

[Demo] NLP Dataset for Customer Service Automation

Company Type	Auto Repair and Maintenance Shops
Inquiry Category	Dashboard warning lights are illuminated
Inquiry Sub-Category	Coolant temperature warning light is on
Description	Customers may seek assistance concerning the coolant temperature warning light being illuminated. This could indicate an overheating engine, potentially due to low coolant levels, a malfunctioning thermostat, or a faulty cooling system component, necessitating immediate inspection and repair.
Data Size	9,698 paraphrases
