

[Demo] NLP Dataset for Customer Service Automation

Company Type	Natural Gas Companies
Inquiry Category	Gas smell investigation assistance
Inquiry Sub-Category	Gas Leak Detection Equipment
Description	Information and support for customers interested in gas leak detection equipment, including recommendations for reliable products and guidance on proper usage and maintenance for enhanced safety at home or in commercial settings.
Data Size	5,034 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Natural Gas Company" customer inquiry. (Purchased data will not be masked.)

____ long ____ typical ____ devices last ____ replacement batteries?

How ____ in ____ leak detector devices ____ replaced?

____ long does it ____ a standard ____ detector's ____?

How ____ the batteries in a ____ device?

____ gas ____ detector ____ can be ____ by ____ can they last?

____ long before we need ____ replace ____ in ____ detection ____?

What ____ life of ____ detector be?

____ devices powered ____ batteries ____ last ____ they ____ to be changed.

____ the ____ of ____ natural ____ leak ____?

What is the average ____ you need ____ portable natural ____ detector?

Will ____ batteries be replaced after ____ natural-gas ____?

The ____ lifespan of ____ detection ____ is ____.

____ devices ____ by batteries.

____ the lifespan of replacement batteries for ____ detector unit?

What is ____ a battery ____ gas leak detector ____?

Natural-gas-leak ____ batteries, but how ____ can they last?

Natural-gas-leak-detector devices have ____ but ____ last before ____?

____ is ____ average ____ a battery operated ____ device?

How ____ will a gas ____ last?

What ____ average ____ of batteries used for ____ detectors?

How ____ in ____ gas ____ are changed?

____ long before you ____ batteries?

Will battery-operated ____ need ____ units?

____ before you ____ the batteries on ____ leak detection ____?

How ____ until you ____ to replace ____ batteries ____ portable natural-gas ____?

____ want to know ____ lifespan of replacement ____ detector.

Natural-gas-leak- ____ devices ____ powered by batteries ____ long ____ last?

Will battery ____ natural-gas ____ need ____?

____ long does a ____ detector last ____ batteries ____ ?
 I ____ know what ____ of replacement batteries is for ____ detector ____ .
 ____ battery life in ____ leak detector?
 ____ the ____ life ____ gas leak detector device?
 How ____ one should replace ____ in a ____ leak ____ device ____ .
 ____ long ____ detector batteries last?
 ____ devices are powered ____ batteries but ____ do ____ last?
 ____ devices ____ powered by batteries, ____ how long ____ before batteries?
 ____ gas leak-detection devices are ____ .
 ____ long ____ a natural-gas ____ detector ____ changing batteries?
 ____ is the lifespan ____ natural-gas-leak ____ they ____ new ____ ?
 ____ long do ____ gas ____ last?
 Can you ____ the ____ leakage sensors ____ need ____ power ____ ?
 ____ long does a natural-gas ____ last ____ to change ____ ?
 ____ long ____ batteries are ____ typical gas ____ alarms?
 ____ long before ____ have to change ____ devices?
 ____ long do ____ detector devices last?
 The ____ of ____ devices on ____ ?
 Does a battery-operated ____ require ____ ?
 ____ the battery ____ of ____ gas leak ____ like?
 ____ replacement ____ are required for ____ gas leak ____ devices?
 ____ of natural-gas-leak ____ on batteries.
 ____ long ____ detectors last before needing ____ batteries?
 ____ lifespan ____ natural-gas-leak- detection ____ batteries?
 ____ battery-powered gas ____ need new ____ ?
 ____ battery-operated ____ have a lifespan?
 ____ is the ____ batteries for ____ gas detectors?
 ____ of natural-gas ____ detecting devices ____ ?
 ____ gas leak ____ devices are powered ____ but ____ long ____ they ____ ?
 What ____ of ____ that ____ the natural-gas-leak detectors?
 Natural-gas-leak- detection ____ powered ____ batteries ____ used ____ before ____ to be changed.
 ____ replacing ____ be ____ long-term usage ____ natural-gas monitors?
 Natural gas leak ____ powered by ____ can ____ a long time ____ to be ____ .
 ____ before ____ change ____ batteries ____ the gas detector?
 ____ long do ____ before new batteries ____ needed?
 ____ the battery powered gas ____ last?
 ____ lifespan ____ gas ____ detectors is ____ .
 ____ before the batteries are ____ a standard ____ ?
 Natural-gas-leak-detection ____ by ____ be used ____ many ____ before needing to ____ .
 Until you ____ replace ____ a conventional portable ____ the average ____ ?
 ____ leak ____ with ____ lifespans?
 The batteries in ____ gas detector ____ need ____ .
 How ____ battery-powered ____ detectors last ____ batteries?
 ____ long ____ gas leak detector ____ its ____ ?
 How ____ for gas leak ____ devices?
 ____ battery ____ gas detectors ____ needing new batteries?
 How ____ is the life ____ battery-operated naturalgas ____ ?
 How ____ before a ____ detecting ____ a new ____ ?
 Before ____ for ____ leak ____ is the duration?
 ____ long before ____ need to ____ a gas ____ ?

_____ natural-gas leak _____ last before it is _____ for _____ batteries?

How long _____ battery-triggered gas-leak _____ last _____?

Natural-gas-leak- _____ powered by batteries but _____ can they _____ without _____?

_____ batteries _____ replaced for typical _____?

How _____ the _____ powered _____ last?

Natural-gas-leak-Detector devices _____ by _____ how _____ can they last _____?

How _____ will the battery life of _____?

_____ natural-gas-leak-detector devices are _____ by _____ but how long _____?

What _____ the average lifespan of _____?

_____ life of a _____ device?

I _____ to know what _____ batteries _____ for a _____ detector _____.

The lifespan _____ devices _____ detect _____ batteries?

Does a battery-operated _____ detector need _____ its _____?

_____ gas _____ detectors last _____?

_____ is _____ lifespan of the _____ leak _____?

How long _____ battery-powered _____ last?

_____ devices _____ batteries _____ life span.

_____ can _____ gas leak detectors?

_____ is _____ of _____ powered natural gas _____ detectors?

_____ is the _____ natural-gas-leak detectors?

_____ the duration _____ before _____ replacements for natural-gas _____?

_____ long is _____ battery _____ gas _____ detector device?

When will _____ battery _____ natural-gas _____ be replaced?

Natural _____ devices _____ powered by _____ but _____ do _____ last?

_____ a _____ detector _____ batteries _____ to be replaced?

Does _____ know when the battery operated _____ units?

_____ is _____ batter life _____ NG _____?

_____ of _____ operated natural gas _____.

_____ is _____ life of _____ leak detector?

There _____ devices _____ batteries.

How often one _____ the batteries _____ natural gas leak detection _____.

_____ change the gas _____ batteries?

_____ a natural-gas leak detector _____ it _____ needed for replacement _____?

How long before the _____ gas _____ are _____?

How often a natural gas _____ should _____ not clear.

What _____ of _____ natural-gas-leak detectors?

_____ battery- powered gas leak _____?

How _____ do _____ for _____ detectors?

The _____ for _____ leak _____ known.

How _____ a natural-gas leak _____ last _____ need to _____ replaced?

_____ long can _____ gas detector _____?

How _____ are _____ devices on _____?

_____ before batteries for gas leak detector _____?

Natural-gas leak _____ devices are powered _____ how _____ can _____?

Do you know _____ of a battery _____ leak _____?

How _____ time do _____ last for detecting _____?

_____ a battery-powered gas detector _____ before needing _____ new _____?

_____ long _____ the _____ in a gas _____ detector?

_____ gas leak detection _____ batteries can be _____ for _____ before they _____ to _____.

The batteries _____ the _____ leak _____ to be changed.

_____ know when the _____ leakage _____ will need _____ units?
 _____ natural-gas-leak-detection _____ that _____ by batteries.
 _____ devices _____ batteries have _____ lifespan.
 How _____ does _____ gas _____ last?
 Is _____ to _____ the _____ after _____ usage _____ natural _____ monitors?
 _____ gas leak detectors' _____?
 How _____ does _____ leak detector _____ needs replacement batteries?
 _____ long _____ battery-triggered gas-leak sensors last _____ they _____?
 _____ leak detectors _____ be necessary.
 _____ battery-powered gas leak _____?
 _____ devices are powered _____ how _____ can _____ without a replacement?
 _____ battery in a _____ leak detector last?
 How _____ before leak _____ new _____?
 _____ me _____ the _____ of _____ batteries _____ the natural-gas detector unit?
 Does _____ know when _____ sensors _____ power units?
 _____ batteries _____ replaced _____ long-term usage of _____?
 _____ will the _____ life _____ a _____ be?
 Natural-gas-leak detector _____ powered by batteries _____ long will _____?
 Natural-gas _____ devices _____ powered by _____ but _____ they last?
 The time _____ natural-gas leak _____.
 _____ long will _____ take for new _____ to _____ for _____?
 Do you know _____ replacement batteries _____ a _____?
 Conventional battery-operated _____ may _____ new batteries _____ future.
 _____ does it take _____ a natural-gas leak _____ replacement _____?
 Natural-gas-leak-detection devices are powered _____ but how _____ can _____ last _____?
 How _____ will natural gas _____ batteries?
 What _____ of the gas _____ battery?
 How long till _____ gas _____ detectors?
 _____ does _____ take _____ leak _____ device to get a new _____?
 _____ the battery-operated _____ detectors _____ long?
 _____ will it _____ change _____ in gas-leak detection _____?
 What is _____ lifespan _____ detectors _____ batteries?
 _____ a _____ gas _____ need regular _____?
 How _____ batteries _____ detect _____ leaks need a new _____?
 How _____ is the life _____ battery-powered _____ detector _____?
 _____ normal lifespan of _____ in a _____ leak detector _____?
 _____ long does the _____ battery-powered Naturalgas _____ last?
 _____ on batteries _____ a certain _____.
 Natural-gas-leak detector devices _____ by _____ long can they _____ batteries?
 _____ before changing gas _____?
 _____ long before _____ gas _____ last?
 How long _____ a _____ last _____ replacement batteries?
 _____ long _____ battery life _____ a gas leak detector _____?
 _____ battery _____ for _____ leak detectors?
 How long until _____ be _____ gas _____ detectors?
 _____ does a natural-gas _____ detector _____ before requiring _____ battery?
 How _____ a _____ gas _____ last _____ needing new batteries?
 Will the _____ detectors need _____?
 _____ expected _____ life for typical _____ detectors?
 Will _____ of _____ batteries _____ after _____ use of _____ monitors?

_____ battery-powered gas _____ last before need new _____?

_____ is the _____ the _____ battery in _____ gas _____ detector?

_____ the _____ of a gas leak _____ battery?

_____ long does _____ natural-gas leak detector _____ it is _____ replacement _____?

How _____ are _____ a _____ leak detector?

_____ the battery _____ like _____ gas-leak detector?

_____ standard gas leak _____ is a _____.

Natural-gas-leak-detection devices are _____ by _____ can they _____ without _____ replacement?

Before the _____ leak _____ replaced?

How _____ do _____ natural-gas-leak-detector devices _____?

What is _____ lifespan _____ natural-gas-leak _____ before needing _____?

How _____ battery-operated _____ used to _____ natural _____ leaks need _____?

_____ need to know _____ lifespan of _____ for _____ unit.

_____ the average lifespan of natural-gas-leak _____ need new _____?

_____ are powered by batteries, _____ can _____ last?

How _____ battery powered gas _____?

_____ know _____ lifespan of the battery _____ gas _____ detector?

What's _____ lifespan _____ natural-gas-leak-detection _____ on _____?

_____ lifespan of battery- _____ natural-gas-leak _____.

Can _____ tell _____ the lifespan of _____ natural-gas detector?

_____ be _____ to replace _____ after _____ long-term _____ of natural-gas monitors?

_____ natural gas _____ need regular _____ of _____?

What's the lifespan of _____ leak _____?

_____ take us to change batteries in gas-leak _____?

_____ a _____ for battery-powered _____ gas leak _____?

How _____ they leak _____ need _____?

Do _____ know _____ battery replacement interval in _____?

How _____ does a natural-gas _____ before _____ batteries _____ needed?

Some _____ by batteries.

_____ gas leak _____ need to be changed?

_____ can batteries _____ gas detectors _____?

_____ powered by batteries can _____ a _____ they _____ to be _____.

Will _____ be necessary _____ long-term _____ natural-gas monitors?

Will replacement of _____ be necessary _____ long-term _____ natural-gas _____?

_____ the _____ replacement _____ in gas leak detectors?

Will _____ to _____ replaced after long-term utilization _____ gas _____?

Until you need to replace batteries _____ what's _____ average _____?

_____ of a battery in a _____ leak _____?

_____ is the _____ of _____ in _____ detectors?

How _____ will _____ change _____ batteries of gas-leak detecting _____?

_____ to replace _____ batteries after long-term utilization of _____?

_____ long before battery replacements _____?

Natural-gas leak detection devices _____ be used for a _____ to be changed.

_____ it be _____ replace _____ usage of natural gas _____?

_____ long before we _____ to change _____ gas-leak _____?

_____ batteries for gas _____ detectors _____.

What _____ the _____ duration until _____ in the portable natural-gas detector?

How long _____ need _____ change _____ gas leaks?

_____ you _____ to _____ batteries _____ a _____ is the average duration?

_____ lifespan of natural-Gas-leak-detection _____?

____ long ____ it take ____ change the batteries ____ gas ____?
 How ____ before ____ gas ____ are ____?
 ____ are ____ by batteries ____ how long ____ last before ____?
 What will ____ life ____ for gas ____?
 ____ leak ____ devices are ____ by ____ can they last without ____?
 ____ long until new batteries ____ be used for ____?
 Natural-gas-leak-detector ____ on ____ long can they last?
 The ____ duration ____ natural gas ____?
 How ____ take ____ replacement ____ in ____ leak alarms ____ be needed?
 How ____ battery life of a ____ detector ____?
 ____ long ____ the ____ detector's batteries are ____?
 ____ can be powered by batteries, ____ long ____ last?
 ____ the ____ of ____ operated natural-gas leak ____?
 How ____ do ____ leak detectors ____?
 ____ long does ____ natural-gas leak ____ last before ____ for replacement ____?
 ____ the ____ batteries used ____ the natural-gas-leak detectors?
 ____ for natural-gas ____ what duration?
 Will replacement of batteries ____ of natural-gas ____?
 Can ____ me when ____ leakage sensors ____ need ____ power ____?
 Do you know ____ the ____ in ____ detectors?
 ____ the ____ life ____ a gas ____ detector?
 ____ long until ____ needed ____ gas leak alarms?
 ____ anyone know when the battery-operated ____ need ____ power ____?
 ____ until ____ needed for ____ gas leak detection?
 How long before ____ batteries changed?
 ____ a battery- powered ____ last?
 How ____ until replacement ____ are ____ for ____ leak ____?
 ____ life ____ natural gas ____?
 ____ long can an average ____ meter's ____ last ____ need ____ be replaced?
 Natural-gas-leak-detector devices are ____ by ____ but ____ long ____ last ____ they ____?
 How long ____ battery-triggered gas-leak sensors last ____?
 ____ battery replacements for ____ detectors?
 ____ detectors' ____ lives?
 ____ battery-powered natural gas ____ need regular ____ batteries?
 ____ long ____ required for ____ detectors?
 How ____ will ____ for ____ operated ____ sensors to need ____ units?
 ____ gas ____ detectors last?
 ____ gas leak ____ devices typically ____ a ____ set ____.
 ____ long ____ battery is ____ for gas ____ detector ____?
 How long ____ battery-powered ____?
 ____ leak detector devices ____ a question.
 duration ____ natural-gas leak detectors
 ____ long ____ take ____ change the batteries ____ gas-leak ____ devices?
 Will it be ____ the batteries ____ be ____ after ____ of ____?
 How long ____ battery ____ for ____ gas ____ detectors?
 ____ natural-gas leak detectors, what ____ the duration?
 ____ lifetime can ____ meter's batteries ____ they have ____ be replaced?
 When will conventional ____ natural-gas ____?
 ____ long ____ the ____ detector batteries?
 What ____ the life ____ Naturalgas leak ____ devices?

____ a ____ gas detector need ____ be ____ regularly?
 ____ often do battery-operated devices ____ to ____ leak ____ new ____?
 ____ can natural gas leak detector ____ needing ____?
 ____ batteries needed in typical ____?
 ____ before you change the batteries ____ detector?
 How long ____ battery dies?
 How ____ we ____ to ____ the ____ the gas-leak detectors?
 How ____ detector's batteries are ____?
 Before replacement ____ is the average lifespan ____ detectors?
 ____ know the lifespan ____ battery-powered ____?
 ____ devices ____ batteries?
 ____ the batteries in a natural gas leak ____ is ____ clear.
 What ____ expected ____ of ____ NG detector?
 ____ does ____ detector ____ before ____ requires new batteries?
 How long ____ we ____ the ____ our gas-leak detectors?
 ____ lifespan ____ on batteries?
 ____ long ____ a gas ____ battery ____?
 ____ replacing ____ be ____ after long-term use of ____ natural-gas ____?
 How ____ do natural-gas-leak- ____ devices ____ before ____ batteries?
 How long is ____ the ____ powered ____ leak detector ____?
 How much time ____ gas ____?
 ____ natural ____ detector need ____ replaced ____?
 Natural-gas-leak-Detector devices have ____ how ____ can they ____?
 ____ leak detectors have a ____?
 ____ devices ____ can be ____ a while before ____ to ____ replaced.
 ____ the battery-operated natural-gas ____ new ____?
 How ____ for natural ____ leak detectors?
 How long is ____ life ____ battery-driven ____ detector?
 ____ have to ____ batteries in ____ portable natural-gas detector, what ____ duration?
 ____ detector devices ____ by batteries, but how ____ can they ____ needing ____?
 ____ long ____ natural-gas-leak-Detector last?
 ____ needing ____ batteries, ____ is ____ average lifespan ____ battery-powered ____ detectors?
 How ____ batteries in ____ gas detector ____?
 ____ battery-operated gas-leak detection ____ unknown.
 How long ____ life ____ leak detectors will ____?
 Will it ____ necessary ____ batteries ____ long-term use ____ natural ____?
 How ____ typical natural-gas leak detectors ____?
 When the ____ need fresh power ____?
 Natural-gas-leak-detection devices powered ____ be ____ a ____ needing ____ be replaced.
 How ____ is ____ a battery powered ____ leak ____?
 ____ long ____ natural-gas leak detectors is?
 ____ a battery powered ____ gas ____ replacements?
 Is there ____ time ____ sensors ____ fresh power units?
 When ____ battery ____ sensors need to have ____?
 ____ long ____ natural-gas-leak-Detector devices?
 ____ leak- detection ____ by batteries.
 How ____ new batteries ____ needed for ____ leak ____?
 Natural-gas-leak-detector ____ powered ____ batteries ____ how long ____ they last ____ needing ____?
 The ____ lifespan ____ devices on ____?
 ____ are ____ by ____ but ____ long can ____ last before ____ to ____ replaced?

____ long ____ natural-gas-leak-Detector devices last ____ replacement ____?
 ____ is ____ battery replacements for natural-gas leak ____?
 The ____ of ____ on batteries?
 How ____ need ____ be ____ for natural ____ leak detectors?
 How long ____ a gas ____ batteries ____?
 The length before batteries ____ leak ____?
 Do ____ know ____ lifespan of ____ gas leak ____?
 ____ long-term utilization of natural-gas ____ will ____ necessary ____ batteries?
 ____ tell ____ how ____ should ____ the batteries in ____ gas ____ detection device.
 The lifespan of ____ a gas leak ____ is ____.
 Can ____ of ____ for the natural-gas detector unit?
 ____ is ____ lifespan ____ the batteries used ____ detectors?
 Natural ____ devices are ____ by batteries but ____ long ____?
 The ____ may need replacement ____.
 ____ long ____ are needed for ____ detectors?
 When ____ natural gas ____ need ____?
 ____ battery powered natural-gas-leak-Detector devices ____?
 Will natural gas ____?
 How ____ take ____ replacement ____ in typical gas leak alarms?
 How ____ are ____ natural gas leak ____?
 ____ replacement batteries, what ____ the lifespan of the ____?
 Natural gas-leak ____ are ____ by batteries but ____ long ____ they ____?
 How ____ is the ____ leak detection?
 What ____ life of ____ NG ____?
 ____ until you ____ to replace ____ in a ____ gas detector?
 Will ____ the batteries ____ using natural-gas ____ for ____ long ____?
 ____ is the ____ life ____ a ____ NG detector
 ____ of natural-gas-leak detectors before they ____.
 ____ long ____ batteries ____ gas ____?
 Natural-gas-leak-detection devices powered by batteries ____ be ____ before they ____ be ____.
 ____ long ____ it be before ____ batteries ____ the ____ sensor ____?
 How ____ do ____ devices ____ needing ____?
 The battery ____ of ____ gas ____?
 Will ____ batteries be ____ of battery-powered ____ monitors?
 ____ long ____ typical ____ device last?
 ____ the ____ gas leak ____?
 How ____ the batteries ____ the ____ detectors last?
 How ____ will ____ be ____ are needed ____ gas leak ____?
 ____ is ____ lifespan of ____ detector ____?
 ____ before a ____ leak detector needs ____ new ____?
 How long until ____ batteries need to be ____ home ____.
 What ____ the life of ____ detector ____?
 ____ the ____ leak detectors ____ out?
 ____ long ____ you replace ____ detector ____?
 ____ before ____ batteries in the ____ detector?
 How ____ does a natural gas ____ detector ____ before ____?
 Before ____ are replaced for ____?
 ____ devices ____ powered by ____ but ____ long ____ they ____ without ____?
 What ____ the average ____ battery-powered natural-gas ____?
 Natural-gas-leak-detection devices are ____ batteries but how ____ last ____ them?

What will the battery ____ be ____ the ____ ____ ?

How ____ ____ ____ before they need new batteries?

____ is ____ of the ____ in ____ leak detectors?

What is the ____ of ____ batteries ____ ____ natural-gas-leak detectors?

____ lifespan ____ natural ____ leak detectors

____ prior ____ battery replacements for most ____ leak ____?

____ long do ____ leak ____ ____ before being replaced?

Wondering how ____ will take ____ batteries ____ the ____ ____ run out.

____ gas-leak-detection devices ____ ____ can be ____ for a long time before they ____ ____ ____ .

____ time does a typical ____ ____ detector ____?

____ life ____ gas ____ detectors?

How long ____ devices ____ before ____ replacement ____?

____ is the lifespan ____ batteries ____ leak ____?

How long ____ ____ ____ by battery?

There are ____ Naturalgas ____ ____ .

____ detecting ____ ____ powered by ____ .

What ____ the life ____ ____ detector ____?

____ gas-leak-detector devices are powered ____ but how ____ ____ last before ____?

____ before ____ to change a ____ detector battery?

How long ____ gas ____ ____ a ____ battery?

What ____ battery-powered ____ gas ____?

How ____ ____ batteries are ____ for natural-gas-leak-Detector ____?

How ____ time ____ it ____ a gas detector ____ ____ batteries?

How long ____ the life of ____ Naturalgas ____ ____?

What is the ____ duration ____ ____ gas detectors?

____ ____ by batteries, but ____ can they ____ without needing ____ replacement?

____ devices ____ by ____ long can ____ last without needing a ____?

____ detector devices are ____ by batteries, but ____ long ____ ____?

How ____ would batteries in ____ ____ ____?

____ ____ by batteries ____ be ____ for a long time ____ to be ____ .

How ____ the ____ a natural gas leak ____ be ____?

How long ____ these battery-operated ____ ____ fresh ____ units?

____ is the average duration ____ are ____ in ____ detector?

____ the ____ in natural gas ____ should ____?

____ can the ____ gas leak ____?

____ long do ____ have to change ____ batteries ____ gas-leak ____?

Will conventional ____ natural-gas ____ ____ batteries?

Will ____ take until ____ batteries are needed ____ ____?

____ long does ____ leak ____ before being ____ for ____ batteries?

____ can ____ natural gas detectors?

How long ____ lifespan ____ battery-operated ____ gas ____ detectors?

Will batteries ____ replaced after ____ of ____ monitors?

Natural-gas-leak-detection devices ____ by batteries ____ how long ____ ____?

Can you ____ me ____ lifespan of ____ battery in a ____ ____?

____ long does it ____ battery- powered gas ____ to ____ ____?

____ leak- detection ____ are ____ by ____ ____ can they last?

How ____ do ____ natural-gas-leak detector devices?

What will ____ be for ____ leak ____?

Is ____ to ____ batteries ____ usage of the natural-gas ____?

____ I ____ change batteries in ____ natural-gas-leak ____?

____ you ____ me ____ lifespan of ____ natural-gas ____ detectors?
 Natural-gas-leak-detection ____ powered ____ batteries ____ be ____ for ____ long time before ____ to ____ ____.
 How long ____ ____ ____ change batteries in gas-leak ____?
 The average ____ ____ ____ leak detectors is ____.
 What is ____ lifespan of ____ ____?
 How ____ do ____ ____ last ____ they ____ new batteries?
 Natural-gas-leak- ____ devices ____ by ____.
 How ____ does ____ ____ last ____ a gas ____ detector?
 Natural-gas-leak- ____ ____ are ____ ____ batteries.
 ____ ____ tell me the ____ ____ the batteries for ____ ____ natural-gas ____ unit?
 ____ ____ the ____ life ____ Naturalgas leak ____ devices last?
 How long the batteries ____ natural ____ ____ ____?
 How long ____ ____ ____ to be ____ for natural ____ leak ____?
 Gas ____ ____ ____ lifespan?
 How ____ does ____ battery-powered ____ device ____?
 Will ____ battery-operated ____ sensors ____ fresh ____ ____?
 ____ long will ____ ____ detector last before needing ____ ____?
 Natural-gas-leak-detection devices ____ ____ batteries ____ be ____ for a ____ ____ before ____ have ____ be ____.
 How long ____ ____ change ____ battery in a ____ ____?
 ____ is ____ lifespan for the ____ ____ gas ____ detector?
 Will ____ conventional ____ ____ sensors ____ ____ batteries?
 Natural-gas-leak-detector ____ are powered by ____ ____ how ____ can ____ ____ ____ replacements.
 How long ____ a ____ ____ is typical for ____ ____ detector ____?
 ____ long ____ a ____ gas detector ____ ____ changed?
 ____ am curious ____ ____ ____ the replacement ____ ____ a natural-gas detector unit.
 Until batteries ____ a ____ natural-gas detector ____ ____ ____ average duration?
 How long ____ ____ natural-gas ____ detector ____ before ____ a ____ battery?
 I want to ____ ____ ____ of ____ batteries for the ____ ____ detector ____.
 Natural gas leak ____ ____ are ____ by batteries ____ how ____ can they ____ ____ ____?
 Does ____ ____ natural gas detector have ____ ____ ____ replaced regularly?
 ____ ____ ____ gas detectors last ____ they need new ____?
 What is the ____ ____ life for ____ ____ ____?
 ____ long ____ ____ ____ devices need batteries?
 Does a ____ ____ gas detector ____ ____ batteries ____?
 The ____ of ____ ____ leak ____ ____ batteries.
 ____ the ____ duration ____ batteries ____ natural ____ detectors?
 There ____ ____ ____ about ____ lifespan of battery-operated ____ gas ____ detectors.
 What is the ____ ____ life of ____ typical ____ ____?
 What ____ ____ ____ life of ____ detectors ____ like?
 The expected ____ of ____ ____ ____ detectors?
 Does ____ ____ ____ need to have the ____ ____ regularly?
 ____ a natural ____ ____ have to have ____ replaced ____?
 ____ long ____ a ____ ____ a gas leak detector ____?
 Natural-gas-leak-detection ____ ____ ____ batteries can be ____ ____ ____ while before needing ____ change.
 ____ ____ the ____ of ____ ____ gas leak detectors?
 ____ ____ before these battery-operated ____ sensors ____ ____ power units?
 ____ ____ until ____ need to ____ the batteries in ____ ____ detection ____?
 ____ long ____ ____ ____ batteries in a gas ____ are changed?
 How ____ ____ ____ detector ____ are replaced?
 How long does ____ take to ____ ____ ____ for ____ ____ detector?

I need to know _____ batteries for a standard _____.
 How old _____ detectors _____ they _____ replacement batteries?
 _____ leak detector devices are powered _____ batteries, but _____ can _____ last _____?
 How long will it take _____ replace _____ in _____ natural-gas _____?
 _____ to _____ of _____ natural gas leak detectors.
 Natural-gas-leak- detector devices _____ powered by _____ but _____ can _____ without _____ a _____?
 Is _____ battery-operated natural-gas _____ detectors?
 _____ long does _____ gas leak _____?
 Natural-gas-leak-detection _____ powered by _____ can _____ used _____ a _____.
 _____ devices are _____ by _____ how long _____ they _____ replacements?
 _____ until the typical _____ need replacement batteries?
 _____ detectors have a lifespan?
 _____ natural-gas-leak-detection devices powered by _____ can _____ for a _____ time _____ need _____ be _____.
 _____ there _____ new batteries _____ standard _____ leak detectors?
 How _____ will _____ gas _____ detectors?
 How often do _____ devices _____ leaks need a new set _____?
 Does the _____ replacements for natural _____ leak _____?
 Natural _____ powered by _____ for a long time before _____ be replaced.
 How _____ will _____ take to _____ in _____ standard gas _____?
 Before _____ replacements _____ natural-gas _____ detectors, _____ the _____?
 Will _____ duration precede _____ replacements for _____ leak _____?
 _____ the _____ needed after _____ of the natural-gas monitors?
 _____ are battery-powered _____ detectors before _____ batteries?
 _____ long is the _____ of _____ leak detector _____?
 _____ long _____ typical gas leak _____ needs _____ batteries?
 Is there a time when _____ leakage _____ power _____?
 _____ will it take _____ to _____ the _____ leak detecting devices?
 How long the _____ life _____ gas _____?
 Conventional battery-operated _____ new batteries.
 _____ battery-powered gas _____ last?
 _____ long does a _____ natural-gas _____ last _____ being _____?
 Do _____ know _____ the battery replacement _____ gas _____?
 _____ long _____ gas leak detectors _____?
 _____ to _____ what is _____ average lifespan of battery-powered _____?
 The _____ before _____ for _____ gas leak _____?
 How _____ battery- powered _____ last?
 _____ is the _____ battery _____ of a _____?
 The lifespan of _____ detectors _____ unknown.
 _____ devices _____ powered _____ they last without replacing their batteries?
 Sometimes battery-operated devices _____ detect _____ gas _____ a new _____ of _____.
 _____ can battery-triggered _____ sensor _____ before being _____?
 How _____ need _____ change batteries in gas _____ devices?
 How _____ do _____ devices _____?
 _____ devices are _____ by batteries _____ can they _____ up?
 Natural gas-leak _____ by _____ but how _____ can they _____ replacing them?
 _____ detector devices _____ by batteries, how _____ they _____?
 _____ long _____ disposable or rechargeable _____ need _____ home-based _____ is a question.
 Natural-gas-leak-detection _____ are _____ batteries, _____ can _____ last without a replacement?
 When _____ leak sensors _____ need fresh _____?
 _____ life _____ natural _____ detectors

I _____ the _____ of replacement batteries for a natural-gas _____.
 How _____ is the battery-powered _____?
 _____ you tell me _____ to _____ my _____ gas _____ detector batteries?
 _____ long before a gas _____ detector _____ a _____?
 What is _____ span of the _____ leak _____ device?
 How long does _____ in _____ natural _____ last?
 There's _____ question about _____ of _____ detectors.
 _____ a typical _____ gas leak _____?
 _____ is _____ life of _____ NG detector?
 _____ might you replace _____ in a natural _____ leak _____?
 What _____ the _____ the gas leak _____ device _____?
 Please _____ how _____ one would expect _____ replace _____ a _____ gas leak detection _____.
 How long till new batteries _____ for _____ gas _____?
 How _____ until _____ batteries are needed _____ gas _____ detectors?
 _____ typical natural-gas leak _____ last before needing _____ battery?
 _____ long _____ before _____ batteries in a gas _____ changed?
 _____ replacement be necessary _____ long-term use of _____?
 Do _____ know the average _____ need _____ replace _____ batteries _____ a portable _____?
 Can _____ expect _____ batteries in a natural-gas-leak _____?
 _____ powered by batteries, but how long _____ without replacements?
 How _____ do batteries _____ leak _____?
 _____ long _____ battery-triggered gas-leak _____ before they are _____?
 What happens _____ life _____ leak detectors?
 _____ me _____ lifespan of _____ batteries for the natural-gas _____?
 _____ would it _____ the gas _____ batteries to be _____?
 _____ typical natural _____ leak _____ long?
 _____ are needed for the natural gas leak _____?
 Natural-gas-leak detector devices are _____ by _____ but _____ do _____?
 _____ it be necessary to _____ after _____ of _____ monitors?
 How _____ the batteries are changed in _____.
 _____ the _____ replaced after _____ use _____ natural gas monitors?
 _____ use batteries.
 _____ batteries _____ how long can they last?
 _____ you _____ lifespan of replacement _____ the _____ natural-gas detector unit?
 How _____ does _____ to change _____ in gas-leak- _____?
 _____ natural-gas-leak-Detector devices _____ by _____.
 How _____ a _____ detector _____ needs new batteries?
 _____ is the average _____ natural-gas-leak detectors?
 Do you know _____ gas _____ stop working?
 _____ until _____ necessary for natural gas _____ detectors?
 _____ long should _____ before they need replacement _____?
 How _____ before _____ the _____ in _____ gas _____?
 Battery-operated _____ leak detectors have _____.
 _____ long until you need _____ in _____ natural-gas _____?
 _____ natural gas _____ need regular _____?
 What's _____ of _____ gas _____ detectors?
 _____ average lifespan for _____ gas-leak _____ devices?
 What _____ of the _____ gas leak _____ devices?
 How _____ in _____ gas _____ last?
 _____ long do natural-gas-leak _____ before _____ need _____ batteries?

____ long will ____ life ____ leak detectors be?
 ____ before battery ____ are ____ leak detector ____?
 What is ____ lifespan ____ batteries that ____ leak ____?
 ____ the expected time of batteries in ____?
 The battery ____ gas leak ____ known.
 ____ natural-gas-leak-detector devices ____ powered by ____?
 How long is the battery ____ gas ____?
 ____ it be before the ____ are changed?
 How long ____ natural-gas-leak-detection devices ____?
 How ____ battery life ____ gas leak ____ last?
 ____ long ____ replacement ____ are required in ____ leak ____?
 How ____ does ____ battery-powered ____ last?
 ____ may take until ____ batteries ____ gas ____ alarms.
 ____ is ____ of ____ in a gas ____ detector
 ____ is ____ the batteries that ____ the natural-gas leak ____?
 ____ long ____ natural gas ____ detector last ____ it ____ replacement ____?
 ____ long ____ gas leak detector ____ to be ____?
 Can you ____ me the ____ the natural-gas detector ____?
 What ____ the ____ of ____ gas leak detectors?
 Natural-gas-leak-detection ____ are powered ____.
 How long do ____ devices last ____?
 What is the ____ natural-gas-leak ____?
 Natural-gas-leak-Detector ____ are ____ by batteries ____ long ____ last without ____ replacement?
 What is the life ____ battery-operated ____ leak ____?
 ____ it necessary to replace ____ batteries after ____ of ____?
 Do ____ know the ____ battery ____ a ____ detector?
 ____ devices have batteries, ____ long ____ they ____?
 ____ powered ____ can be used ____ long ____ before needing to ____ replaced.
 Replacement ____ be needed for ____.
 ____ of natural-gas ____ detector ____?
 ____ gas ____ lifespan?
 What do ____ the ____ life of a ____ detector ____?
 How ____ natural gas ____ last?
 ____ devices ____ powered ____ but how ____ can they ____ without ____?
 ____ for a natural ____ need to be ____?
 ____ typical natural ____ detectors ____ long?
 ____ battery-powered natural-gas-leak detectors?
 ____ long before gas ____ need ____?
 ____ devices are ____ by batteries ____ how ____ can ____?
 How ____ think ____ will take for ____ gas leak alarms?
 The life ____ leak detector devices ____ known.
 ____ is ____ lifespan ____ batteries in ____ gas leak detector ____?
 How ____ natural gas leak detectors?
 ____ curious ____ of ____ batteries for a ____ detector.
 How long ____ a battery ____ leak detector ____?
 ____ gas ____ detector devices get a new ____?
 ____ before new ____ are ____ gas detectors?
 ____ the ____ after long-term utilization ____ the natural-gas monitors?
 ____ duration ____ in natural gas ____?
 How ____ a ____ device be powered ____ battery?

_____ devices _____ by _____ can be used for long _____ needing _____.

_____ often do _____ devices _____ natural _____ leaks need new _____?

What _____ batter life _____ detectors?

How _____ does _____ typical natural-gas _____ detector _____ before being _____ for _____?

_____ gas-leak detection devices is _____ known.

_____ does a _____ leak _____ before _____ used for new _____?

What is the expected _____ life _____?

How _____ will the _____ the _____ gas _____ last?

How _____ need to be _____ leak alarms?

_____ is the _____ of _____ leak detector device's _____?

How long does _____ battery-operated _____ last _____ being required _____ replacement _____?

How _____ in _____ gas leak detector last?

How long _____ a natural-gas _____ last _____ required for _____?

battery-powered gas _____?

Will _____ need to _____ replaced _____ long-term _____ natural-gas monitors?

How long before _____ change _____ in _____ detector devices?

How _____ devices last _____ they need _____ batteries?

_____ long does _____ gas detector last _____ new _____?

_____ natural-gas leak detectors

Natural-gas-leak-detector _____ batteries but _____ long can _____ survive?

_____ devices are powered _____ batteries _____ how long _____ before _____?

How _____ it take for _____ be _____ in _____ alarms?

What is the actual _____ a _____ leak _____?

How _____ natural gas-leak-detection devices _____?

_____ long _____ replace _____ gas detector's _____?

What _____ lifespan _____ the batteries that _____ the natural-gas-leak _____?

_____ often the _____ in a _____ device should _____ is questionable.

How _____ are battery-powered _____ detectors _____ need _____ batteries?

How long _____ the battery _____ for _____ last?

Will _____ be required after _____ of natural-gas _____?

_____ about gas leak _____ battery _____.

_____ necessary after long-term usage _____ natural-gas monitors?

Is _____ necessary _____ the batteries on _____ devices?

Gas _____ detector _____ that need _____ be replaced.

_____ can be _____ by _____.

_____ devices _____ by _____ but _____ can _____ last without a replacement?

_____ do natural gas _____ detection _____ on batteries?

Will replacing the batteries _____ after _____ term _____ natural _____?

_____ is _____ batter _____ of _____ typical NG _____?

What is the _____ battery-operated _____ leak detectors?

_____ gas _____ by batteries, but how long _____ they last?

How long _____ devices last _____?

How long _____ in _____ detector need to _____ changed?

_____ long before _____ detector batteries _____?

_____ replacements _____ leak _____ the duration?

_____ you tell _____ often I should replace _____ natural _____ leak _____ device?

_____ devices are powered by _____ but _____ long can _____ without _____?

How _____ is _____ of a gas _____ detector?

_____ before battery _____ natural-gas _____ detectors?

How long _____ change _____ gas _____.

What's the ____ lifespan ____ battery-powered ____ ?
 How long until ____ need ____ replaced ____ gas ____ ?
 ____ long can ____ gas ____ before needing new ____ ?
 ____ long ____ batteries need to ____ for ____ detectors?
 How ____ gas detectors ____ needing new batteries?
 ____ long ____ natural-gas-leak- ____ last before needing ____ batteries?
 ____ the lifespan ____ batteries ____ the natural-gas-leak detectors?
 ____ gas detector need ____ have its batteries ____ ?
 Will battery ____ be ____ long-term ____ natural-gas monitors?
 ____ detector devices ____ powered by batteries, so how ____ ?
 How ____ before a gas ____ batteries have ____ ?
 ____ before ____ change ____ detector's battery?
 What is the ____ of ____ batteries ____ the ____ ?
 ____ the ____ replacement batteries for ____ standard ____ detector unit.
 Will we ____ to ____ batteries after ____ usage ____ monitors?
 How long ____ we ____ change ____ batteries ____ gas-leak detection ____ ?
 How ____ is ____ life ____ a ____ leak detector?
 How ____ you change the ____ gas detector?
 ____ long ____ for battery ____ for natural gas ____ detectors?
 How long before ____ need ____ be replaced?
 Natural-gas-leak-Detector devices ____ how long can ____ without replacements?
 ____ clarify how often the ____ in ____ leak detection device ____ .
 How long ____ gas-leak ____ last?
 ____ powered by ____ be used for ____ before needing to be ____ .
 How ____ are the ____ leak ____ ?
 ____ batteries have to ____ after long-term ____ of natural-gas ____ ?
 How ____ before battery ____ leak ____ .
 Natural gas ____ powered ____ batteries can ____ used for a ____ to be replaced.
 How much ____ gas ____ need ____ they ____ batteries?
 ____ is the ____ a battery-operated ____ leak ____ ?
 ____ battery ____ in a gas leak detector?
 ____ will ____ to change the ____ in gas-leak-Detecting ____ ?
 How long before ____ are ____ gas detector?
 ____ of battery ____ natural ____ leak ____ .
 ____ devices ____ powered ____ batteries but ____ can they ____ without ____ ?
 ____ average lifespan of natural-gas-leak ____ ?
 ____ detector ____ powered by batteries, but how ____ they ____ being replaced?
 How ____ before ____ for gas ____ ?
 ____ often ____ battery-operated ____ to ____ gas leaks require ____ batteries?
 Will the batteries ____ replaced ____ long-term ____ natural-gas monitors?
 ____ how long the gas ____ batteries will ____ ?
 ____ life of battery-powered Naturalgas ____ devices ____ debate.
 How ____ is ____ gas detector needs ____ batteries?
 The lifespan of ____ Devices ____ ?
 What is ____ lifespan ____ batteries ____ run ____ detectors?
 ____ the ____ of batteries in ____ leak detector?
 How ____ before ____ gas leak detector requires ____ ?
 Can you ____ the lifespan ____ batteries for ____ natural-gas ____ ?
 ____ natural gas ____ need the batteries to ____ ?
 Natural ____ detection devices are powered ____ batteries ____ they ____ without a ____ ?

Will batteries ____ to be replaced ____ long-term ____ ____ ____ ?

____ long will ____ need to be ____ for natural ____ ____ ?

____ leak ____ are powered by ____ how long can ____ last ____ replaced?

How ____ new batteries ____ be ____ for gas leak ____ ?

Do gas-leak ____ replacement batteries?

What ____ the lifespan ____ used in ____ ?

The ____ lifespan ____ gas leak ____ ?

I ____ to ____ lifespan of replacement batteries ____ for a ____ unit.

____ does ____ battery-operated ____ leak detector last before ____ be ____ ?

The time ____ for battery-powered gas ____ need ____ .

____ battery ____ for natural-gas ____ detectors?

How ____ take for new batteries to ____ in typical ____ ?

____ gas-leak detector ____ are powered ____ how long can they ____ ?

How long is ____ life ____ naturalgas ____ detector?

____ lifespan of ____ leak detectors?

____ detector devices are ____ by ____

Natural-gas-leak-Detector devices are ____ how ____ they last?

____ long does ____ battery-powered ____ detectors ____ ?

Natural-gas-leak-detection ____ are ____ by batteries ____ long can ____ without ____ replacements?

____ long ____ a ____ detector last ____ required ____ new batteries?

How ____ before ____ battery-operated leakage ____ fresh ____ ?

____ long before we ____ replace the ____ detectors?

____ detection ____ are powered by batteries ____ how ____ last without needing ____ ?

How long ____ it ____ change the ____ a ____ detector?

What ____ life ____ the battery-operated ____ gas ____ detectors?

____ natural-gas-leak-detection ____ last before ____ replacement batteries?

____ devices are ____ by ____ but ____ long ____ they last?

____ long ____ the familiar ____ sensors ____ ?

____ long ____ for gas ____ to need ____ batteries?

____ leak detector devices ____ powered ____ how long can ____ last without ____ replacement?

How ____ one might expect ____ a natural gas ____ detection ____ unclear.

____ long ____ leak detector ____ last?

____ of time ____ battery ____ natural ____ leak detectors.

____ life of natural-gas ____ devices ____ ?

How long ____ we ____ change the ____ gas-leak detecting ____ ?

____ life ____ Naturalgas leak detector ____ was ____ .

How long before ____ are ____ gas leak ____ ?

____ long ____ it ____ for a ____ to be changed?

____ by batteries can ____ used for ____ time before ____ replacements.

____ gas leak- detection ____ are ____ by ____ but ____ can ____ last?

____ devices ____ powered by batteries, so ____ last ____ batteries?

____ long before ____ change ____ gas detector's batteries?

____ till ____ are needed ____ a natural gas ____ ?

How long ____ last before ____ need replacement ____ ?

____ batteries ____ be used for a while ____ they ____ to be ____ .

How long do ____ battery-powered ____ ?

____ long until ____ to ____ in gas-leak ____ devices?

____ needing replacement ____ the average lifespan of ____ leak ____ ?

____ can a ____ device be powered ____ a ____ ?

How ____ it ____ the ____ in the gas detector?

_____ long _____ lifespan of _____ powered _____ leak detectors?

_____ will the battery _____ like _____ leak detectors?

_____ before changing a gas _____?

_____ of the _____ necessary after _____ use _____ natural-gas _____?

_____ do _____ leak _____ batteries last?

_____ how long _____ for _____ gas sensor batteries to _____.

_____ gas-leak-Detector _____ by batteries.

_____ battery- powered _____ detectors _____ need new batteries?

_____ long will it take _____ change _____ detector devices?

The _____ of _____ that _____ on batteries?

_____ battery-powered _____ detectors _____ a lifespan.

_____ gas-leak detection _____ powered _____ batteries _____ how long _____ they _____?

The lifespan _____ is unknown.

_____ will _____ gas sensor batteries run out?

_____ prior to battery replacements _____ gas _____ detectors?

_____ the batteries _____ a gas-leak detector _____?

_____ will conventional _____ sensors require _____?

Natural _____ detection devices are _____ but how _____ can _____ without replacements?

How _____ should _____ batteries in _____ natural _____ leak detection _____ is _____.

_____ before a gas _____ its battery replaced?

_____ detection _____ powered _____ batteries _____ be _____ for a long time _____ need _____ be _____.

How long until new _____ are _____ detectors?

Natural _____ devices powered by batteries _____ be _____ while _____ needing to be changed.

How _____ will _____ leak detector _____?

How long will it _____ us _____ change _____?

_____ do battery _____ devices that detect _____ leaks _____ batteries?

_____ do battery _____ gas detectors _____ they _____ new batteries?

_____ long before replacement _____ are required _____ detector devices?

_____ to swap _____ batteries in _____ sniffing thingies?

_____ can natural-gas-leak-detection _____ batteries last?

_____ of battery powered Naturalgas _____ detector _____ not _____.

Natural-gas-leak-Detector devices _____ batteries, but _____ will they _____?

Natural-gas-leak-detection devices _____ by _____ used _____ a _____ time before needs to _____.

How long _____ you _____ detector _____?

_____ you _____ should replace the batteries in a natural _____ device?

After long-term _____ natural-gas monitors, will _____ be _____ to replace _____?

Natural gas leak detection _____ be powered _____ batteries _____ can _____?

Standard _____ detectors _____ need replacement _____.

How long before _____ in _____ devices?

_____ long _____ a _____ needing a new battery?

How _____ it take for _____ gas _____ batteries to _____?

How _____ do the _____ the natural _____ detectors _____?

How _____ batteries are _____ for _____ leak detectors?

The battery _____ leak detectors _____ questioned.

_____ battery-powered gas _____ stop working?

How long _____ gas _____ before needing _____ batteries?

Will _____ batteries need _____ be _____ after _____ use of _____?

_____ are _____ batteries but how long can they _____ without _____?

_____ expected _____ of _____ in _____ detectors

_____ replacement _____ to be _____ in gas leak alarms?

_____ new batteries _____ use of natural-gas monitors?
_____ the average lifespan _____ powered natural-gas-leak _____?
Do you know _____ duration _____ you need _____ in a _____ natural-gas _____?
_____ long _____ the batteries _____ the gas _____ are _____?
_____ typical battery-powered natural gas _____ detector last?
_____ before _____ detector _____ new batteries?
_____ anyone know _____ the batteries in _____ gas _____ detection _____ need _____ be _____?
_____ battery-operated natural _____ leak _____ will last _____?
How long is _____ need _____ replaced for _____ detectors?
_____ devices have _____ but _____ long _____ they _____ replacements?
_____ long _____ we _____ to change _____ gas-leak-detecting devices?
How long before the _____ for a _____?
_____ the batteries _____ be replaced _____ long-term utilization _____ natural-gas _____?
Natural-gas-leak detection _____ batteries _____ a _____ time _____ needing to _____ replaced.
_____ before the batteries in _____ detector _____ replaced?
The lifespan _____ gas-leak _____ on _____?
_____ gas leak detectors' batteries?
_____ the _____ battery in a gas _____ detector device?
_____ before _____ replacements _____ natural-gas _____ detectors?
What _____ the lifespan _____ natural _____ leak detectors?
_____ detectors stay _____ by batteries?
Natural-gas-leak-detection devices _____ by batteries _____ be _____ while before they need _____.
How long is the _____ of _____ detectors?
_____ long will we _____ to change the _____ in _____?
Do _____ powered _____ sensors _____ new _____?
_____ will the battery _____ be of _____?
I would like to _____ lifespan of _____ a _____ detector _____.
How long _____ replacement batteries _____ required for _____?
_____ long will _____ to _____ the _____ in _____ detectors?
The lifespan of battery-powered _____ gas _____ detectors _____.
_____ about the _____ leak _____ lifespan?
How long does _____ take _____ a _____ to _____ batteries?
_____ battery-powered _____ leak _____ lifespan is _____.
_____ long _____ life of _____ typical NG detector?
_____ long before a gas _____?
_____ natural-gas leak detector _____ before _____ needs to be _____?
_____ gas leak detectors last?
How _____ last _____ gas _____ detectors?
The _____ battery-operated natural-gas _____ is _____.
How long _____ for _____ leak detector devices?
_____ natural-gas-leakdetection _____ on batteries.
How long until _____ need _____ for _____ is debatable.
_____ will the batteries _____ gas detectors be?
Do _____ gas leak sensors _____?
How long _____ detectors last before _____ replacement _____?
_____ batteries _____ gas leak _____ be _____.
Natural-gas _____ are _____ batteries.
How _____ do _____ powered natural _____ last?
Do _____ leak sensors _____ replenishment?
_____ is the lifespan _____ the _____ for _____ gas _____?

Will it be _____ to replace _____ long-term _____ battery-powered _____ monitors?
 _____ do natural-gas-leak-detection _____ on batteries?
 _____ you tell _____ duration _____ you need _____ in _____ portable natural-gas detector?
 How _____ we need to change _____ in _____?
 Natural-gas-leak-Detector _____ are powered _____ batteries but _____ they last without _____?
 _____ long before _____ need _____ change batteries in _____?
 _____ devices _____ but how _____ can _____ last without replacing _____?
 _____ replacements be necessary after _____ usage of _____?
 How _____ before a _____ is _____?
 _____ devices _____ powered _____ but how _____ can they last?
 What _____ average _____ of _____ gas _____ detector battery?
 Do _____ gas _____ sensors _____ refreshed?
 _____ long _____ need _____ for _____ methane detector is a question.
 _____ long till _____ are _____ for _____ gas _____ detectors.
 What is the battery _____ a _____?
 _____ you _____ gas leak doodads will stop working?
 Can you _____ me _____ the expected _____ for gas _____?
 How _____ leak detector _____ need for new batteries?
 How long _____ we have _____ change _____ batteries _____ gas-leak _____?
 _____ tell _____ average _____ of battery-powered natural-gas-leak detectors?
 _____ are powered by _____ long can _____ last without _____?
 _____ does _____ natural-gas leak detector last _____ it _____ replacement _____?
 How _____ does a natural-gas leak detector _____ replacements?
 _____ is _____ span _____ battery in _____ gas leak detector?
 How long does a natural-gas leak _____ are _____?
 _____ new batteries are needed _____ gas leak _____?
 Natural-gas-leak detector _____ by _____ so _____ long can _____ last?
 How _____ does _____ Naturalgas _____ last?
 Is it _____ the _____ after long-term _____ of natural-gas monitors?
 How _____ do _____ battery-powered _____ detector _____?
 _____ long _____ detecting _____ need _____ change batteries?
 Is _____ duration until you have _____ replace batteries in _____?
 _____ are battery-powered _____ leak detector _____?
 _____ is a natural-gas-leak-Detector _____ by a _____?
 How long before _____ in _____ devices?
 What _____ the batter life _____.
 How long _____ the gas _____ the _____?
 _____ it take _____ change _____ in _____ detector devices?
 How long _____ battery-powered _____ device _____?
 How _____ it take for _____ battery-operated _____ need fresh _____ units?
 _____ want to know _____ of _____ the _____ detector unit.
 What is _____ a _____ detector?
 _____ the life _____ a battery _____ Naturalgas leak _____?
 Natural gas-leak-detector _____ are _____ by batteries _____ long _____ they _____ replacement?
 How _____ should _____ natural-gas _____ before it needs new _____?
 Before _____ replacement _____ what is the _____ of _____ gas-leak _____?
 Does _____ standard _____ detectors _____ new _____?
 Is it necessary _____ to _____ of natural-gas monitors?
 Gas leak detectors _____.
 What _____ for gas leak _____?

Will replacing ____ batteries ____ after ____ natural-gas monitors?

What is ____ a ____ leak detector ____?

How ____ before we ____ batteries in ____ devices?

____ does the natural-gas ____ needing replacement batteries?

Natural ____ leak detection devices are powered ____ they last?

Natural-gas leak ____ are powered ____ how ____ can ____ last?

How long ____ detector ____ get ____ batteries?

____ long before we need to change ____?

____ gas leak-detection ____ by ____ can be ____ long time ____ they need to ____ replaced.

____ will ____ for new batteries to be needed ____ detectors?

How long till ____ are ____ battery-powered natural ____ detectors?

How ____ the ____ gas detectors will ____?

What is the ____ lifespan ____ detectors?

____ these ____ leakage sensors going ____ fresh ____ units?

____ before gas ____ batteries are ____?

Is there an expected ____ of ____ for ____?

How much time ____ it ____ to ____ the ____ devices?

Natural-gas ____ devices ____ by ____ can be ____ a ____ time before ____ be changed.

Do you ____ replacement ____ in ____ leak detectors?

We need ____ often ____ batteries in ____ leak ____ should be replaced.

____ before we need to ____ the batteries in ____?

Natural-gas-leak-detection ____ batteries can be ____ before being replaced.

What ____ the ____ life of ____ be like?

How long will ____ be ____ batteries are ____ alarms?

How long before ____ detection ____ needs ____ batteries?

Do you ____ the ____ rate ____ gas leak ____?

____ will ____ take for ____ to be needed ____ natural ____ leak ____?

Please ____ how often you ____ expect to ____ in a natural gas ____.

How ____ time ____ battery-powered gas ____?

____ detector's ____ life?

What is the ____ of ____ gas ____ detector ____?

____ is ____ batteries used in Naturalgas ____ detector devices?

Until you ____ to ____ in a natural-gas ____ what ____ is?

____ long are battery- ____ leak ____?

Natural gas ____ devices are powered by batteries, but ____ long ____?

Can you ____ me ____ often ____ gas ____ batteries?

Will ____ detectors' ____ last?

____ batteries ____ leak ____ may ____ necessary.

What ____ like ____ a typical NG detector?

____ long till ____ for natural gas leak ____?

____ leak ____ devices ____ by batteries can be used ____ they need ____ be replaced.

____ long before we ____ the ____ devices ____ detect gas leaks?

How often do ____ used to detect ____ new ____ of ____?

How long ____ for us ____ change ____ in gas-leak detecting ____?

What ____ the lifespan ____ the ____ natural-gas ____?

Natural-gas-leak- ____ devices can ____ powered ____.

How long ____ batteries ____ changed ____ the gas ____?

____ are powered ____ but how long ____ they last ____ replacements?

What ____ the ____ for gas leak ____?

What ____ the ____ battery ____ of a ____ detector?

_____ long _____ sensors need fresh _____ units?

Natural-gas-leak-detector _____ powered by _____ long can they _____.

How _____ it be _____ gas _____ batteries run _____?

Natural-gas-leak-detection devices _____ by batteries _____ used _____ time _____ need to _____.

_____ is _____ used for gas leak detection?

_____ the _____ have to be _____ the natural-gas monitors?

_____ lifespan _____ a battery _____ natural-gas leak detector?

_____ lifespan _____ operated natural-gas leak _____ not known.

_____ expected duration of _____ in _____?

_____ devices _____ powered _____ batteries but _____ long can _____ last _____.

Can _____ the _____ of a gas _____ battery?

_____ long _____ the gas detector _____?

_____ new batteries _____ necessary _____ sensors?

What _____ a typical NG detector.

How _____ last before requiring _____ batteries?

How long before _____ need _____ change _____ batteries _____ gas-leak _____?

_____ long before the gas _____ replaced?

_____ powered _____ batteries but _____ can they last?

Natural-gas-leak _____ by batteries, but how _____ they last?

Is _____ long _____ detector batteries _____ replaced?

_____ is the _____ of _____ gas _____ detectors?

Natural-gas-leak- detection devices _____ by batteries _____ used _____ a _____ they _____ replaced.
