

[Demo] NLP Dataset for Customer Service Automation

Company Type	Internet Service Providers
Inquiry Category	Online account password resets and recovery
Inquiry Sub-Category	Verification process
Description	Customers in need of assistance with the verification process required to reset their password or recover their account.
Data Size	5,140 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Internet Service Provider" customer inquiry. (Purchased data will not be masked.)

_____ be _____ in accessing _____ account if extra _____ required during recovery?
 _____ upon _____ will affect account _____.
 _____ issues _____ logging into my account if _____ security _____ strengthened?
 _____ access to _____ account be delayed if more _____?
 _____ account access _____ from safety _____?
 Will my _____ held _____ if more _____ are required?
 If security _____ needed _____ the _____ will _____ access _____ delayed?
 _____ possible _____ it will take me longer _____ account if security _____?
 _____ we anticipate _____ when _____ due _____ protective barriers _____ put in place?
 Will there _____ delays in _____ of _____ security?
 Is it possible _____ my account _____ be _____ to _____ security _____?
 _____ for my _____ be held _____ if enhanced security _____ recovery mode?
 If _____ security _____ process will my _____ access be delayed?
 _____ measures slowing _____ recovery process?
 If advanced _____ while recovering _____ account _____ there any chance _____?
 _____ advanced precautions are necessary while _____ account, _____ there _____ on _____ it?
 _____ procedures in the _____ process _____ cause access _____.
 Is _____ that _____ will not _____ retrieved due to increased _____?
 Is _____ of gaining _____ to _____ instances slowed _____ additional security _____?
 _____ increased security going _____ cause _____ in _____ my _____?
 _____ it _____ held up if security precautions are taken during _____?
 Can _____ any _____ into my account if _____ needs _____ be _____?
 _____ when I access _____ account _____ precautions?
 Is it _____ that _____ during _____ recovery cause _____ delays?
 _____ the _____ of gaining _____ to _____ account _____ of security protocols?
 _____ more _____ down the _____ of _____ access to my _____ instances?
 If additional _____ steps _____ account access _____ delayed?
 Access delays _____ possible _____ measures _____ account recovery.
 While recovering _____ be _____ to increased security measures?
 Are _____ account with _____ security measures _____ recovery?

____ it possible ____ accounts will ____ to ____ barriers being ____ in ____?
 ____ there a chance ____ limitations on entering my ____ are ____?
 ____ it ____ that ____ requirements might delay my ____?
 ____ be hold ____ accessing ____ account ____ extra security?
 ____ possible ____ additional ____ will slow ____ account login?
 ____ longer to get ____ my ____ if security ____ increased?
 ____ my ____ access be ____ if ____ have to ____ security ____?
 Is it ____ there will ____ recovering my account ____ security?
 ____ safety ____ enough ____ delay account ____?
 ____ setbacks retrieving ____ account due ____ security measures?
 There ____ an account ____ delay ____ safety measures.
 ____ it ____ for ____ be delayed ____ increased security after recovery?
 ____ it possible ____ the ____ be delayed due to supplemental ____?
 ____ in logging into my account ____ there is ____?
 Will ____ by ____ when ____ to log in again?
 There may be ____ retrieving my ____ due ____.
 If extra security measures ____ will ____ be delays ____ account?
 I don't know if ____ to expect ____ account with ____ security ____.
 Is accessing my ____ due to heightened ____ requirements?
 ____ it ____ account will be held up ____ steps are ____ recovery mode?
 Is ____ delayed ____ security steps are needed?
 ____ security cause ____ accessing my ____?
 ____ access ____ because of ____ precautions?
 Will ____ take ____ to access my ____ my ____ raised ____ recovery?
 ____ there account access ____ safety ____?
 If ____ is ____ would account retrieval have?
 Is my account ____ because ____ security ____?
 ____ there be delays in ____ my ____ due ____ increased ____?
 ____ additional ____ that ____ delay account reunification?
 Is it ____ additional ____ will slow ____ of gaining ____ to ____ accounts?
 Will it take ____ access ____ accounts ____ is increased?
 Will there ____ delays ____ accessing my ____ if ____ is ____?
 If ____ security is needed, ____ I expect any ____ logging ____?
 Are ____ to recover ____ to ____ protective ____ being put ____ place?
 ____ a ____ of ____ limitations on ____ if there is ____ precautions?
 ____ there be delays ____ security is needed ____?
 Will ____ take longer to ____ my ____ if ____ security ____?
 ____ will ____ measures ____ recovery ____ account access?
 There ____ measures that can ____ down ____ recovery ____.
 Can ____ delays ____ recover my account ____ to ____ security requirements?
 ____ tighter security is ____ Retrieval ____?
 ____ there additional ____ can affect ____ retrieval?
 The ____ recovery process ____ slow ____ additional ____ measures.
 Is there ____ delays ____ security ____ account recovery?
 ____ when accessing my ____ could ____ caused if ____ security ____.
 ____ safety steps ____ could delay ____ retrieving?
 ____ it ____ for ____ to delay account retrieval ____?
 If y'all need extra security ____ I ____ up, will ____ have to ____?
 ____ for account recovery.
 ____ recovery process may ____ by more ____ measures.

Is it possible ____ my ____ to be ____ after recovery?

Should I ____ any setbacks ____ access ____ account, ____ necessary?

If ____ need security ____ while I fix ____ will I ____ for my ____?

Is it ____ that my account may ____ up if ____ during ____?

Should I ____ setbacks ____ trying to ____ account, ____ necessary?

I don't know if extra ____ my account ____.

____ stringent security ____ what ____ will account retrieval ____?

____ we anticipating ____ downs ____ due ____ protective barriers being ____ place?

New ____ slow ____ account ____ recovery.

____ in ____ due to supplemental security procedures?

____ extra security ____ to my ____?

____ security needed ____ account ____ delays.

Increased ____ measures could mean setbacks ____.

____ my ____ access delayed ____ additional ____ is ____?

____ safety ____ affect account ____ time.

I wonder ____ will ____ when ____ with increased security measures.

If more ____ measures are ____ account access be ____?

Will ____ to ____ in ____ be caused by ____ verification?

Extra security ____ account ____?

____ accessing ____ account ____ caused by implementing security ____ recovery.

____ take ____ longer ____ get ____ my account if people need ____ checks?

____ it possible that the implementation ____ could ____ when ____ access ____ account?

____ anticipating slowdowns while ____ accounts ____ of protective ____ being ____ in ____?

____ it possible that my account ____ if security ____ are ____ during ____?

Is it ____ additional ____ cause delays ____ to my account?

Are there any ____ ups ____ need more ____ for ____?

____ enhanced ____ going ____ delays for ____ account?

____ steps are required during ____ recovery ____ will ____ account ____ delayed?

____ security measures are needed ____ will there be ____ delays ____ to ____?

____ any setbacks ____ retrieving my account ____ to the ____?

____ security measures may affect my ____ my ____.

Is it ____ that adding ____ procedures ____ recovery could ____ account?

Is ____ a chance ____ account will ____ if ____ security is ____?

____ accessibility delayed because ____ additional ____ requirements?

____ extra ____ required, ____ there be any ____ accessing ____ account?

If ____ steps ____ my account ____ be delayed.

Will there be setbacks in ____ my ____ strengthened?

I ____ additional measures ____ down account ____ recovery.

Will ____ slow ____ account ____ recovery?

Is it going to ____ to get ____ account ____ y'all ____ security ____?

____ it possible ____ will have ____ in ____ account due to enhanced ____?

Account ____ be ____ safety checks.

____ the ____ measures slow ____ account login ____ recovery ____?

Will ____ measures slow ____ account ____?

____ need ____ security in my ____ I expect any ____ it?

____ it ____ me ____ to ____ account into ____ have to do extra security checks?

There ____ setbacks in ____ due to security ____.

____ more ____ steps that ____ delay account ____?

Will the ____ measures affect ____ recovery ____?

____ be ____ my account due ____ security measures.

Due to protective barriers being _____ do _____ a _____ accounts?
 _____ are _____ in the recovery process will my _____ delayed?
 _____ this _____ going to _____ to get into my _____?
 If you _____ extra _____ I fix things up, will I _____ longer _____ account?
 _____ enhanced _____ are taken during recovery mode, there _____ a _____.
 If you need more security _____ there be _____?
 _____ security _____ cause delays in _____ my account.
 _____ verification make it _____ to _____ in _____?
 _____ security _____ might _____ the ability to retrieve _____.
 _____ I _____ to _____ for my _____ be _____ with increased security?
 _____ account login _____ recovery time?
 There could be _____ retrieving _____ account _____ measures.
 Can _____ expect _____ trouble _____ my _____ if there _____ security?
 Is _____ possible _____ my _____ to _____ up _____ improved security is _____ during _____?
 Is _____ that _____ to my _____ due to _____ security procedures?
 Is _____ possible that additional _____ will delay _____?
 _____ strengthen _____ security, can _____ any difficulties logging _____ my account?
 _____ safety steps that can delay _____?
 _____ it _____ to take _____ to get into _____ if _____ need _____ security _____?
 _____ expect delays _____ recovering _____ account _____ of _____ security?
 Delays if _____ extra security needed _____.
 Is _____ possible _____ additional _____ procedures _____ recovery _____ access to my _____?
 _____ you need _____ for my account, _____ any _____?
 _____ me more time to get _____ account _____ my _____ is _____?
 Is _____ risk of time limitations _____ entering _____ account _____ are _____?
 Will adding _____ measures _____ account _____ recovery?
 _____ protection requirements _____ restoration may _____ operational postponements _____.
 Are _____ delays _____ accessing _____ due _____ extra security?
 _____ it possible _____ account to be held _____ if enhanced _____ steps _____ taken _____?
 _____ are needed _____ the _____ process, will my account access _____?
 If _____ security _____ are _____ will _____ account _____ be held _____?
 _____ it possible for additional _____ steps _____ delay _____?
 _____ there be _____ my _____ if I _____ more security?
 _____ extra measures slow down _____ recovery?
 _____ it possible for _____ delay account _____?
 The _____ process can _____ with additional safety _____.
 Will _____ be _____ in accessing my _____ if _____ required?
 _____ it going to _____ longer to get my account into _____?
 There might _____ delays if _____ for account _____.
 Delays when _____ be _____ by security _____ implemented _____ recovery.
 If more _____ measures _____ required _____ be _____ in _____ my account?
 Is it _____ that additional safety _____ account _____?
 If _____ necessary _____ recovering my account, _____ of time _____ on entering it?
 _____ me longer _____ access _____ account if my security _____?
 If _____ is _____ what _____ account retrieval _____ have?
 If _____ is _____ there _____ any _____ in accessing my account?
 _____ security _____ are _____ during _____ recovery process _____ my account _____ be _____?
 Is _____ that _____ more _____ longer to _____ my account _____?
 _____ for me _____ accessing _____ account with increased security?
 Is _____ of account delay _____ added safety _____?

_____ measures affect account _____ time?
 _____ it _____ that my _____ will _____ while _____ increase security?
 _____ measures may _____ account login _____.
 _____ of _____ enhanced security is taken during recovery _____?
 _____ possible _____ my _____ to _____ held _____ if enhanced security steps _____ implemented during _____?
 _____ y'all need security _____ I fix _____ up, will _____ to _____ my _____ to open?
 Is it _____ that my _____ will _____ because _____ additional _____ requirements?
 _____ from safety checks _____ account _____.
 _____ my account _____ be held _____ if I _____ steps _____ recovery mode?
 If y'all need security _____ while _____ fix _____ up, will _____ getting into my _____?
 _____ term _____ measures _____ account recovery could cause _____.
 _____ expect delays _____ recover my account _____ enhanced security requirements?
 Will _____ be _____ into my _____ if _____ stronger security?
 Is my _____ delayed _____ security is _____?
 _____ additional _____ slow down account login _____ recovery?
 Is _____ recovery process slower due to _____?
 _____ are additional _____ measures needed _____ recovery, will there be _____ in _____?
 If _____ security _____ necessary, _____ my account access be _____?
 If you _____ more security _____ a hold-ups?
 Will _____ additional _____ accountlogin _____ recovery?
 _____ there _____ time constraints on entering my _____ if _____ necessary _____ it?
 Is _____ chance of time _____ entering my _____ are necessary?
 _____ additional security _____ to _____ for _____ account?
 Do we anticipate _____ accounts _____ to _____ barriers being _____ in _____?
 _____ additional security _____ delays in access to my account?
 Is the account _____ process slow _____?
 _____ there _____ hold-ups for _____ after extra security?
 There may be _____ steps that _____.
 _____ there _____ cause account recovery delays?
 _____ that my account will be _____ up _____ measures _____ taken?
 _____ precautions are necessary _____ my account, are _____ of _____ limitations?
 _____ my account _____ held _____ if _____ security steps are taken?
 _____ retrieval _____ be delayed _____ additional _____ steps.
 If _____ security steps _____ the recovery _____ will my _____ be delayed?
 _____ there a chance of _____ being held _____ enhanced _____ are _____?
 Is _____ additional security _____ account accessibility?
 Will _____ able _____ access my _____ there _____ precautions needed for _____?
 Will _____ delayed because of _____ requirements?
 _____ be able _____ access my account if more _____?
 During _____ security _____ account access _____ affected?
 If extra security measures _____ account access _____ impacted?
 Maybe _____ while _____ recover _____ account with increased _____ measures.
 Is _____ possible that additional _____ delay _____ accessibility?
 _____ security _____ me _____ have to _____ to access my account?
 The _____ might be slower with _____ measures.
 Is extra precautions _____ delays _____ my _____?
 _____ there _____ additional measures that _____ login _____ time?
 Will _____ difficult to _____ in again?
 There _____ that _____ slow _____ account recovery process.
 Is _____ security _____ to cause login delays _____?

_____ is increased, will it _____ me _____ acces my _____?

_____ there _____ more security needed _____?

_____ in _____ account could _____ be caused by additional _____.

Is _____ the _____ requirements could _____ my _____ recovery?

Is my account _____ increased _____ recovery?

_____ additional security measures _____ will there _____ accessing _____ account?

_____ it possible for _____ to _____ held _____ if _____ improved _____ recovery mode?

If I _____ extra security _____ any hold-ups?

Is _____ a chance _____ limitations _____ entering my account if _____?

_____ the _____ of _____ my recovered _____ instances be slowed _____ security _____?

If _____ recovery, will there be _____ in accessing my _____?

_____ anticipate slowing _____ while _____ accounts due _____ protective barriers _____ put _____?

_____ it possible for additional _____ delay account _____?

Will it _____ to open my _____ if _____ increased?

_____ it be more _____ to _____ my security _____ increased?

The _____ recovery process _____ slower due _____ measures.

_____ possible that _____ access delays _____ safety _____.

Will _____ able to _____ if there are _____ safety _____ necessary?

If extra _____ will _____ access be impacted?

If strengthened _____ needed, _____ there _____ setbacks _____ logging _____ account?

_____ it _____ to access my account _____ of _____?

Will _____ process _____ gaining access to _____ be _____ by additional _____ protocols?

Will there _____ my _____ because of additional _____?

_____ expect any delays _____ my _____ because _____ security requirements?

_____ recovering my _____ there _____ more security _____?

Do _____ have _____ wait _____ my _____ with increased security _____?

_____ security measures _____ make _____ account more _____.

Is there further safety _____ delay _____?

Is _____ possible that _____ steps _____ delay _____ retrieve?

Is _____ a chance _____ on _____ my _____ while I _____ it?

Is it possible _____ additional _____ steps _____ time?

_____ it possible _____ measures _____ down account recovery?

If advanced precautions _____ recover _____ there any time limits _____ it?

If _____ security is required _____ the recovery _____ will _____ be _____?

If additional _____ steps are _____ in _____ will _____ be delayed?

_____ my account access _____ if I have _____ precautions?

_____ is a chance of _____ limitations on _____ advanced precautions needed.

_____ takes _____ longer to _____ account if my _____ increased?

_____ process slower because _____ additional safety measures?

Is _____ possible that _____ account _____ up _____ steps are taken during _____?

_____ it possible that _____ be held _____ if the enhanced _____ taken?

_____ there a chance _____ to my _____ to _____ security?

Is it going _____ me _____ my _____ if _____ need _____ checks?

Is _____ precautions _____ when I access _____ account?

_____ account _____ be slowed down _____ safety measures.

Is _____ that _____ additional security _____ affect my _____ accessibility?

Do _____ measures slow _____ account _____?

Should _____ any _____ to access _____ account, if necessary?

_____ the _____ down recovery _____ account login?

_____ it _____ my account could be _____ of extra _____?

_____ additional security _____ the _____ of gaining _____ to _____ accounts?
_____ may _____ setbacks _____ retrieving my account _____ security measures.
_____ access to _____ account _____ to extra security _____?
_____ advanced precautions are _____ to _____ account, _____ there any chances _____?
_____ if _____ security is needed for account _____?
There are _____ steps _____ account _____.
Is there _____ is necessary for _____ recovery?
Is _____ recovery _____ down by _____?
If _____ more _____ will _____ be _____ signing in?
_____ I expect delays _____ account with _____ security after _____?
Increased _____ have the potential to affect _____.
_____ is needed, can _____ be any _____ in _____ in?
_____ it possible that my _____ will be delayed due _____?
_____ anticipate slowdowns when accounts _____ recovered _____ to _____ put in _____?
_____ may _____ access _____ due to safety _____.
_____ recovery process may be _____ by additional _____.
_____ it _____ my account to take longer to _____?
_____ the _____ recovery _____ be slowed _____ additional _____ measures?
If there is increased _____ upon _____ to _____?
_____ measures _____ account login _____ recovery?
Is it _____ my account won't _____ retrieved _____ increased _____?
Is _____ that _____ will _____ held _____ if _____ are taken _____ recovery mode?
Increased security _____ will _____ access.
_____ security _____ might _____ it harder to retrieve _____.
Is it _____ security will result in postponed _____?
Do _____ precautions _____ account _____ process?
_____ to _____ longer _____ get my account _____ it _____ have _____ do more security checks?
_____ I _____ able _____ access my account if _____ safety _____ necessary _____?
_____ more security _____ needed _____ will there be delays in _____?
Is it going _____ more security _____ access _____ my _____ instances?
Is _____ possible _____ I _____ accessing _____ account with _____ security measures?
The account _____ could _____ by additional _____ measures.
Can I _____ logging into my _____ if _____ is _____?
Is it possible _____ delays _____?
If _____ more _____ needed for _____
_____ I _____ any _____ logging _____ my _____ during recovery?
_____ account be _____ by the _____ requirements _____ restoration?
Will _____ more time to _____ account if _____ are increased?
_____ measures _____ cause _____ my account is recovered.
Is it _____ additional safety steps _____ retrieval?
_____ security requirements delayed my _____ accessibility?
Is it possible _____ measures slow _____ process?
_____ there _____ accessing my _____ due _____ extra security?
Are _____ safety _____ slowing _____ the _____ process?
If _____ for _____ recovery, _____ there be delays?
Access _____ can be caused _____ account _____.
_____ account recovery potential, do _____ measures _____?
_____ when _____ my _____ extra precautions?
_____ accounts are recovered _____ to _____ barriers being put _____ place, do _____?
_____ there is _____ security required _____ be any delays in accessing _____?

_____ there _____ additional _____ affect account login and _____?
 There might _____ account access delays _____ added _____.
 _____ account _____ there is additional security needed?
 _____ may be additional _____ can delay _____ retrieval.
 Security _____ recovery may cause _____.
 _____ be delays in _____ to _____ account _____ there is more _____?
 _____ security _____ necessary, Account Retrieval _____?
 Is _____ of _____ on _____ account if _____ need to be taken?
 _____ more _____ recover, will you drag your feet _____ my _____?
 _____ security _____ retrieving my account _____.
 _____ account recovery process _____ by added safety _____.
 _____ it _____ additional security procedures _____ cause delays _____ accessing my _____?
 If you need _____ security _____ fix things up, _____ I have to wait longer _____?
 _____ expect _____ difficulties logging _____ if my _____ is _____?
 _____ enhanced _____ going _____ cause _____ delays for my _____?
 If _____ steps are _____ during the _____ process, _____ my _____ delayed?
 Is it _____ security requirements might _____ accessibility?
 _____ stronger security is _____ can _____ expect _____ in _____ in?
 The account _____ might be _____ additional _____ measures.
 Is it _____ could cause _____ in accessing my _____?
 _____ process slowed down _____ additional safety measures?
 _____ there be setbacks retrieving my _____ due _____?
 _____ from added safety checks?
 Will _____ more measures that slow _____ recovery?
 _____ process may _____ by safety measures.
 _____ it possible that _____ have trouble logging _____ if the _____ is _____?
 Is _____ account _____ delays _____ be due to _____ procedures?
 Increased security measures _____ affect the _____ to _____.
 _____ may slow down _____ recovery.
 Will I _____ to _____ account _____ there _____ additional safety measures _____ to _____?
 _____ security _____ are need _____ process, _____ my account access _____ delayed?
 There is _____ chance _____ held up _____ enhanced security _____ are _____ during recovery mode.
 _____ be delays when attempting to _____ account due to _____?
 _____ protection _____ during restoration may delay access _____.
 _____ protocols _____ the _____ access to my accounts?
 Do _____ have _____ wait _____ access my _____ if I _____ security?
 Does adding _____ security _____ I have to _____ to access _____?
 Is this added _____ to make _____ for _____ my account?
 Additional _____ measures might _____ down _____.
 Is _____ possible _____ safety measures slow _____ account _____?
 If _____ is required, Account _____?
 If you _____ security _____ will _____ to wait longer for my account?
 Does _____ account recovery process take longer _____?
 Account _____ if security needs _____?
 _____ it possible that _____ security requirements _____ account _____?
 _____ procedures in the recovery _____ my account _____ delays.
 _____ there a _____ constraints _____ entering my _____ there are _____ precautions?
 Access _____ be _____ any extended security _____ during _____ recovery.
 There might _____ if security _____ for account _____.
 Is _____ a chance _____ time _____ on entering _____ account _____ taken?

_____ security going to cause _____ in accessing _____?
 _____ a need _____ slow down _____ login process?
 Is there a delay _____ due _____ security procedures?
 There is a chance that _____ be _____ enhanced _____ are taken.
 Increased _____ might lead _____ delays when _____ my _____.
 _____ you need extra security _____ my _____ should _____ be _____ in?
 If _____ are taken _____ recovery _____ there any chances _____ holdups _____ account?
 More _____ measures might _____ recovery.
 Additional safety steps _____.
 Is _____ encounter delays _____ to security procedures?
 Increased _____ during _____ my _____ to my account.
 _____ account access _____ added safety checks?
 Is _____ possible that _____ my account to be _____?
 Does adding _____ mean that _____ account _____ take _____ access?
 Is _____ precautions causing delays when I _____?
 _____ it _____ more security _____ could cause delays _____ accessing _____ account?
 _____ to my account could be delayed due _____ security _____?
 _____ measures _____ slow _____ login and recovery?
 If _____ measures are _____ during _____ process, will my _____ access _____?
 Is it _____ delays when _____ recover my _____ increased security?
 _____ account _____ be delayed if there's more _____?
 _____ it _____ that accounts will be _____ being _____ in place?
 Will _____ protection _____ down the login?
 Is there _____ requirements _____ delay my _____ recovery?
 _____ it _____ my account to _____ increased security _____ recovery?
 _____ steps _____ needed, _____ my account be delayed?
 If _____ more security steps _____ the _____ will my _____ be delayed?
 _____ do extended _____ measures _____ delays?
 Does adding more _____ mean I _____ wait longer _____ get _____?
 Does _____ security _____ more difficult to access my _____?
 _____ it _____ procedures can cause delays when accessing _____ account?
 _____ possible that additional safety _____ return?
 _____ measures slow account _____ recovery?
 _____ need more _____ my account, is there _____?
 The account _____ slowed down _____ additional _____ measures.
 _____ security _____ my _____ is there any hold-ups?
 _____ it take _____ longer time _____ access my _____ my _____ is _____?
 _____ may be _____ supplemental _____ procedures in the _____ process.
 _____ more security _____ necessary, what _____ account retrieval _____?
 _____ is needed _____ my account, can _____ setbacks in _____ in?
 _____ additional security _____ are needed _____ the _____ process, _____ my access _____?
 I _____ if _____ takes me _____ to access my _____ is _____.
 _____ there a _____ time _____ on _____ my account if _____ necessary?
 _____ it possible _____ my _____ to be _____ up _____ is done during _____?
 _____ my access _____ my account be delayed _____ needed?
 Is additional _____ steps able _____ delay _____?
 Can _____ trouble logging _____ my _____ if the security _____ strengthened?
 _____ people need security _____ while _____ fix things _____ am I _____ have _____ wait _____ get my _____?
 _____ there any additional _____ delay _____ retrieval time?
 _____ there _____ extra safety steps that can _____?

Increased security measures can _____ more _____.

There _____ steps that delay _____ retrieval.

_____ there _____ measures _____ access _____ during account recovery?

Will _____ account _____ if more security is _____?

_____ possible _____ my _____ will _____ longer to _____ with _____ security?

Can _____ expect _____ troubles logging _____ my account _____ strengthened?

_____ there a _____ I need _____ for my account?

_____ any _____ logging _____ my account if _____ is strengthened?

If _____ security steps are needed, will _____?

_____ it possible _____ will slow _____ login and _____?

Does _____ cause _____ delays?

_____ my account encounter _____ supplemental security procedures?

If advanced precautions _____ recover _____ are there chances _____ time _____?

_____ the _____ down _____ to additional safety measures?

_____ may be difficulties _____ due _____ increased security _____.

Will _____ me _____ to _____ my account _____ my security _____?

_____ there's more _____ upon recovery, _____ account access?

_____ possible for _____ steps to delay _____ retrieval?

Will a need _____ protection _____ down the _____?

If my _____ is _____ will it _____ me _____ my _____?

_____ anticipating slowdowns while _____ due _____ protective barriers?

_____ extra _____ measures _____ required _____ there be any delays in _____ my _____?

Will my _____ if _____ additional security steps?

_____ the _____ down recovery _____ account _____?

_____ take _____ longer _____ get _____ my account if _____ need extra security _____?

Is it possible that implementing _____ procedures _____ my account?

If _____ extra _____ will _____ any delays in accessing _____ account?

If stricter security _____ necessary, _____ retrieval _____?

_____ security, _____ my account access _____?

Will _____ additional security protocol _____ process _____ gaining _____ my _____ instances?

There _____ retrieving _____ due to increased security.

If _____ need more security _____ my _____ there any _____?

If more _____ is _____ for _____?

If extra _____ is required _____ there _____ any _____ accessing my _____?

If _____ security checks _____ I _____ I _____ wait longer on gettin' into my account?

_____ account access _____ if there _____ more security _____?

Will _____ measures _____ account _____?

Does _____ mean _____ will take longer to _____ account?

Is _____ a chance of time _____ on _____ my _____ are needed _____ recover _____?

If more _____ steps _____ during the _____ process, will _____ access _____?

_____ there any _____ when _____ account with _____ measures?

Am I going _____ have to _____ for _____ account if _____ more _____ checks?

_____ may make _____ account hard.

_____ don't _____ if adding _____ security _____ for _____ to be accessed.

Is _____ for my _____ be _____ if increased security _____ are _____?

_____ chance of my _____ being held _____ enhanced security steps _____?

Will _____ slow _____ process _____ gaining _____ to accounts?

Do _____ to _____ slowdowns while recovering _____ due to _____ put _____ place?

Is _____ a chance of _____ on entering my account _____?

_____ there _____ chance _____ time _____ entering my account _____ advanced _____ required?

_____ the process of _____ account _____ take longer _____ additional security _____?
 _____ account access delayed _____ security _____ needed _____ the recovery process?
 _____ the additional _____ recovery and _____?
 Increased _____ requirements _____ might _____ my account _____ operational postponements.
 _____ security _____ for account recovery _____ delays.
 Delays when accessing my _____ by implementing _____ security _____ recovery.
 Is there additional _____ delay _____ recovery?
 Are there any anticipated setbacks to _____ my _____?
 If _____ security is _____ what _____ retrieval _____?
 _____ there _____ chances of _____ my _____ if I _____ enhanced security _____?
 _____ my account _____ affected _____ security _____?
 _____ it _____ implementing additional _____ could cause me delays?
 If _____ is needed, _____ retrieval _____?
 _____ recovery _____ may be slowed down _____ safety _____.
 _____ there be hold-ups for accessing _____ of _____ security?
 _____ the _____ gaining _____ to my account _____ slowed _____ by more _____?
 During _____ recovery, _____ any _____ measures _____?
 Is it possible to _____ to delay _____?
 _____ measures may slow _____ account recovery _____.
 Is _____ my account _____ be _____ during recovery due _____ extra _____?
 Can _____ into _____ if I need stronger security?
 Is extra _____ cause _____ for my _____?
 If more security is _____ there _____ in accessing _____?
 _____ be problems _____ my _____ if _____ is strengthened?
 _____ it _____ additional measures will slow down account _____.
 _____ adding _____ security causing _____ to wait longer _____ account?
 The _____ process may _____ longer with _____ safety _____.
 Will extra verification _____ when _____ log in again?
 _____ accessing _____ could be caused by _____ security _____.
 Is _____ time restrictions on _____ my account _____ precautions _____ necessary?
 Is _____ access _____ added safety _____?
 _____ likely _____ my account will _____ to _____ due to increased _____?
 If there _____ needed _____ recovery?
 Is it possible that implementing _____ security procedures _____ recovery _____ cause _____?
 Will _____ delays in accessing my _____ additional _____ needed?
 _____ new security _____ slow _____ process _____ gaining _____ to _____ accounts?
 _____ we _____ recover accounts due to _____ barriers _____ in?
 _____ that _____ security _____ can cause delays _____ my account?
 Can _____ expect delays when _____ recover my _____ to enhanced _____?
 _____ adding _____ security _____ waits _____ my account to _____ accessed?
 Is it possible _____ requirements will delay _____?
 _____ possible that my _____ if security measures are taken _____ mode?
 _____ problems _____ into my account _____ my _____ strengthened during recovery?
 _____ my account access be delayed _____ are _____ security _____?
 _____ security is needed _____ recovery, will _____ be any _____ my _____?
 _____ it possible that _____ be _____ recover _____ with increased security?
 Can _____ account retrieval?
 Is it _____ that _____ would _____ up if _____ security steps _____?
 Is _____ steps _____ to _____ retrieving?
 Will _____ protocols slow down _____ recovered _____ instances?

_____ possible _____ delays when I recover my _____ increased security?

Is it possible that _____ account access _____ be _____ are _____?

_____ could be a delayed _____ account _____ extra security.

_____ possible that my account _____ held up _____ security is _____ recovery _____?

_____ it possible that _____ measures _____ affect _____ and recovery _____?

_____ more security _____ longer waits for _____ access my _____?

I wonder _____ extra security will _____ to my _____.

Do _____ when _____ recover _____ due to _____ barriers?

Will additional security _____ it harder _____ access _____ my _____ instances?

Is _____ to cause me _____ in _____ my _____?

_____ there be more _____ to _____ account _____ recovery?

_____ it _____ that _____ safety _____ can delay _____ time?

_____ there is _____ security required during _____ process, _____ my _____ be _____?

_____ gaining _____ to _____ account instances may be _____ down _____ additional _____ protocols.

_____ a chance of time limits on _____ my _____ if _____?

Is it going _____ take _____ my _____ into it if _____ need _____?

_____ are safety _____ that _____ account _____.

If _____ security _____ are needed _____ the recovery _____ account _____ be _____.

_____ y'all _____ security _____ I have _____ wait longer to _____ into _____ account?

Is _____ measures going to _____ and recovery?

_____ might be delays while I _____ increased _____.

Delays _____ accessing my account _____ caused by implementing _____.

_____ need security checks, will _____ have to _____ longer _____ my _____?

Will _____ account access _____ I need to _____ security _____?

Will my account access be _____ steps _____ required?

If y'all _____ I fix things up, _____ have to wait longer _____ account?

_____ it _____ for _____ to take _____ access with _____ security _____ recovery?

_____ the _____ access _____ recovered _____ instances _____ slowed down by _____ security protocols?

_____ setbacks in _____ my _____ because _____ increased security measures.

_____ it _____ account _____ held up if enhanced security _____ are _____ during recovery _____?

There could be _____ if _____ is _____ recovery.

Is _____ possible that _____ account _____ delays may _____ due _____ procedures?

Is there more security requirements _____ delay _____?

Is _____ account access delayed _____ there _____ needed _____ the _____ process?

_____ to take longer to _____ if my security is _____?

_____ measures slow the _____ login _____ time?

_____ safety _____ that slow _____ the account _____ process?

_____ the _____ delay account _____?

Increased _____ could result in _____ in _____ my _____.

_____ you need _____ checks while I _____ things _____ will _____ have _____ longer?

_____ that I will have to wait longer _____ into _____ if y'all need _____?

Will additional _____ it harder to _____ access _____ instances?

Extra security could cause _____ to _____ account _____ be _____.

_____ expecting a slowdown _____ recovering accounts _____ protective _____?

_____ security measures _____ cause delays _____ I _____ my _____.

If _____ security _____ will it take _____ longer to _____ into _____?

Is _____ steps _____ can delay _____ retrieving?

_____ security measures may affect _____.

If _____ are taken during _____ mode, _____ any _____ of _____?

_____ know _____ extra _____ will _____ delays _____ accessing my account.

_____ possible _____ extra security could _____ in _____ delayed _____ to _____ account?
 _____ retrieval time _____ safety steps.
 _____ in retrieving _____ account _____ to increased security?
 Does _____ more _____ make _____ take me _____ to _____ account?
 _____ it _____ account management could take _____ with _____?
 Is there _____ when I _____ my account with _____?
 The account _____ be slowed by _____ safety _____.
 If _____ security _____ will _____ take _____ time to access _____ account?
 _____ account _____ slowed down _____ measures?
 Are _____ any hold ups _____ I _____ for my _____?
