

[Demo] NLP Dataset for Customer Service Automation

Company Type	Credit Card Companies
Inquiry Category	Foreign transaction fees and currency conversion
Inquiry Sub-Category	Dynamic Currency Conversion (DCC) explanations
Description	Customers request an explanation of Dynamic Currency Conversion, a service offered by some merchants that allows customers to pay in their home currency rather than the local currency. They seek information on how DCC works, its pros and cons, and if it affects foreign transaction fees.
Data Size	5,048 paraphrases
