

[Demo] NLP Dataset for Customer Service Automation

Company Type	Natural Gas Companies
Inquiry Category	Meter reading discrepancies and concerns
Inquiry Sub-Category	Meter reading delay
Description	Customers inquire about delays in receiving meter readings, causing uncertainty about their gas consumption and billing.
Data Size	8,171 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Natural Gas Company" customer inquiry. (Purchased data will not be masked.)

____ your systems' _____ be causing disruptions ____ regular _____ reporting utilities used ____ household ____ now?

Does your _____ or _____ disruptions in the ____ of ____?

Are _____ affected by your ____ inefficiency?

_____ failures _____ household tracking and reporting utilities?

Do your ____ make ____ hard to use _____ utilities?

_____ you have disrupted _____ and reporting tools ____ to ____ poor ____?

Do ____ inefficient/faulty systems ____ issues in household _____?

Do ____ think ____ household _____ utilities could ____ affected by ____ malfunction?

____ it _____ hindered ____ tracing facilities?

____ household ____ and _____ have issues that ____ regular ____?

We can't properly use _____ tracking and reporting _____ has been using _____ systems.

Is _____ system _____ to utility reports at home?

_____ systems _____ for households ____ track ____ report utilities?

Is it _____ the ____ of _____ up the regular _____ reporting utilities?

Have your ____ utility _____ disrupted because ____ inefficient/faulty ____?

____ there ____ problem with ____ tracking _____ stuff ____ your system?

_____ that system issues can affect _____ reports at home?

Is _____ fault of ____ systems _____ are disruptions ____ reporting ____?

____ the ____ of reporting _____ utilities ____ by the flaws _____ systems?

Do ____ system ____ cause _____ tracking and ____ tools used by ____?

____ it ____ that our usual _____ reporting services are ____ by your systems _____ poor ____?

____ usual tracking and ____ tools _____ affected by your ____ issues.

____ it possible that _____ the systems ____ challenges for _____ utilities per ____?

____ possible that we can't use the typical tracking and reporting _____ have ____ using _____.

Is _____ flaws ____ utility reporting _____?

_____ that flawed _____ are interfering with ____ home ____ measuring mechanisms?

Has the reliability _____ and _____ been ____ by ____ in your ____?

Did _____ systems ____ with ____ household utility _____ reports?

____ flawed systems ____ with our usual ____ utility ____ and ____?

Did _____ systems cause disruptions ____ your ____ utility _____?

Have your ____ systems _____ with _____ utility usage ____?

Are _____ due to _____ problems within your system?

Is _____ household _____ and reporting _____ affected _____ system _____?

_____ failures _____ in household _____ reporting?

_____ it _____ that household _____ by system failures?

_____ household _____ and _____ disruptions because of the _____ in _____ systems?

The failure or inefficiency of _____ could _____ to _____ utility _____.

_____ it possible _____ operations _____ interfering with standard home utility _____

_____ your system _____ affect household _____ tracking utilities?

Is _____ possible _____ household's _____ tracing facilities _____ hindered _____ mechanisms?

Is _____ systems' _____ blame for disruptions in tracking _____ reporting _____?

_____ your _____ our household utility monitoring _____ reports?

_____ tracking affected _____ system failures?

_____ be that we can't use _____ tracking _____ tools we've _____ because _____ with your systems.

_____ your _____ systems messed up _____ monitoring _____ reports?

Do you _____ if _____ disrupt _____ tracking and _____ utilities?

_____ it possible _____ tracking and reporting _____ because your _____ are malfunctioning?

_____ system failure _____ regular _____ utilities?

_____ tracking and _____ utilities be _____ by _____ failures?

Is _____ of your _____ tracking and reporting _____?

_____ the inefficiency _____ systems affect _____ household _____ and _____ tools?

_____ it possible _____ are malfunctioning _____ causing _____ to _____ reporting and tracking?

Is it _____ that our usual household _____ and _____ disrupted because _____?

_____ it possible _____ failure or _____ system is disrupting _____ utility _____ and _____?

_____ failures _____ your systems _____ at homes?

_____ any _____ in your system _____ messing _____ tracking and reporting?

Do _____ and _____ disrupted _____ your _____ failure or inefficiency?

_____ your _____ utility _____ been affected _____ your inefficient/faulty _____?

_____ you _____ in your system that _____ utility tracker _____?

It's possible that _____ can't use _____ reporting _____ been _____ because _____ your systems problems.

Is your system _____ and _____?

_____ systems _____ the use of household _____ utilities?

_____ your _____ systems interfered with _____ utility _____?

Are your faulty _____ the _____ utility monitoring _____?

_____ the _____ tracked utilities disrupted _____ your _____ or failure?

_____ system _____ or interfering _____ household _____ and tracking?

Is it _____ that _____ tracking _____ reporting _____ disrupted due _____ your systems' _____ inefficiency?

_____ your system failing _____ tracking and reporting?

_____ and _____ used _____ house _____ be disrupted _____ lack of _____ your systems.

_____ it _____ malfunctioning _____ are making it hard _____ utilities?

Have your _____ problems _____ your utility _____?

_____ it _____ that flaws within _____ systems _____ more difficult to track _____?

Are _____ tracking _____ inefficiency of your systems?

_____ your unreliable _____ caused _____ household utility _____ records?

Will household tracking _____ reporting be disrupted _____ failures _____?

It's possible _____ we _____ use the typical _____ and _____ tools _____ come to _____ with your

_____ household _____ and _____ are _____ by system issues?

Do failures _____ tracking efforts?

_____ your inefficient/faulty _____ problems in _____ household _____ records?

Are _____ household _____ and _____ your systems' inefficiency?

_____ usual _____ reporting tools used by _____ be _____ to _____ issues.

Do _____ your systems _____ utility _____?
 _____ the _____ in your systems cause the disruptions _____ reporting _____?
 _____ it _____ that the _____ system operations are interfering with _____ utility _____?
 _____ lack _____ efficiency in _____ systems _____ way utilities _____ tracked _____ reported?
 Are your _____ issues causing issues with _____ tools _____ homeowners?
 _____ it _____ tracking and _____ can _____ disrupted because of _____ systems' failure?
 _____ utility usage records _____ by _____ systems?
 _____ system problems _____ with the usual _____ and reporting _____?
 _____ systems are messing _____ monitoring and reports?
 Some household _____ procedures have _____ because _____ efficiency problems _____ systems.
 _____ your _____ affect _____ tracker per house?
 Are household _____ utilities _____ by _____ malfunction?
 Is _____ possible _____ leads _____ disruptions _____ household utility tracking and _____?
 _____ the household's _____ are disrupted by _____ in your systems?
 _____ possible _____ systems' failure or _____ is _____ disruptions _____ reporting and _____ utilities.
 Are _____ tracking and _____ your systems malfunctioning?
 Is the reliability _____ tracking and _____ by _____ of your _____?
 _____ reporting _____ used perhousehold _____ be disrupted by the _____ of efficiency _____.
 _____ regular tracking _____ reporting _____ could be _____ by your _____.
 _____ it possible _____ systems' failure _____ are _____ disruptions in _____ used per _____?
 _____ system failure making _____ to _____ and track _____?
 Is _____ possible that _____ failure of _____ systems _____ to disruptions _____ utility _____?
 _____ household utility tracking _____ disrupted _____ of _____ within your _____?
 _____ your _____ interrupt the use _____ tracking _____ reporting _____?
 Are system _____ or _____ in household _____ and _____ utilities?
 _____ it _____ household _____ and reporting services _____ interrupted _____ of your _____ or inefficiency?
 _____ household reporting disrupted _____?
 _____ your household _____ utilities _____ affected by the _____ of _____?
 _____ tracking _____ reporting utilities suffer _____ of systems _____?
 _____ system inefficiencies cause _____ in everyday utilities that _____ household _____?
 _____ disruptions _____ your system that _____ the utility _____?
 _____ inefficient/faulty systems _____ household _____ usage _____?
 _____ that your _____ to disruptions _____ household utility reporting?
 _____ household usage _____ utilities _____ be disrupted by your systems' _____?
 Is _____ a chance _____ problems can _____ to utility reports _____?
 _____ household's standard tracking _____ reporting _____ disrupted by _____ your _____?
 _____ it possible _____ inefficiency _____ your system _____ up the tracking _____?
 _____ your _____ reporting and tracking?
 _____ in _____ residential premises _____ a result of _____ failure or _____ of your systems.
 _____ tracking and reporting _____ by _____ systems malfunctioning?
 _____ reporting utilities _____ per _____ be disrupted by the _____ in your _____.
 _____ disruptions _____ reporting utilities _____ by your _____ failure _____?
 Is _____ that _____ failure _____ leading to _____ household utility tracking and _____?
 _____ household reporting _____ service is _____ because of your systems' failure?
 Insufficient _____ faulty aspects _____ cause _____ in using _____ tracking _____ correctly.
 _____ is malfunctioning or disrupting household _____ reporting _____.
 Is _____ disrupted _____ the _____ of _____ systems?
 Could system _____ affect _____?
 _____ usage _____ affected by your systems _____?
 Tracking and _____ perhousehold _____ disrupted by _____ in your systems.

_____ faulty aspects of your _____ make _____ to _____ tracking resources accurately?
 _____ possible _____ there are flaws _____ your systems _____ make it _____ track _____?
 _____ household utility _____ be affected _____ your flawed systems?
 _____ it _____ flaws within _____ systems make it _____ track home _____?
 Is there _____ that _____ glitch _____ affect _____ to _____ reports?
 The _____ tracking _____ reporting _____ can be disrupted _____ in _____.
 Tracking and _____ utilities _____ per household _____ of efficiency _____ your systems.
 _____ be that we _____ use the typical tracking _____ tools _____ of _____ problems with _____.
 _____ it _____ inefficiencies in your system are _____ your tracking _____?
 _____ tracking _____ disrupted by the _____ in your systems.
 Tracking _____ reporting utilities at _____ by system _____.
 Is _____ possible _____ the household _____ using their conventional tracing _____?
 _____ it possible that _____ tracing facilities _____ inefficient mechanisms?
 _____ household monitoring _____ utilities _____ affected _____ system failures.
 Is your systems _____ leading _____ disruptions _____ utility _____ reporting?
 _____ your _____ cause any problems in _____ household's _____ reporting _____?
 Have _____ inefficient/faulty systems _____ with _____ utility usage _____?
 Have household utility _____ records been _____ of _____?
 Did _____ inefficient/faulty systems _____ in the _____ utility _____?
 Are _____ flawed _____ with _____ household utility _____?
 _____ failure affecting reports and _____?
 _____ the _____ and reporting _____ affected by the _____ shortcomings of your _____ up _____ this _____?
 Is _____ and _____ utilities _____ by _____ or failures of your systems?
 _____ systems _____ household utility usage _____?
 _____ household tracking _____ reporting tools disrupted _____?
 Monitoring and _____ household _____ be disrupted _____ efficiency in your system.
 _____ the _____ tools are _____ due to system issues.
 Is it _____ mechanisms hampered household's _____ facilities?
 Are system _____ tracking and _____?
 Are _____ faulty _____ household utility monitoring _____ reports?
 _____ monitoring _____ usage might be a _____ of the _____ inefficiency _____ systems.
 Is household tracking/ _____ by _____?
 _____ and reporting _____ disrupted by flaws _____ your system.
 _____ household _____ reporting utilities suffer _____ of _____ or inefficiency?
 _____ the _____ standard _____ reporting tools _____ by _____ failures?
 _____ there _____ to _____ recording related _____ per residence until _____?
 _____ reporting _____ be disrupted by the lack of efficiency _____ your _____.
 Does the inefficiency _____ your systems _____ to _____ monitoring _____?
 _____ it possible _____ household _____ and utilities _____ be _____ system _____?
 _____ possible _____ your _____ failure _____ leading _____ interruptions in household _____ services?
 _____ possible that the _____ of _____ are _____ up _____ reporting utilities?
 _____ could _____ the efficiency of the _____ tracking _____.
 Do _____ know if _____ are _____ the tracking and _____ utilities _____?
 _____ it _____ inefficiencies in your system _____ the tracking and _____?
 _____ utilities _____ per household have _____ disrupted _____ failure or inefficiency.
 Do _____ if malfunctioning _____ are affecting regular utilities _____?
 Delays _____ could be due to _____ failure or _____ your _____.
 _____ regular _____ and _____ utilities _____ by _____ be _____ by the _____ or inefficiencies of _____ systems.
 Is _____ possible that _____ standard tracking _____ reporting _____ by _____ failures.
 _____ possible _____ household's _____ reporting tools _____ because _____ your system failures?

____ it possible that system glitch ____ access to ____ reports ____?
 ____ household ____ disrupted by ____ systems ____ or inefficiency?
 Is ____ chance that system issues ____ affect access ____ at ____?
 Did insufficient ____ aspects ____ cause ____ in using house- ____ resources ____?
 Should ____ monitoring utilities be ____ your ____ malfunction?
 ____ possible that ____ operations are interfering ____ home ____ measuring mechanisms?
 ____ that household ____ utilities ____ affected by the system failures?
 Is ____ tracking ____ reporting messing up ____ your system?
 Is it possible ____ the ____ your ____ are ____ tracking and ____?
 ____ it a ____ that faulty system ____ interfering with ____ mechanisms?
 Is it possible ____ household ____ and ____ are ____ because ____ your ____ inefficiency?
 ____ your ____ up ____ utility reports?
 Is it ____ inefficient mechanisms ____ conventional tracing facilities?
 ____ possible ____ use ____ typical ____ and reporting ____ we've ____ using ____ of problems with your ____.
 Is ____ possible that your ____ causing disruptions ____ reporting?
 ____ and ____ utilities ____ impacted by the flaws ____ your systems?
 ____ reliability ____ tracking and reporting utilities affected ____ the flaws or ____?
 ____ tracking efforts at ____ be hampered ____ failures ____ your ____.
 Is it possible ____ faulty ____ are messing ____ standard home ____?
 ____ your ____ systems messing ____ our utility ____ reports?
 ____ there ____ with household ____ usage records because of ____?
 Do ____ wonder ____ tracking and ____ utilities ____ disrupted ____ systems ____?
 ____ you ____ your ____ malfunction could ____ disruptions in ____ usage monitoring ____?
 ____ tracking ____ reporting utilities ____ because of your systems ____?
 ____ household tracking and reporting being ____?
 Is it possible that ____ reporting ____ are ____ because ____ the ____ your systems?
 ____ we can't ____ the typical tracking and reporting ____ we've been ____ to ____ your systems
 The ____ in ____ disruptions in household tracking ____ utilities.
 System ____ the effectiveness of ____ tools.
 ____ a ____ failures and ____ in ____ tracking and reporting utilities?
 Is ____ that inefficiency ____ facilities?
 ____ the failure or ____ of your ____ delays in ____ usage?
 Is it ____ that ____ issues ____ routine ____ reported usage?
 Do system failures or ____ havoc in ____ household ____ utilities?
 ____ the failures or ____ systems ____ cause of ____ tracking and reporting of ____?
 Is it possible ____ household's tracking and ____ disrupted by ____ failures ____?
 Have any of the ____ tools ____ disrupted ____ poor efficiency?
 ____ there ____ disruptions in ____ utility trackers?
 Problems ____ reporting tools ____ be caused by ____.
 Will ____ efficiency of household ____ tools?
 Is ____ possible ____ and ____ tools ____ disrupted because of ____ failures?
 Household tracking ____ reporting ____ be ____ system failures.
 ____ household tracking and reporting utilities ____ due ____?
 ____ believe your ____ malfunction could cause ____ usage monitoring ____?
 Is it ____ that ____ system ____ are ____ with ____ standard ____ utility ____?
 ____ our usual ____ tracking and reporting ____ by poor efficiency in your ____?
 The ____ tracking ____ reporting utilities ____ by the ____ in ____ systems.
 Is ____ and ____ household tracking and ____?
 Do failures in your ____ tracking ____ households ____?
 ____ chance ____ system ____ might affect access to utility ____?

_____ in _____ cause disruptions in household tracking and _____.
 _____ it possible that malfunctioning systems _____ challenges _____ recording _____ utilities _____?
 _____ of _____ in your system that have affected utility _____?
 Is _____ possible _____ mechanisms _____ tracing facilities?
 _____ system failures affecting household _____ reporting _____?
 _____ inefficiencies _____ your _____ tracking and utilities?
 It's _____ can't properly _____ the typical _____ reporting _____ that every household has been _____ on _____ the _____
 _____ it possible _____ failures _____ household monitoring?
 _____ it possible _____ failures _____ affecting household _____
 _____ the _____ reporting utilities affected by system _____?
 _____ failures affect reporting and _____?
 Is _____ household's _____ tracking and reporting _____ disrupted _____ failures in your _____?
 Does _____ failure _____ systems _____ to delays in _____ usage _____?
 Tracking and _____ utilities used _____ be _____ lack of efficiency.
 _____ systems' failure _____ inefficiency _____ your tracking and _____ utilities?
 _____ your flawed _____ up your _____ utility _____?
 The household's _____ tracking _____ reporting tools _____ be _____ by _____ in _____.
 Have your inefficient/faulty _____ trouble in the _____?
 _____ and _____ be disrupted by _____ of efficiency in your systems.
 _____ possible that flaws within _____ systems are _____ it difficult _____ to _____?
 Is _____ inefficient _____ hindered household's conventional tracing _____?
 Are system failures _____ household _____?
 Do system inefficiencies cause _____ everyday _____ and tracking?
 Is _____ a _____ with household _____ and reporting _____ failures?
 _____ the _____ your systems could cause problems _____ the _____ usage _____?
 _____ the _____ and reporting utilities impacted _____ or weaknesses of your _____?
 _____ and reporting _____ used per household _____ disrupted by _____ your _____.
 Problems with _____ systems can cause disruptions _____ reporting _____.
 _____ the _____ of _____ systems affect _____ reporting _____?
 Do you know _____ malfunctioning systems _____ the _____ tracking _____ per house?
 _____ it _____ our household _____ are disrupted because of _____ systems' poor _____?
 _____ household _____ disrupted by _____ systems' failure _____ inefficiency?
 _____ the inefficiency _____ your systems _____ cause _____ utility usage?
 _____ possible that _____ conventional _____ facilities were hampered _____ inefficient _____?
 _____ your systems responsible _____ the disruptions _____ the regular tracking and _____?
 _____ the failures _____ systems _____ messing up the tracking and reporting utilities.
 _____ or inefficiencies _____ havoc in household reporting and _____?
 _____ reporting utilities _____ be _____ by systems' issues.
 Have the _____ tracking _____ reporting tools _____ disrupted _____ your _____?
 Is household _____ by your _____ inefficiency?
 Is _____ system issues _____ problems with _____ tracking tools _____ by _____?
 Is _____ your systems _____ with our _____ and reporting utilities?
 Do _____ inefficiency is _____ household tracking _____ reporting utilities?
 Did your _____ problems in _____ utility _____ records?
 _____ that _____ operations _____ interfering with standard _____ utility measuring mechanisms.
 I _____ if system failures _____ household _____ reporting _____.
 Is _____ possible _____ household _____ reporting _____ be _____ by _____ systems' inefficiency?
 _____ system _____ household reporting _____ tracking?
 _____ and _____ tools _____ homeowners _____ be affected _____ system issues.
 Is _____ possible _____ your systems' failure or _____ the _____ of household _____?

____ the inefficiency of ____ effect on household tracking ____ utilities?
 Is it ____ that ____ household ____ and reporting services are ____ your ____?
 Is it ____ glitch ____ access ____ essential utility ____ at home?
 Is ____ possible that ____ the ____ are making it ____ home ____?
 ____ your flawed ____ our household ____ and reports?
 ____ your ____ systems cause ____ your ____ usage records?
 Does ____ your system affect your ____ reporting ____?
 Problems in your ____ per house till ____.
 ____ possible that household's tracking and ____ tools ____ disrupted ____ in your ____?
 Could ____ system failure ____ tracking ____?
 Our usual ____ tracking and reporting ____ may ____ interrupted ____ systems' ____.
 Is ____ possible ____ your systems' ____ or ____ is disrupting ____?
 Might system failure ____ the ____ tools?
 Tracking and reporting ____ could ____ disrupted ____ to the ____ in ____.
 Is it ____ inefficient mechanisms ____ household ____ facilities?
 There may be disruptions ____ tracking and ____ to ____ systems.
 ____ the ____ your system ____ household ____ and reporting utilities?
 ____ possible ____ we can't use the ____ and reporting tools we've ____ your ____ problems
 In everyday ____ tracking and ____ system failures ____?
 ____ it likely that ____ flaws ____ your ____ difficult ____ track home utilities?
 Are ____ and ____ disrupted ____ failure of ____ systems?
 Problems in ____ utility trackers per ____.
 Have ____ inefficiency disrupted ____ household's ____ and ____?
 ____ household ____ monitoring utilities affected ____ malfunction?
 ____ tracking and ____ be disrupted ____?
 Is ____ failure disrupting ____ tracking ____ utilities?
 ____ it possible that ____ tools ____ disrupted by ____ in your ____?
 Did disruptions caused by ____ inefficiency ____ system affect ____ house?
 Are ____ monitoring utilities ____ by your ____?
 ____ possible that we ____ the typical ____ reporting ____ using because of ____ systems' problems.
 The ____ of ____ and ____ utilities utilized ____ be affected by the ____ systems.
 ____ your ____ systems ____ with ____ utility monitoring ____ reports?
 It's possible that we ____ typical ____ every household ____ been ____ because ____ the issues ____ your
 systems
 Does system ____ regularly ____ utilities?
 Household ____ disrupted ____ failures ____ inefficiencies
 ____ and ____ utilities used per ____ could ____ disrupted ____ of ____.
 Do you ____ that the household ____ monitoring utilities could ____?
 ____ system ____ affect ____ trackers per house till ____.
 Do you think the failure ____ of ____ systems ____ in ____ usage?
 ____ household tracking and reporting ____ the failures in ____?
 ____ in ____ utility usage ____ the failure of your ____.
 ____ there any disruptions ____ by inefficiency ____ your ____ trackers per ____?
 Is ____ inefficient mechanisms ____ household's ____ tracing ____?
 ____ and reporting utilities ____ by your systems?
 Is it ____ that ____ failures ____ inefficiencies ____ your systems ____ regular ____ and reporting utilities?
 ____ your ____ and ____ household tracking and ____ utilities?
 Do ____ utilities are ____ your systems issues?
 Does the ____ within your systems ____ utility ____?
 Is ____ our household ____ reporting ____ are disrupted when your ____?
 Do insufficient and ____ of your systems ____ house-tracking ____?

Did your _____ household tracking _____?
 _____ your system _____ usual _____ and reporting tools _____ homeowners?
 _____ failures within your systems _____ efforts _____ homes?
 Is it possible that _____ will _____ utility _____ at _____?
 _____ there _____ chance of _____ issues _____ to _____ reports?
 _____ usual _____ homeowners may be caused by system issues.
 Do _____ failures _____ inefficiencies ruin _____ reporting _____?
 _____ it _____ are interfering _____ the standard home utility measuring _____?
 Do you _____ that _____ household _____ utilities could _____ disrupted by _____?
 _____ you _____ if malfunction in your _____ will affect _____ and _____ per _____?
 Do household tracking and _____ tools _____ disrupted _____ of _____?
 Tracking and reporting _____ could be _____ because _____ the _____ in _____.
 _____ tracking _____ affected _____ in your systems?
 _____ possible _____ your systems are _____ leading _____ household utility tracking _____ reporting?
 Do _____ your systems _____ could cause _____ in the _____ usage _____?
 _____ possible that we _____ typical tracking _____ reporting _____ because _____ the _____ systems.
 _____ chance _____ malfunctioning systems can _____ to utility reports?
 _____ your _____ affect _____ household's reporting _____?
 _____ your _____ messing _____ your household utility _____?
 Is _____ that _____ in your _____ are _____ track home- related utilities?
 Are _____ in _____ and reporting due to _____ systems' _____?
 _____ system failures _____ inefficiencies affect _____ and _____?
 _____ household _____ by failures?
 Are _____ faulty _____ messing _____ our _____ utility _____ reports?
 _____ your inefficient/faulty systems cause problems _____ records?
 Does _____ failure _____ inefficiency _____ your _____ to delays in monitoring _____?
 _____ tracking and reporting utilities _____ your systems' _____?
 Are the household's _____ and _____ by failures _____ systems?
 Is it possible _____ your _____ inefficiency _____ household _____ and _____?
 _____ there a chance that _____ glitch might _____ access _____ at _____?
 Is the inefficiencies _____ household _____?
 _____ you _____ if there are any disruptions in _____ system _____ trackers _____?
 Is system inefficiencies _____ disruptions in _____ household _____ and _____?
 _____ the _____ of _____ possibly lead _____ delays in monitoring utility _____?
 Are _____ systems messing _____ household utility _____?
 Is the _____ of _____ your _____ tracking _____ reporting tools?
 _____ or poor efficiency is _____ our household tracking _____ reporting services?
 Is _____ failures _____ inefficiencies causing _____ utility reporting?
 Is it possible _____ standard _____ utility _____ are _____ interfered _____ faulty system _____?
 It's possible that _____ the _____ reporting tools every _____ been _____ on because of _____ with your
 Is _____ disruptions _____ household tracking _____ caused by the _____ your _____?
 _____ household utility tracking and reporting can _____ disrupted _____ failures?
 Problems _____ your system affect _____ house _____ date.
 Is it _____ your system are making it _____ to _____?
 _____ it _____ that inefficient mechanisms _____ from using _____ conventional tracing _____?
 _____ possible that _____ flaws within _____ systems _____ are _____ it difficult to _____ utilities?
 _____ tracking _____ at _____ might _____ by failures within your _____.
 Do failures _____ your _____ to track utilities?
 Do household tracking and _____ because _____ inefficiency of _____ systems?
 _____ and reporting _____ used per _____ be _____ by _____ efficiency in _____ systems.

_____ and inefficiencies affecting _____ reporting and _____ utilities?

_____ possible that household's tracking _____ reporting tools are _____ failures?

_____ systems messing up your _____ utility _____ reports?

_____ the _____ could be disrupted _____ to your systems malfunctioning?

_____ it a _____ that home utility _____ mechanisms _____ faulty _____ operations?

Are _____ usual _____ and _____ tools _____ system issues?

_____ reporting affected by system _____?

_____ your household utility monitoring _____ reports _____ your _____ systems?

_____ possible that _____ failure or _____ are causing disruptions _____ your _____ utilities?

_____ household tracking and _____ failures in your _____?

_____ possible _____ failures of your systems _____ messing up _____ and _____ utilities?

Is it _____ the _____ standard _____ are being _____ by _____ in your _____?

_____ there _____ in your system messing _____ and _____?

_____ it _____ that faulty system operations are _____ home _____?

_____ it because of problems _____ your _____ we _____ the typical _____ tools?

_____ possible that _____ is _____ disruptions in the _____ of utilities?

_____ monitoring utility usage can _____ caused by _____ or _____ of _____.

Is _____ disruptions in _____ and reporting _____ per household?

_____ tracking _____ disrupted by your system's _____?

_____ systems _____ are affecting _____ tracking and reporting utilities used per house?

Is it possible _____ household's standard tracking _____ tools are _____ by _____?

Could household _____ be _____ system _____?

Are _____ in _____ systems _____ the disruptions _____ the regular _____ reporting of _____?

_____ possible that _____ the _____ tools we've been using because _____ problems _____ your systems.

_____ that your _____ causing household _____ and reporting to be disrupted?

We _____ typical tracking and reporting _____ household has been _____ because _____ problems with _____.

_____ malfunctioning _____ disrupting household utilities _____?

_____ household _____ by failures _____ inefficiencies?

Tracking and _____ per _____ disrupted _____ to lack of efficiency _____ systems.

The _____ tracking and _____ utilities _____ household up until this _____ may _____ by flaws in _____.

Is _____ or inefficiencies that _____ in household reporting _____?

_____ being _____ inefficiencies in your systems?

_____ it _____ flaws _____ your _____ it harder to track home _____?

_____ possible that _____ and reporting is _____ by the _____ inefficiency of _____ systems?

_____ there _____ in your _____ that affect _____ trackers?

Do system failures _____ utilities?

The household tracking _____ reporting _____ may _____ disrupted _____ the _____ systems.

Did _____ disrupt household _____ and _____?

_____ any disruptions caused by _____ your _____ utility _____ per _____?

_____ utility tracking _____ reporting _____ to your systems' _____ or _____?

Does the inefficiency of _____ systems _____ the regularity _____ reporting _____?

The household's _____ and reporting tools _____ be _____ by _____ systems.

Is your _____ and causing issues _____ reporting utilities _____?

Have there _____ household utility usage _____ because _____ inefficient/faulty _____?

Is _____ disruptions _____ household tracking?

Are household utility tracking and _____ your _____ or _____?

_____ the _____ and reporting _____ disrupted _____ to your _____ efficiency?

_____ it possible _____ the flawed _____ interfering with the _____ measuring _____?

Do _____ and reporting utilities _____ disrupted _____ issues?

Do _____ the _____ and _____ tools used by homeowners?

Have you disrupted ____ household's _____ due to your _____?

____ the inefficiency _____ issues in household _____ and tracking?

____ failures _____ monitoring _____ reporting utilities.

Is _____ possible _____ system _____ disrupting _____ utility reporting?

Do your _____ household _____ and _____?

____ possible _____ your system's failure _____ disrupting _____ reporting _____ tracking?

____ system issues causing problems _____ usual _____ reporting tools?

____ inefficient/faulty systems _____ household _____ usage _____?

____ and reporting _____ may be disrupted by _____ efficiency in _____.

____ it possible that _____ within _____ hard _____ you to track _____ utilities?

Is _____ system messing with the _____ reporting?

____ it _____ that _____ failure or _____ efficiency is leading _____ in our household _____ services?

Is _____ that inefficient _____ have hindered _____ conventional _____?

____ and _____ utilities affected _____ the flaws or shortcomings _____ your system?

Is there any _____ in _____ system _____ the _____ trackers _____?

Do _____ failures _____ inefficiencies cause _____ household _____?

Does _____ and reporting _____ because _____ the _____ of _____ systems?

Is there _____ efficiency _____ lead _____ disruptions in household _____ procedures?

____ know if _____ systems _____ the _____ and reporting utilities _____ per _____.

Maybe it's because of _____ with your _____ we _____ the typical _____ reporting tools that _____ has _____

Is _____ tracking _____ by your _____?

Are _____ system _____ household _____ reporting?

System _____ may affect _____ of utilities.

____ the _____ utility usage _____ disrupted by _____ systems?

Is it possible _____ your systems' _____ poor efficiency _____ disrupting _____ services?

Is _____ household utility _____ and _____ could _____ by your systems' _____?

____ in _____ causing disruptions in _____ and _____ reporting?

Is it system failures _____ inefficiencies _____ havoc in _____ and _____?

____ you know _____ any malfunctioning _____ affecting the _____ reporting _____ per house?

____ your _____ cause _____ in household utility usage _____?

Do _____ in your _____ affect _____ utility _____?

Is it _____ failure is causing disruptions _____ regular _____ of _____?

____ tracking _____ reporting utilities can _____ by failures _____ system.

Is _____ efficiency in _____ systems _____ the _____ of utilities?

____ that _____ malfunction _____ systems could cause problems with _____ monitoring utilities?

Do you _____ if malfunctioning systems are affecting _____?

____ household tracking and reporting _____ failures _____ your systems?

Can household tracking and _____ disrupted _____ the _____ in _____?

____ tracking and _____ be disrupted due _____ your system?

____ household tracking _____ reporting _____ suffer _____ your system?

Do you _____ your _____ could cause problems _____ monitoring utilities?

____ your _____ been _____ household utility monitoring and reports?

Are your systems _____ tracking _____?

Do _____ inefficiencies _____ havoc _____ everyday household _____ utilities?

Does the _____ of your _____ cause _____ and _____ utilities?

____ reporting tools used _____ may _____ due _____ system issues.

____ lack of efficiency _____ your systems could _____ tracking _____.

____ it _____ your systems' _____ or _____ causing _____ used per household?

Has the _____ tools _____ disrupted _____ your inefficiency?

Do _____ reporting utilities use _____ by your _____ issues?

It _____ that _____ failure _____ inefficiency is causing _____ in tracking _____ reporting _____.

_____ possible that _____ household _____ reporting services are disrupted _____ inefficiency?

_____ tell me if your systems get _____ the _____ of _____ and _____?

_____ possible that flaws in _____ systems _____ making it _____ to _____?

_____ you think _____ household _____ monitoring utilities could _____ by _____ malfunction?

Do you know _____ malfunctioning _____ affecting the _____ and reporting _____ used _____?

Is the _____ your _____ disruptions in the _____ of utilities?

Is _____ that there are _____ these systems that _____ for accurate _____ utilities _____ residence?

_____ we _____ use _____ typical tracking _____ tools that we've _____ using because of the _____ with _____

_____ you _____ systems are _____ the _____ and reporting _____ per house?

Do _____ system's _____ and reporting _____?

_____ disruptions _____ reporting utilities _____ by your systems _____?

_____ household _____ reporting utilities experience _____ of _____ systems?

_____ the usual tracking and _____ tools used by _____ issues?

_____ household tracking _____ disrupted _____ of _____ system failure or _____?

What _____ failures in your _____ cause _____ household _____ reporting utilities?

Does the _____ of your _____ lead to _____ monitoring _____?

_____ chance that _____ operations _____ with the standard home _____ measuring mechanisms?

_____ you _____ any _____ in _____ system _____ affect _____ trackers _____ house?

Is it possible that _____ malfunctioning _____ causing problems in _____ reporting?

Delays in monitoring utility _____ may _____ caused by the _____.

_____ any _____ your _____ utility tracker per house _____ date?

_____ or inefficiencies causing havoc _____ tracking and _____ utilities?

_____ in the _____ affect utility trackers _____ house?

_____ tracking and reporting _____ by your inefficiency?

Is _____ that _____ failures _____ inefficiencies of _____ systems are messing with _____ tracking _____?

The inefficiency _____ your _____ reporting.

Do _____ failures affect household _____?

Is _____ possible that home _____ mechanisms _____ with by _____ system _____?

Did _____ failures _____ system cause _____ disruptions in _____ reporting utilities?

_____ your _____ cause _____ our household's reporting tools?

Is _____ malfunction _____ your _____ the _____ and reporting utilities _____ per _____?

_____ you _____ household usage monitoring _____ could _____ due to _____ systems _____?

_____ it possible that our usual _____ and _____ are _____ of your _____?

Is _____ inefficiency in _____ up the tracking _____?

Does system _____ regular _____ and _____ of _____?

Is this possible _____ household _____ utilities _____ system failures?

_____ you _____ the household usage _____ utilities _____ be disrupted _____ malfunction?

Is it _____ our _____ household tracking and reporting services _____ disrupted _____ your systems' _____?

_____ your _____ messing up household _____ monitoring _____ reports?

_____ household tracking _____ reporting _____ suffer _____ or inefficiencies?

_____ your _____ messing up _____ reporting?

Do system _____ cause _____ in household _____ reporting?

The _____ procedures are disrupted so _____ of _____ problems _____ your _____.

Does _____ poor efficiency _____ tracking _____ reporting tools?

Have you _____ problems _____ our household's tracking _____?

Do you think the _____ monitoring utilities could _____ malfunction?

Is _____ your systems failure is causing _____ reporting?

_____ possible _____ regular household monitoring _____ is affected by _____?

Do _____ failures _____ and utilities?

_____ household _____ and reporting utilities _____ disrupted _____ your _____?
 Are household tracking _____ disrupted by _____?
 Is there _____ that malfunctioning systems _____ affect _____ utility _____?
 _____ and tracking disrupted _____ systems _____?
 Is _____ possible that our _____ tracking and reporting services are _____ by _____?
 _____ the _____ and reporting utilities in your _____ by _____ flaws _____ your _____?
 _____ in monitoring utility _____ be _____ the _____ or _____ of _____ systems.
 Could _____ be _____ standard tracking _____ tools _____ by _____ in your systems?
 _____ possible that your systems' _____ leading to _____ in _____ reporting?
 Is it possible _____ tracking services are _____ because _____ your systems' _____?
 Utility tracking _____ at _____ can be _____ by _____ your _____.
 Is _____ household utility _____ and _____ to _____ systems?
 Do _____ or failures within your _____ affect _____?
 _____ it likely that inefficient _____ tracing _____?
 _____ utility _____ efforts at _____ are _____ by _____ in _____ systems?
 _____ household _____ tracking procedures disrupted due _____ problems _____ your systems _____?
 _____ it _____ that our household _____ and reporting _____ disrupted by _____ systems' _____?
 _____ system failures _____ in _____ reporting _____ utilities?
 _____ your poor _____ our household's _____?
 _____ that _____ standard _____ and reporting _____ are disrupted by failures within _____?
 _____ system inefficiencies causing disruptions _____ utilities _____ reporting and _____?
 Is it possible that the inefficiency _____ systems _____ household _____?
 _____ think _____ systems _____ affecting tracking _____ reporting _____ used per _____?
 _____ you think your flawed _____ messing up _____ reports?
 Is _____ possible _____ inefficiencies in _____ system _____ messing up _____ tracking?
 _____ it possible _____ household _____ and _____ have been disrupted by _____ failure?
 Do household _____ and reporting _____ disrupted _____ systems _____?
 Does the _____ inefficiency _____ systems have _____ impact on the monitoring _____?
 _____ possible _____ system failures are _____ monitoring?
 Are _____ utility _____ records disrupted _____ or faulty _____?
 _____ there _____ your system _____ tracking?
 The regular tracking and _____ utilities _____ could _____ by the failures _____ inefficiencies _____ systems.
 _____ the performance _____ your systems could _____ turmoil _____ for domestic utility _____.
 Are household tracking _____ utilities _____ by the _____ of _____?
 It's possible _____ can't use the typical tracking and reporting _____ household _____ using due _____.
 _____ messing with _____ utility reports?
 _____ system _____ problems with _____ tools used by homeowners?
 Do _____ know _____ malfunction in your _____ are _____ the tracking _____ utilities _____?
 Does _____ failure or inefficiency _____ your _____ delays _____ of _____ usage in _____ premises?
 Is it _____ your _____ disrupting household tracking and _____?
 Do _____ systems' _____ can _____ problems _____ household usage _____ utilities?
 Have _____ caused _____ with _____ reporting tools?
 _____ monitoring utilities _____ be affected by your systems _____?
 Are _____ faulty aspects of _____ systems _____ of _____ in using _____ accurately?
 _____ and reporting utilities _____ households _____ the lack of efficiency _____ your _____.
 System _____ could _____ effect on _____ tracking _____.
 _____ it possible that _____ tracking and _____ by _____ failure or inefficiency?
 Is _____ systems are not up _____ accurately recording related utilities _____?
 _____ know if _____ messing up household _____ monitoring and reports.
 Problems _____ performance of your systems _____ cause turmoil _____ usage norms _____.

Is it ____ that ____ inefficiency is ____ used per household?
 ____ possible ____ household tracking ____ services are ____ to your systems failure?
 ____ the flaws in your system ____ utilities ____?
 ____ your ____ flaws affecting ____ reporting ____ tracking ____ home?

Is household ____ disrupted ____?
 ____ poor ____ any disruptions in our tracking and ____?
 ____ it ____ that your systems' ____ leading to ____ household ____ reporting services?
 ____ failures ____ regular reporting and ____ of ____?
 ____ possible ____ your ____ failure or ____ efficiency ____ leading ____ household ____ and tracking services?

Tracking and reporting utilities used per ____ may ____ efficiency.
 ____ in regular tracking and reporting utilities ____ per ____ your systems' ____ or ____.

Did your ____ efficiency cause ____ problems in ____ tools?
 Do your ____ utility ____?
 ____ failure could have ____ impact ____ tracking ____.

Do failures ____ systems ____ tracking ____?
 ____ your system ____ affect the ____ tools used by ____?
 ____ inefficiencies make ____ tracking and reporting difficult?

Is ____ possible that ____ within your ____ it ____ to ____ utilities?
 Household ____ and reporting ____ may ____ affected by ____ failures ____.

Do ____ any ____ in your systems ____ affecting ____ and ____ utilities ____ house?
 ____ we ____ typical tracking ____ tools ____ have been relying on because of ____ problems ____ your
 systems

Have ____ caused ____ problems ____ the ____ and ____ tools?
 Problems ____ the ____ could ____ management of ____ usage.

Is it possible that ____ because of the ____ of ____ systems?
 Is it likely ____ tracing ____ hampered ____ inefficient ____?
 ____ wonder if household tracking ____ reporting utilities ____ disrupted ____ inefficiency?

Do household tracking and ____ tools ____ to ____ inefficiency ____?
 It is possible ____ can't properly use the typical tracking ____ reporting ____ using ____ of ____ problems
 your ____

It ____ standard tracking and ____ are ____ because of ____ in ____ systems.
 ____ reporting ____ used ____ household might ____ disrupted ____ your ____ are not ____.
 ____ efforts at households can be hampered ____ failures ____.

____ failures ____ household monitoring ____ utilities?
 ____ there any disruptions ____ tracking and reporting utilities ____?
 ____ your ____ systems ____ household utility monitoring ____ reports?
 ____ it ____ that the ____ shortcomings ____ your systems are affecting ____ tracking and reporting ____?

Does ____ of ____ cause ____ in monitoring utility ____ within residential ____?
 ____ it possible that ____ mechanisms ____ household's existing ____?
 ____ there ____ in ____ system ____ have ____ utility ____ per house?
 ____ your systems' failure or inefficiency is causing ____ in the reporting ____.

Maybe it's ____ of ____ systems that we can't use ____ typical ____ and reporting ____ been
 ____ household's tracking and ____ are disrupted because ____ failures in ____ system?
 ____ household tracking and ____ disrupted ____ your ____?
 ____ the ____ in your systems ____ the ____ in the ____ tracking and ____?

Could system failure ____ household tracking ____?
 The ____ tracking and ____ tools used ____ homeowners could be ____ your ____.
 ____ inefficiency have an effect on our ____ tracking ____?
 ____ or inefficiencies ____ household tracking and ____ utilities?
 ____ problem with ____ household tracking ____ reporting utilities?
 ____ know if ____ systems are ____ tracking ____ utilities ____ your house?

_____ in _____ utility _____ within _____ premises may be _____ the failure _____ your _____.
 Are disruptions _____ and reporting _____ systems failure _____ inefficiency?
 _____ it _____ our _____ tracking and reporting services _____ interrupted _____ to your _____?
 _____ your system's failure _____ tracking?
 _____ the failure _____ inefficiency _____ affect _____ reporting and tracking?
 _____ systems failing _____ causing problems _____ utilities?
 It is possible that _____ systems' _____ is _____ utility tracking _____ reporting.
 Does _____ malfunction in _____ tracking _____ reporting utilities _____ per house?
 _____ there are problems _____ home _____ mechanisms due _____ faulty system operations?
 Is it possible _____ quirks could _____ access to essential _____?
 _____ it possible _____ system issues are _____ problems _____ usual _____ tools _____ by _____?
 Are there any efficiency _____ are _____ so far?
 Is there a reason for disruptions in _____ by _____?
 Your systems _____ messing _____ utility monitoring _____?
 _____ it possible _____ tracking and _____ are malfunctioning?
 _____ usual reporting and tracking _____ be _____ result _____ your system _____.
 Is _____ possible that _____ reporting tools are _____ due _____ system _____?
 Do household _____ usage _____ problems due _____ inefficient/faulty _____?
 _____ flawed _____ messed _____ usual utility _____ and reports?
 Is your system _____ or inefficient _____ my household's _____?
 Are _____ household _____ tracking and reporting _____ to _____ or inefficiency?
 Is _____ that the _____ failures _____ affecting the _____?
 _____ it _____ that _____ system _____ interfering _____ utility measuring mechanisms.
 _____ system failures or inefficiencies _____ in household _____?
 _____ it possible _____ your _____ are _____ disrupting household reporting _____ services?
 _____ inefficiency _____ your systems potentially cause delays _____ monitoring _____?
 _____ used _____ household could be _____ your systems' _____ or inefficiency.
 Did _____ inefficiencies in your _____ cause _____ the reporting utilities _____ by _____?
 _____ possible _____ our household _____ and _____ are _____ because of your _____ failure?
 Will disruptions caused by _____ inefficiency _____ your _____ tracker per _____?
 Is _____ possible _____ flaws _____ your systems _____ difficult to track _____ utilities?
 _____ system _____ affect _____ tracking _____?
 Is _____ regular _____ and reporting?
 _____ regular _____ and _____ utilities _____ households _____ be _____ the failures or _____ of your systems.
 _____ it possible the _____ reporting tools are _____ failures in _____ systems?
 Does the _____ of _____ systems _____ to track and _____ household _____?
 Is the _____ of _____ affecting household tracking _____?
 _____ have system failures _____ tracking and reporting _____?
 _____ there _____ in _____ that are messing _____ the _____ reporting?
 _____ reporting and tracking tools being _____ by _____ system _____?
 Is household reporting _____ by your _____?
 _____ system failure _____ and _____?
 Is it _____ that _____ be disrupted by your systems' _____?
 Is there _____ failures _____ household _____ utilities?
 Is system _____ hurting reporting _____?
 Is _____ possible that a system glitch _____ access _____ reports _____?
 Do _____ know if malfunctioning _____ are _____ utilities _____ per _____?
 _____ your flawed systems _____ utility monitoring?
 Is _____ measuring mechanisms _____ being interfered with because of _____ system _____?
 _____ inefficiency of _____ may _____ to delays in monitoring utility _____.

_____ your flawed _____ with _____ utility reports?

It's possible that we _____ and _____ tools _____ of the problems _____ your _____.

_____ the _____ of your systems _____ disruptions _____ household usage monitoring _____?

Is our household's _____ disrupted by your _____?

Do system _____ inefficiencies _____ tracking and _____ utilities?

_____ failures affecting household _____ reporting?

Is _____ that _____ in your _____ household's standard tracking _____ tools?

_____ that your systems' _____ or inefficiency _____ causing _____ the reporting of _____.

_____ system failure preventing _____ reporting _____ of _____?

_____ it possible _____ household tracking _____ reporting _____ are disrupted _____ of _____ systems failure _____?

Is system _____ affecting _____?

Is _____ chance _____ system problems preventing regular _____ utility _____?

Is _____ that your systems' _____ is _____ reporting and tracking?

Is _____ failure disrupting _____ and _____?

Is _____ tracking _____ reporting _____ by the _____ your _____?

Is _____ efficiency of _____ tools _____ system failures?

Is _____ tracking/ usage _____ inefficiencies _____ your _____?

Do _____ and _____ utilities be disrupted _____ your _____?

It's possible that we _____ tracking _____ we have been _____ of the _____ your systems.

_____ make _____ hard for homeowners to use the _____ and _____ tools?

_____ with _____ usual _____ tools _____ be caused by _____ issues.

Will household utility _____ be _____ efficiency _____ in your _____?

Is _____ possible _____ our household _____ reporting services _____ been disrupted _____ failure?

Are _____ having issues with _____ reporting _____?

Problems _____ the usual reporting _____ tools used _____ may _____ your system _____.

_____ or _____ your systems affect utility tracking _____?

Is there _____ disruptions _____ that affect _____ trackers _____ house till _____?

Do failures or _____ tracking efforts _____?

Problems _____ your _____ disrupt _____ tracking and reporting _____.

_____ possible that the faulty _____ are interfering _____ the _____ utility measuring _____?

Does the inefficiency or _____ of your _____ lead _____ monitoring _____?

Are _____ disrupted by your _____ or failure?

_____ tracking procedures _____ been disrupted so far _____ to _____ problems in _____.

Does _____ your systems _____ to _____ in monitoring utility _____ in _____?

Is _____ that _____ could cause disruptions in _____ household _____ utilities?

_____ household tracking and reporting utilities suffer _____ the _____?

_____ know if _____ affecting _____ reporting utilities used per house.

Is _____ system messing _____ household _____ monitoring _____ reports?

_____ household utility tracking _____ disrupted _____ efficiency problems?

Were system _____ causing havoc in _____ utilities?

Is it _____ that inefficient _____ hampered _____?

Is _____ that _____ of these systems poses challenges _____ recording of _____?

Do _____ failures _____ utility reporting?

_____ possible that _____ mechanisms impeded _____ tracing _____?

_____ aspects of your _____ can disrupt the _____ house- _____ resources.

_____ it possible _____ utility tracking and reporting _____ disrupted by _____?

Do _____ system's _____ your _____ of utilities at _____?

Is it _____ that _____ tracing facilities _____ inefficient mechanisms?

Do _____ flawed _____ up _____ utility monitoring and _____?

Is _____ system _____ reporting _____ tracking?

_____ household _____ and _____ utilities _____ failures or inefficiencies?

Is system _____ tracking _____ utilities?

_____ inefficiency of your systems _____ problem _____ household _____ reporting _____?

Is _____ flaws _____ systems are making _____ difficult _____ track _____ utilities?

_____ your _____ malfunctioning _____ causing _____ with _____ utilities?

Is _____ a problem _____ tracking and _____?

Are _____ utility usage records _____ because _____?

The disruptions in the _____ and reporting _____ used by households _____ be caused _____ your _____.

_____ disrupted our household's reporting and _____ tools due _____?

Did _____ systems _____ household _____ monitoring and reports?

Is _____ possible that your _____ tracking _____ systems are _____?

_____ household tracking _____ by _____ systems?

It might _____ because _____ with your _____ that we _____ properly _____ the _____ and reporting tools _____ has _____ on

_____ wonder if _____ disrupt _____ tracking and reporting?

Your _____ failure or inefficiency may _____ causing _____ in _____ reporting _____ used _____.

_____ be that household's _____ tracking and _____ are _____ by _____ your systems.

_____ you _____ systems' _____ could cause disruptions _____ the _____ usage _____ utilities?

_____ failures _____ household reporting _____?

Is it _____ household utility tracking and _____ be _____ because _____ your _____?

Are _____ failures affecting _____?

Is it possible _____ your _____ or _____ causing disruptions in _____ utilities?

_____ your _____ disrupting household _____?

Is it possible _____ failure of _____ to _____ in household utility reporting _____?

could _____ affect _____ efficiency of _____ tracking _____

_____ systems' failure _____ causing the disruptions _____ utilities?

_____ failures _____ inefficiencies causing _____ household reporting and _____?

Does _____ and _____ aspects of your _____ disruptions when using _____?

_____ in _____ systems _____ disruptions _____ tracking and reporting utilities used _____ households?

_____ there _____ chance that malfunctioning systems _____ affect _____ to _____ reports _____?

_____ failure _____ havoc in everyday household _____ reporting _____?

Is _____ operations _____ affecting standard _____ utility measuring mechanisms?

Is it possible _____ and _____ are making it hard _____ utilities?

_____ it _____ failure is _____ in _____ utilities used per household?

_____ it possible that _____ household's _____ reporting tools _____ disrupted _____ your _____?

Might _____ failure _____ of household tracking _____?

Could the use _____ household _____ system failure?

_____ you _____ systems disrupt _____ tracking and _____?

Have _____ inefficient/faulty _____ caused _____ in the household _____?

The _____ tracking and _____ by homeowners _____ have problems due to _____.

_____ that _____ your systems that are making _____ difficult to track home-related _____?

System failure _____ the _____ of _____ tracking _____

Do _____ and reporting utilities _____ to your systems' _____?

_____ the _____ of _____ the _____ delays in monitoring utility usage?

_____ it possible _____ in your _____ are messing with _____ and _____?

Is it _____ failure is _____ household _____ and reporting?

_____ that household tracking _____ reporting _____ disrupted _____ the _____ in your systems?

_____ systems interfered with _____ household utility _____?

Is it possible _____ problems _____ access _____ utility _____?

Problems in _____ system _____ the utility _____ per _____.

_____ utility _____ at households _____ hampered by failures _____ your _____.

____ it possible ____ monitoring and reporting are being ____ by ____ ?
 It's ____ that ____ properly ____ the tracking and ____ tools ____ household has ____ using ____ the ____ your systems
 Have ____ inefficient ____ with ____ utility usage ____ ?
 ____ systems ____ disruptions ____ household's reporting ____ utilities?
 Did ____ disruptions to ____ system affect ____ house?
 Are ____ reporting disrupted ____ system's ____ or inefficiency?
 ____ failure ____ regular reporting ____ tracking ____ utilities?
 Is ____ possible our household tracking and ____ are ____ by ____ systems' ____ ?
 Are ____ tracking and ____ utilities affected ____ inefficiency?
 ____ household tracking ____ reporting ____ by ____ system's ____ ?
 ____ there ____ disruptions ____ system affecting utility ____ house?
 Were ____ or inefficiencies ____ in ____ reporting and tracking ____ ?
 ____ the failures in your ____ cause disruptions ____ tracking ____ ?
 Is system failures ____ havoc ____ household reporting ____ ?
 ____ it ____ systems' inefficiency or failure is causing disruptions in ____ and ____ ?
 ____ your ____ systems ____ utility usage ____ ?
 ____ your inefficient/faulty systems ____ problems in the ____ ?
 Is ____ inefficiencies and disruptions in ____ and ____ capabilities?
 ____ it possible that ____ tools ____ disrupted ____ failures in ____ ?
 ____ to ask ____ systems ____ in the way of ____ and reporting
 ____ properly use ____ tracking ____ reporting tools every household ____ been relying ____ because ____ problems ____
 your ____
 Do ____ your systems affect ____ tracking efforts?
 How could ____ efficiency of household ____ tools?
 Problems ____ tracking and reporting ____ may ____ by your system ____ .
 ____ you thought about ____ of ____ tracking and ____ utilities used ____ house?
 Is ____ that household's standard tracking and ____ of failures in ____ ?
 Do ____ think the ____ could ____ problems ____ the household ____ monitoring ____ ?
 Problems in ____ performance of ____ be causing ____ usage ____ for ____ utility ____ .
 ____ it possible that ____ and ____ are disrupted because of ____ failure or ____ ?
 Monitoring ____ reporting utilities used ____ could ____ disrupted due to ____ .
 Disruptions in ____ procedures ____ because ____ efficiency problems ____ your systems.
 Do ____ your ____ interfere ____ household ____ and tracking?
 Is it ____ tracking and ____ tools ____ disrupted ____ failures?
 Are there ____ to ____ system ____ affect ____ trackers ____ house?
 ____ you ____ that the ____ systems could cause trouble ____ the ____ usage ____ ?
 Are ____ in tracking ____ reporting caused by ____ ?
 ____ there any disruptions ____ affected the ____ trackers per ____ ?
 ____ there any ____ that ____ household utility tracking ____ ?
 ____ or ____ in ____ systems affect your ____ tracking ____ ?
 Did ____ poor efficiency ____ disruptions to our tracking ____ ?
 Monitoring and reporting utilities ____ be ____ due to ____ systems' ____ inefficiency.
 ____ system ____ affecting regular reporting ____ ?
 Does ____ inefficiency ____ your ____ problems ____ household reporting and ____ ?
 Does the ____ or ____ of ____ systems ____ monitoring of utility ____ in ____ ?
 ____ system ____ or inefficiencies causing havoc ____ tracking ____ reporting ____ ?
 Is there a ____ reporting ____ are ____ by system failures?
 ____ it's ____ your ____ we can't use ____ typical tracking and reporting ____ .
 Is ____ utilities affected ____ the ____ or weaknesses of your system?
 With the usual tracking ____ tools ____ are ____ system ____ causing ____ ?
 Is it ____ that there ____ these ____ it ____ record utilities per residence?

_____ an issue _____ is _____ home tracking and _____?

Disruptions in _____ be caused by _____ systems failure or _____.

_____ it possible that _____ are _____ the _____ home utility _____ mechanisms?

Is _____ possible _____ utility _____ and _____ to your systems' inefficiency?

Do _____ systems are impacting the _____ utilities used _____ your house?

_____ monitoring utility _____ from the failure _____ your systems.

Do _____ systems _____ disruptions for _____ and _____ utilities?

_____ make our household _____ monitoring _____ reports unreliable?

The _____ tracking _____ utilities used per _____ be _____ by the _____ or shortcomings _____ systems.

Have _____ issues caused problems _____ reporting and tracking tools _____?

Have _____ utility usage records _____ disturbed _____ inefficient _____?

_____ inefficiency affected _____ tracking _____ reporting tools?

_____ you wonder _____ household _____ and _____ are disrupted by _____ failure?

Is it _____ inefficiencies _____ your _____ up _____ tracking and reporting?

Do the _____ your _____ cause the disruptions in _____ and reporting _____?

_____ it _____ that household _____ and reporting _____ are _____ system failures?

Is _____ possible _____ are affected _____ system failures?

_____ possible _____ your systems' _____ or _____ is _____ in tracking _____ reporting utilities used _____ household.

_____ records been disrupted by inefficient/faulty _____?

_____ it _____ that there _____ flaws within your _____ make _____ difficult _____ utilities?

_____ likely _____ in _____ systems are making it difficult _____ track _____?

_____ it _____ in _____ systems _____ making _____ harder _____ track home-related utilities?

Are _____ any disruptions in _____ utility tracker per _____?

_____ you _____ if _____ are _____ in _____ system that _____ utility tracker _____?

_____ household tracking _____ reporting utilities _____ disrupted _____ systems _____?

It is possible that household's _____ reporting _____ are _____ disrupted _____ your _____.

_____ it _____ that _____ pose _____ for recording related _____?

_____ failures _____ inefficiencies _____ and usage?

Does _____ your systems affect household tracking _____?

Tracking and reporting _____ per household _____ be _____ systems.

Is _____ reporting _____ disrupted _____ caused _____ utilities/systems?

Did any disruptions to your _____ house?

_____ reporting _____ disrupted because of your _____ failure?

_____ the _____ and tracked _____ due _____ your _____ or failure?

Are _____ disruptions in your _____ affect your _____ tracker _____?

_____ system malfunctioning, or _____ reporting?

_____ the failures _____ systems cause disruptions _____ and reporting _____?

Is _____ tracking and reporting utilities _____ the _____ of your _____?

The _____ utility _____ have _____ so far _____ of efficiency problems within _____.

_____ household _____ disrupted by your system's failure?

Is it possible that _____ system _____ with standard _____ measuring _____?

_____ household usage monitoring _____ by _____?

_____ the inefficiency _____ failure _____ your systems could lead _____ usage?

_____ it _____ that your systems' failures _____ disrupting _____ tracking _____?

Are household _____ and reporting _____ by _____ failures _____?

_____ in your system are messing with _____ and reporting?

Is it _____ inefficiency _____ tracing _____?

_____ the problems with your _____ we can't _____ tracking and _____ tools we've _____ using.

_____ possible that _____ systems are malfunctioning _____ causing _____ in household _____ reporting?

Did the _____ in your systems _____ in _____?

Have _____ disruptions in our household's _____ and _____ caused _____ ?
 inefficiencies in _____ could be messing with _____
 _____ failures and _____ in your _____ affect utility _____ ?
 _____ the inefficiency of _____ household tracking _____ utilities?
 _____ your system's flaws make _____ and _____ utilities _____ home?
 _____ it possible that our _____ tracking and reporting services _____ interrupted _____ poor efficiency?
 _____ disruptions to our _____ tracking and reporting tools?
 _____ tracking _____ reporting utilities suffer if your _____ ?
 Is it _____ of _____ are _____ household monitoring and _____ ?
 Is your _____ flaws affecting _____ ?
 _____ and reporting _____ at _____ be interrupted _____ your system's _____.
 _____ it _____ that faulty _____ operations _____ with standard home _____ methods?
 _____ household's _____ tracking and _____ tools disrupted _____ failures _____ your systems?
 _____ the system cause _____ in _____ that _____ household _____ and reporting?
 _____ to be _____ for _____ recording _____ utilities _____ residence, until now?
 Is _____ inefficiency of _____ leading to problems with _____ and _____ ?
 _____ wonder _____ tracking and reporting tools _____ by _____ failures.
 _____ could _____ can't use the _____ tracking and reporting _____ we've _____ using because _____ problems _____ systems.
 Is it possible _____ standard tracking _____ disrupted _____ failures _____ the system?
 Are the _____ your _____ blame for the disruptions in the _____ ?
 _____ system _____ affect access _____ essential utility _____ at home?
 Have _____ disrupted the _____ utility usage _____ ?
 _____ possible that _____ household tracing services?
 _____ the inefficiency _____ systems _____ the effect of delays _____ utility _____ ?
 Is _____ regular household _____ and _____ ?
 Is _____ your systems' failure or inefficiency _____ in _____ tracking _____ reporting _____ ?
 _____ the inefficiency _____ failure _____ systems _____ delays _____ monitoring _____ usage?
 Is it possible _____ your systems' failure _____ disrupting _____ tracking _____ ?
 Are your system issues making _____ use _____ reporting _____ tracking _____ ?
 The _____ of _____ utilities _____ be impacted by _____ your systems.
 _____ possible that household's _____ reporting tools are disrupted _____ ?
 _____ systems caused _____ household _____ usage records?
 Will the _____ of _____ and _____ utilities _____ by _____ flaws or weaknesses _____ ?
 Are system _____ reporting and _____ ?
 _____ the failure or _____ of your systems affect _____ utility _____ ?
 Is it _____ or malfunctioning _____ systems are _____ difficult to _____ home related _____ ?
 _____ that's disrupting home tracking/reports?
 _____ your household _____ procedures disrupted _____ efficiency problems _____ your _____ ?
 _____ problems _____ the usual _____ and _____ used by homeowners?
 Do _____ know if _____ systems are affecting reporting _____ utilities _____ ?
 _____ it possible that _____ systems could _____ to _____ home?
 _____ the failure _____ of your _____ monitoring of utility usage _____ house?
 _____ it _____ that _____ systems are not _____ to _____ recording _____ per residence?
 Do _____ or weaknesses in _____ systems _____ homes?
 _____ flawed systems _____ with our _____ household utility _____ ?
 _____ system failures _____ reporting and _____ ?
 _____ possible _____ within these _____ pose _____ for accurate recording of _____ per _____ ?
 Does _____ of _____ systems _____ for _____ tracking _____ reporting utilities?
 Are household _____ and _____ disruptions _____ by the _____ your _____ ?
 Have your inefficient systems _____ with _____ household _____ ?

____ there ____ correlation ____ system ____ and disrupted ____ tracking and ____?
 ____ reliability ____ utilities ____ impacted by flaws in your systems?
 The ____ could ____ household tracking ____.
 Does ____ failure interfere ____ monitoring ____?
 ____ system ____ causing ____ in ____ that ____ reporting and tracking?
 Do you think your systems could cause ____?
 ____ possible that ____ systems ____ could ____ problems ____ the ____ monitoring utilities?
 ____ household ____ utilities ____ when your systems ____ issues?
 ____ systems' failure disrupt ____ tracking ____ reporting ____?
 Is ____ disrupting household reporting ____?
 ____ insufficient and faulty ____ your ____ cause disruptions in ____ resources?
 ____ possible ____ tracking and reporting ____ can ____ by failures in ____ systems?
 Is there ____ possibility that ____ operations ____ utility measuring mechanisms?
 The ____ in ____ tracking and reporting ____ by households ____ failures ____ in your systems.
 ____ there ____ between inefficiencies ____ the ____ disruptions in ____ and reporting?
 Is ____ possible that ____ tracking ____ utilities ____ affected ____ the inefficiencies ____ systems?
 ____ it possible that household's tracking ____ are ____ by ____ systems?
 ____ affect the efficiency of household tracking ____?
 ____ it possible ____ household's standard ____ and ____ tools ____ by ____ failures?
 Do ____ incomplete ____ utility tracking efforts ____ households?
 ____ your system failures ____ tracking ____ reporting ____?
 ____ failure could impact the efficiency ____.
 ____ your ____ and disrupting household ____?
 Does any malfunction in ____ systems ____ tracking ____ that ____ per house?
 Is ____ by inefficiencies ____ your ____?
 Is ____ that ____ household's conventional tracing facilities?
 Does ____ of your ____ to delays ____ utility usage?
 Is ____ that ____ tracking and reporting ____ are disrupted ____ your systems' ____ poor ____?
 ____ your systems cause disruptions ____ regular reporting ____?
 Have inefficient ____ problems ____ household ____ usage ____?
 Your ____ failure ____ inefficiency ____ in tracking and ____ utilities.
 Will household tracking and ____ be ____ failures of ____?
 Is it ____ that household ____ affected?
 ____ it ____ your systems are impacting ____ reliability of ____ reporting utilities?
 ____ it ____ the ____ of ____ systems is disrupting household ____ tracking?
 Did ____ system ____ cause problems with the ____ and ____ by ____?
 Did ____ inefficient/faulty systems ____ issues in household ____?
 The inefficiency of ____ systems ____ household ____.
 ____ that household utility ____ reporting is ____ due ____ your systems' ____?
 ____ the ____ of tracking and reporting utilities impacted ____ or ____ your ____?
 Is ____ that ____ usual household ____ and reporting services are ____ by your systems' ____?
 Does the inefficiency of your ____ cause ____ and ____?
 Could ____ your system ____ affecting ____ and reporting?
 Is it ____ that ____ systems' failure is ____ to ____ your household ____?
 Is ____ possible ____ household ____ reporting services ____ due to the ____ inefficiency of your ____?
 ____ it ____ the ____ standard ____ and reporting tools are ____ system ____?
 Are ____ usual ____ reporting tools used ____ because ____ your system issues?
 ____ reliability ____ tracking ____ reporting utilities utilized ____ could ____ impacted by ____ in ____.
 ____ failure affecting ____ of ____ tools?
 Is ____ inefficiencies ____ in everyday utilities that ____ capabilities?

Do household tracking _____ disrupted _____ inefficiency _____ systems?
_____ systems disrupt the _____ household _____ and _____ utilities?
Should _____ utility _____ procedures _____ disrupted _____ problems in your _____?
Is it _____ systems are affecting _____ tracking and _____ house?
Do _____ systems malfunction _____ household usage monitoring utilities?
Do household tracking _____ reporting _____ from _____ systems' _____?
Are there disruptions _____ that affect _____ trackers _____?
_____ that _____ failures are _____ household monitoring and utilities?
_____ insufficient _____ faulty aspects _____ your _____ to _____ using house- _____ resources correctly?
Is _____ that _____ tools are _____ by _____ failures?
Do you know if _____ affecting your _____ and _____?
There is _____ system failures are _____ household _____ and _____.
_____ possible _____ failures are affecting _____ household _____?
_____ if malfunctioning systems _____ affecting the tracking _____ reporting _____ by _____ house?
Are your systems _____ problems with reporting _____?
_____ your system issues _____ usual _____ tools used by _____?
Is it _____ that _____ systems' failure is _____ our _____ household _____ and reporting _____?
Is _____ issues _____ problems with _____ and reporting _____ used _____ homeowners?
Is system failure _____ efficiency _____ tracker _____?
_____ your _____ messing with the _____ stuff?
