

[Demo] NLP Dataset for Customer Service Automation

Company Type	Electricity Suppliers
Inquiry Category	Requests for energy-saving tips or recommendations
Inquiry Sub-Category	Efficient appliances and equipment
Description	Customers seek recommendations on energy-efficient appliances and equipment that can help lower their electricity bills.
Data Size	5,020 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Electricity Supplier" customer inquiry. (Purchased data will not be masked.)

Do your _____ suggest smart thermostats _____ intelligent temperature control _____?

Should you consider smart thermostats _____ savings _____?

_____ experts suggest how _____ with _____ and intelligent _____ control.

What's your _____ smart _____ technology _____ maximize savings accrual?

Your _____ have _____ ways to save the _____ on smart _____ that _____ strategies.

_____ specialists support _____ use _____ control in smart thermostats?

Is _____ possible _____ professionals to _____ optimal cost _____ thermostats?

_____ experts use _____ temperature _____ money on smart thermostats?

_____ your _____ support _____ in smart thermostats?

Your experts suggest _____ save _____ on smart thermostat _____ temperature control _____.

_____ it possible _____ the _____ to _____ a _____ will _____ a _____ of money through temperature _____?

_____ your _____ recommend smart thermostats that _____ temp _____?

_____ advanced _____ algorithms to maximize _____ with smart thermostats?

_____ your experts suggest _____ control _____ for maximum _____ potential?

_____ experts _____ smart thermostats with _____ temp _____?

Experts have suggestions _____ how to _____ most _____ on _____ that _____ intelligent _____ strategies

Do _____ offer smart _____ that _____ algorithms _____ maximize _____?

Are _____ backing up these _____ huge savings _____ clever temp _____?

How _____ smart _____ temperature _____ that gives the _____ savings _____?

Do _____ recommend smart _____ save you money?

Would getting _____ thermostat maximize _____ clever temp _____?

_____ tell _____ about technologically _____ money-saving _____?

Can you _____ a _____ a temperature _____ program _____ save money?

_____ it _____ advanced temperature control _____ to maximize cost-savings _____ smart _____?

_____ experts _____ save money with _____ with intelligent temperature _____ options.

_____ advised by _____ experts to _____ smart _____ savings enhancement

Are _____ efficient smart _____ that can _____ you money?

Do _____ pros at _____ thermostats?

Experts _____ smart thermostats _____ temp _____ can _____ money.

Does _____ advise you to _____ smart thermostats that _____ energy _____?

Do you have _____ recommendations _____ benefits _____ thermostats _____ temperatures?

What ____ the ____ your ____ regarding smart ____ with ____ technology ____ maximize ____ accrual?
____ high-tech, cost-cutting t-stats ____ temp ____?
____ recommend temp ____ smart thermostats?

Your ____ as to ____ save ____ most ____ smart ____ with intelligent temperature control strategies.
Is there ____ from ____ cost reduction ____ temperature ____ on smart thermostats?
Your ____ suggested ____ to save money ____ thermostat and ____ temperature ____
Experts tell ____ how ____ save the most ____ on ____ with ____ control ____.
____ specialists think ____ thermostat ____ maximize savings?
Can your experts ____ maximal money-saving outcomes?
____ a recommendation on a thermostat ____ a ____ control ____?
Do your ____ agree with intelligent thermostat ____?
Should your experts ____ smart thermostats ____?
____ there ____ a smart thermostat ____ intelligent ____ control methods ____ help ____ money?
____ the pros ____ suggest savvy ____?
____ technologically advanced, money-saving ____?

Your experts ____ suggestions ____ best ____ most ____ thermostats that feature intelligent temperature control.
Your ____ have suggestions ____ how ____ on smart thermostats ____ feature intelligent ____ control ____
____ you to ____ us toward selecting ____ thermostats that will maximize ____?
____ might ____ temperature control for ____ for maximum savings.

What ____ you ____ smart ____ with ____ technology that maximize savings ____ through ____ regulated ____?
Can you tell us ____ smart ____ that ____ maximize savings ____ advanced ____?
____ powered ____ advanced ____ software ____ boost savings.
____ experts have ____ for how best ____ smart thermostats ____ feature intelligent ____ control ____.
____ recommendations ____ high-tech, cost-cutting ____ temp controls?
Can ____ experts ____ efficient ____ that ____ a lot ____ energy?

What is the ____ specialists ____ thermostats ____ technology to maximize ____ accrual?
____ recommend a smart ____ savings?
____ your experts ____ thermostats ____ efficient temp ____ algorithms?
Any ____ on high-tech, ____ using ____ controls?
____ your specialists think ____ thermostat is ____ for ____?
____ give ____ advice ____ choosing ____ thermostat that ____ save money?
experts have ____ to save money ____ smart thermostats ____ intelligent ____
Is it ____ to ____ thermostats that ____ temperature ____ for ____ savings?
Does ____ with advanced temperature ____ that maximize ____?
What ____ think about ____ with top-tier technology ____ savings accrual through ____?
Is ____ to increase ____ using smart ____ powered ____ temp-control software?
____ specialists ____ smart ____ with temp ____?
____ you offer top-notch smart ____?
____ your experts recommend ____ for ____ efficient temp ____?

Recommendations on ____ high-tech, ____ t-stats ____ super-smart ____?
What ____ the view ____ on ____ thermostats ____ top-tier technology to maximize ____?
____ it recommended ____ your experts ____ use ____ for savings ____.
Is ____ possible ____ to recommend a fancy thermostat ____ money through ____?
____ a ____ get ____ savings ____ intelligence-based temp control?
Are ____ specialists in favor ____ temp control?
Is it ____ for a ____ thermostat ____ help you save ____ methods?
____ your specialists recommend ____ maximize ____ potentials?
____ your specialists ____ temp control ____ the ____ thermostat?
____ you recommend ____ for ____ energy ____?
____ suggested ____ money ____ smart ____ with intelligent temperature control.

Can you _____ with _____ control program _____ will save _____?

Do _____ recommend _____ that maximize _____ potentials?

_____ up these _____ that promise savings with clever _____ settings?

_____ efficient temp control, _____ experts _____ smart _____?

Do you _____ experts _____ thermostats _____ maximal money-saving outcomes?

_____ leaning toward smart _____ can _____ energy and money?

_____ your _____ intelligent temperature control in _____ smart _____?

Are any _____ models that _____ temperature control to _____ savings?

_____ use smart thermostats with temp-control _____ to _____?

Your _____ have _____ for how best _____ the _____ money _____ thermostats _____ feature intelligent temperature _____.

_____ have suggestions for _____ money on smart thermostats _____ intelligent _____.

They have suggestions _____ how _____ money with _____ and intelligent _____.

Is it _____ get experts to recommend a _____ algorithms _____?

_____ it _____ to get _____ smart thermostat _____ controls _____ maximize savings?

_____ smart thermostat endorsed _____ experts _____ deliver maximal money-saving _____?

Experts _____ ways _____ money on smart thermostats with intelligent _____ control _____.

recommend _____ t-stats using _____ temp _____?

_____ how to save money on smart thermostats that _____ strategies.

Do your _____ recommend intelligent _____ algorithms _____ the _____ thermostats?

_____ your _____ clever temp _____ in smart _____?

_____ specialists recommend intelligent temperature _____ savings?

Is _____ good _____ to _____ smart _____ temperature regulation _____ for significant _____?

_____ the _____ temperature _____ suggested _____ experts for maximum _____ potential?

_____ specialists agree _____ thermostat _____ maximize saving potentials?

Will _____ recommend _____ temperature _____ to maximize cost _____?

Did your _____ the new thermostats that promise _____ settings?

Is _____ you _____ us towards selecting _____ maximize _____ by using advanced temperature control?

Your _____ suggested ways _____ save the most money on _____ control _____.

Do _____ agree _____ intelligent thermostat strategies that _____ potentials?

_____ your _____ suggest intelligent _____ control _____ thermostats?

_____ save the _____ on smart _____ that have intelligent temperature control.

_____ thermostats _____ enhancement _____ by your experts?

What's your _____ thermostats _____ top-tier technology _____ can _____ savings accrual through _____?

_____ experts _____ suggestions on how best to save money _____ control _____

Your _____ suggestions on how _____ thermostats with temperature control.

Is _____ possible _____ experts to _____ thermostat _____ algorithms to _____ you _____?

_____ intelligent _____ control recommended _____ your _____ in smart _____?

Is it possible _____ use intelligent temperature control methods _____?

_____ experts have _____ for how _____ save the _____ money on smart _____ temperature _____.

What _____ the _____ of your _____ on _____ technology to _____ savings accrual?

_____ your _____ smart _____ can maximize saving potentials?

How _____ smart _____ that has _____ that _____ can save more _____?

_____ technologically advanced thermostats?

_____ think smart _____ with top-notch _____ more money.

_____ the intelligent _____ control in smart _____ your _____?

_____ you _____ thermostats _____ are endorsed _____ experts and _____ maximal _____ saving outcomes?

Do _____ best _____ save money on smart _____ intelligent _____ control?

Do _____ professionals _____ leaning towards smart _____ that _____ save _____?

Which _____ the most _____ potential with _____ intelligent _____ programming?

_____ about a _____ thermostat _____ temperature control _____ gives _____ savings _____?

_____ give _____ advice on selecting _____ smart thermostat _____ save _____?

Your _____ have suggestions _____ save _____ most _____ smart _____ with intelligent control.

_____ experts _____ best _____ the most _____ thermostats with intelligent temperature control _____.

Will your _____ suggest intelligent _____ in _____ for maximum _____?

Do your _____ with intelligent _____ designs _____ potentials?

Do your _____ a _____ thermostat _____?

Is it _____ share expert _____ a _____ thermostat _____ will save _____ money?

Do _____ intelligent thermostat _____ maximize saving potentials?

Do _____ professionals recommend _____ in _____ smart _____ that _____ save _____ money?

Can _____ recommend _____ smart _____ save money?

Experts suggest _____ save money _____ smart _____ and _____ control.

According _____ do we increase our _____ smart thermostats _____ by _____?

What is _____ your specialists _____ smart _____ that use _____ to _____ savings _____?

_____ I get _____ that _____ advanced temperature _____ settings _____ savings?

_____ recommended _____ your _____ to consider smart _____ with _____.

_____ it possible _____ experts to _____ a thermostat _____ for _____ money through _____?

_____ suggest that smart _____ with _____ temp control _____ more _____.

To save money, can _____ recommend a _____ with _____?

_____ the _____ control in smart _____ suggested _____ your _____ savings?

Can your _____ smart _____?

Experts _____ that _____ thermostats _____ control _____ save more money.

Is _____ possible to _____ smart thermostats _____ effective _____ techniques _____ significant _____?

Is the _____ thermostat intelligent _____ suggested by _____?

Will _____ professionals _____ about _____ benefits _____ smart thermostats for _____?

Do your _____ smart _____ saving potential?

_____ your _____ suggesting smart _____ with intelligent _____?

Do your specialists _____ control _____ thermostats?

_____ about _____ smart thermostat _____ control _____ save more money?

_____ have _____ to _____ money with smart thermostat

Can you help _____ selection _____ that _____ maximize savings potential by using _____ control?

Is _____ way _____ savings through clever _____ controls?

Experts tell you _____ to save _____ money _____ thermostats _____ intelligent _____ control.

How _____ thermostat with _____ for savings?

Is _____ possible _____ advanced temperature control _____ to save _____ thermostats?

Do your _____ you to invest _____ thermostat _____ can save _____ money _____?

Experts _____ that smart _____ temp _____ will save _____ money.

_____ experts recommend _____ would it maximize _____ temp controls?

_____ you _____ with _____ temperature control?

_____ a smart thermostat _____ by _____ savings?

Can _____ recommend _____ with a temperature control _____ to _____?

_____ suggest _____ the _____ on smart thermostats _____ intelligent temperature control strategies.

Do _____ experts _____ thermostats that _____ smart temperature _____?

_____ use advanced temperature _____ to maximize _____ smart _____?

_____ smart _____ that has _____ control _____ gives maximal _____ potential?

_____ your _____ endorse _____ control in _____?

_____ experts have _____ suggestions _____ how _____ the _____ money _____ smart thermostats with _____ temperature control _____.

_____ thermostat with temperature _____ gives _____ potential?

_____ opinion _____ your specialists _____ smart thermostats _____ can maximize savings accrual?

Do _____ experts _____ intelligent _____ control in smart _____ maximum _____?

_____ it a _____ idea _____ have _____ with advanced algorithms for _____?

Can you _____ with _____ program that can _____ money?
_____ the specialists recommend _____ tech?
Does _____ recommend _____ smart _____?
Can you _____ me about _____ of smart _____ temperature _____?
Do _____ for savings?
Do _____ professionals _____ invest _____ smart _____ that can help _____ money _____ energy?
Is it _____ for _____ professionals _____ reduce costs using smart _____?
Experts _____ to save _____ with smart _____ temperature control.
What's _____ opinion _____ smart thermostats _____ technology _____ maximize _____ accrual through intelligently _____?
Do _____ experts _____ smart thermostats _____ capacities?
_____ intelligent temperature control technology _____ your experts _____ maximum _____?
_____ experts have _____ on _____ save the _____ money on _____ with intelligent _____ control.
Your _____ have suggestions _____ how best to _____ money on _____ intelligent _____ control _____.
_____ favor _____ advanced temperature control strategies for smart _____?
_____ thermostats _____ top-notch temp _____ to _____ more money?
What _____ the _____ of _____ specialists _____ thermostats _____ top-tier _____ maximize savings accrual?
_____ is the _____ specialists _____ smart _____ with top-tier technology to _____?
Are your pros _____ up _____ that _____ savings with _____ temp _____?
_____ about _____ thermostat _____ temperature control _____ gives _____ potential?
Is it _____ the _____ a thermostat _____ algorithms for saving _____?
Do your specialists support _____ technologies _____ potentials?
_____ it _____ good _____ thermostats with _____ techniques to save money?
_____ have suggestions _____ best _____ money _____ smart _____ intelligent temperature control.
_____ you _____ a thermostat _____ a program _____ money?
_____ your experts recommend _____ use _____ temperature control?
_____ your _____ think _____ thermostats _____ top-tier technology _____ accrual through intelligently _____ temperatures?
_____ you recommend _____ thermostats?
_____ your _____ thermostats _____ will save energy?
Is _____ possible your _____ smart _____ for optimal _____?
_____ have suggestions on how best _____ on _____ with intelligent temperature _____.
Should _____ use _____ thermostats powered _____ advanced temp-control software _____?
Do _____ increase our savings _____ smart _____ with _____ temp-control _____?
What's _____ regarding _____ thermostats with _____ technology _____ maximize savings accrual?
_____ possible _____ get experts _____ recommend _____ with _____ algorithms _____ will _____ you money?
_____ by your experts to _____ thermostats _____ advanced software?
_____ have suggestions _____ smart thermostat and _____ temperature control.
What _____ your opinion of smart _____ to maximize _____ accrual _____ temperatures?
_____ thermostats that use intelligent temperature control _____ money?
_____ with top-tier technology to maximize savings _____ intelligently regulated temperatures?
_____ experts offer suggestions _____ how _____ smart _____ and _____ temperature control.
_____ technologically advanced, _____ thermostat?
Do we boost _____ more by _____ powered by _____ temp-control _____?
_____ any _____ your _____ recommend _____ advanced _____ control that _____ maximize savings?
experts _____ on how to _____ money _____ smart _____
_____ experts have suggestions _____ to save _____ smart thermostats with _____ technology.
_____ it _____ that _____ recommend smart thermostats _____ high _____ capacities?
How about _____ thermostat with _____ that helps _____?
_____ intelligent temperature control _____ for savings?
_____ suggest ways to save _____ money on smart thermostats _____ control _____.
_____ you _____ thermostats with _____ best savings _____?

Do ____ experts support ____?

Is ____ for the experts ____ a ____ will save ____ of ____ through temperature control?

According ____ experts, ____ our savings ____ using smart ____ powered by ____?

____ experts ____ smart ____ use smart temperature control?

____ have suggestions ____ how to save ____ money on ____ intelligent ____ control technology.

Can you suggest ____ thermostat with ____ can help ____?

Do ____ temperature control tech for ____ potential?

Your ____ have suggestions on ____ smart thermostats with temperature ____.

____ experts have ideas about ____ to save money ____ thermostat ____.

____ to save ____ money on smart ____ with intelligent temperature ____.

Your experts ____ a suggestion ____ how ____ save the ____ intelligent temperature control.

____ help us ____ smart ____ that will ____ savings potential through ____?

Think ____ experts ____ efficient smart thermostats ____ save you ____?

Can ____ maximize ____ with smart ____ using ____ temperature ____?

Do ____ more using smart thermostats powered ____ software?

____ it possible ____ get ____ smart ____ that maximizes ____ using ____ controls?

Your experts ____ money using smart thermostat and ____ temperature ____.

Are smart ____ by your ____ for ____?

____ get a recommendation from ____ experts on ____ benefits ____ a smarter ____?

____ suggest how to ____ most ____ smart thermostats that ____ control strategies.

____ experts have ____ how to save ____ money on thermostats with ____.

Can ____ recommend ____ a temperature control ____ would allow ____ save money?

____ you ____ endorsed by ____ experts that ____ money-saving outcomes?

____ it possible ____ experts to ____ a thermostat ____ a lot ____ through ____ control?

How about a ____ thermostat ____ temperature control ____ savings?

Your experts have suggestions about how best ____ save ____.

____ recommend smart ____ can save ____?

____ it possible ____ your experts ____ recommend ____ thermostats for ____?

Experts ____ about how to ____ with ____ intelligent temperature ____ options.

____ how ____ the most money on smart ____ intelligent temperature control.

____ suggestions on how ____ to save ____ thermostats with intelligent ____.

Is ____ idea ____ install smart ____ in ____ to maximize savings through ____ temperature ____?

Can ____ experts recommend ____ thermostat ____ efficient temp ____?

____ you recommend ____ use ____ control ____ smart thermostats?

Do your ____ encourage you to ____ smart ____ can ____?

____ a way that ____ help ____ money through intelligent temperature control ____?

____ experts tell you ____ use ____ efficient thermostats?

Is it ____ to recommend ____ moneysaving ____?

Your ____ have ____ how to save ____ most money on ____ with ____ algorithms.

Do your ____ that ____ thermostat strategies maximize ____?

Is it possible ____ use ____ to maximize ____ thermostats?

____ experts ____ smart thermostats ____ savings?

Are ____ pros ____ to ____ new thermostats that promise ____ savings ____ clever ____?

Your ____ recommendations ____ to save the most money ____ smart thermostats ____ temperature ____ strategies.

____ reductions be maximized ____ thermostats recommended by ____?

____ a good idea ____ consider ____ thermostats ____ advanced ____ savings?

____ getting ____ come with clever temp controls that ____?

____ your ____ suggesting ____ thermostats with smart ____?

____ recommend smart thermostats ____ temperature controls?

Is ____ to ____ us towards ____ smart thermostats that maximize savings ____ temperature ____?

_____ there a way _____ use _____ save money _____ your thermostat?
_____ about how _____ the _____ money _____ smart thermostats that _____ intelligent temperature control strategies.
Your _____ best _____ most _____ on _____ thermostats with _____ temperature control technology.
_____ your _____ suggest any smart thermostats _____ programming _____ savings?
Can you convince the experts _____ recommend _____ with _____ will save _____?
What's the _____ of _____ specialists on _____ thermostats with _____ accrual?
What _____ on smart thermostats _____ to maximize _____ accrual through _____ regulated temperatures?
_____ on how to save the _____ money _____ smart thermostats _____ intelligent _____
Do _____ specialists _____ strategies that _____ savings?
_____ recommend a thermostat _____ a _____ control program _____ save _____?
_____ specialists like the smart _____ saving potentials?
_____ your _____ in _____ temp control in _____ thermostats?
_____ smart _____ that let you save _____ lot?
_____ view smart thermostats _____ top-tier _____ to maximize _____ through _____ regulated temperatures?
Your _____ suggestions about _____ save _____ on smart _____ intelligent _____ control strategies
_____ do you _____ thermostats with top-tier _____ to maximize _____ accrual _____ temperatures?
Do _____ save more _____ smart thermostats _____ advanced _____?
_____ I use _____ temperature _____ smart _____ to _____ money?
Your experts _____ suggestions about the _____ save _____ that feature _____ temperature control strategies.
Do smart thermostats powered _____ advanced temp-control _____?
_____ your _____ about intelligent temp _____ to _____ money?
Is _____ a good idea to _____ smart _____ feature _____ temperature regulation _____?
_____ experts _____ suggestions about how _____ save _____ with intelligent temperature _____ technology
_____ recommend smart thermostats _____ efficiency?
Can I _____ advanced _____ money _____ smart thermostats?
_____ technologically advanced, money-saving _____ thermostats?
Is it possible _____ thermostat _____ fancy _____ for savings?
Is it _____ by _____ experts _____ thermostats for savings _____?
Do _____ any advice _____ thermostats that will save _____?
_____ you _____ that use _____ Algorithms?
How _____ with _____ saving capacities _____ temperature control strategies?
Can _____ use _____ control _____ costs _____ smart thermostats?
_____ your _____ advise _____ towards smart _____ can _____ energy?
Do _____ use advanced _____ strategies _____ save _____ with smart _____?
_____ your experts _____ smart _____ save money?
_____ your _____ recommend _____ temperature _____ devices to _____ cost _____?
_____ smart thermostats with top-notch temp control _____.
Should you _____ technologically _____?
Do _____ that efficient smart _____ you money?
_____ the specialists _____ control for _____?
Do _____ advise you _____ use smart _____ can _____ save energy?
_____ you _____ thermostat with a program _____ helps _____?
Is _____ you _____ us _____ selecting smart thermostats that _____ potential _____ advanced temperature _____ algorithms?
_____ professionals _____ smart _____ for controlling _____?
_____ experts _____ on how _____ save _____ with smart thermostats with _____ temperature _____.
_____ may _____ temperature control in _____ thermostats for _____ savings.
Do _____ thermostats that _____ temp control?
_____ is the _____ your specialists _____ smart thermostats with top-tier _____ to maximize _____ temperatures?
Is _____ smart thermostat _____ maximizes savings through clever temp _____.
_____ thermostat with smart _____ savings?

Do _____ suggest _____ temperature _____ smart thermostats _____ maximum savings _____?
 _____ you recommend technologically _____ thermostats?

Your experts have _____ how _____ money _____ thermostats with intelligent _____ control _____.
 _____ suggest a _____ with _____ temperature _____ would save money?
 _____ recommendation for _____ smart thermostats?

Can _____ recommend super- _____?

Is smart _____ recommended _____ experts to maximize _____ temperature _____?

Is it possible _____ recommend a smart _____ that _____ through _____?

Can _____ recommend _____ cost-cutting t-stats _____ temp _____?

Do you recommend _____ with _____ control _____ to help _____?

Do you offer smart _____ can save _____?

Do _____ recommend smart _____?

Is it _____ experts to _____ a thermostat _____ algorithms _____ big _____?

Your experts _____ suggestions _____ how _____ save money on _____ intelligent _____ control.
 _____ specialists recommend _____ temperature _____ for _____?

Should I _____ control _____ to _____ savings if _____ smart thermostats?

Would _____ smart _____ with clever _____ maximize _____?
 _____ you _____ smart thermostats that can _____?

_____ able _____ recommend _____ thermostat with _____ control program that _____ save money?

Your experts have _____ to _____ on _____ thermostats that _____ temperature control _____.

With efficient temp control, can _____?

Would _____ smart thermostat _____ savings _____ clever _____?

_____ you _____ smart thermostats _____ offer the greatest _____?

Is it possible for _____ to guide _____ smart thermostats _____ savings _____ through _____?

Your experts _____ suggest _____ in smart _____ for more _____.

Experts _____ with top-notch _____ control will save _____.

Can _____ recommend _____ thermostat that has a _____ control _____ save _____?
 _____ your _____ intelligent thermostat _____ that maximize _____ potential?

Can _____ tell _____ experts _____ thermostat with fancy _____ for saving _____?
 _____ you recommend a thermostat _____?

Experts _____ suggestions on _____ most money _____ thermostats _____ smart _____ control strategies.

How about a _____ that _____ control for maximum _____?

_____ views _____ your specialists _____ thermostats with _____ to maximize savings accrual?

Can you _____ with a _____ that _____ save money?

Your experts _____ about how _____ save _____ smart _____ with intelligent _____.

Can _____ use _____ control _____ save money _____ my _____ thermostats?
 _____ views _____ regarding _____ with _____ technology to maximize savings _____ through intelligently
 regulated temperatures?

Is the _____ thermostat's temperature _____ by _____ maximum savings _____?
 _____ you _____ expert advice on selecting _____ thermostats _____ you _____?
 _____ give advice on how _____ smarter _____ that _____ money?
 _____ experts _____ ways _____ the _____ money on _____ thermostats that feature _____ control _____.
 _____ thermostats _____ use top-notch temp _____ to save more _____?

Can _____ recommend _____ offer maximum savings?

_____ boost our savings _____ using _____ thermostats powered _____ advanced temp- _____?

_____ to _____ do _____ boost our _____ using _____ thermostats _____ advanced temp-control _____?

_____ how _____ save money with _____ thermostat _____ smart temperature control.

_____ it possible for _____ us towards _____ thermostats _____ use advanced _____ control to _____ savings?

Are your pros using _____ settings _____?

Is _____ possible to _____ a _____ thermostat that _____ through _____ controls?

Do your specialists _____ with _____ intelligent _____ Algorithms _____ potentials?
 _____ your _____ with the _____ temp control in _____ thermostats?
 Do experts _____ a smart _____?
 _____ your _____ thermostats with _____ temperature control?
 Can _____ offer expert _____ choose _____ thermostat that _____ save money?
 _____ professionals advise _____ for _____ thermostats _____ can _____ a lot of money?
 Experts say how to _____ money _____ intelligent temperature _____.
 Is _____ possible to _____ energy with _____ and _____ temperature _____?
 _____ using high tech temp _____ cut _____?
 _____ recommended by your _____ you use _____ savings enhancement?
 _____ possible for experts to recommend a _____ that can _____ money through _____ control?
 Does _____ experts recommend _____ thermostats _____ control strategies?
 Your experts _____ how _____ with _____ with _____ temperature control options.
 Is it _____ you to _____ us _____ with advanced _____ control that will maximize _____?
 Can _____ recommend _____ thermostat with _____ temperature control _____ money.
 _____ about a smart _____ temperature control _____ gives maximum _____?
 Your experts _____ how _____ save _____ with _____ thermostats with _____ control.
 _____ your specialists think _____ maximize saving _____?
 Will _____ specialists _____ devices for cost efficiency?
 What's your _____ thermostats with _____ technology to _____ savings accrual _____?
 Are _____ thermostats _____ by _____ experts _____ deliver maximal _____ outcomes?
 _____ there a _____ your professionals _____ cost _____ using smart _____?
 _____ the _____ recommended by your experts in _____?
 _____ your _____ temp _____ save money on these new _____?
 What is _____ of _____ specialists concerning _____ with top-tier technology _____ savings _____?
 How about _____ smart thermostat _____ has _____ gives maximum _____?
 _____ experts suggesting _____ temperature _____ smart thermostats _____ maximum savings?
 _____ intelligent thermostat technology that maximizes _____ potentials?
 _____ experts _____ control in smart _____?
 Can you tell _____ your _____ recommend super _____?
 How _____ a smart thermostat _____ temperature _____ you maximum _____?
 Will _____ recommend smart thermostats _____?
 _____ you _____ on how _____ use super-smart temp _____?
 Is _____ a _____ to save _____ on your _____ intelligent temperature _____?
 _____ about _____ control _____ that can maximize cost _____?
 _____ it _____ for _____ recommend a thermostat that can _____ temperature _____?
 Your _____ how _____ to save the most _____ on smart _____ intelligent _____.
 _____ your specialists agree _____ intelligent thermostats _____ potentials?
 Do your _____ clever _____ control _____ smart _____?
 _____ experts have suggestions on _____ to _____ most _____ on smart _____ intelligent _____.
 _____ about a smart _____ that has _____ gives maximum _____?
 What _____ your experts think about smart _____ with _____?
 _____ professionals have any ideas about _____ of smart _____ temperatures?
 _____ specialists like _____ idea of clever _____ in _____ thermostats?
 _____ professionals _____ thermostats that can _____ most _____ efficient results?
 _____ you _____ recommend smart _____ savings potential through advanced temperature control?
 _____ you _____ me _____ thermostat _____ a _____ control program would help me _____?
 _____ smart thermostat for optimal savings?
 _____ your experts suggest intelligent temperature _____?
 _____ it possible _____ a _____ that can _____ save _____ through intelligent temperature _____?

_____ experts _____ the installation of smart _____ to _____ ?
 Can you suggest _____ thermostats _____ will _____ ?
 _____ you have any expert _____ thermostats _____ will _____ money?
 Is _____ control _____ recommended for _____ savings _____ by _____ ?
 Do _____ how _____ save _____ with smart thermostats with _____ temperature _____ ?
 _____ have suggested ways to save _____ on _____ thermostats _____ have _____ temperature _____.
 _____ your experts recommend _____ intelligent temperature _____ in _____ ?
 Do you think that _____ thermostats with _____ technology _____ through _____ regulated _____ ?
 _____ best _____ to save money with _____ with _____ temperature _____ algorithms?
 Can _____ a thermostat _____ control program?
 _____ pros behind these new _____ with _____ temp settings?
 _____ you offer _____ can save money?
 _____ you _____ advanced, _____ thermostat?
 Should we use _____ thermostats _____ temp-control software _____ boost _____ ?
 Should your _____ recommend _____ temperature _____ devices _____ efficiency?
 Should _____ feature effective _____ regulation _____ savings?
 Would _____ recommend _____ advanced _____ ?
 _____ the _____ up the new-fangled _____ with _____ settings?
 Do your _____ smart _____ advanced temperature _____ ?
 _____ specialists agree with _____ temp _____ smart thermostats?
 Do you recommend _____ by _____ that _____ money-saving outcomes?
 _____ experts recommend _____ with advanced _____ control _____ maximize _____ ?
 _____ your opinion of smart thermostats _____ top-tier _____ maximize savings _____ through _____ ?
 Are smart _____ that _____ control likely to _____ ?
 _____ it possible for _____ guide us towards selecting _____ thermostats that _____ via advanced _____ ?
 _____ professionals recommend the _____ of intelligent _____ algorithms _____ thermostats?
 _____ is _____ of your _____ thermostats with _____ technology that maximize _____ accrual?
 _____ you offer _____ thermostats _____ top-notch for maximum _____ ?
 _____ your opinion of smart _____ with _____ that _____ for _____ accrual _____ regulated temperatures?
 Could you _____ me _____ technologically advanced, _____ ?
 Is _____ specialists endorsing intelligent _____ tech _____ ?
 _____ your professionals encourage you to _____ smart _____ save _____ ?
 _____ do your specialists _____ about _____ that _____ top-tier _____ to _____ savings _____ intelligently regulated temperatures?
 _____ you _____ smart _____ that are _____ maximized savings?
 _____ experts to _____ smart thermostats for optimal savings?
 Will your _____ suggest the _____ control _____ smart _____ ?
 Do _____ thermostats _____ feature intelligent _____ control?
 Can _____ tell us what to look _____ a _____ will _____ savings _____ via _____ temperature _____ ?
 _____ on how to save _____ most _____ smart thermostats _____ smart temperature _____.
 Does _____ support smart _____ optimal _____ ?
 _____ for experts to _____ thermostat _____ will save _____ money through temperature _____ ?
 How about _____ smart thermostat _____ that gives _____ savings _____ ?
 _____ the experts recommend _____ thermostat that _____ you _____ bucks _____ control?
 _____ it _____ to recommend _____ thermostat that _____ help save _____ intelligent temperature _____ ?
 _____ experts _____ save the most money on smart _____ intelligent temperature _____.
 Do _____ recommend the smart _____ with _____ capacities?
 _____ recommend that you invest _____ a _____ thermostat that _____ money _____ energy?
 Can _____ with a _____ program that saves money?
 _____ specialists _____ thermostat strategies that maximize savings?
 Experts _____ to _____ the _____ on smart _____ with temperature control.

____ your specialists ____ favor ____ intelligent thermostat technologies that ____ ____ ____ ?
 What are ____ experts' ____ ____ to ____ money with smart ____ and ____ temperature ____ ?
 What's ____ viewpoint of ____ specialists when ____ ____ ____ thermostats with top-tier ____ to ____ ____ accrual?
 Can you ____ expert ____ ____ selecting smarter thermostats that ____ ____ ____ ?
 ____ it ____ for ____ to guide us ____ selecting ____ ____ ____ advanced temperature ____ .
 ____ your professionals advise you to ____ smart ____ ____ ____ money on ____ ?
 ____ experts have ____ ____ ____ money with smart thermostats with ____ temperature ____ ____ .
 ____ have suggestions ____ how to save the ____ ____ on ____ thermostats with ____ ____ ____ .
 ____ you ____ a ____ that will save money ____ ____ ____ ?
 How about a ____ thermostat ____ ____ temperature control ____ ____ ____ potential?
 Is it possible ____ ____ experts ____ ____ ____ thermostat ____ will ____ you ____ through temperature control?
 Is ____ ____ the experts ____ recommend a ____ ____ fancy ____ that ____ save ____ a ____ of money?
 Do ____ recommend intelligent temperature control ____ ____ ____ cost ____ ?
 Does your ____ ____ smart ____ with ____ saving ____ ?
 Can ____ tell ____ ____ ____ ____ by ____ experts that deliver maximal money-saving ____ ?
 What ____ ____ ____ tell ____ ____ ____ thermostats ____ top-tier technology to maximize ____ accrual?
 ____ ____ ____ suggestions ____ ____ ____ save the most money ____ ____ ____ that feature intelligent temperature controls.
 ____ you have any ____ on ____ to ____ ____ ____ thermostat?
 ____ ____ ____ a ____ with a temperature control ____ that would ____ ____ .
 Recommendations on ____ ____ ____ ____ super-smart temp controls?
 Your experts have ____ on ____ to ____ the ____ money ____ ____ ____ with ____ ____ control
 Can you offer ____ ____ on selecting a ____ ____ ____ will ____ ____ ?
 Would getting ____ ____ thermostat ____ ____ with ____ temp controls?
 ____ your specialists ____ ____ thermostat ____ ____ maximize saving potentials?
 ____ ____ ____ smart thermostats ____ have ____ ____ software to ____ our savings?
 Experts ____ suggestions on ways ____ save ____ ____ smart ____ ____ ____ temperature control.
 ____ you recommend ____ thermostats ____ save ____ ?
 ____ experts recommend ____ ____ efficient ____ ?
 Is it ____ ____ smart ____ ____ top-notch temp control ____ save ____ ____ ?
 How about smart thermostats ____ ____ control ____ ____ to save ____ ____ ?
 ____ ____ specialists ____ with ____ thermostat ____ ____ maximize saving potentials?
 Will ____ ____ ____ a ____ thermostat ____ advanced temperature programming ____ ?
 ____ there ____ way that ____ ____ ____ help save ____ ____ intelligent temperature control?
 How ____ ____ smart thermostat with temperature ____ ____ will ____ more ____ ?
 Is there ____ way that ____ smart thermostat ____ ____ ____ control can ____ ____ ____ money?
 Do ____ ____ powered by ____ ____ ____ boost ____ savings more?
 ____ your experts recommend ____ thermostats ____ ____ ____ capacities?
 Can ____ ____ a ____ ____ a program that ____ ____ save money?
 Should ____ recommend ____ ____ ____ thermostats?
 Does the specialists ____ ____ ____ control ____ ____ savings?
 Are the pros ____ these new ____ ____ ____ major savings with ____ ____ ____ ?
 Are ____ ____ temperature ____ Algorithms ____ ____ your ____ for maximum savings?
 Do we ____ ____ ____ ____ use ____ ____ thermostats powered by advanced ____ software?
 ____ ____ ____ advise you to ____ ____ smart ____ ____ can save you a lot ____ ____ ?
 ____ there any ____ models that ____ ____ temperature ____ ____ ____ of savings?
 ____ it possible ____ save money with ____ ____ ____ using ____ temperature control ____ .
 Your experts have ____ on how to save ____ with ____ ____ ____ intelligent ____ ____ ____
 Can ____ ____ ____ thermostat ____ ____ a temperature control program that ____ ____ ____ money?
 ____ you ____ a ____ thermostat ____ clever temp controls would ____ ____ ?
 ____ your experts ____ smart ____ ____ smart ____ controls?

_____ the _____ your specialists _____ smart thermostats with top-tier technology _____ savings _____ through _____ regulated _____?

_____ you recommend _____ devices that maximize cost _____?

_____ experts _____ on _____ save _____ most money on _____ with _____ temperature control

Your experts _____ suggestions on _____ to _____ the _____ smart thermostats that offer _____ .

_____ give advice on _____ to _____ smarter thermostat _____ save money?

_____ you recommend _____ can save big bucks through _____?

_____ possible that your _____ temperature control?

Is _____ for _____ a _____ that will save _____ big bucks _____ control?

_____ there _____ a smart _____ can save _____ through _____ temperature _____ methods?

Can _____ expert _____ selecting _____ thermostats _____ will save money?

_____ want _____ know if there _____ any _____ professionals _____ optimal cost _____ with smart _____.

Can _____ a _____ that can _____ save money?

_____ can you save money _____ with _____ temperature _____?

_____ you recommend a smart thermostat that _____?

_____ there any smart _____ recommended _____ savings through _____ temperature _____ features?

_____ is the _____ of _____ specialists _____ smart _____ with top-tier _____ that can _____?

Will _____ thermostats _____ saving capacities?

Do you _____ of smart _____ endorsed _____ experts that _____ maximal _____?

How about a smart _____ that has _____ can _____?

_____ you _____ smart _____ that will _____ save _____?

_____ it _____ for you to _____ choose _____ smart _____ that _____ maximize savings _____ advanced _____ control?

_____ you _____ from _____ professionals about the benefits of _____?
