There is a _____ as _____ whether faulty _____ capable of spontaneously _____.

_____ sensor _____ cause the vehicle's airbags to deploy?

_____ if _____ faulty _____ to _____ for _____ unexpected deployment of the air _____ in my _____.

_____ wonder _____ malfunctioning _____ is responsible for _____ inflation _____ my car's _____ bag?

_____ need to know _____ there _____ signs _____ faulty sensor causing _____ quick _____.

_____ if a _____ sensor is _____ for _____ unexpected air bag _____.

_____ it was _____ that caused the sudden deployment of _____ air _____.

Did _____ faulty sensor _____ the _____ to deploy _____?

_____ to know _____ a malfunctioning _____ led _____ of my vehicle's airbags.

_____ abrupt inflation of my _____ airbags _____ have been caused _____.

_____ was _____ if the _____ my vehicle's _____ the _____ of misfiring sensors.

_____ faulty sensor that caused _____ bag to _____ off.

I wonder _____ possible _____ imperfect sensor _____ the release _____ my car's _____.

Possible: _____ sensor _____ my _____.

_____ wondering _____ a _____ sensor _____ the airbags to deploy _____.

I want _____ if a bad _____ caused my _____.

_____ a _____ sensor that _____ airbags deploy?

_____ my vehicle's _____ bag deploy _____ a faulty _____?

Did the sensor _____ my car's air _____ up?

_____ my vehicle's _____ have deployed due _____ faulty _____?

Can a malfunctioning sensor be blamed _____?

Did the messed up _____ my _____ airbags _____?

Did a _____ sensor cause _____ bags _____ abruptly?

_____ is a _____ that a _____ sensor _____ the deployment _____ air _____.

_____ it possible _____ sensor _____ the car's airbags _____ off?

A _____ might _____ been _____ blame for the sudden activation _____.

_____ there a _____ the _____ cause the vehicle's airbags to _____?

Did the _____ that _____ airbags _____ deploy suddenly?

_____ wonder if _____ sensor could _____ to go off.

_____ equipment _____ accidental release _____ my _____ safety bags.

Is it possible _____ could cause the _____ of the _____?

I _____ if it's _____ to _____ defect _____ sensor of my _____.

_____ there _____ a broken sensor _____ my _____ deployment?

Is it _____ that a _____ sensor caused _____ air _____?

Is it due _____ a _____ that my _____ unexpectedly?

My _____ bag inflation may _____ been _____ by _____ malfunctioning _____.

Is it possible _____ caused _____ sudden deployment of my _____ airbags?

_____ have _____ to the deployment of _____ vehicle's _____.

_____ it possible that _____ my car's _____ is _____ to _____ sensors?

Is _____ the _____ the _____ to a damaged sensor?

Is a faulty _____ of _____ sudden _____ the air _____?

Is it _____ sensors are _____ for the _____ of my _____?

_____ could be the _____ the sudden activation _____ the _____ bag.

There _____ possibility that _____ broken sensor and the deployment _____ car's _____.

Did the _____ cause my _____ airbags _____ off?

There is _____ question _____ to whether _____ sensor _____ lead _____ a _____ deployment.

Is my vehicle's sudden _____ malfunctioning sensors?

I wonder _____ faulty sensor caused _____ airbags _____ warning.

Is _____ that _____ deployment of _____ bag was _____ to _____ damaged _____.

_____ a possibility _____ a malfunctioning _____ caused _____ sudden deployment _____ vehicle's _____ bags?

_____ we _____ the possibility of _____ release of _____ safety bags?

_____ may _____ a _____ a broken _____ and the _____ of _____ air bag.

Is _____ possible _____ faulty sensors can _____ deploy _____?

Is _____ that the _____ caused _____ bag to deploy quickly?

I _____ to _____ sudden activation _____ my _____ was due to _____ sensors.

_____ wondered if _____ bad _____ my airbag _____.

Is _____ sensor's fault that _____ bag _____ in _____ flash?

Is _____ a _____ my car's _____ bag _____ due _____ sensor?

There _____ a question _____ sensor _____ sudden deployment of an _____ bag.

_____ of my car's airbags may have been _____ by _____

_____ the sensor messed up _____ car's _____ bag explode.

Could _____ failed _____ for the sudden activation _____ the _____?

_____ a _____ whether an malfunctioning _____ could cause _____ sudden airbag _____.

There _____ a possible link between a _____ sensor and the _____.

_____ to know _____ an _____ sensor triggered _____ swift release _____ car's _____.

_____ wonder if _____ vehicle's _____ deployed _____ a malfunctioning _____.

_____ wonder if a _____ sensor _____ for _____ activation of my _____ airbags.

_____ link between a _____ deployment _____ the car's air bags?

I wonder _____ the deployment of _____ because _____ misfiring _____.

It is _____ that faulty equipment caused _____ release _____ my _____.

_____ that _____ malfunction of the _____ airbags to deploy?

_____ blame _____ the sudden inflation of my _____ bags.

_____ is a chance that _____ cause the _____ deployment _____ bags.

_____ it possible that the _____ deploy _____ vehicle's _____?

_____ is _____ possibility _____ an malfunctioning _____ cause _____ deployment of an air _____.

Is _____ chance that the _____ have been _____ due to _____ sensor?

Is it possible _____ bag _____ was due _____ malfunctioning _____?

I wonder _____ a sensor glitch _____ cause _____ deploy.

There is a _____ that _____ broken _____ the deployment of _____ car's _____.

There _____ a _____ could have _____ activation of the airbags.

____ you tell ____ if a malfunctioning sensor caused my ____?
 ____ if a faulty ____ is ____ for ____ of the air bag.
 ____ a ____ to blame ____ unexpected triggering of ____ car's ____ bag?
 ____ is a ____ sensor defect may cause ____ of the air ____.
 ____ could be a ____ fault ____ causes the sudden ____ of ____.
 ____ my ____ deployed ____ a malfunctioning sensor?
 The airbags ____ have deployed abruptly ____ sensor.
 ____ broken sensor cause ____ to ____ off?
 ____ there a ____ of ____ sensor ____ the ____ of my ____ air bag?
 Can a damaged ____ sudden deployment of ____ car's air ____?
 I wonder if a ____ sensor ____ to blame ____ of my ____.
 Can I say the deployment ____ the ____ bag was ____?
 I ____ is to blame ____ the unexpected deployment of ____ air ____.
