

[Demo] NLP Dataset for Customer Service Automation

| | |
|-----------------------------|--|
| Company Type | Mobile Network Operators |
| Inquiry Category | Network outages and service disruptions |
| Inquiry Sub-Category | No network coverage |
| Description | Customers may encounter areas where there is no network coverage at all, preventing any form of communication. |
| Data Size | 5,826 paraphrases |
| Want to buy data? | Please contact nlp-data@gross.me via your business email address. |

Masked sample paraphrases of one "Mobile Network Operator" customer inquiry. (Purchased data will not be masked.)

____ it ____ to experience ____ lack ____ cellular ____ in ____ locations?

I wonder ____ ____ is ____ not to ____ ____ coverage in ____ ____.

____ there a lack ____ ____ connection ____ or ____?

____ one expect ____ ____ of cell ____ in ____ areas?

____ ____ is ____ lack of ____ reception in ____ regions.

Is ____ ____ expect ____ total absence ____ cellular connection ____ ____ areas?

It ____ expected ____ have no ____ ____ ____.

Can ____ imagine a ____ ____ ____ service ____ some areas?

____ certain ____ there ____ no ____ signal.

____ it ____ to ____ ____ any ____ coverage?

cell ____ is bad ____ ____?

Is ____ ____ to not have ____ mobile ____?

Is ____ ____ ____ total absence of ____ network in ____ areas?

____ phone ____ works?

cellular service ____ ____ in some ____?

____ expect ____ ____ cell reception in remote areas?

Is there ____ lack ____ ____ in different ____?

Is it ____ don't ____ any network coverage ____ ____?

____ normal to have no ____ coverage ____ particular ____.

____ it normal to ____ no cell ____ ____ certain ____?

Would ____ ____ ____ lose mobile signal?

____ happens ____ cell reception ____ ____ at ____?

There ____ ____ cell signal in ____ ____?

Do ____ ____ zones ____ phones?

Does ____ usually ____ ____ signal ____ times?

____ there ____ cellular ____?

____ there often a ____ ____ ____ phones?

____ it possible ____ expect a ____ ____ ____ in some areas?

Is ____ ____ to have ____ ____.

____ ____ reception not ____ ____ in some ____?

Is this _____ are _____?

Is _____ because there is _____ signal in _____?

Lack _____ mobile _____ may _____ or _____.

_____ cellular service in _____.

_____ common to lose mobile _____?

Some _____ do _____ service.

Could _____ be _____ here?

Is it _____ cellular links _____?

_____ cell signal in _____ areas.

_____ are _____ cell _____ in some _____.

_____ possible to _____ no _____ service _____ certain location?

Is _____ for _____ to not have any _____ specific _____?

When cellular _____ not existent, _____?

You _____ lose _____ mobile _____.

_____ there no _____ some spots?

_____ normal _____ to lack _____?

_____ total _____ blackout _____?

Does _____ of _____ happen _____ different regions?

It's _____ to face _____.

_____ it normal _____ have _____ in a location?

_____ the complete _____ of _____ be considered _____ under _____ circumstances?

Is it normal to not _____ a _____?

_____ dead _____ for phones _____ often? _____

_____ there _____ service in _____ spots?

cellular reception _____ few places.

_____ don't _____ full _____ a place?

Is the _____ of _____ cellular _____?

Can _____ a complete lack of _____ certain _____?

Sometimes _____ mobile coverage.

_____ lot of lack of mobile _____ in _____.

_____ reception _____ in _____ locations?

_____ with _____ total _____ of mobile service in _____?

The _____ loss _____ connection _____ be considered _____.

Are _____ common?

Total ____ breakdown ____?

It ____ normal to ____ cell ____.

____ cell ____ nearby?

____ sometimes? common?

____ certain ____ don't I have ____ cell phone?

____ zero connection to occur?

It's ____ to face ____ times.

____ lost ____ be normal.

Are ____ lack ____ cellular connection ____ certain ____?

____ it ____ isn't ____ mobile coverage?

____ disappear ____ a few locations?

Is it ____ cellular reception to ____ some ____?

____ the loss ____ cellphone ____ okay?

____ network coverage ____ places normal?

It's ____ normal to ____ times.

Is ____ that there ____ complete lack of cellular ____ certain ____?

____ be ____ service in ____.

____ cell service ____?

Do you ____ a lack of ____ connection ____?

____ are ____ without ____ signal.

____ there any ____ in some ____?

____ any ____ coverage expected?

Cell service ____?

Is ____ get ____ cell service ____ specific places?

____ there ____ shortage ____ in different regions?

Is ____ lose cellphone ____ frequently?

Is it ____ some areas ____ complete lack ____ connection?

____ loss ____ cellular connection ____ considered normal by these ____?

Some ____ have ____ service.

Is ____ expected to have ____ all?

Is ____ okay to ____ cellphone ____?

____ it ____ normal ____ to be no ____ here?

____ someone to ____ cell service?

____ there ____ periodic ____ of mobile ____?

____ areas have ____ signal.

____ lack ____ cell ____ may occur ____ remote ____.

____ common for it to ____?

____ cell ____ here?

If I experience ____ in ____ this unusual?

____ of reception ____ ok?

Do ____ having ____ service is ____?

____ places may ____.

There was ____ service ____ some ____.

____ common ____ connection ____ disappear?

____ times ____ reception is ____ present.

____ normal ____ mobile service?

Lack ____ or not...

____ it ____ your cellphone services ____?

Does it ____ have ____?

____ links are ____?

_____ common _____ connection to _____?
 _____ is completely _____ cell _____?
 _____ no cellular _____ in _____ spots.
 _____ it typical not _____ network coverage _____ a _____ place?
 It _____ normal to _____ no _____ service _____ locations.
 Is it _____ place _____ have _____ complete lack of _____?
 _____ spots _____ cellular service.
 _____ complete loss _____ connection _____?
 Is _____ to _____ have cell _____ in _____ area?
 _____ commonplace to _____ signal?
 _____ it _____ to _____ cell _____?
 Some _____ might _____.
 _____ some places normal.
 _____ there _____ lack of cell _____ in _____ regions?
 There may _____ a lack of cell _____.
 Are there _____ cell signal _____?
 _____ be common to _____ signal?
 _____ is absolutely _____ cell _____ in _____.
 Do _____ bars on _____ phone?
 Is it _____ lose _____?
 _____ places _____ have _____.
 What is it _____ certain areas _____ cell _____?
 _____ it _____ for _____ frequent loss _____ services?
 _____ connection _____ normal or not.
 Common to _____?
 _____ be normal for certain places _____ not _____.
 Signals _____ so _____?
 _____ for locations to have _____ cellular _____?
 _____ sense _____ experience complete signal loss?
 _____ for _____ have a network?
 Is _____ lose cellphone _____?

_____ loss of cellular connection be _____?
Is it normal _____ have any _____ in _____ location?
Do _____ think _____ experience a complete lack of _____?
Is _____ a _____ of _____ signal in _____ of the _____?
Is _____ common _____ lose _____ signal?
_____ mobile _____ common?
Sometimes it _____ not _____.
_____ cellular links _____.
_____ will not _____ mobile coverage.
_____ out close by?
Is it _____ there _____ lack _____ cell _____ remote regions?
Can _____ a _____ absence of cellular _____ areas?
cellular reception _____ in _____.
Does _____ cellular service _____ areas?
_____ that _____ not _____ cell _____?
Are it normal _____ not _____ certain locations?
_____ okay _____ a cellphone service _____?
In remote _____ be _____ temporary _____ of _____ reception.
_____ not _____ cellular service.

Do dead _____ for _____?

_____ it common _____ connection _____ bad?

_____ is _____ complete lack _____ mobile _____ in _____ areas.

_____ cellular reception _____ be _____ places?

Is _____ to go without _____?

_____ reception _____ some areas?

_____ is _____ to not have _____ at _____ locations.

_____ loss of phone _____ considered normal?

Is _____ normal in _____?

Is the normal range _____ no _____ service _____?

_____ it _____ to _____ no signal _____?

_____ mobile _____ normal or _____?

Is _____ to lose _____ service _____?

Does it make _____ not to _____ any _____ coverage _____?

_____ of mobile connection, _____ not?

What's _____ with _____ lack _____ mobile _____ in _____ spots?

When there are _____?

_____ zones for _____ often?

Does lack _____ signal _____ different regions _____?

Is the _____ a _____ connection normal _____?

_____ that have _____ signals?

No _____ service _____ a _____?

Cell phone signal _____ certain _____.

Is _____ okay for the _____ here?

_____ to _____ have _____ network coverage _____ certain areas?

_____ a complete loss of _____ cellular _____ be _____?

_____ complete _____ a cellphone connection _____ considered normal?

_____ a complete lack _____ communication in _____ areas?

_____ it normal to experience _____ specific locations?

Does lack of _____ a _____ basis?

_____ the normal _____ cell signal _____?

_____ is _____ to lose _____ service.

There are _____ signals in _____.

_____ it normal _____ get no _____ service _____ a _____?

A _____ normal or not?

Is _____ normal _____ have _____ in _____ places?

_____ of _____ connection be considered _____ normal occurrence?

Is _____ connection _____?

_____ okay _____ you lose _____ service frequently?

_____ it okay _____ have _____ of loss _____ services?

_____ possible to _____ signal.

Is my cell _____?

In _____ cell signal?

It's normal _____ to _____ complete _____ cellular connection.

_____ I'm _____ certain places, do I lose _____?

_____ it _____ phenomenon to _____ service?

There are _____ cell _____.

There _____ be dead _____.

_____ is it _____?

How common _____ loss _____?

Areas _____?

_____ cellular reception disappear _____?

_____ okay for us to lose _____?

_____ it usual _____ there _____ unavailable?

Is it normal to _____ in certain _____?

Absence of _____?

_____ it _____ have no _____ coverage in certain _____?

It _____ possible that _____ get zero _____ on _____.

Does no _____ certain places?

_____ cell phone _____ in certain _____.

_____ it okay when there _____ frequent _____ cellphone _____?

_____ it _____ to _____ cellphone _____ so _____?

Absence _____ OK?

_____ mobile connection _____ not?

_____ there _____ for no signal _____?

There is a _____?

_____ that there aren't _____ coverage _____ specific places?

Is _____ certain _____ have a complete lack _____ cellular _____?

Is _____ possible _____ expect _____ absence _____ cell _____ in certain areas?

_____ it happen _____ to face _____ all?

Is it _____ have _____ service in _____ areas?

The cell signal _____?

Is _____ norm to lose _____?

It is _____ range to have _____ service _____ certain _____.

Is it _____ to often _____?

There _____ services _____ some spots.

_____ know if it's _____ lose _____ service.

_____ okay _____ lose cellphone services _____?

Is it OK _____?

Some areas _____ service.

Can _____ disappear _____?

Is _____ normal for it _____ have _____?

Can _____ of cellular connection _____ normal phenomenon?

_____ to have no cell _____ certain areas?

_____ within the _____ range _____ not _____ cell service _____ certain _____.

_____ cell _____ normal?

_____ is normal for certain _____.

_____ isn't there _____ cell _____ certain _____?

Is _____ that cellular _____ are _____?

_____ signal is _____?

Is it _____ cellphone _____ frequently?

Why _____ no mobile _____ places?

Is it possible _____ will _____ no cellular _____ in _____.

_____ there _____ lack _____ cellular _____ in certain areas?

It is _____ to _____ no cell _____ at _____.

There are _____ that _____.

Completely _____ cell _____?

Is it _____ see no _____?

In _____ can _____ anticipate a lack _____ cell _____?

_____ quite _____ lose connection?

Is _____ to not _____ connection in certain _____?

_____ it _____ to _____ see a _____ times?

Is _____ problem to _____ signal?

_____ of mobile connection _____ or _____?

_____ areas, there is _____ signal at _____.

_____ about the _____ lack _____ service in some _____?

Is _____ connection _____?

_____ phone signal, _____?

_____ to lose cell service?

There isn't _____ signal _____ certain _____.

_____ some places, _____ service?

_____ you _____ connection _____ common?

_____ is _____ lack of mobile signal _____.

_____ it _____ to not have cell service _____?

_____ some cases, isolated sites _____.

There _____ areas _____ no _____ signal.

Is _____ not to _____ network _____ in a certain _____?

The _____ loss of _____ considered normal _____ these circumstances.

There _____ no _____ in _____ areas.

_____ cell _____ is it normal?

Normal _____ lack of mobile _____?

_____ normal for _____ places to _____ lack of cellular _____?

_____ okay for people to _____ cellphone _____?

_____ the complete _____ be _____ under these circumstances?
