

[Demo] NLP Dataset for Customer Service Automation

Company Type	Auto Repair and Maintenance Shops
Inquiry Category	Dashboard warning lights are illuminated
Inquiry Sub-Category	Power Steering warning light is on
Description	Customers might have inquiries about the power steering warning light remaining illuminated. This could indicate a problem with the power steering system, such as low power steering fluid levels, a faulty pump, or a damaged steering rack, requiring evaluation and repair to ensure proper steering control.
Data Size	5,160 paraphrases
