I want to _____ decline in _____ of my _____ spark plugs.

_____ old _____ degrade mileage?

_____ old spark _____ make _____ mileage _____?

Is there _____ plugs and lower mpg?

_____ if my old _____ will _____ decrease in fuel efficiency.

Can crumbling spark _____ be _____ blame _____?

Is _____ poor gas _____ spark _____?

I want to _____ if my fuel _____ to _____ wear out _____ spark plugs.

Is the _____ spark plugs _____ economy?

_____ know if my _____ spark plugs _____ blame _____ decrease _____ fuel efficiency.

Is _____ spark plugs _____ my _____ fuel _____?

Is the decrease _____ due to _____ plugs?

I wondered _____ in _____ efficiency _____ because _____ my worn spark _____.

_____ of my worn spark _____ efficiency is decreasing?

A question about _____ crumbling _____ contributing to _____.

I wonder _____ my spark _____ will cause _____ fuel _____.

I _____ to _____ my old _____ plugs _____ not _____ decline in _____ efficiency.

Do _____ spark plugs _____ efficiency?

_____ want _____ if I'm _____ fuel _____ because I'm _____ my spark _____.

_____ my _____ spark plugs _____ efficiency?

_____ cause _____ decreased fuel efficiency?

Cause _____ efficiency _____ spark plug _____?

Can _____ spark _____ cause _____?

_____ if _____ reason for my low gas _____ spark plugs.

_____ fuel _____ reduced due _____ worn _____ plugs?

Does _____ spark _____ fuel efficiency?

_____ spark plugs causing _____ fuel _____?

_____ if _____ are to blame for _____ decline in fuel efficiency.

_____ wonder _____ the _____ in _____ a consequence of my _____ plugs.

_____ would like _____ know if _____ are _____ decline _____ fuel efficiency.

I'm wondering _____ my _____ spark _____ are _____ to affect _____.

_____ old _____ me _____ gas mileage?

I _____ my old spark _____ to cause a _____ fuel efficiency.

Is _____ plugs making _____ mileage _____?

Has _____ sparks _____ mileage _____ decline?

_____ if my _____ plugs will cause a _____ efficiency.

_____ reduction in _____ efficiency _____ used sparkplugs?

I _____ old _____ plugs make _____ mileage decrease.

_____ the _____ in fuel efficiency _____ caused _____ my _____ spark _____?

I'm interested in _____ old _____ plugs will _____ in fuel _____.

_____ I wear _____ there _____ a decline in _____ efficiency?
