

[Demo] NLP Dataset for Customer Service Automation

Company Type	Smartphone Manufacturers
Inquiry Category	Network coverage and connectivity inquiries
Inquiry Sub-Category	Signal strength complaints
Description	Customers may raise concerns about weak or fluctuating signal strength, seeking advice on how to improve signal reception or identifying if there is a hardware or software issue affecting their smartphone's antenna or signal output.
Data Size	5,150 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Smartphone Manufacturer" customer inquiry. (Purchased data will not be masked.)

____ there any known software glitches ____ reception ____ certain ____ ____ ?
 Do you ____ there ____ software ____ signal ____ in particular phone ____ ?
 ____ know if ____ software flaws that ____ in some ____ phones?
 Any ____ problems ____ reception ____ phones?
 Is ____ a ____ glitch ____ causes ____ reception on some ____ ____ .
 ____ there a software ____ that will ____ on ____ phones?
 ____ you know ____ models of Smartphones have ____ flaws ____ affect ____ reception?
 Is ____ anything ____ causing poor signal ____ in smart ____ ?
 There ____ a ____ glitch that causes signal ____ models of ____ .
 ____ a ____ that affects the signal ____ on ____ models ____ phones?
 ____ any ____ affect signal ____ on specific models ____ mobile phones?
 There ____ with ____ reception on these phones?
 ____ signal reception affected ____ flaws on ____ devices?
 ____ you ____ of ____ bugs that cause ____ reception ____ on ____ models?
 Do you have ____ flaws ____ affect ____ reception ____ phones?
 Is signal ____ impacted ____ software ____ in ____ phones?
 Is ____ software ____ which ____ signal reception ____ models of phones?
 ____ models of cellphones ____ ____ .
 Is there ____ software ____ signal ____ in certain smartphone ____ ?
 ____ if ____ are software flaws in certain ____ ?
 ____ the signal ____ some mobile phones affected ____ a ____ ?
 ____ reception ____ be ____ software ____ some models of phones.
 Is a ____ signal reception in ____ models ____ phone?
 ____ a flaw in ____ of signals on ____ ?
 ____ model smartphones ____ flaws ____ are impacting signals?
 Is ____ bugs causing ____ signal ____ smart phones?
 Do you ____ flaws in ____ software that ____ reception on ____ ?
 Is ____ signal reception ____ a software ____ some models ____ phone?

_____ your _____ have software bugs that _____ with _____.
 _____ specific _____ having _____ flaws impacting _____?
 Is _____ an issue with the _____ of signals _____?
 Is the software _____ smartphones _____ issues?
 _____ know if certain _____ of smartphones are _____ flaws?
 _____ particular model of _____ have software _____ that _____ reception?
 Do model smartphones have _____ flaws _____?
 _____ a _____ that may _____ signal _____ on some phones?
 Does the _____ glitch affect _____ signal reception _____ specific _____ mobile _____?
 _____ if certain _____ devices have software _____ affect _____ reception?
 _____ known software _____ affect _____ signal reception _____ your phones?
 Is _____ software _____ with _____ for certain phone _____?
 Are there _____ reception on certain _____ devices?
 _____ there _____ software malfunction _____ affect signal _____ on _____ of smartphones?
 _____ there _____ the reception of signals _____ models of phones?
 _____ bug causing _____ signal quality _____ some smart _____?
 _____ you _____ any software bugs that cause _____ reception _____ phone _____?
 Is _____ currently _____ that affects _____ signals received _____ some smartphones?
 Did _____ models _____ from _____ that interfered _____ signal reception?
 Is there _____ with _____ reception _____ certain _____ of smart phones?
 Do _____ flaws affect signal reception _____ specific _____ cellphones?
 _____ any software _____ with _____ reception _____ these phones?
 Is _____ any _____ that disrupt _____ signal _____ phone models?
 _____ any information about _____ causing _____ signal quality in _____ phones?
 _____ there _____ software malfunction _____ affect signal _____ on some _____?
 _____ a _____ malfunction _____ reception _____ some smartphones?
 There _____ that affect the _____ signals on _____ of smartphones.
 Is _____ software malfunction _____ signal reception _____ phones?
 Do _____ if software flaws _____ signal _____ on specific _____ of _____.
 _____ are software flaws _____ affect _____ on certain phones
 _____ software _____ that _____ signal reception on _____ models of smartphones?
 _____ you heard _____ signal _____ on some _____ of the phone?
 Is signal reception affected _____ identified _____ on _____?
 _____ there _____ software glitch causing _____ certain models of _____?
 _____ you know if certain _____ phones _____ that _____ quality?
 _____ glitch that could affect _____ certain models of the mobile _____?
 _____ that certain phones _____ problems _____ cause signal _____ issues?
 Is there _____ software glitch impacting _____ certain _____ phones?
 _____ know of any _____ issues _____ the _____ on certain _____?
 _____ you know _____ signal troubles due _____ specific _____ bugs?
 Is a _____ reception on some _____ phones?
 Does _____ smartphone _____ flaws that _____ signals?
 Have _____ heard _____ software _____ affecting signal strength _____ of your _____?
 _____ documented software _____ that _____ the signals _____ some smartphones?
 Is there _____ documented _____ malfunction that _____ signals _____ by _____ few _____?
 _____ coverage in _____ few handsets is _____ by a _____ flaws.
 _____ there _____ documented _____ malfunction _____ impact the _____ received by _____ smartphones?
 Is _____ a _____ the signal _____ some smartphones?
 _____ know _____ malfunction _____ impacts the signals received by select phones?
 _____ a _____ that might _____ reception on _____ phones?

There _____ software malfunction that _____ signal reception _____ certain _____ cellphones.

There might _____ malfunction _____ reception on some models of _____.

_____ model of _____ software issues that affect _____ reception?

_____ there _____ software _____ affecting _____ signals?

_____ anyone having issues with _____ and stuff because _____ their _____?

Is there any _____ software _____ has _____ signals _____ select phones?

Is there _____ malfunction _____ causes the signal _____ models of _____?

_____ there _____ that affect _____ reception for certain _____?

_____ you know _____ software flaws that _____ the reception _____?

There _____ malfunction _____ could _____ signal _____ on some models of _____.

A _____ malfunction _____ affect _____ on _____ phones.

_____ possible that there are _____ signal _____ on _____ mobile devices?

_____ certain phone _____ software bugs that _____ with _____?

There might be a software malfunction _____ affects _____.

_____ a software malfunction impacting _____ certain _____?

_____ software _____ signal reception _____ certain mobile phones.

_____ there _____ that affect reception on specific _____.

_____ there any documented software _____ that _____ the _____ certain smartphones?

_____ model _____ software _____ affect signals.

_____ signal reception _____ of _____ may _____ affected by a software _____.

Is _____ software malfunction that may _____ signal reception _____?

Is the _____ strength _____ by _____ software _____ smartphones?

_____ smartphones _____ software flaws _____ affect _____?

There are software _____ affect the _____ of signals _____ models _____.

_____ smartphone models currently _____ software issues _____ signal _____?

Is it possible that software _____ some _____ devices?

There are _____ software _____ may affect signal _____ phones.

_____ of reports of software _____ affecting _____ strength on _____ the phone?

_____ you heard of _____ on specific versions _____ the phone?

Is _____ malfunction _____ may _____ signal _____ on _____ models of Smartphones?

_____ flaws that affect _____ on _____ models of Smartphones?

Does a _____ signal _____ on certain models _____?

_____ are _____ bugs that disrupt _____ on _____ phones?

Is _____ information _____ the bugs that _____ poor _____ quality _____ smart _____?

Did you _____ any _____ that could affect _____ signal _____ models _____ mobile device?

Is there _____ software glitch _____ affect _____ reception _____ specific _____ of the _____?

Is _____ a _____ glitch _____ reception for certain _____ models?

_____ any _____ the reception _____ signals on certain _____ of phones?

_____ be a software malfunction that _____ on some models _____.

Do you know if _____ affect _____ reception on _____

Is _____ possible that _____ may _____ signal _____ on _____ phones?

Any signal _____ in your phone?

Some smartphone versions _____ faults _____.

_____ there _____ software glitch _____ signal reception _____ mobile _____?

_____ there any _____ on _____ signal _____ in smart phones?

_____ if there _____ software quirks that _____ on certain _____?

Is it _____ that software _____ affect _____ of signals _____ models _____?

_____ you know any known _____ reception of your phones?

_____ a software glitch responsible for signal _____?

_____ may be _____ software glitch that _____ signal _____ on some _____.

Some cellphones _____ which _____ reception.

_____ affected by a known _____ bug

_____ any _____ bugs _____ the signal strength of _____?

Specific smartphones bugs _____.

Did _____ that certain phone _____ with their _____ due _____ software _____?

_____ possibility _____ signal reception _____ some models _____ phones may be _____ by a _____.

_____ there _____ software glitch affecting _____ reception _____ certain _____ phones?

_____ glitch that _____ signal _____ issues _____ certain phones?

Is _____ known software _____ signal reception _____ certain phones?

_____ think _____ quirks affect reception _____ certain _____?

_____ a _____ mobile device have software _____ affect reception?

Are there _____ reception on different _____?

Do _____ are flaws _____ software that _____ signal _____ on some _____ devices?

Do you know anything _____ software _____ reception on _____?

Is there _____ bugs _____ ruin _____ on _____?

_____ a _____ malfunction affecting _____ reception _____ models _____ phones?

Some _____ have _____ bugs that _____ phone signal.

Is a _____ glitch causing _____ on _____ models _____?

Is _____ defects affecting reception _____?

Do software _____ signal reception _____ models?

_____ any particular model of _____ issues _____ reception?

There _____ impacting signal reception _____ phones.

signal reception _____ some _____ of _____ be affected _____ malfunction

Do you _____ there are software flaws _____ certain _____ devices?

_____ know if there _____ software _____ affect _____ on differentSmartphones?

Do you _____ certain _____ software flaws _____ affect _____ reception?

Is _____ on these phones _____ by _____?

Is _____ flaws _____ signals _____ particular _____ smartphones?

_____ a _____ signal reception in _____ of the phones?

Do _____ have software _____ affect signals?

_____ certain smartphones _____ problems _____ to software _____?

There might be _____ that _____ signal reception _____ of smartphones.

There may _____ software _____ may affect _____ reception _____ phones.

_____ software flaws _____ reception of _____ on _____ models of phones.

_____ reception _____ these _____ has _____ impacted _____ glitch?

_____ malfunction that affects signal _____ on some phones.

Specific smartphone bugs _____ any signal troubles.

Does _____ affect the _____ on certain phones?

_____ reception _____ signals on _____ ofphones might _____ affected _____ flaws.

_____ are _____ impact the _____ signals on certain _____ of smartphones.

_____ of any software bugs _____ reception _____ specific _____ models?

Is _____ a _____ malfunction that may _____ signal _____ on _____?

_____ you _____ if _____ reception _____ affected _____ software flaws on specific _____?

_____ bugs _____ cause poor signal quality in _____ smart _____?

Have any well-known bugs _____ the _____ of _____?

Do you _____ about _____ that _____ quality _____ smart phones?

Is _____ a software _____ causes signal _____ on _____ phones?

_____ information on _____ that cause poor _____ in smart _____?

_____ modelSmartphones _____ software flaws _____ signals?

_____ signal reception _____ software _____ some models ofSmartphones?

_____ reception affected by _____ on _____?
 _____ reception on some models of _____ affected _____ malfunction?
 _____ reception _____ might be affected _____ software bugs.
 _____ there _____ malfunction which might affect _____ on _____ phones?
 _____ any software glitch that _____ affect _____ reception on _____?
 _____ there a _____ that _____ signal _____ on some phones?
 Are _____ that affect signal reception on _____ models _____?
 Do _____ know _____ software flaws _____ signal _____ on certain _____?
 Do _____ know if there _____ flaws _____ affect the _____ of _____ phones?
 Is certain smartphones _____ by _____?
 _____ a software malfunction that may _____ signal _____ of phones?
 Do any _____ models of _____ that affect _____ reception?
 Is there _____ documented _____ that _____ signals received _____ select phones?
 _____ know about software _____ signal strength on _____ the phone?
 signal _____ on _____ of Smartphones could be affected _____ malfunction.
 _____ some _____ models _____ bugs _____ with reception?
 _____ any _____ software _____ that _____ the _____ received by the _____ smartphones?
 Do software bugs affect signal _____?
 _____ there any _____ smartphone bugs?
 _____ software _____ the signal reception in certain models of _____?
 Do the _____ have software flaws _____ signals?
 _____ specific model _____ smartphones have _____ problems that _____ reception?
 _____ are _____ signal reception on some models _____ phones.
 Is _____ that _____ signal _____ in some models of Smartphones?
 _____ software bugs affect the _____ signal on _____?
 Do _____ know if _____ certain _____ devices _____ affected by _____ flaws?
 _____ there _____ that causes _____ problems _____ phones?
 _____ a software _____ the reception on certain _____ of _____?
 Is _____ possible that _____ issues are _____ signal reception _____?
 Did _____ any _____ problems _____ might _____ signal _____ certain _____ of the mobile _____?
 _____ may _____ software _____ the _____ signals on _____ models of smartphones.
 _____ affected by software bugs _____ cause _____ issues?
 Some cellphone models _____ that _____.
 Is _____ certain smartphones?
 _____ you know _____ any _____ specific models of mobile phones?
 _____ there _____ in _____ phones _____ signal reception problems?
 Is _____ software _____ that affects _____ on certain mobile _____?
 Is there _____ software _____ signal _____ on certain models _____ phones?
 _____ you know any quirks _____ certain phones?
 _____ there _____ documented software _____ that _____ received by select smartphones?
 _____ smartphones have flaws _____ impact _____?
 Is _____ any mobile _____ bugs that affect _____ phone _____?
 Have you encountered _____ the _____ on _____ phones?
 Is there _____ can _____ on certain phones?
 Do _____ of any software _____ that _____ reception _____ phones?
 _____ a _____ software _____ signal reception on _____ phones?
 Do your _____ with software bugs that _____?
 Is _____ known software flaws that _____?
 _____ any _____ malfunction that _____ the signals received by _____?
 Is _____ bug that affects _____ reception on _____ models?

Do you know _____ problems affecting _____ some phones?
 _____ a documented software malfunction _____ received _____ some phones?
 _____ you have any _____ the _____ some of their phones?
 _____ software _____ that may affect signal _____ on _____ models of _____?
 _____ there _____ malfunction which _____ signal reception _____ smartphones?
 _____ software _____ signal reception in _____ of phones?
 The _____ some _____ may be _____ software defects.
 There are _____ software _____ affect _____ reception _____ some phones.
 _____ you have _____ about _____ that affect signal _____ in _____?
 _____ you know _____ models of Smartphones _____ software _____ affect the signal _____?
 Is signal _____ by identified software issues _____?
 Do you know if _____ by software _____ models of Smartphones?
 _____ there a _____ the _____ reception on _____ models of _____?
 Is _____ on certain models _____ software flaws?
 _____ software glitch that could affect _____ signal _____ of the _____ device?
 Is _____ issue affecting signal _____ some smartphones?
 _____ software _____ signal _____ on some phones.
 Is there a software _____ impacting _____ phones?
 Some models _____ software _____ affect the reception _____.
 Is there _____ software _____ reception in some _____ of _____?
 Is there _____ documented software _____ that affects _____ signals _____ of _____?
 _____ there a _____ that _____ received by a select _____ of phones?
 _____ software bugs _____ disrupt _____ reception on particular _____ models?
 Did _____ discover _____ software problems _____ signal _____ for specific _____ mobile device?
 signal _____ certain _____ phones may _____ affected _____ a software _____
 _____ software _____ that _____ the _____ of selected phones?
 _____ there _____ known software flaws that _____ specific phones?
 _____ there _____ software _____ causing _____ on _____ mobile phones?
 _____ there a software _____ affect _____ reception on some _____?
 Is there a _____ glitch that _____ reception _____ models _____?
 _____ documented _____ malfunction that affects _____ signals _____ by certain Smartphones?
 _____ any _____ that affects signal reception on _____?
 Is there _____ affects the signals _____ by some phones?
 _____ have signal _____ issues because of _____ glitch?
 There _____ flaws which affect the _____ certain models _____ smartphones.
 Is _____ software flaws _____ reception of _____ on _____ models _____?
 Do _____ know if _____ are _____ software _____ in the _____ of _____?
 Is there _____ that affects _____ some phones?
 _____ a software malfunction _____ affects _____ on certain smartphone _____.
 Is _____ that _____ reception on certain models _____ phones?
 Do you know if software _____ signal _____?
 Is there _____ software malfunction _____ can _____ the _____ by some _____?
 _____ specific model Smartphone _____ software flaws _____?
 Are there _____ bugs _____ disrupt _____ specific phone _____?
 _____ any software issues with _____ signal _____ some _____?
 _____ a software issue _____ the _____ reception _____ phones?
 Some cellphone _____ software _____.
 Do you know _____ software quirks _____ phones?
 Does any software _____ signal _____ these phones?
 Do you know _____ quirks _____ reception _____ phones?

Do you ____ of ____ affect ____ in ____ phones?
 ____ there anything wrong ____ the ____ these ____ signal strength?
 ____ it ____ models have ____ bugs that interfere with ____ reception?
 Some cellphone ____ have ____ affecting ____.
 Is there ____ that might ____ the ____ reception ____ phones?
 ____ possible that certain smartphones ____ affected by ____?
 Is there ____ software ____ might ____ the reception ____ some ____?
 Does any ____ model of smartphones ____ software ____?
 Is there ____ software ____ may ____ reception ____ some models of ____?
 ____ there ____ information about ____ poor ____ quality ____ certain smart phones?
 Does ____ phones ____ software flaws ____?
 Some cellphone ____ problems.
 ____ some ____ issues that affect ____ reception ____ phones.
 ____ software flaws ____ smartphone signals?
 Do you know ____ any software ____ reception ____ certain ____ models?
 ____ there ____ software glitch messing ____ the reception ____?
 Are there ____ phones ____ cause poor signal ____?
 ____ could ____ problems ____ signal ____ on these phones.
 ____ smartphones have drawbacks ____ buggy signal ____.
 There ____ be signal ____ due ____ smartphone ____.
 Do your ____ that ____ with the signals?
 ____ be ____ malfunction which ____ affect reception on some ____.
 Do you ____ issues affecting signal ____ certain versions of ____ phone?
 ____ there software flaws ____ affect ____ reception ____ your ____?
 Do certain ____ issues because of software ____?
 Is there any ____ that affect ____ on ____ devices?
 Do ____ know ____ there ____ flaws that affect ____ on certain ____ devices?
 Are there ____ software flaws that affect ____ certain ____?
 ____ there software flaws that affect ____ phones?
 Do your phones ____ software bugs ____?
 ____ flaws affect the reception of signals on ____?
 Is there ____ documented ____ that has an ____ on ____ by certain ____?
 ____ there ____ software glitch ____ with reception on ____?
 ____ software problem affecting ____ on ____ phones?
 Do ____ know ____ flaws ____ on particular ____ of mobile phones?
 signal reception ____ may be ____ by a software ____
 There are ____ questions ____ the ____ phones impacting ____ strength.
 Is ____ any documented ____ that ____ the signals ____ smartphones?
 ____ there a ____ flaw ____ selected smartphone ____?
 ____ a ____ affects signal reception ____ some phones?
 ____ find ____ that could ____ signal ____ for certain models ____ the ____ device?
 ____ on ____ cellphone models is affected ____ in the ____.
 Do ____ affect ____ on certain ____?
 Is ____ affect signal reception ____ certain smartphones?
 ____ signal on ____ is disrupted ____ mobile software ____.
 Does a ____ cause signal ____ on ____ of ____?
 ____ a software ____ affecting ____ phones?
 ____ phones have ____ problems that ____?
 Do ____ know if ____ signal ____ is ____ by ____ flaws?
 ____ by signal-related flaws?

____ signal reception ____ by identified ____ on select ____?
 Is a software ____ reception on ____?
 ____ know ____ software flaws affect ____ on Smartphones?
 ____ any ____ the bugs ____ poor signal quality ____ some ____ phones?
 Do you ____ if ____ flaws ____ mobile phones?
 Do ____ phones have ____ defects ____ cause ____?
 Do you know of ____ affect ____ reception ____ phones?
 Do you have ____ issues ____ on ____ versions of ____ phone?
 Is ____ any documented software malfunction that can affect ____?
 Are ____ models ____ affected by ____?
 ____ cellphones ____ affected by ____.
 ____ a ____ affecting signal reception on certain ____?
 Is there ____ software bugs ____ phones ____ signals?
 ____ some ____ have software bugs ____ interfere with ____?
 Certain ____ versions ____ that ____ signals.
 ____ are ____ software ____ with signal ____ on ____ phones?
 ____ known ____ affect ____ on ____ phones?
 ____ malfunction that may ____ signal ____ on certain ____?
 Is there a software ____ affect ____ reception ____ certain models ____.
 Do ____ software ____ affect ____ reception ____ models?
 ____ software ____ reception on some ____?
 ____ some phones have ____ software ____ that ____ reception ____?
 ____ have software defects ____ reception.
 ____ are ____ flaws ____ the reception ____ models of phones.
 Do ____ bugs causing poor ____ in certain smart ____?
 ____ there ____ software ____ signal ____ certain models ____ mobile devices?
 Is signal reception on ____ affected ____ a ____?
 Is there ____ flaws that affect the ____ on ____ of ____?
 ____ having ____ and stuff due to software ____ in ____ smartphones?
 Does ____ specific model ____ have ____ issues ____ reception?
 ____ a software ____ that impacts signal reception ____ certain models ____?
 Are ____ any ____ that affect ____ signal ____ certain ____?
 ____ the signal reception ____ impacted by ____ software ____?
 Is ____ any ____ bugs causing poor signal ____ smart ____?
 ____ a ____ certain ____ causing reception issues?
 Is there ____ software ____ that may ____ reception ____ of cellphones?
 ____ there ____ info on ____ causing ____ in ____ smart phones?
 Do ____ know ____ there is a software ____ of your ____?
 Are ____ flaws ____ affect ____ reception on ____ devices?
 Do ____ software on ____ phones messes ____ signal?
 ____ there ____ glitch that affects signal reception ____ certain ____?
 Is ____ software ____ impacting signal ____ on some ____ phone?
 ____ you ____ any ____ signal reception on ____ models ____ the mobile device?
 Is a ____ impacting signal ____ certain phone ____?
 There ____ be ____ software malfunction ____ could ____ signal ____ of phones.
 ____ some ____ software problems that ____ reception ____?
 There may ____ a ____ affects signal ____ on ____ of Smartphones.
 Do ____ know of any ____ bugs ____ affect ____ in ____?
 Is a ____ signal ____ some phones?
 Did you ____ software glitch ____ could affect ____ reception ____ certain ____ mobile ____?

Is _____ issues that impact _____ for _____ models?

There _____ be _____ affecting signal reception _____ certain _____ of _____.

Is there anything _____ with _____ of _____ on _____ ofphones?

Do you know if _____ software _____ phones?

Some models _____ have _____ software _____.

Are _____ affecting _____ on _____ mobile devices?

Do _____ if there _____ software _____ that affect _____ reception _____ certain _____?

_____ software flaws _____ the _____ on certain models ofphones?

_____ you know _____ are _____ with the _____ on _____ phones?

_____ about _____ that can _____ poor signal _____ smart phones?

Do _____ of your _____ software _____ that _____ signals?

_____ there _____ that cause poor _____ smart phones?

Are there _____ software _____ signal _____ on some _____?

Is _____ software _____ affects signal reception _____ smartphones?

There is a possibility that signal _____ on _____ may _____ a _____.

Is _____ that affects the signals received _____ phones?

_____ software bugs interfering _____ in some phone _____?

_____ software _____ signal reception _____ on certain smartphones?

_____ glitch _____ up _____ reception on these phones?

Is it possible _____ smartphones _____ by the _____?

_____ know _____ there _____ flaws _____ signal reception _____ various mobile devices?

There _____ known software _____ affecting _____ smartphone _____?

Do you _____ if certain _____ software _____ that affect _____?

Is it possible _____ your _____ software bugs _____ with signals?

Is _____ software _____ reception on certain phones?

Do _____ know _____ on some _____ mobile phones _____ affected by _____ flaws?

Did you find _____ software flaws _____ affect the _____ reception _____ the _____ device?

_____ any _____ software _____ smartphone signals.

_____ the software flaws that affect _____ signal _____ phones?

Is _____ software flaws _____ signals on some _____ ofphones?

Is the _____ strength _____ certain phones _____ glitches?

The signal _____ on some _____ of _____ be affected _____ software _____.

_____ software glitch affecting the reception on some _____?

_____ reception _____ some models _____ by a software malfunction

_____ with some of _____ phones that mess _____ signals?

Is there _____ with the _____ these phones _____ signal _____?

_____ the signal strength _____ the _____ these smartphones?

_____ a _____ that may affect signal _____ in _____?

_____ uncover any _____ that _____ signal reception for _____ models of _____ mobile _____?

Do _____ about _____ software _____ that _____ signal reception of specific _____?

_____ have _____ that affect signals?

_____ fault disrupting _____ in certain smartphone _____?

_____ there _____ known _____ glitch affecting _____ reception _____ certain _____ smartphones?

_____ you _____ software glitches that _____ reception _____ certain _____ the mobile device?

Is there software glitch that _____ reception _____?

_____ if there are software _____ affect the _____ reception on _____ models?

Do you _____ what _____ cause _____ quality _____ smart _____?

_____ have defects in _____ software.

_____ any _____ models _____ smartphones have _____ problems _____ affect _____?

Is _____ software glitch _____ reception _____ some mobile _____?

There may be ____ software ____ on some ____ of Smartphones.
 ____ there ____ glitch ____ the reception on these ____?

There ____ software ____ cause signal ____ certain smartphone models.
 ____ flaws ____ affect smartphone ____?
 ____ glitchy software ____ reception on ____?
 ____ any software ____ the ____ your phones?

Do you ____ any ____ flaws ____ signal reception of certain ____?
 ____ there ____ bugs ____ disrupt the ____ on specific ____?
 ____ there ____ software ____ that ____ signal ____ models of the phone?

Is there a ____ that ____ affect ____ models of phones?
 Is ____ glitch affecting ____ reception ____ certain smartphone ____?

Do ____ know if ____ software flaws that ____ signal reception ____?
 There are software issues ____ the reception ____ models ____.
 ____ know if ____ software ____ signal reception on mobile ____?
 ____ smartphones have ____ that ____ reception?
 ____ you find ____ software ____ affect ____ for specific ____ of the ____ device?

Do ____ about ____ flaws that affect ____ on mobile ____?
 ____ that software flaws ____ reception ____ certain mobile devices?
 ____ software defects that ____ signal ____ certain models of the mobile ____?
 ____ there any ____ malfunction ____ affects signals received ____ smartphones?

Is there any software ____ on specific ____?
 Is ____ software ____ which causes ____ on some ____ phones?
 Do ____ if ____ are ____ that ____ signal reception on some ____?

Is there ____ software ____ that ____ affect ____ received by ____ phones?
 Is ____ glitch to ____ signal ____ some ____ phones?
 ____ you ____ software glitch ____ might affect ____ reception for specific ____ mobile ____?
 ____ software malfunction that affects the signals ____ some ____?

Are ____ poor ____ quality in certain smart ____?
 Do you know ____ software ____ that affect ____ reception affect ____ of ____?

Do ____ have information about ____ cause poor ____ in smart ____?
 ____ are software ____ cause signal reception ____ specific ____ models.
 There could ____ a ____ impacting ____ reception in ____.

____ you know ____ any software ____ that ____ signal reception ____?

Is ____ software ____ affecting ____ reception ____ models of phones?
 There ____ affecting the reception of signals ____ of phones.
 Are there software ____ affect ____ reception on ____?

Is ____ possible that ____ models ____ software ____ impacting signal ____?
 Did you find ____ glitches that could affect ____ for ____ device?
 Do ____ model ____ software ____ affecting ____?

Is there ____ which ____ affect ____ reception on ____?
 ____ problem with ____ smartphones ____ signal reception issues?

Are there ____ problems with the ____ phones?
 ____ know whether software ____ affect ____ on specific ____?

Do some of your ____ software ____ messes ____?

There are software ____ can affect ____ reception ____ certain ____ of ____.

Are ____ any phone ____ bad ____ due to software ____?
 ____ a ____ responsible for ____ reception on ____ phones?

There are software ____ on some phones.
 ____ may ____ a software ____ which affects ____ on some ____.

____ you ____ if there ____ flaws ____ software ____ affect ____ reception ____ some ____ devices?

____ your ____ software ____ mess with signals?
 ____ you ____ if there ____ documented software malfunction ____ affects ____ received ____ certain ____?
 ____ software ____ affect signal ____ on certain ____?
 Do certain ____ that affect signal reception?
 ____ find any ____ that could affect signal ____ for ____ models ____ device?
 Do you know if ____ are ____ in the ____ signal ____ models ____ phones?
 Is ____ reception ____ by ____ software malfunction on ____ of ____?
 Is ____ a ____ that affects signal ____ on ____ of ____?
 Is ____ affected by software ____ some ____ of mobile ____?
 Does a ____ malfunction ____ the ____ some phones?
 ____ signal reception impacted by identified ____ on ____?
 ____ you ____ software ____ signal strength on ____ versions of ____ phone?
 ____ software malfunction impacting signal ____ on certain ____ of ____?
 ____ there ____ documented software ____ that affects ____ received by ____?
 Is ____ software that can ____ problems ____ phones?
 Is there ____ software ____ that ____ on some ____?
 ____ there a software ____ signal reception ____ specific ____ of mobile ____?
 Do software bugs interfere ____ signal ____ certain ____?
 Do you know if ____ are ____ that ____ of specific ____?
 ____ malfunction ____ signal ____ on some ____?
 The signal ____ certain phones may ____ affected ____ software ____.
 There may ____ flaws that ____ signals on certain phones.
 ____ any software problems ____ up signal reception ____?
 ____ software malfunction that affects ____ on certain phones?
 Is there ____ software malfunction that ____ the signals ____?
 There ____ affecting ____ in some cellphone ____.
 ____ are software ____ that affect ____ on ____ mobile phones.
 ____ known ____ software affect reception ____?
 ____ the ____ software ____ in certain smartphone models?
 Is anyone having issues ____ software headaches ____ their ____?
 Is certain ____ affected ____ signal- ____?
 ____ there ____ glitch in the software ____ reception ____ mobile phones?
 ____ be software ____ impacting ____ reception on ____ phones.
 There ____ software issues ____ reception on some ____.
 ____ you ____ if ____ are ____ documented software ____ signals ____ by select phones?
 ____ software ____ that ____ reception of ____ certain models of phones.
 Is there ____ software ____ causes ____ in some ____?
 ____ have known ____ signals.
 Is there ____ due to ____?
 ____ in few handsets ____ by the report of ____.
 ____ you find any ____ signal reception for certain models of ____?
 Is ____ software ____ affects signal reception ____ smartphones?
 Is ____ smartphones affected ____?
 Is ____ a flaw ____ the ____ of ____ certain ____ smartphones?
 ____ could ____ software issues ____ on some phones.
 Is there a problem with some of ____?
 Do you know ____ software ____ signal ____ on certain ____ mobile ____?
 Is ____ true that ____ issues ____ strength on specific versions ____?
 ____ there ____ bugs that ____ signal reception ____ specific phone ____?
 Is there ____ glitch ____ causes the ____ on ____ models of ____?

_____ models might _____ affected by _____.

Do some _____ models have _____ that _____ signal _____?

_____ issues _____ reception on certain phones?

_____ there software flaws _____ affect _____ reception _____?

Is there any software bugs _____ signal _____ phone _____?

_____ reception _____ models of phones affected by _____?

_____ there a _____ affects signal reception on _____ models _____?

_____ discover _____ that _____ affect _____ reception _____ specific models of the mobile _____?

Is there a _____ affecting _____ in _____?

_____ you find any software _____ that _____ signal reception _____ the mobile _____?

Do _____ know _____ flaws in _____ software _____ affect the _____ mobile phones?

_____ model smartphones have _____ flaws _____?

Some _____ have software _____ reception.

Is _____ software malfunction _____ can _____ the signals _____ by _____ smartphones?

Some cellphone _____ defects that _____ reception.

_____ are _____ affecting the _____ of _____ certain models of _____

_____ smartphone models _____ from software _____?

_____ you _____ if _____ is a software _____ affecting _____ certain models _____ phones?

_____ a documented _____ malfunction that _____ signals received _____ of the _____?

_____ you know if there are _____ affect _____ reception _____ models _____ mobile _____.

_____ you _____ if there _____ flaws _____ affect signal _____ models of _____ phones?

Do you know _____ software _____ reception _____ certain _____ devices?

_____ smartphones had _____ buggy _____ due _____ the _____.

Is _____ glitch _____ causes reception issues _____ some models _____?

There _____ any _____ flaws that _____ selected _____ signals?

_____ smartphone _____ have _____ issues that affect signal _____?

_____ there _____ in _____ that affects _____ signal reception of _____ phones?

Are there any _____ problems _____ the signal _____?

Is _____ a software malfunction _____ signal reception _____ models _____?

Do you _____ software flaws affect signal _____ some _____?

Is a software _____ affecting _____ phones?

Is _____ signals on certain _____ of _____ affected _____ in the _____?

Do _____ know what bugs _____ signal _____ in _____ phones?

_____ there a _____ certain phone models due to _____?

_____ any _____ glitch that could affect signal _____ for specific _____ the _____?

_____ anyone _____ that affect _____ on certain phones?

Is _____ affect _____ reception on _____ of mobile phones?

_____ there any software glitch messing _____ the _____?

Do _____ of any _____ that disrupt signal reception _____?

_____ your phones have _____ software bugs _____ mess _____?

_____ any software _____ impacting signal _____ smartphone models?

Is there a glitch _____ software that causes _____ reception _____?

_____ reception _____ some cellphone models is _____ defects

There may be _____ malfunction _____ may affect _____ certainSmartphones.

Are there _____ that has an impact on _____ select phones?

_____ you know of software _____ that affect signal _____?

_____ there _____ problem that _____ of certain phones?

_____ there software flaws _____ the reception _____ signals _____?

Is there any _____ reception on these _____?

Do _____ if _____ are documented software _____ that _____ the signals _____ phones?

_____ flaws that _____ smartphones?

_____ flaws in the software that _____ signal _____ on specific smartphones?

Is a _____ malfunction _____ signal _____ on _____ smartphone _____?

_____ software flaws _____ may affect the _____ of signals _____ smartphones.

Do some _____ have _____ defects _____ reception disturbances?

How many smartphone's _____ by _____ known software _____

_____ the signal reception _____ a _____ some phones?

_____ software glitch _____ cause signal _____ on _____ mobile _____.

_____ software malfunction that _____ the _____ received by _____ phones.

_____ are software _____ affect the reception of _____ smartphones.

There are _____ flaws _____ the reception of signals _____.

_____ the _____ strength impacted by the _____?

Is signal _____ certain smartphones _____ by _____ software _____?

_____ the software flaws _____ identified _____ specific _____ smartphones?

Phone _____ some models has been _____ bugs.

Signals _____ are disrupted _____ known faults.

Do you _____ there _____ issues that affect _____ on certain _____?

Is _____ software _____ affecting _____ reception _____ signals on _____ phones?

Is _____ a software _____ the reception _____ some phones?

Is _____ malfunction which may affect signal _____ models _____?

Do you _____ of reports of _____ signal _____ smartphones?

Is _____ software _____ affecting _____ some phones?

_____ software _____ that causes some mobile _____ to not _____?

_____ smartphones _____ software flaws _____ issues?

_____ a _____ causes _____ reception _____ some models of smartphones?

Is there _____ software _____ that causes reception _____?
