

[Demo] NLP Dataset for Customer Service Automation

Company Type	Auto Repair and Maintenance Shops
Inquiry Category	Problems with the alternator
Inquiry Sub-Category	Alternator not charging battery
Description	Customers may inquire about the alternator failing to charge the battery, causing the vehicle to experience power loss or difficulty starting. The shop will diagnose and repair any faults in the alternator or related components to restore proper charging functionality.
Data Size	5,082 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Auto Repair and Maintenance Shop" customer inquiry. (Purchased data will not be masked.)

_____ you fix my vehicle's _____ system _____ caused by a _____ generator _____ alternator, _____ proper _____ charging?

_____ wondering _____ you _____ an issue with _____ car's charging _____ caused _____ a faulty _____ battery _____ is _____ the faulty _____.

_____ my _____ ability to charge properly _____ by _____ of _____?

_____ ability _____ charge _____ hampered by an incompetent alternator.

My car's ability _____ charge _____ may _____ an incompetent _____.

_____ generator gadget is _____ a _____ to not _____.

I _____ your help fixing _____ vehicle's charging _____ because _____ a _____ component _____ proper _____ charging.

_____ won't charge, and _____ alternator isn't working.

_____ you help _____ the charging _____ vehicle caused by the _____ that _____ juicing up the battery

The vehicle _____ because _____ a _____ generator gadget.

Is the charging _____ by _____?

Is there a _____ to _____ problem _____ by a faulty _____.

_____ an _____ with my _____ alternator and it _____ negatively _____ its _____ system _____ life.

I _____ problem _____ my _____ battery not getting _____ because _____ a _____ up thing called an _____.

_____ the _____ fault called an _____ defect when my _____?

My _____ battery isn't _____ an _____ with _____ alternator.

_____ vehicle's _____ charging due _____ a faulty alternator.

_____ have _____ ride's battery not _____ charged because of a messed-up _____ alternator.

I'm _____ if _____ can _____ an _____ with my _____ system _____ to _____ alternator.

I have a problem _____ my _____ alternator _____ malfunctioning.

The _____ charge _____ by _____ alternator.

_____ a problem with _____ my car _____ to a _____ alternator.

_____ system _____ of the alternator?

_____ about _____ my _____ charging _____ malfunction caused by _____ faulty _____?

_____ possible _____ the charging system _____ caused by a _____ unit?

_____ alternator needs to _____ to restore _____.

part in vehicle .

There problem my charging caused by a .

"Hey, sort mess in my caused by that part? "

you help me my faulty generator which interfering ?

there a way the flawed ruins capabilities?

battery alternator isn't working.

you guys can help me my charging because of rebel of named .

fix electrical caused by a faulty ?

is because of a broken device.

alternator be repaired restore charge.

Is charging system alternator?

it to vehicle's electrical issue from alternator.

The charging of my malfunctioning a component called the .

vehicle's system and battery are impacted due issue the .

you think you tackle my dead with alternator ?

Is there that you my system problem by a faulty alternator ?

Can you help with issues a faulty ?

Is a way fix charging system faulty unit.

Will this auto be able faulty ?

What can you my vehicle's issue caused faulty ?

it this can the faulty alternator?

Is it possible charging system of generator unit?

am if can fix my faulty .

to correct my car's problem caused by alternator?

There's problem my ride's getting charged, because messed-up thing alternator

Is there for my system malfunction caused faulty ?

generator gadget the alternator is .

A makes not charging.

Hey, you out the charging my by lousy generator part ain't the ?

I have a that preventing juicing up.

My charging and seem be negatively by my vehicle's alternator.

Can you help battery in my of a ?

Can with the faulty is affecting the battery ?

a fault that affects battery charge.

to fix charging system that's got the generator?

Can with battery by faulty alternator?

Would able to fix charging system of generating ?

Can repair the ?

you help my car's generator making it to battery?

A is the of car's charging .

The to repaired here.

isn't charging because bad.

There seems to be with my impacting its charging

My vehicle's system are by issue its alternator.

can help me find to charging in my vehicle the bad generator isn't

this to fix malfunctioning alternator?

is damaged and needs .

can you sort out the charging mess by that alternator/ ain't up
