

[Demo] NLP Dataset for Customer Service Automation

Company Type	Automotive Parts Retailers
Inquiry Category	Assistance with product identification
Inquiry Sub-Category	Cross-Referencing
Description	Assistance in cross-referencing parts from different manufacturers or comparing part numbers to find equivalents or compatible alternatives.
Data Size	8,597 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Automotive Parts Retailer" customer inquiry. (Purchased data will not be masked.)

_____ possible _____ and determine _____ options based on their _____?

Is _____ possible _____ multiple parts using _____?

_____ there _____ to find _____ if _____ reference parts?

_____ you check _____ their specs, _____ substitute choices?

Can we _____ other _____ part's specifications?

Am I _____ discover _____ using part _____?

Can _____ to find alternate possibilities?

Is it _____ for _____ to check _____ parts _____ the _____?

_____ it possible _____ different possibilities by _____ part _____?

Can _____ identify _____ choices for multiple _____ and _____?

It _____ to _____ part details _____ alternatives.

_____ I cross reference _____ to _____?

_____ it possible _____ parts to find _____ options?

_____ I compare _____ options?

Will _____ be _____ establish _____ choices via part _____?

Is it _____ to _____ other _____ based on _____?

_____ I compare _____ based _____ specifications?

_____ for _____ part options _____ spec info be _____?

_____ it _____ look for multiple parts, _____ substitute choices?

I would _____ you to help _____ parts using their _____ suggest _____.

_____ it be _____ cross-check _____ part _____ for _____ alternatives?

_____ find parts and _____ using their specs?

Is _____ check _____ their specifications and identify _____ choices?

Can _____ look _____ alternative parts _____ the _____?

_____ it _____ to _____ possibilities by referencing part _____?

_____ be _____ as _____ reference when looking for alternative _____ options?

I _____ if _____ tell me how _____ options by _____ parts.

_____ we make alternative _____ provided part's _____?

_____ there _____ to find _____ based _____ their specs?

I _____ know if _____ possible to _____ at _____ for alternatives.
 _____ any _____ of _____ part picks by _____ comparison?
 Is there a way _____ similar parts _____?
 Is _____ possible to _____ choices _____ citing related _____?
 _____ possibilities _____ comparing part _____ considering alternatives.
 _____ can _____ determine _____ options by _____ parts?
 _____ appreciate _____ if _____ me find different options by _____ the _____.
 I _____ find _____ possible to link parts _____ their specifications.
 _____ it possible _____ alternate options _____ the use _____?
 _____ it possible _____ find _____ options by using _____?
 Does _____ have _____ way _____ compare _____ based _____ specifications?
 Is _____ explore alternate _____ through spec comparisons?
 _____ referencing _____ identification of _____ parts?
 Specification-based _____ to find substitute _____.
 Is _____ find replacement _____ by comparing _____ specifications?
 Can you _____ me how _____ find _____ options _____ comparing _____?
 Is _____ to compare _____ in order to _____?
 Can we _____ part _____ to _____ choices?
 _____ we find _____ choices _____ cross-references?
 Is it possible _____ find _____ based _____ of _____ part?
 Can _____ parts _____ to _____?
 Can I _____ options _____ parts _____?
 _____ possible to _____ substitute _____ by comparing _____.
 _____ want to _____ is _____ cross check the _____ details.
 Is it _____ to _____ choices _____ cross- referencing?
 I wonder _____ can cross-reference _____ different options.
 _____ alternatives using their details, will it _____ cool?
 Do you have _____ chance to _____ and _____?
 Is it _____ create _____ based _____ component _____?
 Is it possible to _____ cross-references.
 _____ it _____ to _____ part details _____ alternative options?
 _____ way to _____ options based _____ parts' specifications?
 _____ there a chance I _____ discover _____ choices based _____ part _____?
 Is it _____ find better _____ on their specifications?
 Is _____ alterative _____ based _____ okay?
 _____ possible _____ replacement options using _____ comparisons?
 _____ wondering if I _____ for _____ options.
 _____ possible to _____ different options _____ the _____ specifications?
 Is _____ find alternatives through _____?
 Is it _____ to _____ alternate _____ picks _____ spec _____?
 Does _____ referencing mean _____ alternatives _____?
 Is there any _____ can find _____ choices based on _____?
 Can it _____ to seek _____ if checked _____?
 Do _____ think you _____ decide _____ part specifications?
 Is specification referencing _____ for _____ of _____?
 Can _____ use _____ cross- references to _____?
 Is _____ to _____ parts to find better _____?
 Is it possible to _____ parts _____ options?
 _____ is possible _____ multiple _____ their specifications and identify _____.
 _____ we _____ the _____ explore alternates?

____ it ____ to find various ____ by referencing ____ ____?
 ____ find alternatives ____ part's ____?
 Specification ____ of alternatives ____ components.
 Am ____ able to find ____ part ____ comparisons?
 ____ way to compare the ____ of ____.
 ____ by ____ is it ____ to ____ alternates?
 Is it ____ alternative choices ____ part cross ____?
 ____ possible to ____ part details and _____.
 ____ part ____ reference to ____ alternative choices?
 ____ there ____ chance to ____ alternatives if ____ parts?
 ____ doable to ____ alternatives based ____ info?
 Is ____ a ____ for ____ replacements ____ parts?
 Is it ____ determine alternative options based ____ specifications?
 When ____ parts ____ cross-referenced, ____ there ____?
 Is ____ to ____ up with better options?
 Is ____ possible ____ details with another ____?
 Is it possible ____ compare parts and ____?
 Matching ____ specifications ____?
 ____ it ____ to cross-reference ____ parts to ____?
 ____ there alternatives ____ part ____?
 ____ specification ____ help ____ alternatives ____ components?
 ____ part ____ used ____ discover substitute options.
 I wonder ____ I can ____ choices ____ their ____.
 ____ it ____ possible ____ discover ____ options ____ part comparisons?
 ____ possible ____ compare specs to _____.
 Can ____ assess ____ find alternate possibilities?
 Can't ____ cross-reference and score ____ options based ____?
 Is ____ chance of ____ alternate ____ using ____ comparisons?
 Is ____ possible ____ different ____ with ____ specifications?
 It ____ possible to correlate ____ alternatives.
 Are you ____ how ____ find ____ options by comparing ____?
 Is it ____ to cross-reference ____ in order ____ alternative ____?
 Is ____ use ____ comparisons to ____ substitute options?
 I ____ cross-checking part details is ____.
 Do you ____ to determine ____ by checking ____?
 ____ replacements by comparing specifications.
 ____ determine alternative ____ using ____ cross-referencing?
 Is ____ possible to explore ____ cross-referencing?
 ____ it ____ identify alternative choices through ____?
 ____ possible ____ match parts ____ other ____ using their spec?
 ____ it possible ____ cross-reference ____ and ____ certain specifications?
 ____ I ____ parts and look at alternatives ____ specifications?
 ____ there be ____ possibilities ____ the part specs?
 ____ it be done ____ references ____ establish ____ based ____ component ____?
 ____ it possible ____ choices through part cross- ____?
 ____ it possible ____ cross-reference ____ different ____ based on ____ specifications?
 ____ we ____ out alternative choices ____ a ____?
 ____ you ____ to ____ alternatives by ____ specifications?
 ____ know if ____ is ____ chance of ____ picks via ____ comparisons?
 Can it be possible ____ alternates ____ by ____?

_____ possible to compare _____ look _____ based _____ their specifications?

Is _____ a way to _____ parts and specifications?

_____ it _____ compare the specifications _____ determine _____?

_____ to decide alternative _____ part cross-referencing.

Will _____ be _____ to _____ based on component _____?

Is it _____ check multiple _____ specifications _____ find substitute _____?

Can we _____ specifications?

Is it _____ to cross-reference _____ options _____ on their _____?

Can I _____ find _____ option?

Can _____ found using part _____?

Can _____ compare _____ on the _____?

_____ can cross reference parts _____ alternate options.

Is there _____ to cross _____ and determine _____ on their _____?

Is it _____ for alternates _____ check _____ spec?

_____ find _____ on parts' specifications?

I _____ to know _____ to determine alternate _____ parts.

Is _____ possible _____ different _____ reference part specs.

_____ it possible _____ identify _____ alternate _____ by reviewing _____?

I'm wondering if _____ can _____ parts _____ find _____.

_____ references, can _____ establish _____ based on _____?

Does _____ allow identification _____ alternatives _____?

_____ we compare substitute options _____?

_____ we _____ the _____ their specifications?

_____ wonder if I _____ for _____ options.

Is there an _____ comparing part _____ considering _____?

_____ want _____ it's possible _____ look _____ part _____ for alternatives.

_____ it _____ done using _____ to _____ on component info.

Is it _____ to _____ parts _____ find _____ choices?

Is there _____ chance _____ parts _____ other _____?

_____ wondering if there _____ a _____ compare parts _____ on _____ specifications.

_____ capable _____ finding alternatives by checking _____ part _____?

_____ use _____ cross-references _____ alternative choices?

Is _____ to _____ options based _____ the parts' _____?

_____ is _____ possibility of _____ alternates _____ spec.

_____ it possible for me _____ find _____ through _____?

_____ alternatives _____ specifications for cross-reffing _____?

_____ can _____ me find different _____ by _____ the _____?

_____ there a _____ finding _____ selections through spec _____?

Do _____ know _____ can help _____ find _____ options by _____ specifications?

Is _____ possible to cross _____ parts _____ to _____ options?

_____ to _____ alternative options using part _____?

Is _____ cross-reference and score _____ on their specifications?

_____ to _____ alternatives _____ part cross-referencing?

_____ I compare _____ and explore _____ on _____ specifications?

_____ be possible to _____ part details _____ alternatives?

Is _____ possible to _____ parts _____ alternatives?

_____ specification referencing allow _____ identification _____ alternatives _____?

_____ a chance to _____ alternates with matching _____.

Is _____ to figure out _____ with _____ cross _____?

_____ there an _____ find _____ by _____ parts?

Can _____ substitute options _____ comparing _____?

I _____ if _____ is possible to link different _____.

_____ possible to _____ to _____ new options?

Is _____ possible to decide _____ by considering _____ parts _____?

_____ we _____ options _____ part's specifications?

Is it possible _____ and _____ different options _____ their _____?

Is _____ possible for _____ options _____ spec comparisons?

cross reference parts _____

_____ we find _____ the _____ specs?

Is _____ use part _____?

Can _____ tell _____ if _____ chance of finding _____ part picks through _____?

_____ use _____ to _____ substitute options.

Is _____ possible _____ cross-reference _____ come _____ alternative options?

Can _____ up _____ alternative options _____ the _____ specifications?

Do you think _____ is possible _____ parts, _____ specifications, and _____?

_____ we cross-reference _____ to find _____?

Is _____ to _____ with part cross-referenced?

Is _____ any _____ can compare parts based _____?

_____ part _____ give _____ substitute options?

Can I _____ specifications of _____ components _____ find _____?

_____ components' details to find alternate _____?

_____ I _____ for other options?

_____ it _____ to compare _____ see alternative options based _____?

Is _____ to _____ choices _____ considering details _____ related parts?

Can we _____ to find alternate _____?

Can _____ alternate _____ the help _____ specifications?

_____ selecting alternates _____ matching spec _____.

_____ to compare parts details and _____ alternatives?

Is it _____ parts and _____ options based on _____?

_____ it possible _____ choices _____ the part's specs?

Is there a _____ of _____ specifications?

_____ it _____ for _____ possibilities to be _____ referencing _____?

_____ I find _____ based on _____?

_____ I _____ using their specifications?

_____ possible _____ alternate _____ by comparing _____ parts' specifications?

Is _____ chance _____ alternate _____ picks with spec _____?

Can _____ possibilities _____ by referencing _____?

Is _____ spec's to _____ alternatives?

_____ possible to determine _____ by looking at _____?

_____ use related parts _____ determining _____?

_____ comparison _____ to lead to _____?

_____ compare _____ and _____ at alternate _____?

Are _____ cross-reference _____ with _____ specifications?

Is _____ possible to _____ based _____ their specifications?

I _____ wondering if _____ was _____ details _____ possible alternatives.

_____ there _____ option _____ correlate _____ details with _____ options?

Maybe it is possible to _____ using _____?

Is _____ possible _____ find substitute _____ by comparing _____ parts?

_____ possible _____ other choices _____ considering parts and _____?

Can I _____ at alternative options based _____?

Is _____ to find _____ using _____ parts' specifications?
_____ discover _____ possibilities by assessing _____?
_____ and _____ alternates with _____ spec?
There is _____ possibility _____ and _____ with _____ spec.
Is _____ figure out _____ options _____ spec comparisons _____?
_____ to _____ alternatives _____ on parts?
_____ it _____ check multiple _____ specifications, and find substitute _____?
_____ be _____ correlate part details with other _____.
_____ are alternatives _____ you inspect the _____ parts.
_____ different possibilities found _____ specifications?
Is it _____ establish _____ choices via _____?
_____ be _____ referencing part specifications?
Can _____ compare _____ parts and _____?
_____ it _____ to _____ alternatives based on _____ info?
_____ we _____ alternatives with the part's _____ not?
Can _____ use _____ reference to _____ alternative _____?
You may be _____ help _____ different _____ by checking _____.
Can different _____ part specifications?
Is there _____ parts and identify replacements?
Is _____ substitute options using _____ comparisons?
_____ a _____ to discover _____ using part comparisons.
_____ you _____ the know-how to determine _____ specifications?
Can _____ cross _____ parts to _____?
Are _____ determine alternative _____ by checking part _____?
_____ different _____ using their specifications?
Are _____ capable _____ determining _____ by checking _____?
Is _____ replacements by _____ specifications.
Is there a _____ compare _____ on _____ requirements?
_____ to _____ part _____ and find alternative choices?
_____ it's possible _____ parts _____ their _____?
_____ like _____ compare and _____ choices _____ on _____ part specifications.
_____ spec _____ to determine _____ options?
Is _____ cool _____ pick _____ using the _____?
_____ you _____ how _____ compare _____ details _____ parts _____ order to _____ alternate options?
_____ wonder if I _____ parts _____ find other _____.
Is _____ possible to cross _____ details for _____?
_____ it possible _____ based on component _____.
Is it possible _____ compare _____ and see _____?
_____ possible to _____ & _____ alternates with _____.
_____ we be _____ to find alternative _____ part's _____?
_____ parts with the specifications?
_____ it _____ alternative choices with _____ cross-referencing.
Is it _____ find _____ based _____ the part's _____?
Is _____ options _____ the _____ are _____?
_____ it _____ check multiple parts and find _____?
I'm curious _____ link different _____ their specifications.
Is it possible to _____ parts _____ the _____?
Can _____ options _____ part options?
_____ other options _____ specifications?
Possibility _____ cross-check & _____ spec?

____ it possible ____ cross-ref parts for ____ based ____ ____ ?
 ____ it possible to ____ find ____ options.
 Is ____ possible ____ find ____ if checking ____ ?
 Is there a way ____ options ____ parts' ____ ?
 ____ find alternatives with ____ specifications?
 ____ am ____ if ____ to link different parts ____ their specifications.
 ____ want ____ know ____ is ____ to check part ____ possible alternatives.
 I want ____ if it's ____ cross-check details ____ .
 ____ there ____ alternatives for ____ part ____ and ____ alternatives?
 ____ possible to determine alternatives ____ different ____ .
 Can ____ viable alternate ____ and review ____ ?
 ____ it possible ____ find replacements by ____ specifications.
 Can ____ be ____ to ____ ?
 Is ____ a ____ look ____ parts based on their ____ ?
 ____ you ____ to ____ alternatives by ____ part ____ ?
 ____ appreciate ____ could help me evaluate various ____ using ____ .
 Is ____ cross ____ different parts based ____ their ____ ?
 Is ____ able ____ identify ____ for ____
 Will ____ be able to ____ other ____ on their specifications?
 Is ____ possible for ____ figure ____ alternate options ____ spec ____ ?
 Will it be possible for ____ determine ____ comparisons?
 ____ possible to check ____ and ____ specs?
 Is ____ for parts to ____ for other ____ ?
 ____ it ____ to ____ replacements by comparing ____ .
 ____ wondering ____ it's ____ cross-check part details ____ alternatives.
 Can I ____ their specifications?
 It ____ to compare part ____ consider alternative ____ .
 Is ____ scope out ____ parts based ____ data?
 Do ____ there's ____ chance of finding alternate ____ picks ____ comparisons?
 ____ find ____ if ____ cross- reference parts?
 Would it ____ parts for ____ alternatives?
 Is it ____ to ____ via ____ specifications?
 ____ there ____ to ____ parts based ____ their specifications?
 Is ____ choice ____ comparing ____ details and considering ____ ?
 ____ to ____ at multiple parts, ____ specifications, ____ substitute choices?
 ____ we ____ part cross-references to ____ out ____ ?
 ____ it ____ find ____ possibilities by ____ part spec.
 Is ____ possible ____ and score alternative ____ on the ____ ?
 Is it possible to ____ different parts ____ ?
 Can ____ the ____ of ____ to ____ other choices?
 ____ it ____ check part specifications ____ find ____ ?
 Is it ____ me to discover ____ comparisons?
 I ____ I can cross-reference ____ to ____ options.
 Is it possible ____ get ____ options ____ spec ____ ?
 ____ can determine alternate options by comparing ____ ?
 Is ____ possible to determine other ____ the parts ____ ?
 Does ____ chance of ____ alternate ____ via spec comparisons?
 ____ we assess the ____ components to ____ alternate ____ ?
 ____ is ____ to cross-check the ____ with ____ matching ____ .
 Do ____ exist ____ for ____ details?

_____ way _____ find parts _____ on their specs?

_____ like to know _____ compare spec _____ of _____ to find _____.

Is it possible to find _____ specifications?

_____ compare parts and see alternative _____?

Can _____ specs _____ find other _____?

_____ if I _____ parts to find _____ options.

_____ we cross-reference _____?

_____ that you can help _____ find _____ by checking _____?

_____ feasible _____ make _____ based _____ component info?

_____ I discover _____ on _____ specifications?

_____ can cross reference parts _____ find _____ options.

Is _____ to _____ parts based on their _____?

_____ to _____ I can compare parts _____ on _____ specifications.

Is it possible to determine other _____ and _____?

_____ know if _____ can cross-reference and score _____ based _____ specifications.

_____ there _____ way to cross-ref _____ for _____?

_____ find _____ using part comparison?

Is it possible _____ find _____ by _____ the _____?

_____ parts _____ that way?

_____ able to _____ by _____ part specifications?

Is it possible _____ compare parts _____ alternatives _____ specs?

_____ wonder if I can use _____ options.

Is _____ alright to check _____ similar specifications _____?

_____ look _____ to find alternatives?

Is _____ to _____ and _____ choices based _____ part specifications?

Is it _____ to cross- reference _____ options based _____ their _____?

Might it _____ possible _____ parts using their _____?

Is it _____ establish alternative _____ by part _____?

_____ cool to compare _____ choose alternatives _____ the _____?

Is _____ option _____ part details with alternative _____?

_____ possible to _____ details _____ alternatives.

_____ possible to _____ by _____ the parts.

_____ find different possibilities _____ referencing part specifications.

I _____ to know _____ determine alternate options _____ of suitable parts.

Specification- based part _____ can _____ used _____ find _____.

_____ know how _____ options by comparing parts?

Does _____ identification _____ alternatives for parts?

It's possible to cross-check and pick _____.

_____ there any _____ compare part details _____ consider _____.

_____ parts' specifications _____ alternatives _____ be _____ assistance.

_____ it possible _____ establish alternative _____ part _____?

_____ wonder if _____ cool to compare parts _____ using _____.

Is _____ to _____ the parts?

_____ it possible for me _____ comparisons _____ find _____ options?

_____ look _____ components' details to _____ alternate _____?

Can I _____ parts _____ see _____ they match the _____?

_____ I _____ parts based on _____?

_____ if _____ cross-ref parts for other options.

_____ possible to find _____ specifications of parts?

Does a _____ specification _____ identify _____ selections?

Is ____ possible ____ using their ____.

Would it ____ to ____ alternatives based ____ information?

I ____ if I can compare ____ based ____.

____ can I ____ part details ____?

Could it ____ possible ____ with other options?

____ the ____ info used as a reference ____ searching ____?

Does specification ____ an ____ components?

____ it possible to ____ their ____ and ____ choices?

____ possibilities that can be ____ referencing part ____.

____ to find other choices using the ____?

Is it ____ to ____ parts and ____ other ____?

Can we ____ the component ____ find ____?

____ possibilities be found ____ the ____?

____ it possible to ____ alternatives based on ____?

I ____ it is possible to cross-check ____ details.

I want ____ know ____ to ____ alternate ____ by ____ parts.

____ it ____ to cross reference ____ and ____ with ____ specifications?

Is ____ an option to ____ details with ____?

____ exist by ____ the specs ____ cross-referring ____?

Is ____ possible to ____ using spec ____?

Can I ____ specifications ____ order to ____ other options?

Matching ____ possible alternatives ____ be ____ assistance.

Is ____ that ____ can help me ____ parts ____ their ____?

____ it ____ possible to ____ if ____ by spec?

____ we ____ part ____ to make alternative ____?

____ you think you ____ help ____ find ____ options ____ specifications?

____ the ____ specification ____ identify ____?

____ spec-based ____ to ____ choices?

Will ____ be able ____ parts ____ alternatives?

Was ____ possible to ____ specifics ____ identify ____ alternate ____?

Is ____ possible ____ determine ____ comparing different ____?

____ you tell ____ how ____ the details ____ parts ____ find alternate options?

Is it feasible ____ me ____ determine alternate ____?

Is ____ identify alternate choices ____ cross-references?

I'm ____ sure ____ I can compare ____ on ____.

____ be possible to review ____ and ____ viable ____ choices?

Is it ____ determine alternatives ____?

____ possible ____ alternatives ____ are ____ on component info?

____ assess the ____ details to ____ possibilities?

Can you ____ for ____ spec?

____ would like ____ how ____ alternate options ____ comparing ____ details of suitable ____.

____ possible to compare ____ and ____ into ____ options?

Is ____ to ____ other ____ by ____ at specifications and ____?

Is establishing ____ based on ____ doable ____?

Is it possible ____ parts ____?

____ different possibilities be ____ referencing the ____?

Is it ____ cross-reference ____ parts ____ their specifications?

____ a way ____ substitute parts ____ comparing parts?

____ you have the ____ replacements ____ checking ____ specifications?

Can the ____ info be used ____ part ____?

I'm ____ if ____ can use ____ parts for _____.
 ____ look at ____ on ____ specifications?
 ____ you ____ details to ____ selections?
 ____ there a ____ of ____ and ____ alternate ____ based ____ specifications?
 ____ we ____ multiple parts, ____ identify replacements?
 ____ can I compare ____ spec ____ to ____ alternate options?
 Is ____ an option ____?
 ____ chance to ____ parts ____ find alternatives?
 Can ____ on the part's ____?
 Can I ____ alternative options ____ parts' ____?
 ____ it really ____ determine ____ options through ____ comparisons?
 ____ do ____ compare ____ and consider ____ choices?
 Is ____ a way ____ reference parts with ____?
 ____ we figure ____ alternative ____ part's specifications?
 ____ it possible ____ determine ____ choices ____ spec ____?
 ____ we ____ parts ____ specific ____?
 Is there ____ to ____ reference parts ____ alternatives?
 Is ____ possible ____ alternatives ____ parts?
 ____ it ____ to ____ different parts ____ specifications for ____?
 ____ there ____ way ____ parts and ____ using their specifications?
 Is ____ possible ____ alternative ____ part cross- reference?
 I want ____ it's possible to ____ part ____ alternatives.
 Can I find ____ specific ____?
 ____ possible ____ determine alternatives ____ part specifications ____ what?
 Can we ____ components' specifics ____ possibilities?
 Do you ____ if you ____ me find ____ checking ____ specifications?
 Can ____ via part ____?
 ____ I find alternatives ____ have specific specifications?
 Is it ____ alternative solutions ____ on ____ info?
 Can we ____ to get ____?
 Can I ____ other options ____ their specifications?
 ____ ok for me ____ for similar specifications?
 ____ wondering ____ I could ____ other choices ____ on ____ specifications.
 Can I check ____ with ____ for ____?
 ____ it be ____ to ____ multiple ____ their ____ and substitute ____?
 Is matching ____ specifications of auto components ____ to ____?
 ____ it possible to ____ parts and ____ for ____ based on ____?
 I ____ like to compare ____ using ____ details.
 Can ____ part cross- references ____ explore ____?
 Is ____ to find alternatives ____ on ____.
 I'm wondering ____ it's possible to ____.
 How ____ I ____ alternate options ____ the parts' ____?
 ____ specifications for possible ____?
 ____ to know ____ doable to cross-check part ____.
 ____ comparisons ____ alternate options?
 ____ specification referencing ____ identify alternatives ____ components?
 ____ cross ____ alternates with matching spec.
 Can ____ be done ____ references ____ establish alternatives based ____?
 ____ other options using part ____?
 ____ chance for finding a substitute by ____?

_____ parts' _____ be helpful _____ finding _____.

Do you think it is _____ to review part _____?

_____ find other _____ parts's specifications?

Can we look for _____ based _____?

_____ we find _____ different _____ with the _____?

Can I look up _____ to the _____?

Is it possible _____ find _____ using part _____?

Does anyone _____ options _____ comparing part _____?

Is _____ to figure _____ through part cross-reference?

_____ it doable to _____ based on _____.

Does _____ the _____ to _____ alternatives for components?

I was _____ cross-reference _____ find alternate options.

Is _____ to compare _____ and look _____ options.

_____ to know _____ spec _____ parts in order to find _____ options.

Is it _____ to find _____ match _____ specifications?

Can different possibilities _____ referencing _____?

Is _____ possible _____ find replacements _____ comparing the _____?

_____ it feasible to _____ multiple _____ their _____ and _____?

Is it possible _____ explore alternative options _____?

There is a _____ of _____ specifications.

_____ it possible _____ using parts _____ their specs?

Should I use the _____ options?

Is _____ to find _____ comparing _____?

Is _____ to discover _____ options _____ comparisons?

Is _____ for _____ find alternate _____ by _____ comparisons?

Is _____ possible _____ find _____ with _____ specifications?

_____ any chance _____ finding _____ part _____ spec comparisons?

_____ choices be established _____ part _____?

Is there _____ of finding _____ specifications?

_____ curious _____ parts with the same specifications.

_____ part cross-references _____ establish choices?

_____ I can find _____ choices _____ on _____.

I'm _____ it's possible _____ cross _____ part details _____.

Is it _____ find replacements _____ of _____?

_____ there _____ to _____ by comparing the parts _____?

_____ part comparisons _____ be _____ discover _____.

_____ you can _____ me _____ options _____ checking _____ specifications, please?

Is _____ of _____ to _____ alternatives?

_____ based on the _____ specifications?

Can we use _____ to choose _____?

Can _____ cross- _____ create alternatives?

Can part _____ to _____ viable alternate _____?

_____ wonder _____ compare parts based _____ the specifications.

_____ it _____ possible to link _____ using their _____?

Is it possible _____ different possibilities _____ part _____?

Can we _____ the _____ alternate _____?

Is it possible _____ using _____ comparison?

Is it possible to _____ options using _____?

_____ there _____ way _____ cross reference _____ with _____ specifications?

_____ there _____ to compare part _____ for alternative choices?

____ it possible to link ____ other ____?
 Is ____ possible to find ____ parts ____ on ____?
 ____ be able to ____ me ____ various parts ____ specifications.
 Is there ____ of finding alternate ____ via ____?
 ____ to ____ if ____ possible ____ link parts using their ____.
 Can ____ use ____ to ____ different ____?
 ____ there ____ way to ____ in order ____ find ____?
 ____ it ____ compare specifications?
 ____ possible to correlate ____ details with ____?
 ____ it possible ____ cross-Reference ____ options?
 ____ to determine ____ choices ____ part cross-reference?
 ____ possible to ____ to come up with ____?
 ____ want to know ____ it ____ possible to ____ part details ____.
 Would ____ possible to cross check ____ details ____?
 Can ____ our parts ____ find ____?
 ____ possible ____ find alternate choices ____ specifications.
 Specification-based ____ could ____ used to find ____.
 Do you think ____ possibilities can ____ found ____?
 ____ specification-based part ____ find ____ options?
 Can ____ spec ____ to ____ options?
 Can alternates be ____ by ____?
 Is it ____ parts based on their ____?
 ____ possible to review ____ details to ____ choices?
 ____ options with their specifications?
 Can ____ find other options?
 Is ____ option to correlate ____ other ____?
 Is ____ possible ____ out ____ using part ____ referencing?
 ____ it ____ to match ____ specifications ____ alternatives?
 ____ it possible ____ to determine other choices ____ the ____?
 Can ____ look ____ the components details ____ possibilities?
 Is it ____ to ____ component ____ to discover ____?
 Does ____ specification ____ identify alternate ____?
 Can we use ____ to ____?
 ____ able ____ parts using their specifications in order ____ suggest alternatives.
 ____ we ____ picks ____ spec comparisons?
 Looking to ____ alternatives.
 ____ parts based on the ____?
 ____ there ____ of ____ alternate part ____ by spec ____?
 Do you ____ how ____ check part specifications ____?
 Is ____ match ____ and find ____ options ____ their specs?
 ____ there ____ chance that I can ____ choices ____ part specifications?
 ____ should ____ compare ____ details ____ suitable ____ to ____ alternate options?
 Is ____ possible ____ cross-check ____ details ____.
 I ____ I ____ cross-ref ____ for alternative ____.
 Is ____ way ____ find other ____ on ____ part's specifications?
 ____ it possible to determine ____ by comparing ____?
 Is ____ a ____ find replacements ____ specifications?
 I wondered if I ____ parts to ____.
 Is ____ based on spec?
 Is ____ to determine alternative ____ with spec ____?

_____ compare _____ with their _____?

Is _____ a _____ parts _____ figure out alternatives?

Can we look at _____ to _____ possibilities?

Does _____ specification _____ alternate _____?

Is _____ that _____ comparison can _____ alternate options?

Can we cross-reference _____ to _____?

_____ you _____ me if _____ chance of _____ via spec comparisons?

Can _____ found if _____ inspect _____ and _____ parts?

_____ me how to compare the spec details _____ in order _____ alternate _____?

_____ a way _____ find _____ options using _____ specs?

Can _____ found _____ by spec?

_____ I use part _____ to _____?

Can I look _____ parts' specifications?

I'm _____ possible to _____ parts _____ the specifications.

Can you _____ how to _____ specifications of _____ parts _____ options?

Any chance that _____ different options by checking _____?

Is _____ to _____ alternatives based _____ component _____?

Is _____ alternative options based on the parts _____?

I might be able _____ discover alternate _____ part _____.

Can _____ other options using _____?

When _____ part _____ cross-referenced, are _____ available?

_____ is a _____ for finding substitute parts _____.

_____ if you inspect the _____ cross-referring parts?

_____ you _____ me _____ to compare _____ suitable parts _____ alternate options?

_____ we _____ find alternative _____ if we cross-reference _____?

Is _____ possible _____ compare _____ and find _____ options _____ the specifications?

_____ any _____ of _____ alternate part _____ through spec _____?

_____ it _____ determine _____ by _____ the specifications?

Can _____ on component specifics?

Matching parts' _____ for potential _____ something you _____.

Is it _____ part _____ with different _____?

_____ part _____ help _____ substitute options?

Is there a _____ to _____ a _____ parts?

Can spec-based comparison _____?

_____ we cross-reference _____ to _____ else?

Match _____ specifications to _____?

Is it _____ to determine _____ the details _____ parts?

_____ there a chance _____ comparing _____ to find _____?

Are there any _____ comparing _____?

_____ if _____ determine _____ by checking part _____ or what?

Is _____ possible _____ cross-reference _____ with _____?

_____ be done with _____ and _____ info _____ alternatives?

Will _____ able to _____ options _____ specifications?

_____ we locate options for _____ on _____?

_____ we _____ reference _____ to find _____.

_____ the part _____ identify alternative choices?

Is it _____ to _____ parts and come _____ options?

It's possible _____ and pick _____ matching _____.

_____ it okay _____ alternative possibilities _____ on _____?

_____ searching for alternative part options, _____ the spec _____ as _____?

Is it possible _____ identify substitute options?
 _____ alternate choices _____ part's specifications?
 _____ it _____ to make alternative _____ part cross- _____?
 Is _____ cool _____ compare _____ pick _____ using their _____?
 Maybe it _____ possible _____ correlate part _____ possibilities.
 Does _____ spec-based comparison _____ to _____?
 _____ I _____ other _____ that _____ the _____ specifications?
 Is _____ feasible _____ find _____ options using their specifications?
 _____ want to know if you _____ me _____ parts _____.
 I'm curious _____ to _____ parts together _____ their _____.
 How _____ I _____ options if _____ the _____ details of suitable _____?
 Is _____ to check _____ parts with the _____?
 _____ something be _____ part specifications?
 _____ chance _____ finding _____ by comparing parts?
 _____ I compare parts and _____?
 Maybe it is an _____ to correlate _____ part _____.
 Is _____ possible _____ to _____ alternatives?
 Is _____ possible to _____ part cross-referencing?
 _____ of _____ different substitution options?
 _____ cross-check details with _____?
 Will _____ be possible _____ link _____ parts _____ their _____?
 _____ to determine alternatives through part _____?
 Will we _____ to _____ on their specifications?
 _____ it _____ sense to compare _____ specifications _____ find replacements?
 Can we look _____ to find _____?
 Is it _____ part details _____ consider alternative _____.
 I _____ it is _____ link parts using _____ specifications.
 Is it _____ to _____ with _____ based _____ component _____?
 _____ we _____ part _____ to _____ alternative _____?
 Is it _____ to _____ alternatives _____?
 _____ possibility _____ find replacements by comparing _____?
 You _____ cross-check _____ with _____ spec.
 Is _____ to determine _____ using part _____.
 _____ they allow _____ identify alternatives through _____?
 _____ a _____ I _____ find alternative choices based on _____?
