

[Demo] NLP Dataset for Customer Service Automation

Company Type	Mobile Network Operators
Inquiry Category	Network outages and service disruptions
Inquiry Sub-Category	Loss of signal
Description	Customers may experience a complete loss of signal, preventing them from making calls, sending messages, or accessing the internet.
Data Size	7,742 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Mobile Network Operator" customer inquiry. (Purchased data will not be masked.)

____ soon can we ____ ____ ____ disruption ____ end?

What are ____ ____ ____ for normal ____ to be ____?

What ____ the ____ time ____ for restoration ____ ____ service?

____ ____ have ____ estimate for ____ fixed ____ issue.

____ ____ network ____ ____ finish soon?

Network chaos ____ ____ terminated before ____ ____ ____ the year.

When ____ the Network ____ ____?

There ____ be an ____ on ____ ____ ____ might end.

____ service restoration ____ ____ ____ time.

____ ____ give us a ____ ____ ____ restoration of service?

____ ____ service ____ to normal?

____ ____ do you think ____ ____ ____ be solved?

____ fast do ____ ____ this connection ____ ____ be solved?

____ ____ a ____ of prompt restoration of ____ ____ again?

Is ____ a hint on ____ end ____ ____ ____ outage?

When ____ ____ ____ mess end?

____ ____ disruption ____ ____ to be ____ soon.

Will the network ____ ____ ____?

Affected ____ ____ be ____ again ____.

Do ____ think ____ ____ networking problem will be ____ ____?

Do ____ ____ an estimate on ____ ____ ____?

Could you predict ____ ____ ____ will ____ resolved?

What time ____ ____ ____ problems be ____?

____ long ____ ____ for the network to ____ back?

When ____ ____ network ____ be ____.

Are you ____ ____ quickly ____ network disruption ____ ____?

Is there ____ new ____ ____ ____ could get ____ again?

Can you ____ ____ when ____ ____ ____ return?

____ is ____ expected ____ the network ____ ____ end?

How _____ network comes back _____?

Will the _____ mess _____?

_____ it _____ when the _____ problem _____ fixed?

Will we _____ an _____ to _____?

_____ you _____ estimated _____ for resolving the _____?

_____ should we _____ able to _____ networking _____.

Is _____ that the _____ be fixed soon?

_____ fixes _____ restore normal networking operations?

When _____ we _____ disruption _____ stop?

_____ might we expect an end _____ the _____?

Can you tell _____ when _____ be _____ again?

Do _____ quickly _____ be able to _____ back to _____?

The _____ time for _____ internet _____?

_____ time _____ think _____ can expect _____ this network interruption?

_____ estimate _____ the _____ might end?

_____ a network _____.

Can we _____ end _____ network _____?

Will network _____ soon?

_____ soon _____ networking problem _____ solved?

_____ is it _____ the connection _____?

Network _____ may _____ soon

Is _____ possible _____ network disruption _____ soon?

Can you _____ an _____ of when the _____?

Can we _____ service _____ again soon?

Have _____ figured out _____ the _____ disruption _____ end?

_____ Network _____ over soon.

_____ network outage end?

_____ times for restoring service?

When _____ issues be _____?

_____ network issue _____ solved _____?

_____ long _____ the network chaos _____ be history?

_____ offer _____ estimate of the time it _____ take _____ the _____?

_____ network _____ be solved _____?

How _____ will _____ network _____ up?

Any _____ when _____ will end?

_____ long until this _____ network _____?

Is _____ an expected _____ to _____ disruption _____ network?

_____ me _____ quickly we will _____ get relief from _____ network interruption?

Do _____ disruption will end?

What _____ timelines _____ resolving _____ outage?

What _____ take _____ resolve this outage?

Do you know _____ network service _____ will _____?

Do _____ know when _____ be fixed

Can you let us _____ internet will _____?

When _____ the _____ be _____?

_____ you have _____ on _____ the interruption will _____?

Is there any _____ people _____ get _____ with no problems?

Is _____ over _____?

_____ network _____ to end?

The timing for _____?

_____ the _____ problems expected to _____?

Network trouble _____.

The _____ disruption _____ soon.

_____ aware _____ how quickly _____ can _____ relief _____ this interruption?

_____ there an estimate of _____ normal _____ restored?

_____ will _____ problems _____ fixed?

_____ service be back?

_____ time _____ the network _____ up?

How soon _____ will end?

_____ this _____ finally be _____?

Network Issue _____ soon?

Can you _____ time frame _____ restoration of _____?

_____ you know _____ quickly _____ expect _____ from _____ network interruption?

How _____ this networking problem _____?

Will _____ over soon?

_____ the _____ to _____ back up?

_____ internet _____ have an end _____.

What _____ should _____ expect _____ end _____ the network _____?

How long _____ the _____?

How _____ until _____ jam ends?

_____ it possible _____ the _____ problem _____ be fixed?

_____ before the network _____ is _____?

Is _____ on resolving _____ outage?

Can you tell me _____ we _____ relief _____ this _____?

_____ disturbance resolution _____ take _____.

_____ the connection _____ to stop?

_____ to network issues _____?

_____ tell me _____ the network interruption will _____?

Network service _____ take _____.

I would like _____ we _____ expect relief from _____ network _____.

_____ can we _____ normal _____.

Can _____ me _____ will have a _____ network _____?

_____ network disruptions _____ resolved?

The network _____ fixed _____.

_____ problems be fixed _____?

You _____ know _____ the _____ be fixed.

_____ will this darn network _____?

Network _____ get _____ soon?

Can you tell _____ when _____ be _____?

What _____ the expected _____ service?

Is _____ timeframe _____ the disruption to _____?

Do you know _____ restoration _____?

How long _____ is history?

_____ there an _____ for _____ end of _____ disruption?

_____ end time _____ issue?

When _____ normal connection?

Are _____ sure _____ connection problem _____ be _____ at _____?

How _____ will this _____ problem _____?

_____ will it be until _____ network _____?

_____ you predict _____ networking _____ might be _____?

Can you tell me _____ be restored?

_____ gets solved _____?

When will _____ be _____?

Do _____ an _____ when the disruption will _____?

The _____ may _____ end.

Can you tell _____ network _____ be fixed?

_____ you _____ quickly _____ will _____ to get relief from this _____?

_____ idea of when _____ be normal again?

Can you give an estimate _____ interruption _____?

When will _____ fix _____?

Can _____ us _____ quickly _____ can expect relief _____ this _____?

Is _____ any information about _____ people will be _____?

_____ on when _____ interruption _____?

Have you determined _____ is going to _____?

The _____ will be _____.

_____ network _____ resolved quickly _____?

_____ you have an _____ for resolving _____ disruption?

When will _____?

_____ outage will _____ when?

Estimated _____ internet issues?

Is the _____ to _____ soon?

_____ what point _____ we _____ the _____ end?

Can _____ tell _____ time _____ will be _____ up?

How _____ you think _____ will _____ resolved?

_____ will _____ network _____ be _____?

_____ there a _____ for _____ the _____ interruption _____ be _____?

_____ the _____ mess _____ over?

_____ can _____ disruption end?

_____ network being _____ cease?

_____ you _____ fast we'll get _____ from this _____?

Network _____ when _____ end?

_____ down, _____ when _____ is normal _____?

How long _____ the network _____?

_____ about to end?

_____ do _____ think _____ issue will be solved?

Please _____ us know _____ regular _____ restored.

_____ know _____ we _____ expect _____ from the interruption?

There _____ network _____ and _____ be resolved?

Can _____ how fast _____ can _____ relief _____ this network _____?

How _____ will _____ problem _____ solved?

Is _____ network _____?

_____ you _____ us _____ when the _____ will be _____?

Is _____ an _____ on when _____ network _____ end?

Is _____ possible _____ expect relief _____ network interruption _____ a few _____?

Can you give an _____ time _____ service?

_____ is possible _____ networking problem may be _____.

Is there an _____ disturbances _____?

_____ there _____ timetable for _____ the _____ to the _____?

Estimated end time _____?

When _____ connections _____ be _____?

Should we expect an _____ lapse _____ point?

Network _____ likely to _____.

_____ long _____ network _____ be restored?

_____ before the _____ gets _____?

How _____ can we _____ relief from _____?

_____ soon _____ you _____ that the _____ be solved?

_____ time do you _____ the connection _____ will _____?

Affected networks _____ soon.

_____ going to get relief from _____?

The network _____ be resolved _____.

How soon _____ the connection _____ be solved?

Is there an _____ disruption _____ stop?

_____ do you _____ the _____ problem will _____ solved?

_____ expect to end the _____?

_____ it _____ that the _____ would stop?

How _____ problem be fixed?

_____ is it _____ the _____ stop?

Will you be _____ to _____ this networking _____ will _____?

_____ will the _____ be _____?

_____ us how fast _____ can expect relief _____ interruption?

Will _____ be resolved _____?

How soon for _____ to _____?

_____ when _____ a _____ network issue.

_____ need a _____ for _____ of _____.

How _____ it until _____ network jam _____?

The _____ not be _____ yet.

Can _____ a time frame for _____?

_____ interruption will _____ fixed _____.

When _____ we _____ the _____ to _____?

Please tell _____ when _____ will _____.

_____ can _____ expect network _____ to _____?

Can you tell _____ when _____ be restored?

Network outage _____ will _____?

_____ expected _____ for a internet _____?

How _____ should we _____ an _____ the _____ lapse?

_____ on _____ chaos _____?

_____ will the _____ problems _____?

_____ disruption _____ the _____ be resolved.

How _____ do you think _____ problem _____ resolved?

_____ may be finished _____.

Can you tell _____ for service _____?

Network _____ idea _____ it _____ back to _____?

Can _____ tell me when _____ will get _____?

_____ an estimate on when _____ stop?

_____ estimate of _____ fixed network _____?

How soon _____ end.

_____ service restoration?

_____ the _____ time frame for _____ service _____ return?

_____ frame might _____ conclude?

_____ you _____ a _____ the disruption _____ be resolved?

Network down, _____ things are _____?
 _____ rapid _____ interference be _____?
 How soon _____ network chaos _____?
 _____ you have any idea _____ quickly the _____ fixed?
 _____ should end soon.
 Will _____ problems _____ soon?
 I am wondering _____ network _____ over.
 Network _____ could _____ while.
 _____ want _____ know _____ there is an _____ end to _____.
 _____ will the network _____ over?
 What point should we _____ an _____ network _____?
 _____ quickly can _____ from _____ interruption?
 _____ you have _____ for _____ restoration?
 _____ you tell _____ time _____ the disruption will _____?
 _____ long until _____ network _____?
 _____ it _____ that _____ connection troubles _____ go away?
 _____ the time frame _____ resolving _____?
 Can _____ us _____ frame for restoring _____?
 Will _____ darn network _____?
 Can you _____ estimate _____ when _____ will _____ over?
 _____ you _____ we will _____ able _____ connect again?
 Will there be _____ the _____ will end?
 When _____ the network _____?
 What time _____ disruption _____?
 network _____ might _____ finished _____.
 _____ you _____ networking problem _____ be fixed?
 How long _____ the _____ running again?
 _____ long is _____ the network _____?
 How long _____ the _____?
 _____ you _____ estimated time _____ for resolving _____ disruptions?
 _____ anticipate restoration _____ networking operations.
 _____ you _____ an estimate _____ when the _____ will _____?
 _____ the network _____ to _____?
 _____ know how quickly _____ get _____ the interruption?
 _____ there _____ anticipated _____ for _____ the _____?
 _____ there a time _____ for when _____ interruption _____ be _____?
 Is there an _____ time _____ disruption?
 The _____ needs an _____.
 _____ network _____ be fixed, _____ there any indication?
 _____ you think _____ connection problem _____ be solved _____?
 When are _____ network _____ be _____?
 When _____ networks to _____?
 _____ can _____ resolved soon.
 When should we _____ problem _____?
 _____ to _____ when the network _____ up.
 An estimate _____ the interruption _____?
 _____ to be the end _____ this _____ lapse?
 _____ there an estimated time _____ the _____ to _____?
 network trouble _____ soon.
 Network _____ could _____ finish _____.

Is _____ expected resolution _____?

I _____ know when the _____ interruption will _____.

Does anyone _____ the _____ stop?

_____ long _____ the network _____ back _____?

Time for _____?

The network _____ finished _____.

How _____ before _____ jam _____?

_____ of _____ the _____ will _____?

An estimate _____ will stop is _____.

_____ when the network disruption will _____.

_____ the end _____ issues.

_____ estimated time _____ restoring normal _____?

network _____ will _____ over _____.

I _____ how long until _____ network is back _____.

_____ there an _____ the disruption _____ our network _____?

_____ affected networks _____ work _____ or _____.

_____ should we plan _____ networking _____?

_____ we _____ the normal connection _____?

_____ are your estimates _____ when connection trouble _____?

When _____ network outage _____?

_____ disrupted _____ will be _____.

Could _____ tell us when the networking _____?

What _____ think the connection _____ will be _____?

_____ network _____ cease _____ be _____.

_____ will _____ disruption be _____?

How long _____ network _____?

How _____ is it until _____ up?

Do _____ when we will get _____ from _____?

How _____ before _____ is back _____?

_____ expect _____ to the network issue?

_____ there _____ for _____ service restoration?

Is _____ timescale for restoring _____?

_____ soon can _____ outage?

_____ mess will _____ over _____ time.

network _____?

_____ expect an end _____ network _____ what point?

How long _____ starts _____ again?

Is _____ an _____ when it _____ restored?

_____ interruption will cease

When _____ network _____ come to _____?

_____ network service?

Can _____ expect _____ return _____ service?

How quickly _____ network _____?

How _____ until _____ again?

When _____ the _____ back to _____?

_____ a _____ resolving this outage?

I _____ when _____ will _____ completely.

When can _____ a _____ in _____ future?

_____ point should _____ expect _____ end to this _____?

How _____ does _____ network disruption _____?

_____ expected that _____ troubles would end?

Does _____ the network _____ will be _____?

Do _____ quickly _____ will get _____ from this _____ interruption?

_____ the _____ be fixed?

When will _____ disruption _____?

_____ will _____ resolved?

_____ network interruption _____ soon?

When _____ Network _____ be _____?

_____ quickly will _____ networking problem _____?

When _____ network return _____?

What _____ expected _____ time for an _____?

Can _____ when _____ communications _____ return?

_____ problems will get _____

_____ there an end _____ for _____ disaster?

_____ time _____ you think the connection _____ be _____?

_____ chaos will _____ history _____.

_____ you tell me _____ a fixed network _____?

Should _____ end _____ this _____ be _____?

Affected networks will _____ to _____.

_____ you tell me _____ you _____ fixed _____ issue.

_____ is _____ networks resume working shortly or _____.

_____ we anticipate _____ again?

_____ know when regular _____ will _____ restored.

Are _____ any _____ when _____ will end?

_____ it possible _____ restoration?

How _____ the network is _____ can you _____ me _____?

_____ the network _____ be _____?

_____ this jam ends?

Estimate when _____ stop?

_____ disturbance resolution could _____.

Is there _____ of _____ time _____ will _____ to _____ normal _____?

_____ do _____ reckon the _____ chaos will _____?

_____ can _____ fixed soon.

The _____ be resolved _____.

_____ it _____ to _____ when the _____ problem _____ be _____?

_____ you _____ quickly we will get relief from _____?

_____ the _____ to end?

_____ expected end _____ an _____ issue?

_____ network _____ be resolved?

How _____ longer before _____ stop?

I wonder _____ the _____ mess _____.

_____ are _____ be fixed soon.

Will _____ network _____ resolved _____?

_____ when the _____ will _____ solved?

_____ be able _____ expect _____ restoration?

Is _____ an _____ internet issues?

Is _____ possible _____ the networking problem _____ solved _____?

_____ the _____ is no _____ disturbed?

_____ would like _____ network will be _____ up.

Will _____ network _____ be _____ while?

How _____ that _____ is restored?

How long _____ network _____ to _____?

_____ time till the network _____?

_____ timelines for _____ this _____?

Estimation _____ interruption _____ stop?

_____ should get over _____.

How long _____ network _____?

When _____ the _____ back?

_____ give us a time frame _____ service?

How long _____ disruptions _____?

How long _____ the _____ to _____.

_____ you have _____ timetable _____ the restoration _____?

Network chaos _____?

How _____ can there _____ an end _____?

_____ will the _____ problems _____ resolved?

_____ this _____ problem _____ be solved?

_____ you _____ us _____ estimated time to _____ disruption?

When will _____ to the _____?

_____ down, _____ tell me when it _____ normal _____?

How _____ is _____ until _____ cease?

When _____ this _____ mess _____?

What _____ the estimated _____ resolving _____ disruption?

_____ normal connections again?

Do _____ know _____ regular service _____?

How _____ the _____ end?

Is there an _____ for resolving _____.

_____ quickly can the _____ ended?

Will _____ network mess _____?

Network _____ expected _____ fix _____?

The network issue _____ solved _____.

_____ the disruption _____ be over?

How long _____ the _____ end?

When will the _____?

How long _____ until _____ network _____ stops?

_____ the disruption _____ fixed?

Is _____ to estimate _____ the _____ end?

_____ soon can _____ expect _____ to return to _____?

_____ trouble _____ get over _____?

Any _____ when the _____ will _____?

Can _____ know when regular internet _____?

How _____ until _____ gets _____?

Is the _____ time _____ an _____?

_____ don't know _____ the network _____ will _____.

Network problems _____ get _____.

_____ disruption will be _____.

_____ should an _____ this network lapse _____?

What _____ connection problem be _____?

_____ there _____ estimate for _____ back to normal?

_____ this network _____ be _____?

_____ don't know when _____ network _____ be _____.

____ will ____ outage ____ over?
 ____ the network be ____
 Are you certain ____ this ____ be ____ soon?
 Network issues ____ soon?
 Do ____ we'll ____ to get back to normal?
 Is ____ soon?
 ____ this ____ jam stop ____?
 Estimation ____ when ____ stop?
 ____ long ____ will take for ____ connectivity to ____ restored?
 Can you ____ when ____ resolve ____ disruption?
 ____ ends ____ we anticipate it?
 ____ should we expect this ____?
 Are there ____ timelines for ____ of ____ disruption ____ our ____?
 ____ we expect to see ____ lapse?
 ____ quickly ____ you ____ they will fix ____?
 When are ____ troubles supposed ____?
 Is there an ____ will end.
 ____ frame should ____ expect for restoring ____?
 ____ see ____ network lapse by what point.
 ____ the problem ____ network ____ fixed?
 ____ fix likely.
 ____ possible ____ affected networks will ____ work ____.
 The affected ____ working ____.
 The restoration ____ service ____ take ____.
 ____ know ____ expect an end ____ the network issue.
 ____ solved soon.
 ____ network ____ will be ____.
 Affected ____ shortly ____ not.
 Can ____ tell us ____ can ____ regular ____?
 ____ the ____ fiasco end?
 Will ____ estimate ____ when the interruption ____ stop?
 ____ the network operate ____?
 Could ____ the ____ problem will be solved?
 ____ there ____ plan ____ when ____ network interruption ____ be ____?
 ____ you ____ to tell ____ regular communication ____ restored?
 ____ is ____ time frame ____ of the disruption to ____ facilities.
 Are ____ soon the ____ going to end?
 ____ they'll ____ it fixed quickly?
 Was there an ____ the disruption ____?
 ____ how ____ network chaos end?
 Network disturbance ____ take ____ longer.
 ____ is ____ predicted end ____ for ____ internet ____?
 ____ an ____ time for a ____?
 ____ should we expect ____ end ____ this ____?
 ____ does ____ network come back ____?
 ____ know when ____ problems ____ be ____?
 ____ will ____ network fix ____?
 ____ disruption ____ conclude.
 How ____ think this ____ be fixed?
 ____ there ____ resolving this outage?

Is there a _____ line for the _____?

When can _____ to the network _____?

_____ problem should _____.

The _____ will _____ history _____ soon.

Is _____ possible _____ the disruption?

When can _____ expect _____ to _____?

_____ will the _____ fixed?

Any _____ the interruption will _____?

_____ should _____ an end _____ this lapse?

_____ don't know _____ restored completely.

How long _____ comes to an _____?

_____ are _____ about when the _____ will be _____.

_____ the expected time for _____ be restored?

_____ there _____ for network resolution?

Is _____ chaos _____ end soon?

Can _____ when the _____ internet will _____ back?

_____ you expect an _____ time _____ issue?

_____ we expect _____ disruption to _____ to an _____?

_____ about _____ disruption will end?

_____ there an _____ normal connectivity?

Network _____ may _____.

Is _____ any _____ when the _____ be _____?

_____ going _____ be restored?

Any idea _____ when _____ will _____?

_____ estimate of the time _____ to resolve _____ disruption?

_____ DOWN, any _____ normal again?

Will the _____ an end _____?

_____ time _____ think _____ will _____ resolved?

When _____ disruptions be _____?

Do you _____ is _____ to end?

Are _____ disruption likely to _____?

Can _____ know when _____ able to _____ again?

How _____ can _____ network _____?

Network _____ may _____ soon.

Will there _____ estimate on when _____ cease?

It is _____ when _____ connection _____ would _____.

_____ expected _____ frame for restoring regular _____?

Is _____ time _____ an _____ the network _____?

The network _____ end soon.

_____ will _____ but when?

Is _____ possible _____ expect _____ restoration _____?

_____ is the _____ disruption _____ to _____?

_____ you tell me _____ a fixed network _____?

Do you _____ the _____ will _____ fixed?

_____ issues should _____ soon.

_____ the end _____ network disruptions?

I _____ a time frame _____ of service.

_____ time for _____ service _____?

_____ till the network _____?

_____ quickly do you _____ the _____ problem _____ solved?

_____ predict when _____ networking problem _____ over?

When _____ come _____ up?

When can _____ to have _____ normal _____?

_____ problem _____ soon?

Can _____ your _____ soon?

_____ before _____ network reappears?

_____ think _____ see a fixed network issue?

_____ it possible to estimate a _____ the _____?

When is _____ expected _____ go _____?

_____ there any _____ quickly we _____ relief from this _____ interruption?

_____ for _____ resolution?

_____ issue _____ to _____ fixed _____.

Do _____ think we _____ relief _____ network interruption?

Can _____ get _____ to _____ soon?

_____ you tell us when regular _____?

_____ will _____ finish?

_____ know _____ the _____ mess will _____?

Are _____ estimates _____ the disruption might _____?

Can _____ give _____ a time period _____ disruption?

What _____ the expected period _____ to _____?

_____ problems get _____?

The _____ networks _____ back _____ soon.

Is _____ soon?

_____ estimates _____ when the interruption _____ cease?

How _____ calms down?

_____ the network _____ end?

Do _____ know _____ networking problem will be _____?

_____ will get _____ very _____.

_____ of _____ service is _____ take _____.

_____ of _____ the _____ end?

_____ should have an _____ lapse.

_____ can we _____ normal _____ more?

_____ there be _____ time _____ resolving this _____?

_____ the disruption to _____ end soon?

_____ we think about normal _____?

What _____ will the _____ disruption _____?

_____ disruption will be over?

Is it _____ when _____ networking problem _____ be _____?

Is it _____ to expect _____ end _____ the _____?

_____ problems should be _____?

_____ soon _____ expect the network _____ to _____?

_____ don't know when the _____ going _____ end.

The network _____ will _____.

_____ can there be _____ end to _____ network _____?

_____ any _____ things _____ be normal again?

When _____ anticipate _____ normal _____?

Predicting when _____ might _____?

_____ likely resume _____ soon.

How long _____ you think it will _____ be _____ up?

_____ when _____ interruption _____ stop

I _____ this network _____ be _____.
 _____ predict _____ soon the networking problem will _____?
 Will _____ disruptions _____ soon?
 _____ issue fix _____?
 _____ for an _____ issue?
 What _____ time until _____ cease?
 When _____ be _____ complete?
 _____ longer till the _____ ends?
 _____ there an _____ end to _____ in _____ facilities?
 Should we _____ an _____ to _____?
 When _____ expect the network _____?
 _____ restoration _____ frame?
 Is _____ time when _____ trouble will be _____?
 _____ you _____ when _____ problem _____ be fixed?
 _____ for _____ service restoration?
 _____ time frame _____ it _____ to _____ this _____?
 _____ you _____ an _____ timeframe _____ resolving the _____?
 Is there _____ predicted _____ time _____ internet _____?
 _____ it possible _____ time _____ resolving the disruption?
 _____ long _____ the _____ ends?
 When _____ to stop?
 Tell me how _____ the _____ up.
 _____ idea _____ it will be normal _____.
 When's _____ over?
 It is not _____ network _____ resolution will _____.
 _____ the network _____ cease?
 Network _____ fix _____.
 An _____ end _____ internet issue?
 _____ on when the _____ end?
 Can _____ normal _____ again?
 _____ connection will be restored, _____ please tell _____?
 _____ down, _____ chance _____ be _____ again?
 _____ predict when _____ networking problem _____ be _____?
 _____ problem will be _____?
 Do _____ think _____ be fixed _____?
 _____ you _____ how _____ the network _____ be solved?
 _____ close will the _____ be _____?
 _____ networks resume _____.
 Can you _____ date _____ the network will _____ up?
 How _____ is fixed?
 Will there _____ a _____ frame _____ resolving _____?
 Any _____ on when _____ might _____?
 _____ you _____ network disruption _____ come _____ an end?
 Network _____ expected _____ resolved soon.
 Will you give _____ time _____ resolving _____?
 _____ will the _____ history?
 The _____ issue may _____.
 _____ expected _____ for _____ normal service?
 _____ can _____ connection again?
 Can you let _____ will be restored?

_____ connection _____ to be fixed _____?
 _____ the _____ will cease?
 We don't _____ network outage _____.
 Is _____ on when people _____ back online with _____?
 _____ the _____ cease?
 How _____ the _____ stop?
 There _____ be an estimate on _____ will _____.
 How _____ the _____ end?
 Can we _____ to _____ restored _____?
 When _____ can _____ normal connection _____?
 Is _____ word on when _____ will _____ fixed?
 Could you _____ me when _____ networking problem _____?
 _____ you _____ when we'll be _____ to _____ again?
 _____ say the connection problem will be _____?
 When the _____ resolved?
 _____ you know when we can _____ interruption?
 _____ network _____ will end _____.
 What point _____ we predict _____ end _____ network _____?
 _____ expect _____ see an end to this _____?
 Is _____ an _____ on _____ people could _____ again _____ no _____?
 _____ an indication of _____ will be fixed?
 Can _____ how _____ it will take for _____ network _____ come _____?
 _____ the network _____ fixed?
 _____ do you _____ estimate for a _____ network _____?
 When will _____ be _____?
 What time _____ we _____ connection _____?
 Can you _____ me _____ a fixed _____ issue?
 _____ network _____ is _____ to end _____.
 _____ question of _____ the _____ will be fixed.
 _____ have a clue on _____ of the _____?
 _____ issue may _____ an end.
 What _____ should _____ an end to _____ network _____?
 _____ the _____ time _____ for _____ issues?
 When will _____ come _____?
 _____ us know _____ regular _____ be restored.
 _____ should we _____ the network _____ to _____?
 _____ should the network lapse come _____ end?
 _____ when the interruption _____?
 Network _____ become over _____?
 The restoration _____ network service _____.
 When can _____ disrupted _____ end?
 _____ there a _____ for ending the disruptions _____?
 Can you tell _____ the _____ internet _____ be _____?
 How _____ the _____ end?
 Can _____ give an estimate on _____ will _____?
 _____ time _____ the network issue _____?
 _____ for ending the disruption to _____ network _____?
 _____ time _____ internet issues?
 _____ you provide _____ timetable _____ resolution of the _____?
 We _____ to _____ regular connectivity _____ restored.

_____ expected time for _____ unknown.

When _____ issue be _____?

How long _____ before the _____?

Is the _____ time for _____?

Is there any _____ resolving _____?

Affected networks _____ working _____.

_____ chaos _____?

_____ disruption _____ be resolved _____?

_____ long will _____ be before the _____ back _____?

Can you _____ me how long _____ is _____ network _____?

_____ have _____ timeframe for _____ this _____?

_____ do _____ anticipate final _____ and _____ normal _____ operations?

Is it possible _____ from this _____ interruption in a _____?

_____ this _____ problem will be fixed?

_____ should the network _____?

We _____ this network lapse at what _____?

When would _____ issue to _____?

_____ this network _____ be over _____?

Is _____ end in _____ for this _____?

When _____ happen _____ be fixed?

Is there an _____ when the _____ fixed?

The _____ problem could _____.

Network problem _____ an _____.

_____ problem is _____?

Can you _____ when this networking problem _____?

Is _____ fixed _____?

_____ expected end _____ internet _____.

When is _____ connection _____ to _____?

Was it possible to _____ networking _____ would be _____?

_____ disruption, _____ will _____ be _____?

Is _____ any _____ when _____ will be fixed?

_____ soon will this _____?

_____ issues are _____ be _____ soon.

Network trouble _____ resolved _____.

_____ we _____ connection again?

_____ soon will the network _____?

_____ tell _____ the internet will _____ back?

_____ can _____ expect _____ disruption _____ end?

How _____ think _____ will be before _____ is fixed?

When _____ be _____ to the network _____?

The _____ time for _____ internet _____.

When _____ we see the _____ the _____?

_____ any _____ people _____ back online with no issues?

How _____ think _____ will _____ resolved?

What time will _____?

_____ problems will _____ fixed _____.

_____ your expectations of _____ connection _____ will be _____?

Can _____ me a time _____ for _____ the _____?

An estimate _____ when _____ will _____.

_____ might _____ of _____ network _____ over?

____ you ____ when the connection problem ____ be ____?
 The ____ will ____ some point.
 ____ like ____ know ____ regular internet will be ____.
 What point ____ think ____ end to this ____?
 ____ issue ____ not be over ____.
 How ____ do ____ think ____ from this network ____?
 ____ quickly ____ we be ____ get relief ____ interruption?
 When regular ____ will be restored, ____ you ____?
 ____ think ____ can get relief from ____ network interruption?
 ____ networking problem be solved?
 ____ expect network disruptions to ____?
 How soon the ____ problem ____?
 ____ restoration might ____ while.
 Is it possible that ____ relief from this ____?
 ____ me ____ long the network will take ____ normal?
 ____ trouble ____ over.
 When ____ network ____ stop?
 Is ____ time ____ the ____ end?
 ____ issue might ____ over.
 When will the ____?
 Network ____ going to ____.
 ____ you ____ the internet issue ____?
 When ____ network ____ solved?
 Is ____ any update on when ____ online?
 How ____ until ____ network is ____?
 ____ chaos terminated?
 Do we ____ expected ____ for ____ our network facilities?
 ____ will ____ an ____ to the ____ outage?
 Can ____ an end to the network ____?
 Does ____ know when ____ fixed?
 ____ the ____ have a ____?
 Are ____ the network problem will be ____?
 ____ an ____ the network issue?
 ____ there ____ when the interruption ____ end?
 ____ we ____ able to ____ from this interruption?
 Network trouble will ____?
 Does anyone know ____ the ____?
 ____ do you ____ it ____ be ____?
 When ____ the ____ issue ____?
 Is ____ an expected ____ our network facilities?
 Can ____ us when ____ be restored?
 ____ are ____ normal soon.
 The ____ time ____ internet ____.
 ____ before the network ____?
 ____ is the ____ for a ____ problem?
 ____ should this ____ lapse ____?
 How ____ time ____ the ____ back ____?
 When ____ the restoration ____?
 ____ you ____ the network chaos will ____?
 ____ long till this ____?

The _____ down and _____ stop?
 _____ there any _____ when people _____ get _____ online with _____?
 _____ will we _____ the _____ issue?
 _____ resolution _____?
 _____ will the _____ restored?
 _____ disruptions will _____ resolved?
 How _____ until _____ disruptions _____?
 _____ until _____ disruption ends?
 Network _____ be _____ soon.
 How _____ we _____ connection _____?
 internet _____ end _____
 Can _____ an _____ time for _____ disruption _____ be _____?
 Do you know _____ the _____ will _____?
