

## [Demo] NLP Dataset for Customer Service Automation

<b>Company Type</b>	Mobile Network Operators
<b>Inquiry Category</b>	Assistance with mobile number portability
<b>Inquiry Sub-Category</b>	Invalid Porting Request
<b>Description</b>	Inquiries about porting requests that are deemed invalid due to reasons like the mobile number being inactive or not associated with an active account, or the information provided not matching the records of the current operator.
<b>Data Size</b>	5,102 paraphrases
<b>Want to buy data?</b>	Please contact <a href="mailto:nlp-data@gross.me">nlp-data@gross.me</a> via your business email address.

**Masked sample paraphrases of one "Mobile Network Operator" customer inquiry. (Purchased data will not be masked.)**
