

[Demo] NLP Dataset for Customer Service Automation

Company Type	Internet Service Providers
Inquiry Category	Modem or router configuration assistance
Inquiry Sub-Category	VLANs and VLAN Tagging
Description	Customers may require assistance in configuring Virtual Local Area Networks (VLANs) and VLAN tagging on their routers to segment network traffic or prioritize specific devices or applications.
Data Size	5,003 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Internet Service Provider" customer inquiry. (Purchased data will not be masked.)

How do _____ VLANs on my _____ different _____ applications?

How _____ for device _____ app _____?

_____ to keep _____ apps and devices separate, _____ need the _____ you _____ VLANs in my _____.

_____ want _____ keep my devices and apps separate _____ help me _____?

I'd _____ with _____ VLANs for _____ and app _____.

_____ change the configuration of myrouter _____ seperate units _____ and devices _____ the same _____?

_____ to keep my _____ devices separate, _____ need _____ help _____ up VLANs _____ my _____ to _____ that.

Is _____ to assign VLANs _____ application segregation?

How _____ up VLANs for _____ applications _____ in a _____?

To _____ units for _____ devices in _____ network, _____ can I _____ configuration of _____.

Can someone tell me _____ up _____ the routers _____ make room _____?

I need help with setting up _____ my _____ seperate _____ my _____.

_____ would _____ to _____ able _____ split _____ software efficiently if you could give _____ on configuring _____.

How _____ change the _____ myrouter to allow _____ units _____ devices on _____ network?

_____ someone _____ me _____ on setting _____ on the _____ to make _____ isolated _____?

Is it _____ split _____ devices and applications _____ the _____ your routers?

I'm _____ to _____ seperate my _____ and apps on _____ routers.

_____ want _____ apps _____ so I _____ setting up _____ on my routers.

_____ need to set _____ my _____ with _____.

_____ it possible _____ use _____ to divide devices _____ apps?

Is _____ possible to _____ devices _____ VLANs _____ the router?

_____ VLANs _____ the _____ app separations is _____ issue that _____ assistance _____.

_____ to keep _____ separate _____ my _____ but _____ the _____ of you setting up VLANs

_____ do I _____ my devices _____ apps on _____?

I _____ my devices _____ from each other, and _____ need help _____.

_____ setting up _____ my Router that _____ seperate my devices.

I _____ help _____ up _____ on my routers _____ seperate _____ from my _____.

To _____ devices _____ I _____ setting up VLAN's on _____ routers.

_____ make _____ for devices and applications _____ vlans?
 _____ want to keep _____ apps _____ so I _____ setting up _____ network.
 Is it possible to _____ both devices and _____ VLANS _____ routers?
 Is there _____ way _____ split _____ and apps using _____ router?
 How do you set up _____ isolation _____?
 _____ need _____ that will separate my devices _____ my _____.
 I _____ your _____ my vlans because _____ trying to keep _____ apps separate.
 _____ there a way _____ split devices _____ a _____ VLANS interface on a router?
 Can you help me with configuring _____ device _____?
 _____ to _____ VLANs on a routers to _____?
 I _____ help setting _____ VLAN's to keep _____.
 Can I create separate units _____ applications _____?
 I _____ looking for help configuring _____ vulns _____ routers
 _____ would like _____ be _____ separate various _____ if you _____ a guide _____ configuring VLANs _____ my Router.
 _____ trying _____ keep _____ apps _____ devices _____ but I _____ the _____ you _____ up VLANs on _____ router.
 _____ can the _____ on the _____ used to isolated _____?
 _____ separate my _____ from _____ apps _____ setting up VLAN's on _____.
 _____ separate _____ and _____ each _____ need help _____ up VLAN's on my _____.
 _____ attempting _____ my _____ and devices separate, but I need _____ of you _____ on my _____.
 I _____ able to partition my _____ software efficiently _____ you _____ give me a _____ configuring _____.
 _____ help me _____ setting up my Router _____ of my devices _____?
 _____ can _____ make separate units _____ devices _____ using _____?
 _____ could give me pointers on _____ up VLANs on my _____ network _____ programs and devices _____ effectively, _____

 _____ help _____ you setting _____ my _____ I want _____ keep my apps and devices _____.
 _____ help me _____ configuring myRouter for _____ separation?
 _____ trying _____ my devices and apps separate, but _____ help _____ VLANs.
 _____ possible to split applications and devices _____ the _____?
 _____ it _____ set up _____ my routers _____ easier _____ of devices?
 _____ not _____ how _____ set _____ for _____ devices and apps.
 Is _____ possible to split _____ and _____ in _____ using the VLANS interface _____ a _____?
 How can _____ myrouter's _____ to _____ units _____ applications and _____?
 _____ need _____ setting up VLAN's on _____ my _____ apart.
 I need _____ up my _____ to separate _____ devices _____.
 _____ keep _____ separate, _____ help in _____ up VLAN's on my _____.
 _____ to _____ VLANs _____ application segregation in routers?
 _____ help configuring my _____ separate _____ and app.
 I _____ configuring my Router _____ my _____ and _____.
 _____ need help setting _____ on my network _____ keep _____.
 Setting _____ VLAN's _____ routers _____ devices _____ from each other, _____ I need help
 Is _____ possible _____ devices _____ applications using _____ VLANS interface _____ router?
 _____ trying to separate _____ my apps by setting _____ VLAN's _____ my _____.
 _____ can I make _____ for _____ and devices _____ the _____ changing _____ configuration _____ myrouter?
 Is _____ configuration of myrouter to _____ separate _____ for applications _____ devices?
 _____ to _____ my apps apart, _____ I _____ help _____ setting up _____.
 Can _____ give me _____ to set _____ VLANs on _____ routers _____ room for isolated _____?
 I am trying _____ my _____ separate, _____ I _____ you setting _____ VLANs on _____ router to do that
 My _____ and applications _____ be _____ by setting _____ on _____.
 _____ me _____ make room _____ isolated _____ up VLANs on the routers?
 _____ setting up _____ on my router _____ will separate _____ devices and _____ other.

need with up my I am trying keep and separate.
 you with configuring my router for devices ?
 help configuring myRouter to separate my .
 Is to split devices in single fashion with on routers?
 I my router to have virtual separate .
 How to for both application ?
 anyone with network vulns on a router?
 on to arrange device and isolation.
 How assign for device segregation settings?
 me how to network vulns for isolating routers?
 setting up VLAN's router will devices from each other
 you to set up my because I am to my .
 Setting up my separate devices and from other.
 app separations something that I would like help .
 someone to for isolate by up on the routers?
 I VLANs for device app separations.
 Can with configuring my device app separation?
 the configuration of myrouter to make applications and ?
 Is it for you devices and using routers?
 For easier organization of devices and the on routers?
 someone help with setting up VLANs the to for ?
 attempting keep my apps separate, but I of setting up VLANs on .
 Can tell me how up the routers to make isolate ?
 you give pointers up on my home I easily keep my that would be
 Setting up apart something need help with.
 In to my my need with up VLAN's.
 to know help me VLANs my modem to between device and .
 Is it to my router's devices platforms?
 Setting up VLAN's on routers from one another, and need .
 In to separate please setting up .
 to keep my apps so help with up .
 To keep need setting up vlan's.
 If you give me on how set up VLANs on my home network so
 I'm trying keep my separate my I help setting up on .
 I'm figure out to VLAN the Router devices.
 I help I can separate devices apps.
 would like VLANs the and app .
 How you VLANs for in Router ?
 to be to devices and software efficiently, so a guide on configuring .

 Is there up routers to make room for gadgets?
 I setting up on to devices from apps
 I'm trying apart by setting VLAN's my .
 my devices separate my apps, I'm your help up VLANs on my
 need to up VLANs of devices .
 To create units for applications devices my network, how change my ?
 Can configuration myrouter make for and devices that use my network?
 I want know to devices and apps .
 I want to keep my need help with .
 I setting up router that will separate my and app .

Can ____ help ____ set up ____ to ____ separation of my ____ and ____?

I ____ help ____ VLANs on ____ devices and programs.

____ keep ____ devices and ____ need the help of ____ to set up VLANs ____ my ____.

____ like guidance on ____ on my ____ to separate ____ devices.

____ with ____ VLAN's on my ____ separate my devices and ____.

I'd ____ to ____ to ____ various ____ software efficiently if you could provide ____ a guide on ____.

Is ____ possible to ____ up VLANs ____ my ____ for ____ organization of ____?

Can ____ assist ____ configuring network ____ devices on a ____?

____ help ____ up VLAN's on ____ that will ____ my ____ apps.

I need help ____ up VLAN's on ____ so that ____ from ____.

Is it possible to split both ____ and ____ a single ____ using ____ interface ____?

____ for ____ split devices and apps ____ a single fashion ____ interface ____ a routers?

I'm trying ____ keep my ____ and ____ but I need ____ help ____ you setting ____ VLANs ____ my ____.

I need help with setting up ____.

How can I ____ the configuration of myrouter ____ applications ____ on ____ network?

____ it ____ you to ____ and ____ a VLANS interface on a ____?

Is ____ possible to ____ devices ____ the routers?

____ there ____ way ____ set up VLANs for ____ devices ____?

____ help ____ my ____ so ____ can separate ____ and devices.

____ need help ____ up a ____ to ____ my ____ app ____ each other ____ my ____.

Can ____ give me ____ how to setup ____ on ____ routers ____ make ____ isolated devices?

____ it ____ to split devices ____ using ____ VLANS interface on ____?

____ need help configuring ____ my devices from my ____.

____ apps ____ to be separate, ____ I ____ setting up ____ my ____.

____ want ____ change ____ to make seperate units ____ applications and devices ____ my network.

____ help ____ with ____ VLANs ____ keep my devices and apps ____?

____ could give ____ pointers ____ on ____ home ____ so that ____ programs ____ devices are separated.

____ need help with ____ my ____ separate my ____ devices.

____ tell me how ____ set ____ for device ____ app ____?

____ to split ____ devices with the use of ____ the routers?

I have a question about ____ router.

Wanting ____ configuring ____ and ____ separation.

Is ____ possible ____ set up ____ routers for device ____ app ____?

How ____ a routers's ____ configured ____ the applications and ____?

____ would like to know ____ it ____ to ____ devices and apps ____ the ____.

Can I ____ of ____ to ____ seperate ____ for ____ applications and ____?

I ____ VLANs through my router ____ can ____ my devices and ____.

____ up ____ will separate my ____ and app ____ each ____ I need help.

____ possible ____ to split ____ devices ____ apps ____ a ____ on your Router?

I need ____ guide on configuring ____ my routers so ____ various ____.

____ I ____ the ____ myrouter ____ allow ____ units for my ____ and devices?

____ me how to ____ network vulns for ____ devices ____ a ____?

____ give me ____ on setting up ____ my home network ____ that programs ____ separated ____.

____ segregating my ____ VLAN features.

CONFIGURING ____ device and ____ separations is ____ I'd ____ assistance ____.

Can ____ how to set ____ the VLANs ____ my ____?

Is ____ to set up VLANs ____ segregation on ____?

____ I need help setting up VLANs.

____ keep ____ apps and devices apart, ____ I ____ the help of you ____ up ____ on ____.

Is ____ to keep ____ each other by ____ up VLANs ____ routers?

_____ trying to _____ my devices separate from my _____ but I _____ with setting _____ router.

I need _____ VLAN's on _____ that will separate _____ each other.

I _____ up a separate area for _____ and app _____ my _____.

To create _____ applications _____ devices _____ network, how can _____ change the _____?

I need help _____ my routers _____ separate _____ devices _____ app from one another.

How _____ up a _____ for _____ and _____ segregation?

_____ to setup VLANs for _____?

I'm _____ apps apart, and I need _____ VLAN's.

_____ about segregating _____ VLAN feature.

Can _____ with _____ up _____ that I can separate _____ device _____ app?

_____ sure _____ to do with _____ VLANs _____ and app separation.

_____ to _____ able to _____ and _____ I need _____ guide on configuring _____ through my Router.

I am _____ to _____ one another by _____ up VLAN's _____ routers.

Instructions _____ arranging _____ VLANs for device _____

_____ need help _____ VLAN's on my _____ separate _____ devices and _____.

I _____ to _____ up _____ for my _____ apps.

_____ to _____ devices _____ in a single fashion _____ VLANS _____ on aRouter?

How can _____ units _____ applications and devices _____ same _____ by changing _____?

_____ VLANs on my home _____ would be _____ you _____ me _____ how to _____ the programs and _____.

I don't _____ setup my _____ to _____ devices and _____.

_____ VLANs _____ device and _____ issue I would _____ assistance with.

How can _____ configuration of _____ to create separate _____ my network?

Is it _____ for you to use a _____ interface _____ up _____?

_____ can I _____ configuration _____ myrouter _____ make _____ applications and devices _____?

To keep _____ apps apart, _____ need _____ setting _____.

I'm _____ to _____ my _____ and devices separate, but I need the help of _____.

I _____ if anyone _____ me _____ the VLAN _____ the _____ to _____ devices.

_____ gadgets is a router setup _____.

_____ need _____ in _____ up VLAN's that _____ my _____ from my _____.

_____ applications _____ be separate by _____ up _____ on my _____.

Is it possible _____ split devices _____ VLANS _____?

You _____ give _____ up _____ on my home network so _____ my _____ devices _____ separated.

Is it possible to _____ up _____ routers for device _____?

_____ someone tell me _____ set up VLANs _____ the _____ in _____ to _____ for isolating _____?

In _____ create separate units for _____ that are using _____ network, _____ change the _____ of myrouter?

How do you _____ VLANs _____ to separate _____?

_____ can _____ change the _____ of myrouter _____ make _____ units for _____ and devices _____ network?

I'm _____ keep my _____ devices _____ but I'm _____ need _____ help _____ you setting _____ VLANs on

I need help _____ up _____ will _____ my devices _____

_____ to _____ my devices _____ apps separate, but I _____ the _____ of _____ setting _____ VLANs to _____

_____ it _____ change _____ of _____ to _____ separate units for _____ on the same network?

I want _____ the device and app _____.

CONFIGuring VLANs for _____ and app _____ like help with.

To _____ units for applications _____ can _____ change the _____ of _____?

_____ there a _____ to setup _____ and apps on my _____?

_____ you set up _____ a _____ isolated devices?

Can you tell me how _____ separate _____ on _____?

_____ it possible _____ up using a VLANS interface _____?

_____ VLANS to _____ gadgets _____ programs _____ arouter setup _____.

_____ setting up _____ network for my _____ and applications _____ my routers.

How do I _____ configuration _____ make _____ units _____ and devices?
 _____ are the steps to setup _____ organization of _____ and _____ routers?
 _____ trying to keep _____ apps _____ separate, _____ I need the _____ you _____ on my routers
 Is _____ possible to _____ the router _____ divide devices _____ apps?
 Can _____ help me _____ vulns for _____ a routers?
 _____ can I change myrouter _____ make _____ for _____ and _____?
