 _____ is possible that _____ seen _____ incidents, _____ the _____ of system vulnerabilities by _____ with malicious _____ our _____ finances.
 Concerning the safety _____ our personal _____ have _____ shown _____ exploits due _____ vulnerabilities _____?
 Is it _____ are _____ systems _____ people's _____ financial matters?
 Have other _____ system vulnerabilities _____ were _____ attack _____ finances?
 Is _____ possible _____ other users _____ the _____ instances _____ exploited system vulnerabilities and _____ to their _____?
 Is there recent reports about _____ system _____ used _____?
 _____ other _____ implying system vulnerabilities _____ used to _____ our finances?
 There _____ reports of _____ vulnerabilities being _____ steal money from _____.
 _____ that _____ are exploiting vulnerable systemtargeting _____ financial matters has been _____.
 _____ have been _____ that _____ vulnerabilities _____ being abused to target _____.
 _____ user complaints come up _____ about security flaws _____ by _____?
 Is _____ other people _____ hackers targeting _____ money?
 _____ hear _____ recent exploits _____ users banking _____?
 Do other _____ recently report similar _____ system _____ be _____ to attack our _____?
 Have _____ users recently _____ system _____ that _____ to _____ our finances?
 _____ you _____ me if there _____ where cybercriminals _____ security flaws to _____ finances?
 _____ is possible _____ which shows _____ exploitation _____ vulnerabilities by cybercriminals with malicious intent toward _____ personal finances.
 Do you _____ if there are any _____ about _____ exploiting weaknesses in _____ system _____ data?
 _____ you had incidents similar _____ an _____ aimed _____ financial security?
 Is it _____ that system _____ by cybercriminals _____ impact _____ personal _____?
 _____ other users report _____ where system _____ be used to _____ finances?

Any ____ of cyber-attacks ____ vulnerable ____ our ____ system?
 ____ other users recently experienced system ____ that ____ to ____ finances?
 Is ____ that ____ financial hacking?
 ____ have ____ seen ____ cybercriminals exploit system ____ for ____ attacks.
 ____ anyone else dealing ____ artists ____ banking details?
 ____ anyone ____ of possible ____ fragilities ____ criminals with intentions of breaching people's ____?
 ____ there ____ incidents ____ security breeches aimed ____ our financial ____?
 ____ people ____ experienced similar ____ where ____ took advantage ____ vulnerabilities affecting ____ financial ____.
 Do other ____ similar ____ suggesting ____ vulnerabilities that ____ used to attack ____?
 There have ____ reports ____ system ____ target personal finances.
 ____ other ____ report ____ incidents ____ system ____ that could be used ____ our ____?
 Have ____ recent ____ suspicions ____ cybercriminals are ____ flaws ____ pose ____ threat to ____ finance security?
 ____ of ____ being used against our ____ finances?
 Have ____ recently seen ____ user complaints ____ flaws being ____ fraudsters?
 Have ____ people recently ____ that ____ used ____ target our ____ finances?
 Is financial ____ reported ____ other ____?
 ____ have been ____ being used ____ target our personal ____.
 ____ reporting exploits ____ personal ____?
 ____ any ____ episodes showing ____ are ____ flaws within systems ____ a threat ____ finance security ____?
 Have ____ else experience ____ exploitation of system ____ at ____?
 Do you know ____ suggest ____ hackers are ____ the weaknesses in ____ system to ____ and ____ personal ____?
 ____ other users ____ reported system vulnerabilities ____ our ____?
 Are there ____ similar instances ____ have been targeted ____ cyberattacks?
 Is there ____ complaints ____ about ____ flaws ____ targeted ____ online fraudsters?
 Have other users ____ incidents ____ system vulnerabilities ____ being ____ attack ____ personal finances?
 Have other ____ reported ____ incidents ____ may ____ system vulnerabilities being used ____ their ____ finances?
 Is it possible ____ other users ____ similar ____ exploitation ____ system ____ by ____ with malicious ____ toward our personal ____?
 ____ recent reports of ____ vulnerabilities being ____ attack our ____?
 ____ similar incidents ____ by ____ system vulnerabilities ____ to target personal finances?
 ____ any ____ suspicions ____ exposing flaws in systems ____ a threat to personal ____ security?
 Can ____ confirm if ____ have been ____ criminals exploited ____ our finances?
 Recent reports ____ system vulnerabilities being ____ target personal ____.
 Do ____ report similar system vulnerabilities that could ____ used ____ our ____?
 ____ you know of any ____ reports ____ vulnerabilities being ____ to target ____?
 ____ having ____ deal with people invading ____ details?
 There have ____ reports ____ similar ____ personal funds.
 ____ other users had ____ incidents, ____ system vulnerabilities being used to ____?
 ____ users suggest that potential ____ vulnerabilities ____ target personal finances.
 It is ____ that other users ____ that indicate ____ of ____ by cybercriminals ____ intent toward our personal ____
 Have ____ users ____ similar incidents that ____ vulnerabilities ____ by ____ to ____ our finances?
 ____ people reported ____ recent vulnerability ____ and personal ____?
 Any indications of ____ vulnerable aspects ____ finance ____?
 Is there any ____ system vulnerabilities ____ target ____ personal ____?
 I ____ like ____ are any ____ reports about ____ our personal funds.
 ____ any recent episodes showing that ____ flaws ____ the ____ that pose ____ to ____ security ____?
 ____ other ____ recently ____ vulnerabilities that may ____ been used to ____?
 ____ reported ____ of system vulnerabilities in ____ to our ____?
