

[Demo] NLP Dataset for Customer Service Automation

Company Type	Credit Card Companies
Inquiry Category	Payment due dates and late fees
Inquiry Sub-Category	Notifications for upcoming payments
Description	Customers may request reminders or notifications regarding upcoming payment due dates to prevent late payments. Representatives assist customers in setting up payment alerts through various channels such as email or SMS, ensuring timely payments to avoid late fees.
Data Size	5,547 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Credit Card Company" customer inquiry. (Purchased data will not be masked.)

____ do your ____ ensure ____ users ____ making prompt monthly ____?

Can you help me ____ my ____?
