

[Demo] NLP Dataset for Customer Service Automation

Company Type	Auto Repair and Maintenance Shops
Inquiry Category	Clutch slipping in manual transmission cars
Inquiry Sub-Category	Clutch pedal issues
Description	Inquiries focused on clutch pedal problems, such as a stuck or sinking clutch pedal, lack of resistance or free play, and potential causes like clutch master or slave cylinder failure, air in the hydraulic system, or clutch cable issues.
Data Size	5,025 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Auto Repair and Maintenance Shop" customer inquiry. (Purchased data will not be masked.)

____ of resistance ____ the ____ pedal, ____ might be the ____ ____ ?

What's ____ with the ____ offering ____ resistance?

Why ____ the ____ response ____ the ____ ____ ?

____ weak clutch pedal response?

I ____ clutch has ____ tension or ____.

____ is wrong when the clutch ____ ____ resistance?

____ resistance; how?

If ____ experiencing little ____ push-back ____ my clutch pedal, ____ identify ____ ?

____ pedal might ____ a symptom.

Is it ____ is causing ____ or reduced resistance ____ my ____ ____ ?

____ pedal isn't ____ resistance.

____ pedal lacks the ____ of ____

____ is the ____ clutchpedal resistance?

____ think the ____ pedal ____ pushing back?

____ is ____ this issue ____ clutch ____ ?

____ amExperiencing ____ no push-back in ____ pedal.

____ may ____ lack ____ in the ____ pedal.

____ you know why my ____ ____ much ____ ?

____ don't you ____ the ____ ?

The ____ is not ____ back, ____ causing this?

My clutch ____ have ____.

What ____ resistance ____ clutch ____ ?

There's not enough ____ on ____.

No ____ resistance; ____ is ____ reason?

____ hasn't ____ enough resistance.

____ could be the reason ____ ____ pedal?

____ clutch, what ____ the problem?

____ any reason why ____ does ____ have ____ tension?

Will I be _____ to determine what is _____ or _____ my _____?

Any idea _____ clutch doesn't have _____ or _____?

_____ cause _____ clutch _____ lacks resistance.

Why no _____ the _____?

Is a low _____ indicative _____ an _____?

_____ a weak response _____ the _____.

Any _____ lack of reaction from _____ pedal?

_____ why the _____?

The _____ wasn't _____.

What's _____ reason _____ pressure _____ clutch?

The cause _____ pedal _____ having _____?

_____ causes _____ absence _____ resistance in my _____?

The _____ of _____ resistance?

What might be going _____ of _____ in _____ pedal?

What _____ problem with no _____?

_____ push-back in my clutch _____ could you _____ about _____ problems?

_____ resistance; who knows _____?

_____ I think about the clutch _____ back?

 ____ idea why my ____ has ____?
 The clutch pedals are ____.
 ____ clutch pedal ____ what's ____?
 It's insufficient clutch ____ the ____?
 What ____ you ____ the ____ pedal ____ back?
 ____ clutch that is ____ responsive.
 Is ____ of response from the ____?
 The ____ providing ____ the pedal.
 ____ enough ____ offered by the Clutch ____.
 ____ little to ____ push-back in my clutch ____.
 ____ could be ____ on, ____ the lack of resistance ____?
 The cause of ____ resistance?
 Might be ____ weak ____?
 Why ____ resistance is ____ pedal?
 ____ I'm experiencing ____ no ____ my ____ pedal, ____ you identify any ____ problems?
 Why did ____ be ____ resistance ____ the ____?
 Is ____ wrong ____ clutch pedal ____ pushing back?
 ____ didn't the ____ hold ____?
 ____ clutch pedal hold ____?
 ____ insufficient ____ pedal ____ the problem?

Why _____ clutch pedal.

_____ wonder _____ doesn't have any tension or _____.

Why _____ the _____ pedal _____?

Failing objection _____ clutch; _____ noted?

_____ clutch pedal, _____ is _____?

_____ issues _____ from _____ inadequate objection _____ the _____?

_____ I _____ what is _____ in my clutch _____?

_____ had _____ resistance on _____ pedal.

_____ there _____ pushback _____ the clutch _____?

The cause _____ not _____ resistance?

_____ pedal lacks resistance.

What _____ be _____ clutch pedal _____?

_____ why there isn't clutch _____?

What _____ happen _____ clutch _____ respond?

_____ on clutch _____

How _____ there be no _____?

_____ don't know _____ is tensionless.

Why is _____ not offering any _____ pedal?

A lack of _____ the _____?

_____ weak clutch pedal _____ a _____.

_____ does _____ clutch _____ not _____ resistance?

_____ to _____ of _____ from clutch pedal?

The clutch _____ not _____.

_____ pedal _____ not have _____.

_____ on _____ clutch, what's the _____?

_____ isn't providing _____ resistance.

_____ I'm _____ little _____ push-back _____ my _____ you could _____ potential problems.

What's wrong _____ the clutch pedal _____?

What might be _____ up _____?

_____ having _____ to no _____ in my _____ pedal, _____ you _____ issues?

_____ the _____ pedal not _____?

_____ not have _____ clutch pedal.

_____ is causing _____ low or absent _____ the _____?

_____ to _____ clutch pedal response?

_____ the clutch pedal _____?

Weak _____ a _____ diagnosis?

What _____ causing _____ clutch?

_____ is _____ on _____ the _____ in the clutch pedal?

What _____ be _____ of a _____ clutch _____?

_____ is _____ the _____ not pushing back?

_____ the cause of _____ no _____ in _____ pedal?

Whatcha think _____ pedal _____?

_____ you tell _____ why _____ is not _____ me _____ pressure?

A _____ clutch _____ might _____ causing _____.

_____ couldn't _____ be resistance _____ pedal?

There _____ non responsive clutch _____ that does not _____ resistance.

_____ pushback in _____ clutch.

What could be _____ problem _____ the _____ not _____?

_____ can explain a _____ clutch _____?

_____ the _____ pedal, what's wrong?

No ____ pedal ____ wrong?

It's ____ pedal ____

____ is causing ____ clutch ____?

____ no ____ from the clutch ____?

Is ____ pedal doesn't push back?

____ idea ____ the clutch pedal ____?

____ clutch ____ resistance, ____ idea ____?

Is a clutch ____ not ____?

Is ____ clutch pedal ____ giving ____?

What's ____ problem ____ insufficient ____ resistance?

____ if the ____ isn't ____ back?

The lack of ____ the ____ may ____ the ____.

____ cause is a ____ lacks ____.

What ____ the reason ____ pedal?

____ is ____ a weak response in ____?

____ clutch doesn't ____ resistance ____ the ____.

What ____ the Clutch pedal ____ pushing back.

____ weak ____ pedal might ____ reason.

The ____ of response ____ the ____ pedal could ____.

____ wrong ____ clutch pedal not ____?

I ____ why ____ weak ____?

____ wonder why ____ clutch ____ so ____.

The clutch ____ no ____.

____ cause of the clutch ____ resistance?

____ little to ____ push-back ____ clutch ____

____ push-back ____ my clutch ____ could you ____ potential problems?

There ____ no ____ resistance.

There isn't any response ____ from ____.

____ there ____ in the clutch pedal indicative ____?

____ clutch ____ resistance on the pedal?

____ was no reaction on ____.

____ know ____ my ____ has no tension or ____.

____ push-back in my ____ pedal.

____ clutch is not offering ____ resistance ____.

____ could be ____ reason that the clutch ____?

____ issues ____ noted from ____ from ____ clutch?

____ causing the ____ pedal response.

What ____ this be, ____ the ____ of resistance in ____?

____ feel very limp?

There is no ____ my ____.

____ clutch limp?

What ____ clutch ____ resistance?

What ____ you think is ____ the ____ pedal ____ back?

____ clutch pedal weak?

____ lack ____ resistance ____ the clutch pedal ____ this.

____ was ____ clutch ____ so ____?

____ could ____ reason for ____ non responsive ____ pedal?

Can ____ lack of resistance ____ the clutch pedal ____ sign ____?

____ reaction from the ____?

____ isn't offering ____ on the ____.

_____ is _____ loss _____ the clutch _____?

Problem with no _____?

_____ clutch pedal _____ resist?

Why _____ clutch pedal _____?

_____ reason _____ the weak _____?

I don't know _____ loss or reduced _____ clutch _____.

_____ the reason why the _____ pedal _____ respond?

A _____ be caused _____ something.

What's the _____ theclutch _____?

_____ having little to _____ push _____ in _____ clutch _____ any potential problems?

Whats _____ problem _____ clutch pedal _____?

_____ resistance _____ the _____ pedal; _____?

Is there _____ in _____ pedal?

_____ noted from the inadequate _____ from _____ clutch?

There was _____ resistance in _____.

Why isn't _____ resistance on the _____?

What is _____ with _____ pedal _____ giving _____ resistance?

If I _____ have any _____ pedal, could you tell me _____?

Is _____ a _____ with _____ pushback?

I _____ no _____ in _____ clutch _____.

The _____ may be _____ of _____ in the _____.

Why no resistance _____?

There is _____ resistance in _____!

_____ No _____ the clutch.

What _____ the _____ non-responsive clutch _____?

If I'm having little _____ push-back in my clutch _____ problems?

_____ of _____ from the _____ pedal?

What is the cause _____ not being _____ clutch _____?

Problem with insufficient _____.

The _____ be a _____ of _____ the _____ pedal

_____ in the clutch pedal is _____ problem.

There's insufficient _____.

Any idea _____ to _____ clutch pedal resistance?

_____ for the soft clutch?

The _____ a _____ amount of _____.

_____ come _____ feels so _____?

Is there a _____ weak _____?

_____ of the _____ pedal _____ powerless?

If I'm having little _____ could you _____ me about _____ issues?

_____ I _____ to determine what is _____ or _____ my clutch _____?

Poor _____ from _____ issues noted?

_____ weak in this case?

_____ no resistance _____ the _____ pedals.

_____ offering any resistance _____ the _____ what could _____ wrong?

_____ is nothing resistance _____ clutch _____.

There _____ lack _____ from _____ pedal.

_____ doesn't _____ clutch _____ resistance?

What _____ be _____ a _____ pedal _____?

_____ lack of _____ from the _____ pedal _____ troublesome.

Why _____ resistance in _____?

_____ a _____ of reaction from _____?

It _____ is _____ of resistance in _____ clutch pedal.

_____ be _____ problem _____ the clutch not _____ resistance on _____ pedal?

Why ____ Clutch ____ ?
____ inadequate objection from the ____ ?
____ be preventing ____ in the ____ ?
____ not ____ a push-back ____ pedal.
The lack ____ the clutch pedal could ____ .
____ clutch ____ weak?
What ____ causing ____ weak ____ pedal.
No ____ pedal ____ how ____ ?
____ having little to no ____ pedal, could ____ me about ____ problems?
What might be ____ the clutch pedal?
Why ____ the ____ pedal ____ ?
____ may be ____ resistance ____ the clutch pedal?
____ to ____ in the clutch ____ ?
____ why ____ doesn't have any tension.
____ does ____ clutch have no ____ ?
____ of resistance ____ clutch pedal may ____ is happening ____ .
____ is insufficient clutch ____ .
Why ____ much ____ on the ____ ?
What ____ of ____ non-response clutch pedal?
____ loss ____ reduced ____ my clutch pedal?
There is ____ resistance ____ clutch ____ what ____ going on ____ ?
____ a ____ pedal?
____ resistance ____ the clutch ____ .
____ clutch pedal ____ ?
There ____ weak ____ pedal response.
____ do ____ that ____ clutch pedal ____ not ____ back?
Can ____ tell ____ clutch ____ feeling pressure?
No clutch ____ resistance, ____ reason?
____ no kickback when I step ____ ?
____ was ____ weak clutch.
____ there a reason for a ____ of ____ clutch ____ ?
What ____ is ____ resistance in the ____ pedal?
____ resistance in ____ clutch ____ why?
____ of resistance ____ clutch pedal ____ be the ____ .
Any idea why ____ pedal resistance?
What's ____ issue ____ clutch pedal?
What ____ the ____ the usual ____ of resistance?
The ____ of reaction from ____ .
A weak ____ be caused by ____ .
What ____ a ____ non-responsive?
No ____ for ____ pedal!
The ____ isn't ____ pushback ____ the ____ .
____ could ____ causing ____ lack ____ in ____ clutch pedal?
____ be ____ causing a weak ____ .
Why ____ the clutch ____ ?
I wonder ____ is a ____ resistance ____ the ____ pedal.
What could be ____ case ____ a ____ ?
____ clutch ____ offering ____ resistance ____ the ____
What's the ____ pedal ____ giving enough resistance?
____ weak ____ pedal ____ do with it.

If ____ having ____ no push-back in my ____ me about ____ problems?

____ the ____ for ____ absent pressure on the clutch?

____ clutch ____ not pushing back.

____ resistance for the ____.

What ____ cause ____ trouble ____ clutch?

____ resistance in the clutch pedal ____ of ____ specific ____

____ Clutch pedal lack ____?

Why was ____ no ____ in ____?

There ____ no response ____.

____ wasn't ____ in the ____?

____ weak clutch pedal ____.

Why the ____ is ____?

Lack ____ resistance in the ____ is ____ the ____.

What ____ account ____ the ____ clutch ____?

The ____ does ____ have any ____ pedal.

____ is the ____ or ____ pressure ____ the clutch?

____ causing ____ Clutch ____ easily ____ without resistance?

____ clutch ____ is ____ providing resistance?

____ you ____ why my clutch doesn't have ____ lot ____?

____ is causing a weak ____.

The ____ pushback ____ the pedal.

____ clutch pedal ____ anyone ____?

____ is ____ problem ____ pedal?

____ clutch pedal ____ not present?

I don't ____ why my ____ have ____ tension ____.

____ the ____ have a weak ____?

____ clutch ____ that was non-responsive?

____ about ____ clutch pedal?

What ____ problem with no ____ on ____ pedal.

____ no resistance on ____ clutch ____?

____ clutch has ____ force, ____ be the ____?

Something is ____ weak ____ response.

____ clutch ____ does ____ have the usual ____ of ____.

Could ____ clutch pedal ____ diagnosis?

____ a ____ pedal?

____ wasn't ____ reaction ____ pedal.

Why ____ resistance ____ the clutch ____?

The clutch ____ giving ____ pedal ____.

The ____ wasn't ____.

The ____ seems ____ be ____ pedal ____.

What ____ the problem with ____ resistance in ____ clutch ____?

____ is ____ pedal ____ any resistance?

____ the problem ____ lack of clutch pedal ____?

If I ____ experiencing ____ to no ____ pedal, ____ tell me about potential ____?

____ reaction from ____ pedal!

____ I ____ what is ____ loss and ____ in ____ clutch pedal?

A ____ pedal ____ caused by ____.

Why no ____ pedal?

If ____ experiencing ____ to ____ push-back in my ____ you ____ about potential ____?

____ like ____ know ____ causing loss ____ in my clutch pedal.

The ____ pedal may not ____ resistant ____ a ____.

____ the clutch ____ weak?

____ causing ____ weak clutch ____ response?

____ was not a ____ from ____.

What ____ about ____ or absent ____ the ____?

____ problem could ____ the lack of ____ clutch ____.

What is ____ of low ____ the clutch?

What ____ causing resistance ____ pedal ____ be absent?

____ the clutch pedal?

There is no ____.

What ____ the ____ insufficient ____ pedal ____

____ is ____ the ____ pedal ____ giving enough resistance?

Poor objection from ____ clutch; ____?

The problem ____ be Lack ____ in ____ clutch ____.

What ____ the cause ____ the non responsive ____?

Why ____ clutch ____ responsive?

____ weak ____ is caused ____ something.

The clutch ____ doesn't ____?

Why did ____ clutch pedal ____?

No resistance for ____.

____ pedal not offer ____ resistance?

____ be ____ explanation for a ____ pedal?

Does ____ in the clutch ____ tell you ____?

____ might the problem ____ with ____ resistance ____ clutch pedal?

____ you ____ me ____ lacks pressure?

____ having little to no ____ my ____ identify potential problems?

There ____ reaction from ____ clutch ____.

____ was a ____ of a ____ from ____ clutch ____.

Weak clutch ____ causes ____?

Why ____ on ____ clutches ____?

Is ____ a ____ with ____ clutch ____?

The ____ any resistance, why?

____ pedal resistance; ____ reason?

What ____ wrong ____ pedal not offering enough ____?

____ from ____ lack of reaction ____ the ____ pedal?

What ____ for ____ pressure on ____ clutch?

____ are ____ saying ____ clutch pedal ____ pushing back?

____ the ____ with lacking resistance in the ____?

____ no resistance ____ pedal?

____ determine ____ is ____ my ____ pedal to ____ strength?

____ clutch ____ lack resistance?

There is a ____ pedal ____ have ____ usual ____ of ____.

If I'm getting ____ to no ____ in my ____ you ____?

____ wrong that ____ clutch ____ off?

A weak ____ response ____ related ____ something.

____ of resistance ____ is indicative of an issue.

No ____ clutch.

There is ____ clutch ____ does ____ have enough ____.

Problem of ____ pushback ____?

____ the lack ____ resistance ____ the clutch pedal ____ sign ____?

_____ problem is probably Lack _____ the _____ pedal.

_____ resistance in the _____ to be the _____.

_____ resistance in _____ may be the _____ here.

_____ might be _____ weak _____ response?

What could possibly _____ non-responsive _____?

_____ a weak _____ pedal _____ it?

What's the _____ of pressure?

_____ know why _____ is soft?

_____ why _____ clutch _____ weak.

There _____ no _____ in clutch.

Why no _____ after _____ weak _____?

I don't know _____ clutch _____ no tension _____.

Is the lack _____ in my _____ a _____?

_____ what _____ or reduced resistance in my _____ pedal?

_____ clutch pedal _____.

Could _____ clutch _____?

What _____ wrong _____ no _____ on _____?

_____ lack _____ in the _____ may be _____ problem.

Why _____ the _____ bad?

_____ is going _____ here, with no _____ in _____?

Insufficiently _____ the _____?

_____ needed _____ regards to _____ clutch _____?

If _____ little to no push-back in _____ clutch, _____ you _____?

The clutch _____ not _____.

_____ is _____ clutch _____ and not offering _____?

_____ an inadequate objection _____ the clutch?

The clutch pedal _____ any _____.

A weak _____ is what might _____ causing _____.

_____ pedal possible _____?

If _____ little _____ push-back _____ my clutch pedal, _____ identify potential _____.

_____ little _____ push-back in _____ clutch pedal, _____ you identify issues?

The _____ in the clutch pedal.

I don't _____ why _____ clutch _____ any _____.

_____ seems to be no _____ in _____.

_____ my clutch does not _____ tension or _____?

_____ when I step on the clutch?

What _____ the problem _____ of resistance in _____ clutch _____?

If _____ no push-back _____ my _____ pedal, can _____ identify potential _____?

_____ clutches pedal is _____ resistance.

_____ you _____ me _____ clutch is _____?

What's _____ no clutch _____ pushback?

Is there _____ the clutch?

What's the _____ of _____ absent pressure _____ the _____?

There _____ of reaction _____ pedal.

_____ the weak Clutch pedal?

What is going on _____ the clutch _____?

What _____ the _____ resistance in the clutch _____?

_____ why _____ no clutch pressure?

_____ offering any resistance on the _____ what _____ be _____?

I don't _____ why _____ clutch has _____.

Why _____ the _____ pedal _____ and _____?

There _____ of no _____ the clutch.

_____ might the reason be for _____ lack _____ pedal?

_____ a reason for the weak _____ response.

_____ of _____ clutch pedal

What could _____ a _____ pedal that _____ not _____?

_____ might be _____ lack _____ resistance in _____ clutch _____.

Any idea why my clutch _____ while _____ it?

_____ resistance; what is the _____?

_____ lack _____ in the clutch _____?

Why weren't there resistance _____?

What _____ the _____ clutch pedal _____?

Can I _____ cause of _____ or _____ resistance _____ clutch _____?

_____ was no _____ from _____.

_____ reason _____ clutch _____ is unknown.

_____ wasn't _____ the clutch _____.

There _____ response _____ the _____ pedals.

_____ there a cause _____ pedal response?

What may be _____ on _____ the _____ of resistance _____ the _____?

I _____ no _____ my clutch.

_____ I'm having little to no _____ in _____ clutch _____ there _____?

_____ a _____ clutch pedal?

_____ no resistance _____ the _____ pedal.

_____ no resistance _____ the _____ pedal _____?

Any _____ the lack _____ reaction from _____ clutch _____?

Weak _____ pedal could _____ of a _____.

_____ are _____ issues _____ insufficient _____ resistance?

Is _____ lack _____ in the clutch pedal _____?

_____ on the clutchpedal.

_____ clutch _____ resistance, _____ know why.

What _____ be _____ clutch _____ offering any pushback?

_____ clutch _____ offer any pushback _____ the _____.

What _____ causing _____ the clutches _____?

There has been _____ from _____.

_____ not gripping?

_____ wasn't any pushback _____.

_____ idea why _____ clutch has _____ in _____?

Any idea as _____ clutch _____ not resistance?

What _____ be _____ cause _____ clutch pedal _____ is _____ responsive?

_____ objections _____ clutch?

_____ the reasons for _____ of resistance _____ my clutch _____?

_____ could the clutch _____?

_____ is the _____ pedal _____ providing _____?

How could the _____ be _____?

_____ is not _____ from _____ clutch _____.

_____ problem _____ with no _____ pressure?

_____ might _____ Lack of _____ in the _____ pedal

If _____ to _____ my _____ pedal, _____ you _____ me if there's a problem?

_____ response _____ clutch.

Something might _____ weak clutch _____.

What is _____ for _____ non responsive _____?

_____ might _____ in _____ clutch pedal.

Weak _____ pedal is _____?

What is the _____ about _____?

there _____ resistance in _____ clutch _____.

_____ no _____ the _____ pedal indicative of an _____?
