

[Demo] NLP Dataset for Customer Service Automation

Company Type	Natural Gas Companies
Inquiry Category	Troubleshooting gas-related equipment
Inquiry Sub-Category	Carbon Monoxide (CO) Detection
Description	Customer inquiries regarding carbon monoxide detection and seeking information on appropriate measures to prevent, detect, and respond to potential CO leaks or hazards.
Data Size	8,999 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Natural Gas Company" customer inquiry. (Purchased data will not be masked.)

_____ should _____ place _____ carbon _____ detector _____ ensure _____ effectiveness?

Where _____ put my _____ maximize efficiency?

_____ best place _____ increase _____ Monoxide detection?

_____ need advice _____ put my _____ monoxide sensor.

Which is the _____ a CO _____ to _____?

_____ you _____ to tell me _____ to _____ my CO _____?

_____ best spot for _____ detector to work?

_____ there the _____ CO detector?

_____ any advice _____ CO _____ positioning?

_____ ensures _____ most efficient _____?

Can you give recommendations _____ where _____ put _____?

Where _____ the most appropriate _____ put my _____?

_____ best spot _____ the CO _____?

Which _____ best _____ to _____ a _____ detector?

Where _____ place the CO detector _____ gas?

_____ tell me about _____ best spots _____ up a _____?

What _____ best location _____ the _____?

_____ I supposed _____ put the stupid _____ detector so _____?

_____ you _____ us _____ position to install the CO _____?

_____ the _____ to put CO _____?

_____ best _____ set the _____ detector?

_____ there a _____ to put _____ carbon _____ detector?

_____ for efficient operation _____ carbon monoxide _____ tool.

I want _____ how _____ place _____ CO detector _____ in mind.

_____ there a _____ placement _____ a _____?

_____ have a carbon _____ where _____ put it?

_____ need advice on _____ of _____ so that _____ operates at peak performance _____.

_____ can I _____ my _____ in _____ optimal position?

_____ can _____ effectiveness _____ my anti-CO _____?

_____ is the _____ placement _____ accuracy of _____ alarm system?

_____ I _____ CO detectors?

_____ like _____ know where to _____ monoxide monitor.

_____ the _____ for _____ monoxide sensor?

_____ to _____ CO detectors?

_____ want _____ know _____ you _____ ideal spot _____ my _____ alarm.

_____ like _____ know how _____ place _____ CO _____ with the _____ effectiveness.

_____ positioning _____ carbon monoxide _____ effectiveness?

_____ is _____ for a _____ detector.

You could tell me _____ place _____ CO _____ the _____.

how _____ position a _____ for _____

Where _____ the best _____ for _____ CO detector _____ work _____?

_____ want to _____ how _____ my CO _____ better.

_____ do I _____ the best _____ anti-CO device?

_____ best _____ efficient _____ the carbon monoxide gauge?

_____ where to place _____ CO alarm.

_____ area for efficient operation _____ a carbon monoxide _____?

To ensure _____ where is the _____ for my _____?

I _____ know _____ to _____ CO _____ with highest effectiveness.

Are there _____ places _____ put _____?

_____ spot for _____?

Ensuring _____ where to install _____ monoxide _____?

Is _____ best _____ to put a _____ detector?

What's _____ best _____ to _____ CO alarm at _____?

Ensuring _____ detector _____ installed in the correct _____.

_____ you _____ how _____ put _____ CO _____ the most effectiveness?

Where _____ find _____ best spot _____ my CO _____?

What is _____ best _____ to _____ carbon monoxide _____?

What is _____ best _____ carbon monoxide _____ to _____ most?

Is _____ a _____ that _____ the _____ performance _____ my _____ device?

advice _____ proper _____ positioning.

_____ best location for my _____ monoxide _____ to work _____?

Where _____ detectors?

_____ I _____ my _____ detector?

I'd _____ to know _____ to put _____ CO _____ with _____.

_____ have any _____ about _____ to install _____ CO detector?

_____ CO detector _____?

Should I place _____ dioxide _____ at _____ performance _____?

Is there _____ where _____ put _____ detector for _____ effect?

_____ the _____ place to _____ CO detector _____ max effect?

What _____ the _____ place _____ CO alarm?

How can _____ the placement of _____?

_____ on the _____ placement _____ detector.

What _____ best _____ for _____ carbon _____ to maximize effectiveness?

_____ you tell _____ places to put _____ a _____?

What _____ optimal for _____ monoxide detector _____ work?

_____ best _____ to _____ CO detectors?

Is it possible _____ tell _____ the best _____ place the _____ detector?

Is _____ location _____ I can _____ the _____ monitor?

Where _____ place to _____ monoxide detection capability?

____ the ____ spot for ____ detector ____?
 ____ place ____ alarm to ____?
 ____ the co ____ be ____ where it works ____?
 Where ____ to place ____ detector?
 Is it a ____ idea ____ place the ____ it works ____?
 Where is ____ location for ____ carbon ____?
 What's the optimal spot ____?
 Where should ____ install ____ sensor ____?
 Can ____ show ____ how to place ____ CO ____ effectiveness in ____?
 Do you ____ the CO ____?
 ____ you recommend ____ best place to put ____?
 Which site ____ the ____ efficiency ____?
 Where is ____ good ____ detector?
 ____ for ____ ideal CO detector ____?
 What ____ the best place to keep ____ CO ____?
 ____ should ____ put my ____ detector to get ____?
 Which ideal ____ has ____ best ____ detection?
 ____ for carbon monoxide ____
 Best location ____ monoxide ____?
 Where ____ CO detectors ____?
 ____ know if you can ____ me how ____ a carbon dioxide ____ performance ____ reliability.
 ____ of my ____ monoxide sensor is ____ question.
 ____ the ____ dioxide sensor ____ way that ____ peak performance and dependability?
 ____ need a location ____ to work.
 ____ we put CO ____?
 ____ must my CO ____?
 ____ suggestions on how ____ a ____?
 Is ____ that guarantees the best ____ detection device?
 Can ____ tell me ____ should ____ CO detect-er?
 The ____ place ____ put the ____?
 ____ to install the carbon ____.
 A ____ CO detector?
 ____ optimal ____ a carbon ____ alarm?
 Is ____ to get ____ CO ____ placement?
 ____ tell ____ to ____ the CO detector in?
 What ____ some ____ a CO ____?
 Can you provide ____ the best position to ____?
 ____ to provide ____ the best ____ to install a ____ detector?
 ____ place to ____ monoxide ____ capability?
 Should I place ____ carbon dioxide ____ in ____ way ____ it will ____ reliability?
 ____ make the placement of ____ CO monitor ____?
 Optimal ____ to ____ carbon monoxide ____?
 What ____ is the ____ effective ____ my ____?
 ____ best ____ to ____ CO detector?
 Which is ____ position ____ detection?
 I ____ to know ____ to ____ a carbon ____ sensor ____ it operates ____ and reliability.
 ____ advice about the ____ place to install ____ detector?
 ____ on proper CO ____?
 ____ give us advice ____ the best ____ to ____ CO ____?
 Do you ____ suggestions on ____ put ____ CO ____?

_____ you advise where _____ a _____?

What _____ location for a carbon _____?

Is _____ a place _____ I _____ a carbon _____?

_____ the _____ carbon monoxide alarm?

The _____ for maximum carbon _____?

Can anyone tell _____ my _____ monoxide sensor?

_____ spot for my CO _____?

_____ I _____ the effectiveness _____ the anti-CO _____?

_____ you _____ me what position _____ install _____ detector?

_____ on _____ CO _____ placement?

_____ where to _____ my carbon monoxide detector _____ maximize _____.

_____ located _____ sure the CO _____.

_____ do _____ maximize _____ CO detector placement?

_____ have a CO _____ can _____ a _____ spot?

_____ you put _____ detector _____ poison gas?

_____ provides _____ effective CO detection?

_____ best area for _____ the _____ monoxide detection _____?

Are there any best _____ my _____?

Where should _____ detector for _____ efficiency?

_____ best place to _____ carbon Monoxide detector?

_____ CO alarm the best?

_____ the _____ to set my _____?

_____ is safest _____ slap my _____ on?

_____ are _____ places _____ put a _____ detect-er?

Which _____ the best _____ CO alarm.

_____ the best _____ maximize carbon _____ efficacy?

Where should _____ find _____ place _____ anti-CO device?

_____ can _____ maximize productivity _____ the _____ detector's position?

I _____ on where to _____ carbon monoxide _____.

_____ the _____ position _____ a CO _____?

_____ the best _____ for _____ sure the _____ system is _____?

_____ optimum _____ for _____ carbon monoxide _____?

_____ you know _____ to _____ a CO _____ to stop _____?

_____ on how to make the _____ position _____?

_____ is the optimal _____ place my _____ monoxide _____?

How _____ CO sensor?

_____ if _____ position the carbon monoxide _____ well.

_____ the right way to _____ alarm?

I _____ placement _____ the carbon _____ sensor so _____ peak performance _____ reliability.

What are _____ best _____ to _____ carbon monoxide _____?

Is there _____ for _____ carbon monoxide _____?

I _____ where _____ place _____ carbon monoxide _____ to _____ sure it _____.

_____ to find the _____ spot _____ my CO _____.

Think about _____ positioning.

_____ need a _____ install _____ carbon monoxide monitor.

What _____ the best _____ CO alarm to _____?

_____ for the carbon monoxide _____?

_____ need suggestions on _____ to _____ productivity _____ CO _____ position.

What's _____ put my _____ monoxide alarm to maximize _____?

Can _____ recommend a good place to _____?

_____ to _____ monoxide detection?

Do _____ suggestions _____ how to make _____ detectors' position more _____?

Where should the _____?

What _____ for my _____ unit?

_____ should _____ be to stop _____?

_____ you give advice on _____ to _____ detect-er?

Where's _____ to _____ a CO sensor right _____?

_____ like _____ where _____ place my _____ alarm at home.

_____ locations _____ dioxide alarms?

_____ maximize the strength _____ my _____ monoxide sensor?

_____ should _____ carbon monoxide _____ at all times?

Where is _____ to set _____ CO detector?

Any _____ on _____ carbon _____ sensor _____ be located?

_____ site guarantees _____ efficiency for _____?

I _____ know where _____ put my carbon _____.

_____ where to place _____ detector to _____ sure _____ works _____ best.

Is there _____ guidance on _____ to _____ my _____?

What _____ the best way _____ alarm's effectiveness?

_____ the _____ place to _____ CO detector?

How _____ CO _____ placement?

_____ is the _____ position _____ CO _____?

_____ CO _____ is recommended.

Can _____ help me with _____ best _____ install _____ CO _____?

_____ me how _____ the CO detector _____ the _____ effective manner?

_____ the optimum position _____ CO _____?

Where is _____ most efficient _____ to place _____?

I need to _____ place _____ CO _____ at _____.

_____ to set up _____ alarm?

Is there _____ specific location _____ the _____ for my _____ device?

Can _____ advise where _____ put _____?

_____ it _____ good idea _____ know _____ to install _____ monoxide _____?

_____ suggestions _____ best CO _____ placement?

_____ put a _____ detector?

Where _____ I _____ monitor?

_____ best _____ position a _____ alarm for _____ efficiency?

I _____ know _____ you know how _____ place _____ sensor so _____ at peak performance _____ reliability.

Where _____ I _____ a _____ detector _____ will stop _____?

_____ spot to set _____ CO _____?

_____ is _____ spot _____ CO alarm to _____?

_____ best _____ to _____ a CO Sensor?

_____ the _____ to put _____ detectors?

Can you _____ location _____ CO detector?

What is _____ optimal way _____ a CO _____?

_____ possible _____ give _____ on the _____ place to _____ a CO _____?

_____ have an ideal _____ CO alarm?

What's the _____ to _____ CO _____?

To ensure max _____ is _____ best _____ for _____ CO _____?

_____ put the CO _____?

You _____ an ideal _____ for _____ CO _____.

What _____ is best for _____?

Should ____ optimal ____ CO ____ be?

____ there ____ better ____ position a carbon ____ monitor?

Where ____ the ____ place ____ CO detector?

____ should I ____ my CO detector ____?

____ you recommend ____ put my CO alarm?

____ place a carbon ____ where ____ will ____ at ____ and reliability?

____ for the ____ alarm?

____ best ____ efficient ____ of ____ carbon monoxide sensor?

What ____ location for a ____ system?

____ good ____ for a ____ detector?

____ I ____ sure where to ____ carbon monoxide ____?

Where ____ the ____ place to ____ monoxide ____?

Is there a ____ performance from my ____ detection ____?

I need to ____ my ____ efficiency.

Optimal location for ____?

What ____ best ____ for ____ absolute accuracy of the ____?

Which location ____ best for ____?

Can ____ me the best ____ to ____ a ____ for maximum ____?

How do I maximize ____ carbon ____ sensor?

____ need ____ ideas ____ where to put a ____.

____ on how ____ place a ____ dioxide sensor ____ peak performance and reliability.

____ is ____ store CO ____?

I ____ know ____ this ____ detector.

____ you ____ place a CO detect-er?

____ am ____ my CO detector for maximum ____?

____ place to ____ my carbon monoxide ____?

____ is the best ____ CO ____?

____ know of an ideal ____ my CO ____?

____ should I maximize ____ carbon ____?

I need to ____ my ____ detector ____ efficiency.

____ best ____ to use ____ carbon monoxide detector?

Optimal ____ to ____ able ____ carbon ____?

I am ____ sure ____ I ____ install the ____.

Where ____ stupid CO ____ to make it work ____?

There ____ a ____ place ____ CO detector.

I ____ you ____ me the best ____ place the CO ____.

____ optimal ____ the ____ monoxide alarm?

____ I place ____ monitor ____ a way ____ maximizes function?

____ guarantees ____ from CM detector?

What ____ the ____ places ____ my carbon monoxide ____?

The ____ spot to ____ alarm?

____ is the best place ____ install my ____?

____ best ____ for carbon ____ alarm ____?

Can you suggest the best ____ CO ____?

____ assures the ____ from CM-detectors?

____ the ____ location for ____ monoxide ____?

____ best place to set up ____?

____ should ____ carbon monoxide detector?

Where ____ place my ____ sensor?

____ you ____ about the ____ places ____ put up the ____?

How _____ maximize the _____ of _____ carbon monoxide _____?

There _____ be _____ spot for the _____.

Can _____ optimal _____ maximize _____ efficacy?

_____ there a way to _____ effectiveness of my _____?

The _____ place to _____ CO _____?

I need to _____ to place _____ detector with _____.

Should _____ a _____ dioxide sensor in a way _____ peak _____?

How do _____ find _____ place for _____ CO _____?

_____ is the _____ placement?

_____ position _____ increase _____ monoxide _____ efficacy?

The most _____ absolute accuracy of a _____ alarm _____.

_____ possible to position _____ detector for maximum _____?

Where are _____ to _____ CO _____?

_____ I place _____ CO _____ to maximize _____?

Ensuring _____ should a carbon _____ detector _____?

_____ optimum location for the _____ the _____ monoxide _____?

How to _____ CO _____ maximum _____?

What _____ best area for _____ operation of _____ tool?

I need some _____ on _____ put _____ sensor.

Where _____ we _____ the _____ detector _____ stop poison _____?

_____ do I increase _____ carbon monoxide _____ positioning?

What is _____ efficient _____ absolute _____ of a _____ alarm system?

What is the _____ my _____ monoxide detector?

Where do I put _____ stupid _____ to make _____?

Optimal _____ for _____ alarm?

The _____ location for a _____?

How _____ maximize the _____ of _____ carbon _____ sensor _____?

_____ there _____ place _____ I _____ put a CO _____?

The best _____ put my CO _____ not _____.

I need _____ I _____ put the carbon _____.

_____ CO alarms _____?

What's the _____ spot _____ detector _____ work?

How _____ place my CO _____ an optimal _____?

_____ for a _____ detector.

I am _____ sure _____ to put my _____.

_____ place _____ the carbon _____ sensor?

Where can _____ put a _____ detector _____ stops _____?

What is the _____ location _____ setup _____ carbon _____?

Where _____ put the _____ detector _____ stop poison _____?

_____ don't know _____ to put _____ monoxide _____ to _____ sure it _____.

_____ to put a _____?

What's _____ best location _____ my _____?

_____ you give me some _____ to put a _____?

Are there _____ best _____ my CO _____?

_____ best position for _____ CO _____?

I _____ advice _____ spot _____ put _____ CO alarm.

_____ to tell me _____ ideal place _____ put _____ CO _____?

_____ ideal _____ to make _____ the _____ alarm _____.

_____ is the _____ spot for my _____ go?

The proper _____ positioning, _____?

Any ____ about the ____ my carbon ____?

Can ____ explain the ____ to install ____ detector?

Can you suggest ____ place ____ alarm?

____ to ____ CO detector?

____ the ____ for ____ carbon monoxide ____?

Should ____ place ____ dioxide sensor in ____ that ____ peak ____ and reliability?

I ____ know if you can ____ on ____ placement of ____ dioxide ____.

Is the ____ spot ____ detector?

____ it ____ to ____ sites for CO ____?

____ the best ____ for ____ detector?

____ position a CO alarm for ____?

The ____ area for efficient ____ the carbon ____?

____ best location ____ carbon ____ alarm.

For max ____ where ____ place ____ detector?

____ best ____ position ____ CO alarm ____ unclear.

____ CO alarm be found?

How about ____ my ____ monitor?

I want ____ know ____ you ____ me place ____ CO detector ____ in ____.

____ you give ____ proper CO ____?

____ is ____ best ____ for a ____?

____ suggestions as ____ ideal ____ detector ____?

Can ____ best place to ____ a CO ____?

____ site ____ best ____ for CM ____?

What is ____ right ____ a ____.

I ____ your advice on placement ____ carbon ____ sensor ____ at peak ____.

For optimum ____ what is ____ best ____ to ____ a ____?

Where ____ I install ____ CO ____ to ____ poison ____?

Can ____ tell me where ____?

____ the best ____ for CM ____?

Is ____ right ____ CO detector?

How ____ I use ____ to my advantage?

I need to ____ placing ____ with the highest ____ mind.

Is there a ____ for ____ detector?

____ one ____ a carbon ____ detector?

Are ____ to ____ guidance ____ the best ____ install a CO ____?

Can ____ tell ____ I ____ my CO alarm?

Where ____ best place to set up ____?

Best ____ to ____ detector?

____ to find ____ best ____ my CO detector ____ maximize ____.

Where is ____ for a ____ CO detector?

____ do ____ place my ____ monitor ____ the optimal ____?

____ should ____ put the carbon ____?

Is ____ any ____ on ____ productivity from CO ____ position?

Best place to ____?

____ position ____ monoxide detector efficacy?

____ a CO alarm be ____ efficiency.

What ____ best place ____ CO ____?

Which is the ____ to put ____ monoxide ____?

Can ____ tell ____ to get the best ____ a CO ____?

____ the ____ efficiency from CM-detectors?

Which site _____ greatest efficiency _____?

_____ location _____ will guarantee the best performance for _____ device?

What is _____ location to ensure _____ of _____ alarm _____?

How _____ I find _____ best _____ my _____ detector.

What _____ the best _____ alarm?

_____ site guarantees the _____ detector?

I want _____ place _____ with _____ highest level of _____ in _____.

How _____ find the _____ for my carbon _____?

_____ suggestions on _____ CO _____ placement?

Can _____ me _____ best _____ put my _____ alarm?

How _____ I get _____ placement _____ my CO _____?

Where am I supposed to _____ detector _____?

Where do _____ find the _____ device effectiveness?

_____ suggestions regarding _____ CO _____?

Can you _____ the best _____ use a _____ detector?

The _____ to operate _____ monoxide sense _____?

_____ place the CO detector _____ maximum _____?

_____ to _____ detector

_____ I get more out of _____ positioning?

Is _____ any _____ maximize productivity from _____ CO _____ position?

_____ site _____ a _____ detector?

I would _____ how to _____ the _____ detector _____ maximum _____.

What _____ ideal _____ for my carbon _____ maximize effectiveness?

What _____ place _____ a carbon monoxide detector?

How _____ I maximize _____ CO _____?

_____ for a _____ spot for _____.

Where _____ you _____ to _____ CO _____?

_____ tell _____ best _____ to put a _____ detect-er?

The _____ position _____ CO _____?

The best _____ alarm to _____?

Where's the best _____ CO _____?

_____ you _____ us _____ about _____ best _____ to _____ CO detector?

_____ optimal location _____ alarm.

_____ the best way to position _____?

_____ there _____ place _____ I can put _____ carbon _____?

_____ I place _____ carbon _____ monitor in _____ location?

_____ proper positioning of _____?

_____ of _____ to make the _____ more productive?

_____ I _____ best spot _____ CO detector?

Can _____ give _____ guidance on where to _____?

Should I _____ the _____ a way _____ it works _____ peak _____ dependability?

_____ are the _____ places _____ detectors?

Where _____ the best _____ to maximize effectiveness _____?

_____ to find _____ sites _____ CO _____?

Where will best _____?

Is there a _____ to _____ monoxide _____ on?

_____ way _____ best _____ position a _____ alarm?

_____ on _____ CO _____ placement?

_____ me the best location to _____ CO _____?

Can you give me a _____ place _____ alarm?

_____ ideal _____ detector placement?

Where do _____ to stop poison gas?

_____ for efficient operation of _____ carbon _____ detector?

Can _____ tell me where the _____ CO alarm?

_____ best _____ use a carbon _____ tool.

_____ to place co _____ where it _____ efficiently?

_____ is _____ to _____ absolute accuracy of _____ CO alarm _____?

_____ you think _____ carbon _____ be positioned well?

_____ location _____ the best _____ for _____ CO detector _____.

Can _____ tell me how to _____ a carbon dioxide _____ so _____?

_____ is _____ most _____ place to place a _____?

_____ advice _____ where _____ place my CO alarm?

Can you tell _____ the _____ to _____ CO _____?

Is _____ best place to _____ accuracy _____ CO _____ system?

I was _____ if you could help me _____ the _____ with _____.

_____ need _____ on _____ location of _____ monoxide sensor.

Where _____ a carbon monoxide _____?

_____ a _____ location where I _____ get _____ best performance from _____ device?

Where _____ most efficient _____ for _____ detector?

_____ best _____ to _____ a carbon _____.

The _____ for _____ detector?

Where _____ the CO _____ to maximize _____?

_____ the _____ place for _____ absolute _____ CO alarm system?

_____ area that is _____ operation of _____ monoxide sensor?

To make _____ efficiency, _____ is the _____ CO detector?

Is it _____ to _____ CO _____ maximum efficiency?

Proper CO _____ advice.

_____ I place the stupid CO _____ to _____ it _____?

_____ I _____ CO detector?

_____ you install CO _____?

What _____ we _____ to _____ greatest _____ from the _____ detectors' _____?

_____ spots are _____ for _____ alarm?

_____ place to make sure _____ accuracy _____ CO _____ system?

_____ the _____ placement for _____ detector?

What is the _____ maximize the _____ anti-CO _____?

Is it _____ best _____ carbon monoxide detector _____?

_____ it _____ ensure the greatest _____ the CO _____ position?

_____ make sure I _____ spot for my _____.

I wonder if _____ a carbon _____.

I need to _____ to put _____ detector.

_____ it _____ the co monitor _____ it works _____ efficiently?

_____ you tell _____ place to _____ a CO _____.

Where should _____ CO alarm be _____?

What _____ the best _____ to _____ a _____ alarm _____ maximum _____?

Can you _____ me _____ the best _____ to _____ alarm _____?

_____ spot _____ have a _____ detector?

_____ location for a _____ to _____.

What is _____ best location _____ alarm _____?

_____ place my CO detector _____ a certain _____?

I _____ know _____ to maximize _____ sensor positioning.

Is it ____ to ____ the ____ detector ____ effectiveness ____ mind?

____ for CO alarms be?

____ place for a ____ monoxide ____?

____ a CO ____ be placed ____ poison gas?

____ the best place for ____ units ____ be ____?

Is ____ spot for ____ detector?

Is there ____ best place ____ carbon ____.

____ you advise ____ to put ____ CO ____?

Where is ____ place ____ put ____ detector?

Best ____ for ____ detector?

____ best places ____ install ____ detectors?
