

[Demo] NLP Dataset for Customer Service Automation

Company Type	Smartphone Manufacturers
Inquiry Category	Product features and specifications inquiries
Inquiry Sub-Category	Connectivity options and network compatibility
Description	Customers inquire about the connectivity options available on their smartphone, including support for Wi-Fi standards, Bluetooth versions, NFC, and compatibility with different network bands and carriers for both GSM and CDMA networks.
Data Size	5,044 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Smartphone Manufacturer" customer inquiry. (Purchased data will not be masked.)

____ GSM carrier be ____ all network ____ supported ____ device?
____ am wondering if ____ device is compatible ____ every ____ providers ____.
The device ____ the ____ but ____ is ____ my ____ work with them.
____ that ____ carrier would compatible ____ all of the network ____ the ____ of them.
Does the ____ support ____ the networks used ____.
Can this ____ support ____ network bands ____ my ____.
The ____ supports ____ of the network ____ so ____ possible ____ compatible with ____ various networks.
____ my carrier work with all ____ this ____?
I ____ if the device is ____ with ____ band that ____ mobile ____.
____ my carrier ____ the network ____ device supports?
____ my carrier ____ compatible ____ all of ____ network ____ the device ____ all of them.
____ compatible with network bands ____ carrier supports?
____ possible that ____ compatible ____ of the ____ because the device supports all ____ them.
Is ____ carrier ____ with ____ the ____ on ____ device?
Does ____ support all of the ____ uses?
Is the device ____ bands my ____ supports?
Can this device ____ bands of ____ phone ____?
Does ____ all the ____ my ____ covers
____ myGSM carrier ____ this ____?
Can ____ device ____ carrier use ____ the ____ supports?
____ mobile ____ service support ____ bands?
____ the ____ work on other networkbands ____ my ____?
____ the ____ support ____ bands of ____ carrier?
____ my ____ work ____ supported ____ bands here?
____ this ____ with ____ network band ____ my carrier?
____ device supports ____ the ____ conceivable that ____ is compatible with them.
____ device support ____ band ____ carrier?
____ the device's ____ carrier ____ with every single ____?

_____ is possible _____ my carrier _____ of the _____ bands, _____ to _____ device.
 It _____ if my _____ will work _____ the _____ supports all of _____ .
 Can the _____ my _____ to _____ the _____ it supports?

 _____ this _____ support the various _____ bands _____ phone carrier?
 _____ work with all _____ carrier will support?
 Is _____ cellular phone _____ with all _____ bands?
 _____ unclear _____ will work with network bands that _____ .
 It is conceivable _____ carrier could _____ with _____ network _____ device supports _____ of them.
 Is it _____ with all _____ service provider uses?
 Will the phone _____ all _____ that _____ does?
 _____ the device supports all _____ network _____ carrier?
 _____ able to _____ on _____ of the bands?
 _____ my _____ cool with _____ single _____ on this _____ ?
 Does the _____ support _____ network _____ carrier _____ support.
 _____ allow my carrier _____ work on _____ network _____ my device?
 Can _____ device enable my carrier _____ use _____ it?
 Does _____ device _____ the _____ carrier uses?
 Is it possible _____ my _____ to _____ all _____ device _____ ?
 Can _____ to use the network bands _____ supports?
 _____ device _____ networks the carrier uses?
 _____ the _____ the _____ network band of _____ carrier?
 _____ unknown if my _____ will _____ the _____ that the device _____ .
 Can _____ carrier use all _____ the _____ supports?
 Does _____ device _____ all _____ bands of the _____ ?
 _____ device _____ all _____ my carrier will use?
 It _____ possible that my _____ compatible with _____ various network band _____ supports _____ them.
 _____ the device _____ all _____ different networks of _____ ?
 Does _____ carrier match the _____ ?
 Will _____ be _____ to work _____ the bands?
 It _____ that my carrier would be compatible with _____ bands _____ .
 Does the device _____ all _____ a _____ ?
 The _____ supports all _____ so _____ is _____ that _____ carrier could _____ them.
 _____ device support _____ network bands associated _____ carrier?
 It's possible _____ my carrier could be _____ with the _____ because _____ .
 It _____ possible _____ compatible with _____ of the network _____ device supports them.
 The _____ supports all _____ network bands _____ it's _____ certain if my _____ with _____ .
 It's _____ that my _____ compatible _____ the _____ bands as _____ supports all of _____ networks.
 Is _____ device _____ to let my carrier _____ network _____ my _____ ?
 _____ is possible that _____ compatible _____ network bands, as the device _____ them.
 Does _____ support network _____ that _____ uses?
 It will _____ possible _____ my gis _____ with _____ of _____ network bands because _____ device.
 Does the _____ support the different _____ carrier _____ ?
 It's possible _____ carrier _____ be compatible _____ device supports _____ network bands.
 _____ my _____ work _____ all _____ ?
 _____ supports all _____ the _____ and will allow _____ my gis carrier work _____ them.
 _____ this _____ be used _____ the _____ bands my _____ ?
 It _____ possible _____ my carrier _____ with _____ bands, as the _____ supports _____ of _____ .
 _____ the _____ my carrier to use network _____ by _____ ?
 Can the _____ allow _____ carrier to _____ the network Bands _____ ?

_____ the _____ carrier _____ every single _____?
 _____ possible that _____ carrier would _____ the _____ that _____ device supports.
 _____ is _____ that my _____ would _____ with them if the device _____ bands.
 It's _____ that _____ is _____ network _____ because _____ device supports _____ of them.
 _____ supports all _____ bands so it _____ to have my _____ work with them
 _____ this device _____ all network bands _____ my _____?
 Can my carrier _____ network bands _____?
 Does the _____ have _____ the network _____ compatible _____?
 Does the device _____ my _____?
 Will all network _____ my _____ service?
 Is _____ possible _____ device can _____ all network _____ for _____ phone _____?
 _____ this thing _____ used for all _____ band _____ supports?
 The device supports all _____ the _____ so _____ possible that _____ with the _____ network bands.
 Did the device _____ all _____ carrier?
 _____ my carrier _____ working with all the _____?
 Does the device support all _____ network _____?
 _____ device _____ all networks of _____?
 Can I use it for _____ my _____ supports?
 _____ thing _____ used to _____ all the network _____ carrier _____ me _____ use?
 It is _____ is _____ with _____ because _____ device _____ all _____ network bands.
 It's possible _____ my _____ is compatible _____ all _____ the _____ supports them.
 _____ is _____ that _____ is _____ with _____ network _____ since the _____ supports all _____ them.
 It will _____ to _____ my _____ compatible _____ device _____ network bands.
 _____ device _____ carrier use _____ of the bands?
 _____ possible my _____ is _____ the various _____ the device supports _____ of the _____.
 Can my _____ use _____ to _____ on _____ bands?
 It _____ that my _____ compatible with every _____ band because the device _____.
 It's _____ carrier _____ with the _____ that supports all network _____.
 Will _____ carrier _____ the different network _____?
 Can the _____ use _____ bands _____ supports?
 _____ going to _____ on ALL of the _____?
 _____ supports _____ of the network _____ and will allow _____ to _____ with them.
 The _____ the _____ bands _____ it's _____ if my _____ will _____ with them.
 Is _____ compatible _____ my carrier supports?
 It's _____ if my _____ with _____ that _____ all of _____ networks.
 _____ the device let my _____ use _____ the bands _____?
 _____ the device allow my carrier to _____?
 _____ all _____ so it is possible _____ is compatible with them.
 Is _____ phone carrier compatible with all of _____?
 Can _____ work with _____ bands?
 Does the _____ with all _____ the networks used _____?
 The _____ all _____ the network bands and _____ my _____ with them.
 The device _____ of the _____ so my carrier _____ them.
 _____ the _____ support _____ of _____ bands _____ the carrier it is _____?
 _____ my _____ work with _____ band?
 It's _____ keep my carrier _____ device _____ supports all _____ the network _____.
 _____ is _____ my _____ with _____ various networks since the device _____ all of _____.
 Does _____ device _____ all _____ of my _____ capabilities?
 Can _____ let _____ carrier _____ bands _____ are supported by my _____?
 _____ with _____ of _____ bands that this phone supports, will _____ be _____ to?

It is possible _____ is compatible _____ of the _____ bands, because _____ device _____ all _____.

Does the _____ have all _____ bands _____ the _____?

_____ all of the _____ and will allow me _____ my _____ with them.

_____ the phone _____ every network _____ supports?

It will be _____ carrier _____ with the device _____ all _____ network bands.

_____ in all supported bands?

It _____ my _____ be _____ with all the network _____ to the _____.

Is my _____ able to _____ networks _____ device?

It is _____ my _____ be compatible _____ network bands _____ the _____ supports _____.

It _____ that my _____ compatible with them as _____ supports _____ of _____ bands.

Can _____ be used to _____ all of the network _____ that _____ to _____?

The _____ all _____ networks so it _____ use my gis carrier _____.

Can this _____ with all _____ networks _____ carrier _____?

_____ the _____ with _____ network bands for the _____?

_____ carrier is compatible with _____ network bands, because the _____ them.

_____ device supports _____ various _____ so it _____ is compatible with them.

_____ the _____ ALL network bands _____ the _____?

_____ accommodate all network _____ of _____ device?

_____ let my carrier _____ a variety _____ bands?

Can _____ my _____ to work _____ network bands?

_____ supports _____ network _____ so _____ possible _____ carrier is compatible with them.

_____ device allow _____ carrier _____ work in the _____ network _____?

Will _____ mobile _____ with all _____?

Does the _____ every network band _____ it's _____?

The _____ all of _____ networks _____ it's _____ that my _____ with them.

Can the _____ my carrier _____ on several _____?

_____ accommodate all _____ of my device?

It is _____ that my _____ is _____ network _____ the device _____ all of _____.

Is _____ phone carrier _____ with the _____?

I have a question _____ compatible with every _____ mobile _____ providers _____.

Does the device _____ my _____ to _____ network _____?

_____ it _____ used for _____ network _____ of my _____?

_____ the device support _____?

_____ the _____ with _____ network _____ my carrier _____ compatible with?

Does _____ work _____ of the _____ bands?

_____ my carrier work _____ all _____?

It _____ is _____ all of the network bands _____ the _____ supports them all.

_____ device supports all of the network _____ so _____ be able _____ gis carrier _____.

_____ device support _____ bands _____ carrier uses?

_____ my _____ with all _____ of my device?

_____ my cellular device work _____?

Is _____ cellular _____ carrier compatible _____ on the device?

It _____ be possible to _____ carrier compatible _____ supports all _____.

Can this _____ be _____ all _____ the network _____ wants _____ to use?

The device supports _____ the network bands, _____ carrier is _____ with _____.

_____ my mobile _____ service work _____ all _____?

Does _____ support every _____ my _____?

Is the _____ with all the _____ bands _____ carrier _____?

_____ the device _____ all the _____ my _____?

_____ all _____ my carrier's network bands?

_____ device _____ on my cell phone carrier?

The _____ supports _____ bands, _____ possible that my carrier _____ compatible with _____.

Is my device _____ with _____ network bands _____?

Will _____ carrier _____ of the networkbands on _____ phone?

Will _____ work _____ network _____ on offer from my _____?

Does this device support all _____ bands _____?

The device supports _____ it's possible that _____ compatible with them.

_____ network _____ the device work with my _____?

The _____ all _____ the _____ bands, _____ is _____ my _____ will work _____ them.

Can this thing be used _____ bands _____ carrier _____ to _____?

Does the _____ allow _____ to work on _____ bands _____ supports?

The _____ can _____ to _____ on the _____ bands _____ my device.

_____ carrier _____ with all _____ on this device?

Can the device _____ carrier _____ work _____ several _____?

_____ all _____ the networks so it is possible _____ carrier will _____.

_____ possible _____ my _____ with them _____ the device _____ all of _____ network _____.

It is possible _____ compatible _____ the network _____ the device supports all _____.

_____ device _____ bands for _____ carrier it is for?

It _____ possible _____ compatible with _____ bands as the device supports _____.

_____ the device support _____ networks using _____?

_____ device let my _____ all _____ bands _____ are supported?

_____ of _____ so it is _____ that my carrier can _____ with _____.

The device _____ all _____ the network _____ it's _____ compatible with them.

_____ could be compatible with _____ if _____ device _____ all of _____.

_____ not clear _____ my _____ will work _____ the network bands _____.

_____ device _____ all network used by _____?

_____ the device support _____ the bands _____ my _____?

Does _____ allow my _____ to _____ on _____ networks?

_____ possible _____ my carrier could _____ them because _____ device supports _____ network _____.

_____ device _____ all the _____ bands so it _____ possible _____ my carrier _____ compatible _____.

_____ accept network _____ the device?

_____ my carrier _____ all band _____ device?

_____ this thing be _____ networks that _____ carrier supports?

Does _____ all _____ my service provider uses for _____ services?

Does _____ support _____ the networks _____ device?

Does this _____ network _____ that my carrier _____?

_____ device's cellular phone carrier _____?

The _____ supports _____ the network _____ and _____ is possible _____ my carrier would compatible _____.

The device _____ the network _____ and it _____ that _____ carrier _____ compatible _____ them.

_____ is possible that _____ is _____ all of _____ network bands _____ the _____ them.

I have _____ question: _____ this _____ compatible with every _____ my _____?

_____ carrier _____ able to work _____ network bands?

Can _____ device _____ my carrier to _____?

Will _____ carrier _____ use this _____ with _____ the networkbands?

_____ device work with _____ bands _____ support?

Does _____ device _____ all _____ network bands of my _____?

_____ device support all network _____ carrier?

_____ the _____ all the _____ bands _____ my carrier?

Will _____ mobile service _____ the bands?

_____ the device let my _____ use _____ bands?

Does ____ device ____ all ____ network ____ of ____ carrier?

Is my carrier _____ all the bands ____ this ____?

The device ____ all ____ the network bands, but _____ if my ____ will _____.

_____ all of the bands _____ uses for mobile ____ services?

Are ____ the networkbands _____ my _____?

_____ the device support all _____ carries?

_____ the _____ with _____ networks that my carrier ____?

_____ mobile phone service support _____ the ____ bands?

_____ device _____ the networks that ____ carrier supports?

_____ want ____ know if _____ can work with _____ my mobile service _____.

Does ____ device _____ the ____ my carrier will ____?

Can my _____ network ____ my device supports?

The device supports ____ of _____ so it _____ possible to ____ my ____ work ____ them.

Is the ____ compatible _____ bands ____ my _____ compatible with?

_____ the ____ support all _____ bands that my ____ uses?

_____ going _____ with every band on this device.

_____ this thing _____ on all _____ network bands _____ carrier?

_____ supports all ____ the _____ it's ____ if my carrier will work _____.

The device supports all _____ so it's _____ my carrier could _____.

_____ the _____ carrier _____ all the network bands?

I am wondering ____ this device can _____ of _____ providers' bands.

The ____ supports all the ____ bands, ____ it ____ be _____ keep _____ compatible.

_____ the device ____ network _____ with ____ carrier?

Can ____ use _____ network bands that my carrier ____?

Does _____ all the network bands used _____?

Is ____ carrier _____ every _____ this device?

Is _____ with my ____ provider's _____ phone services?

_____ the device support ____ the ____ bands of _____?

_____ that my ____ is compatible _____ because ____ device _____ the network bands.

The device _____ network ____ so it _____ carrier would ____ with them.

My _____ be ____ with the various network _____ all of them.

Is _____ to _____ carrier ____ my device's bands?

Can ____ device _____ all the bands that ____ device ____?

_____ carrier _____ device's network bands?

It _____ possible to keep my _____ because ____ device ____ all _____.

The ____ supports ____ the ____ bands, _____ that my carrier _____ with them.

_____ permit _____ use all the bands it supports?

Does ____ device support most _____ my carrier ____ support?

Can ____ device _____ carrier ____ all of the bands _____?

_____ have a question, if ____ device is _____ band _____ mobile ____ providers.

The device supports all of the network ____ and _____ to use it _____.

_____ possible for my _____ with _____ network bands thanks to the _____.

_____ this _____ all ____ by ____ carrier?

The device supports _____ network bands so _____ that ____ carrier _____ them.

Can this thing be _____ all ____ the network _____?

_____ device allow my _____ operate on ____ network _____ supports?

Does the ____ support _____ bands ____ carrier is _____?

_____ the device ____ all ____ bands _____ carrier?

It _____ my carrier ____ compatible with all ____ network bands, ____ the _____ of them.

Can _____ work _____ network bands?

_____ the device work _____ network _____ the carrier?

Is _____ network bands of the device?

_____ my carrier carry _____ of _____ device?

_____ supports _____ the _____ bands _____ conceivable _____ my _____ could work with them.

Is _____ cellular phone _____ all the _____ on it?

_____ carrier _____ with _____ the _____ this phone supports?

_____ is conceivable _____ carrier _____ with the network bands that _____ device _____.

It's _____ my _____ compatible _____ it because the _____ supports _____ the network _____.

_____ my carrier use the _____ on _____ it _____?

_____ is _____ that my carrier _____ compatible _____ of _____ bands _____ the device.

_____ let my carrier _____ the network _____ supported _____ it

_____ phone support all _____ networkbands that my _____ with?

_____ possible that _____ carrier _____ device, _____ supports all of _____ network bands.

_____ my carrier _____ all band of the _____?

_____ carrier work _____ all supporting _____?

The device _____ of the network _____ unknown _____ will work with _____.

_____ work on _____ bands here?

Does this _____ support the various _____ of _____?

_____ this _____ compatible with all _____ by _____ carrier?

Will this phone _____ the networkbands _____ has?

Can the device _____ carrier _____ network _____ it supports

Is _____ with _____ the band _____ the device?

It is possible that my _____ could _____ of _____ network _____ as _____ device supports _____ them.

_____ device supports _____ so _____ is unclear if _____ will work with _____.

It _____ my carrier _____ compatible _____ network _____ because the device supports _____ them.

Can the _____ carrier work _____ different bands?

_____ work on _____ my service _____ for _____ phone services?

_____ this _____ used to _____ the _____ my carrier supports?

_____ possible _____ use this _____ for _____ the _____ bands my carrier wants _____ use?

Is _____ going to be _____ to _____ all of _____?

_____ this _____ support _____ network band _____ carrier?

Does _____ device _____ bands _____ carrier _____?

Does all the _____ this _____ match my _____?

_____ my _____ accept _____ device _____ bands?

_____ is possible _____ my _____ is compatible _____ multiple _____ because the device _____ them.

I have a question _____ this device is _____ band _____ service _____?

_____ possible that my _____ compatible _____ device _____ supports _____ the network bands.

_____ handle _____ network bands of my _____?

Does _____ carrier _____ device's supported _____?

Is it possible _____ the _____ to let _____ all _____?

The device _____ of the _____ bands _____ possible _____ my carrier to _____ with _____.

_____ is _____ my carrier would _____ with them because _____ supports all _____.

_____ device support _____ network _____ in _____ carrier?

Can my carrier _____ bands _____ device?

_____ my carrier work _____ network _____ supported _____ device?

It _____ that _____ is _____ those networks _____ the device supports _____ them.

_____ this compatible _____ band my _____ provider uses for _____?

Can the device _____ my _____ use all the _____?

_____ the _____ work _____ every network band _____ carrier _____?

I _____ wondering if _____ is _____ with every band _____ provider _____?

Is ____ carrier ____ all ____ of the device?
 ____ of the ____ so ____ unclear if my carrier ____ work with those ____.
 ____ my carrier ____ the network ____ that this ____?
 Does ____ all the band ____ this device?
 Is ____ cellular phone ____ every single ____?
 Does ____ with ____ of this device's ____?
 ____ possible that ____ carrier is ____ with ____ as the ____ supports all of ____.
 ____ the ____ going to ____ okay with ____ for ____ device?
 ____ be used ____ all ____ network bands my carrier ____?
 Does the ____ with ____ bands on ____ carrier?
 ____ device work ____ band ____ my mobile ____ provider?
 ____ the ____ the carrier work on ____ network ____ supported ____ my ____?
 Is my ____ that compatible with ____ band ____?
 Will my carrier ____ bands?
 Is ____ phone ____ every band on it?
 ____ device ____ carrier work on ____ bands supported by ____ device.
 ____ have ____ question, if this ____ is compatible ____ band ____ uses?
 ____ accommodate all the ____ that ____ carrier supports?
 Will supported ____ cell phone service?
 ____ is ____ for ____ carrier to ____ with ____ network ____ because the ____ them.
 Can ____ my carrier work ____ networks?
 Can ____ let my ____ work on network ____ that ____?
 The ____ supports all ____ networks, ____ possible that ____ carrier would compatible ____.
 ____ is possible that ____ carrier ____ compatible ____ the network ____ supports.
 ____ can ____ to have my gis ____ work ____ all of ____ network ____.
 ____ carrier work with all ____ network bands?
 Can the device ____ carrier ____ band ____ supports?
 ____ is unclear ____ will work with ____ network ____ the ____ supports.
 It ____ possible ____ carrier is compatible ____ device ____ it supports all ____.
 Will ____ carrier work ____ all ____?
 Does ____ carrier ____ with ____ network ____ my ____ supports?
 It's possible ____ my ____ is ____ the ____ network ____ the device ____ all of ____.
 Is this ____ with ____ network ____ my carrier?
 The device ____ all of ____ and it will be ____ my ____ with them.
 ____ it work ____ every ____ service provider uses for ____?
 Does ____ device ____ the ____ bands?
 ____ my ____ phone ____ every ____ band ____ this device?
 ____ phone carrier going to ____ with every ____?
 ____ be used for ____ network bands of ____?
 The device ____ the ____ to keep my carrier compatible.
 Can my ____ accommodate ____ the device?
 Will my ____ support every network ____ phone?
 Can the ____ allow ____ network bands the ____ supports?
 Can ____ network ____ for ____ carrier?
 ____ the device support ____ network ____ my carrier?
 ____ with ____ device's network bands?
 ____ that ____ carrier is ____ with the ____ network bands because ____ supports ____ the ____ bands.
 It is ____ compatible with all ____ network ____ as ____ device ____ all of them.
 ____ possible my ____ is ____ network ____ because the device supports ____ of the networks.
 ____ to work on the ____ bands supported by the ____?

_____ device supports the _____ bands so _____ possible _____ my carrier _____.

_____ the device support _____ networks _____ covers?

The device _____ of _____ network _____ so it's possible _____ my _____ with them.

_____ my _____ use _____ of _____ network _____ it supports?

_____ with _____ I use _____ mobile phone services?

The device supports _____ the network bands, _____ possible _____ is compatible _____.

Is my carrier _____ with _____ band _____ device?

The _____ supports all network _____ so _____ not clear if _____ with _____.

_____ it possible to use _____ for all _____ network _____ supports?

It could _____ that _____ compatible _____ various network bands _____ the _____ all of them.

Can _____ device support network _____ of _____ cell _____?

I _____ work on the _____ bands supported by _____.

_____ will be possible _____ compatible _____ the _____ that _____ all _____ network bands.

The _____ supports all _____ bands, so it's possible that _____ with _____.

The _____ supports _____ they _____ with my carrier?

It is possible that _____ be compatible with all _____ the networks _____ them.

_____ device _____ allow _____ to _____ on _____ various networks.

I want to _____ work with _____ mobile service _____ bands.

Is the device _____ all _____ carrier supports?

Is my _____ carrier _____ with all _____?

The _____ supports _____ networks so _____ that my _____ would be _____ with them.

_____ device _____ all _____ bands _____ it will _____ possible for me to _____ my _____ carrier _____ them.

It is possible _____ with _____ since _____ device supports all of _____ network _____.

_____ device support _____ band _____ carrier?

Can this _____ be _____ for all of the _____ wants me _____?

_____ carrier _____ on this device?

_____ carrier _____ with _____ band of the _____?

_____ my _____ work _____ all _____ the _____ of this _____?

_____ the _____ support all network _____ associated _____ carrier?

Is _____ able _____ on _____ bands?

Are the _____ carrier compatible _____ every _____?

_____ device supports _____ of the networks, _____ possible _____ carrier would _____ them.

It's _____ that _____ is compatible _____ the various _____ as _____ supports all of the _____.

_____ my carrier is _____ various _____ bands because _____ device supports all of _____.

Can _____ device _____ networks _____ my _____?

_____ bands so it's possible that my carrier would work _____.

Is my carrier _____ bands _____ the device?

Can this _____ be _____ all _____ network _____ my carrier?

_____ it _____ to _____ to all _____ using the GSM _____?

Does _____ device support all _____ supports?

_____ device _____ all of _____ network bands, so it's _____ if _____ with them.

_____ it compatible _____ every _____ my _____ provider _____ for _____ phones?

_____ my service _____ network _____ on the device?

Can _____ carrier accommodate _____ band of _____?

Can this thing _____ the entire network bands _____ to _____?

_____ the _____ phone carrier compatible _____ each band _____?

_____ all networks used by my carrier?

_____ band _____ this _____ match _____ carrier's capabilities?

_____ device support _____ network _____ my carrier _____ support

_____ the _____ bands of _____ fit my carrier's _____?

Does _____ support _____ my carrier?

Can the _____ my carrier to work _____ bands?

Is the _____ with _____ the _____ network bands?

The device supports _____ bands _____ my gis _____ work _____ them.

_____ device _____ the network bands _____ uses?

_____ carrier to work on _____ various networks?

Does my _____ work _____ of _____ support _____?

_____ the device _____ all _____ of _____?

Can _____ the _____ of the device?

_____ the device _____ my _____ on several network _____?

Is the device's _____ phone _____ compatible _____ band _____ it?

Does _____ support _____ various network bands associated _____?

_____ the _____ of this device _____ my _____ capabilities?

Can this _____ for all of _____ my _____ supports?

_____ all of _____ network bands so _____ if my carrier will work _____.

_____ device supports all _____ network bands _____ that _____ carrier _____ compatible with _____ various network _____.

_____ my carrier's network band?

_____ my carrier _____ network _____ by it?

Is my _____ service _____ compatible _____ band in _____?

_____ device _____ all bands on _____?

Can _____ carrier _____ all band _____?

_____ the _____ phone carrier compatible _____ all bands _____?

_____ possible that my _____ is compatible _____ because the device _____ bands.

_____ not _____ if _____ will _____ with the device that _____ all _____ network _____.

The device _____ all of _____ network _____ so _____ that _____ carrier _____ work with _____.

_____ my cellular device _____ all _____?

_____ my carrier support all _____ the _____ the _____?

_____ device _____ all of the _____ bands _____ possible _____ my _____ could _____ compatible with _____.

Can the _____ let my _____ the _____ bands that _____ supported _____?

_____ the _____ all network _____ of the _____?

_____ the network bands my carrier _____?

_____ device _____ band so it _____ possible _____ is compatible with them.

Will my carrier _____ the network?

_____ device _____ all _____ the _____ so it is _____ my gis carrier work with _____.

_____ my carrier _____ with the _____ on _____ device?

_____ the device _____ all _____ networks _____ use?

The device _____ all _____ network bands _____ it _____ to _____ my gis carrier _____ them.

_____ phone work on _____ other _____ Carrier's network?

_____ carrier be cool _____ every _____ on this _____?

The device _____ of the network _____ so _____ that _____ compatible with each _____.

Is my _____ likely _____ work _____ bands?

_____ this phone _____ network bands _____ carrier _____?

_____ the _____ phone carrier _____ with all _____ on the _____?

_____ device _____ network _____ so it's _____ certain _____ carrier _____ work with them.

_____ the device allow _____ on network bands _____ by _____ device?

Is the _____ network bands _____ carrier will support?

Can the _____ allow _____ to work _____ the _____ network _____?

_____ device _____ every network _____ by my _____?

_____ carrier support all _____ of this device?

Does the phone _____ bands?

____ I use this ____ all ____ my carrier supports?
 Does ____ have all ____ with my carrier?
 cellular ____ this ____ support all network ____?
 Can the ____ to work on ____ bands?
 The ____ of the network bands, ____ possible that ____ carrier ____ compatible with them.
 ____ compatible with every band on ____?
 Is ____ carrier compatible with all of ____?
 ____ device ____ all network bands ____ its ____?
 Does ____ have ____ the ____ Bands compatible with ____?
 ____ device supported by ____ carrier's bands?
 Does this ____ with every band ____?
 The ____ all ____ bands so ____ if my carrier ____ with them.
 The device ____ all of ____ it's not clear whether my ____ with ____.
 Does the ____ work with the other ____ network?
 ____ that ____ every ____ my ____ provider ____ for mobile phone ____?
 Can ____ be ____ the network ____ my carrier supports?
 ____ carrier allow ____ all network bands ____ device?
 ____ device ____ of ____ network ____ so it ____ be possible to ____ my carrier ____.
 Does my ____ phone ____ the ____?
 ____ carrier would be compatible with ____ if ____ all of ____.
 Will my carrier ____ to work ____ of ____ supported ____?
 ____ device ____ all networkbands of ____?
 My ____ is ____ with ____ bands ____ the device supports ____ them.
 ____ the ____ support all the bands ____?
 ____ the ____ carrier compatible ____ every single ____?
 ____ device supports all ____ possible ____ would compatible with them.
 ____ my carrier ____ with ____ supported by ____ device?
 The device supports ____ network ____ so it ____ possible ____ do so.
 ____ this device ____ all network ____ my cell ____?
 Can this device support ____ network ____ carriers?
 ____ this thing ____ utilized ____ all ____ network bands ____ carrier ____ me ____?
 ____ the carrier ____ to ____ with every ____ device?
 Does this ____ work on ____ bands ____ carrier supports?
 ____ possible ____ carrier is ____ the ____ network ____ since the ____ all ____ the network bands.
 Can it ____ used ____ of my carrier?
 ____ this ____ for network bands ____ my carrier ____?
 Is my ____ compatible ____ all the ____ phone ____?
 ____ this device support ____ the bands ____?
 It's possible that ____ compatible with ____ the ____ bands ____ the device supports ____.
 Does the device ____ bands that ____ will ____?
 ____ it work with my ____?
 Does ____ device support ____ bands?
 ____ this device ____ the ____ of my ____ carrier?
 ____ every band used ____ mobile phone services?
 Can ____ be ____ on ____ of the ____ my ____ supports?
 ____ a question, is ____ compatible with ____ band that my ____ use?
 Does ____ of this device work ____ carrier?
 Can ____ let my carrier use all ____ that ____?
 ____ device's ____ phone carrier compatible ____ each ____?
 ____ my ____ accept all network ____ my ____?

Does ____ device's ____ work ____ every band?

Does the ____ work with ____ bands ____ uses?

____ the ____ support the ____ that ____ will support?

____ the ____ work on ____ supported ____ the device?

Is ____ compatible ____ all ____ of this device?

Is it ____ every ____ my ____ provider ____ for ____ mobile phone ____?

____ this device ____ network bands ____ my ____ carrier?

____ will be ____ to keep ____ compatible ____ device ____ all of the network bands.

It ____ possible ____ carrier to compatible with all ____ network ____ the ____ supports ____ them.

____ possible ____ all of the network bands because the ____ supports them.

Does the ____ support ____ network band ____ my ____?

Does the ____ work ____ the network ____ carrier ____ support?

____ is possible that my carrier could work with ____ of the ____ all ____.

____ the device let the carrier ____ the ____ bands ____ the ____?

It is possible that ____ carrier ____ be ____ the ____ supports ____ the ____.

Does the ____ work on ____ networkbands ____ carrier's ____?

____ device supports all ____ so it's ____ if my carrier will work ____ by.

____ let ____ use many bands?

____ my ____ accommodate the all ____ bands ____ device?

Is ____ all the ____ my ____ uses for mobile ____?

____ this ____ networks for ____ carrier?

The ____ let ____ carrier ____ the network bands ____ by ____.

Does the device ____ band my ____ will ____?

____ carrier on ____ be compatible with ____ band?

____ cell phone ____ with all network ____?

Can ____ use ____ Carrier ____ my ____?

Is my carrier ____ all ____ bands?

Does the ____ the network ____ my ____ will ____?

Can the device ____ my carrier ____ different ____?

Is ____ carrier going to ____ in ____ band?

____ my cellular ____ with ____ of your ____?

____ carrier ____ supported ____ bands on my device?

Can ____ device support ____ the network bands ____?

____ device supports all of the ____ bands, ____ can have ____ them.

It is possible that ____ would compatible ____ the ____ because ____ of them.

____ device will ____ to have ____ carrier work ____ network bands.

Will ____ carrier ____ good with ____ band on ____?

Does ____ device support ____ supported by my ____?

____ my ____ work with ____ supported ____?

Can ____ device allow ____ work ____ bands it supports?

Does ____ allow my ____ to ____ the ____ bands?

Will ____ bands work ____ my ____ service?

____ it ____ the band my carrier supports?

The device supports ____ of ____ bands ____ that I can ____ gis ____ them.

I want ____ device ____ be used with ____ service provider's bands.
