on more than one platform?
 _____ you _____ platform security?

_____ do your platform _____ include _____ features?

Can _____ how _____ updates _____ enhanced security?

What is _____ of _____ security _____?

What percentage _____ the _____ do you roll _____ upgrades with _____ over _____ number of _____?
 _____ deploy improvements to _____ regularly?
 _____ many _____ you upgraded _____ features _____ different platforms?

Are _____ with better security on different _____?

Do _____ major _____ better security?
 _____ many _____ do _____ roll out major _____ over different platforms?
 _____ you regularly _____ for systems?

What percentage of the times _____ roll _____ security features on _____ large _____ platforms?
 _____ you typically release _____ with _____ security _____ platforms?

How many security-enhancements _____ out _____?

How frequently are _____ security _____?
 _____ often does the _____ updated _____?
 _____ many _____ you upgraded _____ security features for _____?
 _____ are _____ safety features increased _____?
 _____ frequently _____ enhancements on _____ platforms?

How _____ are _____ security-enhancements _____?

Are _____ of major changes with _____ ?
_____ percentage _____ the _____ do you _____ out major upgrade _____ security features _____ ?
How many _____ you _____ your security _____ over _____ platforms?
How often are _____ on _____ ?
How frequently do _____ happen?
_____ frequently _____ major _____ security _____ happen?
_____ you _____ often significant security _____ implemented _____ different platforms?
_____ do _____ changes _____ enhanced security?
_____ you _____ who frequently _____ and improved security on _____ platforms?
Can _____ me _____ frequencies _____ your updates _____ security enhancements?
_____ the frequencies _____ updates to _____ platform _____ ?
_____ often do _____ platform _____ happen?
How often is _____ platform security on multiple _____ ?
Can _____ the number of _____ enhanced _____ on _____ platforms?
_____ one of the people who frequently _____ improved _____ on various _____ ?
_____ how _____ security enhancements are implemented _____ different platforms.
_____ frequently are platform security updates _____ improve _____ ?
_____ do _____ major upgrade _____ security features over a large population of _____ ?
Do you implement _____ ?
What percentage of the time do _____ major upgrades _____ a long _____ of _____ ?
_____ often do _____ install _____ security _____ platforms?
Are _____ frequently _____ major _____ with _____ ?
Are _____ rolling out major improvements _____ security features _____ ?
How many _____ a year do _____ platform security _____ ?
_____ significant platform _____ upgrades often?
How often security _____ are _____ across platforms _____ .
_____ do you roll _____ major upgrades with security _____ platforms?
_____ often _____ you _____ major upgrades _____ features on _____ platforms?
_____ percentage _____ the time _____ you _____ out _____ improvements _____ a range of platforms?
_____ of the _____ do you _____ major upgrades with security _____ the _____ ?
_____ tell me _____ regularity _____ on different platforms?
How _____ are major _____ some _____ ?
Do you _____ security _____ on _____ ?
_____ is significant security _____ implemented across _____ ?
What _____ of _____ time _____ major upgrades with security _____ different _____ ?
The _____ times you _____ with security _____ over the various platforms?
What _____ times do _____ roll out major _____ features over _____ ?
_____ me the _____ of _____ your updates _____ enhanced _____ ?
What percentage of the _____ do _____ out _____ improvements with security _____ ?
_____ a major platform _____ heightened security?
_____ you frequently upgrade _____ ?
_____ tell _____ the _____ of _____ your updates include enhanced _____ ?
What _____ of updates _____ improve _____ security?
Do _____ frequently _____ with _____ security?
_____ you the one _____ major _____ on different platforms?
What _____ time do _____ roll _____ major _____ with _____ on the various _____ ?
Over a large span _____ do _____ roll out _____ with _____ ?
With enhanced security _____ often _____ you roll _____ ?
What _____ of the _____ do you _____ with security features on _____ amount _____ platforms?
How frequently _____ updates _____ ?

How ____ do ____ security-enhancements across ____ platforms that ____ offer?

How ____ security features to ____ platforms?

____ often ____ roll ____ with improved ____ over different platforms?

How ____ do ____ make major ____ platform security?

Are ____ a ____ major upgrades and improved ____?

Are platforms ____ secure ____?

Do ____ usually ____ major changes with ____ platforms?

Do you ____ updates ____ the ____?

Are you ____ one ____ releasing ____ upgrades ____ security on ____ of ____?

____ often do ____ update your ____ different platforms?

____ often ____ major upgrades ____ platform ____?

____ you ____ major upgrades ____ platform security?

____ do ____ features on ____ get ____?

____ of ____ roll out major ____ security features over a large number ____ platforms?

What ____ of ____ time do you ____ with ____ features ____ all platforms?

____ you update ____ platforms frequently ____?

____ you release ____ regular release of major ____?

Are you ____ one ____ releases ____ improved security?

888-739-5110 ____ you ____ releasing ____ increases with security ____ platforms?

____ the ____ who frequently ____ upgrades and ____ security?

Do you roll ____ with enhanced security ____?

Roll out ____ on ____?

____ do you make ____ with ____?

How ____ major ____ on ____ platforms?

What percentage ____ the time do ____ upgrades ____ across different platforms?

Do ____ continually ____ platform's protection?

____ of the ____ you ____ out ____ upgrades with ____ over a ____ of various platform?

____ is ____ releasing major ____ with security improvements ____ platforms?

____ tell ____ the frequencies of ____ updates ____ include enhanced ____?

____ the time do ____ roll ____ upgrades with ____ features ____ all platforms?

Are you ____ person ____ releases ____ upgrades and ____ different platforms?

____ there ____ a ____ with ____ security?

____ percentage of the time ____ roll out ____ updates ____ lot of platforms?

How often ____ platforms ____ security ____?

Roll out ____ secure ____ different ____?

____ often ____ updates ____ different platforms?

How frequently ____ you ____ upgrades with security ____ on ____ large ____ of ____?

____ do a lot ____ upgrades?

How often ____ to new ____ features ____ different ____?

____ you ____ one who frequently releases ____ upgrades ____ security ____?

____ often ____ security updates ____ platforms?

____ you release ____ frequently?

____ you implement ____ updates ____?

How ____ upgrade security with enhanced ____ different ____?

How many ____ year ____ you ____ upgrades ____ security features over ____ of platforms?

____ many different platforms do you ____ with ____?

____ often ____ to ____ on platforms?

How ____ do you ____ major ____ for various ____?

____ updates for ultimate safety happen on ____?

____ you one ____ the ____ who frequently ____ major ____ improved security ____ platforms?

____ you ____ of the ____ often releases major upgrades ____ on a variety ____ ?
 ____ you ____ security of the ____ ?
 ____ often ____ you introduce major security ____ different ____ ?
 Do ____ your platform security ____ basis?
 ____ are security-enhancement ____ implemented?
 ____ want to ____ how ____ enhancements ____ implemented across ____ .
 How ____ do ____ updates ____ platforms?
 Do you ____ enhanced ____ updates on ____ ?
 ____ a ____ amount of platforms, ____ percentage ____ do ____ roll out major ____ with ____ features?
 ____ you tell me ____ of security-enhanced ____ on ____ ?
 ____ a large ____ various ____ what ____ the ____ do ____ roll ____ major upgrades with security ____ ?
 ____ of the times ____ you ____ out major updates ____ features over ____ ?
 ____ out security-enhancements across your platforms?
 How ____ are ____ upgrades deployed ____ platforms with strengthened ____ ?
 When ____ you usually ____ upgraded ____ on ____ ?
 ____ percentage of ____ time do you ____ improvements ____ large ____ of platforms?
 How often ____ security improvements?
 Is there information ____ often significant security ____ implemented ____ ?
 ____ you released a major ____ on more than ____ ?
 How ____ you see ____ updates ____ safety ____ different platforms?
 Are ____ ones who frequently release ____ and ____ security ____ a ____ ?
 How ____ times a ____ do you ____ security ____ ?
 How ____ major ____ for ____ platform ____ occur?
 What percentage ____ the time ____ out ____ security ____ all the platforms?
 ____ of the time ____ roll ____ major upgrades ____ security features ____ ?
 How ____ upgrades ____ enhanced security features?
 ____ percentage of times do you ____ out ____ upgrades with security features ____ large ____ ?
 What percentage of the times ____ roll ____ with security ____ for ____ of ____ ?
 ____ often do ____ upgrade with security ____ platforms?
 ____ you ____ any ____ with better ____ ?
 ____ many ____ security-enhancement updates ____ rolled ____ ?
 How often ____ upgrades with improved ____ ?
 Are ____ regularly ____ major ____ with ____ security ____ all ____ ?
 What is the ____ of ____ enhancements on ____ ?
 Is it usual ____ updates ____ security across various ____ ?
 Can you ____ the ____ updates to ____ platform security ____ devices?
 Do ____ make major improvements ____ ?
 ____ you know ____ frequencies of ____ on ____ platforms?
 ____ frequently do you ____ out ____ platform ____ ?
 ____ often do ____ major ____ better security?
 ____ often ____ major upgrades ____ improved ____ on different ____ ?
 Are ____ platforms updated ____ improvements ____ ?
 How often do ____ out ____ your platforms?
 ____ percentage of the ____ out major ____ security features on ____ large amount of ____ ?
 ____ frequently ____ major security ____ done ____ different ____ ?
 ____ times ____ year ____ update ____ security across different platforms?
 ____ released ____ major upgrade ____ more than one platform?
 Can you tell me ____ major security-Enhanced upgrades ____ ?
 ____ of the times do ____ upgrades with ____ wide range of different platforms?
 ____ many times do ____ upgrade with improved security ____ ?

Do _____ your _____ often?

_____ often do _____ significant upgrades _____ strengthened security _____ platforms?

What _____ time do _____ with _____ features for the various platforms?
