

[Demo] NLP Dataset for Customer Service Automation

Company Type	Water and Wastewater Utility Companies
Inquiry Category	Construction and development applications
Inquiry Sub-Category	Capacity and Availability Inquiries
Description	Customers seek information on the current water/wastewater system capacity and availability in their desired construction or development area.
Data Size	7,037 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Water and Wastewater Utility Company" customer inquiry. (Purchased data will not be masked.)

_____ information _____ the existing _____ the _____ system in our desired _____?

Please share _____ the _____ wastewater _____.

Let us _____ capacity _____ the _____ system for _____ location.

Do _____ any information _____ the _____ capacity _____ the _____ wastewater system?

Please _____ me _____ water/wastewater system in our _____.

Is _____ know the water/wastewater _____ capacity in _____?

_____ any information regarding _____ current _____ water _____ wastewater management?

_____ want _____ there _____ any current capacity at _____ final _____.

_____ there information _____ area's _____ capacity?

I _____ to _____ drainage capacities _____ our preferred _____.

Do you _____ information _____ watery _____?

_____ you give _____ capacity for water _____ waste water?

_____ you _____ this _____ has a decent sized _____ and waste _____?

_____ provide us with _____ available capacity _____ water system _____ our _____?

_____ you let us _____ the capacity _____ system?

_____ us _____ available _____ wastewater system.

_____ regarding _____ current _____ the water/wastewater _____ would _____ appreciated.

_____ you tell us _____ the current capabilities _____ the water _____ our _____?

What capacity _____ in the _____ spot?

_____ familiar with the maximum _____ water/wastewater _____ in our preferred _____?

_____ there _____ information _____ capacity _____ water and _____ services that you _____?

_____ to know the current _____ of _____ in our _____ location.

_____ much _____ water _____ is _____ in our _____?

_____ want _____ current capacity _____ the water _____ our location.

How much _____ in a preferred area?

_____ tell us about _____ current _____ infrastructure there?

Please let _____ know about _____ capacity _____ water _____.

Inform us _____ the _____ and sewage systems in _____.

Do _____ possess any _____ of _____ available _____ the _____ wastewater _____?

_____ give _____ on the _____ of the water/wastewater system?

Is there any _____ could _____ water system _____?

_____ on _____ capacity _____ a desired _____.

_____ the current capacity _____ water/wastewater system.

_____ have any _____ available capacity of the _____?

_____ you tell _____ if _____ has a _____ or _____ water _____?

_____ any _____ on the _____ of _____ water/wastewater system?

_____ capacity the _____ system _____ our _____?

_____ you have knowledge of the capacity _____ local _____ _____ give us?

Is there _____ information on their _____ we _____ get?

_____ can the water/wastewater _____ in _____ preferred _____?

Do _____ any _____ current capabilities _____ sewage _____ at our preferred location?

_____ you know _____ capacity of _____ system in _____ area?

_____ much _____ is available _____ our _____?

_____ you _____ about _____ water _____ wastewater infrastructures there?

_____ to _____ us _____ the _____ capacity of the _____ system in our _____?

Is _____ any _____ about _____ system _____?

_____ you give _____ the _____ capacity for _____?

Is _____ a current _____ capacity in _____?

_____ you _____ any information _____ capacity of _____ water?

_____ give us _____ on _____ the water system?

_____ possible to _____ us about the _____ water and _____ there?

I _____ like to _____ of the water/wastewater setup.

_____ would like to know more about _____ locale's _____.

_____ you _____ us _____ the _____ capacity _____ water is?

Do you _____ your _____ waste water system in _____ area?

_____ clarifications _____ infrastructure _____ and drainage in _____ locale.

_____ like _____ about _____ watery situation _____.

_____ info on water/wastewater _____ the _____ spot.

We _____ like _____ the _____ of the _____ system at _____ location.

Do _____ any figures regarding _____ available capacity _____ wastewater _____?

Can _____ inquire _____ water/wastewater system's capacity _____ location?

_____ capacity in a desired spot.

What _____ give about the _____ there?

_____ have any _____ the current capabilities of the water _____?

_____ information _____ capacity of the _____ infrastructure in _____ locale.

We would _____ to know about _____ capacity _____ water/wastewater system _____.

_____ need information _____ the _____ water/wastewater system _____ our area.

_____ me the location's _____.

_____ you _____ us _____ of _____ available capacity in _____ system?

_____ you tell _____ existing _____ for _____ and wastewater?

_____ much water _____ stored _____ our _____?

_____ us _____ out _____ the _____ and sewer capacity _____ that _____?

_____ information about the location's _____.

Were you _____ to give us _____ of _____ water _____ in _____?

_____ you _____ about _____ capabilities _____ water and _____ at our preferred site?

_____ hold in our area?

What _____ is available for _____ desired _____?

Can you _____ us about _____ of _____ water/waste _____ setup?

How _____ water _____ held _____ our _____?

_____ can be _____ our location?

Share _____ capacities _____ water _____ sewage systems _____ area.

We _____ to know _____ the water/wastewater system.

_____ to learn more about the _____ disposal potential _____.

_____ the capacity of the _____ and _____ area.

Please clarify infrastructure _____ water _____ locale.

_____ us about _____ capacity for water?

_____ current capacity _____ the water/wastewater _____ in _____ area?

_____ us _____ capacity is in _____ system for our location.

Is there _____ can _____ the system's capacity for _____?

Do _____ the current water/wastewater _____ capacity _____ location?

Please tell me _____ of _____ water/wastewater infrastructure _____ our _____.

Do you have any information _____ current _____ management?

What capacity _____ in _____ location?

Do you _____ your _____ system in _____ favored area?

_____ you _____ the _____ capacity of the water/wastewater _____ our location?

Can _____ the area's _____ system capacity?

_____ anything about _____ available capacity of _____ local _____ in _____ area?

Is _____ insight into _____ waste and water is _____ at _____ site?

Did _____ available _____ the water/wastewater system _____ that area?

_____ us _____ the capacity of _____ infrastructure in your _____.

_____ there any _____ the _____ water _____ wastewater services at _____ site?

We want _____ know _____ enough capacity at _____ location.

_____ any _____ about the local wastewater _____?

_____ any knowledge or _____ about the capacity _____ wastewater system?

I would _____ to _____ about our _____ system _____.

_____ tell me the _____ of _____ system in _____.

Is it possible to _____ in _____ local _____ and wastewater systems?

_____ this locale's _____ potential are _____ we'd like.

Do you have information _____ the _____ of _____ area?

I wanted to _____ waste _____ is at that _____.

Is there _____ system _____ our _____?

_____ get information _____ the _____ of the water/wastewater _____?

_____ have any _____ about _____ the water _____ waste infrastructure?

_____ you _____ about the capacity _____ water _____?

_____ know _____ existing _____ of the water/wastewater system in our _____.

_____ have _____ on the _____ of the _____ system _____ that _____?

_____ about the watery situation _____?

_____ you have _____ information about _____ current _____ and _____ our preferred site?

I _____ know _____ current _____ of _____ water/wastewater system in _____.

_____ can get details _____ the _____ sewer capacity _____ that _____.

_____ capacity can be found _____ location?

I _____ the current water system's capacity _____ our _____.

Can _____ about the _____ of the _____ system?

Can you _____ much the existing _____ water system _____?

_____ you _____ the _____ capacity _____ wastewater services in _____ business site _____ want?

_____ water _____ do you have in _____ area?

_____ much _____ water capacity _____ be found _____ our _____?

_____ me about _____ capacity of _____ in your locale.

_____ would like _____ the _____ capacity of the system _____.

How _____ available to _____ in our location?
_____ know about the _____ in the _____ for our _____.

Do _____ of _____ wastewater system that _____ could _____ with us?
_____ water/wastewater _____ at _____ location right now?

We _____ the _____ the water/wastewater infrastructure in our _____.
_____ to _____ about _____ area's _____ system capacity.
_____ tell _____ the _____ capacity _____ the water/wastewater system?

We want _____ know the current _____ in our _____.
_____ need to _____ of _____ system in our chosen _____.

We _____ in _____ current capacity of _____ water/wastewater _____.

Do you _____ to share _____ water and sewage _____ in _____?
_____ information about our _____ water system _____?

Tell us _____ the capacity of _____ your _____.
_____ would _____ know _____ capacity _____ the water _____ in our location.
_____ want _____ find _____ about _____ water/waste disposal potential.
_____ would like _____ know the existing _____ the _____ water _____.
_____ there any info _____ current _____ the _____ position?

Got any _____ watery _____ at-location-of-choice?
_____ you _____ know the capacity _____ there?
_____ clarify infrastructure _____ water and drainage _____.
_____ provide _____ the _____ infrastructure in our location.

What _____ water is available in _____?

Do _____ have any information _____ the water system in _____?

Can you tell _____ about _____ of _____?

What _____ the _____ system's capacities _____ wastewater?
_____ tell us if _____ has _____ large water and _____?

What is the _____ of _____ at that _____?

Let us _____ the _____ water and sewage _____ capacities _____.

Do _____ have data on _____ water/wastewater _____ in _____ area?

Share the _____ the water and _____ our _____.

Let _____ the sewage _____ capacities _____ our area.
_____ would like to know _____ water/wastewater system's _____ in _____.

We'd like _____ know _____ capabilities of _____ and sewage _____ our _____.

Is _____ any information on _____ capacity for _____ and wastewater _____ within _____?

I'm _____ how much _____ water is _____ that _____?

How much water _____ the location _____?

Tell _____ the current _____ system capacities in _____?
_____ about the _____ there?

Please _____ capacity of _____ in our location.
_____ there any _____ about the _____ water/wastewater _____ capacity _____ location?

Inform us _____ the capacity _____ water _____ in _____.
_____ would like to know _____ water _____ services within our _____ site.

Is _____ to verify _____ water/waste system _____ our _____?

We want _____ know _____ capacity _____ the _____ our _____ location.

We're looking into moving _____ and _____ to _____ their sewer _____.

I _____ to know the current water/Wastewater _____ in _____.

Please let _____ know _____ capacity _____ the water/wastewater infrastructure _____.
_____ about the current _____ for _____ or waste _____?

_____ us _____ your _____ wastewater systems can handle at _____ location.
_____ water or wastewater _____ available in our _____?

Can you give _____ about _____?

What _____ the capacity _____ the _____?

How much water _____ available _____?

Is there any information on _____ capacity _____ the _____ in _____?

_____ water _____ available in _____ we want?

_____ tell us about _____ capacity of _____ water/wastewater _____?

Can _____ talk _____ capacity _____ water?

Can _____ big the water/wastewater _____ in this place?

Is there _____ the water/wastewater _____?

_____ you _____ any _____ the water/wastewater _____ in _____ area?

Do _____ know _____ much _____ and _____ is accommodated _____ that _____?

Can you _____ water/wastewater _____ capacity for _____ location?

_____ on how much water _____ system can _____?

I need _____ on _____ for _____ the _____ spot.

What capacity _____ water _____ at _____?

Information _____ our location's wastewater _____.

_____ the current capacity of _____ system at _____?

Is it possible to _____ in _____ local _____ and wastewater _____?

_____ me information _____ water/wastewater capacity there?

Let _____ know about _____ and _____ capacity _____ area.

_____ need information _____ water/wastewater _____ capacity.

How _____ the existing _____ there?

How _____ current water and _____ system _____ in _____?

Information regarding the _____ system would be _____.

_____ possible _____ find out the _____ of the _____ water _____ systems?

_____ need _____ know _____ sewer capacity in that _____.

What _____ us about the capacity _____ water and _____?

_____ it _____ to find out _____ much _____ the system _____?

_____ to _____ about the current capacity of _____ in _____ area.

_____ you _____ information regarding the _____ water and sewage systems _____ our _____?

Do you _____ figures _____ available _____ of the _____ wastewater _____?

_____ for water/wastewater in _____ desired _____.

_____ information _____ how _____ water the system can _____?

_____ have _____ current capacity _____ the _____ system?

Information on _____ water/waste _____ area.

Can you _____ us _____ current _____ the _____ system?

I _____ to _____ how _____ waste _____ water is _____ that _____.

Is _____ the capacity for _____ a location?

How much _____ water system hold _____ the _____?

_____ in the _____ the _____ in our area.

_____ the _____ capacity of the water/wastewater system _____ location

_____ to know how much _____ is _____ our _____.

Do you _____ information about the _____ and sewage system _____?

Please give us _____ of _____ water/wastewater _____ in _____.

Do _____ know how much waste _____ there _____ that _____?

Information _____ existing _____ the water system at _____ location _____ be _____.

Is there any _____ capacity _____ there?

_____ current water/wastewater _____ capacity _____ location currently known?

We would _____ to _____ is in the system _____ location.

_____ much is _____ water/waste _____ in _____?

Can ____ collect data on how ____ handle?

Do ____ info ____ the watery situation ____?

____ the current water/wastewater system capacity ____ our location.

____ know what ____ wastewater ____ is.

____ tell ____ the available capacity of ____ water/wastewater ____ area?

____ there data on ____ of the ____ in the ____?

____ you ____ us about the ____ the ____ setup ____?

____ much water ____ the ____ hold in ____ place?

What ____ the ____ capacity ____ the water/wastewater ____ our ____?

____ you tell ____ of ____ water there?

Can ____ me about ____ existing capacity ____ and ____?

Can you ____ us ____ and freshwater ____?

Can you tell us about ____ of ____?

____ waste water capacity is ____ the ____?

____ should gather details ____ sewer ____ water ____ that ____.

Can you ____ me about the ____ the ____?

Share ____ about the current sewage ____ resources ____.

____ to know ____ water system ____.

Please ____ us ____ capacity of ____ water infrastructure ____ locale.

We ____ to ____ the ____ of the water ____ our ____.

____ you provide ____ the ____ capacity of the ____?

____ the current ____ of the ____ system ____ appreciated.

____ there ____ the ____ for water in ____ location?

We can ____ about ____ and ____ capacities in ____.

We want ____ the ____ the ____ in our area.

____ of water/wastewater ____ is ____ in our ____?

The ____ your ____ system is ____ to know.

____ you know the capacity ____?

____ there ____ we can ____ their ____ freshwater capacities now?

Can anyone tell ____ about ____ capacity ____ position?

Is ____ capacity ____ water/wastewater ____ in our location?

Do you have ____ of the local water ____?

____ about ____ system's capacity for ____?

____ you tell ____ capacity of ____?

____ the maximum ____ your water ____ in ____ preferred area?

____ water/wastewater ____ found in our desired location?

____ you ____ our water system's capacity?

____ need to gather details about ____ that region.

We need information ____ the ____ water/wastewater system ____ location.

____ you have any information ____ the ____ there?

____ information ____ the ____ capabilities of ____ sewage ____ at our preferred location?

____ can ____ tell ____ about the ____ water/wastewater ____?

Could ____ us ____ about ____ water ____ wastewater infrastructure ____?

Help ____ the infrastructure supporting water ____ in ____.

____ there ____ you could ____ our water ____ capacity?

____ us ____ about the ____ of ____ water ____ in ____ locale.

____ you ____ available ____ in the water ____ for ____ location?

What ____ the ____ and sewage ____ in ____ area?

____ you ____ us the current ____ the ____?

Do you ____ any ____ on ____ system's ____?

_____ us _____ our _____ system capacity?

We _____ like to know _____ capacity _____ system _____ our _____ location.

Is _____ information _____ the availability of _____ and _____?

Can _____ tell _____ size _____ this place's water/wastewater _____?

We _____ know the current capacity _____ in _____ location.

_____ current water/wastewater system's _____ in our location

Let _____ know about _____ sewer _____ in _____ region.

_____ current _____ the water and sewage _____ the preferred site.

_____ you _____ if this _____ large water or waste _____ network?

_____ more _____ of the water/wastewater system in our _____.

Let _____ find out about the _____ and sewer _____.

I would _____ to know _____ our water _____.

_____ have _____ on the _____ of _____ system in that area?

_____ facts _____ water _____ capacity in that region.

How much water _____ is _____ the _____ we _____?

_____ you let us know _____ of the _____?

_____ you _____ us the capacity _____ system in _____ we want?

_____ like _____ the _____ of the water/wastewater system.

Do you _____ figures or _____ regarding _____ capacity of the _____?

Is it _____ to _____ info _____ water the _____ can _____?

_____ like to _____ the _____ of _____ and _____ systems _____ our _____ site.

Provide clarifications _____ the _____ water _____ in the _____.

We _____ to know _____ the _____ of the _____ system in _____.

Is _____ any information about the _____ in _____?

Does _____ anything about the _____ situation _____ choice?

Tell _____ our water system.

Do _____ any _____ water/wastewater capacity?

_____ would _____ to _____ details _____ drainage capacities in _____ place.

_____ is _____ capacity of the water _____?

Do _____ have _____ the _____ of the local Wastewater _____?

_____ you know _____ waste and _____ is _____ that location?

_____ us know _____ volume in our _____ wastewater system.

We would like to _____ how _____ water _____ in _____.

Please _____ about _____ Wastewater System.

Is it _____ to have information on how _____?

_____ can you tell _____ system's _____?

Can _____ give _____ the current _____ water/waste _____ system?

We need information about _____ water/wastewater _____.

Let us _____ of the _____ system for _____.

_____ are the _____ and _____ capacity in _____ area?

We want to know _____ the _____ and waste _____.

Is it _____ find _____ room _____ left in the local _____ and _____?

_____ much _____ is _____ our location?

Is _____ any _____ about _____ capacity for water _____ wastewater services _____ site?

Do _____ have any _____ the _____ wastewater _____ that you _____ us?

Can _____ about the _____ water/wastewater system's capacity _____ our _____?

Let us _____ about _____ and _____ capacity _____ region.

Is there any information _____ their _____ now?

Do _____ data _____ capacity of the water system _____?

If _____ details _____ drainage _____ in our _____ place.

We need _____ on _____ the water system at _____.
 We would _____ know the current _____ water _____ sewage _____ at _____ we _____.
 _____ tell us _____ setup there?
 Is _____ any information regarding _____ for _____?
 We would like _____ about _____ area's _____ disposal _____.
 _____ is the _____ available _____ our desired _____?
 We want to _____ capacity _____ water/wastewater system in _____.
 Please tell us _____ water _____.
 _____ details _____ the system's capacity?
 Can _____ let _____ about _____ of the water/wastewater _____?
 What _____ the _____ capacity?
 _____ it _____ to _____ regarding the _____ for _____ and _____ management?
 _____ explain _____ of _____ water/wastewater infrastructure in our _____.
 We _____ know the capacity of the _____ system at _____.
 _____ you _____ figures on the _____ of the local _____ system _____ you _____ us?
 Information _____ capacity _____ the water/wastewater _____ would be _____.
 _____ information _____ you _____ the _____ and waste water _____?
 _____ you tell me about _____ in that location?
 Share the _____ water and sewage _____ our area.
 What _____ or figures _____ have about _____ the local _____ system?
 Please _____ us with _____ location's _____.
 _____ us _____ the _____ in the _____ for our _____.
 Do _____ have any _____ about the available _____ of the local _____ system _____?
 _____ need details on _____ capacity _____ water/wastewater system in _____.
 We should get _____ about water _____ capacity _____.
 _____ us about the water/wastewater _____ capacity _____ location?
 _____ there any information _____ of the _____ system _____ our _____?
 We _____ about the _____ wastewater _____.
 _____ there any information on _____ current _____ for _____?
 Do you know anything _____ capacity _____ wastewater system _____ with us?
 _____ there _____ about _____ current _____ water and _____ infrastructure there?
 _____ are the _____ capabilities of _____ and _____ systems _____ our _____?
 Do _____ have any information _____ the capacity of _____ wastewater _____ you _____ us?
 _____ provide _____ about _____ system in our _____.
 Can you _____ us if _____ place _____ a _____ or _____?
 Please tell _____ and sewage _____ capacities in _____ area.
 _____ you _____ something about _____ at-location-of-choice?
 _____ for _____ the _____ capacity for water and wastewater _____.
 Is _____ any _____ capacity of water in _____ spot?
 _____ give _____ information about the _____ there?
 _____ you have _____ info _____ local _____ infrastructure?
 What is _____ of _____ wastewater system _____ our _____?
 _____ help _____ infrastructure supporting _____ and _____ a locale.
 Do you _____ the _____ of your system _____ in _____ preferred _____?
 How much water/ wastewater _____ our _____ area?
 _____ what _____ of the local water/waste _____ are?
 I would _____ know _____ watery _____ at-location-of-choice.
 Is _____ to _____ how _____ is in the _____ water and _____ systems?
 _____ your area's water _____ capacity.
 _____ give _____ on the _____ of the water/wastewater system _____.

_____ much can _____ system hold _____ our preferred _____?

Let _____ the water/wastewater infrastructure in our preferred _____.

What _____ the current _____ our location?

_____ there any information on _____ water/wastewater _____?

_____ much water/wastewater system _____ our preferred _____?

Please _____ the _____ capacity _____ the _____ system _____ our area.

Can you give us _____ information _____ system's _____?

_____ you know _____ is _____ sufficient _____ system for _____ location?

I _____ know the _____ water _____.

_____ know what _____ maximum capability _____ your _____ system in _____ area _____?

_____ is the _____ of _____ system?

Can _____ me if _____ place _____ a _____ network?

_____ the maximum ability of your water/wastewater system _____?

_____ would like to know how _____ in _____ preferred _____.

Let us know about _____ capacity _____ system _____ our _____.

_____ know anything about _____ available capacity _____ the local _____?

Can _____ tell _____ our _____ system capacity?

_____ any _____ about water _____ wastewater _____ there?

Tell me about the _____ the _____ system in _____.

We want _____ of the water/wastewater _____ the area.

Do _____ the _____ of _____ system?

_____ information _____ the current capabilities of _____ sewage systems _____ our _____ site?

We _____ to know _____ current _____ the _____ system in _____.

Is there any _____ water/wastewater system in the _____?

Can _____ know _____ existing capacity of _____ system _____ our location?

_____ you _____ us with _____ the water/wastewater setup _____?

Please _____ us _____ existing capacity _____ the _____ system _____ our _____.

_____ us know about _____ location's wastewater _____.

_____ much does _____ system hold _____ area?

_____ us about _____ water/wastewater _____ our _____.

Were you _____ to tell us _____ current _____ of _____?

Is _____ water _____ capacity in our _____?

_____ you _____ what the _____ in the water _____ our location?

We want to _____ the _____ capacity _____ the _____ system _____ our _____.

Is there _____ the _____ capacity _____ the _____ system _____?

_____ capacity does _____ in our location?

Do you _____ on _____ water system there?

Are _____ able to _____ current _____ water/wastewater system _____ our location?

_____ you have information _____ the _____ of the _____ system _____?

_____ is the _____ of the water _____ in _____?

We would _____ know the present _____ water _____ systems _____ preferred site.

What are the current _____ water and _____?

What _____ can you _____ area's water system _____?

Tell _____ details _____ the _____ sewage _____ capacities in our _____.

_____ there an existing _____ for water _____ there?

Do you know the maximum _____ in _____ we prefer?

_____ it _____ information on _____ water the system can _____?

Do you have _____ the _____ infrastructure?

Please _____ us _____ of the _____ infrastructure in _____.

_____ the _____ in the desired location.

____ is ____ capacity ____ water system ____ our location
 ____ it possible to ____ much the existing water/wastewater ____ can ____?
 ____ us ____ if ____ in ____ water/wastewater system ____ our location.
 Has ____ information ____ the ____ situation ____?
 ____ know ____ water ____ system capacities in our region.
 ____ we know ____ current ____ of water and ____ there?
 I ____ info ____ capacity ____ or waste in ____ desired ____.
 ____ need ____ about ____ capacity in the water ____ for ____ location.
 We need ____ know the ____ capabilities ____ sewage systems ____ site.
 Is ____ a ____ capacity ____ water/wastewater ____ there?
 ____ can ____ tell us ____ capacity?
 ____ about ____ water and sewage system capacities in ____.
 Is it ____ to give ____ about ____ for water ____ management?
 ____ information on the ____ for ____ wastewater services that you ____?
 ____ capacity of the ____ system ____ location would be ____.
 ____ locale, ____ clarifications on infrastructure supporting ____ and ____.
 ____ us ____ about the water/wastewater capacity ____?
 Can ____ tell us ____ current ____ of our ____ location?
 Is ____ tell me about the existing ____ water ____?
 You can tell ____ water and sewage systems at ____ site.
 ____ any ____ on the ____ at the ____ position?
 Information on ____ the ____ at ____ desired location is ____.
 ____ you have details ____ the ____ capacity ____?
 Can ____ us ____ this place ____ a network of water ____?
 ____ is the total ____ location?
 ____ you have information on how much ____ area?
 I'd like ____ know ____ system capacity.
 ____ tell ____ the capacity of ____ system is?
 Please ____ the infrastructure supporting ____ in the ____.
 ____ let us know the ____ in ____ water ____?
 ____ we ask ____ present capabilities of ____ and ____ the ____ site?
 Can ____ us ____ current capacity ____ system in ____ location?
 ____ can ____ water/wastewater ____ hold in ____ preferred area?
 Do you ____ if ____ is ____ waste system ____ location?
 We'd ____ to know more ____ the ____ waste ____.
 ____ would like to ____ the ____ capacities ____ in ____ preferred ____.
 We need ____ current capacity ____ the ____ at our desired ____.
 Can ____ information about the ____ system's capacity ____?
 ____ water/wastewater ____ hold in ____ preferred ____?
 Is there ____ on ____ capacity of the ____ system ____?
 Will you tell ____ the current ____ of ____?
 ____ want to ____ capacity of the ____ system ____ the ____.
 ____ wastewater can we keep ____ our preferred ____?
 Can you ____ about our ____ system ____?
 We ____ to ____ the capacity ____ system ____ our area.
 ____ you tell us ____ capacity ____ water/wastewater ____?
 We need to ____ about the ____ system ____ area.
 ____ for water ____ in the ____ spot?
 ____ you know ____ capability ____ water ____ our preferred location?
 Is ____ a ____ capacity ____ water ____ waste ____ there?

_____ us _____ current _____ capacities in our area.

_____ is _____ maximum _____ of _____ in the preferred area?

_____ on _____ capacity of _____ a desired _____.

Can you _____ us what the water/wastewater _____ location?

Do you _____ capabilities of the _____ infrastructure _____?

We _____ the _____ wastewater system.

Please _____ about the capacity of the water/wastewater _____.

Are you able _____ of _____ water/wastewater system in our _____?

_____ I _____ an idea of _____ current _____ system's _____?

Is it _____ get _____ on how _____ can _____ the existing system?

_____ capacity in our location?

_____ is _____ water/wastewater system's hold _____ preferred _____?

Do _____ know if _____ place _____ a _____?

Please _____ infrastructure _____ and _____ in that _____.

Can _____ the capacity of the _____ there?

Let us _____ the _____ of _____ setup.

Can you tell _____ what _____ of the water/wastewater _____ this _____?

Please _____ me _____ the _____ for _____.

We _____ gather _____ about _____ sewer capacities _____ area.

_____ data _____ the available _____ of the _____ system in _____?

_____ you _____ any figures _____ knowledge _____ the available _____ of _____ system?

What information _____ you have _____ the _____ water _____ capacities _____ area?

Do you have _____ data _____ the _____ system in _____ area?

Do you _____ what the current capabilities _____?

_____ us _____ the current _____ sewage system capacities _____ our _____.

Information on the capacity _____ the _____ spot.

Were _____ to _____ about the capabilities _____ systems _____ our preferred site?

_____ like _____ know the _____ of _____ water/wastewater setup _____.

_____ you _____ capability of your _____ system _____ the _____ area?

Let us _____ what the _____ and _____ that region.

Please _____ details _____ the _____ system.

_____ us find _____ about the _____ and sewer _____ in _____.

What is the _____ water _____ at _____ location?

_____ need to _____ capacity _____ the water/wastewater system in _____.

Can _____ tell _____ the _____ your water system?

Can _____ us _____ about the _____ system _____?

Do you have data on _____ capacity _____?

_____ us know _____ current water and sewage _____.

Please _____ about the _____ capacity _____ water setup _____.

How _____ gathering details _____ and sewer _____ in _____?

Can _____ tell us _____ this _____ a _____ water/wastewater _____?

Can _____ us what _____ network this place _____?

_____ the current _____ system's _____ available _____?

Do _____ know the current _____ our _____?

_____ you _____ to _____ on _____ existing capacity _____ the water system?

_____ you tell _____ the _____ capacity of _____ water system _____?

I _____ to _____ how much _____ and water is _____.

_____ you _____ about our water _____?

_____ there any information _____ the current capacity _____?

Please tell us about _____ capacity _____ water/wastewater _____ in _____.

Let ____ know ____ sewage system capacities in ____.

____ the current ____ system's capacity in ____ location?

____ want ____ know the ____ water in the ____ spot.

Are you aware ____ current ____ water ____ waste infrastructure?

____ about the current availability ____ water ____ wastewater ____ there.

____ you ____ me ____ the existing ____ water capacity there?

____ tell us if ____ place has ____ water ____?

____ capacity ____ the water ____ in ____ location?

____ us ____ the available ____ in the wastewater ____.

I ____ to ____ current capacity ____ the water/wastewater ____.

Is it possible ____ the existing capacity ____?

Do you have any ____ on the ____ water and ____ preferred ____?

____ capacity in ____ desired spot.

____ about the location's ____ appreciated.

____ can ____ give ____ the water and ____ systems at our ____?

We ____ to know about ____ capacity ____ setup there.

Got ____ on ____ situation at-location-of-choice?

We ____ know ____ about ____ locale's ____ disposal potential

Tell me about ____ water ____.

I ____ info on ____ capacity ____ water/wastewater ____ the ____.

Let ____ know about the capacity ____ the ____ system ____.

____ on ____ capacity ____ water system ____ location is needed.

Is ____ any ____ the sewer ____ capacities of ____ area?

Give ____ details of ____ wastewater ____ our ____.

____ about our ____ capacity.

We would like to know ____ about ____.

We'd ____ to ____ about ____ available capacity ____ water system ____ our ____.

What is the ____ of ____ system ____ our ____?

____ looking ____ information ____ for water in a desired ____.

____ need to ____ capacity of the ____ water system ____.

I need to ____ existing capacity ____ in ____ area.

How much ____ water ____ in our preferred ____?

____ you tell ____ available ____ is in the water/wastewater ____?

Can ____ tell me how much ____ is at ____?

I would ____ how ____ waste and ____ there ____ at ____ site.

Can ____ about the ____ capacity?

____ capacity for ____ is available ____ spot?

What is ____ water ____ in our location?

Information on the capacity ____ a ____.

Is the ____ in our ____ location available?

Tell ____ capacity of the ____ in ____ locale.

Please ____ us ____ location's wastewater ____.

Let ____ about ____ and ____ in that region.

____ system's capacity in the location ____ want?

____ like to know the capacity ____ system at ____.

So, do ____ if ____ place has ____ water/wastewater ____?

Do ____ any ____ about ____ the water ____ in the area?

What ____ can you give ____ about ____ water/wastewater?

____ can ____ about the ____ and sewer ____ the area.

Do you know what ____ the ____ infrastructure are?

Can _____ me _____ the system's _____ for waste _____?

_____ looking _____ moving _____ to know their sewer _____ capacities.

Tell _____ the _____ wastewater _____ there.

_____ us about _____ wastewater _____ of our _____.

Information on the _____ in _____ desired _____.

_____ you tell us about _____ there?

_____ any information regarding _____ and freshwater capacities?

_____ know how much demand _____ wastewater systems _____ our site.

Is _____ possible to know the _____ capacity _____ our _____?

_____ is our _____ destination's _____ wastewater?

_____ you _____ us an _____ of _____ available capacity _____ water system _____ our _____?

_____ there any information about _____ water _____?

Were you able _____ the _____ capabilities of water _____ systems _____ our _____ location?

_____ wastewater system _____ the desired location.

_____ you _____ regarding the local _____?

Inform _____ about _____ capacity _____ infrastructure _____ your locale.

_____ need to know _____ water and waste water _____ in _____.

_____ love to know the _____ capacity _____ the _____ our location.

_____ clarify the infrastructure _____ and _____ in _____ locale.

We would like to _____ the water _____.

Please clarify _____ drainage _____ the locale

Tell us _____ the water _____ sewage system _____.

_____ you _____ about _____ area's water system capacity?

How _____ is available to us _____?

Do _____ have _____ regarding _____ water and wastewater?

Let _____ how much water _____ capacity _____ is _____ that _____?

Can you _____ about _____ existing _____ the _____ there?

_____ would _____ about _____ available _____ the water system for _____ location.

We _____ to _____ current _____ of _____ system at our _____.

_____ to know _____ area's water _____ capacity.

Is _____ to find _____ much water _____ waste water _____ accommodate?

_____ you _____ us _____ there is a _____ system _____ our _____?

_____ give _____ about the area's water system _____?

What is _____ the water/wastewater _____ our _____?

_____ you _____ any knowledge or figures of _____ system's _____?

_____ it _____ find out the _____ in our location?

_____ want _____ capacity of _____ system in the area.

Do you _____ how _____ your _____ wastewater _____ can _____ at _____ chosen site?

_____ me _____ the _____ capacity _____ water/wastewater _____.

_____ me about the capacity _____ the _____ in _____.

_____ on the _____ water/wastewater _____ capacity in our _____.

_____ you _____ about the _____ of _____ water system?

What is _____ system's capacity _____ specific _____?

_____ can gather details _____ capacity in _____ region?

What can _____ the _____ infrastructure for water and _____?

How _____ and waste _____ that site?

_____ me know the current _____ and sewage _____ our _____.

Is it _____ much _____ and wastewater systems can handle?

What _____ the _____ capacity _____ system?

In the _____ provide _____ on _____ and drainage.

We need ____ on ____ capacity of ____ at our ____ .
 I ____ like ____ details ____ of the ____ system in ____ area.
 Should ____ about the capabilities ____ and ____ systems at our ____ ?
 ____ you have any knowledge ____ available capacities of ____ ?
 ____ can ____ us information ____ present ____ of ____ systems ____ our preferred site.
 ____ there any ____ you ____ area's water system ____ ?
 Share details ____ sewage treatment ____ premises.
 ____ tell ____ about the water/wastewater infrastructure ____ locale.
 ____ much ____ capacity is available ____ location that ____ ?
 Is ____ any information regarding ____ current ____ the ____ ?
 How ____ wastewater capacity is ____ in ____ location ____ ?
 What ____ you ____ us ____ water/waste water ____ ?
 ____ know the ____ for water or ____ a desired spot.
 ____ want to ____ about the ____ availability ____ and ____ infrastructure.
 What ____ can ____ regarding the ____ capacity?
 ____ am curious ____ the ____ capacity ____ water/wastewater setup ____ .
 ____ you know the current ____ WASTE infrastructure?
 ____ can gather ____ sewer ____ in that region.
 Is ____ any ____ capacity of ____ system ____ our area?
 Can ____ the ____ for the water/wastewater there?
 What ____ you have about the ____ sewage ____ capacities ____ our ____ ?
 ____ much ____ system capacity ____ at our ____ ?
 Please ____ know about ____ the water/wastewater infrastructure ____ your ____ .
 I need ____ on ____ water/wastewater.
 Should we ask ____ the water/wastewater system for ____ ?
 ____ you ____ us ____ the ____ of our ____ system?
 Is ____ any ____ on the ____ water or ____ water ____ ?
 Can ____ tell me ____ existing ____ for ____ water?
 ____ there any information you ____ give ____ area's ____ capacity?
 ____ need ____ know ____ the ____ availability ____ water ____ wastewater infrastructure.
 Can you tell us about ____ ?
 How about the ____ and ____ capacities in ____ ?
 Can you ____ the capacity of ____ ?
 Please tell me ____ the ____ of ____ water/wastewater infrastructure ____ .
 Tell ____ capabilities of ____ sewage systems ____ our ____ site.
 What ____ the ____ your ____ system to support ____ ?
 ____ have ____ information on ____ capacity ____ water/wastewater system?
 We need to ____ how ____ your water ____ can ____ at ____ site.
 What ____ the system's capacity ____ ?
 ____ you ____ the system's capacity for water?
 ____ want to ____ the ____ capacity ____ the ____ system.
 We would like to ____ the ____ in our area.
 Do ____ have ____ the ____ capacity of ____ water/wastewater ____ ?
 What ____ the current ____ location?
 So, ____ you tell us ____ this ____ network?
 Are ____ current ____ of ____ and wastewater infrastructure there?
 ____ you ____ about ____ existing capacity of ____ system?
 ____ system capacity ____ this area?
 Can you ____ us ____ place ____ water/Wastewater network?
 What ____ the ____ capacity?

_____ much _____ our water _____ hold _____ our _____ area?

_____ know _____ place has _____ decent sized _____ waste water _____?

_____ tell me if _____ is _____ sufficient _____ system _____ place?

We're wondering _____ there's _____ on _____ and freshwater _____.

_____ us _____ the _____ capacity of _____ water system is _____ location?

_____ know the current _____ of _____ and sewage _____ at _____ preferred _____.

We _____ to know about the _____ capacity _____ water/wastewater _____.

Does _____ current capacity of _____ water/wastewater setup _____?

Give me _____ wastewater system _____ location.

I _____ to _____ the watery _____.

Do you have _____ the available _____ of _____ system?

_____ water/wastewater _____ in the desired _____.

_____ much water is _____ the _____ at _____ right _____?

_____ information _____ you _____ about the water _____ water capacity?

_____ information on the _____ capacity for water _____ wastewater services, _____ us _____.

Can you _____ with _____ capacity _____ the _____ system _____ our desired _____?

How _____ capacity _____ available at _____ location?

Can _____ tell _____ the _____ and _____ infrastructure there?

_____ there a _____ of the _____ waste water _____?

What _____ water system capacity _____?

What is _____ the _____ system?

Can _____ much water the system can _____?

_____ can _____ of _____ capacity in that region.

_____ know the _____ water/wastewater system's _____ in our _____?

Information _____ capacity _____ system at _____ location is needed.

Please provide _____ water infrastructure in _____ locale.

_____ you tell _____ the current availability of _____?

Is _____ possible to _____ the _____ system capacity?

Can _____ tell us _____ current capacity _____ the location _____ want?

I _____ of _____ water/wastewater system in our area.

Please explain the _____ water _____ in the _____.

Do _____ have _____ knowledge _____ capacity of the _____ sewer _____?

We should gather details _____ the _____ capacity _____ that _____.

_____ about the _____ at-location of _____.

What do you _____ capacity _____ local wastewater system?

I _____ the _____ capacity _____ the water setup there.

We want _____ the _____ water/wastewater system in our _____.

_____ like to know about _____ wastewater _____.

_____ want to _____ there _____ available _____ the water system for our _____.

What _____ can _____ water/wastewater system _____ in _____ area?

Should _____ current _____ of the water and _____ systems at _____ preferred _____?

_____ would _____ to know _____ capacity of the water _____ in _____.

Can _____ get _____ current _____ system's capacity _____ desired _____?

Please share _____ available _____ in _____ desired _____ wastewater _____.

_____ me _____ water _____ capacity _____ the area.

_____ you _____ any idea _____ to the _____ the local _____ system?

Can _____ about the infrastructure _____ water and _____?

_____ about the capacity in the water _____?

Tell me how _____ wastewater system _____ location.

____ much water is ____ ____ ____ location?
 ____ is ____ of the ____ system ____ our location?
 What ____ capacity ____ available ____ the location?
 ____ any information ____ water ____ capacity in ____ area?
 What ____ the ____ your water systems where we want ____ ____ ____ ?
 I ____ know ____ the ____ capacity ____ water/wastewater there.
 We wish to learn ____ water/waste disposal ____ .
 Can ____ us ____ waste ____ water ____ accommodated there?
 ____ about the present capabilities ____ water ____ systems at our ____ site.
 Is there ____ information ____ the ____ water ____ ?
 I ____ information ____ capacity in the ____ .
 ____ us inquire ____ the water ____ capacity in ____ .
 I ____ to learn ____ waste and ____ is ____ at ____ .
 ____ there any info about ____ present capabilities ____ sewage systems at ____ ____ ?
 Can ____ us ____ capacity in the ____ system for ____ ?
 ____ you have any ____ on ____ capabilities ____ water and sewage ____ our ____ site?
 What ____ the ____ the water ____ where ____ want ____ locate?
 ____ you give us ____ capacity of ____ ?
 Do ____ any information ____ the capacity ____ system?
 ____ the information ____ capacity in our ____ ?
 Does ____ know the ____ freshwater ____ of this ____ ?
 Do ____ information ____ the ____ of ____ water system?
 Can ____ us how ____ water and wastewater ____ ?
 May ____ know ____ current water/wastewater system's ____ location?
 ____ need information on the water/wastewater capacity ____ .
 We ____ to know ____ capacity ____ water/wastewater ____ at ____ location.
 ____ us about the ____ the ____ and ____ system ____ area.
 We ____ current ____ our water/waste water system.
 We ____ to ____ present ____ of water ____ sewage systems ____ our ____ .
 Tell ____ the current ____ sewage ____ capacities in ____ .
 We want ____ know ____ water/wastewater ____ .
 We're ____ moving here, ____ information on their sewer ____ ____ ?
 Does the ____ system ____ area?
 ____ any information ____ the current ____ for water ____ ?
 What is ____ water/waste ____ in ____ ?
 How much can ____ system ____ our ____ ?
 ____ information ____ available ____ of the local wastewater system?
 Could ____ give ____ about ____ water and sewage ____ at our preferred site?
 ____ us about ____ of ____ infrastructure in your location.
 Let us know ____ capacity ____ water/wastewater ____ .
 Do you ____ information ____ available capacity ____ water/wastewater system?
 Is ____ possible ____ have data ____ how much ____ ?
 We ____ ask ____ capacity in that area.
 Is it possible ____ information ____ the ____ for water and ____ ?
 ____ about ____ current ____ capacity for ____ waste?
 We ____ like to ____ capacity ____ system at ____ we want.
 Can you tell ____ capacity of our ____ ?
 ____ about the system's capacity ____ .
 What information ____ tell me ____ capacity?
 If ____ details ____ drainage ____ in our preferred ____ .

Can ____ tell me ____ capacity for ____ waste?

What is the current ____ of ____ area?

Is ____ any ____ about ____ current water/ ____ capacity?

____ on ____ of the water/wastewater ____ location ____ be appreciated.

Can you ____ the capacity of ____ water/wastewater system ____ the ____?

____ you ____ us about ____ water ____ in this ____?

How much ____ system capacity ____ have ____ area?

How ____ wastewater capacity ____ in the location ____?

How ____ you tell ____ about the ____?

Let us know ____ water ____ system capacity ____ our ____.

____ would like to know ____ capacity ____ water/wastewater ____ at ____ location

We ____ like ____ the ____ availability of ____ and ____ there.

____ me ____ the ____ water/wastewater system's ____ our desired location.

We ____ on ____ of ____ system ____ our desired location.

____ to ____ information about ____ capacity ____ water there?

Is there ____ water/wastewater ____ capacity ____ our location?

____ capacity is ____ water at ____?

____ us ____ about the capacity ____ the ____ infrastructure.

Can you tell ____ size ____ water/wastewater network ____ this ____?

Can ____ tell ____ how ____ available in our ____?

We ____ about water and ____ capacity ____ region.

____ us know the ____ and ____ capacities ____ area.

____ tell me about the ____ of the ____ the ____.

Can ____ us ____ water/wastewater ____ in our location?

____ about ____ system capacity.

Is ____ provide ____ on ____ existing capacity ____ the water/wastewater ____?

____ and ____ system capacities in the chosen ____.

____ capacity for water or ____ a ____ spot?

I would ____ the existing capacity ____ the water/wastewater ____ in ____.

____ there any ____ existing ____ water and wastewater management?

____ you ____ any information on ____ for ____ and ____ services?

____ it ____ to ____ how ____ water/wastewater the system can ____?

Is it possible ____ out ____ water ____ waste ____ the ____ can ____?

We want to know ____ the ____ of ____ water ____.

Will you ____ the current capacity of ____?

Can you tell ____ capacity of ____ water/wastewater ____?

____ the present capabilities ____ water ____ sewage systems ____ our preferred site?

____ there ____ information on the ____ system's ____ for ____?

Could ____ tell ____ our water ____?

____ me ____ the ____ of ____ water/waste infrastructure.
