

[Demo] NLP Dataset for Customer Service Automation

Company Type	Home Appliance Manufacturers
Inquiry Category	Product performance and efficiency questions
Inquiry Sub-Category	Energy Usage
Description	Customers inquire about how much energy our appliances consume and if they meet energy efficiency standards.
Data Size	5,029 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Home Appliance Manufacturer" customer inquiry. (Purchased data will not be masked.)

What ____ the ____ wattage rating ____ air conditioners in ____?

Can you ____ the ____ rating of ____ units?

____ you know ____ air ____ watt rating ____ cooling?

Can you tell ____ watt ____ for ____ units?

What ____ the ____ wattage rating of ____?

What ____ the ____ wattage ____?

____ you tell me ____ rating for ____ conditioning?

Can you tell ____ about the ____ your ____?

____ use of ____ conditioners when ____ are cooling down.

What is ____ usual ____ your ____ units?

____ are working ____ cool a space, what's the ____ watt ____?

____ there ____ air conditioner ____ amount?

What ____ cool ____ rating on ____ AC?

____ let ____ know the ____ of your air ____ they're ____ cool mode.

____ for air conditioners when ____.

How many ____ are ____ to ____ your ____ conditioning ____?

Should ____ know how ____ cooling-mode ACs ____?

____ is used for cooling ____ air ____.

____ typical ____ your ____ conditioning units?

In cooling ____ how many ____ do ____ conditioners ____?

____ you ____ how ____ on your cooling-mode ACs?

The ____ power ____ your ____ conditioners ____ they are ____ down, ____ it?

The ____ use of ____ when they're cooling?

Can ____ me a ____ rating for ____ conditioning ____?

Do ____ average ____ of your ____ is during the cooling ____?

____ much power do ____ air conditioners ____ during ____?

How much ____ does ____ conditioner ____ during cooling ____?

Is the ____ for cooling?

____ you tell ____ typical ____ rating ____ air conditioning units?

____ you tell ____ about ____ watt rating ____ your ____ units?

____ you ____ me ____ typical watt use ____ my air conditioners ____ on ____ ?
 ____ power is utilized ____ your ____ conditioners?
 How many Watts is ____ an ____ mode?
 ____ much power is ____ conditioners when in ____ ?
 Can you please ____ us ____ watt usage of ____ ?
 ____ is ____ standard watt ____ on your ____ ?
 What's the average ____ Watts ____ air ____ mode?
 ____ let me ____ the average ____ rating ____ air conditioning ____ ?
 Did ____ typical ____ consumption of your ____ units?
 In cooling ____ usual ____ rating for your ____ ?
 What ____ the average AC ____ ?
 ____ the ____ wattage when cooling?
 How much power does ____ conditioning ____ when ____ ?
 Can you ____ typical watt rating ____ for your ____ conditioning ____ ?
 What ____ usual ____ be for an ____ ?
 ____ you ____ a cool ____ wattage ____ on ____ AC?
 ____ mode, how ____ watt does ____ air ____ use?
 ____ know ____ average ____ of ____ AC in cooling ____ ?
 What ____ the typical ____ of ____ AC ____ cooling ____ ?
 Can ____ me ____ rating of your ____ conditioning ____ .
 Do you know ____ electricity ____ Mode ACs ____ ?
 How much power ____ conditioners use ____ ?
 ____ is the ____ of ____ conditioner watt while ____ cooling ____ ?
 ____ you tell ____ the ____ rating in ____ conditioning unit?
 When cooling, ____ the ____ for air ____ ?
 ____ do your cooling ____ use?
 What's ____ rating for your ____ down?
 Do ____ know ____ power use of ____ cooling season?
 What's ____ average ____ of ____ cooling mode?
 ____ is ____ typical wattage rating ____ conditioner?
 ____ power ____ of your air conditioners ____ cooling?
 ____ would ____ know the typical watt usage of my ____ when ____ .
 ____ what watt rating ____ air conditioning ____ have?
 How much power is ____ when cooling?
 ____ many ____ are ____ cooling by your ____ system?
 How much ____ is ____ by ____ conditioners ____ they're ____ ?
 While ____ AC units ____ trying ____ cool, ____ handle a ____ rating?
 ____ get for cool air cons?
 What ____ Wattage ____ typical cooling mode in ____ ?
 ____ power does your air conditioners consume ____ they ____ ?
 Tell ____ how many ____ air ____ uses ____ set to ____ .
 I ____ looking ____ information on ____ air ____ average ____ rating during ____ .
 Can ____ tell ____ about air ____ unit's ____ ?
 What's the ____ power ____ cons?
 ____ you tell ____ the air ____ unit's ____ during ____ ?
 ____ much ____ used ____ cooling your ____ conditioners
 Do ____ know ____ power use for ____ air ____ ?
 While ____ air ____ are on ____ mode, ____ us ____ watt usage?
 ____ typical AC power while ____ ?
 Can ____ tell us ____ typical watt rating ____ unit?

Do you know the _____ air _____?

Is _____ number of _____ air conditioners _____ mode?

_____ me _____ the typical _____ rating on _____ conditioning unit?

_____ know _____ watt _____ of the air conditioners?

There is _____ how many _____ conditioner _____ cooling mode.

What's the _____ watt _____ air _____?

Can _____ me _____ the average _____ rating _____ conditioning units?

Can you tell _____ about the _____ rating _____ my _____?

How much power _____ in _____ of your _____ conditioners?

_____ you _____ the expected watt _____ chilling _____ conditioning units?

Wattage in _____ for _____?

The _____ of Watts for _____ conditioners is _____.

What _____ need for _____ with _____ air _____ units?

_____ would like _____ what _____ watt rating is _____ air conditioning _____.

Is _____ AC's _____ common _____ downs?

What _____ the average power use _____ conditioners _____?

What is _____ wattage of the _____ cooling _____?

_____ your air _____ are working _____ cool a space, _____ the _____?

_____ power _____ cool _____ cons need?

Will your air conditioning _____ watt _____ chilling?

When your air _____ units _____ a space, _____ watt rating?

_____ you tell me about _____ of the _____ conditioning _____?

Do _____ know how _____ electricity is _____ ACs?

I would _____ the _____ rating _____ the air _____ unit.

_____ cooling _____ the _____ conditioner wattage?

_____ the _____ for your _____ units?

Do _____ the normal watt _____ for _____ conditioning _____?

_____ you _____ me the normal power usage _____ my _____?

_____ is _____ average power _____ of _____ air _____ when _____ cooling _____?

_____ utilized in the _____ mode of the _____ conditioners?

_____ you _____ me _____ much _____ my ACs _____ cooling?

How much _____ to cool your air _____?

_____ the average _____ the ACs when operating _____ mode?

Do _____ the _____ usage for your _____ units?

How _____ power is _____ air _____ is cooling?

How _____ power _____ air conditioning _____ when _____ is cooling _____?

_____ many Watts _____ conditioners _____ mode?

The _____ power _____ of _____ air conditioning _____ they _____.

What is _____ standard watt rating _____?

_____ power _____ used to cool _____ air _____?

_____ power can _____ air _____ have?

In cool _____ how much power _____ conditioner _____?

_____ much _____ does _____ air _____ use _____ cooling down?

_____ your _____ conditioners use in cool mode?

_____ your air _____ are in cooling _____ average power _____?

_____ to _____ wattage for your _____ on a cool setting?

_____ you _____ much power your ACs _____ cooling?

Do _____ know what _____ is for _____ conditioning _____?

_____ for cool _____ cons?

_____ me _____ watt rating for your airconditioning _____?

_____ you tell _____ rating of your air conditioning _____?

Can _____ me _____ of power _____ in _____ air cons?

_____ power _____ your _____ conditioner use in _____?

_____ much electricity will your air _____ use _____?

_____ a typical watt _____ on _____ air _____ units?

What _____ the _____ wattage _____ your ac?

Can you _____ the _____ watt _____ your _____ units?

_____ need to _____ about the watt rating _____ units.

What's a _____ rating for your _____ during _____?

How _____ used _____ the _____ your air conditioning?

_____ typical watt _____ your air conditioning units?

_____ is _____ usual _____ while cooling?

I would _____ to _____ the _____ rating of _____ air conditioning _____.

_____ you know how _____ watt your air _____ in _____?

Can you _____ much _____ the _____ cons use?

How _____ do _____ cooling your air _____ units?

The _____ use _____ your _____ when they're _____ mode, what is _____?

_____ average _____ for your air _____ when _____ are _____.

The _____ for _____ with _____ air conditioning _____.

The average _____ of your air _____ cooling.

_____ your air _____ systems use for cooling?

Can you provide _____ the air conditioning _____?

_____ you give me a _____ of _____ rating _____ the _____ conditioning _____?

Did _____ know the typical watt _____ unit?

What _____ the watt _____ air conditioning _____ cooling?

The average _____ air conditioners _____ they _____ cooling mode

_____ the _____ rating _____ your air conditioning?

How _____ does _____ air conditioner use when _____?

_____ provide _____ the _____ unit's average _____ rating during cooling?

Can _____ the typical _____ on my _____ conditioning units?

How _____ power _____ your air _____ cools down?

_____ how many _____ per air conditioner in _____ mode.

What watt _____ it for _____ conditioning _____?

What _____ average air _____ while _____?

How much power do _____?

_____ average _____ for your _____ during the cool downs?

Do _____ know _____ a _____ watt rating _____ air conditioning _____?

_____ the _____ use of your air Conditioners _____ they _____ mode?

_____ cooling, can _____ tell _____ the average watt _____ of _____ air _____?

Can _____ describe the _____ watt _____ of the _____?

What _____ on your air conditioning _____?

When _____ what is _____ conditioner _____?

_____ you _____ me the watt _____ conditioners when _____ on cool _____?

What is the _____ use _____ the air _____ they _____?

What _____ average power _____ conditioning when cooling?

What _____ a normal _____ rating _____ air conditioning _____?

_____ you let _____ typical _____ usage of your air _____?

Do _____ the typical _____ rating _____ conditioning units is?

_____ common watt rating _____ your _____ conditioning?

_____ power for _____ air _____?

_____ do air conditioners consume _____ they _____ in _____ mode?

Do _____ know _____ power _____ ACs use during _____?

Do _____ have any information _____ unit's _____ rating during _____?

_____ you _____ much _____ the cooling _____ ACs use?

How _____ power _____ use _____ cooling _____ conditioners?

_____ is the _____ rating on _____ units?

_____ the average _____ for your AC during _____?

_____ have _____ question about the _____ conditioning unit's _____ during _____.

In _____ mode how _____ power do your _____?

What number of _____ your _____ in cooling _____?

_____ air _____ amount is _____ cooling mode.

Know _____ much _____ your _____ ACs _____.

_____ tell _____ how much _____ air conditioners use?

_____ you give _____ a _____ of the watt rating _____ units?

_____ am curious _____ the watt _____ the _____ unit during _____.

_____ power _____ used in _____ in cooling mode

Can you _____ the typical _____ for your air _____?

Do _____ typical watt _____ your airconditioning units?

Do _____ normal wattage rating for your _____?

How _____ power _____ used to cool _____ conditioner _____?

How _____ is consumed _____ air conditioners _____ they _____ down?

_____ know about _____ average _____ usage _____ your ACs _____ season?

How _____ power does _____ use in _____ mode?

_____ usual _____ while cooling?

_____ need _____ typical watt rating is for your _____ conditioning _____.

Can you _____ typical watt _____ air _____ units?

What's _____ cool air cons?

_____ to _____ wattage of my air conditioners in _____ mode.

How much _____ your air conditioning systems?

Can you _____ us _____ rating _____ your air conditioning _____?

Can _____ tell me about _____ watt rating on _____.

_____ you _____ typical _____ rating is for _____ conditioning unit?

The _____ power use of _____ air conditioners _____ down?

I _____ like _____ the watt rating of _____ conditioning _____.

_____ much power _____ air _____?

_____ much _____ the usual AC _____?

What's _____ air conditioner _____ cooling?

What _____ of _____ AC in cooling mode?

Can _____ tell _____ average _____ your air conditioning unit?

What is the average power _____ of _____?

_____ want _____ know _____ watt rating _____ air _____ units.

How many Watts _____ the _____ for _____ air _____ in _____?

_____ much electricity _____ used _____ your air conditioner _____?

_____ tell me _____ typical _____ of the _____?

_____ you know _____ average power _____ ACs _____ during cooling season?

Does _____ know _____ typical _____ rating _____ for air conditioning _____?

Could you _____ watt _____ of _____ conditioners while _____ on cool mode?

_____ you tell _____ the Wattage _____ your _____?

_____ is _____ rating for your _____ during _____ downs?

On _____ cool _____ can you share _____ typical _____ for _____?

The average ____ use of your air _____.
 What's ____ AC _____ mode?
 ____ you tell me ____ typical _____ on ____ units?
 _____ much ____ do your air conditioner ____?
 What _____ typical _____ for cooling?
 _____ power is consumed by _____ when ____ are ____ in ____ mode?
 While _____ usual _____ wattage?
 Is it ____ what a _____ rating ____ for _____ conditioning ____?
 ____ you ____ what a typical _____ for the _____ is?
 ____ is ____ average _____ of your _____ when they're in cooling ____?
 ____ is ____ normal watt rating on your _____?
 The average ____ use _____ conditioners _____ in cooling mode.
 How many ____ are _____ cool your ____ conditioning ____?
 What _____ wattage while cooling?
 During cool _____ is the ____ rating ____ your ____?
 In cooling _____ much air _____?
 ____ you _____ average use of ____ in _____ during ____ season?
 Can ____ tell _____ typical watt ____ of your _____ units?
 _____ the average ____ used _____ your airconditioning?
 How ____ power is used ____ cooling _____?
 _____ know the typical watt _____ your ____ conditioners ____ they're ____ mode?
 ____ is the average _____ your ____ conditioning when ____ is ____?
 ____ is _____ of ____ conditioners when ____?
 Can ____ tell us _____ your ____ conditioners?
 _____ like to know the ____ watt rating _____ conditioning ____.
 Can you _____ me an idea _____ watt _____ your ____ conditioning ____?
 I ____ wondering about the _____ rating of _____ unit during ____.
 _____ the power rating _____ cooling ____ units?
 ____ the _____ for your AC during ____ downs?
 How ____ power _____ air ____ when it's cooling?
 _____ the AC's ____ when ____?
 How _____ are used ____ your airconditioning ____ cooling mode ____ what _____ rating?
 We ____ to know the _____ usage of ____ air _____ they are _____.
 Do you have _____ for chilling with ____ air _____?
 Can ____ tell me ____ about the ____ conditioning unit's _____?
 Average ____ use of _____ are cooling, ____ is that?
 What is ____ typical _____ amount of Watts used _____ air ____?
 ____ usual wattage of your _____
 _____ units are cool, what _____ normal watt rating?
 How _____ air Conditioners ____ in cool mode?
 _____ power is ____ for ____ air ____?
 How ____ power ____ used by ____ air conditioners ____ they're ____?
 How much _____ air conditioners use _____?
 ____ cooling mode, _____ watts ____ your ____ conditioners ____ up?
 _____ airconditioning _____ to _____ space, what ____ the normal watt rating?
 How much _____ used by _____ when ____ in cool ____?
 ____ many _____ your ____ conditioners take up in ____?
 Is ____ typical watt rating _____ air ____ units ____?
 _____ about how ____ Watts _____ conditioner in ____ mode.
 Can ____ tell ____ the ____ watt usage of ____ air conditioners ____ they're _____?

Can _____ rating of your _____ conditioning units?
 _____ let me know _____ watt usage of _____ conditioners?
 What _____ typical watt rating of _____ unit?
 How _____ air _____ in _____ mode.
 _____ know _____ a _____ watt _____ is _____ your air _____ units?
 What _____ electricity _____ your air _____ when cooling?
 _____ tell me about _____ rating of the _____ conditioning _____?
 _____ much _____ in the _____ of _____ air conditioners?
 _____ is the average power _____ air conditioners _____?
 Can _____ tell me _____ the typical watt rating _____?
 Which _____ the usual _____ rating _____ your _____?
 Do _____ how _____ your ACs use during _____?
 How _____ power _____ when _____ air _____ in cooling mode?
 Can _____ tell _____ the normal power usage _____ conditioning _____?
 _____ the _____ conditioning _____ are working _____ space, what is their _____ watt _____?
 What _____ typical _____ rating _____ your _____ conditioning units?
 What's the _____ watt rating _____ conditioning _____?
 When your air _____ is _____ power _____ use?
 _____ much power do _____ use _____ your _____ conditioners _____?
 Do you know _____ of _____ used by _____?
 What is _____ amount of _____ to _____ conditioners?
 How much power is _____ your _____ when _____?
 _____ do your air Conditioners _____ for _____?
 Do you _____ about _____ unit's average watt _____?
 What _____ the _____ watt rating _____ units?
 _____ you _____ me AC wattage _____?
 _____ to give _____ consumption of your cooling air cons?
 _____ many Watts _____ average _____ cooling air conditioning _____?
 _____ it possible _____ typical _____ usage _____ your _____ conditioners _____ are on cool mode?
 _____ the average _____ conditioner _____ during _____?
 _____ cools down, _____ power _____ your air _____ use?
 _____ number of Watts for _____ conditioning in _____ mode?
 How much _____ by the air _____ mode?
 _____ much _____ is _____ the _____ conditioners _____ cooling mode?
 Is _____ possible to tell _____ the power _____ my _____ cooling?
 _____ for chilling with your _____?
 What _____ the _____ chilling with your air _____ be?
 _____ you _____ me _____ the typical _____ of my _____ units?
 How _____ watt _____ by _____ conditioning systems _____ cooling?
 While cooling, _____ the _____?
 The _____ with your air _____.
 How _____ do your air _____ use _____ cooling _____?
 How _____ per hour _____ for _____ in cooling _____ and _____ the typical rating?
 _____ air conditioning units function _____ space, what _____ watt rating?
 _____ tell me the _____ power _____ when cooling?
 _____ normal _____ count for _____ conditioning?
 _____ is used for cooling an _____?
 _____ you know what a _____ watt _____ for _____ conditioning _____?
 While _____ air conditioners are on _____ mode could _____ tell _____?
 Can you _____ about your typical _____ rating _____ airconditioning _____?

_____ much power does your _____ conditioners _____ cooling _____?

_____ much _____ power for cooling?

In _____ mode how _____ watt will _____ up?

_____ typical _____ for _____ cool air _____?

What is _____ for _____ conditioning units?

_____ normal wattage _____ conditioners?

When _____ air _____ to _____ a space, what _____ the normal watt _____?

What _____ typical _____ wattage _____ cooling mode?

_____ on the power _____ your ACs during cooling?

Can you _____ the _____ wattage _____ our _____?

Can _____ give _____ an _____ of _____ rating _____ your air _____ units?

_____ tell me _____ typical watt _____ my air _____ while _____ on _____ mode?

_____ much power _____ your air _____ cooling down?

_____ power use of _____ conditioner _____ are cooling

Do you _____ the typical watt _____ unit?

_____ watt in cooling mode?

_____ you know _____ electricity is used _____ your _____?

_____ is _____ of your _____ in cooling mode?

_____ much _____ does your air _____ during cooling _____?

What's _____ standard _____ rating _____ A/C _____?

How much power _____ air conditioners _____?

_____ know _____ typical watt usage of your _____ they _____ cool mode?

What _____ watt rating on _____ air conditioning _____?

Can _____ tell _____ average watt rating of your _____?

_____ power will _____ take up in cooling _____?

_____ the average AC _____ in _____?

_____ is _____ usual _____ rating _____ your A/C _____?

_____ tell _____ the typical watt _____ on _____ airconditioning _____.

What _____ number _____ air _____ in cooling mode?

Should _____ of _____ typical watt _____ of my _____ conditioners _____ they're _____ mode?

_____ me the _____ amount of your air _____?

_____ power is _____ by your _____ they are _____ off?

How _____ power is used _____ air _____ to _____?

_____ your _____ conditioning units have _____ watt for _____?

_____ typical _____ a _____ air cons?

During cool _____ the _____ rating _____ AC?

What's the typical watt _____?

_____ the _____ conditioners _____ in _____ is the _____ power use?

_____ you _____ the _____ power _____ for your _____ conditioners?

_____ power _____ used for _____ in your air _____?

Please _____ watt _____ of _____ conditioners while _____ on cool mode.

_____ much _____ do your air _____ consume when _____?

Can you _____ me _____ typical _____ rating for your _____?

While _____ is _____ AC wattage?

_____ you let _____ the normal _____ usage _____ your ACs _____?

How much _____ use _____ it's cooling down?

_____ you _____ me the normal power usage _____ cooling?

What is the _____ AC _____?

The _____ cooling _____ ACs?

The _____ air conditioners when _____ cooling mode, _____ is it?

What's _____ wattage _____ it's _____?

Is the _____ conditioning units typical?

_____ to know the typical watt usage _____ while _____ on _____ mode.

How much _____ needed _____ chilling _____ air conditioning units?

_____ you tell _____ about the _____ watt rating _____ my _____?

_____ of air conditioners _____?

The _____ power _____ conditioners when _____ on cooling mode

How _____ your air _____ use when _____ down?

_____ tell me the normal power _____ of my _____?

Do _____ the _____ rating for the _____ conditioning _____?

What is _____ usual _____ cooling?

_____ the cooling mode of air conditioners?

Do _____ know _____ watt _____ your _____ units have?

_____ the usual _____ cooling?

_____ in _____ cool _____ for _____ A/Cs?

How much _____ air conditioners _____ when _____ down?

_____ much power _____ used _____ air conditioning _____ cooling?

Can _____ me the typical _____ on the _____?

Can _____ me a typical watt rating _____ conditioning _____?

How _____ power _____ conditioning _____ use for chilling?

What _____ typical _____ wattage when _____?

_____ would _____ know the air conditioning _____ rating.

_____ know _____ the air conditioning _____ has a _____ rating _____ cooling.

When _____ what is _____ of air _____?

The average _____ use of your _____ conditioners _____.

_____ of _____ cooling in _____ ACs?

_____ you have _____ the _____ power _____ your ACs _____ cooling season?

_____ is the _____ Watts _____ cooling?

Is _____ possible to share _____ your _____ cool setting?

_____ me _____ watt rating on your air _____ units?

In _____ how much _____ your air conditioners _____?

What's _____ average power _____ when your air _____?

How many Watts _____ the _____ air conditioning _____?

_____ know the watt _____ your airconditioning _____?

_____ you _____ an idea _____ watt rating _____ air conditioning units?

_____ the _____ conditioning _____ watt rating during _____?

_____ me of _____ air _____ unit's watt rating?

When _____ cool _____ the typical _____ used _____ your ACs?

I _____ to _____ the _____ unit has a watt _____ cooling.

I want to _____ about _____ rating.

_____ air _____ work to cool _____ space what is _____ normal _____?

What _____ the average Watts _____ airconditioning _____ cooling _____?

Were _____ to share _____ average AC _____ during _____?

_____ much _____ do _____ conditioner use on cooling _____?

_____ is the average _____ when your _____ conditioners _____?

_____ average power _____ of your air _____ it's cooling?

What's _____ rating _____ your _____ A/C _____?

_____ much _____ air conditioners use when cooling _____?

Do _____ the average power usage _____ ACs _____ season?

How _____ power _____ air _____ use _____ cooling down?

____ the ____ rating for your ____ ?
 ____ the ____ for ____ cooling mode, and what ____ the rating?
 How ____ for air conditioner cooling?
 How ____ Watts is average ____ air ____ mode.
 ____ me know ____ your ____ use during cooling.
 What amount of ____ is used ____ air ____ ?
 ____ usual ____ for ____ conditioning?
 Can you ____ the ____ power ____ when ____ ?
 Do you ____ is for airconditioning units?
 What is ____ rating ____ air ____ ?
 ____ I ____ about ____ air conditioning ____ rating during ____ ?
 What's ____ normal ____ for ____ air ____ units?
 ____ electricity do your air ____ during cooling?
 ____ cooling ____ do you ____ power usage of ____ ACs?
 ____ know how ____ electricity is ____ in ____ ACs?
 ____ you ____ the typical ____ of your air conditioners ____ cool ____ ?
 ____ usual ____ for ____ cons?
 ____ your air ____ use in cooling mode?
 ____ about the typical watt rating on ____ ?
 When ____ what's ____ wattage ____ air ____ ?
 ____ your ____ are on ____ mode, ____ you ____ typical watt usage?
 ____ typical power for cool ____ ?
 I ____ to ____ the ____ watt usage ____ my ____ conditioners ____ cool mode.
 Can you ____ the ____ rating ____ the ____ units?
 Can you give ____ watt ____ your ____ units?
 Do ____ know ____ power ____ cooling air ____ use?
 ____ a question about ____ wattage ____ .
 Can you tell me ____ rating for ____ conditioning ____ ?
 What ____ watt rating of ____ units?
 What is the ____ AC ____ ?
 Do ____ the ____ watt usage of ____ air ____ they are ____ cool ____ ?
 ____ the normal ____ for your air ____ units?
 When ____ in cooling mode, what is ____ power ____ ?
 How ____ is ____ your AC ____ for cooling?
 ____ much power is consumed ____ conditioners run ____ cooling ____ ?
 ____ the wattage ____ the AC ____ ?
 How much power ____ by ____ air ____ when they ____ in ____ ?
 ____ much ____ do ____ cooling air ____ ?
 ____ there anything ____ can ____ about ____ power ____ of your ACs ____ ?
 ____ much power ____ air ____ use in cooling ____ ?
 Do you ____ what ____ watt ____ is ____ air conditioning?
 Do you ____ the typical ____ rating ____ ?
 How much power ____ typically ____ air ____ ?
 What ____ rating on your ____ ?
 I ____ to know ____ watt rating ____ the ____ units.
 ____ cooling, how much ____ is used by ____ ?
 I am ____ for information about ____ your ____ conditioning ____ .
 How ____ does ____ air conditioner ____ during cooling ____ ?
 How ____ power ____ air conditioners take ____ in ____ ?
 ____ is the ____ power of your ____ cooling?

Is ____ typical watt ____ for ____ ?
____ are ____ cooling by air conditioning systems?
Do ____ have ____ information ____ the typical ____ rating ____ your ____ conditioning ____?
What's ____ watt rating ____ your AC ____ ?
What ____ the ____ of ____ your ____ uses while ____?
____ state ____ typical watt rating ____ your ____ units?
____ have ____ mode wattage rating?
____ the ____ cool ____ rating?
How ____ power ____ your A/C ____ ?
____ the usual ____ for an ____ conditioning unit?
Do ____ know ____ use on your ACs ____ season?
____ you know ____ typical watt ____ air ____ units?
____ air ____ is cooling, how ____ it use?
Does ____ AC have ____ watt ____ ?
When ____ air ____ units are working ____ is ____ normal watt rating?
How much ____ is ____ air conditioners ____ they ____ cooling?
In ____ mode is ____ watt?
What ____ the power ____ the ____ units?
____ power do your ____ conditioners use?
I want ____ about the watt ____ the ____ conditioning ____.
The expected ____ your ____ conditioning units.
____ watt rating ____ your ____ during cooler times?
____ typical watt rating for ____ air conditioning ____.
____ Watts ____ the average for air conditioners ____ cooling ____?
During ____ downs, ____ is the ____ rating of ____ ?
Is there ____ typical watt rating ____ air ____ ?
____ you ____ a ____ watt rating ____ the airconditioning units?
____ have a typical ____ your air conditioners?
____ tell me the ____ on the air ____ units?
Is ____ typical watt ____ for ____ units?
Can you give ____ rating ____ the airconditioning ____?
____ provide me ____ the ____ rating of ____ air ____ units?
____ you ____ a ____ watt ____ for your AC?
What is the ____ wattage ____ ?
What ____ the usual ____ rating ____ ?
____ you ____ the average ____ for ____ cooling season?
____ would ____ the ____ watt usage ____ my air conditioner ____ they're on ____ .
____ watt will your ____ take ____ cooling mode?
Can you ____ me ____ power the ____ during ____ ?
What ____ a standard watt ____ ?
____ power does ____ typical air ____ use?
What ____ usual watt ____ for ____ conditioning units?
What is the ____ cooling?
How much Watt ____ cooling ____ ?
In cooling mode, ____ is ____ wattage ____ AC?
What ____ Wattage of ____ ACs like?
How much ____ the air conditioner ____ down?
____ air ____ to ____ a ____ what ____ the normal watt rating?
Did you tell ____ unit's watt ____ during cooling?
____ amount of ____ is ____ your air conditioner?

Normal ____ density for ____ conditioners ____ ?

When ____ in ____ mode, what ____ watt do your ____ ?

____ to know the ____ watt usage ____ air conditioners ____ are on cool ____.

Can you ____ more about the ____ conditioning ____ ?

____ you know the Wattage of ____ Mode ____ ?

Do ____ average power consumption of ____ during ____ season?

____ know the typical watt rating ____ air ____ ?

____ usual wattage ____ for ____ units?

____ average power ____ for your air conditioner when ____ ?

What ____ normal watt rating for the ____ conditioning ____ ?

Can ____ common power ____ cooling air cons?

____ is the usual ____ rating for ____ ?

____ the ____ on an air ____ unit?

____ the ____ watt rating ____ during a cool ____ ?

What is the ____ use ____ air conditioner ____ it ____ ?

____ your air ____ on cool ____ could you ____ watt usage?

____ much ____ will ____ get for chilling with ____ units?

When ____ the normal ____ air ____ ?

____ you ____ the typical watt ____ your AC ____ ?

____ it possible to know ____ average ____ of ____ ACs during ____ ?

____ much ____ is used during cooling in ____ ?

Do ____ know what ____ watt ____ on your airconditioning ____ ?

____ give us power consumption for ____ cons?

____ you ____ AC watt ____ cooling?

____ is the typical amount of ____ air conditioner ____ ?

____ power is ____ for ____ your ____ Conditioners?

____ power ____ your air ____ for cooling?

____ you ____ rating ____ your AC ____ cool downs?

____ description ____ the typical ____ rating on air conditioning units?

____ you share ____ average AC ____ when ____ off?

____ is ____ mode wattage rating ____ AC?

When ____ what AC ____ ?

____ cooling ____ how ____ electricity ____ your air ____ use?

____ much ____ an air ____ use for ____ ?

____ know ____ typical watt usage ____ air conditioners ____ they're ____ cool mode.

When ____ conditioning ____ cool ____ space, what is their ____ rating?

How ____ is used ____ a cooling ____ unit?

____ average power ____ for your ACs during cooling ____ ?

____ expected ____ for chilling with ____ conditioning units?

How ____ air conditioning ____ ?

Do you know ____ a ____ a air conditioning ____ ?

____ give us the typical ____ your airconditioning ____ ?

What is a standard ____ for ____ ?

Do ____ the watt rating ____ your ____ units?

____ need to ____ the ____ rating ____ the ____ conditioning units.

____ the normal watt ____ the air conditioning ____ ?

____ the wattage ____ the ____ cooling mode?

How ____ used for ____ air ____ in the cooling ____ ?

What is the ____ rating ____ during cool ____.

Did you know the ____ mode in ____ ?

Do you _____ power usage _____ your _____ during _____ seasons?

Normal wattage for _____.

_____ you know _____ the typical watt _____ your _____ units?

_____ wattage _____ you are cooling?

_____ is a _____ your _____ during cool downs?

_____ much _____ does the _____ conditioner _____ when _____ cooling?

How much power _____ take up _____ cooling _____?

_____ per _____ conditioners cooling mode?

_____ the air conditioner typically _____?

How _____ power does your _____ conditioners consume _____ operating _____?

How many watt do _____?

What is the _____ air conditioning?

_____ is _____ cool mode wattage rating _____ AC?

_____ will it take for your air _____ units _____?

_____ much power is _____ by your air _____ in _____?

_____ know what the _____ of _____ air conditioning _____ is?

Can _____ let _____ normal _____ of my ACs during _____?

_____ the _____ of electricity _____ cooling your AC units?

Can _____ typical _____ rating _____ your airconditioning units?

_____ your _____ conditioning units are _____ space, _____ is _____ normal _____ rating?

Can _____ me how _____ my cooling _____ cons _____?

Can you tell _____ your _____ AC units?

_____ many Watts _____ air _____ mode?

Can _____ me the power consumption _____ conditioners?

In cooling _____ conditioner have a _____ wattage?

What's _____ cool _____ wattage _____ AC?

_____ does a typical _____ conditioner _____ up?

What is _____ amount _____ conditioning?

_____ know about _____ typical watt _____ for _____ conditioning units.

_____ the air conditioning unit during cooling.

Can _____ tell me the _____ of cooling _____?

_____ common _____ rating _____ AC during cool _____.

How much _____ are used _____ your _____ when _____ in _____?

_____ your air conditioning _____ when it is _____ to cool.

_____ you tell _____ for your AC _____?

How _____ power is _____ in the _____ for _____?

_____ you know the average power _____ during _____ for _____?

_____ cooling _____ the _____ wattage?

_____ you let _____ know the _____ watt _____ my _____ conditioners?

_____ me the watt rating _____ AC units?

What _____ the _____ conditioner _____ cooling?

How much _____ your air _____ use _____ cool _____?

_____ normal watt _____ conditioners _____ cooling?

Is _____ a _____ rating _____ airconditioning units?

_____ much power do _____ air _____ use _____ cool _____?

Can _____ give _____ common _____ of the _____ air _____?

I _____ the _____ unit's watt rating.

_____ wish to _____ air conditioning _____ watt rating.

When your _____ work to _____ is the usual watt _____?

I want _____ the air conditioning _____ rating

____ is ____ typical air ____ when ____ cooling?
 Did ____ average ____ your ACs during cooling season?
 ____ you ____ a ____ watt rating ____ your ____ conditioning ____?
 ____ average ____ your air ____ it's cooling mode.
 What's the average ____ rating ____ AC ____ cool ____?
 ____ you ____ of the watt ____ on your airconditioning ____?
 ____ the average watt ____ air conditioners while ____ on ____ mode?
 Can you ____ the watt ____ for my ____?
 Can ____ tell ____ watt rating of ____ air ____ unit?
 ____ average ____ air conditioners ____ cooling ____
 ____ tell me about ____ watt rating ____ air ____ unit?
 ____ the air conditioning units are ____ to ____ a ____ what ____ rating?
 How much ____ in the ____ while cooling?
 Wattage ____ cool ____ your ____?
 ____ you ____ common power consumption ____ cooling ____ cons?
 How much ____ will it ____ to ____ with ____ conditioning ____?
 How much ____ your air conditioning ____?
 How much ____ do you ____ for ____ in ____ mode?
