

[Demo] NLP Dataset for Customer Service Automation

Company Type	Electricity Suppliers
Inquiry Category	Energy consumption analysis and advice
Inquiry Sub-Category	Smart energy management
Description	Customers look for guidance on utilizing smart technology, such as smart thermostats or energy monitoring systems, to optimize energy usage and save money. They seek assistance in setting up and troubleshooting these devices for efficient energy management.
Data Size	6,722 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Electricity Supplier" customer inquiry. (Purchased data will not be masked.)

How can _____ my _____ using a _____ thermostat?
_____ possible _____ increase _____ efficiency through a _____ thermostat?
_____ I save _____ therm?
_____ give me _____ on _____ thermostat's _____.
_____ it _____ use _____ therm and _____ energy?
smart thermostat _____ energy _____
How can _____ a _____ to reduce _____ energy _____?
_____ there _____ on how _____ minimize electricity usage _____ smart thermostat?
_____ wonder _____ a smart thermostat will _____ energy.
How _____ I _____ energy _____ the new _____?
_____ to _____ power _____ using _____ smart thermostat?
_____ use a _____ maximize energy _____?
How should _____ use a _____ thermostat _____ use?
Is a smart _____ power?
Can a _____ energy _____?
How can I _____ a smart _____ more energy _____?
Can _____ therm _____ save energy?
_____ can _____ through _____ use _____ intelligent thermostats.
_____ it _____ to decrease _____ energy use _____ smart _____?
Is it _____ the smart therm?
Exploring _____ maximize energy _____ smart thermostat
_____ can the _____ of _____ enhance my _____ savings?
_____ of intelligent thermostats _____ help _____.
_____ to _____ smart _____ to save _____.
_____ can _____ use _____ smart thermostat _____ house more energy _____?
I would like to enhance _____ efficiency _____.
What _____ I _____ to _____ using _____ smart thermostat?
How _____ a _____ to _____ my home's energy use?

_____ for ways _____ electricity with a _____.
 How _____ of my smart _____?
 Can _____ thermostat _____ energy _____?
 Is there _____ to _____ thermostat more _____ efficient?
 _____ can _____ home _____ energy efficient _____ a smart thermostat?
 smart thermostat _____ used to _____.
 _____ it _____ my energy use _____ a _____ thermostat?
 Are _____ any suggestions _____ using _____ to reduce _____ usage?
 _____ smart thermostat _____ for _____ energy _____?
 _____ can _____ use a _____ modify energy use?
 _____ tips _____ maximizing _____ potential?
 How can I get the _____ out _____?
 How _____ I get _____ smart _____ use _____ energy?
 How _____ you _____ energy _____ with _____ smart _____?
 _____ should _____ use _____ thermostat?
 How do I _____ maximize my _____ efficiency?
 _____ can a thermostat _____ efficiency?
 Can a _____ thermostat _____ my _____?
 Is _____ use a _____ to _____ my energy consumption?
 Should I use _____ save _____?
 _____ can _____ smart thermostat _____ make _____ home more energy _____?
 Is it possible _____ a smart thermostat _____ less _____?
 Need help maximizing _____.
 Would _____ be _____ to save _____ the smart _____?
 _____ can a smart thermostat _____ with _____?
 Is it possible to improve _____ by _____?
 Is _____ therm a _____ energy?
 The _____ of intelligent thermostats can be _____.
 _____ thermostat be _____ to cut down _____ power usage?
 Is there a _____ maximize _____ using _____ thermostat?
 There _____ possibilities _____ energy savings _____ a smart _____.
 _____ use a smart _____ to _____ energy _____?
 _____ a smart _____ energy efficiency?
 Is it possible _____ on _____ waste _____ using _____ smart _____?
 _____ I _____ energy _____ through _____ smart thermostat?
 Will _____ thermostat _____ maximize _____ efficiency?
 The _____ with my energy _____.
 _____ a _____ help _____ usage?
 _____ to _____ my energy consumption _____ the _____ thermostat?
 I would like to use _____ smart _____ use _____ efficient.
 _____ you suggest ways to minimize _____ by _____ a _____?
 _____ for _____ efficiency
 Wanting to _____ energy _____ with _____.
 Should _____ smart thermostat to _____ energy _____?
 _____ tips on _____ smart thermostat's _____?
 How to _____ a _____ thermostat?
 _____ smart _____ with energy use?
 Are _____ a _____ thermostat to maximize energy _____?
 Is a _____ thermostat _____ help _____ usage?
 _____ to save _____ power with _____.

Can _____ for using a smart _____ to reduce _____?

_____ thermostat can _____ savings.

_____ a way to _____ my _____ more _____ efficient?

_____ to save _____ a _____ thermostat?

Use _____ thermostat _____ power?

_____ a smart thermostat to _____ energy usage?

_____ have _____ for saving _____ the new smart thermostats?

_____ a _____ thermostat help _____ energy?

Do you want _____ consumption _____ a _____ thermostat?

Reduce _____ usage through _____?

Reducing power _____ via _____ is _____.

_____ smart thermostat _____ with energy _____.

_____ you maximize _____ savings _____ a _____?

It _____ possible _____ improve _____ energy _____ with a _____.

Is _____ possible _____ Efficient energy _____ smart thermostat?

_____ it possible _____ maximize energy usage _____ smart _____?

_____ tips _____ maximizing energy _____ using a _____ thermostat.

_____ a thermostat _____ cut _____ energy usage?

_____ to _____ my energy use _____ a smart _____?

_____ can _____ use a _____ thermostat _____ improve _____ energy _____?

_____ it possible _____ improve _____ efficiency with _____?

Can a _____ me _____?

A smart _____ can _____.

How do I _____ a smart _____ to _____?

How _____ I use _____ thermostat to increase _____?

Can _____ give _____ suggestions _____ using _____ thermostat?

How _____ use my smart _____ to cut _____ power _____?

Is _____ possible to _____ efficient energy _____ smart _____?

_____ make my energy usage _____?

How _____ save _____ power with _____?

What _____ I _____ to use less _____ a _____?

_____ Smart therms _____ efficient?

_____ if _____ is _____ save energy _____ smart therm.

_____ ways to _____ energy savings with _____.

_____ it possible _____ increase _____ efficiency _____ a _____ thermostat?

Is it possible _____ drive _____ costs with _____ thermostat?

_____ do _____ save energy _____ the _____ thermostats?

_____ the _____ to make smart therms _____?

_____ smart _____ can _____ used _____ maximize _____ use.

_____ do _____ make use _____ smart _____?

How to better _____?

Can _____ smart _____ me _____ power?

How _____ I use _____ thermostat _____?

_____ possible to _____ efficient _____ usage _____ smart thermostat?

Improve _____ a _____ thermostat.

Can I _____ improve my energy savings?

What _____ done to save _____ power through _____?

_____ I _____ a _____ thermostat _____ power usage?

_____ utility _____ be lowered by using _____ smart _____?

Can _____ smart _____ with _____ use?

Learn how ____ maximize ____ digital thermostat.
 ____ to maximize ____ with a smart thermostat.
 ____ can a smart thermostat ____ used ____ energy ____?
 ____ usage via smart ____?

Is it possible ____ save ____ energy ____ thermostat?
 ____ have any ideas ____ reducing ____ usage ____ smart thermostat?

How ____ more ____ using a ____ thermostat?
 ____ my ____ more efficiently?
 ____ increase my ____ savings with ____ thermostat?

There are ____ through ____.

We want ____ maximize ____ savings ____ smart ____.
 ____ use of a smart thermostat ____ savings?

Is ____ possible ____ smart ____ maximize my home's ____ efficiency?
 ____ can ____ reduce energy use?

Is ____ for ____ to improve energy efficiency via ____?

Let's ____ intelligent ____ energy.
 ____ use a ____ improve my energy consumption?

How can I ____ thermostat ____ enhance ____ energy ____?
 ____ smart ____ a good way to increase ____?

Think about using ____ thermostat ____ maximize ____.

How ____ use ____ smart thermostat ____ energy?
 ____ save more ____ through ____ smart ____.

A smart ____ can ____ to ____ efficiency.
 ____ have a ____ thermostat to ____ energy efficiency?

The ____ is supposed to ____ consumption.
 ____ it ____ energy efficiency ____ a thermostat?

How can I ____ a ____ to increase ____?

Could ____ smart ____ be ____ to decrease my ____?

I would ____ to save ____ thermometer.
 ____ smart ____ to lower energy consumption?
 ____ can help ____ my energy ____.

____ use ____ a ____ thermostat, how ____ I increase ____ energy ____?
 ____ to use a smart ____ to maximize ____ energy ____?
 ____ use ____ a ____ for ____ energy usage.

Can you suggest ____ usage by ____ thermostat?
 ____ can ____ my energy ____ using a ____ thermostat?

How can ____ the ____ of ____ smart thermostat?

How do ____ use less ____?

____ smart ____ possible ____ make my ____ more efficient?

____ is a way ____ maximize ____ with ____ thermostat.

Do you ____ maximize energy ____ using ____?

____ smart therm?

Using ____ smart ____ will ____ energy ____.

____ can ____ do ____ my smart ____ use less ____?

How ____ use my ____ thermostat ____ reduce ____ usage?
 ____ a smart thermostat ____ to ____ energy ____.

Can I use ____ smart ____ to cut ____ energy ____?

Do ____ want ____ lower energy ____ a smart ____?

The ____ can help ____ maximize ____.

There ____ to ____ consumption ____ a smart thermostat.

____ the ____ thermostat work for ____ ?
 ____ smart ____ can ____ maximize energy ____ .
 To maximize ____ smart thermostat, what ____ should I ____ ?
 ____ use ____ smart ____ can help ____ possibilities.
 ____ to maximize energy ____ the ____ therm?
 The ____ thermostat ____ reduce ____ usage.
 ____ to save ____ when using ____ ?
 ____ a smart ____ to save ____ ?
 ____ a smart thermostat ____ lower ____ utility costs?
 ____ a smart thermometer ____ power.
 ____ saving ____ smart thermostats.
 ____ thermostat ____ to reduce power ____ .
 How ____ a ____ to change my ____ use?
 ____ use intelligent ____ for energy-saving ____ .
 ____ to ____ smart ____ more effectively?
 Should I use ____ to reduce my ____ ?
 ____ use ____ be ____ with ____ smart ____ .
 The use ____ thermostats ____ ?
 ____ maximize ____ usage ____ a smart ____ .
 How ____ smart thermostat ____ efficiency?
 ____ can ____ thermostat ____ my energy savings?
 ____ possible ____ maximize ____ savings by using a ____ ?
 ____ I use ____ to ____ energy usage?
 ____ be ____ energy efficiency via ____ smart thermostat?
 ____ can be efficient ____ energy ____ .
 ____ to enhance ____ with smart thermostats?
 ____ use ____ smart thermostat ____ efficiently?
 I ____ a ____ thermostat, can ____ it ____ efficient?
 ____ of a ____ thermostat for ____ energy ____ .
 How can ____ smart ____ help ____ my energy ____ ?
 ____ could ____ a ____ thermostat ____ power.
 Is ____ set ____ smart thermostat ____ save power?
 Could ____ thermostat help ____ save ____ ?
 Should ____ thermostat ____ used ____ on power?
 Is ____ thermostat to ____ my ____ ?
 ____ possibilities ____ be ____ using intelligent ____ .
 ____ smart thermostat ____ cut ____ on ____ usage.
 ____ it ____ to use a smart ____ improve my ____ ?
 ____ power usage through ____ thermostat?
 ____ the ____ out ____ energy ____ with ____ smart thermostat.
 ____ thermostat smart ____ maximize ____ energy ____ ?
 ____ can use ____ smart ____ energy.
 How ____ a ____ thermostat ____ with ____ ?
 I ____ can improve my energy efficiency.
 ____ smart thermostat?
 Do you ____ any suggestions on how ____ electricity ____ smart ____ ?
 There ____ tips for maximizing energy ____ a ____ .
 A ____ may ____ able to maximize ____ .
 ____ are tips on ____ to ____ impact ____ your ____ Thermostat.
 I ____ to ____ thermostat ____ increase ____ energy savings.

_____ thermostat _____ used for _____ energy usage?
 I wonder if a smart _____ usage.
 How can _____ save _____ those new _____?
 Smart thermostat could _____.
 Is _____ possible to _____ my energy _____ a _____
 _____ tips _____ how _____ improve the impact of _____ Smart _____.
 _____ to _____ with a _____ thermostat.
 How do _____ make _____ energy efficient?
 Smart thermostat _____?
 How can a _____ thermostat _____ used to _____ use?
 Does it make sense _____ use a _____ energy _____?
 _____ can _____ a thermostat to manage _____ usage?
 Isn't it possible _____ my energy _____ thermostat?
 _____ about using a _____ to reduce _____?
 Need tips _____ potential _____ a _____ thermostat.
 Can a smart _____ me _____ energy _____?
 _____ can the smart _____ down _____ usage?
 _____ if I can _____ energy efficiency _____ smart thermostat.
 _____ want to use _____ thermostat to _____ usage.
 Can a _____ control _____ energy usage?
 _____ thermostat _____ energy efficiency?
 _____ wondering _____ to improve my energy _____ with a _____ thermostat.
 How _____ conserve _____ through a _____?
 _____ energy _____ you should _____ smart thermostat.
 _____ for maximizing _____ impact of your _____ Thermostat.
 _____ smart thermostat _____ help _____ my _____.
 _____ it possible _____ more power through a _____.
 Maximizing _____ savings _____ smart _____?
 _____ improve the _____ of my smart _____?
 Is _____ possible to _____ power _____ a smart _____?
 How _____ I use _____ smart _____ to _____ home's energy _____?
 Is _____ smart _____ to _____ save energy?
 _____ possible _____ reduce _____ usage _____ smart _____.
 am _____ able to _____ my energy _____ smart _____?
 _____ use the _____ thermostat for _____ energy _____?
 _____ can I do _____ the _____ my smart _____?
 _____ use _____ thermostat to reduce power use?
 A _____ for _____ efficiency?
 How efficient _____ usage with _____?
 How _____ for energy _____?
 How can we _____ power through _____?
 How _____ smart thermostat _____ energy _____?
 _____ wish _____ use a smart _____ lower _____ use?
 _____ there _____ way _____ use my _____ save energy?
 _____ tricks _____ with the new smart thermostats?
 _____ use a _____ thermostat to _____ energy efficiency.
 With _____ use _____ thermostat, _____ can I _____ my _____ savings?
 _____ can _____ smart thermostat _____ me _____ energy efficiency?
 _____ to increase energy _____ my _____?
 _____ it possible to _____ energy _____ a smart _____.

There ____ a ____ ____ ____ efficiency through ____ smart thermostat.

____ the best ____ to ____ power ____ the ____ temperature ____ unit.

____ my ____ help maximize ____ ____ efficiency?

____ save ____ by ____ a clever temperature controlling ____.

____ there ____ way ____ maximize ____ usage with ____ ____ thermostat?

____ there a way ____ reduce my ____ ____ ____ smart thermostat?

____ possible ____ energy savings by using ____ smart ____?

____ should I ____ a ____ ____ maximize energy use?

____ use of ____ ____ could be ____ energy-saving ____.

____ you ____ use a ____ thermostat ____ cut energy ____?

____ can I use smart thermostats ____ ____ ____?

How about the ____ ____ ____ use?

____ I use ____ smart thermostat ____ ____ energy ____ more efficient?

How ____ I ____ my ____ to ____?

____ thermostat ____ energy use.

It ____ possible ____ energy usage with ____ ____ thermostat.

I ____ a ____ thermostat can ____ energy efficiency.

What ____ to save energy ____ a ____ thermostat?

How about a ____ for ____

Is ____ way ____ consumption using a thermostat?

____ therm could ____ used ____ maximize ____?

Will I be able to ____ with ____ smart ____?

____ it ____ to ____ energy ____ with a thermostat?

____ can ____ maximize ____ energy efficiency ____ thermostat?

____ using a smart ____ reduce ____.

____ thermostats could provide ____ possibilities.

I ____ like ____ savings with a ____ thermostat.

____ can I use ____ smart ____ increase ____ savings?

____ can you ____ smarter temperature ____?

____ smart ____ could ____ a way ____ maximize energy ____.

____ any ____ to ____ with the new ____ thermostats?

Set a ____ maximize ____ usage.

Can ____ use ____ smart ____ to increase ____?

____ use a thermostat to ____?

Reducing power ____ the ____?

____ thermostat ____ maximize energy usage.

____ you think ____ smart ____ used ____ energy efficiency?

Can a ____ thermostat ____ me ____?

Can ____ thermostat ____ energy efficiency?

If you want ____ energy savings, ____ a ____.

____ wonder if ____ smart ____ help me save ____.

Can ____ energy usage?

There are ____ to maximize ____ via ____.

How ____ smart ____ efficient.

Is it ____ to reduce power ____ the ____?

How ____ use ____ smart ____ cut back ____ power use?

How do ____ energy ____ thermostat?

Is there ____ way ____ save ____ therm?

____ do I ____ thermostat to maximize ____ savings?

____ possible ____ savings using a digital ____.

_____ thermostat smart _____ efficiency?

_____ a smart _____ capable of _____ energy?

_____ you think you _____ maximize energy _____?

How _____ save energy _____ new smart _____?

_____ want _____ smart thermostat _____ use less energy.

_____ a smart thermostat _____ reduce power _____?

_____ the _____ of a _____ maximize _____ efficiency?

_____ energy savings by using a _____?

Exploring _____ to _____ energy _____ a _____ thermostat.

_____ your _____ Thermostat's impact.

How can _____ my _____ using _____ thermostat?

_____ intelligent thermostats could help _____ energy _____.

Is _____ way to conserve energy _____ a _____.

_____ to save energy with _____?

_____ might be _____ maximize _____ savings _____ smart thermostat.

_____ do _____ set my thermostat _____ use _____?

_____ thermostat can _____ save _____.

How should _____ smart thermostat _____ maximize _____ usage?

_____ make my _____ thermostat work more _____?

_____ savings using a thermostat.

_____ a _____ maximize energy savings

_____ usage _____ maximized by _____ thermostat.

_____ a smart _____ be used to _____ energy _____?

_____ want _____ smart _____ that _____ me save energy.

_____ to maximize _____ efficiency _____ the smart thermostat?

_____ can _____ smart thermostat _____ maximize my energy _____?

Is _____ smart _____ of _____ me save _____?

_____ suggestions on how _____ usage with a smart thermostat?

Is _____ increase the _____ a smart thermostat?

Is it _____ to lower my _____ thermostat?

Energy _____ be _____ via a _____.

_____ how _____ smart _____ potential

Can _____ reduce my _____ waste _____ thermostat?

A _____ helps maximize _____.

Can _____ thermostat _____ with _____?

What _____ the _____ ways _____ a _____ thermostat?

What can I _____ to _____ using _____ thermostat?

How _____ a smart _____ to save _____?

If you _____ can maximize energy use.

_____ therms _____ to be _____?

_____ a _____ be _____ to increase energy efficiency?

Looking _____ ways _____ maximize _____ benefits of a _____.

Can _____ me save power?

Is _____ to _____ my energy _____ a _____ thermostat?

_____ efficiency _____ smart _____?

Will _____ smart _____ help _____ my _____ usage more _____?

_____ I use a smart _____ to reduce _____?

_____ can _____ save energy _____ a _____?

How do _____ by using a thermostat?

I _____ to _____ possible to save energy _____ therm.

_____ I save more power _____?
 _____ smart thermostat _____ more energy?
 Suggestions _____ using _____ thermostats _____ energy.
 Can _____ smart _____ let _____ energy?
 _____ available _____ maximizing _____ thermostat's potential.
 _____ thermostat help _____ decrease my energy _____?
 How can _____ a _____ thermostat _____ energy efficiency?
 _____ savings _____ be _____ using _____ smart thermostat.
 _____ do I _____ my _____ using a smart _____?
 Will _____ thermostat _____ usage _____ efficient?
 _____ I _____ a smart _____ help maximize energy _____?
 _____ a _____ improve my energy _____?
 Smart _____ me with my _____.
 Do you want _____ consumption using _____?
 There's a _____ maximize energy _____ through _____ smart _____.
 How _____ energy _____ smart _____?
 Is _____ any trick to _____ energy _____ the _____?
 How can I _____ savings with _____ smart _____?
 _____ possible _____ use efficient energy _____ a _____ thermostat?
 _____ possible _____ my _____ efficiency through a smart _____?
 I want _____ to enhance energy efficiency.
 How can _____ make _____ smart _____ less _____?
 How _____ save more _____ using a _____?
 _____ possible _____ down on power _____ using _____ smart thermostat?
 _____ possible _____ maximize _____ by smart _____?
 _____ efficient energy usage _____ a smart thermostat.
 _____ ways can I use _____ smart _____ to _____?
 Say you _____ to _____ energy savings _____ smart _____.
 There _____ a way _____ maximize _____ efficiency _____ smart _____.
 _____ can _____ use _____ thermostat to _____?
 _____ possible _____ use a smart thermostat _____ energy _____?
 _____ smart thermostat _____ enhance _____.
 _____ it possible _____ use _____ energy with _____ smart _____?
 Was it _____ to _____ energy _____ smart thermostat?
 It's possible _____ maximize _____ a _____.
 Is _____ a _____ to _____ energy with _____?
 _____ possible _____ cut down _____ usage with a _____ thermostat?
 Is it _____ modify _____ use with _____ thermostat?
 _____ I save electricity _____ using _____ smart _____?
 _____ to save _____ electricity _____ a _____?
 _____ smart _____ make my energy usage _____?
 _____ smart therm possible _____ save _____?
 _____ to _____ energy _____ digital thermostat.
 _____ smart _____ maximize energy
 It _____ possible _____ maximize energy savings _____ digital _____.
 How _____ we reduce _____ usage _____ smart _____?
 _____ down on energy use with _____ smart _____?
 _____ thermostat _____ improve my _____ efficiency.
 _____ a smart _____ help me _____ energy _____?
 _____ possible _____ maximize energy _____ through a smart _____?

____ do ____ more ____ from the ____ thermostat?
 ____ ways ____ with a thermostat
 ____ use a ____ cut down ____ energy usage?
 ____ is a smart ____ power.
 ____ can ____ smart ____ to reduce my ____ consumption?
 The ____ is ____ to ____ energy consumption.
 ____ to ____ on a ____ thermostat?
 Use ____ to ____ energy.
 ____ maximize my energy ____ with my ____?
 ____ the ____ out of energy ____ with _____.
 Well, use ____ energy savings.
 ____ can I save ____ thermostat?
 ____ there a ____ to maximize ____ a smart ____.
 Reduce ____ a ____ thermostat?
 How ____ I apply ____?
 ____ thermostat ____ to maximize my ____ consumption?
 How ____ with smart ____?
 ____ the ____ thermostat able to ____ my ____?
 How can ____ thermostat ____ my ____?
 ____ it possible to ____ via ____ thermostat?
 ____ usage ____ reduced ____ smart thermostat.
 How ____ lowering energy ____ smart ____?
 There ____ ways to maximize ____ savings ____ smart ____.
 There are ____ to maximize ____ savings ____ thermostat.
 How should I ____ smart ____ maximize ____ usage?
 Will smart ____ energy?
 ____ way ____ down ____ power usage with ____ smart thermostat?
 How can I ____ smart ____ to ____ usage?
 A ____ thermostat ____
 ____ I ____ my energy use ____ a ____ thermostat?
 ____ energy with a ____ thermostat?
 ____ it ____ to save ____ with ____ smart ____?
 Is it ____ smart ____ increase my ____ efficiency?
 There are ____ to ____ energy savings with _____.
 ____ a smart thermostat ____ cut ____ energy waste?
 I want ____ energy ____ with ____ smart ____.
 Do you have any tips to ____ digital ____?
 How ____ I ____ a thermostat ____ maximize ____?
 People ____ use smart ____ conserve ____.
 ____ if it was possible to ____ therm.
 ____ it possible ____ use ____ smart ____ to ____ energy?
 Maybe ____ use ____ thermostats can ____?
 ____ used to reduce power usage.
 ____ saving ____ using ____ thermostats.
 A ____ could ____ energy efficiency.
 ____ there ____ improve my ____ efficiency ____ smart thermostat?
 Is the ____ smart ____ use?
 Can a ____ thermostat help ____?
 ____ with the thermostat?
 How to ____ with ____ smart ____?

How do _____ smart _____ efficiently?

Is it possible to _____ usage more _____ thermostat.

_____ a smart _____ efficiency?

Use a _____ thermostat _____ use.

Is _____ a _____ to increase energy efficiency _____?

_____ I use a _____ savings?

_____ smart _____ reduce my _____ consumption.

_____ possible to improve _____ efficiency with _____ smart _____?

How _____ a _____ thermostat _____ down on _____?

A smart _____ maximize energy _____.

How to _____ thermostat _____ efficiently.

_____ power usage _____ a _____ thermostat.

_____ on how to maximize _____ Thermostat impact.

How _____ therm _____ energy?

_____ can _____ energy using smart _____?

Can _____ my _____ be _____ efficient?

How _____ make _____ more efficient?

There are ways to _____ energy _____ a _____.

Do you have _____ maximizing _____?

Can _____ Thermometer _____ cut power _____?

_____ power _____ via a _____ thermostat?

How _____ power use _____ smart thermostat?

_____ using a _____ save on _____.

_____ can I _____ electricity _____ a _____?

How about _____ save _____ the new _____ thermostats?

Is _____ save energy _____ using _____ thermostat?

_____ savings _____ a smart thermostat.

How can _____ use _____ less energy?

I wonder if _____ temperature _____ save _____.

How _____ I use my _____ to maximize _____?

_____ can _____ a smart _____ to reduce _____ usage?

Can _____ my smart thermostat _____ improve _____?

How _____ maximize the _____ thermostat?

It is _____ energy through the use _____.

_____ for saving _____ with _____ thermostats.

Is there _____ energy with _____ new _____ thermostats?

Is _____ to use a _____ thermostat to _____ down _____.

_____ can I _____ a _____ to improve energy _____?

_____ a smart thermostat help _____ save _____ on _____?

Can you suggest _____ to minimize _____ by _____ thermostat?

_____ it _____ to improve _____ by implementing _____ thermostat?

_____ I _____ a smart thermostat to _____ my _____?

What are _____ save energy _____ the _____ thermostats?

How _____ I _____ energy with _____?

How _____ my smart _____ increase my energy _____?

Is _____ reduce power usage _____ smart thermostat?

_____ I use _____ smart _____ help cut down on _____?

Is _____ possible _____ improve my energy _____ thermostat?

The use _____ thermostats _____ for _____.

_____ usage by using _____ thermostat?

_____ maximize _____ with a smart thermostat.

How _____ smart thermostat _____ increase _____ savings?

smart _____ to save _____?

Can _____ my energy usage?

Can _____ help me _____ my _____?

_____ can _____ thermostat to _____ energy.

You could _____ the _____ to _____.

Can _____ use a _____ to _____?

_____ we _____ a smart thermostat _____ energy _____?

_____ are the best _____ through a smart thermostat?

How _____ I _____ energy _____ smart _____?

_____ I _____ a smart thermostat to _____ usage?

How do I _____ energy _____ use of _____ thermostat?

Are I _____ efficiency with a smart _____?

Possibilities _____ maximizing energy _____ with _____.

_____ would like _____ energy efficiency with a _____.

Could _____ smart thermostat _____ energy _____?

Can _____ thermostat _____ me _____ my _____?

_____ is _____ smart thermostats _____ save energy.

_____ can _____ best _____ a smart _____?

_____ use of _____ thermostats _____ mean _____.

How can _____ help me _____ on _____ usage?

_____ thermostat to _____ power

How do _____ energy _____ efficiently with _____ smart _____?

Can _____ thermostat to _____ down on _____ waste?

Smart _____ can _____ used _____ energy.

Can _____ make my thermostat smarter _____ waste?

_____ the smart thermostat _____ me _____ my _____?

_____ it possible _____ improve _____ usage by using _____?

_____ use my _____ to decrease my _____ usage?

_____ I _____ a _____ to decrease my _____ use?

A smart thermostat _____ energy _____.

Use _____ ways to lower energy consumption.

_____ me suggestions for _____ a smart _____?

Can _____ give suggestions for _____ to _____ electricity?

_____ possible to _____ smart _____ decrease energy use?

_____ energy savings through a _____ thermostat.

_____ thermostat _____ able to improve _____ energy efficiency?

It _____ make _____ energy usage _____ with a smart _____.

_____ do I _____ through _____ thermostat?

_____ can _____ energy usage by _____ a _____.

How _____ I use a _____ improve _____ energy _____?

There are ways _____ save energy _____ thermostat.

_____ it possible _____ energy _____ thermostat?

How do I _____ energy efficiency with _____?

How _____ I use _____ maximize energy usage?

Need _____ for _____ smart thermostat's _____

_____ can _____ energy through _____ thermostats.

How can _____ save _____ with the _____?

_____ I _____ my _____ to save power?

Reduced _____ can be _____ smart _____.
 What _____ with _____ smart thermostat?
 _____ usage through a _____?
 Are _____ talking _____ using a smart _____ maximize _____?
 _____ to _____ on _____ smart thermostat?
 Ways _____ energy _____ using _____ thermostat?
 How _____ power _____ a thermostat?
 Energy-saving _____ through the _____ of _____.
 Is _____ possible _____ my _____ a thermostat?
 _____ a _____ help _____ power?
 _____ the _____ intelligent _____ possible for _____?
 Is _____ possible to _____ to decrease _____ usage _____ using a _____?
 _____ there a _____ maximize energy efficiency using _____?
 _____ you _____ smart thermostat _____ energy savings?
 _____ thermostat help _____ the energy _____?
 _____ smart _____ help improve my _____?
 _____ could _____ the smart thermostat _____ reduce _____.
 _____ a _____ to reduce _____ energy use _____ smart thermostat?
 Need tips _____ maximizing _____ thermostat's _____.
 How _____ I use _____ smart thermostat to _____?
 _____ I increase _____ energy efficiency with _____ thermostat?
 Do _____ you could maximize _____ therm?
 Will _____ smart thermostat _____ my _____?
 The use _____ thermostats _____ the _____ to _____ energy-saving.
 Use _____ smart _____ lower energy _____.
 _____ my _____ use more _____ smart thermostat?
 _____ a smart thermostat _____ my _____?
 _____ on _____ smart thermostat's _____?
 Can _____ thermostat _____ energy _____?
 The _____ be _____ to maximize energy _____.
 Need _____ with maximizing _____.
 How about _____ energy consumption _____?
 Can a smart _____ save _____?
 _____ you give _____ suggestions about _____ thermostat?
 The _____ thermostat _____ cut _____ on _____.
 _____ thermostat _____ me cut _____ waste?
 How do I _____ savings when _____ use _____ thermostat?
 _____ energy _____ with _____ thermostat?
 _____ may _____ to _____ thermostat to save energy.
 _____ is _____ to maximize _____ efficiency _____ a _____ thermostat.
 Is _____ reduce my _____ consumption _____ a _____ thermostat.
 _____ thermostat _____ be used _____ power usage.
 _____ with _____ smart thermostat
 _____ smart _____ energy use more efficient?
 How do _____ thermostat to _____ energy?
 I am _____ therm _____ energy.
 _____ maximize energy usage _____ a _____ thermostat.
 How to _____ with smart _____?
 _____ a smart _____ help _____ use?
 _____ a _____ save power?

____ smart ____ could ____ for ____ efficiency.
 ____ potential of the smart thermostat.
 ____ possible to save ____ with ____ smart thermostats?
 ____ lower energy ____ a smart ____?
 Is there a ____ usage by using ____ smart ____.
 Use ____ thermostat to ____ energy ____.
 ____ smart thermostat ____ help ____ use.
 ____ of intelligent thermostats could lead ____.
 How to ____ smart ____.
 Is a ____ energy usage?
 How to save ____ through ____.
 ____ a ____ energy efficiency ____ a smart thermostat?
 ____ the ____ thermostat ____ energy use?
 ____ I use smart ____ save ____?
 Can ____ by using a smart thermostat?
 ____ smart thermostat ____ be ____ to reduce ____ consumption.
 There are ways ____ thermostats.
 Would it ____ energy use with a smart ____?
 ____ there ____ way ____ maximize ____ use ____ smart thermostat?
 Is ____ possible ____ reduce power ____ thermostat?
 Think ____ using smart therm ____.
 ____ could ____ smart ____ maximize energy ____?
 ____ would ____ to ____ my energy usage ____ a ____ thermostat.
 ____ to ____ my energy use ____ my thermostat?
 ____ possible to ____ with ____ Therm?
 ____ smart thermostat ____?
 How ____ I ____ on ____ smart thermostats?
 It is ____ to use ____ smart ____ power.
 Reduce ____ usage ____ thermostat?
 How ____ make ____ smart ____ more ____ efficient?
 Can ____ suggest ____ to ____ electricity use ____ using ____ smart ____?
 How ____ thermostat be ____ to ____ my energy ____?
 ____ reduce ____ energy use ____ a smart ____?
 The ____ could ____ power.
 Maybe a smart ____.
 smart thermostat ____ usage
 There is a ____ to ____ in a ____.
 ____ power usage via ____?
 ____ use a thermostat ____ reduce power ____?
 ____ thermostat could ____ energy usage.
 ____ my ____ to ____ less energy?
 Is a ____ a ____ efficiency?
 Try to use ____ thermostat ____ consumption.
 Is it possible ____ use ____ smart ____ change ____ energy ____?
 Is there a ____ to ____ using ____ smart thermostat?
 There ____ energy with those smart ____.
 ____ are ways to maximize ____ impact of ____.
 I ____ could cut down on energy ____ a ____ thermostat.
 ____ are ____ possibilities ____ use ____ thermostats.
 Is it ____ a smart thermostat ____ lower ____ energy ____?

Are you considering _____ therm _____?

Is there _____ to increase _____ efficiency with _____?

How _____ I _____ thermostat to save _____ usage?

Use _____ thermostats _____ energy.

_____ use a smart thermostat _____ my energy _____?

How can _____ energy efficiency _____ thermostat?

How can _____ to _____ my power usage?

_____ it _____ to make my _____ usage more efficient _____?

I want to reduce my _____ a _____.

_____ energy-saving possibilities _____ use of _____.

_____ save energy, _____ smart _____.

_____ smart _____ energy efficiency?

_____ use my smart thermostat _____ make _____ home _____ efficient?

_____ I use a _____ to decrease _____ energy _____?

_____ usage _____ a smart thermostat?

_____ at _____ to _____ savings _____ a thermostat.

_____ possible to squeeze _____ of my _____ thermostat.

Get _____ a smart thermostat.

Is it possible _____ efficiency _____ smart thermostat.

_____ is _____ maximize energy savings _____ smart thermostat.

How _____ save _____ through _____.

Do _____ tips on _____ thermostat's potential?

Is _____ a _____ to maximize efficiency _____ thermostat?

_____ use with _____ thermostat.

_____ it _____ a smart thermostat to _____ energy use?

How can a _____ efficiency?

_____ difference in energy use?

Can I _____ my _____ control my _____ usage?

How _____ use _____ the smart _____?

_____ there any tricks _____ with the _____ smart _____?

Should _____ to lower energy consumption?

_____ are some _____ you _____ do _____ save _____ with _____ new _____ thermostats.

_____ it possible to reduce _____ smart _____?

How can _____ use a _____ to manage _____ use?

_____ can _____ power usage via _____.

Can _____ help _____ energy?

How _____ you _____ efficiency _____ a _____ thermostat?

Looking _____ to maximize _____ with a _____.

There _____ ways _____ energy with _____ new _____ thermostats.

Are _____ able to suggest _____ to reduce _____ by _____ a _____?

How _____ save power _____ a _____?
