

[Demo] NLP Dataset for Customer Service Automation

Company Type	Automotive manufacturers
Inquiry Category	Vehicle specifications and features
Inquiry Sub-Category	Engine specifications
Description	Customers inquire about the type of engine, horsepower, fuel efficiency, and other technical details related to the powertrain of the vehicle.
Data Size	6,295 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Automotive manufacturer" customer inquiry. (Purchased data will not be masked.)

Could you share technical details _____?

Let _____ engine specifications, _____?

Is _____ any _____ on _____ performs?

_____ about _____ about _____ performance capabilities?

Please _____ details _____ engine _____.

_____ intel on _____ capabilities?

_____ there _____ details?

_____ engine's technical specifications.

_____ regarding _____ performance.

Give me _____ the engine's _____.

_____ engine specifications?

Can I _____ an _____ this _____ works?

What information can _____ us _____?

Please _____ the _____ specifications.

What's the _____ engine performs?

_____ provide more _____ this _____ engine?

Can you _____ about the _____ of _____ engine?

Can _____ us _____ engine does?

Do _____ the engine's _____ like?

_____ please, please?

If _____ can, _____ about _____ capabilities.

Provide information _____ performance _____.

Tell me the _____.

_____ are the _____ engine?

_____ provide details of _____ engine's _____?

Let me know _____ motor.

Can _____ the engine's performance _____?

_____ have a _____ of how the _____?

Can _____ details about _____?

_____ can _____ me information about _____ abilities.

Can _____ more detailed specifications _____ engine's _____?

_____ about _____ performance capabilities

_____ do you _____ about _____ of the engine?

_____ have _____ into _____ engine?

_____ you _____ to _____ on the engine _____?

_____ engine performance _____.

_____ to _____ what the _____ performance capabilities are.

_____ giving _____ on _____ statistics?

Please _____ the _____ technical _____.

_____ tell _____ about _____ performance capabilities.

_____ details _____ the _____ performance.

_____ technical aspects _____ the _____ be revealed.

Can I _____ how this _____?

_____ on _____ engine's _____ specifications.

Give me _____ about _____ capabilities.

_____ engine _____?

_____ insights into the engine's _____.

_____ want to _____ on _____ statistics.

What details _____ you give _____?

_____ you _____ on the _____ of the _____?

_____ engine performance _____?

Do _____ want engine _____?

Is _____ any _____ the _____ performance?

_____ there any _____ you _____ give _____ this _____ performs?

Technical _____ about _____ engine's _____ can _____.

Do _____ have _____ details _____ engine _____?

_____ it _____ to state _____ specifics?

Is _____ to get _____ the engine?

Do you _____ about the _____?

I need _____ know the _____ of _____.

Please _____ technical information _____ the _____.

_____ specifics _____ performance _____ be disclosed.

I _____ to _____ about how _____ engine is.

I _____ to learn _____ engine's _____ abilities.

Do you have _____ about _____?

_____ can tell _____ about _____ engine's _____.

You could _____ about _____ capabilities.

_____ let _____ about _____ engine's performance?

_____ me _____ the _____ description.

_____ engine's performance abilities?

Howbout _____ specifications?

_____ on _____ capabilities should be _____.

_____ engine _____ details _____ assessment.

intel _____ performance?

_____ tell me _____ this _____?

_____ sort _____ can you _____ about _____ engine's performance?

Can _____ details _____ the engine _____?

_____ about _____ specifications _____ engine?

_____ information can you _____ about _____ engine?

_____ you reveal _____ that _____ power?

Can _____ us _____ that _____ power?

Can _____ give _____ this engine performs?

_____ technical details of this engine?

Do _____ have _____ about _____ of this engine?

_____ of _____ engine's abilities.

Provide the engine _____ assessment.

_____ have _____ about _____ power abilities?

Can you _____ us _____ about _____?

_____ share the _____ specifications.

If _____ can, _____ me _____ description _____ engine's abilities.

Is it _____ to give _____ of _____?

_____ possible _____ disclose engine _____ specifics?

_____ learn about _____ engine's power _____.

Provide _____ information _____ engine.

Would _____ possible to get _____ info _____ the _____?

_____ there _____ you can _____ about engine _____?

_____ would _____ to _____ on the motor's _____.

I would _____ to _____ information _____ the _____ power and _____.

_____ provide information _____ capabilities.

_____ have any _____ on _____ engine's _____?

_____ can _____ tell _____ this engine's _____?

_____ you _____ about the engine?

_____ would like _____ know _____ of the _____ abilities and _____.

I wish to _____ engine's performance _____.

Can _____ me the _____ that _____.

What _____ us about _____ capabilities?

I'd _____ about the engine's technical _____.

_____ you give details _____ performance?

What _____ you give regarding _____?

_____ have _____ engine _____.

_____ any information _____ engine function?

_____ any _____ the engine's capabilities?

Do _____ have engine _____?

Let _____ detail _____ the motor.

Provide _____ engine's _____ capabilities.

_____ I _____ insights _____ the engine's _____ and abilities?

_____ engine _____ details _____ be _____.

Is there _____ you _____ the capabilities of _____ motor?

Will _____ given detailed _____ into _____ engine's _____ and _____?

_____ tell _____ about _____ engine's abilities?

_____ provide technical information _____.

_____ power details?

_____ share the engine's _____.

Is it _____ to _____ in _____?

Can you _____ us _____ about _____?

Tell me _____ the motor.

_____ share the _____ technical _____.

_____ performance of the _____.

_____ you _____ some insight into the _____?

_____ provide _____ technical _____ the engine?

Can _____ tell _____ capabilities _____ the engine?

Can _____ me _____ that _____ power?

Will _____ me _____ about the engine's _____?

_____ me _____ motor's details.

Information _____ can be given.

Can you _____ us _____ engine's performance?

Can you _____ me some _____ power abilities?

_____ can _____ me about this _____?

I _____ to _____ the _____ performance _____.

_____ need _____ information _____ performance capabilities.

_____ information _____ you _____ the _____ abilities?

_____ it possible I receive detailed _____ the _____?

You _____ the information on _____ technical _____.

Are _____ to tell _____ the engine's power _____?

_____ much technical _____ can _____ about _____ engine's performance?

_____ need an _____ of _____ abilities.

Send information _____ technical _____.

_____ it possible I _____ insight into _____ power _____ abilities?

Can _____ something about this _____?

_____ information can _____ give _____ engine's capabilities?

_____ me _____ about _____ motor.

Is it possible to _____ details _____.

_____ would like to _____ the extent _____ the _____ power _____.

Please _____ the _____ specification of _____.

Please _____ engine _____ details for _____.

I'm _____ about _____ capabilities.

_____ you tell _____ that engine's _____ is _____?

_____ information _____ engine performance _____

_____ me _____ about your _____ performance?

Is it possible _____ performance?

Is _____ about the engine's _____?

_____ power of this engine.

_____ the engine's power?

Can _____ give me _____ into _____ engine's _____?

If _____ me a _____ of _____ engine's capabilities.

I _____ about the engine's _____.

Do you _____ about the _____?

Please give _____ your _____.

_____ information on _____ engine's performance?

Is it _____ talk _____ engine's performance _____?

_____ looking _____ about the _____ abilities.

_____ specify the performance of _____?

_____ like _____ the engine's technical _____.

Can you _____ engine specifications?

I _____ like to know _____ engine's _____ and _____.

_____ me more information about the _____ performance _____?

_____ the _____ power of this _____.

_____ give _____ about the _____ performance _____.

_____ know _____ the engine _____ are?

Is _____ the _____ capabilities?

Can _____ breakdown of _____ this engine _____?

_____ give us _____ the capabilities _____ this motor?

Can _____ give _____ the _____?

Can _____ the _____ of this _____?

_____ you _____ me _____ about _____ capabilities of _____ motor?

_____ you _____ more _____ about engine _____?

_____ the engine's technical _____.

_____ be given detailed insights _____ and abilities?

_____ on _____ power?

_____ you provide _____ engine performance?

_____ a question about _____ abilities.

Provide relevant _____ engine performance _____

Talk the _____ engine.

Let _____ engine's _____ info.

_____ find out _____ the _____ does?

_____ the _____ specifications _____ soon?

_____ it _____ power of that engine?

_____ share the _____ for _____ engine.

Do _____ have any information _____ of the _____?

_____ there _____ information _____ performance that you can _____?

Can _____ what _____ engine can _____?

_____ the _____ specs?

_____ would _____ to _____ engine's power and abilities.

_____ need to _____ the _____ of _____ engine's _____.

Please _____ technical details.

Can you _____ me _____ on _____ engine's _____?

Can _____ explain _____ technical _____ this _____?

Is there _____ share _____ engine's performance?

Is it possible _____ get _____ breakdown _____ works?

_____ the engine's technical _____ shared.

_____ it _____ to get _____ specifications _____ the engine?

Can _____ give _____ information _____ how _____ works?

_____ you give me _____ powers?

_____ can, _____ me know _____ the engine _____ of.

_____ there _____ intel _____ functions?

_____ get detailed _____ the _____ powers?

_____ have any insight _____ engine's _____ abilities?

I would like to _____ to _____ engine's power _____.

_____ provide _____ about the _____ capabilities?

_____ share the engine's _____?

What can _____ tell _____ engine's _____?

Give _____ specifications _____?

_____ want _____ know more _____ engine's _____ abilities.

_____ specifications for _____ immediately?

_____ would appreciate _____ you could give _____ overview _____ the _____.

I need _____ the performance abilities of _____.

You _____ able to _____ an idea of the _____.

Can I _____ the _____?

What can you say _____ the _____?

_____ others _____ the _____ capabilities.

_____ want to _____ more about _____ power of _____.

_____ about the engine _____?

I am curious _____ of _____ engine's _____.

I _____ the _____ abilities of the _____.

I _____ like _____ detailed insights into _____ engine's _____.

I would _____ to _____ how _____ is.

_____ have _____ information about the _____?

_____ you tell _____ regarding this _____?

Does _____ know the _____ of the _____ power _____?

_____ give details of _____ capabilities?

What _____ of _____ information can you tell _____?

Please _____ engine _____.

Could you _____ about the _____?

_____ engine's _____ specifications.

_____ are the _____ engine _____?

_____ technical details, please.

_____ any information about engine _____ you _____ give?

_____ me _____ this engine is.

_____ have any _____ about _____ engine's _____ capabilities?

_____ an idea of the _____.

What _____ power _____ available?

I _____ about _____ performance.

_____ possible to get detailed _____ engine's performance?

Tell _____ more _____ power _____ this _____.

_____ me _____ about the _____.

Do you _____ share _____ specifications?

_____ about the engine's performance _____.

Give _____ engine _____ straight _____?

_____ engine _____ info.

_____ I _____ about _____ motor's performance?

You _____ about _____ of the engine.

Can you _____ the _____ aspects _____ the _____?

_____ you have any information _____ characteristics _____ engine?

_____ the performance _____ engine

Please give _____ on _____ capabilities.

_____ would _____ know _____ the engine's power abilities.

_____ give engine _____ details.

_____ engine performance _____ assessment.

_____ what that engine's _____ is?

_____ talk _____ the _____ of _____ motor?

_____ about engine performance.

How _____ specifications.

What _____ information _____ you provide about _____?

Tell people _____ engine's _____ are.

_____ about engine performance _____.

_____ it _____ to disclose the _____?

Could you _____ about _____ engine?

Inform me _____ its _____.

_____ relevant technical _____ on the _____.

_____ me a description _____ this _____.

I want _____ on the _____.

Is _____ power information _____?

_____ about _____ performance _____ you tell _____?

You should _____ me _____ of _____ capabilities.

_____ I get _____ of _____ this _____ performs?

Please _____ the engine _____.

_____ the engine _____?

_____ information _____ engine's _____ capabilities.

_____ the engine?

Tell about _____.

Can _____ give _____ on the _____?

I'm wondering _____ can get a _____ how this _____.

_____ you _____ able, give me _____ the _____ abilities.

Can you tell _____ more _____ of _____ model?

Technical details _____ the engine's performance _____.

_____ you _____ us details _____ performance?

Can I get _____ how _____ works?

_____ relating _____ engine performance capabilities.

_____ engine's technical _____ please.

_____ give _____ regarding this engine's abilities?

_____ the _____ performance _____.

Can _____ me the _____ performance _____?

_____ of info _____ give about the _____?

Can you give us _____?

_____ information _____ provide on the _____?

_____ you _____ that engine's power?

Let _____ the _____ technical _____.

_____ us information _____ the _____ performance?

How _____ specs?

Can _____ tell _____ engine performance?

_____ can, _____ me information on _____ engine's _____.

What _____ me _____ engine's performance characteristics?

Share the _____ engine.

Can _____ the engine works?

_____ power _____?

Is _____ way to fill _____ engine _____?

_____ you give _____ engine's capabilities?

_____ possible to give _____ details _____ the _____?

_____ tell me _____ this engine.

_____ you _____ give me _____ overview of this engine.

Do you _____ details?

What details _____ you _____ about _____?

Is it _____ to _____ detailed _____ engine's power?

Please, _____ have _____?

Give _____ details.

_____ wondering if I _____ about _____ motor's performance.

_____ would like to _____ more about _____ engine's _____.

_____ engine performance _____ for _____.

I _____ to understand _____ performance _____.

_____ provide _____ details for _____.

I am _____ about _____ extent of the _____.

Were I _____ to get _____ performance?

Is _____ anything you _____ about _____ engine's abilities?

_____ me engine _____?

_____ it _____ to tell me _____ engine _____?

Tell me _____ and _____ powerful it is.

Can _____ about _____ engine's capabilities?

_____ know _____ this engine's capabilities?

_____ information _____ you give on _____?

Provide _____ performance _____ for _____

Could _____ let me know _____ abilities?

_____ technical _____ can _____ by you.

Provide _____ for assessment.

Could _____ learn about _____?

_____ engine performance _____ assessment

_____ tell _____ details about _____ performance?

If _____ give me _____ of this engine's _____.

Provide _____ information.

_____ tell me _____ model's engine?

_____ me _____ of _____ engine's capabilities.

Can you _____ us _____ works?

What information could _____ give _____ performance abilities?

_____ you tell us _____ capabilities?

_____ about engine _____ specifics?

_____ me know about _____ power _____.

_____ it _____ possible to get detailed specifications _____ engine?

Is there _____ me about the _____ capabilities?

_____ technical abilities _____ the _____.

_____ you _____ the performance of the engine?

_____ it _____ to _____ about the engine?

_____ you tell me _____ power abilities _____ of _____?

Can _____ technical information _____ engine?

What could _____ tell _____ this _____?

_____ the engine's _____.

_____ you _____ us more about _____ this motor?

Were _____ to tell us about the _____?

What information can you _____ performance _____ the _____?

Is _____ to tell _____ specifics.

Is it _____ disclose engine _____?

Is it possible to _____ the _____?

_____ you _____ the engine's performance?

_____ you can, _____ me _____ overview _____ engine's abilities.

Tell _____ engine's performance _____

The engine _____?

Can _____ tell us _____ the _____?

_____ engine _____ please?

_____ power _____ this engine.

_____ you tell me about _____ capabilities _____ motor?

_____ would like _____ the motor's performance.

_____ parameters, _____?

_____ give me _____ the engine?

_____ you _____ about the engine's performance _____?

_____ you tell us _____ of the motor?

Can _____ give me _____ on _____ the engine?

What can you _____ about _____ capabilities?

_____ get an _____ how _____ engine performs?

_____ give us _____ details _____ the _____ performance capabilities?

_____ you know _____ that _____?

_____ do _____ say about the _____ performance?

_____ technical information _____ the engine's _____.

Can _____ on the engine?

Do _____ about the engine?

Can _____ a description _____ this _____ does?

Could _____ more _____ motor's capabilities?

What _____ give about the engine?

_____ the performance _____ engines.

_____ want _____ on _____ engine's _____.

Please _____ more _____ the _____.

I _____ performance _____ of the engine.

Can you _____ engine _____?

_____ you _____ an _____ of what the _____ can do.

I _____ to _____ the engine's power _____ abilities _____.

_____ you elaborate _____ capabilities _____ the _____?

_____ you _____ engine _____ is like?

What _____ do you _____ this _____?

_____ give _____ engine's _____ specification.

Can you provide _____ about _____ engine?

Is _____ get _____ on the engine's performance?

Say _____ engine _____.

How'bout _____ specifications?

_____ technical details _____ engine's _____ capabilities.

Do you _____ the _____?

_____ info on the _____ abilities.

Can you _____ technical _____ the engine's capabilities?

_____ you _____ insights into the engine's capabilities?

_____ tell _____ how this engine _____?

Would it be _____ to get _____ the _____?

Please tell _____ specification.

_____ engine power _____?

Give engine _____.

_____ details of _____ engine can be _____.

Give me an idea of _____.

Please provide _____ the _____ performance _____.

Engine _____ details _____ be _____.

_____ possible _____ get _____ on the engine's _____?

_____ the _____ specifications.

Please _____ information on _____.

_____ about _____ motor.

I _____ on the engine's _____.

_____ the _____ soon?

_____ on engine _____ you provide?

Can _____ the engine's performance?

What can _____ performance of _____ engine?

_____ be _____ give me an overview of _____?

Tell _____ about _____ of this _____.

Can _____ how _____ engine works?

_____ the _____ details.

I am _____ the engine's _____.

Do _____ have insights _____?

Can _____ tell _____ the capabilities _____?

May I _____ about _____ power and _____?

_____ wanted _____ ask about _____ performance _____.

Get _____ with _____ engine's _____ capabilities.

Talk _____ the engines

_____ the engine's technical details.

What can _____ tell _____ about _____ the engine?

Tell me _____ about _____.

The _____ performance _____ shared _____ you.

Is it _____ provide _____ on how _____ performs?

If _____ able, _____ give me _____ overview _____ engine.

_____ would like _____ the extent of the engine's _____.

Speak to _____ the _____.

_____ the _____ specifications of _____ engine?

_____ about the _____ details _____ the _____.

Are _____ to share _____ details of _____ engine?

Provide _____ about engine _____.

_____ about _____ engine's performance _____?

talk _____ your _____

_____ us details _____ the engine?

What technical information _____ you give _____?

You _____ about the _____ the _____.

_____ engine _____ pronto?

_____ what you _____ about _____ engine's _____.

_____ you _____ us any _____ about this _____?

Were you _____ to talk about the _____?

_____ need _____ the _____ ability to perform.

Send engine performance _____.

_____ give engine _____?

Technical _____ of _____ engine _____ by you.

Discuss your _____

_____ provide information _____ how _____ works?

_____ the _____ capabilities?

Please _____ the engine _____?

_____ on the engine's _____ abilities.

Can you tell me _____ about _____ of _____?

_____ there any information _____ give _____ about the engine's _____?

_____ information on the _____.

_____ you tell us _____ details _____ the _____?

_____ can give me _____ the engine's _____.

Provide ____ about ____ performance
____ performance details ____ given.
____ can you ____ about ____ performance?
____ you ____ about ____ engine's ability to ____?
____ about the ____ capabilities.
____ give ____ about the engine's ____?
Information on ____ technical ____ can ____ on.
____ engine performance details.
Please ____ me ____ engine's performance ____.
____ there anything ____ about the capabilities of ____ motor?
____ I get a breakdown ____ this ____?
Please mention ____ engine's ____.
Share ____ technical ability.
Information ____ engine's ____ be shared.
Please share ____.
The details ____ engine ____ disclosed.
Is there ____ information ____ the ____ and ____?
Share ____ engine's technological ____.
____ information ____ the engine's ____.
Let ____ know ____ details.
Could ____ give me ____ engine's performance ____?
____ you tell ____ the ____ powers?
I ____ to know ____ you ____ reveal ____ specifics.
____ kind ____ information ____ engine's performance ____ you give?
____ details ____ you ____ for ____ performance?
____ am ____ information about the performance ____ engine.
Let me ____ what's ____ on ____.
____ you ____ on the ____ capabilities?
____ discuss engine ____ details?
Please tell ____.
Can ____ learn more ____ performance?
____ you ____ some insight ____ the engine's ____ abilities?
____ possible to ____ the technical ____ of ____ engine?
____ give ____ performance details?
____ the ____ characteristics ____ the engine?
Please discuss ____.
I ____ information about ____ power ____.
Can you give ____ about how ____?
Is it possible to ____ detailed ____ the ____ abilities?
I ____ like ____ extent of the ____ power.
Please ____ the ____ specifications.
Please ____ engine ____.
You can ____ me about ____ the ____.
What ____ this ____ do you have ____?
The ____ performance ____ given ____.
What ____ the engine's performance ____?
Share the ____ technical ____ people.
Is ____ about how the ____?
Will you ____ the technical ____ of ____?
____ would like to ____ details.

_____ to fill _____ on engine _____.

What _____ details do _____ the _____?

_____ information on _____ engine's _____ ability.

Do _____ details about _____?

Please provide details _____.

Give _____ details _____?

It might _____ to _____ on the engine's _____.

I'd _____ about the engine's _____.

_____ to discuss _____ capabilities of this _____?

_____ information _____ performance capabilities _____ be _____.

Can _____ me _____ on how the _____?

Can _____ information on _____ engine's _____?

Do _____ on that _____?

_____ about _____ specs?

_____ it possible _____ a _____ how the _____ performs?

Do you _____ any _____ engine?

_____ any information _____ engine's performance capabilities?

_____ get a _____ of this _____?

Can _____ describe _____ of _____ engine?

_____ you _____ the time, _____ overview of the _____.

_____ me _____ this _____ power.

_____ you have _____ information _____ powers?

_____ tell me _____ the power _____ engine is?

Can _____ something about _____ power?

Is it _____ on _____ of this motor?

_____ engine performance capabilities _____ given.

_____ get _____ of the engine's _____ and abilities?

_____ if I _____ get _____ the motor's performance.

What about _____?

_____ it _____ on how this engine performs?

What _____ can you _____ about _____?

Can you _____ more information _____?

_____ performance details _____

You _____ give _____ an overview _____ the _____.

_____ it be possible _____ get _____ the _____ capabilities?

What _____ specifications, _____?

Would _____ describe _____ of the _____?

Is _____ provide _____ engine performance.

_____ engine's _____ information.

Technical details _____ could be _____ the public.

_____ you tell about this _____?

_____ more about the _____ of _____.

_____ the engine _____?

_____ you know _____ engine's power _____?

_____ can _____ me _____ the technical _____ the engine.

Can _____ information about the _____?

Is _____ possible _____ details _____ engine's performance?

_____ let _____ know about engine _____.

How 'bout _____?

_____ engine specifications _____?

Give _____ technical _____.

_____ should be _____ pronto?

intel _____ engine _____?

_____ you tell me _____ capabilities _____ motor?

You _____ engine's capabilities?

_____ should share _____ specs.

_____ like to _____ this engine _____.

_____ us _____ know _____ engine's abilities.

_____ things like engine _____.

_____ there _____ specifications please?

Could _____ idea of the engine's _____?

I _____ more about how powerful _____ is.

_____ technical _____ can _____ share _____ engine?

What do you _____ works?

Would _____ be _____ share technical details _____ the _____?

Did _____ me _____ information _____ the engine's _____ abilities?

Is it _____ that _____ receive _____ engine's power _____ abilities?

_____ are _____ engine _____ please?

_____ us know the _____.

_____ details _____ engine _____.

Can _____ tell _____ technical details _____ this _____?

_____ anything _____ can tell me about this _____?

Can _____ any information about _____ engine's _____ abilities?

_____ can _____ about the performance _____ of _____ engine?

Please spread _____ details.

Say about _____.

_____ can, give _____ an _____ of the _____ capabilities.

What technical details do you _____ capabilities?

_____ send the _____ technical _____.

Can _____ specifications _____ engine's performance?

What _____ of _____ engine do _____?

_____ like to _____ the extent _____ engine's _____.

_____ tell _____ about the power abilities of _____?

Please _____ details _____ performance.

_____ on the engine's power abilities?

Can I see _____ the _____ performs?

Could _____ about the engine's _____?

_____ us more _____ the motor?

Share information _____ skills.

_____ performance details _____ evaluation.

_____ like to _____ more about _____ power _____ of _____ engine.

Can I get _____ performance?

_____ it _____ to _____ details _____ the engine _____?

Can _____ give _____ some information _____?

_____ you _____ an idea _____ capabilities of this _____?

_____ are the _____ on _____?

_____ you tell us _____ abilities?

_____ engine performance should _____ provided.

Provide details _____ the _____.

What _____ about the engine's _____?

_____ description _____ the motor's performance?
_____ it _____ possible _____ a complete _____ of the engine's _____?
_____ give _____ details of the _____?
_____ details of _____ engine _____?
Can you _____ me _____ the _____?
If you can, _____ information _____ the _____.
_____ it be possible _____ get detailed _____ the _____?
_____ am _____ to _____ extent _____ the engine's _____ and abilities.
Is _____ to _____ performance details?
Engine _____ specifics _____ be disclosed _____.
_____ engine _____ please?
What _____ for engine power?
_____ tell _____ about the _____ specifics?
_____ give _____ about _____ model's engine?
Technical _____ about _____ capabilities _____ be _____.
_____ you _____ what _____ engine is capable _____?
Could _____ more _____ the motor?
_____ can _____ tell about this _____?
Can _____ about _____ engine?
_____ was wondering if I _____ more details _____ motor's _____.
Can you _____ me _____ this _____?
_____ need _____ insight into the _____.
Is _____ possible _____ capabilities of _____ motor?
_____ on the engine's performance?
Can I _____ more _____ about _____?
_____ you share _____ details of _____?
_____ need to _____ the _____ power and abilities.
Was _____ to detail _____ capabilities _____ motor?
Should _____ get details _____ performance?
Information _____ engine's technical _____ shared
Is there any _____ engine _____?
_____ would like _____ know _____ about the _____.
If you _____ an idea of _____ engine's _____.
Is it _____ get detailed _____ the engine's _____ and _____?
_____ you _____ us any _____ regarding _____ abilities?
If _____ tell _____ how this _____.
_____ there _____ information _____ the extent of _____ engine's _____ abilities?
Please tell _____ engine _____?
_____ information about _____ engine.
I _____ if _____ of the motor's performance.
Is _____ any information _____ the performance _____?
I _____ engine performance.
_____ information on _____ capabilities is _____.
_____ tell _____ what the engine's _____?
Let _____ know about _____ technical _____.
_____ you _____ information about _____ of the engine?
Can you tell _____ that _____?
_____ you _____ us _____ about _____ engine?
Please, _____ specifications.
Information about _____ should _____ provided.

Is there _____ can _____ me _____ this engine _____?

What _____ can you give?

I am looking _____ engine's power _____.

Would it _____ on the engine's performance?

_____ the engine _____?

_____ you give _____ details on _____?

Can there be details _____?

_____ give _____ information about the _____?

What kind _____ information _____ tell _____ engine's performance?

_____ it possible to give _____ on _____ engine's _____?

_____ any technical _____ regarding _____ engine's _____ capabilities?

_____ you _____ the _____ details?

Can _____ me something _____ power of _____ engine?

_____ performance of _____ be disclosed.

_____ you _____ me about the _____?

_____ the engine's _____ capabilities _____ shared.

Can _____ say _____ the _____ power?

How _____ their _____?

I _____ insights into the engine's capabilities.

_____ much technical _____ give _____ the engine's performance?

_____ appreciate _____ you could _____ me an _____ this engine.

_____ any _____ about the _____ capabilities?

Would _____ possible to get detailed _____ performance?

Talk about _____ is _____.

_____ details of the _____?

I _____ know about the _____ and abilities.

_____ about the _____ abilities _____ know?

_____ you give _____ information _____ the engine's _____?

_____ spill _____ engine's _____ details.

Please, _____ specifications, _____?

_____ filling _____ on engine _____?

_____ the details _____ performance.

_____ need an overview of _____.

Is there any _____ on engine _____?

_____ the _____ of the _____ capabilities.

_____ need a _____ the engine's _____.

_____ that _____ have insights _____ the engine?

Talk _____

_____ you have _____ into _____ capabilities of _____?

_____ on _____ engine's technical _____.

Can you _____ me more information _____ the _____?

Could _____ get _____ about _____ motor's _____?

_____ give a _____ of _____ the _____ works?

_____ the _____ technical _____.

How _____ engine _____?

Can _____ give _____ information _____ of the engine?

_____ you _____ me _____ that engine?

_____ about the _____ can _____ give?

Is _____ possible to give _____?

_____ wanted to know _____ about _____ abilities.

_____ assessment provide _____ performance _____.

Information on _____ engine's _____ capabilities _____.

_____ information _____ give _____ about _____ engine?

I'd like _____ more _____ engine's performance _____.

_____ you _____ the _____ technical _____?

I am _____ power _____ of the _____.

_____ share _____ technical data _____ engine.

_____ the details for _____?

_____ tell me what _____ performs _____?

Can _____ breakdown of how _____ works?

Information about the _____ can _____.

_____ give us _____ about _____ the engine _____?

Can I _____ detailed _____ the engine's _____ and _____?

What _____ can _____ the engine's _____?

Can _____ the _____ specifications?

Are _____ going _____ fill in _____?

_____ you tell us _____ capabilities?

Tell _____ specifics _____ the _____.

Share information on _____.

Provide _____ information on _____ capability

_____ me how _____ this engine _____.

_____ you _____ information _____ the _____?

I _____ to know _____ performance.

_____ relating to _____ performance capabilities.

If _____ let _____ this engine is doing.

Is _____ any information _____ power and _____?

Explain the _____.

Will _____ about _____ technical _____ of the _____?

Can _____ the engine's power?

_____ you _____ me _____ on the engine's _____ capabilities?

_____ it _____ to _____ the performance of the _____?

What _____ you _____ the engine?

_____ it _____ get detailed insights _____ the engine's _____ and _____?

_____ give me more _____ engine?

Is _____ to fill _____ figures?

_____ out how the engine _____?

_____ me _____ powerful this engine _____.

_____ engine performance capabilities _____.

Please _____ engine _____.

Tell me _____ your _____.

Can you _____ information on _____ performance?

Talk about _____ the _____.

_____ me about _____ of this _____.

_____ I _____ able _____ get _____ the motor?

Let _____ know _____ power this _____.

_____ the _____ technical capabilities.

Tell _____ this _____ is.

Is _____ me about _____ technical _____ the engine's capabilities?

_____ the engine performance.

_____ this _____ can you _____ us?

What are _____ engine _____?

What _____ you _____ regarding this _____?

_____ would _____ to _____ about the _____.

_____ you have _____ the _____ performance?

_____ me _____ this _____ is.

Would _____ more _____ motor's capabilities?

Let _____ about _____ motor's _____.
