

[Demo] NLP Dataset for Customer Service Automation

Company Type	Auto Repair and Maintenance Shops
Inquiry Category	Problems with the air conditioning system
Inquiry Sub-Category	Strange smells from AC
Description	Customers may ask about unusual odors coming from their air conditioning system, indicative of mold or mildew growth, a clogged cabin air filter, or a potential refrigerant leak.
Data Size	5,033 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Auto Repair and Maintenance Shop" customer inquiry. (Purchased data will not be masked.)

Shouldn't there be noxious _____ automotive _____ right?

What _____ noxious fumes _____ AC/heat _____?

_____ there be _____ out _____ an _____?

Shouldn't _____ apparatus cause _____ smells?

Should the fumes _____ automotive _____ and cooling _____?

Is it _____ to _____ poisonous _____ the air conditioning and heating _____?

_____ an _____ and ventilating _____ fumes?

Should _____ fumes _____ by _____ unit?

_____ car heating system _____ poisonous _____?

Shouldn't _____ released by _____ and _____ apparatus belching out?

Shouldn't the car _____?

_____ my _____ heater _____ gases?

Is it normal to _____ poisonous _____ from _____ conditioner and _____ in _____?

Shouldn't my _____ blow _____?

Shouldn't _____ noxious fumes _____ one's automotive _____ apparatus?

_____ by the _____ equipment be bad?

_____ fumes _____ automobile heating _____ equipment?

Shouldn't _____ be _____ in _____ car _____ equipment?

Is my car's _____ equipment _____ to belch _____?

Toxic fumes _____?

_____ it _____ to have _____ from the heater _____ in my _____?

Shouldn't I know that _____ control _____ bad?

Is it normal _____ have poisonous _____ heating and _____ in _____ car?

_____ not _____ to _____ unpleasant _____ when we _____ our car _____ unit?

Shouldn't there _____ poisonous gasses _____ from _____ heater?

_____ I have _____ about _____ come from my vehicle's heating, ventilating, and air _____?

_____ the fumes _____ the _____ and cooling apparatus _____ present?

Isn't _____ systems supposed _____ produce harmful _____?

Is the ____ or ____ the car ____ for ____ bad gases?

Is it ____ for ____ have ____ emissions released from the ____ heating?

____ should be ____ out ____ A/C.

____ automotive heating/cooling ____ harmful gases.

____ toxic ____ be leaking out ____?

noxious fumes should ____ by ____ heating/ ____.

Shouldn't vehicles ____ their ____ system?

____ my ____ heating ____ equipment supposed to ____ fumes?

Is ____ heating ____ cooling ____ car normal ____ it to emit ____ dangerous?

____ normal ____ have poisonous emissions from ____ heater and ____ conditioners ____?

Is the ____ or ____ of the ____ for ____ gases?

Do ____ worry about toxic ____ coming from my ____ and ____ conditioning ____?

____ be fumes coming ____ apparatus?

Is it ____ for the vehicle's ____ harmful ____?

Is ____ normal for my ____ heating ____ release poisonous emissions?

____ the automotive ____ to ____ harmful gases?

____ vehicles expel ____ fumes through ____?

____ it ____ heating and cooling of my car ____ gasses?

____ there be poisonous ____ my ____?

Is it normal ____ emissions ____ the heating and air ____ car?

The ____ should emit ____ fumes.

____ noxious ____ coming out of ____ automotive ____ apparatus?

Shouldn't ____ a ____ apparatus be harmful?

Doesn't ____ regulation apparatus ____ harmful ____?

____ car heat ____ gases?

____ the heating and cooling ____?

Shouldn't ____ generate fumes?

____ heating/ ____ can emit noxious ____.

The automotive heating/cooling ____ should ____.

____ car's temperature ____ harmful smells?

Don't ____ discharge noxious ____ through ____ heating ____ system?

____ automobile ____ cooling system ____ noxious fumes?

Is it ____ poisonous emissions ____ and air ____ in ____ vehicle?

____ were ____ smells ____ my ____ control mechanism, shouldn't I know ____?

Shouldn't a ____ temperature regulation ____?

____ heating ____ cooling system ____ poisonous fumes?

Should ____ produced by ____ heating and ____ apparatus ____ present?

Is ____ for ____ automotive ____ conditioning and ____ unit ____ release ____ gasses?

I ____ if ____ that ____ emissions come out ____ my ____ and air ____.

____ vehicle's engine and ____ cooling ____ supposed ____ cause toxic ____?

Is ____ for poisonous ____ to ____ the ____ and ____ in my vehicle?

noxious fumes should originate ____.

Is ____ cooling a ____ normal ____ emit ____ that can ____ dangerous?

____ we ____ emissions from our ____?

Is ____ normal for ____ heating/ cooling ____ to ____ toxic ____?

____ a ____ temperature regulation ____ usually ____?

____ it ____ for a car heating/cooling ____ harmful ____?

Is it normal ____ car to ____ poisonous ____ released ____ and air ____?

____ fumes from ____ automotive ____ unit supposed to ____ from ____?

____ noxious ____ the automotive ____ cooling Apparatus be ____?

Is it _____ the heating _____ the _____ to _____ bad gasses?
 _____ the _____ by _____ automotive heating _____ apparatus be present?
 _____ worry about _____ emissions from _____ vehicle's heating, ventilating, and _____ ?
 _____ should _____ from _____ automotive heating/cooling _____.
 _____ there be fumes that come _____ one's _____ equipment?
 _____ it normal _____ my _____ have poisonous emissions coming _____ the _____ and _____ ?
 _____ can _____ released from _____ car heating/cooling _____.
 Shouldn't noxious _____ come _____ of one's car?
 _____ my _____ climate _____ mechanism _____ harmful _____ ?
 Is it _____ out _____ the air conditioning and _____ in _____ car?
 Shouldn't the fumes _____ from the _____ belching out?
 Is _____ normal for the _____ and _____ of _____ emit _____ gasses?
 Shouldn't _____ a lethal stench?
 _____ it normal _____ poisonous _____ from _____ air conditioning and heating _____ ?
 _____ I not _____ bad smells from the _____ my _____ ?
 _____ the heating or _____ of _____ car _____ for _____ emit _____ gases?
 _____ the _____ fumes normal _____ the car's _____ ?
 Shouldn't _____ generate fumes?
 _____ normal for the car's _____ and _____ make _____ gases?
 _____ it _____ for an _____ conditioning _____ heating _____ to release _____ ?
 _____ generate poisonous _____ ?
 _____ car's _____ or cooling can _____ .
 Shouldn't _____ any _____ fumes _____ out _____ my _____ AC?
 _____ an _____ HVAC _____ cause poisonous _____ ?
 Shouldn't _____ noxious _____ released by the _____ cooling _____ present?
 Doesn't _____ systems emit harmful _____ ?
 Don't a car's _____ regulation apparatus _____ ?
 Is _____ to _____ emissions released _____ my car's _____ heating system?
 _____ noxious _____ from the _____ heating and _____ present?
 _____ the _____ or _____ the car normal for _____ emit _____ gasses?
 Is _____ normal to _____ my car to _____ bad _____ ?
 _____ normal for _____ carcooling system to emit _____ ?
 Don't the cars expel _____ the _____ ?
 _____ it's normal for _____ heating/cooling system _____ toxic fumes.
 _____ my _____ A/C _____ ?
 _____ A/C supposed to _____ a noxious _____ ?
 _____ HVAC _____ belching fumes?
 Shouldn't _____ be _____ produced by _____ heating andcooling _____ ?
 _____ noxious _____ normal _____ heating system?
 There ought to _____ from the heating _____ .
 Is the _____ of _____ supposed _____ ?
 Is it _____ to _____ released from my _____ heater and _____ ?
 _____ there be fumes _____ car's _____ equipment?
 Is _____ heating _____ cooling of _____ normal _____ it _____ release _____ gases?
 _____ normal to _____ poisonous emissions _____ heater and air _____ my vehicle?
 Is it _____ for the noxious _____ by the _____ to _____ out?
 Is _____ normal that _____ come _____ of my _____ heating _____ unit?
 Do _____ about toxic _____ coming from my vehicle's heating and _____ ?
 Shouldn't _____ out of the automobile heating _____ ?
 Shouldn't I _____ bad _____ from _____ car's _____ conditioning or _____ system?

Is noxious fumes from the _____ unit _____?

_____ for noxious _____ to _____ of the AC?

_____ the _____ that _____ the automotive heating/cooling _____ noxious?

Is _____ vehicle's _____ cooling equipment to belch _____?

_____ belched from the heating/cooling _____.

Should _____ fumes through _____ systems?

Is heating or _____ a _____ normal _____ to make _____?

Bad _____ cars, _____?

Shouldn't _____ fumes _____ from _____ heating/cooling apparatus?

_____ the _____ heating/cooling _____ to emit _____ gasses?

_____ fumes _____ car heating/cooling _____ harmful?

Shouldn't the _____ from the _____ and _____ apparatus _____?

Wouldn't _____ fumes from _____ automotive heating _____ be _____?

_____ the _____ car heating/cooling apparatus be _____?

_____ automotive heat/cooling unit _____ noxious _____.

_____ an _____ generate fumes?

_____ be fumes _____ one's automobile _____ and cooling apparatus?

_____ it _____ for the _____ and _____ in _____ to emit _____ gases?

The toxic gas _____ come _____.

I am _____ if it _____ that poisonous emissions come _____ my vehicle's _____ conditioning _____.

_____ fumes _____ automotive heating and cooling _____ belched out?

Is it normal for _____ of AC?

_____ it normal _____ be released from _____ air _____ and the _____?

_____ motorcycle's heating and cooling _____ toxic fumes.

_____ the toxic _____ come _____ the _____?

Should _____ be fumes _____ the automobile _____?

_____ should _____ out from the automotive _____.

_____ there be _____ from the heating _____ equipment in _____?

_____ it normal _____ a car heating/cooling _____ fumes?

_____ it normal for _____ be released from _____ air _____ system _____ my car?

Is it ok _____ us _____ have unpleasant _____ while _____ unit?

_____ A/C _____ gasses?

Shouldn't _____ nasty gases?

_____ car's temperature _____ apparatus _____ noxious _____?

_____ noxious _____ one's automotive heating/cooling _____?

Shouldn't _____ fumes from the heating and _____ of _____?

_____ car heating/cooling system _____ able to _____ fumes?

The _____ cooling of _____ can _____ dangerous gases.

Should toxic gases _____ be present _____ car's _____?

Shouldn't _____ automobile's _____ generate fumes?

_____ noxious fumes released by the _____ and cooling _____?

Shouldn't noxious _____ out of _____ automotive _____ cooling _____?

Is _____ for my _____ poisonous _____ released _____ heating _____ air conditioning units?

_____ fumes _____ released _____ one's _____ apparatus?

Is _____ to _____ released from the _____ heater in _____ vehicle?

Shouldn't _____ harmful odors _____ my _____ control mechanism?

_____ noxious _____ released _____ the _____ heating and cooling _____ be _____?

_____ my _____ system _____ the _____ gasses?

_____ poisonous _____ coming out _____ A/C?

_____ have poisonous _____ from my car's air conditioning _____ heating _____?

_____ system _____ car supposed to emit _____ gases?
 _____ have to worry about _____ emissions coming _____ car's HVAC _____?
 Is _____ normal for poisonous emissions _____ the _____ air _____ of my _____?
 _____ temperature _____ apparatus emit _____ odors?
 _____ there was _____ bad _____ from _____ car's climate control mechanism?
 _____ and _____ system produce noxious fumes?
 _____ vehicles _____ noxious fumes _____ heating/cooling _____?
 _____ for the _____ and cooling _____ car to create _____ gases?
 Is _____ normal for _____ emissions _____ furnace _____ air conditioning in _____ car?
 _____ my _____ and _____ equipment supposed to _____ fumes?
 _____ noxious fumes from the _____?
 Is _____ poisonous _____ from my vehicle's heater and _____ conditioning?
 Is the heating or _____ the _____ create harmful _____?
 Shouldn't _____ functioning _____ heating, ventilating _____ air conditioning _____ release _____ into _____ air?
 _____ it normal _____ poisonous _____ released _____ the _____ and air conditioning of _____?
 _____ noxious _____ discharged _____ AC system of vehicles?
 _____ noxious fumes normal _____ car's _____?
 _____ one's _____ heating/cooling _____ be noxious?
 _____ be noxious?
 _____ there be fumes that _____ the _____ apparatus?
 Shouldn't _____ emissions coming _____ the temperature _____ system _____ my _____?
 _____ it _____ for _____ emissions _____ be released _____ heating and _____ in _____ car.
 Is it _____ to release _____ emissions _____ vehicle's heater _____?
 noxious fumes should _____ by the automotive _____.
 Do _____ have _____ worry _____ the toxic _____ from my car's _____ conditioning _____?
 Is harmful fumes _____?
 Is noxious _____ come out _____ heating/cooling unit?
 Shouldn't my car's _____?
 _____ fumes released _____ a _____ heating/cooling _____ be unpleasant?
 _____ conditioning _____ be leaking _____ gasses?
 _____ poisonous emissions come _____ vehicle's heater and _____?
 _____ normal to _____ emissions released _____ air _____ heating units in _____ car?
 _____ vehicles release noxious _____ through _____?
 Is it _____ for _____ cooling and _____ in _____ to _____ gases?
 _____ my motorcycle's _____ and cooling _____ suppose to _____?
 Shouldn't there be _____ coming _____ the heating _____ car?
 _____ A/C supposed to make _____ smell _____?
 Is the heating or cooling _____ car normal _____ gases?
 Is _____ automotive _____ supposed to emit harmful _____?
 _____ fumes _____ my car's _____ system?
 _____ there be _____ coming _____ of a heating _____?
 _____ should release noxious fumes.
 Shouldn't my car _____ fumes?
 _____ fumes _____ released by the automotive _____ unit?
 The heating _____ can emit harmful gasses.
 Is the _____ the _____ emit harmful gases?
 If cars _____ fumes _____ control _____ don't they?
 Is _____ heating _____ cooling of _____ to emit _____ gases?
 _____ be noxious fumes _____ from the _____ system?
 _____ the car heater _____?

Is _____ to have _____ the _____ heating and _____ conditioning systems?
 _____ it _____ poisonous emissions _____ from my _____ heater and air _____?
 Toxic gas _____ coming _____ A/C?
 Is _____ or cooling of _____ car normal _____ to _____ harmful _____?
 Should the fumes _____ by _____ heating/cooling _____ be _____?
 Shouldn't _____ be fumes from one's _____ cooling _____?
 Shouldn't _____ from _____ car _____ and cooling equipment?
 _____ there _____ fumes _____ one's heating and cooling _____?
 Is the cooling _____ heating _____ normal _____ it _____ dangerous gasses?
 Shouldn't my _____ engine _____ poisonous _____?
 Wouldn't the noxious _____ the _____ heating _____ apparatus be _____?
 _____ emissions _____ from vehicle climatization _____?
 _____ gases _____ in _____ car's heating/cooling _____?
 Shouldn't _____ air _____ system _____ poisonous _____?
 Shouldn't _____ heating _____ air conditioning _____ emit _____ fumes?
 Is _____ normal _____ poisonous emissions to _____ released _____ heating _____ in my car?
 Is it _____ for _____ emissions _____ be _____ Heater _____ conditioners of my _____?
 Shouldn't there be _____ escaping _____?
 _____ there be _____ harmful _____ from my _____ AC?
 Is _____ normal to _____ emissions _____ from _____ heating _____ conditioning system _____ my _____?
 _____ heating system blow some _____?
 _____ automobile _____ make poisonous _____?
 _____ to have poisonous emissions released from _____ car's _____ conditioning?
 Is _____ normal _____ system to emit harmful _____?
 Is _____ normal _____ cooling system _____ harmful gases _____ a _____?
 Toxic gas _____ the _____.
 _____ heating/cooling unit _____ be _____ fumes.
 Shouldn't there be _____ coming _____ car heating _____ equipment?
 _____ toxic _____ part _____ a car's _____ mechanism?
 Shouldn't _____ gasses coming _____ A/C?
 _____ fumes from _____ correct?
 _____ to _____ released by the automotive _____ unit?
 Shouldn't an _____ heating and cooling system _____?
 _____ I know my car's climate _____ has _____?
 Shouldn't there be fumes _____ automobile _____?
 Shouldn't my car's climate _____ mechanism _____?
 The _____ the _____ heating/cooling apparatus _____ be kept to a bare _____.
 _____ noxious _____ be _____ by the automotive _____?
 _____ there be fumes coming _____ of the automobile _____?
 _____ the _____ fumes come _____ and cooling apparatus?
 Is the _____ or _____ of a _____ normal for it _____?
 _____ an _____ air _____ system _____ fumes?
 _____ noxious fumes _____ automotive heating/ cooling unit.
 _____ normal for _____ and heating _____ to release toxic _____?
 _____ fumes from _____ andcooling equipment?
 _____ there _____ from _____ automobile _____ andcooling equipment?
 _____ be _____ coming out _____ the A/C?
 Is my vehicle's _____ and _____ supposed to _____?
 The _____ heating/cooling unit _____.
 _____ there was bad _____ coming from my car's _____?

_____ the heating/cooling _____ car normal _____ harmful gases _____ be _____?
 Shouldn't _____ fumes come from _____ right?
 _____ the _____ from a car _____ be bad?
 _____ gases _____ of _____ car's _____ mechanism?
 Shouldn't _____ heating/cooling _____ release _____ fumes?
 Is _____ emissions released _____ the _____ air _____ units of my vehicle?
 Shouldn't _____ car _____ gasses?
 Is it normal _____ and cooling of _____ cause _____ gases?
 Is _____ okay _____ the _____ cooling in _____ car _____ harmful gasses?
 _____ gas _____ coming _____ A/C.
 Don't _____ their AC system?
 Shouldn't a car's _____ make _____?
 _____ there be noxious _____ emitted _____ one's _____ heating/cooling _____?
 _____ noxious _____ automotive _____ and cooling equipment be present?
 Is _____ vehicle's engine and heating and _____ to _____?
 _____ the car _____ some _____ gases?
 _____ there _____ poisonous _____ from the auto's _____?
 Shouldn't vehicles _____ fumes _____ heater/ AC _____?
 Shouldn't _____ released by _____ car heating/cooling Apparatus _____?
 Shouldn't _____ the _____ heating/cooling apparatus belched?
 The _____ fumes _____ from the _____ heating _____.
 _____ be fumes from _____ equipment _____ the automobile?
 Is _____ normal for the _____ cooling on my car _____?
 Shouldn't _____ automobileHVAC system _____?
 _____ there be _____ coming _____ A/C?
 _____ car's climate control _____ odors?
 _____ car's temperature _____ Apparatus produce _____?
 Shouldn't I know _____ car's _____ control _____ was _____?
 _____ wonder if my _____ heater _____ blow _____.
 _____ the heating/cooling _____ supposed to emit _____ gases?
 _____ fumes _____ climate control systems?
 I _____ if _____ noxious _____ from the heating _____ in _____ car.
 Don't I _____ right to smell bad odors _____ AC _____?
 Don't _____ emit harmful _____ climate control _____?
 Shouldn't _____ released by a car _____ apparatus be _____?
 Shouldn't _____ conditioning system _____ poisonous _____?
 Should _____ car heater blow _____?
 Is _____ poisonous emissions to come _____ heating _____ air conditioning in _____?
 Shouldn't _____ noxious _____ by _____ automotive _____ cooling apparatus belching _____?
 Doesn't a car _____ regulation produce _____?
 Is _____ to _____ poisonous emissions _____ heating and air _____ in my _____?
 Is _____ normal for my _____ to emit _____ gases _____ it?
 _____ it normal for _____ conditioning and _____ to _____ toxic gasses?
 _____ it _____ poisonous _____ be released from _____ air _____ and _____ of my _____?
 _____ heating and _____ my _____ should belch toxic _____.
 _____ fumes that _____ from the _____ heating _____ cooling apparatus?
 _____ it _____ for _____ in my _____ emit bad gases?
 Is _____ normal _____ the heat and _____ my _____ to emit _____?
 _____ it _____ thecooling _____ heating to _____ gases _____ my car?
 I _____ wondering _____ my car AC _____ have _____.

Is ____ toxic ____ normal for ____ car's air ____ and ____?

____ heating/cooling ____ supposed ____ harmful gases.

Shouldn't noxious ____ from ____ heating/cooling apparatus?

____ poisonous emissions come ____ of my ____ and air ____ unit?

Toxic ____ should ____ out ____ right?

____ fumes should be caused ____ automotive ____

Should ____ expected from ____ units?

____ for ____ to expel noxious fumes through ____ AC ____?

____ fumes ____ at ____ car's ____ system?

Don't vehicles usually discharge ____ through ____?

Shouldn't any ____ be released into ____ a ____ functioning automobile ____ and ____?

Shouldn't ____ fumes release by a ____ be ____?

____ for ____ cooling and heating in ____ car to emit ____?

____ released by ____ heating/cooling ____ shouldn't be ____ a bare minimum.

Shouldn't ____ fumes from the ____ heating/ cooling ____?

Shouldn't there be ____ of ____ car ____ and ____ apparatus?

____ it normal ____ to come ____ my ____ and air conditioning?

The vehicle ____ emit ____ fumes.

Is it normal ____ from the ____ and ____ system ____ my ____?

____ not ____ noxious fumes ____ by the ____ and cooling ____?

____ to have poisonous emissions from my ____ air ____?

Is ____ motorcyle's heating ____ supposed ____ make toxic ____?

____ car's ____ and cooling can ____.

Shouldn't ____ car heating/cooling apparatus be ____?

____ the ____ out ____ be toxic?

____ it normal for ____ fumes ____ car's ____ system?

____ it ____ an auto's ____ and ____ conditioning to discharge ____ periodically?

Is the heating and ____ emit harmful gases?

____ it normal ____ poisonous ____ from ____ and ____ system of my car?

____ blow poisonous gases?

Is it normal for ____ have poisonous emissions ____ conditioning ____ heating ____?

____ the fumes out ____ a ____ apparatus be ____?

____ my car ____ blow some ____?

____ the ____ cooling ____ the car ____ creating harmful gases?

Is ____ of the ____ normal for ____ emit harmful gases

Shouldn't ____ blow the poisonous ____?

____ aware of ____ bad ____ from my car's ____ control mechanism?

____ there ____ toxic gas coming ____?

Shouldn't ____ heating and ____ system cause ____?

____ noxious fumes produced ____ automotive heating/cooling equipment?

____ the fumes ____ by ____ car ____ cooling apparatus ____ bad?

Shouldn't ____ fumes released by ____ cooling apparatus ____?

____ my hot car ____ poisonous ____?

____ orcooling ____ the ____ for it to make ____ gases?

____ my car heating ____ blow ____?

____ it normal to have ____ released ____ the heater ____ air conditioning ____?

____ expel noxious fumes ____ their air ____ system?

____ fumes ____ the heating and ____ apparatus?

Shouldn't ____ noxious ____ caused by the automotive ____ belching ____?

____ gas ____ out of A/C, ____.

Is it _____ that poisonous _____ come out of _____ system?

Toxic _____ be released _____ one's _____ heating/cooling _____.

_____ automobile _____ and cooling system _____ vapors?

_____ it _____ for the cooling _____ heating _____ gasses _____ my car?

_____ the heating or _____ of the car _____ emit gases _____ are _____?

noxious _____ should _____ by _____ automotive _____ unit.

Shouldn't there be _____ one's heating and cooling _____?

_____ it _____ poisonous emissions are released _____ my car's _____ system?

_____ noxious _____ released by _____ heating and _____ Apparatus belching _____?

Shouldn't there be fumes _____ one's _____?

_____ my _____ heater blow _____ are _____?

_____ air conditioning system _____ fumes?

_____ to worry _____ emissions _____ from _____ car's heating, ventilating, and air _____?

Shouldn't _____ poisonous gases?

Is _____ system supposed _____ emit harmful _____?

Is _____ have poisonous _____ car's heating and _____ system?

Shouldn't fumes come out of _____?

_____ you think there _____ be _____ from my _____ vents?

The noxious _____ of _____ automotive heating/cooling _____ be kept _____ minimum.

_____ my _____ control _____ smell bad?

Is it normal _____ have poisonous emissions _____ from _____ car's _____?

Isn't _____ normal _____ car _____ system to _____ toxic _____?

_____ or cooled car _____ for _____ emit harmful gases?

Doesn't a car _____?

Do _____ to be concerned about toxic emissions _____ my _____ heating _____?

Is _____ normal _____ my _____ heating _____ cooling to _____ gases?

_____ an automobile HVAC _____ fumes?

_____ automotive heating/ cooling unit _____ to _____.

_____ my _____ system _____ poison gasses?

Is the fumes _____ come _____ car heating/cooling _____?

Should poisonous _____ out _____ my vehicle's heater _____?

_____ it _____ to have poisonous _____ released _____ the _____ and _____ system?

_____ noxious _____ through their AC _____?

There should _____ fumes _____ heating and air conditioning _____.

Shouldn't my _____ poisonous gases?

Shouldn't there be _____ coming _____ and _____ equipment?

The heating and cooling _____ harmful gases.

_____ my _____ blast the poisonous _____?

_____ or _____ of the _____ normal for _____ to emit harmful _____?

Should _____ fumes _____ by the _____ heating and cooling _____?

There should _____ in _____.

_____ the noxious _____ coming from the _____ and _____ be _____?

_____ poisonous _____ coming from my _____ AC?

_____ fumes released from the _____ apparatus _____?

Is _____ engine _____ and cooling equipment _____ to cause _____ fumes?

Don't vehicles usually release noxious _____?

_____ the heating/cooling _____ my car emit _____?

Shouldn't the _____ released by _____ heating _____ belching out?

_____ fumes _____ automobile heating and cooling equipment?

Shouldn't an automobile _____ and air _____ fumes?

_____ it _____ for _____ to be released _____ air conditioning and _____ my _____?

The _____ heating/cooling unit _____.

Does _____ heating _____ cooling _____ for it to _____ that _____ be dangerous?

_____ my _____ heating and _____ equipmentsupposed _____ belch _____ fumes?

Is _____ to be released _____ heating/cooling unit?

Don't _____ expel _____ through their heating/ _____?

Is _____ heating _____ my car _____ cause toxic fumes?

Should the _____ automotive heating _____ cooling _____ be present?

Shouldn't there be fumes _____ from _____ cooling apparatus?

_____ noxious fumes _____ released _____ the automotive _____ and _____ be present?

There _____ be _____ one's automobile _____ apparatus.

Shouldn't there _____ toxicity _____ A/C?

_____ heating/ _____ unit should _____ noxious _____.

_____ heating/cooling system can _____ toxic _____.

Is _____ heating _____ of _____ for it to emit dangerous _____?

Cars emit fumes _____ climate _____ they?

Shouldn't _____ dang _____ blow the _____?

_____ a car's _____ produce _____ smells?

I _____ there _____ be _____ gas coming _____.

Is _____ normal for _____ heating _____ the car to emit _____?

Is toxic gases _____ in a _____ mechanism?

_____ for poisonous _____ to be released from the _____ on _____ car?

_____ there _____ fumes from the _____?

There _____ be noxious fumes _____ the _____ system.

_____ automobile ventilating system _____ poisonous _____?

Shouldn't _____ air _____ system _____ noxious fumes?

_____ to _____ it is expected that _____ emissions _____ out _____ heater and air conditioner.

_____ or cooling of the car normal to _____?

Doesn't _____ car's _____ regulation _____ odors?

Shouldn't fumes _____ one's automobile _____ out?

_____ typically produce noxious _____?

_____ be released into _____ a properly _____ automobile heating _____ air conditioning setup?

Is it normal to _____ heater _____ conditioning in the _____?

_____ ought to be _____ gas coming _____.

_____ I need _____ worry about _____ from my _____ ventilating and air _____?

_____ the fumes from the _____ apparatus _____ out?

Is _____ normal for a _____ heating _____ to _____?

_____ we be _____ emissions from our _____?

Shouldn't there _____ fumes _____?

_____ fumes be produced _____ heating/cooling _____?

_____ heating _____ cooling my _____ emit harmful gasses?

_____ automotive heating/cooling _____ harmful _____?

Shouldn't _____ car _____ poisonous _____?

_____ it _____ that poisonous emissions _____ my vehicle's heating _____ system?

Is _____ heating _____ the car normal _____ cause harmful _____?

_____ automotive _____ cooling unit is supposed _____ fumes.

_____ normal for _____ car _____ release _____ fumes?

_____ normal for the heating _____ of _____ car to emit _____?

Is my _____ heating _____ cooling equipment _____ be _____?

_____ noxious _____ the heating/ cooling _____?

The automotive _____ might _____ fumes.
 _____ the heating and _____ of _____ car _____ to _____ gases?
 _____ normal to have poisonous _____ car's air conditioner _____ elements?
 Shouldn't _____ car's temperature _____ apparatus _____ harmful _____?
 Shouldn't _____ any _____ odors _____ from _____ car's climate _____ mechanism?
 _____ noxious fumes _____ the automotive heating/cooling _____?
 _____ the A/C _____ toxic _____?
 _____ the fumes _____ heating/cooling equipment be bad?
 Shouldn't _____ air conditioning _____ in an _____ generate _____?
 _____ be _____ coming out _____ one's _____ heating/cooling apparatus?
 _____ noxious fumes _____ one's _____ apparatus?
 _____ for the heating or cooling of _____ car _____ emit gases _____?
 _____ an automobile heating, ventilating and _____ fumes?
 _____ not _____ released into _____ air from _____ properly functioning automobile _____?
 Is _____ for _____ to come _____ the _____ and air conditioning _____ my _____?
 Is _____ to have poisonous _____ from _____ air conditioning _____ car?
 _____ it _____ to have _____ the _____ conditioning _____ the _____ in my car?
 _____ ought _____ be fumes coming _____ automobile _____ and cooling apparatus.
 _____ my _____ and _____ equipment _____ belch toxic fumes?
 _____ normal for _____ to be released from the _____ and _____ my _____?
 Don't _____ noxious _____ released by _____ automotive heating and _____?
 Is _____ fumes normal _____ my _____?
 Shouldn't _____ heater be _____ poisonous _____?
 Shouldn't _____ know _____ were _____ odors _____ from _____ car's Climate _____?
 I wonder _____ it's normal for my _____ air _____ release _____ gases.
 _____ fumes released _____ a _____ heating/ cooling _____ be _____?
 Is _____ and cooling a _____ to _____ dangerous gases?
 _____ vehicle's temperature _____ system belching _____?
 Is _____ have poisonous _____ from the air _____ heating _____ my car?
 _____ A/C _____ supposed _____ emit _____ lethal smell?
 _____ vehicles _____ noxious _____?
 Is it normal _____ and heating to emit _____?
 _____ in _____ noxious fumes _____ by _____ automotive _____ apparatus.
 noxious fumes should _____ unit.
 _____ cooling _____ car _____ for it _____ emit harmful gases?
 Is _____ cooling and _____ my _____ to _____ harmful gasses?
 Shouldn't _____ be _____ come out _____ one's _____ and _____ equipment?
 Is it _____ for _____ air _____ and heating units to _____?
 Shouldn't the fumes _____ one's _____ Apparatus _____?
 _____ normal _____ the heater and air _____ to release _____ emissions?
 We should _____ hazardous emissions _____ units.
 _____ an _____ heating and cooling _____ poisonous _____?
 Is it _____ and _____ my car _____ harmful _____?
 _____ fumes belching _____ from the automotive heating _____?
 _____ releasing _____ fumes from one's _____ system _____?
 _____ noxious fumes from the automotive _____ and _____?
 _____ from my car's heat _____?
 _____ normal _____ have poisonous emissions from _____ and _____ my vehicle?
 _____ the heating/cooling _____ should _____ noxious.
 _____ normal _____ my _____ air conditioning and heating _____ release _____ gasses?

Is _____ cooling systems _____ to emit _____?

Is it normal _____ poisonous _____ my _____ and _____ conditioning system?

Does _____ heating _____ of _____ cause harmful gases?

_____ heating and _____ a car normal _____ harmful gases?

Shouldn't _____ be _____ heating/cooling equipment?

_____ be harmful _____ coming _____ A/C?

Shouldn't fumes released _____ automotive _____ cooling apparatus _____?

_____ there _____ fumes _____ out of _____ heating _____ equipment?

_____ released _____ the automotive heating and cooling _____?

Shouldn't _____ be any poisonous _____ coming _____ auto's _____?

Is _____ poisonous emissions to _____ the heater _____ of my car?

Is the _____ or _____ of _____ normal _____ it _____ emit harmful _____?

Shouldn't my _____ Heater _____ gasses?

Are _____ supposed to experience _____ smells _____ we use our _____?

Is cooling and _____ car _____ it _____ emit harmful _____?

_____ should _____ gas coming _____ a/c.

Is it normal _____ heating and cooling _____ release _____?

I _____ if it's expected _____ come from _____ heating and _____ conditioning _____.

Is the _____ the car _____ to _____ that can be _____?

_____ if automotive heating/cooling systems _____?

_____ fumes released by _____ automotive _____ and _____ belching out?

_____ temperature _____ apparatus emit _____ odors?

Shouldn't _____ car _____ gases?

_____ car's _____ regulation apparatus _____ odors?

_____ a noxious _____ heating or cooling in _____?

Is _____ cooling _____ the car normal for it _____ gases?

_____ blow poisonous gases.

_____ fumes _____ be _____ the _____ unit.

_____ my car's _____ supposed to _____ harmful _____?

_____ normal _____ emissions to be released from the _____ in my car?

_____ not meant to experience _____ smells when _____ the _____ AC/ _____?

Is _____ noxious smell _____ heating and _____ the car?

Shouldn't _____ fumes _____ their AC _____?

Shouldn't _____ automobileHVAC system _____?

_____ wonder _____ comes from _____ heating or _____ in the car.

Is _____ that _____ come _____ my vehicle's heating _____ conditioning system?

Do _____ my _____ AC should have _____?

_____ it _____ for the heating _____ cooling _____ car _____ emit harmful _____?

_____ toxic gases _____ a car's _____?

Is _____ motorcyle's _____ equipment supposed to _____ toxic _____?

Should _____ be _____ coming _____ one's automobile _____ equipment?

Shouldn't an _____ conditioning _____ emit _____?

noxious _____ out of the automotive _____.

Shouldn't _____ car heating system _____.

_____ hot car blow _____ poisonous _____?

_____ the _____ by one's automotive heating/cooling _____ be _____?

Shouldn't _____ gas coming _____ A/C?

Shouldn't an automobile _____ and _____ produce poisonous _____?

_____ is capable of _____ noxious fumes.

_____ noxious fumes normal from my _____?

_____ poisonous _____ to come out of my _____ heater _____ air _____?

The heating or _____ of _____ car _____ gases.

_____ there _____ one's heating/cooling equipment?

_____ I know _____ bad smells _____ out of _____ climate control _____?

Shouldn't _____ fumes _____ one's automobile _____ and cooling equipment?

_____ vehicles expel noxious _____ heating/air _____ system?

Is _____ heating/cooling _____ supposed _____ release _____ gases?

_____ automobile heating _____ cooling system _____ gasses?

Isn't _____ heating/cooling _____ supposed _____ discharge _____?

Shouldn't the _____ belching _____?

_____ the automotive heating and _____ should be present.

Shouldn't _____ the automotive heating _____ cooling apparatus _____ out?

Shouldn't noxious fumes _____ from _____?

_____ the _____ that _____ from a _____ apparatus be _____?

_____ fumes be expelled through _____?

Shouldn't _____ be _____ poisonous _____ coming _____ my car's _____?

Isn't _____ heating/cooling _____ to _____ harmful _____?

_____ systems emit fumes?

_____ cars _____ through their climate control _____?

_____ I _____ to worry _____ from my _____ heating _____ cooling system?

Shouldn't the _____ by the _____ cooling apparatus _____ out?

_____ it normal for _____ AC/heat system _____ fumes?

Doesn't _____ car's temperature _____ harmful _____?

_____ normal _____ the _____ or cooling of the car _____ harmful _____?

_____ it _____ for the _____ and _____ unit to release _____ gasses?

Shouldn't _____ of _____ be bad?

_____ fumes that come from one's automotive _____?

Shouldn't my _____ mechanism emit _____?

_____ if it's _____ that poisonous emissions _____ of _____ car's _____ and _____ conditioning.

Is it _____ poisonous emissions _____ and cooling systems?

_____ there _____ gas coming _____ A/C?

Should there _____ come _____ of _____ heating _____ equipment?

Doesn't _____ regulation _____ it _____ bad?

_____ I _____ climate control mechanism _____ bad _____ from it?

Is _____ normal for _____ car air conditioning _____ unit _____ toxic _____?

_____ there _____ fumes _____ heating _____ apparatus?

Shouldn't _____ be _____ that come out _____?

Absolutely harmful _____ cars, _____?

_____ car's A/C _____ stink?

_____ car's A/C _____ make a _____?

Shouldn't _____ know _____ car's _____ control _____ had _____ smells?

Shouldn't _____ regulation apparatus produce _____ smell?

Shouldn't _____ noxious fumes _____ the automotive _____ apparatus?

Is there a _____ smell _____ from _____ heating _____ cars?

Shouldn't my _____ blow _____?

_____ the heating/cooling system in a car to _____?

_____ engine and motorcyle's _____ and cooling _____ supposed _____ toxic _____?

_____ fumes from one's car _____?

Should the _____ my car emit _____?

_____ it _____ for _____ or cooling to emit _____ that _____ be _____?

Do I have _____ worry _____ the _____ emissions _____ my _____ ?
 Is the heating _____ the car _____ to make _____ gases
 Shouldn't there be _____ of the _____ heating _____ equipment?
 _____ heating and cooling _____ car supposed to _____ fumes?
 _____ my _____ heating _____ cooling _____ supposed _____ toxic fumes?
 _____ fumes released _____ the automotive _____ cooling _____ be present?
 _____ the heating and _____ a _____ normal _____ to _____ dangerous gases?
 Shouldn't _____ coming out of _____ ?
 Is _____ normal for poisonous _____ heater and _____ conditioning in _____ car _____ ?
 Is it okay for _____ cooling in my _____ bad _____ ?
 Are _____ not _____ experience _____ smells _____ using our _____ unit?
 _____ car's heater _____ poisonous gases?
 _____ there be _____ from one's automobile heating _____ ?
 Is _____ heating or _____ normal to _____ gases _____ be dangerous?
 Is it normal _____ released from _____ air conditioning _____ heating in _____ ?
 Shouldn't vehicles _____ fumes _____ system?
 Shouldn't _____ come from _____ heating and cooling _____ ?
 Is _____ a _____ heating _____ cooling _____ to release _____ fumes?
 _____ normal to _____ poisonous _____ released _____ my _____ and air _____ systems?
 _____ heating/cooling _____ should not be _____ of _____ .
 Shouldn't _____ emission from _____ vehicle's _____ control _____ be _____ ?
 Shouldn't _____ automobile _____ and cooling _____ fumes?
 _____ fumes _____ emitted _____ the _____ heating/cooling unit.
 _____ fumes _____ a _____ cooling _____ be bad?
 _____ the heating or _____ vehicle _____ to make harmful _____ ?
 Correct, _____ vehicles with _____ HVAC systems _____ produce _____ ?
 Shouldn't _____ fumes coming out of one's _____ ?
 Shouldn't _____ heating _____ blow _____ poisonous _____ ?
 _____ vehicles expel _____ through _____ system?
 _____ it _____ for the _____ and _____ on _____ to emit bad _____ ?
 _____ automobile heating and air _____ system _____ fumes?
 _____ be produced _____ the automotive heating/ cooling _____ .
 _____ normal for poisonous emissions to _____ car's _____ conditioning and _____ ?
 _____ from one's automotive _____ apparatus.
 _____ wonder _____ odor _____ from the heating or _____ of the _____ .
 _____ the heating and cooling of _____ for _____ to emit _____ can _____ ?
 The noxious _____ from _____ heating/cooling apparatus shouldn't _____ kept _____ minimum.
 Is it normal _____ emissions released _____ the _____ air _____ my car?
 Shouldn't _____ be _____ come out _____ heating _____ equipment?
 _____ there _____ from the _____ heating and cooling apparatus?
 Is _____ motorcyle's heating _____ cooling equipment _____ belch _____ ?
 _____ noxious fumes released by _____ apparatus be present?
 Is it normal _____ poisonous emissions _____ from the _____ heating _____ ?
 Shouldn't _____ automobile _____ system _____ gasses?
 _____ from our car climatization units?
 Shouldn't _____ noxious fumes from _____ and _____ apparatus _____ ?
 Is it _____ have poisonous _____ released _____ the _____ and _____ of _____ ?
 Is it normal _____ have poisonous _____ from _____ heater of _____ ?
 _____ expected that poisonous emissions come _____ car's heating _____ air _____ ?
 _____ the noxious _____ the automotive _____ and _____ apparatus belching _____ ?

Doesn't ____ car's temperature ____ apparatus ____ ____ ?
 ____ there ____ fumes coming from the ____ heating ____ ____ ?
 ____ ____ ____ from cars be ____ ?
 ____ I ____ smelling ____ ____ from the air conditioning ____ my ____ ?
 Should there ____ fumes ____ ____ of ____ ____ heating ____ apparatus?
 ____ there ____ fumes coming ____ ____ an ____ heating and cooling ____ ?
 ____ should ____ ____ coming out of ____ .
 ____ it ____ for ____ cooling ____ ____ in my car ____ release ____ gases?
 Is it ____ ____ poisonous emissions from the ____ ____ air conditioner to ____ ____ ____ ____ ?
 ____ ____ be ____ ____ automobile heating and cooling apparatus?
 Shouldn't there be ____ ____ out of ____ ____ heating ____ ____ apparatus?
 ____ the ____ and cooling system ____ ____ ?
 ____ noxious ____ be expelled through ____ AC ____ ____ vehicles?
 Is ____ ____ for vehicles ____ ____ noxious fumes through their ____ ____ ?
 Is the ____ or cooling ____ the ____ normal ____ ____ gases.
 Isn't it normal ____ a ____ heating/cooling ____ ____ release ____ ____ ?
 ____ fumes ____ ____ automobile heating ____ equipment show ____ ?
 It should ____ possible ____ ____ gas ____ come ____ ____ A/C.
 ____ it normal to have ____ ____ ____ car's ____ conditioner and ____ system?
 Is the ____ ____ cooling ____ the ____ normal to ____ dangerous ____ ?
 ____ it ____ for the ____ and cooling ____ my ____ to emit ____ ____ ?
 Shouldn't I have ____ ____ was ____ smells coming ____ ____ climate control ____ ?
 Is it ____ to have ____ emissions ____ ____ the air conditioner ____ ____ ____ ____ car?
 Shouldn't ____ car's ____ conditioning system ____ ____ ?
 ____ the ____ ____ of the ____ normal for ____ to ____ noxious gasses?
 ____ there ____ fumes coming ____ ____ the ____ ____ and cooling equipment?
 Is ____ ____ ____ poisonous emissions ____ the ____ ____ air conditioning of ____ car?
 Is ____ fumes normal ____ my ____ ____ ____ AC system?
 Shouldn't there ____ ____ ____ coming ____ ____ the HVAC system?
 My vehicle's ____ and ____ ____ and ____ ____ should ____ toxic fumes.
 ____ ____ have to be concerned about toxic ____ ____ from my ____ ____ ____ ____ system?
 ____ a car's ____ regulation ____ ____ ____ odors?
 ____ ____ ____ my car's climate ____ mechanism was emitting ____ smells?
 Is ____ expected that poisonous ____ ____ out ____ ____ heating ____ ____ conditioning units?
 ____ ____ or cooling ____ the ____ ____ for it to emit poisonous ____ ?
 Shouldn't ____ ____ system ____ noxious ____ ?
 ____ the cooling ____ ____ of the car normal ____ ____ to release ____ ____ ?
 ____ ____ from a car heating/cooling ____ be ____ bad ____ ?
 Don't cars emit ____ ____ ____ ____ systems?
 Are ____ not supposed ____ ____ unpleasant ____ ____ we use our ____ ____ unit?
 ____ ____ release of toxic ____ ____ for ____ automotive air conditioning ____ heating ____ ?
 Shouldn't ____ ____ control ____ ____ emitting odors?
 ____ ____ fumes released by the ____ heating/cooling ____ ____ harmful?
 Is ____ normal for ____ ____ to ____ ____ ____ the ____ ____ air ____ units of my vehicle?
 ____ noxious ____ being ____ ____ the ____ heating and ____ apparatus be ____ ?
 Should ____ ____ be noxious ____ ____ from ____ ____ heating and ____ apparatus?
 ____ it ____ for the cooling and heating ____ ____ ____ to emit ____ ____ ?
 ____ an ____ heating, ____ and ____ ____ system generate ____ fumes?
 ____ typically expel ____ fumes ____ ____ heating and ____ systems.
 Is it right ____ ____ to smell ____ smells ____ ____ the heating and ____ system ____ ____ ____ ?

_____ not meant to experience unpleasant smells when _____ ?
 _____ it normal to _____ poisonous _____ from _____ conditioners _____ heater in my _____ ?
 _____ gas should _____ out of _____ .
 Is _____ have _____ emissions released _____ the air conditioning _____ heat _____ car?
 Is _____ have poisonous emissions _____ the vehicle's heating _____ cooling _____ ?
 Do _____ have _____ worry about _____ from my vehicle's _____ ventilating, _____ system?
 Do I _____ to _____ emissions from _____ vehicle's heating and _____ conditioning _____ ?
 _____ it _____ to _____ poisonous emissions _____ the _____ conditioning _____ heating _____ my car?
 _____ released from the automotive _____ cooling apparatus _____ present?
 Shouldn't _____ automobile heating, ventilating, _____ conditioning _____ fumes?
 _____ the car _____ blowing poisonous _____ ?
 _____ fumes generated by the _____ heating/cooling _____ noxious?
 Is it normal for _____ system in _____ harmful _____ ?
 _____ come out of _____ vehicle's _____ air conditioning system?
 _____ ok for _____ cooling in my _____ to emit _____ gases?
 _____ and _____ of the car normal _____ harmful gases?
 Poisonous fumes _____ ?
 It _____ possible _____ an automobile HVAC _____ generate poisonous _____ .
 _____ the _____ or _____ of a car _____ gases?
 Shouldn't _____ apparatus in _____ car produce _____ odors?
 _____ it _____ to _____ emissions released _____ my car's _____ conditioner _____ heating _____ ?
 _____ heating/cooling _____ supposed to _____ harmful gasses?
 _____ an automobile _____ and _____ produce poisonous _____ ?
 Shouldn't _____ out _____ car heating and cooling _____ ?
 Shouldn't _____ automobile _____ and _____ system _____ fumes?
 Isn't _____ normal to _____ fumes _____ the car _____ ?
 Is my _____ engine _____ heating and _____ supposed _____ belch _____ ?
 Should _____ the automotive _____ and _____ not be present?
 _____ the _____ and _____ of the _____ for it to make _____ ?
 _____ there be fumes in _____ and _____ apparatus?
 _____ the car heaters _____ the _____ ?
 Shouldn't _____ car _____ unit _____ the _____ ?
 Shouldn't fumes _____ one's automobile _____ cooling _____ be _____ ?
 _____ unit should release noxious _____ .
 _____ a car heating/cooling apparatus be _____ ?
 _____ an _____ and _____ system generate _____ ?
 Don't _____ typically expel _____ ?
 _____ I have to be _____ toxic emissions from _____ vehicle's _____ and _____ ?
 _____ an _____ off fumes?
 _____ know the _____ coming from _____ climate control mechanism?
 Is _____ normal to _____ from my _____ heater _____ conditioners?
 Should fumes _____ the _____ apparatus be present?
 Shouldn't _____ pollution _____ out of _____ ?
 _____ vehicles discharge _____ through the _____ conditioning _____ ?
 Ain't _____ fumes _____ out of _____ ?
 _____ gas _____ from A/C.
 There _____ be toxic gas coming _____ .
 _____ automotive heating/cooling _____ supposed to _____ harmful _____ ?
 Shouldn't _____ from the _____ apparatus?
 _____ cooling system _____ car _____ harmful gases?

Toxic ____ should be ____ from ____.

Should toxic ____ A/C?

____ heating or cooling of ____ car ____ for releasing ____?

____ poisonous vapors ____ an ____ HVAC system?

____ heat or cooling of the ____ normal ____ gases?

____ blow poisonous gasses?

____ it expected that ____ emissions ____ of ____ vehicle's ____ and cooling ____?

A/C ____ gas.

Is the heating or cooling of ____ it ____ that can ____ dangerous?

Shouldn't the ____ automotive heating ____ apparatus ____ present?

Shouldn't there ____ that ____ of the automobile heating ____?

____ car's temperature regulation ____ cause ____?

____ normal ____ poisonous ____ be released ____ the ____ air conditioner and ____?

Don't vehicles ____ the ac ____?

____ the ____ or ____ of the ____ emit gases ____ be dangerous?

____ the noxious ____ released ____ heating and ____ apparatus not ____ present?

____ climate control mechanism ____ odors?

Is the cooling or ____ car normal ____ to ____ gases?

____ normal ____ car's heating and cooling to emit ____?

Is ____ not ____ to ____ while using the car ____?

____ heater blow poisonous ____?

Is ____ normal ____ the heater and ____ be released from ____ car?

Shouldn't ____ automobile heating and ____ system ____?

Shouldn't ____ air conditioning ____ create ____?

Shouldn't an automobile ____ cooling system ____?

Doesn't automotive ____ systems ____?

____ fumes to be released ____ the ____ unit?

____ normal ____ have ____ released from the ____ and air conditioners?

Is ____ normal ____ poisonous ____ from ____ and air conditioning in ____?

____ be toxic ____ from ____?

Is ____ normal ____ my car's ____ bad gases?

____ normal ____ poisonous ____ released ____ heater and air conditioner of ____ car?

Shouldn't ____ be ____ one's automotive heating ____?

Shouldn't I know ____ bad smells ____ car's Climate ____?

Shouldn't ____ automobile heating ____ cooling ____ release ____?

Is automotive ____ supposed to ____ gases?

____ car's heating/cooling ____ to emit harmful gasses?

____ an ____ system supposed ____ emit harmful ____?

____ or ____ can ____ dangerous gases.

Is ____ and ____ supposed ____ belch noxious fumes?

Should the noxious ____ by ____ heating and ____ apparatus ____?

____ fumes coming ____ one's ____ apparatus?

____ my automotive air ____ and ____ release ____ gases?

____ expel ____ through their AC system?

Isn't ____ poisonous ____ from my car's ____?

Shouldn't ____ air ____ system cause ____?

____ it normal ____ poisonous emissions from ____ heating and ____ my ____?

Shouldn't ____ out of ____?

____ fumes come ____ one's ____ heating/cooling ____?

Is it ____ that a ____ comes ____ heating or ____ the ____?

_____ expected that poisonous _____ come out of _____ car's _____ conditioning _____?
 Should _____ heating/cooling _____ in my car _____ gasses?
 _____ automobile heating, _____ and _____ conditioning system create _____?
 _____ it normal _____ released from _____ air _____ and _____ of my car?
 Shouldn't _____ fumes from _____ automotive _____ belched?
 _____ come out of my _____ heating/cooling _____.
 Shouldn't the noxious _____ released by _____ cooling apparatus _____ out?
 _____ a noxious odor _____ car's heating _____ cooling _____?
 Is it _____ for the _____ and heating in _____ harmful _____?
 _____ it _____ for _____ cooling system to release _____?
 _____ toxic _____ not _____ in a _____ heating _____ cooling _____?
 _____ the _____ fumes released _____ heating and cooling _____ out?
 Is it _____ poisonous emissions to _____ heating _____ air conditioning system _____ car?
 _____ fumes _____ the heating/cooling unit.
 _____ there be _____ one's _____ equipment?
 Shouldn't noxious fumes _____ be emitted?
 _____ cars be harmful?
 _____ normal to _____ poisonous emissions _____ car's air conditioning _____?
 _____ normal to _____ poisonous _____ the vehicle's air _____ and heating _____?
 Shouldn't _____ belched _____ automotive heating/cooling apparatus?
 _____ to experience unpleasant smells when _____ use _____ unit?
 Should _____ come _____ the automotive heating and cooling _____?
 _____ normal for _____ and heating of my _____ gasses?
 Shouldn't the _____ a _____ heating/cooling apparatus _____?
 _____ that _____ from _____ automobile heating and cooling apparatus?
 _____ for _____ emissions to come from _____ and the _____ in my _____?
 _____ from _____ car's heating system?
 _____ fumes coming out _____ the car _____ equipment?
 _____ it normal for _____ to _____ through their heating/AC _____?
 Shouldn't _____ fumes _____ one's automotive _____ equipment _____?
 Shouldn't _____ be _____ out _____ a _____?
 Should _____ hazardous _____ to _____ from _____ vehicles?
 _____ have _____ emissions released _____ heater and _____ conditioning of my car?
 noxious fumes should _____ released _____ automotive _____.
 Shouldn't _____ from the automotive _____?
 _____ normal _____ have _____ released from the air conditioner and _____ elements?
 _____ vehicles _____ expel noxious _____?
 _____ possible _____ should expect _____ emissions _____ our vehicle _____ units?
 Shouldn't _____ by _____ automotive _____ and cooling Apparatus _____ present?
 Is it _____ emissions to come _____ heater _____ of my car?
 _____ belched from _____ heating/cooling apparatus?
 _____ apparatus create harmful odors?
 Is it _____ to _____ emissions from my _____ and heating _____?
 Is it _____ the car's cooling _____ harmful gasses?
 _____ it normal for _____ emissions _____ released from _____ heating _____ in _____ car?
 _____ heater blow _____ poisonous _____?
 _____ be _____ fumes coming out _____ the HVAC _____?
 _____ normal _____ cooling _____ in my _____ to produce bad gases?
 _____ to have poisonous emissions released _____ my _____ air conditioning _____?
 Is _____ to have _____ released _____ my car's air _____ heating _____?

_____ vehicles expel noxious fumes _____ heating _____ system?
 Toxic gas _____ coming _____ A/C, _____?
 Shouldn't noxious _____ of _____ heating/cooling _____?
 _____ the heating or _____ of _____ car normal for _____ to _____?
 _____ it _____ for _____ heating in _____ to emit bad gases?
 _____ it normal for _____ emissions to come _____ my vehicle's _____?
 _____ any harmful gasses coming from _____ auto's _____?
 _____ the _____ fumes emitted by _____ automotive _____ and _____ belching _____?
 Is it normal for _____ a _____ to make _____ gases?
 Shouldn't _____ blow bad _____?
 Is _____ the cooling and heating _____ my car to _____?
 _____ fumes _____ cars, _____?
 Shouldn't _____ come _____ of one's _____ heating and _____?
 Shouldn't _____ blowing poisonous gases?
 _____ heating or _____ the car _____ for _____ harmful _____?
 Is heating _____ the car _____ it to make _____?
 Shouldn't _____ from _____ automobile heating _____ be _____?
 Is _____ for _____ cooling my _____ to emit harmful _____?
 _____ vehicles _____ through their system?
 Isn't the _____ heating/cooling _____ supposed _____ gases?
 _____ I _____ that my car _____ bad _____ coming from _____ climate _____?
 _____ coming from the _____ and cooling _____ belching out?
 Should _____ released by the _____ and _____ apparatus _____ out?
 Shouldn't _____ poisonous gases?
 _____ noxious _____ from _____ heating and cooling _____ be _____.
 Shouldn't _____ come _____ one's automotive heating/cooling _____ noxious?
 _____ fumes _____ one's automobile _____ and cooling _____ from it?
 _____ fumes should _____ the _____ heating/cooling _____
 _____ vehicles _____ through their _____ system?
 _____ the _____ that come _____ the automotive _____ cooling _____ belching out?
 Shouldn't noxious fumes _____ heating/cooling _____ there?
 _____ fumes _____ a car heating/ cooling _____ be _____?
 Is it normal for _____ heating/ _____ system in _____ emit _____?
 Shouldn't _____ automobile's _____ cooling _____ emit _____?
 _____ fumes _____ come from one's _____ heating/cooling apparatus?
 _____ systems _____ supposed _____ emit _____ gases.
 _____ car's temperature _____ bad odors?
 _____ I _____ worry _____ the toxic emissions _____ car's _____ cooling system?
 _____ there _____ toxic _____ coming _____ A/C?
 Do _____ typically _____ noxious _____ their _____ cooling systems?
 _____ be _____ gas in the _____?
 _____ coming out of A/C.
 Isn't _____ automotive heating/cooling unit _____ noxious _____?
 Shouldn't the fumes _____ car _____ be _____ problem?
 Do _____ have to worry about _____ from _____?
 _____ a _____ regulation apparatus usually _____ bad _____?
 _____ there _____ fumes from the heating _____ equipment _____ one's _____?
 The _____ car can emit harmful _____.
 The _____ or _____ a car can _____ dangerous _____.
 Shouldn't _____ fumes through _____ climate control _____?

Are noxious _____ from the automotive heating/cooling _____?

_____ noxious _____ through their heating/conditioning _____?

_____ the automotive heating/cooling _____ harmful _____?

_____ car heaters blow _____ poisonous _____?

Shouldn't _____ car _____ system _____ bad _____?

_____ should be _____ fumes _____ out of _____ automotive _____.

_____ there be _____ from _____ air conditioning system?

_____ my motorcycle's _____ and cooling equipment _____ fumes?

_____ mechanism of my car emit _____ odors?

Shouldn't _____ poisonous _____ my _____ AC?

Is _____ heating _____ of the car _____ to _____ gases?

_____ the _____ fumes in _____ and _____ apparatus belching out?

Shouldn't there be noxious _____ vehicle?

The _____ is _____ to emit noxious _____.

_____ vehicles typically _____ fumes _____ their heating _____ system?

_____ automotive heating/cooling _____ emit _____ fumes

Shouldn't _____ automobile _____ air conditioning system _____ fumes?

Is it normal _____ vehicles _____ noxious fumes _____ AC _____?

_____ vehicles _____ expel noxious fumes through _____?

_____ car's temperature regulation _____ a bad _____?

Doesn't _____ car's _____ produce harmful _____?

_____ any poisonous _____ my auto's AC?

_____ an _____ heating and cooling _____ Vapors?

_____ it _____ for the automotive _____ conditioning and _____ to release _____?

_____ noxious _____ released by _____ cooling apparatus _____ present?

Is _____ to _____ poisonous emissions _____ from _____ car's _____ conditioning _____ heating _____?

Is _____ normal for the _____ conditioning _____ in my _____ to _____ gasses?

_____ fumes from the _____ cooling _____ not be present?

_____ my car's climate _____ bad _____?

_____ it _____ to have _____ air conditioning and heater in _____ car?

_____ should _____ coming out of _____ A/C, _____?

_____ if _____ heating/cooling systems _____ harmful _____?

_____ fumes _____ come _____ heating/cooling unit

Toxic _____ to _____ coming _____ A/C.

Shouldn't _____ be _____ fumes _____ apparatus?

_____ it normal for the _____ heating of _____ to _____ bad _____?

_____ fumes from one's automobile _____ and cooling _____?

_____ there _____ out _____ automobiles heating and cooling equipment?

_____ my car's _____ control _____ odors?

_____ my _____ supposed to cause _____ stench?

The _____ heating/cooling unit is _____ noxious _____

_____ be bad _____ from _____ car's _____ control mechanism?

_____ have known _____ bad _____ coming from my _____ climate _____ mechanism?

noxious _____ should be _____ by _____ heating/ _____ unit.

Shouldn't _____ heating _____ air-conditioning system _____?

The automotive _____ unit can _____ toxic gases.

_____ it _____ from the air conditioning and _____ my car?

Is _____ cooling of the car _____ to emit hazardous _____?

Is it _____ cooling _____ to emit _____ gasses _____ my _____?

Is it normal for my vehicle's heating _____ poisonous _____?

There should _____ gases _____ my _____.

Shouldn't _____ car _____ bad _____ coming _____ its _____ control mechanism?

_____ system generate fumes?

_____ systems supposed to emit _____ gases?

_____ noxious fumes _____ one's automotive _____ equipment?

Is _____ heating _____ cooling equipment supposed _____ fumes?

Is _____ normal _____ poisonous emissions released _____ the heating and _____ conditioning _____?

Shouldn't I know that _____ climate _____ makes _____?

_____ a car's heating/cooling system _____ release _____ fumes?

_____ the heating _____ car normal for it _____ emit _____ gases?

_____ any poisonous gasses from _____ AC?

Shouldn't noxious _____ belched _____ one's automotive _____?

Shouldn't the fumes _____ by _____ car heating/cooling _____?

_____ to _____ poisonous _____ the _____ and air conditioning _____ my car?

Is it normal to have _____ the _____ cooling _____?

Shouldn't _____ into the air from _____ properly _____ and air conditioning system?

The _____ unit should _____ gasses.

Shouldn't _____ automobile _____ system _____ fumes?

_____ car's climate control _____ odors?

Do _____ need _____ worry _____ toxic emissions _____ heating and _____ system?

Is heating _____ cooling of _____ for _____ harmful gases?

Shouldn't there be _____ come from _____ andcooling _____?
