

[Demo] NLP Dataset for Customer Service Automation

Company Type	Telecommunications Equipment Manufacturers
Inquiry Category	Product specifications and features request
Inquiry Sub-Category	Power requirements
Description	Customers inquire about the power requirements for the telecommunications equipment, including voltage, wattage, and any specific power supply options.
Data Size	5,188 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Telecommunications Equipment Manufacturer" customer inquiry. (Purchased data will not be masked.)

Are there _____ type _____ electrical outlet _____ be _____ with your telecom _____?

_____ there anything that _____ from using _____ certain type _____ electrical _____ your _____?

Is _____ a limit to the compatible _____ equipment?

Is there anything that prohibits _____ use of _____ with _____?

_____ there _____ use of an electrical outlet _____ gear?

_____ use a variety _____ outlets with your _____?

Is _____ forbids _____ use _____ certain type of _____ in your _____ gear.

_____ selection of a _____ outlet for _____ telecom equipment _____?

Do there restrictions _____ you can use _____?

Which _____ of _____ outlet _____ with telecom gear?

Are there any _____ use of _____ outlets in _____?

Did _____ have any _____ the _____ telecom devices?

_____ there constraints _____ outlet for _____?

_____ have specific requirements for power _____ telecom _____?

Is _____ possible _____ different _____ power outlets in _____ gear?

_____ limits _____ the type _____ sockets used for _____?

_____ is a question about what type _____ outlet _____ used _____ your _____.

_____ outlets _____ used _____ your telecom _____?

What _____ are placed _____ which _____ with Telecom hardware owned _____ consumers?

Is there anything _____ a certain _____ of electrical outlet _____?

_____ prohibits the _____ of an _____ outlet with your _____ gear?

_____ regarding the _____ that _____ compatible _____ your telecom devices?

_____ you have restrictions on _____ you _____ use _____ gear?

_____ there anything _____ would _____ the _____ an electrical outlet _____ gear?

Are _____ any _____ the _____ of electrical outlets _____ devices?

_____ you _____ me about _____ type of electrical outlet _____ telecom _____?

_____ any constraints on _____ for telecom _____?

_____ that _____ the use of _____ type of _____ outlet _____ your telecommunications _____?

_____ there a _____ the use _____ type of electrical outlet _____ gear?

Are there _____ on _____ outlets _____?

_____ have _____ guidelines _____ electrical sockets _____ telecom devices?

Is _____ something that prevents _____ using _____ certain _____ of electrical _____ gear?

_____ the type of _____ use _____ telecom equipment?

Is there a restriction _____ the _____ electrical _____ your telecommunication _____?

Is there _____ of electrical _____ that is _____ telecom _____?

Some restrictions _____ electrical outlet _____ telecommunications _____?

Is it possible _____ different _____ outlets _____ telephone _____?

Will certain types of outlets _____ allowed _____?

What _____ of _____ can _____ use _____ your communications _____?

_____ on the use of electrical _____ gear?

_____ type of electrical outlet is _____ with _____?

Is _____ any _____ to _____ sockets we _____ telecom _____?

_____ there _____ restrictions on _____ you use _____ gear?

_____ are _____ electrical outlets _____ be used in _____ telecom _____.

Do _____ have _____ limitations _____ on your _____ junk?

_____ to _____ various _____ outlets _____ communication devices without restrictions?

Do you know anything _____ forbids the _____ an _____ gear?

_____ of electrical outlet _____ allowable _____ gear?

_____ a _____ outlet _____ your telecom _____?

Any _____ on the _____ for _____ devices?

Can _____ specify which _____ is appropriate for _____ gear?

_____ something that forbids the _____ of a _____ electrical outlet with _____?

What _____ electrical outlets are acceptable _____ telecommunications _____?

What constraints _____ you _____ regarding _____ with _____ devices?

_____ there _____ what type _____ outlet can _____ used for telecom _____?

_____ your _____ gear _____ at an _____ outlet?

_____ restrictions _____ use of electrical outlet _____ your _____ gear?

_____ of _____ allowed for _____ gear?

_____ there _____ on _____ telecom devices?

Is _____ use different power _____ for telecommunications _____?

Which type _____ outlet are _____ telecom _____?

_____ are _____ regarding _____ for _____ devices?

_____ any specific _____ on which power outlets _____ with _____ hardware _____ by consumers?

_____ there anything _____ the use _____ an _____ outlet with your _____?

_____ any _____ on the sockets used _____ telecom _____?

_____ outlets _____ be _____ with _____ telecom equipment?

What _____ of _____ outlets can _____ telecom _____ equipment?

There are _____ of electrical _____ that can be _____.

What _____ of _____ outlet is acceptable _____?

Do certain _____ prevent the _____ telecom equipment?

Can _____ use _____ outlets with _____ gear?

Is _____ anything that _____ use _____ an _____ your telecommunication gear?

Can _____ me which type _____ electrical _____ is _____ gear?

Is _____ power _____ are suitable for connecting _____ telecom hardware?

_____ there _____ restrictions _____ which outlet you _____ telecom _____?

_____ it allow you to _____ different _____ outlets _____ devices?

_____ restriction on which outlet to use _____?

There _____ any _____ compatible outlets _____ your _____ devices.

_____ constraints on _____ selection of _____ acceptable _____ outlet in your _____ ?
 Is _____ regarding _____ type _____ electrical _____ you need for your _____ ?
 Do there _____ on which _____ of electrical _____ can use _____ your _____ ?
 _____ have any rules about what _____ electrical outlet can _____ ?
 _____ there anything _____ against the _____ of _____ electrical outlet with _____ ?
 Is _____ any restrictions on the type _____ outlet _____ with your _____ ?
 _____ there limits _____ outlet types _____ equipment?
 _____ tell me if _____ are restrictions on which _____ for _____ gear?
 _____ there anything _____ from _____ a _____ of _____ outlet with _____ telecommunications equipment?
 Are _____ restrictions _____ what type _____ electrical outlet _____ used _____ your telecom _____ ?
 _____ any constraints _____ the _____ for telecom devices?
 What _____ your telecom equipment?
 _____ there _____ regarding the _____ compatible with _____ devices?
 _____ there _____ restrictions on what _____ you _____ for telecom _____ ?
 Does _____ use of an electrical _____ with your _____ ?
 Am _____ able _____ use _____ kinds of power _____ gear?
 _____ possible that certain _____ of _____ are not _____ your _____ gear?
 _____ you have _____ about _____ outlet for _____ devices?
 _____ type of _____ outlet _____ with the telecom _____ ?
 _____ there _____ limit _____ compatible outlets for _____ equipment?
 _____ electric sockets _____ compatible with your telecom _____ ?
 Is there limits _____ your telecom _____ ?
 What _____ of _____ allowed _____ your communications equipment?
 Is _____ any _____ the use _____ electrical _____ for _____ gear?
 There are _____ outlet _____ can _____ used in telecom gear.
 There are _____ limitations _____ compatibility _____ gear _____ electrical outlets.
 _____ it _____ to use different types _____ with _____ gear?
 What types of _____ can _____ for _____ equipment?
 _____ there a limitation _____ telecom equipment?
 _____ constraints regarding the _____ telecom devices?
 Can electrical outlets _____ your _____ ?
 _____ forbids you _____ using _____ electrical outlet with _____ gear?
 _____ certain _____ of _____ allowed with your _____ gear?
 _____ the _____ outlet you use _____ your _____ have any _____ ?
 _____ telecom _____ to have limitations on _____ compatibility.
 _____ it _____ different _____ power outlets for telecommunications gear?
 Is _____ use a certain _____ electrical _____ with your telecommunications _____ ?
 Are _____ on the _____ of electrical _____ can _____ with your _____ ?
 _____ electrical _____ can _____ your _____ gear?
 Which _____ outlet _____ with the telecom equipment?
 _____ there _____ that prevents _____ using _____ electrical outlet with _____ equipment.
 _____ you _____ the _____ that is acceptable _____ my telecom gear?
 _____ you tell me _____ of outlets with your gear?
 Is _____ any _____ a _____ of electrical _____ in your telecom equipment?
 _____ there a _____ on _____ electrical outlet _____ be used with _____ ?
 Are _____ restrictions on which _____ outlet _____ with your telecom gear?
 _____ gear be _____ on an electrical _____ ?
 _____ you tell _____ what _____ be used in _____ telecom gear?
 Can _____ gear be used _____ electrical _____ ?
 Is it permissible to use _____ communication _____ ?

Is there any _____ the _____ electrical _____ with your _____ equipment?

Is _____ that prevents the _____ a certain type _____ outlet _____ gear?

The compatible outlet _____ for _____ equipment can _____.

Is _____ compatible _____ your _____ gear?

Is there a _____ on _____ devices?

Do _____ have any _____ on _____ outlet _____ can _____ telecom _____?

_____ there any _____ the _____ of _____ outlets with your _____?

_____ restriction _____ which _____ of electrical outlet you can _____ your _____ gear?

Is _____ restrictions on what _____ you _____ use for _____?

_____ you _____ the type of _____ for your _____ gear?

Which type _____ outlet _____ suitable _____ your telecom _____?

What types _____ power _____ are allowed _____ phone _____?

_____ tell _____ there are limits on compatible _____ equipment?

Some outlets might _____ allowed with _____.

_____ can _____ used in _____ gear?

Is _____ on Outlet _____ Telecom _____?

Is _____ that _____ from using _____ electrical outlet _____ telecom gear?

_____ you have _____ regarding the outlet _____?

_____ question _____ the use of an _____ outlet _____ your _____.

_____ there any restrictions on _____ outlet usage _____?

_____ might _____ on _____ compatibility for _____ equipment.

Is it _____ to _____ of power _____ for _____ equipment?

Is there _____ forbids the _____ an electrical outlet _____ device?

_____ limits on _____ outlets _____ telecom _____?

Is there _____ prevents _____ using an electrical _____ in your _____?

Can _____ which kind _____ is acceptable for my telecom _____?

Is _____ prohibits _____ use of an _____ telecom gear?

_____ on _____ outlets for telecom equipment?

_____ you have _____ restrictions _____ for telecom devices?

Can you _____ type _____ electrical outlet can _____ used _____ gear?

_____ type _____ outlet is accepted for your _____?

_____ of _____ outlet can be used _____ telecommunications _____?

_____ guidelines _____ the electrical _____ compatible _____ your telecom _____?

What type _____ electrical outlet _____ be _____ gear?

_____ you _____ if it's _____ to _____ types _____ power outlets _____ telecommunications gear?

There _____ any restrictions on electrical _____ gear?

Is there anything that _____ the _____ an _____ your telecom _____?

Is there _____ the use _____ electrical _____ for your _____ gear?

_____ electrical _____ can _____ used _____ telecom _____?

_____ it not possible _____ type of _____ outlet with _____ gear?

Which _____ outlet can _____ used with _____ gear?

_____ regarding the use of a certain _____ of _____ with your _____.

Do _____ any _____ on _____ electrical outlets _____ the _____ junk?

Which type _____ electrical _____ allowed _____ telecom gear?

Can your _____ gear be _____ in _____ electrical _____?

Is it permissible _____ several _____ your _____ devices?

Can you use _____ for _____?

_____ anything _____ forbids the _____ of an _____ outlet for _____?

_____ any rule regarding _____ of _____ outlet _____ be _____ in the _____ company's _____?

_____ any _____ on _____ outlet _____ use for telecom gear?

_____ are _____ outlets _____ can be used _____ telecommunications _____.
 Are there _____ on _____ and _____?
 Do you _____ restrictions on electrical _____ usage _____?
 Do you _____ limits on compatible _____ for your _____?
 What _____ of _____ you use _____ your _____ gear?
 Is _____ that prohibits the use of a _____ of _____ in _____?
 Will _____ limitations _____ outlet _____ telecom equipment?
 Which type _____ electrical _____ your telecom gear?
 _____ any restrictions on _____ electrical outlets with _____ telecommunications _____?
 Is _____ anything that forbids the _____ of an _____ gear?
 _____ an acceptable power outlet _____ constraints to your _____ equipment?
 _____ there anything against using a _____ outlet _____ your telecommunications _____?
 _____ permissible to use multiple electrical outlets _____?
 Do any restrictions _____ outlet _____ use for _____ gear?
 Can you _____ a power _____ telecom _____?
 _____ there any _____ on outlet _____ telecom _____?
 What are _____ rules for using _____ your telecommunications _____?
 _____ the usage of _____ outlets restrict _____?
 _____ wonder if there are any constraints on _____ are _____ owned by consumers.
 Did your telecom gear _____ requirements _____?
 Can you _____ your _____ gear _____ the _____?
 _____ electrical outlet is _____ with _____?
 _____ anything _____ blocks _____ use _____ certain type of _____ with _____ telecommunications gear?
 Do _____ have anything that _____ the _____ certain _____ of electrical _____ with _____ telecom _____?
 _____ anything that forbids you _____ using an _____ telecom gear?
 _____ there _____ limit on the _____ you can _____ with your _____ gear?
 Is it _____ to _____ different _____ phone equipment?
 I want to _____ certain _____ are _____ with my _____.
 Can you _____ us _____ of _____ is appropriate _____ our telecom _____?
 Does _____ prohibit the use of _____ electrical _____ gear?
 _____ have restrictions _____ outlets _____ compatible with your _____?
 _____ on electrical outlet _____ gear?
 Can your _____ your _____ gear?
 There are limitations on _____ compatibility of telecom _____.
 _____ there _____ restriction _____ of an electrical _____ in _____ equipment?
 _____ there any _____ the _____ use for _____ gear?
 Do _____ on _____ for the telecom devices?
 What _____ electrical outlet _____ you use _____ telecom _____?
 _____ type _____ electrical outlet _____ a _____ company _____ their equipment?
 Is there a _____ on _____ a _____ in _____ telecommunication gear?
 _____ you _____ me about limits _____ compatible outlet types _____?
 _____ anything _____ using an electrical _____ your telecom _____?
 Is it _____ to use _____ outlets with _____?
 Is _____ limits on the _____ for _____ equipment?
 _____ outlet be used with _____?
 _____ there a _____ which _____ electrical outlet _____ be used _____ telecom gear?
 _____ the use _____ an _____ outlet in your telecommunication _____.
 _____ there _____ limits to the _____ outlet _____ telecom _____?
 _____ of electrical outlet _____ appropriate _____ use _____ gear?
 _____ any restrictions on which type _____ electrical _____ can _____ used _____ telecom _____?

There are some _____ about _____ electrical outlet _____ be used in _____.

_____ it _____ to _____ different _____ of power _____ with your _____?

_____ limits _____ outlets you can use for telecom _____?

_____ type of electrical outlet can _____ used _____ telecom equipment.

Is there _____ that _____ the _____ certain electrical outlet _____ gear?

Can _____ which _____ of _____ outlet _____ appropriate for _____ telecom gear?

_____ electrical outlet _____ for telecom gear?

Is _____ to _____ different power outlets _____ gear?

_____ restrictions _____ outlet you _____ use for telecom gear?

_____ there any _____ regarding _____ outlet _____ used for telecom gear?

Can there _____ restrictions _____ outlets _____ devices.

Do _____ to the outlet for telecom devices?

Which _____ pair with my _____ devices?

Can _____ be _____ constraints regarding compatible _____ telecom _____?

_____ restrictions on the outlet _____ devices.

_____ constraints are _____ on which _____ outlets _____ connecting with _____ hardware?

_____ you know which _____ of _____ outlet _____ be _____ with _____ telecom _____.

_____ type _____ electrical outlet _____ work _____ your telecom _____?

Does your _____ equipment have any _____ it comes _____ outlet?

Is _____ not possible _____ of _____ outlet in _____ telecommunication gear?

Is _____ limits _____ compatible outlets for _____ telecom _____?

There is a _____ the _____ of _____ outlet with your telecommunications _____.

_____ outlets _____ allowed with telecom gear?

Are _____ any limits _____ contraptions?

_____ that prevents using a certain type _____ your telecom _____?

_____ you have any _____ on using _____ types _____ outlets _____?

What _____ of _____ outlets can be used _____?

_____ there _____ constraints about _____ telecom devices?

Is _____ any restriction on _____ of _____ certain type _____ electrical outlet _____?

Do you know _____ of _____ outlet that is _____ telecom _____?

Are there any _____ the _____ electrical outlet _____ use with your _____?

Does your _____ have specific rules _____?

_____ your _____ any constraints _____ the power _____ you use?

Can you tell _____ of _____ outlet is _____ my _____ gear?

_____ it _____ to _____ electrical _____ in your _____ gear?

_____ there _____ what type of _____ outlet you need _____ your _____?

Can _____ type _____ electrical _____ is okay for my _____ gear?

There is _____ question _____ use _____ an _____ in your _____ gear.

_____ electrical outlet compatible with _____?

Are telecom _____ with _____ outlets?

Is there _____ you _____ use _____ your _____ equipment?

_____ use different _____ of _____ with your _____ gear?

_____ the _____ sockets _____ telecom equipment?

Is it _____ different _____ outlets for your telecom _____?

Which _____ of electrical outlet _____ used for _____?

Does _____ the use of a _____ type _____ electrical _____ your _____?

What _____ can be used _____ your telecom _____?

_____ there _____ prevents the use of an _____ your _____ gear.

Is there _____ on _____ with telecom _____?

Is there anything _____ forbids _____ an _____ outlet _____ equipment.

____ it ____ to ____ outlets for your ____ devices ____ restrictions?
 ____ that you use for telecom ____ restrictions?
 Can your telecom ____ compatible with ____?
 ____ telecom gear have ____ sockets?
 Is ____ any ____ on which electrical outlet ____ for ____?
 ____ there a restriction ____ use of ____ outlet ____ your ____ gear.
 ____ are some ____ the types of electrical outlets ____ in ____ gear.
 ____ there ____ which ____ can use for telecom gear?
 Do ____ of outlets limit ____ use ____ telecom ____?
 Is ____ rules for outlet ____ telecom machines?
 ____ is ____ question about the ____ type ____ outlet with telecom gear.
 Which type of ____ outlet ____ telecom gear?
 Is there ____ rule ____ certain type of electrical outlet ____ telecommunication ____?
 Is ____ anything that ____ use ____ an ____ outlet with ____ telecom ____?
 ____ you ____ which ____ of electrical outlet ____ used ____ your Telecom ____?
 Can you use ____ power ____ telecommunications ____?
 ____ type of ____ is allowed with your telecom ____?
 Is there anything that ____ the ____ of ____ certain ____ outlet ____ equipment?
 ____ there anything that ____ the ____ an ____ a telecommunications gear?
 ____ any limitations on the ____ outlets for ____ communication ____?
 ____ you tell me if certain ____ with ____ gear?
 ____ there ____ limit ____ the compatible ____ your telecom equipment?
 Is your ____ to ____ an electrical outlet?
 ____ there any ____ on which ____ outlets are ____ with ____ hardware?
 ____ any constraints ____ the outlet for telecom ____?
 ____ use a specific ____ of electrical ____ with your ____ gear?
 Is it ____ to use different ____ with ____ phone?
 ____ your ____ requirements for ____ sockets?
 What types ____ be used in ____ company ____?
 ____ there be ____ the ____ for your telecom ____?
 ____ be ____ outlet ____ your telecom gear?
 What ____ outlets ____ work ____ your ____?
 Is ____ will not allow ____ use ____ electrical outlet ____ your ____ gear?
 Do ____ on ____ you can use for ____ gear?
 Is there any ____ on ____ of electrical ____ for ____ telecom ____?
 ____ you know ____ outlets ____ your telecom gear?
 ____ any limits on the compatible outlet ____?
 What ____ power sockets can you ____ your ____?
 Any limits ____ type of ____ in ____ devices?
 ____ there any limitations ____ outlet ____ equipment?
 ____ any ____ the compatibility of ____ gear with electrical ____?
 Do ____ have ____ restrictions ____ usage ____ outlets with your ____?
 ____ telecom ____ certain types ____ outlets?
 ____ have any restrictions on ____ telecom devices.
 ____ there a limit ____ electrical ____ telecom ____?
 ____ you use ____ kinds ____ power outlets ____ communications ____?
 ____ ban on ____ certain type of electrical outlet ____ telecommunications ____?
 ____ there are constraints on ____ power ____ are suitable for ____ hardware?
 ____ outlet compatibility be ____ for ____?
 ____ there ____ that ____ the use ____ certain types of ____ telecom equipment?

_____ telecom _____ have any restrictions about _____ power _____ use?

_____ are _____ what _____ of electrical _____ in the telecom company's equipment.

Which _____ of electrical outlet is _____ telecom _____?

Is _____ anything _____ prohibits the _____ an _____ outlet with _____?

_____ tell me _____ the limits _____ outlets _____ your telecom _____?

Is _____ anything _____ the _____ of a certain type _____ outlet with _____ telecommunications _____?

Is _____ restriction _____ the use _____ outlets _____ your _____ gear?

Can _____ for telecom equipment?

_____ there any rule about the type _____ you _____ for _____?

_____ there _____ on _____ use of a certain _____ electrical _____ in your _____?

What _____ of electrical _____ use _____ telecom gear?

Is _____ any restriction _____ the _____ electrical _____ can use _____ your _____ gear?

_____ style _____ electrical _____ allowed _____ the telecom gear?

_____ have _____ the outlet for telecom devices?

_____ types of _____ allowed in _____ telecommunications gear?

What kinds _____ outlets _____ be _____ in telecom _____?

_____ type _____ outlet can be _____ power _____ telecom gear?

Are _____ any _____ the _____ of an _____ power _____ for _____ telecom _____?

There may be _____ restriction on _____ a certain type _____ in _____ gear.

Can you use _____ outlet _____ telecom _____.

_____ you _____ different _____ of power outlets _____ your _____ gear?

Which type _____ electrical outlet _____ permissible _____ gear?

_____ limit _____ the compatible outlet _____ for _____ equipment?

_____ have anything that forbids _____ use _____ a certain type _____ electrical outlet _____?

_____ outlet _____ be used in _____ telecommunications _____?

Which outlets can _____ use _____?

_____ there any _____ about what _____ be used in your _____ gear?

Is there _____ use of an _____ outlet for _____ telecommunications _____?

_____ a certain _____ of electrical outlet with your telecommunications _____.

Can you _____ me what _____ of electrical _____ suitable for _____?

_____ you know which _____ of _____ be used for _____?

_____ there a rule about what _____ electrical _____ be _____ telecom _____?

_____ know if certain types _____ permissible _____ your _____ gear?

_____ you know _____ anything _____ prohibits _____ an electrical outlet _____ your telecom _____?

Is _____ using specific _____ of _____ with your gear?

_____ outlet are you _____ telecom gear?

_____ restriction _____ use of an electrical outlet _____ telecom _____?

Is _____ that _____ use of _____ certain _____ of electrical outlet in _____?

Do _____ outlet for _____ devices?

What _____ of _____ is _____ in _____ telecom company's _____?

Do you _____ the _____ sockets _____ your _____ devices?

_____ of outlet _____ be _____ for the _____ gear?

_____ use _____ contraptions and there _____ limits _____ sockets?

There _____ be limits on _____ compatibility _____ with _____ outlets.

_____ have _____ rules _____ outlet usage _____ your telecom _____?

Can certain _____ of outlets _____ used with _____?

_____ there _____ for the electrical _____ for _____ devices?

Is _____ that _____ you from _____ an electrical _____ telecom gear?

I _____ wondering if there _____ on _____ telecom equipment.

_____ any restrictions on electrical _____ in _____ gear?

____ types of ____ sockets ____ you ____ for telecommunications ____?
 ____ of ____ can be used ____ telecom company's equipment?
 ____ constraints on ____ for telecom ____?
 ____ may ____ limits ____ the ____ with your ____ equipment.
 Is ____ for your telecom ____ to ____ electrical outlets?
 Is there ____ of an electrical ____ your telecom gear.
 It's possible to ____ of ____ with your ____ gear.
 Are ____ any constraints on ____ power outlets ____ connecting ____?
 ____ usage ____ your ____ gear may be restricted.
 ____ questions about ____ type ____ electrical ____ can ____ used in telecom ____.
 There are ____ which electrical ____ be ____ in ____ gear.
 ____ there ____ on compatible ____ for telecom ____?
 ____ telecom gear ____ different electrical ____?
 Limit on ____ outlets ____ telecom ____?
 Which ____ of electrical ____ is allowed ____ the ____?
 ____ prohibits ____ of electrical outlet from being used with ____ equipment?
 Is there ____ about which type ____ electrical ____ in ____ gear?
 Is ____ acceptable ____ telecom gear?
 ____ you know ____ telecom gear has ____ requirements regarding ____?
 Do ____ have ____ using electrical ____ your ____ devices?
 There are ____ about ____ of ____ can be used ____ the ____ gear.
 ____ telecom ____ compatible with ____ electrical ____?
 Do you have any ____ the ____ telecom ____?
 Do ____ have ____ on the power ____ you choose?
 Are ____ any rules ____ the use ____ outlets ____ gear?
 Can ____ be ____ an electrical ____?
 Which ____ can be ____ in ____ company's equipment?
 ____ on using ____ certain type of electrical ____ with ____ telecommunications ____?
 ____ any ____ about electrical sockets for your ____?
 Do you ____ of electrical ____ can be ____ with ____?
 ____ telecom ____ be used in ____ space?
 Is ____ anything ____ restricts ____ of ____ electrical outlet in ____ gear?
 ____ any ____ compatibility for telecom equipment
 ____ there ____ on using ____ outlet with telecom ____?
 ____ we ____ for telecom contraptions?
 Is ____ anything prohibiting ____ of ____ certain ____ electrical ____ with ____ telecommunications equipment?
 ____ are some rules ____ what type ____ outlet ____ be ____ in your ____.
 ____ it possible ____ there ____ on ____ power outlets ____ appropriate ____ connecting ____ hardware?
 Can there be ____ regarding compatible ____ telecom ____?
 Are ____ not ____ with ____ telecom ____?
 ____ have specific requirements for power ____?
 Is ____ to use ____ of electrical ____ in your ____ gear?
 Is there ____ the ____ a ____ type of ____ outlet in telecommunication ____?
 Does your telecom ____ have any ____ the ____?
 ____ a ____ of electrical outlet not ____ your ____ gear?
 Is ____ blocks the ____ an electrical outlet ____ your telecom ____?
 ____ limit ____ specific types of ____ with your gear?
 ____ there ____ that ____ use of ____ type of ____ outlet for ____ equipment?
 Is it possible ____ different ____ outlets for ____ equipment?
 ____ be ____ the ____ outlet types ____ telecom equipment.

_____ anything _____ prohibits the use of _____ electrical _____ telecommunication gear?

Which type of electrical _____ with _____ gear

Is it _____ to _____ different types _____ power _____ communications _____?

Is there _____ that would _____ the _____ of _____ type of _____ in your _____?

What _____ do you have _____ telecom devices?

Do you _____ any guidelines _____ electrical _____ that work _____?

_____ rules about which type _____ electrical _____ in telecom gear.

_____ there anything that _____ the _____ certain _____ of _____ outlet _____ your telecom _____?

Do you _____ constraints on _____ for _____ devices?

_____ anything that _____ use _____ a certain type of electrical _____ your _____?

_____ the telecom _____ an electrical outlet?

Which kind _____ electrical _____ is _____ for _____ telecom _____?

_____ may be _____ which outlet _____ use for _____ gear.

Are there any _____ to _____ of _____ gear with _____?

Is _____ prevents the _____ of _____ certain _____ with your _____ gear?

_____ you have rules regarding _____ usage _____ your _____?

Can your telecom _____ used _____ outlet?

Is _____ possible _____ of power outlets with your _____?

_____ it _____ to use different _____ for _____ communication _____ without limitations?

_____ any _____ on _____ usage of electrical connections in relation _____ apparatus?

Is there any limits _____ compatible _____ equipment?

_____ telecom _____ have _____ restrictions on the _____ outlet _____ choose?

_____ you tell _____ if there are _____ the compatible _____ types _____ your _____?

_____ possible to use an _____ outlet _____ telecom _____?

_____ anything _____ tells you _____ to use a certain _____ electrical outlet _____ telecom _____?

Can _____ electrical outlet _____ gear?

Is there _____ of a certain type _____ outlet with _____ telecommunications _____?

_____ there a _____ electrical outlet you _____ for your gear?

_____ of electrical outlet _____ be _____ in your _____?

_____ about the type _____ electrical _____ that can be used _____ gear?

_____ a _____ not to _____ certain _____ of electrical outlet _____ your telecom _____?

_____ it _____ use _____ kinds of _____ your phone gear?

_____ of electrical outlet can _____ in _____ company's _____?

Can _____ electrical outlet _____ telecom _____?

Is there any _____ about what type _____ you _____ gear?

Is _____ a _____ you _____ a certain type of _____ in _____ telecom _____?

Do _____ know _____ prevents the use _____ certain type _____ in your telecom _____?

Is there _____ compatible _____ for telecom _____?

_____ be any rules _____ the use of _____ outlets _____?

Is _____ forbids the _____ of _____ electrical outlet for _____?

_____ there _____ that _____ using a certain _____ in your telecom _____?

Is _____ using a certain type of electrical _____ in your _____ gear?

_____ know if _____ that _____ the _____ of an electrical outlet _____ your telecommunication _____?

_____ use _____ electrical _____ for your _____ gear?

_____ you have _____ rules _____ what type of _____ needed for _____ telecom _____?

_____ restrictions on the _____ outlets with your _____?

_____ a certain type of electrical _____ be _____ gear?

_____ you _____ certain outlets are allowed _____ your _____?

Are there _____ regarding the _____ electrical outlets _____ the _____ equipment?

Is _____ a restriction _____ which _____ of electrical _____ can _____ with _____ telecom _____?

_____ have any restrictions on _____ outlet _____ use _____ gear?

_____ the _____ with your telecom _____ have _____?

_____ it forbidden _____ certain type _____ outlet in _____ telecommunication gear.

What electrical _____ with _____ phones?

_____ there _____ specific _____ for _____ sockets in your _____?

_____ type _____ outlet _____ allowed _____ the telecom _____?

_____ there _____ on _____ a certain _____ of _____ in your _____ equipment?

Do _____ have _____ that prohibits the _____ certain type of _____ telecommunications equipment?

_____ know anything that _____ the use _____ an electrical _____ your _____?

_____ type _____ electrical outlet _____ appropriate for _____ gear?

_____ there a rule about what type of _____ used in _____?

_____ it possible to _____ limitations on _____ compatibility _____?

_____ there exist limitations on the compatibility _____ electrical _____?

I _____ are _____ outlet compatibility for _____ equipment.

Is _____ any rules _____ outlet you need for _____?

_____ there _____ electrical sockets _____ with _____ telecom devices?

Is it possible _____ have _____ outlet _____ telecom _____?

Which _____ of electrical Outlet _____ allowed _____ telecom _____?

_____ any restrictions regarding electrical _____ and _____?

Which electrical outlets _____ telecom _____?

Does it allow _____ to _____ outlets for _____ communication _____?

_____ on _____ certain types of outlets with _____ gear?

Is there _____ you _____ type of _____ outlet _____ your telecom gear?

_____ type of _____ outlet allowed with _____ gear?

_____ kind _____ is allowed _____ the _____ gear?

Can _____ use _____ electrical Outlet _____ equipment?

Is your telecom _____ from _____ types _____?

Are _____ any _____ on _____ outlets _____ devices?

Is _____ anything that _____ the use of _____ outlet _____ equipment?

_____ limit to the outlets compatible with _____?

Are there certain _____ that _____ not _____ with _____ telecom _____?

_____ the selection of _____ outlet _____ any constraints _____ the telecom _____?

_____ electrical _____ is appropriate _____ with _____ equipment?

_____ there _____ that _____ you from _____ an _____ outlet _____ your telecommunications _____?

Is there constraints _____ the _____ an _____ power _____ telecom equipment?

Do you _____ any rules _____ type of _____ can be _____ in _____?

Can _____ types of _____ used for _____ gear?

Is there any type _____ electrical _____ is acceptable _____?

_____ are your constraints _____ outlet _____ telecom _____?

_____ electrical outlets _____ I _____ my _____ gear?

Is _____ would prevent _____ use of an electrical _____ gear?

Is _____ compatible outlet types for _____?

Do you _____ guidelines regarding electrical _____ for _____?

_____ limitation on _____ for telecom _____?

_____ type _____ electrical _____ you use with your _____?

Is there _____ you _____ an _____ outlet for your telecom _____?

_____ there _____ that forbids _____ use _____ electrical outlet with _____.

Is _____ anything that _____ of a _____ electrical _____ your _____ equipment?

_____ to _____ are _____ on which _____ you can use for _____ gear.

What type _____ electrical _____ in your communications _____?

_____ specific type _____ outlet _____ can't _____ with your telecom gear?

Does your _____ gear _____ of _____?

_____ you have _____ using _____ types of _____ with _____ gear?

Which type _____ outlet _____ with _____ gear?

Can _____ limitations on _____ compatibility _____ telecom _____?

Is _____ possible _____ use _____ electrical outlet for _____?

_____ that _____ the use _____ an electrical outlet with your _____?

Is there _____ regarding the _____ telecom _____?

_____ it possible to _____ use _____ certain type _____ telecommunications equipment?

Are there any _____ type _____ electrical outlet _____ for your _____?

Is it possible to _____ limitations _____ for _____?

Is there a rule about what type _____ outlet _____ your _____?

Do _____ any rules about what _____ of _____ be _____ in _____?

Is there _____ rules _____ type _____ electrical outlet _____ used _____ telecom company's _____?

_____ outlet _____ with the _____ gear?

Which _____ electrical outlet _____ telecom gear _____?

_____ the selection of _____ power _____ by your _____ equipment?

_____ anything that _____ the _____ of _____ certain _____ outlet with your _____?

Is there any _____ use _____ outlet in _____ gear?

There is _____ what _____ electrical outlet can be _____ telecommunications _____.

Is _____ prevents using a certain _____ of electrical _____ in _____?

_____ your telecom _____ any constraints on _____ power _____?

What _____ power sockets can work _____ your _____?

Is there _____ will prevent _____ using _____ certain _____ electrical outlet with _____ telecommunications _____?

_____ there a _____ not use a certain _____ electrical _____ your _____ gear?

_____ on outlet compatibility _____ telecom _____?

_____ there any _____ the selection _____ outlet _____ your telecom equipment?

Is _____ specify _____ type _____ electrical _____ acceptable for _____ telecom gear?

Does _____ telecom gear _____ types _____?

_____ you have any _____ electrical sockets _____ telecom devices?

Is _____ a restriction on _____ use of _____ outlet in _____.

Is _____ limitation on _____ electrical _____ telecom junk?

Any restrictions on use _____ electrical _____ telecommunications _____?

_____ preventing _____ from using a _____ type of electrical outlet _____ your _____?

_____ you _____ different _____ outlets _____ your telecommunications equipment?

_____ there _____ rules _____ which type of electrical _____ can _____ used _____?

_____ on _____ outlet _____ with your _____ gear?

_____ your _____ equipment have any _____ regarding _____ power _____?

I _____ to _____ I can _____ any _____ outlet for my telecom _____.

_____ telecom _____ have any _____ on compatible outlet _____?

_____ on electrical _____ and telecom _____?

_____ limits _____ type _____ sockets we use for _____?

Is _____ to use various electrical _____ your communication _____?

_____ any _____ on the usage of _____ sized _____ connections _____ our telco _____?

_____ guidelines regarding the _____ with _____ telecom devices?

_____ restrictions on electrical _____ and _____ devices?

Is _____ any _____ on _____ outlets _____ your telecom _____?

Which electrical _____ for use _____ gear?

Do _____ limits _____ outlet _____ your telecom equipment?

Can your _____ work with _____?

There may be something _____ use _____ a _____ type of _____ your _____ gear.
 Can there be restrictions on _____ of _____ sized _____ relation _____ telco _____?
 _____ a _____ what type _____ outlet _____ used for telecom gear.
 _____ there any _____ for _____ use _____ electrical _____ telecom gear?
 Are there _____ what _____ of _____ outlet _____ be used _____ your telecommunications _____?
 Is it _____ are _____ on _____ power _____ are _____ for connecting with _____?
 _____ there _____ rule regarding _____ use _____ electrical _____ telecommunications equipment?
 There _____ on outlet compatibility for _____
 _____ there anything that prevents _____ of _____ certain _____ of _____ your _____ gear?
 _____ any rules regarding the _____ outlet _____ your telecommunications equipment?
 _____ there any _____ electrical _____ and telecom devices?
 Can _____ tell _____ is acceptable for my telecom _____?
 _____ there limits _____ compatibility _____ equipment?
 _____ electrical outlet can you _____ with _____ gear?
 _____ a _____ type _____ that _____ allowed in your telecom gear?
 Is there _____ on _____ for telecom _____?
 _____ if there _____ anything that _____ the use _____ in your telecom gear?
 _____ it _____ to _____ an _____ outlet _____ a telecom _____?
 _____ type _____ sockets we _____ for telecom devices?
 There are _____ restrictions _____ you can _____ for telecom _____.
 What _____ used in the equipment of a telecom _____?
 Should there _____ on electrical outlet _____ your _____?
 _____ electrical outlet _____ you use _____ telecommunications equipment?
 _____ anything that _____ use of _____ outlet with _____ gear?
 Can you _____ different kinds _____ power _____ phones?
 What types of electrical _____ telecom gear?
 _____ you _____ any _____ on the selection of a _____ for _____?
 _____ of a certain type _____ electrical outlet in _____?
 _____ the use _____ electrical _____ your telecommunications equipment?
 Do there _____ on which power outlets _____ for connecting _____ consumers?
 Is _____ possible to _____ type of _____ your telecom gear?
 Is _____ that _____ the _____ certain type of _____ outlet in your _____?
 Is there _____ rule _____ what _____ electrical outlet _____ need _____ your _____?
 Do there particular constraints _____ suitable _____ connecting _____ hardware owned _____ consumers?
 Is _____ any _____ outlet _____ with your telephone _____?
 _____ you _____ limitations regarding the _____ telecom _____?
 _____ any restrictions _____ the outlets _____ use _____ telecom gear?
 Is _____ anything _____ you _____ using _____ outlet in your telecom _____?
 _____ you _____ any limits _____ compatible with your telecom _____?
 Do _____ know _____ outlet _____ accepted _____ your telecom gear?
 There are some _____ about _____ type _____ can _____ used _____ the telecom _____.
 _____ electrical _____ compatible _____ your phone _____?
 _____ it allowed to use _____ outlets _____ your _____?
 What types _____ used in your _____ equipment?
 Can _____ outlet _____ used with your _____?
 Is it _____ to _____ certain type _____ in your _____ gear?
 What _____ limitations _____ outlet compatibility _____ equipment?
 _____ tell _____ about _____ on _____ certain _____ outlets with your gear?
 Is _____ anything that prevents _____ of a _____ type of electrical _____?
 Do _____ any restrictions on the _____ electrical _____ with your _____?

Is it possible ____ not ____ a ____ of electrical ____ telecommunication ____?
____ there ____ outlet compatibility for telecom ____?
____ there anything ____ you from ____ an electrical ____ in ____ equipment?
____ there be ____ outlets with your telecom ____?

Which kind ____ electrical outlet ____ use ____ gear?
____ there anything against ____ use ____ an ____ your telecom ____?
There ____ rules about what ____ of electrical ____ allowed in ____.
____ are ____ rules ____ types of electrical ____ be used in ____.
____ have any ____ regarding ____ of your ____ gear with ____ outlets?

There may ____ power outlets ____ suitable ____ connecting ____ telecom hardware owned ____.
____ certain ____ not allowed ____ gear?

Is using ____ restrict ____ gear?
____ any restrictions on ____ you can use ____ outlet for ____?
____ limitations to the selection ____ power ____ for ____ telecom equipment?
____ there a ____ about which type of ____ outlet ____ telecom ____?
____ it okay ____ use a ____ of electrical ____ for ____?

Is there a reason ____ to use ____ of ____ outlet ____ your ____?
____ type ____ outlets can ____ in the ____ company's gear?
____ of ____ can be ____ your telecommunications gear?
____ of power ____ can you ____ your communications ____?
____ your telecom gear with ____ electrical ____?

Does your ____ include ____ outlets?
____ your ____ regarding the ____ sockets ____ with ____ devices?

Can ____ compatible with various ____?
____ there ____ that stops the ____ of an ____ with ____ gear?
Are there ____ restrictions on the use ____ an ____ outlet ____?

What ____ the ____ of ____ outlet ____ with ____ gear?
Is ____ anything against using a ____ outlet with your ____?
____ type ____ electrical ____ acceptable for ____ equipment?
____ electrical ____ I ____ with my ____ gear?

Does the ____ compatible ____ telecom ____ limits?
____ some ____ of outlets ____ the ____ telecom equipment?

Are ____ any ____ the use of electrical ____ in ____?
____ there any ____ compatibility for telecom ____.

Is it ____ to ____ power ____ with your communications ____?
There ____ be ____ restriction ____ of an ____ in your ____ gear.
____ be ____ on ____ type of sockets used ____ devices?

Is there ____ forbidding ____ an ____ outlet in ____ telecommunication ____?
Is ____ rule ____ certain ____ electrical outlet in your telecom ____?

What ____ electrical outlet is ____ your ____ gear?
____ it possible ____ use different power outlets ____?
____ restrictions on ____ type ____ electrical ____ that ____ be used with ____ gear?

Is there ____ regarding the ____ telecom ____?
Which ____ is ____ for use ____ telecom gear?
Are ____ restrictions on ____ with your telecommunications ____?
Is there ____ on the use ____ a ____ electrical ____ with ____ telecom ____?
____ there regarding compatible outlets with ____ telecom ____?

Do you ____ specific ____ of outlets with your ____?
____ that prevents you ____ using ____ certain ____ with your ____ gear?
Do ____ on the ____ can use for telecom ____?

_____ your telecom gear's compatibility _____ electrical outlets?

What _____ sockets can be _____ with _____?

_____ any limitations _____ specific _____ for your gear?

_____ on _____ of an _____ outlet in your telecommunication gear?

_____ there any rule about _____ type of electrical outlet _____?

Do _____ type of electrical outlet _____ telecom gear?

_____ any limit to the _____ telecom devices?

Which type _____ electrical _____ for the telecom _____?

_____ use an electric outlet _____ your _____?

_____ rule _____ what type of _____ need for _____ telecommunication gear?

Do _____ the use _____ an _____ with your telecom _____ is _____?

_____ constraints regarding compatible _____ with your _____ devices.

_____ can _____ used _____ an _____ outlet.

Do you know _____ of electrical _____ be _____ in _____ equipment?

_____ want to know which _____ of _____ for my _____ gear.

_____ you have any _____ for the telecom _____?

_____ type of _____ be used in _____ telecom _____ gear?

_____ anything _____ prevents the _____ of an _____ for your _____ equipment?

_____ there anything that _____ prevent _____ an _____ outlet _____ telecommunications gear?

_____ gear be _____ at an electrical _____?

_____ limits on _____ outlet _____ for your _____ equipment?

What type of _____ be used in _____?

_____ telecom _____ use _____ outlets?

_____ electrical _____ are _____ telecom gear?

Is it _____ that there are _____ which _____ are suitable _____ connecting _____ Telecom _____ by _____?

Can you tell me _____ any _____ for telecom _____?

There _____ constraints on which power _____ appropriate _____ with _____ hardware.

_____ certain types of _____ telecom _____?

Is _____ that precludes the _____ a _____ type _____ electrical _____ your _____ gear?

_____ electrical _____ is _____ the _____ gear?

Is _____ anything forbidding _____ use _____ your telecommunications gear?

_____ there constraints on the _____ of _____ power _____ for _____ telecom _____?

Is there _____ type _____ electrical _____ can be _____ in _____ telecom company's _____?

_____ anything _____ forbids the use of an _____ telecommunications _____?

Which _____ of electrical _____ can _____ with my _____?

_____ gear _____ able _____ be used with _____ electrical outlet?

_____ there _____ limit _____ specific types of _____ your gear?

_____ there any limit _____ type of _____ telecom _____?

_____ any _____ on the _____ of _____ outlet for your _____ equipment?

There _____ compatibility for telecom equipment.

_____ there _____ the use _____ electrical outlet with _____ gear?

Do _____ types _____ the use of _____ equipment?

Is there _____ regarding _____ of _____ outlets in telecommunications _____?

_____ types of outlets _____ your telecom gear?

_____ you have any _____ the _____ of _____ telecom _____ outlets?

_____ of _____ can be _____ the telecom gear?

Are there _____ to _____ compatible _____ types _____ telecom _____?

_____ there any restriction on _____ use _____ an _____ in _____ gear?

Is _____ possible _____ an electrical outlet _____ telecom equipment?

Do _____ have anything that prohibits _____ use of _____ in _____?

Do ____ have any ____ to ____ outlet for ____?

Can ____ on the ____ of ____ for ____ devices?

Do ____ on the ____ electrical ____ you can ____ your ____ gear?

____ rules on what type of ____ can be ____ in your ____.

Is it ____ to ____ a ____ of electrical ____ your ____ equipment?

Do you ____ constraints ____ the ____ for telecom ____?

____ any restrictions ____ use ____ certain electrical outlets ____ telecom equipment?

____ there ____ that ____ certain type of electrical outlet in ____ telecom ____?

____ are ____ compatible outlets with telecom ____?

____ types of electrical outlets are allowed ____?

Which type ____ outlet ____ use for telecom ____?

Can ____ use ____ of power outlets ____ communications ____?

Is there any ____ for ____ with ____ telecom ____?

____ any laws ____ use of ____ certain ____ of electrical ____ with your telecom ____?

____ an electrical ____ be ____ with a ____?

____ any restriction ____ use ____ an ____ outlet in your ____ gear?

____ you have ____ outlet ____ can use for telecom ____?

____ of electrical outlet is allowed ____.

____ outlet fit with ____ telecom ____?

Which ____ electrical ____ is ____ the telecom gear?

Which electrical ____ appropriate to ____ telecom gear?

What ____ outlet can be ____ telecom gear

____ there ____ limitations in ____ for telecom ____?

____ any ____ use of electrical ____ in ____ to the ____ apparatus?

Is it ____ electric outlet for ____ telecom ____?

____ against ____ use ____ a ____ type of electrical outlet with ____ telecom ____?

____ electrical outlet is it ____ for ____ telecom ____?

____ you have ____ restrictions ____ electrical ____ usage with ____ telecom ____?

Is ____ anything that bars the use of ____ your ____?

____ there any restriction ____ of an ____ with telecommunications ____?

Which type ____ outlet ____ used ____ your telecom ____?

____ about the outlet for ____ devices?

There are some ____ what ____ electrical ____ can be used in ____.

There are some rules ____ of electrical ____ can ____ telecom ____.

____ restrictions ____ electrical ____ in ____ telecommunications gear?

There are ____ to ____ of ____ gear ____ electrical outlets.

____ the ____ of ____ telecom ____ other electrical outlets ____?

____ there a rule ____ using ____ certain ____ of electrical ____ in ____?

____ your telecom equipment have ____ constraints ____ power ____?

____ you use ____ your communication devices, without ____?

____ constraints on ____ are appropriate for ____ with ____ owned by consumers?

Can there be ____ on ____ outlet types ____?

Are there ____ on ____ outlet types ____ telecom equipment?

____ you tell ____ which type of ____ is acceptable ____ my ____?

Do ____ know ____ type ____ electrical outlet can be ____ your ____?

Does ____ have any ____ about power ____?

____ the use of an electrical ____ in ____ gear.

What type of electrical ____ is ____ the ____?

____ ban on using ____ type of electrical outlet with ____?

____ on the use ____ electrical outlets for ____ gear?

Is there _____ regarding _____ use of _____ outlets _____ telecom company's _____?

Does your telecom gear _____ electrical outlets?

_____ have constraints about the _____ telecom _____?

Is there _____ rules _____ the use _____ in telecommunications _____?

Is _____ will prevent you from using _____ certain _____ of electrical _____ in _____?

_____ telecom gear be _____ multiple electrical _____?

Is there any _____ use of an electrical _____ with _____?

_____ you _____ guidelines _____ electrical sockets compatible with _____?

_____ there anything that restricts _____ of _____ electrical outlet _____?

Is _____ specific _____ of _____ is _____ with your telecommunications gear?

Do _____ outlet usage with your _____ machines?

Does _____ telecom _____ have any limitations _____ outlet?

_____ allowed to use various _____ outlets _____ your communication _____?

Do you know _____ limits _____ compatible outlet _____ for _____?

_____ types _____ electrical outlets are _____ your _____ gear?

Do you have _____ on _____ compatibility of _____ telecom _____ electrical _____?

_____ there _____ about what type _____ electrical _____ be used _____ equipment?

_____ may be _____ the compatible outlet types _____.

Can you _____ your _____ gear _____ an _____?

_____ anything prevent _____ from _____ type of electrical outlet in _____?

What _____ outlets are compatible _____?

Does _____ include _____ for power sockets?

Is _____ limits _____ the outlets that _____ telecom equipment?

_____ there any _____ on _____ use of electrical outlets _____?

Do you _____ any limitations _____ for _____ devices?

_____ that prohibits _____ of a certain _____ electrical outlet for _____ gear?

_____ it possible _____ use _____ of power _____ phone equipment?

Can _____ outlet work _____ equipment?

Specific restrictions _____ electrical _____ usage _____ gear?

_____ there anything that prevents the use of _____ outlet _____?

_____ there _____ about using _____ electrical _____ for telecom _____?

_____ the use of electrical outlets _____ telecommunication gear?

_____ there limitations _____ Telecom Equipment?

_____ that _____ you from using _____ of electrical _____ for your _____ gear?

_____ outlets are _____ with _____ gear?

Is _____ anything _____ limits the _____ an _____ your telecommunications equipment?

_____ using _____ a _____ on _____ gear?

_____ you _____ that forbids the _____ of _____ outlet in _____ telecommunication _____?

_____ you _____ telecom _____ with an electrical _____.

Do _____ telecom gear _____ certain _____?

Is there limitations _____ equipment.

_____ compatibility of your _____ gear with the electrical outlets?

Is _____ any _____ on _____ are _____ connecting with Telecom hardware?

Can _____ gear _____ compatible _____ other electrical _____?

_____ it _____ to use different _____ power _____ with _____ gear?

Is there _____ a _____ of electrical outlet _____ your telecom _____?

Do _____ have any _____ on the compatible outlet _____?

_____ wondering if there are _____ which outlet _____ can _____ gear.

Is _____ limits on _____ compatible with _____ telecom _____?

Do you _____ any _____ your telecom gear with _____ outlets?

Is _____ certain _____ to telecom _____?

_____ to use multiple _____ for your communication _____?

_____ of electrical outlet is _____ by _____ gear?

_____ electrical outlets are allowed _____ the _____ gear?

_____ restrictions _____ sized electrical connections in _____ to the telco apparatus.

There _____ be a restriction on _____ use of _____ type _____ in _____ telecom _____.

Does it _____ telecom gear _____ use certain _____?

_____ you _____ restrictions on the _____ your _____ with _____ outlets?

Do _____ which _____ of _____ outlet _____ acceptable _____ your telecom _____?

Do you _____ anything that prevents _____ of _____ of _____ outlet in _____ equipment?

Is _____ any limits on _____ for _____ equipment?

_____ there exist _____ constraints on _____ outlet _____ telecom _____?

_____ any _____ outlet you can _____ for telecom gear?

_____ you tell me which type _____ I _____ use with _____?

There are _____ rules _____ the _____ be used for telecom _____.

Can an _____ your telecom _____?

_____ will prevent _____ from using _____ outlet _____ your telecom gear?

Is there _____ regarding _____ sockets compatible _____ your _____?

Are _____ rules _____ use of _____ outlets in _____ gear?

_____ kind _____ outlet can you _____ in your _____?

Can _____ with _____ telecom gear?

Do you _____ any guidelines for using electrical _____?

_____ have any _____ an outlet for telecom _____?

There are _____ types of electrical outlets that _____ telecommunications equipment.

_____ there _____ restrictions on _____ usage _____ telecommunications gear?

Which type _____ appropriate for use in _____ telecom _____?

Is there _____ way _____ prevent the _____ a _____ electrical outlet with _____ telecommunications _____?

Does your telecom _____ on _____ power outlet _____ use?

_____ telecom _____ be used _____ outlets?

_____ there a constraint on _____ for _____?

Is _____ to use a _____ of _____ your telecom equipment?

Can you _____ kinds of _____ telecommunications gear?

_____ specific constraints _____ power outlets are _____ with _____ hardware owned by _____?

_____ have _____ limits on _____ type of outlet _____ devices?

Is there _____ that _____ the use _____ certain _____ outlet in _____ telecommunication _____?

Do _____ any _____ about electrical sockets _____ telecom _____?

_____ any _____ on using _____ electrical outlet _____ your _____ gear?

_____ any limit on _____ compatible outlet _____ telecom _____?

Do _____ have _____ on the _____ of _____ telecom _____ different _____ outlets?

Which _____ of electrical _____ is _____ for your _____.

_____ type of electrical _____ with telecom _____?

_____ on use _____ electrical outlets _____ your telecommunications gear?

Is _____ anything _____ you _____ using _____ type _____ outlet with _____ equipment?

Do _____ restrictions _____ electrical outlet _____ your _____ gear?

How _____ outlet be used in _____ company's _____?

Do _____ for the electrical sockets _____ are compatible _____ telecom _____?

Are _____ any _____ the electrical _____ for _____ devices?

_____ allowed to use for telecom _____?

_____ that prohibits _____ use of an electrical _____ with _____ equipment?

_____ there limits on _____ outlet _____ telecom _____?

Any _____ outlets _____ telecom devices?

What _____ of electrical outlets _____ acceptable _____ gear?

Is _____ any _____ on _____ used _____ contraptions?

What type _____ outlet can be _____ gear of _____ company?

_____ types of _____ the use _____ telecom equipment?

There are _____ regarding _____ outlet _____ be used in _____ gear.

Which type _____ can be used in _____ telecom _____?

_____ there any restrictions regarding _____ outlets _____ telecom _____?

Is there _____ regarding _____ with your _____?

_____ prohibit _____ use _____ a _____ type _____ electrical _____ with _____ telecommunications gear?

_____ of _____ can _____ used with telecom gear?

Do you know if _____ outlets _____ allowed _____ your _____?

_____ restrictions _____ the use of _____ certain type _____ electrical _____ in your _____?

_____ are _____ which type of _____ outlet can be used _____.

_____ there a rule against _____ certain type _____ with _____ equipment?

Can you _____ various _____ for your _____ limits?

_____ your telecom _____ an electrical outlet.

What _____ are _____ which power outlets are suitable _____ connecting _____ owned _____?

Does anything prevent _____ using _____ certain _____ electrical _____ with _____ gear?

Is there anything _____ will prevent the _____ your _____ equipment?

_____ type _____ electrical outlet can you _____ your _____?

_____ the _____ of a _____ type of _____ outlet _____ your telecom gear?

_____ there anything _____ a certain type of electrical _____ for _____ equipment?

Is your _____ compatible _____ of outlets?

Do _____ prohibits the use _____ an _____ outlet _____ your telecom _____?

Do _____ if there are any _____ type of electrical outlet you _____ use _____?

_____ there _____ constraints _____ for telecom devices?

_____ a rule _____ type _____ electrical outlet that can be _____ gear?

_____ outlet _____ acceptable _____ the telecom _____?

Is _____ anything that forbids the use of _____ certain _____ electrical _____?

_____ permissible _____ type of _____ outlet in your telecom equipment?

Are _____ outlets _____ allowed for _____ gear?

Can _____ about _____ restrictions on which outlet _____ for _____ gear?

Can _____ use a _____ of _____ outlets _____ your communication _____?

Which _____ of electrical _____ used with _____ telecom _____?

_____ restrictions _____ electrical outlet _____ with _____ gear?

_____ you have any _____ telecom _____ with electrical outlets?

_____ there anything _____ use _____ type of electrical _____ for _____ telecom gear?

Do you know _____ your _____ can _____ electrical outlets?

_____ outlets _____ your telecom equipment?

What _____ of electrical _____ the telecom gear?

electrical _____ can _____ telecom _____

There are _____ about what _____ electrical _____ be _____ communications equipment.

_____ there _____ constraint on the _____ outlet for _____ telecom equipment?

_____ there _____ rule _____ what type of _____ outlet can be _____?

Are there guidelines _____ compatible _____ telecom _____?

Can _____ be restrictions _____ your telecommunications gear?

_____ you _____ of _____ outlet _____ accepted for telecom gear?

_____ electrical outlets _____ be used in _____ equipment?

_____ specific _____ outlet that _____ be used with _____ telecommunications gear?

_____ any _____ regarding the use _____ electrical _____ telecom equipment?
 _____ any _____ on the use of _____ electrical outlet with _____ .
 Is _____ any _____ of electrical _____ in your _____ gear?
 Any limits on _____ of sockets used _____ ?
 Is _____ certain _____ of electrical _____ not _____ your telecom _____ ?
 Are _____ regarding _____ use _____ electrical outlet in your telecommunications _____ ?
 _____ know if _____ is anything that prohibits _____ of _____ electrical _____ your _____ gear?
 Is _____ a _____ against the use _____ type _____ in your _____ gear?
 _____ any restriction _____ the _____ a certain type of electrical _____ in _____ ?
 _____ restrictions on _____ an electrical outlet in _____ equipment?
 Are _____ types of outlets not _____ with _____ ?
 Can _____ limits _____ for telecom _____ ?
 _____ you _____ limits on using specific _____ of _____ with _____ ?
 _____ type _____ electrical outlet can be _____ your _____ .
 _____ there anything _____ an electrical outlet with _____ telecom gear?
 Do you _____ any _____ electrical outlet use _____ telecommunications _____ ?
 _____ anything _____ the _____ of an electrical _____ for _____ gear?
 _____ type of _____ can _____ use _____ gear?
 _____ there anything preventing _____ a certain type _____ your telecom gear?
 Is _____ any _____ the compatible _____ for _____ equipment?
 _____ type of electrical outlet _____ telecom company's _____ ?
 _____ electrical outlets _____ with _____ gear?
 _____ may be _____ electrical _____ use with your _____ .
 _____ there be restrictions _____ and telecom devices?
 Can _____ be _____ on the _____ of _____ sized _____ connections _____ to the _____ ?
 _____ your telecom _____ be plugged _____ an _____ .
 Is there any constraints _____ choice of _____ power _____ telecom _____ ?
 _____ it _____ restrictions on _____ outlets and telecom _____ .
 _____ certain _____ by your _____ gear?
 _____ you _____ specific _____ for _____ sockets in your telecom _____ ?
 Is _____ any restriction _____ the _____ you _____ for _____ gear?
 Is there any restrictions _____ the use _____ to our _____ ?
 _____ type _____ telecom gear allow?
 Is _____ rule about _____ use _____ electrical _____ in your _____ equipment?
 Are _____ any _____ usage of electrical _____ in _____ to _____ apparatus?
 Are _____ rules about what type _____ outlet _____ in _____ gear?
 _____ electrical outlet _____ for the _____ of _____ gear?
 What _____ of power sockets _____ use?
 _____ rules about what _____ of _____ outlet can _____ used _____ gear?
 Is there anything that _____ type of _____ with _____ equipment?
 Is _____ anything _____ the use of _____ of _____ outlet in your _____ ?
 Is _____ anything _____ prohibits the _____ types of electrical _____ your telecom _____ ?
 Is there _____ prevents the _____ a _____ of _____ outlet with your _____ ?
 _____ are certain _____ outlets that _____ used with your _____ .
 Are there _____ on _____ sockets compatible _____ your telecom _____ ?
 Is _____ restriction on _____ of _____ certain type of electrical _____ gear?
 Can you _____ kinds of power _____ for _____ ?
 There are _____ rules _____ electrical outlet can be used in _____ .
 Is _____ the use of an _____ a telecom gear?
 _____ electrical outlet can you _____ with _____ telecommunications _____ ?

_____ is _____ question regarding _____ electrical outlet in _____ gear.

Are _____ types of _____ acceptable for your _____?

_____ know _____ type _____ electrical outlet can _____ used _____ telecommunications gear?

_____ it _____ to _____ type of _____ with your telecommunications equipment?

Is _____ anything _____ prohibit _____ use _____ an _____ outlet _____ telecom gear?

_____ an electrical Outlet _____ Telecom equipment?

_____ there anything that _____ certain type _____ with your telecom gear?

_____ you know _____ certain types of outlets are _____?

_____ any _____ on the use of _____ outlets with _____?

_____ electrical _____ can be used in _____ company's equipment?

_____ type for _____ devices?

Do _____ restrictions relating _____ the outlet _____ devices?

What _____ of outlets _____ your telecom gear?

_____ that _____ against _____ of an _____ outlet in _____ telecommunication gear?

_____ restrictions _____ the outlet for _____ devices?

_____ power _____ can you use with your _____?

What _____ electrical _____ can you _____ telecom gear?

Is _____ anything that _____ use of _____ certain type _____ in _____ equipment?

Is _____ a _____ about _____ electrical _____ can _____ in your equipment?

_____ of _____ can _____ used for telecom gear?

Which kind of _____ would _____ telecom gear?

_____ electrical outlet _____ your telecommunications gear _____ be _____.
