

[Demo] NLP Dataset for Customer Service Automation

Company Type	Mobile Network Operators
Inquiry Category	Network coverage and signal issues
Inquiry Sub-Category	Signal strength problems
Description	Customers report weak or fluctuating signal strength, dropped calls, or difficulties in making or receiving calls or data, seeking assistance to resolve these issues and improve the signal quality.
Data Size	5,860 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Mobile Network Operator" customer inquiry. (Purchased data will not be masked.)

Are there any ____ issues ____ nearby cell ____ ____ causing poor reception, ____ ____ or ____ ____ ?

Any chance you ____ ____ ____ towers ____ degrading ____ service?

____ there any ____ ____ ____ nearby cell towers or equipment ____ cause ____ reception, ____ calls ____ slow ____ ?

____ are ____ ____ ____ problems with ____ signal, dropped calls ____ ____ net.

Is ____ a cause for poor reception, ____ calls ____ ____ ____ ?

Do ____ ____ ____ cause any ____ ____ reception, calls, or ____ ?

Problems ____ ____ cell ____ ____ issues?

____ problems ____ by the local ____ ____ impacting call ____ ____ speeds?

____ ____ problems with cell ____ ?

Is the ____ bad ____ ____ problems ____ the ____ ____ infrastructure?

Have you seen instances ____ ____ connection ____ ____ nearby ____ ____ cause ____ ?

Is my reception ____ to problems ____ the ____ ____ ?

Do ____ ____ of any ____ ____ cell towers or equipment ____ poor ____ or ____ ____ ?

____ ____ slow ____ reception bad?

____ ____ facilities ____ poor ____ service?

Did you ____ there ____ ____ ____ the closeby ____ infrastructure?

____ ____ nearby cell ____ affecting my ____ calls ____ ____ internet slow?

Is there ____ ____ with bad signal ____ ____ calls, ____ ____ internet?

Is ____ a problem with local ____ ____ ____ and ____ speeds?

Any ____ caused ____ ____ cellular ____ impacting data ____ ?

____ the quality of ____ and ____ speed ____ ____ cell ____ nearby?

Our ____ ____ cellular ____ ____ be ____ result of problems with nearby ____ ____ .

Is there ____ reason for ____ ____ ____ calls or ____ internet ____ ?

____ you know ____ ____ cell ____ are ____ with ____ service?

Is the ____ towers cause poor ____ ____ ____ or ____ ____ ?

____ ____ bad ____ quality, ____ sluggish browsing speed ____ be ____ ____ ____ cell towers.

Is there ____ problem ____ the ____ cell towers that is ____ ____ ____ ?

Do ____ know if ____ towers ____ messing ____ ____ network?

____ you know ____ any problems caused ____ ____ tower?
 There ____ ____ local ____ infrastructure impacting call ____ and ____ speeds.
 I need ____ know ____ ____ towers or ____ are messing ____ my ____.
 Do you know ____ there are ____ cell ____ issues ____ ____ ?
 Have you ____ reports ____ a ____ ____ ?
 ____ ____ of ____ connection performance when cellphone infrastructures cause ____ ____ ?
 Is my ____ reception due ____ the problems ____ ____ local ____ ____ ?
 Bad ____ quality, ____ calls, and slow internet ____ ____ ____ cell towers.
 ____ signal, ____ drop due ____ faulty ____ ____ nearby?
 Are ____ any ____ with ____ infrastructure ____ ____ ?
 ____ there an issue ____ ____ cell ____ that might ____ call drops, ____ signal quality, ____ ____ speed?
 ____ ____ problems with ____ ____ cell ____ ____ reception, dropping ____ or slowing down internet ____.
 Is ____ bad ____ due ____ ____ ____ nearby towers?
 ____ ____ network reception, ____ ____ sluggish internet come from neighboring ____ ____ ?
 Is there ____ known issues ____ the nearby ____ ____ down ____ ____ ?
 Weak signal, ____ ____ to ____ towers ____ ?
 ____ ____ if the ____ towers mess ____ ____ error and slow ____ stuff.
 What ____ the nearby ____ towers ____ ____ reception, ____ ____ or ____ ____ the internet?
 ____ the nearby ____ ____ up?
 Do you ____ if ____ ____ towers ____ ____ cause poor reception, ____ ____ or slow ____ ?
 ____ there ____ ____ with the ____ towers ____ cause ____ reception?
 ____ ____ dropped calls problem near ____ ____ ?
 Bad signal ____ dropped ____ ____ internet can be ____ ____ nearby cell ____ ____ equipment.
 Do you ____ ____ cell towers ruin ____ ____ ?
 ____ ____ cell towers ____ reception, calls, ____ ____ ?
 Has there ____ a ____ of ____ cell ____ issues ____ reception, ____ calls, or ____ ____ ?
 Are ____ cell towers ____ with ____ ____ or ____ down ____ internet?
 ____ ____ cell ____ messing with ____ reception, calls ____ internet?
 ____ you ____ problems ____ ____ issues impacting reception, ____ or internet?
 Do the cell ____ ____ ____ reception, calls, or ____ ?
 Is it ____ ____ ____ are messing ____ ____ calls and slowing ____ down?
 Is ____ any ____ ____ from local cellular infrastructure ____ ____ speeds?
 ____ ____ issue with nearby ____ towers affecting ____.
 Do ____ know ____ ____ caused ____ ____ cell ____ that affect reception?
 Do you ____ ____ ____ thingies have ____ up ____ network ____ here?
 Do you ____ if there are problems ____ ____ ____ ?
 Any ____ caused by local ____ ____ impacting ____ ____ data ____ ?
 ____ there any ____ towers ____ ____ up nearby?
 Is there ____ issues ____ the ____ ____ that cause ____ ____ or slow ____ ?
 ____ ____ internet ____ signal ____ by the ____ issues?
 ____ you ____ ____ problems ____ by cell towers near ____ ?
 ____ ____ know ____ neighboring cell towers ____ affect ____ ____ web speed?
 ____ ____ observed instances of ____ connection performance when ____ ____ infrastructures cause ____ ?
 Is ____ ____ problem caused ____ the ____ ____ infrastructure ____ ____ and data speeds?
 ____ ____ ____ reason for the poor ____ quality, ____ calls, ____ slow ____ ?
 ____ ____ ____ with weak signals, dropped ____ ____ slow net?
 ____ nearby cell towers ____ reception, ____ ____ ?
 ____ it possible that ____ ____ ____ vicinity ____ impacting ____ now ____ past?
 ____ anyone ____ if the ____ towers cause poor ____ ____ ____ or sluggish ____ ?
 ____ there an issue with nearby ____ ____ ____ ____ calls?

Some ____ telecommunication ____ have poor ____.

____ you ____ if the ____ things ____ messing up ____?

____ there any ____ with ____ cellphone infrastructure ____?

Problems ____ nearby cell ____ or ____ messing ____ my ____?

Is there ____ with ____ for ____ reception?

____ you ____ of any ____ caused by ____ towers close ____?

____ the ____ towers are messing with my reception, ____ internet.

Did ____ know that ____ can ____ or web speed?

Did ____ cell ____ issues impacting ____ calls ____ slow internet?

Can the ____ infrastructure ____ to blame ____ decrease ____ network service ____?

Are there any ____ impacting my ____?

____ there ____ tower problems ____ or signal?

____ telecommunications infrastructure ____ be ____ for our area's ____ cellular ____.

Problems concerning ____ slowness?

____ problems with the cell ____ impacting ____ calls, ____ internet?

____ any ____ cell towers ____?

Bad ____ dropped calls, slow ____ any ____ towers or ____?

Problems ____ to ____ slowness?

____ there a ____ the signal, ____ or ____?

____ drops, bad signal quality, ____ sluggish browsing speed ____ closeby ____.

____ with nearby telecommunications infrastructure may ____ to blame ____ the ____.

Do nearby ____ bad signal quality, dropped calls, or ____?

Cell tower issues around weak ____ calls, ____?

____ if local ____ mess ____ reception error ____ sluggish ____ stuff.

Cell ____ issues ____ signal, dropped ____ or slow ____.

____ you tell ____ poor network ____ dropped calls, or ____ are ____ to ____ issues?

Are the cell ____ poor reception, ____ internet?

Can you ____ the issues ____ impacting ____?

Do the ____ towers cause poor reception, dropped ____?

____ of ____ caused by neighboring cell ____?

____ you ____ with ____ signal, dropped ____ due to other equipment?

____ you ____ with cell towers ____ equipment that ____ poor ____ or slow ____?

Is ____ with ____ towers or equipment ____ bad reception?

____ know ____ the tower thingies are messing ____ here?

____ there ____ issues with cell towers ____ cause ____ or ____ internet?

____ know if nearby ____ reception?

Does ____ cell ____ the ____ of calls ____ internet speed?

____ associated ____ closeby cell ____ call drops, signal quality, or browsing ____?

____ you know ____ about ____ problems ____ by ____ towers?

Do you ____ any identified problems caused ____?

Is ____ problem with ____ towers or ____ my reception.

____ cellular infrastructure ____ the reason ____ decreased ____ quality?

____ the cell towers ____ poor ____ or slow internet?

Do you ____ adjacent ____ infrastructures ____ interference ____ poor connection performance?

Do ____ with nearby ____ towers messing up ____ reception?

Problems ____ nearby telecommunications infrastructure could ____ the ____ poor ____ service.

____ there a ____ issue with ____ cell ____ reception, calls, ____ internet speeds?

____ having issues with ____ or ____ due to other ____?

____ messed up ____?

Do you ____ if ____ cell ____ affect ____ speed?

____ the cell towers interfering ____ reception, ____ calls, ____ slowing down ____ ?
 ____ problems that ____ local cellular infrastructure impacting ____ and ____ speeds?
 Do ____ know about any ____ with ____ ?
 Is the ____ signal ____ cell towers ____ equipment?
 ____ you ____ of ____ cellphone infrastructure ____ ?
 ____ reception ____ result of problems ____ towers?
 Bad signal, dropped ____ internet can ____ caused by ____ .
 Do you ____ problems with ____ my reception?
 ____ reception, dropped ____ internet, are ____ any ____ with ____ cellphone ____ ?
 ____ local ____ mess with ____ slow net?
 ____ you ____ instances ____ which ____ cellphone infrastructures ____ poor connection ____ ?
 Is ____ cell towers ____ causing ____ reception, ____ or sluggish ____ ?
 ____ my reception ____ because of ____ problems?
 ____ anyone ____ if the ____ cause poor ____ calls, or sluggish ____ ?
 ____ there ____ with ____ nearby cell towers ____ reception?
 Are there ____ are messed up ____ ?
 Is sporadic reception ____ internets ____ ?
 ____ possible ____ our ____ subpar cellular service is the result ____ with ____ ?
 ____ towers causing ____ reception, dropped ____ or ____ internet?
 ____ know of any issues caused ____ local ____ data ____ ?
 Is ____ that ____ with nearby cell ____ calls, ____ internet?
 ____ the ____ up in ____ vicinity?
 Is there ____ known ____ the ____ messing up ____ or internet ____ ?
 Are ____ aware of ____ tower ____ connection here?
 Do ____ local ____ have ____ sluggish net stuff?
 ____ towers affect the quality of ____ internet?
 ____ drops, bad signal ____ and sluggish browsing ____ may ____ by issues ____ closeby ____ .
 ____ bad ____ down to local cell ____ ?
 Tower ____ phone usage?
 ____ a ____ with ____ cellphone towers for bad ____ ?
 Do you know ____ caused by local ____ call ____ and ____ speeds?
 Any cell tower ____ related ____ signal, dropped ____ slow ____ ?
 Is ____ spotty ____ service caused ____ problems ____ nearby telecommunications ____ ?
 ____ there any known issues ____ reception or slowing down internet ____ ?
 ____ weak signal, dropped calls, or ____ net?
 ____ with ____ towers ____ reception?
 ____ cell towers ____ my ____ service?
 ____ you ____ tower issues ____ weak ____ dropped ____ or slow net?
 Is my poor ____ due ____ local ____ problems?
 ____ call ____ due to faulty ____ ?
 ____ problem with ____ affecting reception?
 ____ from the ____ affect ____ signal ____ speed?
 Problems ____ those tower ____ are ____ my ____ ?
 Do you ____ problems caused by ____ neighboring ____ ?
 Is ____ problem with the cell ____ poor ____ ?
 Is ____ problem with local ____ towers ____ bad ____ dropped ____ internet?
 Is there ____ with ____ impacting call ____ and overall data ____ ?
 Are ____ with the ____ calls, or ____ because of other ____ ?
 Do ____ of any ____ issues?
 Have you heard ____ reception, ____ calls, or slow ____ ?

Are _____ any _____ cell _____ up _____ dropping calls, or slowing down _____ speeds?
 _____ with towers _____ reception _____ this _____?
 _____ our area's spotty cellular _____ is caused _____ with nearby telecommunications _____?
 _____ my poor _____ local cell infrastructure _____?
 _____ know _____ problems caused _____ neighboring _____ towers?
 _____ towers? reception, _____ dropping, _____?
 _____ the _____ local cell _____ problems?
 Any _____ problems related _____ weak _____ or slow _____?
 Is my _____ of _____ cell infrastructure problems?
 Can cellular infrastructure near _____ cause of _____ network _____?
 Should there _____ local _____ or equipment for _____ reception?
 Is _____ a _____ cell _____ up _____ dropping calls or _____ internet speeds?
 Are cell _____ and _____ quality?
 _____ you know of any _____ with the _____?
 _____ cell tower affect reception, _____ calls, or _____?
 Did _____ know _____ cell towers _____ affect _____ or _____?
 Is _____ issue with the _____ up reception, calls _____ speeds?
 _____ there a known _____ cell _____ up reception, calls, _____ speeds?
 _____ nearby _____ calls, or internet?
 _____ the _____ interfering _____ my reception, _____ slowing the internet?
 Do _____ know _____ nearby cell _____ that cause poor reception, _____ calls, _____ slow _____?
 _____ it _____ that cellular infrastructure near _____ is _____ reason _____ decreased _____?
 _____ any _____ you know how the _____ our service?
 Do cell _____ issues cause _____ dropped _____ or _____?
 _____ you _____ neighboring _____ affect reception or web _____?
 _____ lousy reception the _____ of _____ infrastructure issues?
 _____ ever seen instances where _____ infrastructures cause poor _____?
 Do _____ or _____ cause poor _____ quality or _____?
 _____ slow nets?
 Is there _____ known issues _____ cell _____ or slowing internet speeds?
 Do _____ know _____ any issues _____ cell _____ reception, _____ slowing down internet speeds?
 Are _____ any _____ problems caused _____ cell towers _____?
 Is _____ any identified problem _____ the _____ infrastructure?
 Is _____ a _____ cell _____ call _____ poor signal _____ or _____ browsing speed?
 Cell towers cause _____ dropped _____ slow internet _____.
 Are _____ near us the _____ network _____ quality?
 Are _____ any _____ problems _____ local cellular _____?
 _____ there any issues with _____?
 _____ had _____ cell towers impacting _____ dropped calls, _____ slow _____?
 _____ you _____ any problems _____ by cell _____?
 Is my _____ due to _____ issues?
 Is _____ any problems _____ local _____?
 Cell _____ nearby _____ poor reception, _____ sluggish internet.
 Is their _____ messed _____ reception error _____ net _____?
 Is it a _____ cell _____ or _____ that _____ affecting _____ reception?
 _____ you aware _____ with closeby _____ infrastructure?
 Is it possible _____ mobile _____ vicinity _____ affecting _____ or _____?
 _____ or equipment cause bad signal, dropped _____ or _____?
 Problems _____ those _____ affect _____ signal _____ internet speed.
 _____ are cell _____ nearby and any _____?

_____ know _____ nearby cell towers affect the _____ internet speed?

Cell towers _____ equipment may _____ or slow internet.

_____ with nearby cell towers?

_____ you _____ of _____ cell tower _____?

_____ dropping due _____ cell towers?

_____ towers _____ may cause poor reception, _____ internet nearby.

_____ issues _____ nearby cell towers _____?

Are _____ malfunctioning cell towers impacting _____?

Is a _____ with _____ nearby cell towers _____?

Are the _____ cell towers _____ with _____ dropping _____ or _____ the _____?

Cell _____ issues can impact _____ slow internet.

Is _____ local _____ reception error _____ sluggish _____ stuff?

_____ tower issues regarding _____ signal, dropped _____ slow _____?

_____ my _____ bad because of _____ cell _____?

_____ there _____ with _____ towers _____ my connection here?

Is there any known _____ messing up reception, dropping calls, _____?

Are _____ reception, _____ or internet?

Do you _____ nearby cell _____ cause poor _____ or _____ internet?

Are _____ cell _____ causing _____ issues, _____ calls, _____ slow _____?

_____ my reception affected by _____ cell _____?

_____ you _____ cell _____ are doing _____ our service?

_____ my _____ reception _____ result _____ local cell infrastructure _____?

Can you _____ me _____ there are _____ reception, dropped _____ internet?

_____ you know of _____ by neighboring _____ tower?

Weak signals, _____ drops, _____ gear _____ trouble?

_____ know if the _____ towers _____ poor _____ dropped _____ sluggish internet?

Reception, calls _____?

_____ instances when adjacent _____ signal _____ that _____ to poor _____ performance?

_____ you had _____ reports _____ problematic _____ tower _____?

Is _____ correlation _____ cell towers and _____ drops, _____ signal _____ or _____ browsing _____?

Do you _____ of instances _____ cellphone _____ poor _____ performance?

Is it _____ area's _____ is _____ result _____ nearby infrastructure problems?

Do _____ of _____ the cellphone _____?

_____ known problems _____ the nearby _____ messing _____ calls, or _____ speeds?

_____ how the cell towers are ruining _____?

Call _____ bad _____ quality, and _____ speed are _____ related to _____ towers.

_____ the _____ infrastructure _____ affect _____ service quality?

Is there _____ towers _____ nearby?

Is there _____ with _____ towers?

_____ there a cause _____ poor reception, _____ calls, _____ slow _____?

_____ know _____ troubles with _____ closeby cellphone infrastructure?

_____ tower problems affecting _____ or _____?

Weak signal, call drops due _____?

Did _____ cell towers cause _____ reception, _____ calls, or _____?

_____ if the poor _____ calls, _____ sluggish internet _____ to equipment issues within _____ service?

Is cellular _____ us _____ cause _____ service quality?

Is _____ infrastructure _____ to blame for _____ service _____?

_____ know _____ with the cellphone infrastructure?

_____ of the cell infrastructure issues?

_____ you _____ that there _____ problems _____ cellphone infrastructure?

_____ instances _____ adjacent cellphone _____ cause poor connection _____?
 _____ are _____ cell signals?
 _____ you _____ are _____ with the cellphone infrastructure?
 Have _____ ever had _____ cell tower issues _____ calls, or _____?
 Have you seen any cell _____ here?
 Do you know if _____ towers _____?
 Cell towers _____ reception, _____ internet.
 _____ with _____ up my reception?
 _____ you have reports _____ tower _____ impacting reception, dropped _____ internet?
 _____ there a problem with _____ reception, calls dropping _____ because of _____ cell _____?
 _____ are the _____ result _____ the local cellular _____?
 _____ you aware of _____ issues caused _____ towers?
 _____ towers affect _____ quality of _____ and internet _____?
 _____ you experiencing signal, dropped _____ or slow _____ to _____?
 Is there any _____ cellphone _____?
 _____ know if _____ tower things _____ up our _____ here?
 _____ messing up my reception?
 Cell tower _____ as _____ signal, dropped _____ net?
 _____ problems with nearby _____ towers or _____ poor reception?
 Are there any _____ the _____ cell _____ my _____?
 _____ there _____ with _____ towers _____ my connection?
 _____ you _____ of any problems _____ are caused _____ local _____ impacting _____ speeds?
 Do nearby _____ affect _____ dropped calls, or _____?
 _____ any _____ problems _____ nearby cell _____ that _____ poor _____ dropped _____ slow internet?
 Do _____ cell towers nearby _____ dropped calls or _____?
 _____ you _____ have issues with the _____ calls, or slow _____ other _____?
 Are _____ experiencing _____ dropped _____ slow internet _____ other equipment?
 _____ these cell _____ affect _____ or internet performance?
 _____ be issues with closeby cell _____ call drops, _____ quality, _____ browsing speed.
 Is nearby _____ or equipment _____ signal _____?
 _____ cell signals _____ slowness?
 _____ cell _____ problems _____ reception, calls, or internet?
 Do you _____ of any issues _____ by cell _____?
 _____ there _____ bad signal quality, _____ calls _____ slow internet?
 _____ anyone have any _____ with _____ up _____ reception?
 _____ signal, _____ drops from _____ towers?
 _____ you know of _____ by _____ towers, equipment, or _____?
 _____ are _____ known issues _____ the _____ towers _____ reception, calls _____ speeds?
 _____ telecommunications infrastructure may _____ blame for _____ cellular _____ in our _____.
 Is there any _____ with _____?
 _____ cell _____ that _____ bad nearby?
 Problems _____ towers _____ equipment can _____ reception, _____ calls _____ slow internet.
 _____ trouble with _____ cellphone infrastructure?
 _____ there _____ known issues _____ cell _____ messing _____ reception, calls _____ speeds?
 Have you _____ instances _____ cellphone infrastructures cause interference?
 Are _____ issues related to _____ call drops, _____ or _____ speed?
 Do you _____ any _____ by cell towers _____?
 _____ a _____ with _____ cellphone _____ affecting connection?
 Problems _____ nearby telecommunications _____ be _____ for our _____ subpar cellular _____.
 Do _____ towers cause _____ dropped calls, _____ slow _____?

Do _____ of any _____ caused _____ adjacent cell _____?

Do _____ know _____ how _____ wretched _____ are _____ our service?

Do you know _____ identified _____ local cellular infrastructure?

_____ there _____ problem _____ the cell towers _____ my _____ or _____?

Are _____ of _____ adjacent cellphone _____ cause signal _____?

Do _____ of _____ tower _____ my internet _____ signal?

_____ the reception _____ cell _____ problems?

There _____ telecommunications infrastructure that could cause _____ in our area.

Problems _____ cell _____ slowing _____?

Are _____ problems _____ cell towers _____ my _____ here?

Is my reception the _____ problems?

Any _____ cell towers affect our service?

_____ you know of any _____ cell towers that _____?

Are _____ with _____ towers that _____ poor reception, _____ calls _____ slow _____?

Can _____ me _____ the _____ network reception, _____ sluggish internet are _____ to equipment _____?

Is _____ issue with cell towers that _____ call _____ signal _____ or sluggish _____?

_____ there a _____ that _____ cell towers _____ and internet speed?

_____ there any _____ close by _____ infrastructure?

Is _____ towers nearby, _____ or slow internet?

Is _____ with _____ cellphone infrastructure affecting _____?

_____ have _____ cell tower problems _____ weak signal, _____ calls, _____ slow _____?

Weak _____ and _____ due _____ faulty cell towers _____?

_____ of _____ signals causing _____?

_____ it _____ that the _____ vicinity _____ connection _____ in the future?

Are there _____ the _____ cellphone infrastructure _____?

_____ a _____ caused _____ local cellular infrastructure _____ connections and _____ speeds?

_____ cell towers _____ messing with _____ or internet?

Cell _____ are messing _____ signal?

_____ there a _____ with _____ nearby cell towers _____ is _____ calls dropping or internet _____ slow?

_____ there a problem _____ that _____ my reception?

_____ related to _____ affect call drops, bad signal quality, _____ slow _____?

Is there any chance _____ how _____ wretched _____ towers _____ service?

Is it possible _____ cellular service _____ due _____ problems with _____ telecommunications _____?

Are _____ cell towers _____ my reception _____ my _____?

_____ there _____ problem with _____ cell towers, equipment _____?

Do you _____ of _____ issues that affect _____ or _____?

Have _____ towers _____ near _____?

_____ there any _____ with _____ cell _____ with my _____?

_____ neighboring cell _____ slowness?

Are _____ related _____ cell towers that affect _____ drops, _____ speed?

Do _____ problems that are _____ by local cellular _____?

_____ cell _____ messing _____ my reception?

Is it _____ that _____ cellular _____ us is _____ reason _____ decreased _____ service _____?

I wonder _____ they local _____ mess _____ sluggish net _____.

There are _____ cell _____ that _____ poor reception, _____ calls, _____ slow _____.

_____ internet speed can be _____ affected _____ nearby _____ towers.

_____ a problem with _____ cell towers _____ that _____ reception?

Cell _____ dropped calls, _____ slow net?

_____ with the nearby _____ towers _____ affects my _____ calls _____ internet?

_____ calls, or slow _____ could be caused _____ or equipment.

_____ there a known _____ cell towers messing _____ reception?

There are issues related _____ call _____ signal quality, and _____ browsing speed.

I don't know if _____ towers _____ reception _____ sluggish _____.

_____ signal, _____ drops due _____ cell _____?

Is _____ with the _____ towers _____ my reception, _____ or _____?

Have _____ poor connection performance _____ adjacent _____ infrastructures cause interference?

_____ with cell _____ cause poor _____ dropped _____ or slow internet _____?

Did you _____ of _____ tower issues _____ or slow internet?

_____ nearby cell _____ affect _____ or internet speed?

Is there _____ with the _____ cell towers _____ or the _____?

Do the nearby _____ calls, or internet _____?

Can the _____ infrastructure near us _____ blame for _____?

Do _____ of _____ by _____ infrastructure _____ call connections and _____ speeds?

Is _____ I'm _____ bad _____ losing calls near these _____ towers?

_____ cell towers _____ call drops, _____ quality, _____ sluggish browsing _____?

_____ equipment _____ door can _____ call drops and _____?

_____ there _____ area's spotty cellular _____ and intermittent internet _____?

Does any of those tower things _____?

_____ or equipment can _____ reception, dropped _____ internet nearby.

_____ these cell _____ interfering with my _____ internet _____?

Did you know _____ closeby _____ can _____?

Do _____ of _____ problems _____ local cellular infrastructure impacting _____ and call _____?

_____ you know _____ where adjacent _____ cause signal _____?

_____ think _____ affect the quality of calls and _____?

Can _____ me if _____ poor _____ reception, _____ calls, _____ sluggish internet _____ of neighboring equipment _____?

Problems with _____ and _____?

Are you experiencing _____ the signal, _____ or _____ other equipment?

_____ nearby cell towers _____ reception, dropped _____ slower _____?

_____ signal, call _____ to _____ cell towers _____?

Something _____ wrong _____ dropped calls, or _____ internet?

_____ you know _____ issues _____ nearby cell towers _____ reception?

_____ nearby _____ towers affect reception, _____ calls _____?

_____ the cell towers _____ poor reception, dropped _____ or slow _____?

Are you having issues with _____ signal, _____ because _____ other _____?

Do _____ the cell towers are _____ up _____?

_____ have any _____ the closeby _____ infrastructure?

Problems _____ or equipment _____ with my _____?

Do _____ affect my _____ calls _____ internet speed?

Cell _____ problems, _____ signal, dropped _____ and _____?

Is _____ a connection _____ cell _____ and _____ bad _____ quality, or slow _____?

_____ problems around _____ signal, _____ or slow net?

_____ there any identified problems _____ local _____ infrastructure _____ connection?

Is _____ problem _____ cell _____ my reception, calls or internet?

_____ reception a result _____ the local _____ problems?

_____ there _____ the cell towers messing up _____ calls or slowing _____?

_____ of _____ caused by adjacent _____ towers?

Cell _____ equipment _____ cause _____ reception, _____ or slow internet.

_____ been _____ where adjacent cellphone infrastructures _____ connection _____?

_____ there any _____ problems caused _____ the _____ infrastructure?

_____ the _____ that _____ from the local cellular _____ call _____ data _____?

Do _____ drops, bad signal _____ slow browsing speed?
 _____ remember _____ problems caused by _____ cell towers _____?
 _____ might _____ cell _____ affect _____ drops, _____ quality, _____ browsing speed?
 _____ there _____ with nearby _____ towers?
 _____ cell _____ issues impacting _____ dropped calls, _____ internet?
 _____ cell towers affecting _____ or _____?
 Is there a _____ the nearby _____ towers or equipment _____.
 _____ bad signal _____ browsing _____ may be related to closeby _____.
 Do you _____ of any _____ nearby cell _____ dropped calls, _____ slow _____?
 Did _____ cell _____ reception, calls, _____?
 Is there _____ with _____ nearby _____ towers _____ calls dropping or internet being _____?
 _____ to know _____ cell towers or equipment are _____ up _____.
 _____ the nearby _____ messing _____ my _____ calls, _____ internet?
 _____ cell towers _____ reception, calls, _____?
 Do you _____ if _____ towers are _____ poor reception, _____ calls, or _____?
 Weak _____ drop, _____ faulty _____ towers?
 _____ nearby _____ messing with my _____ or _____ internet?
 Is _____ any _____ with nearby _____ causing _____ dropped calls _____ slow _____?
 _____ the decreased _____ service _____ due to _____ infrastructure _____ us?
 Is _____ area's spotty cellular _____ and intermittent connections?
 Do you _____ if _____ any _____ surrounding _____ towers?
 _____ you have any _____ by _____ cellular _____ impacting data _____?
 _____ you _____ about cell tower _____ impacting _____ dropped _____ or _____?
 Do you know of _____ troubles that _____?
 _____ you know of _____ neighboring cell _____ affecting _____?
 Do _____ know if _____ affect the quality _____ calls and _____?
 _____ with cell _____ or equipment cause _____ calls _____ slow internet _____?
 _____ their local towers messed _____ error _____ sluggish net _____.
 _____ towers cause bad signal, dropped _____ slow _____?
 Are _____ cell _____ or equipment _____ signal _____?
 Is there _____ with _____ affecting reception, _____ or _____?
 _____ a problem with the _____ towers _____ reception, _____ dropping or _____ being slow?
 _____ reception, _____ dropping, slow _____?
 _____ problems with nearby _____ reception _____ call _____?
 _____ signal, call _____ to faulty _____?
 Are there problems _____ infrastructure _____ the _____?
 _____ cell _____ poor reception, dropped calls _____ internet?
 Does _____ issues affect _____ signal or _____?
 _____ with _____ closeby cellphone _____ affecting connection?
 _____ cell _____ cause bad signal _____?
 Do nearby _____ towers or equipment _____ quality, dropped _____ internet?
 _____ the cell towers _____ poor _____ or slow _____?
 _____ with _____ towers could _____ call drops.
 Did you _____ with the _____ dropped calls, _____ of _____ equipment?
 Is there _____ cell _____ interfering with my _____?
 Is it _____ that _____ area's spotty _____ service _____ the _____ of _____ telecommunications _____?
 Cell _____ cause poor reception, _____ slow internet.
 _____ with _____ could be _____ cause of the _____ cellular service.
 Problems with nearby _____ to blame _____ our area's _____ cell _____.
 Are _____ close by _____ infrastructure affecting _____?

Are there issues _____ the closeby _____ towers _____ affect call _____ signal quality _____ ?
 _____ of cell _____ impacting reception, calls, _____ internet?
 _____ these _____ messing with my reception, calls, _____ ?
 _____ and _____ can _____ poor reception, _____ calls _____ slow internet.
 _____ with nearby _____ infrastructure _____ cause our _____ subpar _____ .
 Is _____ any identified _____ from local _____ ?
 Is my _____ local cell _____ problems?
 There _____ towers _____ impact call _____ signal quality, or _____ browsing speed.
 _____ might _____ issues _____ cell _____ impact call _____ bad signal quality, or _____ .
 _____ wonder if the _____ towers _____ with _____ and _____ net _____ .
 _____ towers messing _____ and slow net stuff?
 Do _____ know _____ closeby cellphone _____ ?
 Problems with nearby _____ infrastructure _____ blame _____ the _____ spotty cellular _____ .
 Bad _____ drops may occur _____ of problems with _____ .
 _____ there a problem with _____ or equipment _____ is affecting _____ ?
 Have _____ seen _____ where _____ infrastructures interfere _____ the _____ ?
 _____ causing poor reception, dropped calls _____ slow _____ ?
 _____ know _____ issues with closeby _____ affecting connection?
 Have you noticed _____ of _____ connection _____ cellphone _____ interference?
 _____ it _____ that _____ spotty cellular _____ the result of _____ problems?
 _____ an _____ with _____ cell _____ messing _____ reception _____ dropping calls?
 Is _____ possible _____ problems _____ towers affect _____ ?
 Are there any _____ nearby _____ poor reception?
 Do _____ have _____ tower _____ signal, dropped calls, or slow _____ ?
 _____ know _____ any problems caused _____ neighboring cell _____ ?
 _____ it possible that _____ area's poor _____ due _____ problems with nearby _____ ?
 _____ the _____ blame for the poor network service quality?
 _____ with telecom masts _____ service _____ ?
 _____ signal quality, and _____ may be _____ closeby cell towers.
 Is _____ area's spotty _____ service _____ problems _____ telecommunications infrastructure?
 Problems with _____ cause poor reception, dropped calls _____ slow _____ .
 _____ there _____ known issue with _____ messing up reception, _____ internet _____ ?
 Is my _____ reception _____ of the local _____ ?
 Is it _____ that _____ affect my _____ signal?
 Do _____ if _____ tower thingies are _____ our _____ ?
 Are there _____ infrastructure?
 _____ lousy _____ local cell infrastructure problems?
 Is decreasing _____ service quality because of _____ in-speed and _____ due _____ us?
 _____ a _____ with _____ cell towers affecting _____ reception, calls or _____ ?
 _____ of any problems _____ cellphone _____ ?
 _____ tower _____ weak signal, dropped calls _____ slow _____ .
 _____ because of problems with nearby _____ .
 _____ chance _____ know _____ the cell towers _____ our service?
 _____ and call drops _____ for cell _____ and _____ nearby.
 _____ if those _____ things are messing up the _____ ?
 Is _____ report of _____ tower issues impacting _____ dropped _____ slow _____ ?
 Are _____ cell _____ with my _____ calls or _____ ?
 _____ us _____ to blame for _____ decrease in network _____ quality?
 Bad _____ or slow internet could _____ by nearby _____ towers.
 _____ problems _____ local _____ infrastructure impacting _____ connections _____ data speeds.

Call ____ bad ____ quality, ____ sluggish browsing ____ may ____ related ____ ____ closeby ____ towers.

I wonder ____ mess with ____ error and ____ net ____.

____ reception ____ to ____ infrastructure problems?

Quality ____ calls ____ internet ____ can be affected ____ nearby ____.

Cell ____ problems with weak ____ dropped ____ ____ net.

____ cell towers ____ signal ____ dropped ____ ____ slow internet?

Is there ____ known ____ with ____ cell ____ with ____ or internet ____?

Is cellular ____ the ____ degraded ____ service quality?

Can ____ if the ____ reception, ____ calls, and sluggish internet ____ the result of ____?

Have you ____ cell ____ impacting ____ dropped ____ or slow internet?

____ you ____ of any ____ cellphone ____?

____ nearby cell towers affect ____ internet speed?

____ a ____ the nearby ____ towers ____ dropping calls, ____ slowing down internet speeds?

____ bad reception caused ____?

____ if the ____ thingies have messed ____ the ____?

I wonder if ____ are messing ____ my reception, ____ down ____ internet.

Cell tower issues like ____ slow net?

Is cellular ____ us the reason for ____ quality?

____ you observed ____ poor ____ adjacent infrastructures cause signal ____?

____ anyone have ____ tower ____?

____ the tower can affect my ____ internet ____.

____ nearby ____ towers affecting ____ and ____?

Bad signal quality, dropped calls, and ____ towers ____ nearby.

Are there any problems ____ my connection ____ towers?

Can you ____ if the ____ reception, ____ calls, and sluggish internet are ____ equipment ____ in ____?

____ the ____ towers ____ error ____ slow net stuff?

____ cellular ____ to nearby telecommunication ____?

____ there ____ issues with ____ cell ____ with ____ reception?

Is there a ____ telecommunication ____ that has ____?

Any ____ you know how ____ terrible ____ messing ____ service?

____ problems with ____ cells ____ reception?

____ there a ____ with ____ cell ____ affect my reception, calls, ____?

____ cell ____ messing with my reception, dropping ____ or ____ the ____?

Can ____ infrastructure ____ us be ____ decreased network ____ quality?

Have ____ of poor ____ when ____ cause signal interference?

Cell ____ or ____ reception?

____ you know ____ any troubles ____ towers?

Do ____ messing with my reception, ____ or ____?

____ the ____ towers ____ my ____ calls, and internet?

____ my poor reception a ____ cell infrastructure ____?

____ towers ____ phone usage?

Is ____ area's ____ cellular service caused ____ problems ____ infrastructure?

____ you heard ____ by ____ cell ____ affecting reception?

Do ____ know ____ poor ____ dropped ____ or ____ internet near ____ towers or ____?

Do nearby cell ____ signal quality, ____ calls or ____?

____ any ____ with the ____ nearby?

Do you ____ of ____ related ____ cellular infrastructure impacting ____ connections ____ data ____?

Is ____ poor reception ____ by ____ cell ____?

Can ____ me ____ network reception, dropped ____ or sluggish internet ____ related ____ in your service?

____ you ____ issues with ____ signal, ____ internet due to other ____?

_____ me if _____ any _____ with the cell towers?

There _____ cell _____ do _____ cause _____ reception, _____ calls, or _____ internet?

_____ any problems _____ towers _____ cause _____ reception, _____ calls or slow _____ nearby?

_____ you aware _____ problems associated _____ towers?

Are _____ any problems _____ from _____ cellular _____?

Do _____ know of problems _____ cell _____ that affect reception _____?

_____ the _____ towers are causing _____ dropped calls _____ slow internet?

Are there _____ by _____ infrastructure?

_____ signal _____ dropped calls, or slow _____ are _____ by cell _____.

Do you know if _____ up _____ network _____ here?

_____ nearby _____ infrastructure could _____ the _____ our _____ cellular service.

_____ with nearby telecommunications _____ the area's spotty cell service.

_____ there a problem with the _____ towers _____ reception?

Can you _____ the cause _____ dropped _____ or _____ internet?

Do _____ any issues _____ or equipment that cause poor _____ dropped _____ slow internet?

Is there _____ problem _____ towers _____ usage?

Does anyone _____ problems _____ cell _____ or _____ up _____ reception?

_____ there _____ problematic cell tower issues _____ dropped _____ slow internet?

_____ heard of _____ cell _____ issues impacting _____ dropped _____ or slow _____?

_____ cell tower _____ due _____ dropped calls, or _____ net?

Is _____ issue with _____ towers _____ poor reception, dropped _____ internet?

Is the _____ my reception, _____ or _____ internet slow?

_____ these cell towers messing _____ calls _____ internet?

_____ you aware _____ with _____ cellphone infrastructure?

I don't _____ if _____ are _____ reception or the internet.

Is _____ a _____ cell towers affecting _____ or internet?

_____ cause poor reception, dropped calls, or _____?

Do _____ guys have issues with _____ calls or _____ internet _____ to _____?

Is there _____ reason _____ our _____ spotty _____ and intermittent _____?

Cell _____ problems like _____ calls, and _____ net?

Can you tell me _____ calls, or slow _____ equipment issues?

Are nearby _____ towers _____ reception, _____ calls, _____ slow _____?

Are _____ issues _____ cell _____ that affect _____ drops, signal quality, _____ speed?

_____ the _____ cause poor reception, _____ sluggish internet?

Is there a problem _____ cell _____ that affects _____ calls _____?

Do you know anything _____ how the cell _____?

Can _____ near _____ the _____ the _____ network service quality?

_____ any _____ issues with _____ towers messing up _____ calls or _____ internet _____?

_____ the cell _____ cause poor reception, _____ internet?

_____ possible that the local _____ messed with _____ and _____ stuff?

Do _____ surrounding _____ towers are impacting my _____ here?

Is it possible _____ these _____ my _____ calls, or internet?

Do you know _____ issues _____?

_____ there _____ with _____ towers affecting reception, calls _____ internet?

_____ there a problem with nearby _____ reception?

_____ you have _____ with _____ cellphone _____ affecting _____?

_____ chance you know _____ how the _____ towers _____ ruining _____?

Call drops, _____ quality, and _____ may _____ related to _____ to closeby cell _____.

Do _____ local _____ mess _____ reception _____?

Cell towers _____ dropping?

_____ had _____ problematic cell tower _____?

Are you _____ issues _____ signal, dropped calls, _____ internet _____ other _____?

Do any tower _____ my _____ or _____?

_____ know if there are problems with local _____ call _____ data _____?

Are _____ any cell towers _____ mess up _____?

Is _____ a problem with _____ towers _____ messing _____ reception?

_____ my _____ result _____ local _____ infrastructure issues?

Poor _____ calls, _____ internet _____ linked to _____ towers or equipment.

Is there _____ for _____ cellular _____ and intermittent connection?

_____ you _____ instances _____ cellphone _____ cause _____?

_____ guys _____ problems with the _____ calls, _____ slow internet _____ other equipment?

Any cell _____ weak _____ dropped _____ or _____ net?

_____ issues _____ cell towers messing _____ dropping _____ slowing down internet speeds.

_____ there _____ issues related to _____ towers _____ might _____ drops, _____ or _____ speed?

_____ any problems with _____ cellphone infrastructure _____ connection?

Is _____ concern _____ the quality of _____ and internet _____ cell towers?

Bad signal _____ dropped calls _____ caused _____ nearby _____ towers.

Slowness, problems with _____ cell _____?

_____ any _____ issues with _____ cause _____ reception, dropped _____ or _____ internet?

Is there _____ with _____ cell _____ that affects _____ reception or calls _____?

Do _____ of any known problems _____ towers?

_____ any problem with the _____ impacting _____ data speeds?

Problems _____ affect my _____ or internet speed.

Is _____ cell _____ problem _____ weak _____ dropped calls _____ slow _____?

_____ can be _____ with neighboring _____ signals.

_____ equipment surrounding the _____ towers _____ reception, _____ or internet _____ slow?

Is there _____ problem _____ the _____ cell _____ affects _____ calls or internet?

Is decreased network _____ quality _____ of _____ and interrupted _____ due to _____ infrastructure _____?

_____ you _____ troubles caused by neighboring cell _____?

_____ tell _____ the _____ towers are ruining our _____?

Are there _____ tower _____ my _____ here?

_____ with cell towers?

Is _____ reception _____ local cell infrastructure _____?

Do you _____ any _____ with cell _____ causing poor reception, _____ internet _____?

_____ known about the nearby cell _____ up _____ or _____ speeds?

Are there any _____ that are impacting _____?

Is _____ with _____ cell _____ causing poor _____ slow internet?

_____ are messing up reception, _____ calls, _____ down internet speeds.

Is there _____ with cell _____ causing poor _____?

_____ there any problem _____ cell towers _____ equipment _____ my _____?

Is _____ possible that _____ tower _____ affecting my _____ internet _____?

Do you _____ of _____ with reception or speed _____ by _____?

Do the _____ issues _____ my _____ speed?

Problems with neighboring _____?

Is the equipment _____ towers _____ calls or internet?

_____ cellular infrastructure near us _____ cause of _____ quality?

Are cell _____ nearby?

Do you know of any _____ by _____ cellular _____?

_____ there any _____ up _____ around?

_____ towers nearby cause poor _____ calls _____ internet?

Problems _____ the nearby telecommunications infrastructure _____ to _____ for _____ spotty _____.

Have _____ observed _____ where the _____ cause _____ connection performance?

_____ know if _____ are messing up _____ network?

_____ you heard of _____ cell _____ reception, calls, _____ internet?

Is _____ lousy _____ because _____ infrastructure problems?

_____ issues related _____ cell _____ affect _____ signal quality, _____ sluggish browsing _____?

Any problems _____ cell _____ equipment _____ poor reception or _____?

_____ any cell towers _____ near?

_____ there issues _____ cell towers _____ reception?

Are the nearby cell towers affecting _____ slow?

_____ call _____ to faulty cell towers?

Any chance you _____ are _____ our service?

Are _____ messing with my reception _____ internet?

Is _____ reason for _____ signal, _____ slower internet?

Weak _____ due to faulty _____ towers?

_____ of _____ call _____ due to _____ cell _____?

Do _____ know _____ the nearby _____ cause _____ calls or _____ internet?

_____ problem _____ the cell towers nearby that is _____?

Are _____ nearby messing up _____?

_____ cellular _____ near _____ the reason _____ network service _____?

Discuss problematic _____ impacting reception, _____ calls _____ slow _____.

Is it possible _____ our area's spotty _____ service _____ of _____ infrastructure?

Problems _____ cell _____ reception, dropped calls, _____ internet.

_____ know of any problems _____ from the local _____?

Are _____ issues _____ reception, _____ calls or _____ internet?

Is there a _____ with _____ that might impact _____ bad _____ quality, or _____ browsing _____?

_____ there _____ known problem _____ cell towers _____ up reception, _____ calls _____ down internet _____?

_____ there _____ related to _____ closely _____ call drops, _____ signal _____ or sluggish browsing speed?

_____ you _____ cell towers _____ impacting our service?

Is there _____ link between cell _____ drops, bad signal quality, _____?

What _____ the _____ issues with _____ towers _____ reception, dropping _____ or slowing _____ internet _____?

_____ cellular infrastructure close to _____ reason for _____ network _____?

Is _____ problems _____ the cell tower _____ weak _____ dropped _____ slow _____?

Do _____ cellphone towers _____ equipment for bad reception?

_____ wonder _____ nearby _____ towers _____ messing with my reception, _____ down _____ internet.

_____ issues _____ nearby cell _____ affecting _____?

Do y'all know _____ are messing up _____?

Is _____ subpar _____ service _____ a result of nearby infrastructure _____?

_____ you _____ with _____ cellphone infrastructure?

_____ the area's spotty _____ service _____ with _____ infrastructure?

_____ nearby cell _____ cause poor reception, _____ or slow _____?

_____ it _____ that _____ spotty cellular service is related _____ infrastructure _____?

_____ know _____ any troubles caused _____ cell tower?

_____ issues with _____ cell _____ that _____ call _____ signal quality, or _____ speed?

Is there _____ tower issues _____ my _____ speed?

Problems _____ nearby towers _____ reception _____ drops.

_____ there a problem _____ from the _____ infrastructure _____ call _____ data _____?

_____ a chance you _____ how the _____ cell _____ ruining _____ service?

Have you seen instances _____ the _____ signal _____?

Problems with nearby _____ infrastructure could _____ to blame _____ area's _____.

Do _____ of _____ problems _____ by cell _____ near each _____?
 _____ there _____ with _____ cell towers that _____ reception?
 _____ the _____ near _____ cell _____ affect _____ dropping _____ internet being slow?
 _____ the local towers have _____ error _____ stuff?
 I wonder if _____ cell _____ are messing with _____.
 Is there _____ cellular infrastructure impacting call connection and _____?
