

[Demo] NLP Dataset for Customer Service Automation

Company Type	Automotive manufacturers
Inquiry Category	Vehicle specifications and features
Inquiry Sub-Category	Safety features
Description	Customers are interested in knowing about the safety features present in the vehicle, including airbags, stability control, anti-lock braking system, lane departure warning, blind spot detection, and other technologies that ensure their safety.
Data Size	5,030 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Automotive manufacturer" customer inquiry. (Purchased data will not be masked.)

_____ airbags are _____ the interior _____ space for _____ passenger safety _____ ?

What _____ the number of airbag installations _____ vehicle?

_____ your vehicle have enough _____ the _____ enhance passenger safety _____ case _____ a _____ ?

_____ the _____ of _____ protection _____ cabin air bags?

_____ there any _____ on how many _____ fill _____ vehicle's passenger _____ ?

_____ you tell _____ the number of _____ bags _____ in the _____ ?

How _____ protective devices are _____ collision _____ ?

The number of _____ cabin _____ collision safety.

_____ many in-cabin air _____ are _____ passenger protection _____ ?

_____ number _____ air bags is in _____ it _____ for _____ to avoid _____ ?

_____ total number _____ put inside _____ car cabin?

_____ vehicle come _____ in the cabin to enhance _____ safety in _____ a collision?

_____ collision happen, _____ of _____ onboard airbags _____ in place?

Can _____ tell _____ number of airbags _____ the interior?

_____ of _____ cabin _____ bag _____ improve passenger safety.

_____ number of _____ bags _____ you _____ to make _____ safe?

_____ one _____ bag _____ inside to improve safety?

How _____ cabin air bags _____ implemented _____ scenarios?

Better collision _____ with _____ number of cabin _____ .

What amount _____ air _____ are _____ the _____ to make it _____ passengers _____ ?

What is _____ count of _____ air _____ safety?

_____ many _____ bags were provided _____ safety?

_____ many _____ used to _____ passengers during crashes?

_____ number of _____ are in _____ make _____ for passengers _____ escape an accident?

_____ in crashes due to cabin _____ bags?

_____ a collision happen, how _____ airbag _____ are _____ ?

What number _____ air _____ the car _____ make _____ for passengers _____ get _____ ?

_____ system might include multiple built-in _____ in the _____ area.

_____ know how many _____ cabin-centered airbags _____ crash _____?
 Can _____ total number of _____ in the interior?
 How many air _____ are _____ in the _____?
 Is _____ with enough _____ airbags _____ collision safety?
 _____ number of interior airbag _____ for _____ safety _____ crashes.
 _____ there _____ than _____ airbags _____ the interior _____ to _____ passenger protection?
 _____ of cabin _____ enhanced collision _____.
 _____ passenger _____ how _____ bags _____ installed in the _____ cabin?
 Is _____ confirm _____ total number of air _____ the _____?
 Increasing _____ crashes _____ be achieved _____ the _____ of cabin _____.
 _____ you tell me _____ crash- _____ bags _____ in _____ passenger area?
 _____ you tell me _____ number _____ safety _____ the passenger area?
 _____ more _____ safety in crashes because _____ air _____?
 _____ are many _____ airbags installed _____ safety _____ crashes, right?
 Is the automotive's collision _____ system comprised _____ air _____ in _____ full _____?
 Is _____ a _____ of airbags _____ to _____ safety?
 _____ of _____ in the car makes _____ passengers to survive _____?
 Can you tell _____ how _____ installed in the _____?
 How many _____ the inside of the _____?
 _____ you tell me _____ enhanced _____ bags in the _____?
 The _____ of air bags _____ car _____ safe.
 _____ number _____ air bags _____ the _____ should _____ collision _____.
 What's the _____ in-cabin _____?
 What _____ the _____ of in-cabin _____ for _____?
 _____ is _____ exact _____ of air _____ in this _____?
 _____ number of _____ car in _____ for passengers _____ survive accidents?
 _____ is the count of _____ protected _____ air _____?
 I want to _____ the number of _____ it easier for passengers _____ accidents.
 _____ air bags _____ inside _____ cabin _____ higher _____ safety?
 What number of air bags is _____ car to _____ stay _____ of _____ way?
 _____ of _____ bags for _____ collision _____ protection?
 _____ the _____ make travel safer during crashes?
 What _____ total count _____ cabin _____ safety?
 _____ there _____ collision safety _____ by the installed _____?
 _____ you _____ the total number _____ that have _____ installed _____ interior?
 Did _____ install multiple airbags inside the _____ added _____?
 _____ are _____ installed _____ cabin safety.
 There are _____ bags _____ the _____ help passengers _____.
 _____ bags in the car can _____ passengers _____ accidents.
 Can you tell _____ the _____ the interior?
 _____ in the cabin is _____ by _____ of _____.
 The _____ has _____ for _____ safety.
 _____ you be _____ to confirm _____ of airbags _____ in the _____?
 _____ install multiple air _____ in the _____ in crashes?
 _____ installation _____ the _____ air bags can _____ safety.
 How many _____ do you _____ crash _____ inside the _____?
 What _____ the number of _____ bag installations _____ make _____?
 How many _____ inside _____ cabin?
 _____ air bags does _____ car _____ to make _____ for passengers _____ out of _____?
 Better passenger _____ can be ensured by _____ number _____.

Do ____ have ____ air bags ____ to ____ passengers safe?
 ____ many ____ are ____ interior cabin?
 What is the ____ the car ____ helps ____ out of accidents?
 ____ cabin bags ____ enhanced collision ____?
 How many airbags ____ the interior ____?
 ____ many of the ____ systems are ____ place?
 Do ____ know ____ are multiple built-in airbags ____ the ____ cabin area ____?
 Can you give me ____ crash-safety ____ my car?
 What number ____ the car to let ____ stay ____ of ____ way?
 ____ number of air ____ is in ____ to make it ____ passengers ____ accidents?
 Do you ____ many ____ crash-safety bags ____ the ____ area?
 Is passenger ____ the ____ because of the extra ____?
 How many bags ____ there ____ to protect ____?
 ____ increase in ____ with installed ____ air bags?
 There ____ numerous ____ installed for passenger safety ____.
 Do ____ install ____ air bags ____ the ____ passenger safety?
 I ____ how ____ security ____ the ____ cabin has.
 How many ____ bags ____ in ____ to protect ____ crashes?
 ____ there ____ number of cabin ____ ensuring ____ safety?
 Is ____ automotive's ____ protection ____ includes ____ airbags ____ throughout the full cabin ____?
 Crash safety inside ____ cabin ____ by how ____.
 How many ____ guarantee ____ safety ____?
 What ____ air bags ____ you ____ to make ____ safe?
 ____ protection ____ passengers ____ interior cabin-centered airbags are installed.
 What ____ of ____ bags is in ____ can survive accidents?
 Is there ____ crashes ____ the ____ cabin air bags?
 ____ of air ____ in ____ something that ____ it easier for passengers ____ out of harms ____.
 ____ of airbags ____ were put ____ car cabin?
 Can you ____ the number of ____ in ____?
 ____ are ____ number of ____ that ensure ____ in the ____?
 ____ are a lot ____ cabin-centric ____ installed for ____ safety ____ right?
 ____ you tell me how many ____ installed ____ collision protection?
 ____ there a number ____ bags ensuring improved ____?
 ____ enough airbags ____ your ____ your passengers from accidents?
 How ____ bags ____ the ____ cabin?
 There ____ many cabin-centered ____ for maximum passenger ____
 Do you ____ bags ____ interior ____ keep ____ safe during accidents?
 Is ____ interior cabin equipped ____ protect ____ happen?
 ____ air bags ____ in the cabin
 Is it possible to ____ airbags ____ to ensure ____ protection ____ crashes?
 ____ number ____ air bags ____ in ____ can stay out ____ harms way?
 How ____ are ____ passengers in accidents?
 Did ____ number ____ bags ____ collision safety?
 ____ cabin-centered ____ bags maximize ____ for passengers?
 Is ____ than one airbags inside ____?
 Which ____ in the ____ make ____ easier for passengers ____ avoid accidents?
 What ____ of air bags ____ the car ____ make ____ passengers to ____?
 ____ are more ____ one ____ inside ____ enhance safety.
 ____ interior cabin space ____ bags are ____?
 Do you ____ air bags ____ cabin for added ____?

_____ passengers to _____ of accidents, _____ air bags is _____ the _____?
 I _____ know the _____ of airbags in _____.
 _____ enough seatbelts _____ your vehicles to _____ sure _____ passengers _____ protected when _____ occur?
 Can _____ number of airbags _____ been _____ in the interior?
 _____ number of _____ bags in the _____ passengers stay out _____ harms _____.
 _____ many air bags are _____?
 How _____ air bags _____ for collision _____?
 Do _____ vehicles come with _____ bags in _____ to _____ the passengers _____ case of _____?
 _____ would _____ to know how many _____ airbags fill _____.
 How many _____ are _____ by _____ bags in _____?
 Can you tell me _____ of _____ are in _____ area?
 How _____ crash-safety _____ the _____ area of the _____?
 _____ number _____ in the interior cabins?
 Is there _____ installed cabin airbags?
 _____ you give me _____ of _____ airbags in _____ vehicle?
 _____ air _____ passengers when accidents happen?
 _____ number of _____ air _____ for _____.
 Is it _____ many cabin-centered airbags _____ installed _____ passenger _____ during _____?
 Better passenger _____ impact _____ achieved with the _____ of _____ air bags.
 _____ the _____ of interior cabin airbags _____?
 What number _____ air _____ is _____ to make it _____ for _____ to _____?
 Is there _____ supplemental restraint _____ specifically _____ enhancing crash _____?
 _____ of _____ airbags _____ a collision?
 Is _____ an enhanced passenger _____ in _____ the cabin _____?
 _____ your _____ have enough air bags _____ the _____ enhance _____ safety _____ accidents?
 _____ you tell _____ how _____ crash-safety airbags _____ in the _____ area?
 How many _____ are _____ interior?
 How many _____ bags _____ located inside _____ cabin _____?
 Can _____ show _____ the _____ air bags _____ the interior?
 Is _____ than one bag _____ inside _____ safety in _____?
 _____ many air bags are _____ cabin to _____ safer _____?
 _____ of air _____ cabin _____ passenger safety in the _____ of a _____?
 _____ the cabin _____ multiple air _____ passenger safety?
 _____ many interior air _____ installed _____ passenger safety?
 _____ you _____ how _____ bags are in the _____?
 What is the number _____ bags in _____ cabin _____ passengers?
 _____ the automotive's collision protection _____ there multiple built-in _____ the _____ area?
 _____ bags are in _____ to make _____ easier _____ to avoid harms way?
 _____ you _____ enough _____ in _____ interior to _____ passengers from _____?
 _____ many _____ airbag _____ to ensure better passenger _____ accidents?
 _____ count _____ in-cabin airbags _____ passengers?
 _____ is ensured through _____ installation _____ interior air _____.
 What is the _____ in-cabin _____?
 _____ of _____ bags _____ safety inside the cabin?
 Is it equipped with _____ air _____ collision _____?
 Is _____ than _____ installed inside to _____ safety?
 How _____ air bags are _____ interior _____?
 _____ you tell _____ airbags are _____ the interior?
 How many air bags do you _____ cabin _____ keep _____?
 Is _____ number of cabin _____ safety?

_____ many air _____ for passengers?

What is the _____ put _____ this _____ for passengers' safety?

_____ there more than _____ air _____ installed _____ full cabin _____ of the _____?

_____ you give me _____ of enhanced crash- safety _____ area?

I want to know _____ the _____ space.

_____ airbags in the interior space to ensure _____ protection?

Is _____ of _____ bags _____ the interior correct?

Are _____ one airbag installed _____ to enhance _____?

What is _____ total _____ cabinair _____ for added _____?

How many _____ crash _____ inside the _____

Is it _____ airbags _____ enhanced safety?

_____ you tell _____ air bags fill _____ passenger area _____ vehicle?

What number _____ air _____ is in _____ to _____ of harms way _____?

_____ many air bags _____ in _____?

What _____ interior _____ crash protection?

Does _____ automotive's _____ protection system _____ multiple built-in _____ in the _____?

_____ tell _____ the _____ of airbags that have _____ the interior?

How _____ air bags are in the _____ passengers?

_____ number _____ air bags is in the car _____ it _____ for _____ harms way?

Enhanced _____ safety in crashes can be _____ the _____ cabin _____.

_____ better passenger safety if _____ cabin _____ installation is _____.

Is _____ number _____ interior _____ bags implemented in _____?

_____ number _____ installed _____ cabin-centered airbags _____ for passengers?

Tell me the _____ the security _____ in _____.

What _____ of _____ airbag maximize _____ protection _____ passengers?

How _____ air bags _____ cabin to _____ passengers safe _____?

_____ passenger _____ can be _____ of the interior _____ air bags.

How many _____ bags are installed _____ for _____?

Is there _____ cabin air bags _____ safety?

_____ many air _____ are _____ the _____ safer travel?

How many _____ are _____ the cabin for _____?

_____ number of air bags _____ car to _____ easier _____ passengers _____ survive _____?

_____ you know _____ crash- _____ fill the vehicle's _____ area?

Is it possible _____ fit adequate _____ interior _____ improve _____?

Are there _____ air bags _____ passenger _____?

_____ count _____ the _____ added safety _____ crashes?

The _____ interior _____ in crashes?

_____ many air bags have _____ for passenger safety?

Does your _____ the cabin _____ enhance passenger safety in case of _____ accident?

How _____ cabin _____ there _____ added safety?

What _____ air _____ are _____ the car to _____ passengers _____?

_____ many air bags are _____ cabin _____ safer?

_____ you _____ the number _____ interior _____ bags _____?

_____ passenger safety is _____ the total number _____ bags _____.

Is passenger safety _____ the car's _____ of these _____?

How many _____ do _____ install?

Is the _____ protection system including _____ airbags in the _____?

_____ how many air bags _____?

_____ enough installation of _____ to _____ safety in cabins?

_____ number _____ air bags is in the car _____ to _____?

Better _____ safety _____ be _____ the _____ cabin air bags _____.
 What number of air _____ in _____ to _____ easy _____ to stay _____ of harms _____?
 _____ bags in the _____ can help _____ accidents.
 _____ you give _____ number _____ air bags _____ room?
 What _____ of _____ bags _____ in _____ to _____ out of _____ way?
 _____ you tell me _____ of enhanced _____ safety _____ the _____?
 Is there a number of cabin _____?
 What _____ the number of _____ occupant protection?
 _____ the _____ have enough air _____ to _____ passenger _____ during _____?
 There are multiple airbags _____ the _____ ensure _____ passenger _____.
 How _____ bags _____ in the car _____ it simpler for passengers _____ stay out _____?
 _____ tell _____ number of Airbags installed _____ the _____?
 How many _____ are there _____?
 What is _____ air _____ in the car _____ passengers?
 _____ a lot of _____ airbags _____ for maximum passenger safety?
 _____ number of _____ bags in _____ can _____ it easier for _____ stay _____ accidents.
 _____ many _____ sacs _____ in the _____ to _____ passengers?
 What's the _____ of _____ bags in _____ cabin _____?
 Should _____ air bag systems is there?
 _____ number _____ air bags are installed _____ occupant _____?
 What is _____ in _____ car cabin?
 _____ should _____ multiple airbags in _____ ensure optimal passenger _____.
 _____ it _____ adequate airbags _____ the interior to _____ safety?
 Do you _____ enough _____ in your _____ to _____ are protected _____ accidents?
 I _____ know how many air _____ in _____ interior _____.
 The _____ of _____ collision safety?
 _____ should be _____ air bags in _____ interior _____ to _____ protection _____ crashes.
 _____ many bags are installed _____?
 _____ the _____ space, how _____ bags are _____?
 _____ you _____ me the total _____ of _____ installed _____ the _____?
 _____ better _____ if there are lots of cabin _____?
 What _____ the _____ of cabin _____ for _____?
 _____ there a count _____ in-cabin _____ passenger protection?
 _____ many air _____ been _____ passenger safety?
 _____ many airbag _____ on _____ interior cabin _____?
 _____ passenger safety _____ crashes _____ be _____ by _____ use of _____.
 _____ safety _____ be ensured by _____ of cabin air _____.
 What is _____ number _____ airbags _____ put _____ this car _____?
 _____ many _____ air _____ installations is _____ passenger protection?
 How _____ safety bags _____ installed _____ the interior _____?
 How _____ safety _____ are _____ in the _____?
 _____ air bags are _____ for better collision _____?
 How _____ bags are installed _____ the _____?
 _____ safety _____ are installed in _____ inside cabin?
 Can you _____ us with the number of _____ airbags _____?
 _____ enough installation of air _____ to increase _____ cabins?
 What _____ count of _____ cabin _____?
 The number of cabin air _____ for _____.
 Did _____ install multiple _____ the _____ added safety?
 _____ safety improved within _____ interior _____ the _____ air bags?

____ you ____ air ____ interior you ____ enhance passenger safety.
 ____ air ____ are installed ____ the interior cabin ____?
 What ____ of ____ ensure enhanced collision ____?
 Can you tell me how ____ enhanced ____ area?
 ____ there enough air ____ coverage in the cabin ____ the event ____ collision?
 ____ tell me ____ of ____ in the interior ____ improved collision ____?
 Can ____ be enough ____ bags ____ interior ____ to ____ passengers?
 ____ airbags are ____ the ____ cabin?
 ____ the number ____ in ____ car ____ for passengers' safety?
 ____ the ____ several ____ ensure ____ crash protection for passengers?
 ____ in-cabin ____ bags are used for ____?
 How many ____ passenger safety ____ the ____ cabins?
 What's ____ count ____ in-cabin airbags ____ passenger ____?
 ____ air sacs ____ in ____ cabin?
 Is ____ safety in crashes due ____ the ____ bags?
 How ____ airbags ____ the cabin ____?
 Is it ____ add ____ in ____ to ____ passenger safety?
 ____ you know ____ of ____ that protect ____?
 What ____ of ____ inside the ____ it easier ____ passengers ____ stay out of accidents?
 Will there ____ interior supplemental restraint ____ to enhance ____?
 ____ number of air bags in ____ car ____ stay ____ of ____.
 ____ you ____ enough airbags in ____ to make ____ protected when ____ occur?
 ____ number ____ interior cabin ____ in ____ scenarios?
 What number ____ are inside ____?
 I'm wondering ____ many ____ bags there ____ interior ____.
 ____ are in the cabin ____ ensure ____?
 ____ count of air bags in ____?
 How ____ interior cabin ____ in collision ____?
 ____ of air ____ in a car ____ passengers stay ____ of ____ way?
 Is ____ of ____ cabin Airbags ____ in collision ____?
 ____ you ____ me ____ many airbags were ____ in ____?
 Can you tell me ____ many ____ bags ____ vehicle?
 ____ number of ____ bags do you use to ____?
 How many enhanced crash-safety airbags ____?
 Do you ____ total number of air bags ____ the ____ for ____?
 ____ to know the count ____ airbag installations.
 Should a ____ onboard airbag ____ are installed?
 Is ____ more than ____ airbags installed ____ increase ____ in ____?
 ____ have enough air bags in your vehicles ____ make ____ accidents?
 What ____ of air bags ____ the ____ passengers ____ out ____ way?
 ____ air ____ is ____ the car to keep ____ of harms ____?
 airbags ____ safety ____ the ____
 How many ____ the cabin's ____ safety?
 Is there more passenger ____ crashes ____ of ____.
 There ____ multiple ____ air ____ area as ____ the collision protection system.
 There are ____ bags ____ car to keep ____.
 ____ number of air bags is ____ the car ____ make ____ to ____ out of ____?
 The ____ has ____ for ____ safety during ____.
 How ____ air bags ____ on the ____?
 Does ____ of ____ cabin enhance passenger safety ____ case of a ____?

_____ tell _____ the total number of airbags _____ the _____?

Is _____ possible to _____ many enhanced crash-safety _____ the _____ area?

Can _____ me how _____ the passenger area _____ vehicle?

What amount _____ in the car to _____ passengers _____?

_____ collision safety can _____ provided _____ the number _____ cabin _____.

_____ number of air _____ in the car to _____ it _____ for _____ to _____?

_____ automotive's _____ may include multiple _____ bags in _____ cabin.

How many _____ crash- safety _____ the _____ area?

Do you have enough _____ the interior _____ crashes?

Do you know if _____ multiple _____ air bags _____ the _____?

What _____ the number _____ air _____ in _____ car _____ will make it easier _____ passengers to _____?

What _____ of _____ bags _____ inside _____ car cabin?

_____ number _____ bags is in the _____ for _____ to _____?

_____ vehicle have _____ air _____ the cabin to _____ case _____ a collision?

Is there more _____ one _____ the _____ space _____ make _____ optimal _____?

_____ number of interior _____ bags _____ a collision?

How many _____ bags ensure _____?

_____ more than _____ installed inside to enhance _____.

Is it true that _____ cabin-centric _____ for passenger _____?

_____ collision safety can _____ by the _____ of _____.

How many _____ bags _____ cabin _____ ensure _____ safety?

What is _____ in this car _____ passengers' safety?

_____ number of air bags _____ car _____ it easier _____ survive _____?

_____ many _____ in _____ car to _____ passengers in _____ accident?

Is _____ specific _____ of _____ bags _____ passengers inside?

_____ the _____ of _____ installed in the interior?

What number of air bags _____ in _____ car, to _____ for _____ stay out _____?

_____ in crashes because of the numerous _____ air _____?

Should _____ collision _____ of _____ onboard _____ bags are in _____?

_____ number of _____ bags are used to _____?

_____ bags _____ in the car to _____ for passengers to _____ out of _____ way?

How _____ airbags _____ the interior _____ space?

There _____ air bags in _____ full cabin _____ part _____ the _____ protection _____?

_____ many _____ provided to _____ passengers?

How many _____ the _____ the cabin?

How many _____ bags _____ cabin _____ travel _____ crashes?

_____ of the _____ protection _____ are _____ multiple _____ in _____ full cabin area?

What's _____ count _____ in-cabin _____ passenger _____?

Can you _____ total number _____ airbags _____ are installed _____ the _____?

How many air _____ crash _____ the _____.

_____ number of cabin air bags _____ safety?

_____ the number _____ air bags in _____ car to _____ it _____ for passengers to _____ of _____?

_____ know how _____ cabin's _____ bags there are?

The _____ interior _____ installations is important for _____.

Is there _____ than _____ the interior _____ make _____ passenger protection during _____?

_____ air bags for added safety?

How _____ bags _____ installed for _____ protection.

How many passenger _____ installed in _____?

_____ air _____ are placed _____ the interior _____ space?

Is _____ enough _____ airbags for _____ safety?

_____ air bags _____ in _____ make it easier _____ people to _____ accidents?
 _____ many _____ have been _____ for _____ protection?
 _____ how many enhanced crash-safety _____ the passenger area?
 _____ the _____ collision _____ system _____ multiple _____ throughout the full _____ area?
 Is _____ enough _____ in _____ make sure your _____ are _____ accidents happen?
 _____ sits in the car to make _____ easier for _____ survive _____?
 How _____ been _____ the interior cabin space?
 There is a _____ the _____ to help passengers _____ accidents.
 _____ collision safety _____ ensured _____ number _____ cabin airbags.
 How many _____ protected _____ the _____ cabin-centered _____?
 What amount _____ air _____ in the _____ help passengers _____ out _____?
 _____ many bags _____ installed on the inside _____?
 _____ many _____ airbag installations _____ make passenger _____ better?
 What number _____ air _____ passengers when _____?
 _____ the automotive's _____ built-in air bags in _____ cabin?
 Is it _____ how _____ enhanced _____ airbags fill the passenger _____?
 What is the number _____ put _____ cabin for _____ safety?
 Is _____ possible _____ confirm the total _____ of airbags _____?
 _____ enough installation of the _____ in cabins _____ collision _____?
 Is your _____ equipped _____ enough internal _____ mitigate injuries?
 How many _____ be protected _____ interior _____ airbags?
 How many bags are _____ in the _____?
 Do _____ have enough _____ to make sure _____ passengers _____ from accidents?
 Is _____ interior space equipped _____ optimal passenger protection _____ crashes?
 What number of _____ put _____ for passenger safety?
 _____ wonder if _____ has enough _____ airbags for _____.
 _____ number _____ air bags _____ the car to _____ out _____ harms _____?
 _____ there a _____ of _____ airbags _____ for _____ safety during _____?
 _____ air _____ in the cabin _____ safer travel?
 Is there _____ than _____ airbag _____ the _____ space to maximize _____?
 Can _____ tell _____ enhanced crash- safety airbags _____ my _____?
 _____ you _____ multiple air bags in the _____ safety?
 _____ of airbags are provided _____ passenger _____?
 _____ number of _____ in the _____?
 _____ confirm the _____ number _____ air bags _____ in _____ interior?
 _____ your vehicles _____ bag coverage in _____ cabin _____ passengers _____ case of _____ crash?
 _____ the _____ of in-cabin _____ bags for _____ safety?
 _____ you tell _____ the total _____ installed in the _____?
 What _____ bags _____ in _____ car?
 I want _____ know _____ of _____ cabin's security _____ are.
 I _____ know _____ bags are _____ the interior.
 Is there more _____ one Airbag installed _____?
 Can _____ tell _____ how many air _____ inside?
 What _____ exact number of air _____ in _____ car _____?
 _____ many _____ airbag _____ are _____ to make sure _____ safety _____?
 _____ collision scenarios, the _____ interior _____ implemented?
 _____ many _____ installed _____ the interior cabin _____?
 Enhancement _____ passenger _____ in _____ achieved by _____ use of cabin _____.
 What _____ the _____ of in cabin _____ bags _____?
 What _____ the _____ number of _____ put inside _____ car _____?

What are the number _____ the _____ to help passengers _____?

_____ air _____ are _____ for _____ passenger?

Does the _____ have _____ bags _____ passenger safety?

_____ passengers _____ protected by _____ installed _____ cabin-centered airbags?

_____ many air _____ you _____ the interior?

_____ there a lot of _____ airbags _____ safety?

What _____ air _____ in _____ it harder for passengers to be in _____?

Is there enough air _____ coverage _____ to enhance _____ of a _____?

_____ air bags are _____ the car, _____ make it _____ to survive _____?

How _____ air _____ are _____ to make it crash _____?

How _____ are _____ installed cabin-centered airbags?

How many _____ bag systems _____ to passenger _____?

_____ number of air _____ is used to _____ safe _____?

What's the count _____ added _____?

_____ many enhanced crash- _____ in the _____?

Do you _____ bags in _____ cabin _____ passenger _____?

_____ there _____ passenger safety in _____ because _____ cabin _____?

How _____ cabin _____ are _____ passenger protection?

Can _____ us the _____ of _____ installed _____ the interior?

Is _____ automotive's collision protection system includes _____ in _____ full _____?

_____ enough _____ airbags _____ improve collision safety _____ cabins?

What number of air _____ are in _____ to allow _____ to _____?

How many _____ bags were _____ this _____ cabin _____ passengers' _____?

_____ many _____ are in _____ cabin to _____ safety.

What _____ the exact number of air _____ that _____ in _____?

_____ cabin bags implemented?

_____ interior cabin airbags?

What's _____ amount _____ bags _____ passenger protection?

How many _____ bags _____ the car _____ help _____ accidents?

_____ you _____ how _____ safety _____ fill _____ passenger _____ of the vehicle?

Is it _____ many _____ bags fill the _____ area?

Is _____ true that many _____ are _____ maximum passenger _____?

_____ your _____ come _____ a sufficient amount of _____ bags _____ cabin _____ case _____ crash?

_____ collision _____ of the onboard _____ systems are present?

_____ if _____ airbags installed in the _____ cabin area _____ the car?

_____ number _____ air bags _____ passenger protection?

_____ it _____ cabin-mounted airbags?

Does the _____ enough airbags to _____?

_____ enhanced crash-safety _____ the vehicle's passenger _____?

Are _____ of interior _____ airbags _____?

_____ are _____ air _____ in the car _____ easier for _____ to stay out _____ accidents?

_____ know if there are _____ air _____ installed _____ full cabin?

Does your vehicle _____ enough air _____ coverage in the _____ passenger _____ case _____ a _____?

_____ passenger _____ can _____ achieved by the installation _____ interior _____.

_____ were installed for maximum _____?

_____ you tell me how many _____ airbags _____ in _____ area?

_____ count of _____ airbags _____ protection during _____.

Better collision safety _____ achieved _____ of cabin _____.

_____ may _____ more _____ one airbags _____ to _____ safety.

_____ install _____ bags in _____ cabin _____ passenger safety _____ crashes?

Enhancement _____ safety in _____ is determined _____ number of _____ bags.

Increased passenger safety in crashes _____ achieved _____ the _____.

_____ many interior _____ installations are _____ for passenger _____ in _____?

Is _____ amount _____ air _____ cabin _____ to _____ passenger safety in _____ crashes?

What _____ of _____ bags is _____ to _____ passengers _____?

_____ you tell _____ many air bags _____?

There is _____ of air bags _____ car _____ make it _____ passengers to _____ of _____.

How many _____ the interior _____ space for passenger _____?

What _____ of _____ bags _____ inside _____ car cabin _____ safety?

_____ is the number of _____ in _____ interior _____?

_____ many bags _____ the car _____ protect _____ in an _____?

Can _____ tell _____ number of _____ crash- safety _____ fill the _____?

_____ are _____ by _____ air bags in the _____?

There may be _____ than _____ enhance safety _____ crashes.

Is _____ than one _____ in _____ interior _____ ensure _____ passenger protection?

I _____ to know the number of air _____.

_____ is the _____ of _____ air bags installed?

_____ is _____ interior air _____ installed _____ make passenger safety _____ priority?

How _____ enhanced _____ bags _____ passenger area?

_____ vehicle have enough _____ you and your _____ protected from accidents?

Did _____ multiple air bags _____ for passenger _____?

What _____ is in the car _____ make _____ to _____ be involved in accidents?

How _____ safety devices _____ cabin _____ protect passengers during _____?

_____ interior cabin air _____ implemented _____ a _____?

There _____ cabin-centric airbags _____ for maximum _____.

How _____ bags _____ in the _____ protect _____ during _____?

_____ tell _____ many enhanced crash-safety _____ are _____ the car?

Can you _____ me _____ air bags _____ in _____ interior?

_____ have _____ cabin-mounted airbags for _____ collision _____?

Do _____ come _____ the _____ for passenger safety in case of a _____?

The _____ of cabin _____ enhanced _____?

Number _____ interior _____ in collision _____?

Is _____ a _____ airbags implemented?

_____ crash happen, how many _____ bags _____ place?

_____ interior _____ the car equipped with _____ to _____ optimal _____ protection?

Can _____ me _____ of enhanced crash- _____ airbags _____ my _____?

_____ total _____ of interior _____ installations?

_____ number of _____ cabin airbags in _____?

_____ the _____ of airbags in this car cabin _____ passengers?

Is _____ to tell _____ enhanced _____ safety airbags fill the _____?

_____ are in _____ make it easy for _____ to survive accidents?

There _____ passenger safety _____ if _____ cabin _____ bag is installed.

Is there an _____ safety due to _____?

_____ many _____ bags are _____ the _____ cabin space?

Do your _____ come _____ sufficient amount _____ air _____ in _____ in case of _____?

_____ scenarios, _____ many interior cabin _____ bags are _____?

_____ the _____ of _____ air bags _____ added safety?

How _____ air _____ in _____ cabin ensure _____ during _____?

Should _____ of _____ air _____ enhanced collision safety?

The number of _____ in _____ important for passengers to _____.

What number of air _____ present _____ the car _____ accidents?
 _____ of _____ bags _____ the car to _____ passengers out of harms _____?
 _____ you _____ bags _____ in the _____?
 _____ fit _____ in the interior _____ protect the passengers?
 The _____ interior _____ air bags implemented _____ scenarios
 How _____ in-cabin _____ are needed _____?
 _____ number of air bags _____ car is it _____ it _____ passengers _____ stay out of _____?
 Is _____ that _____ airbags _____ installed _____ improve safety in _____?
 _____ many airbags are _____ occupant _____?
 Should a _____ how many _____ air _____ systems _____?
 What _____ air bags _____ into _____ car _____ make _____ easier _____ to _____ accidents?
 _____ there enough air _____ interior _____?
 How _____ air bags should _____ installed _____ ensure better _____ crashes?
 Is it _____ multiple _____ in the _____ to _____ optimal passenger _____ during _____?
 What _____ the total amount _____ bags _____ safety?
 Is _____ to fit enough air bags _____ increase _____ safety?
 Is there a _____ to ensure _____ collision _____?
 What is the number _____ in-cabin _____?
 _____ to know how many enhanced _____ airbags _____ vehicle's _____ area.
 _____ you _____ airbags in the interior to _____ a _____?
 _____ many interior airbag installations _____ to _____ safety _____ crashes?
 How _____ been installed _____ maximum occupant _____?
 How many air bags _____ inside the _____?
 Increasing _____ safety _____ be achieved through _____ airbags.
 _____ collision protection system _____ include multiple _____ throughout the _____ cabin.
 _____ safety improved _____ airbags in the car's _____?
 _____ airbags in _____ to protect your _____ when accidents _____?
 What _____ the _____ passenger protection _____ in-cabin air _____?
 There _____ than _____ installed _____ to enhance safety in _____.
 _____ are numerous _____ airbags installed _____.
 Better passenger _____ can be _____ with the interior _____.
 _____ many air bags _____ been put _____ this contraption _____?
 _____ many air _____ the cabin _____ the _____ safer?
 What _____ is _____ the _____ to keep passengers _____ harm's way?
 Is it _____ to confirm the number _____ in _____ interior for _____?
 Did _____ airbags in _____ cabin for _____ protection?
 _____ comes to passenger _____ in accidents, _____ bags are installed _____ cabin?
 Is there _____ increased passenger safety _____ cabin _____ bags?
 _____ many airbags are installed _____ the interior _____?
 _____ number of air bags is _____ the _____ to _____ survive _____?
 What _____ count _____ protection _____ interior _____ air bags?
 Is there _____ safety due _____ bags?
 Can _____ tell _____ airbags _____ area of a vehicle?
 _____ the _____ of interior cabin air bags _____?
 _____ number of _____ cabin _____ implemented _____ scenarios?
 What _____ the _____ air bags?
 Can _____ number _____ enhanced crash- _____ bags _____ the vehicle?
 Do you know _____ are multiple built-in _____ installed _____ full _____ area of _____?
 _____ make it easier _____ stay out _____ way, what _____ of air bags _____ car?
 _____ many _____ the passenger _____?

How many ____ bags are ____ protection during ____?

Is ____ more passenger safety ____ crashes ____ cabin ____ bags?

Is ____ an ____ collision ____ with the ____ cabin ____?

____ me ____ number of air bags ____ in the ____?

How many enhanced crash-safety ____?

____ in ____ car to make ____ easier for ____ survive an accident.

What is ____ total ____ of ____ air bag ____?

____ of air bags in ____ cabin enhance ____ safety ____ the ____ collision?

Do ____ have ____ bags ____ interior to make passenger ____ priority?

____ passenger safety within ____ car's ____ by ____ extra airbags?

Can ____ tell me ____ total ____ air ____ the interior.

____ many ____ bags ____ in ____ cabin for ____?

How many ____ bags improve ____ cabin.

Does ____ interior space ____ multiple ____ bags to ____ passenger ____?

Does ____ enough air ____ in the cabin ____ safety in the ____ of a ____?

How many ____ did you put ____ cabin ____ safety?

____ air bags in collision ____?

____ vehicles have enough air ____ in ____ to ____ safety in the event ____ a ____?

____ of air bags ____ in ____ car cabin?

Is there ____ of ____ to improve ____ in ____?

____ can ____ tell me in the interior?

____ more ____ safety ____ due ____ the cabin airbags?

What ____ the ____ of ____ for passenger ____ during ____?

____ there ____ air bag in the interior space ____ ensure ____ crashes?

How ____ safety ____ are installed ____ the ____ cabin?

The number ____ bags ____ the ____ can help ____ of ____ way.

What number of ____ is ____ car to help ____?

Is ____ more ____ one Airbag ____ the ____ to ____ optimal ____ protection?

Do you ____ number of ____ interior space?

How many ____ added safety?

____ you ____ enough air ____ vehicles to ____ sure you are protected ____?

What is the exact ____ used in this ____ for ____?

Should a crash happen, ____ many onboard ____ systems ____?

In ____ to ____ what is the total number ____?

It is easier ____ stay out ____ accidents ____ bags in the car.

____ of air bags are ____ to protect ____ passengers ____?

____ many ____ bags are installed ____ the ____?

____ you tell ____ many enhanced crash- ____ fill the ____ passenger ____?

____ airbags ____ the interior ____ space.

____ is ____ total ____ of air ____ the car ____ for ____ safety?

Can you ____ the total ____ of ____ the interior for ____ protection?

Is the cabin ____ multiple airbags ____ in ____?

Should there ____ air bags in ____ cabin ____ protect ____?

____ many ____ the ____ are installed?

____ number ____ crash safety in the ____?

____ many airbags are ____ interior cabin ____?

____ you know ____ of airbags installed ____ the ____?

Is there ____ than one ____ installed ____ to ____ safety ____?

Can ____ me the ____ number ____ airbags ____ for improved protection?

____ more ____ safety in ____ there are ____ air bags?

The ____ of interior ____ air ____ in ____ crash?
 ____ many bags ____ to ____ passengers ____ the ____ cabin space?
 For enhanced collision safety, ____ airbags?
 ____ you ____ me the ____ of in-cabin ____ passenger ____?
 ____ you ____ tell me ____ total number of ____ in the ____?
 How ____ bags are used to ____ passengers ____?
 Is ____ air bags ____ in ____ interior?
 ____ of air bags is in the ____ to make ____ more convenient ____ out ____ way?
 What ____ in-cabin bags for ____?
 Is ____ safety ____ to ____ air ____ inside ____ cabin?
 What number of ____ bags ____ for passengers to stay ____?
 Is ____ a total count ____ cabin ____ for ____?
 Can ____ show ____ number of ____ installed in the interior?
 How ____ in ____ of the cabin maximize ____ protection?
 Enhanced ____ safety can ____ with ____ cabin air bags.
 ____ interior ____ air bags boosting ____ safety ____?
 ____ there more ____ one airbags in ____ interior ____ protect ____ in ____?
 When ____ comes ____ passenger ____ in the ____ cabin space ____ are ____?
 What ____ bags ____ in a ____ make it ____ to ____ accidents?
 ____ number of ____ are in ____ car ____ easier for passengers to ____?
 ____ number of ____ cabin airbags ____?
 What is ____ number ____ ensure ____ safety inside ____ cabin?
