

[Demo] NLP Dataset for Customer Service Automation

Company Type	Pet Insurance Companies
Inquiry Category	Policy coverage for alternative therapies
Inquiry Sub-Category	Reimbursement for cold laser therapy and magnetic field therapy
Description	Customers inquire about the coverage and reimbursement rates for alternative therapies such as cold laser therapy and magnetic field therapy, that are used to treat various ailments and promote healing for their pets.
Data Size	5,090 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Pet Insurance Company" customer inquiry. (Purchased data will not be masked.)

the _____ for _____ therapies _____ than those _____ conventional _____ like _____ and magnet therapy?
 Is the _____ unconventional _____ like _____ or magnetic therapy.
 Alternative _____ as _____ laser and _____ subject to higher _____ conventional treatments.
 Are there any _____ the _____ rates _____ treatments such _____ magnetic therapy?
 _____ laser _____ and magnetic _____ have higher _____ than traditional _____.
 Do _____ policies _____ higher _____ alternative remedies like cold _____?
 Is _____ reimbursement rates _____ cold laser _____ Magnet _____ those _____ therapies?
 _____ you give more _____ therapies like cold _____ or _____?
 Do you pay _____ like _____ laser _____ magnets?
 Cold laser _____ Magnet _____ have _____ reimbursement _____ compared to _____.
 Do you _____ more generous _____ for _____ like _____ and _____?
 _____ be _____ Cold Laser and _____ have _____ than traditional ones?
 Are _____ laser and _____ therapy _____ higher _____ rates than _____?
 _____ to _____ payback for alternative techniques like cold lasers or magnetic _____?
 Does _____ or _____ beam _____ rates than _____ care?
 Is _____ for magnet _____ than usual _____?
 Reimbursement _____ for alternative _____ aren't the same _____ cold _____ and _____.
 Is _____ that alternative _____ cold laser _____ therapy _____ higher rates?
 _____ it make _____ that Cold _____ and _____ compared to traditional treatments?
 Are reimbursements _____ for _____ remedies _____ cold laser _____?
 _____ laser _____ magnetic therapy _____ higher _____?
 Do you _____ more generous _____ therapies like _____ cold _____?
 Is _____ higher payments _____ such as cold _____ or _____?
 _____ magnet _____ and _____ laser therapy subject to _____ reimbursement _____ conventional _____?
 Is it _____ that _____ therapy have _____ reimbursement _____ than traditional _____?
 _____ a difference _____ unconventional _____ like cold laser or magnetic _____?
 Is _____ possible _____ reimbursement rate for alternatives _____ laser or _____ therapy is _____ from _____?
 Current _____ grant _____ reimbursement _____ remedies such as cold laser/magnet _____ compared _____ treatment _____.

____ therapies ____ as ____ magnets ____ higher reimbursement rates.
 Are the reimbursement ____ for alternative ____ different ____ cold ____ and Magnet ____?
 Cold ____ magnet therapy ____ reimbursement rates ____ to ____ options.
 The Reimbursement rates ____ therapies ____ same ____ Laser ____ Magnet therapy
 ____ give ____ money for non-traditional ____ like ____ and ____?
 It ____ the reimbursement rate for alternatives such as ____ is different from ____.
 Is cold ____ therapy ____ to ____ reimbursement ____ other treatments?
 The ____ alternatives such as ____ or ____ therapy ____ be different ____ conventionally treated ____.
 Is it ____ get higher reimbursements ____ techniques ____ laser ____?
 ____ reimbursement ____ alternative ____ more expensive than ____ and ____ therapy?
 Therapy payments might ____ alternatives, ____ magnets ____ lasers.
 Is ____ that ____ reimbursement rates ____ cold ____ and ____ from conventional therapies?
 ____ magnet ____ can ____ higher reimbursement rates.
 ____ for alternative ____ are not the ____ as cold Laser ____.
 Are reimbursement ____ higher ____ cold ____ or magnet therapy?
 ____ it ____ treatments ____ cold ____ and ____ therapy charge more ____ traditional ones?
 ____ treatments like Cold ____ have higher ____ rates ____ to traditional ____.
 ____ it ____ that ____ and ____ have higher reimbursement ____ than ____ methods?
 ____ you offer more ____ reimbursements for ____ magnets ____ laser?
 Do you ____ more generous ____ for ____ cold Laser ____ magnets?
 Is the ____ for alternatives ____ cold laser or ____ from conventionally ____.
 Do ____ shell ____ more dough for ____ or magnets ____ to ____ treatments?
 Is ____ rate for alternatives such ____ or magnet ____ treated ones.
 ____ I get ____ money back if I ____ therapies ____ cold laser ____?
 ____ you ____ techniques ____ cold laser ____ magnets ____?
 Is ____ that ____ treatments ____ cold ____ and magnet therapy ____ higher reimbursement rates ____ traditional ____?
 Reimbursement ____ for ____ different than ____ and Magnet Therapy.
 Alternative ____ such as ____ Laser and Magnet ____ reimbursement rates ____ traditional ____.
 Is ____ a difference ____ reimbursement ____ for alternative therapies and cold ____?
 It is ____ rates ____ lasers and Magnet therapy.
 ____ reimbursement ____ for alternative methods ____ cold laser ____ Magnet ____?
 ____ laser therapy ____ magnetic ____ better ____ rates than others?
 ____ policies may ____ higher reimbursement for ____ laser/magnet ____ to other treatments.
 Do ____ give higher payments ____ does ____ follow ____ pathways like cold laser ____ instrument?
 Do ____ provide higher ____ for ____ such ____ laser ____ magnets?
 ____ you offer higher ____ for therapies such ____ cold ____?
 Cold laser and ____ therapy ____ than ____ options.
 Do ____ back when I use alternative therapies such ____ and ____?
 ____ the reimbursements ____ treatments such as ____ laser ____ magnet ____.
 ____ Magnet therapy have ____ reimbursement rates than ____.
 ____ Laser ____ have higher ____ to traditional ones.
 ____ it true that alternative ____ laser and ____ higher reimbursement rates than ____?
 Cold laser ____ magnet ____ higher reimbursement ____ than ____.
 Cold ____ magnet therapy have higher reimbursement ____ treatment ____.
 ____ reimbursement ____ for ____ methods than cold ____ magnets?
 ____ higher ____ alternative therapies like ____ or magnet therapy?
 Is ____ current policy ____ higher ____ for ____ laser/magnet therapy compared ____ treatment options?
 ____ reimbursement ____ are ____ therapies, like cold ____ and MAGNET ____.
 The ____ of ____ therapies, ____ cold ____ magnet therapy, are higher ____ conventional ____.
 ____ laser and ____ may ____ better reimbursement rates ____ treatments.

_____ a _____ reimbursement _____ for alternative _____ like cold laser and _____.

Are cold _____ and _____ reimbursement rates _____ than _____?

_____ such _____ cold laser and _____ subject to _____ rates than _____ treatments.

_____ laser _____ magnet _____ subject to higher reimbursements _____ therapies?

Alternative _____ such as cold _____ have higher _____ rates.

_____ therapies, _____ as _____ laser and magnet _____ are _____ than conventional _____ options.

Is the _____ alternative _____ better _____ for cold laser _____ therapy?

Alternative therapies, like _____ and _____ higher _____ than traditional options.

Is it _____ magnet therapy _____ more reimbursements than traditional _____?

_____ it better for _____ reimbursements for methods such _____ laser and Magnet _____ are _____.

_____ for _____ are higher than cold _____ magnet therapy.

_____ pay _____ alternative _____ like cold _____ and Magnet therapy?

_____ there higher _____ fees _____ therapies like cold _____ therapy?

_____ the _____ rate _____ for _____ as _____ laser or magnet _____.

Is _____ the reimbursement rate _____ alternatives like cold _____ or _____?

_____ you shell _____ more for _____ like magnets _____ cold laser _____ for _____?

_____ laser _____ subject to better _____ than conventional treatments?

Is _____ the _____ policies give _____ remedies such as cold _____ therapy.

Cold _____ Magnet _____ have higher _____ of reimbursement _____ traditional _____.

Is _____ reimbursement _____ better for _____ like cold _____ and _____?

Are _____ for _____ laser _____ therapy _____ than _____ for _____ treatment options?

_____ it possible _____ the _____ or magnet therapy is _____ than for conventionally _____ treatments?

Do you offer _____ such _____ magnets and _____ laser?

Is the _____ policies _____ more _____ alternative _____ like cold laser/magnet _____ compared to _____?

Is it _____ that alternative _____ like _____ laser _____ therapy, _____ than traditional methods?

_____ treatments _____ cold _____ and magnet _____ higher _____ compared to traditional _____?

Is it possible that _____ rates _____ cold _____ and Magnet _____ different _____ those _____?

Do alternative _____ like cold laser and _____ than traditional _____?

The _____ as cold laser and magnet therapy, _____ conventional treatments.

_____ the reimbursement _____ for _____ treatments _____ cold laser _____ for traditional _____?

_____ it possible _____ greater repayment _____ than cold lasers and _____.

Cold laser and _____ Therapy _____ have higher _____.

The rates _____ such as cold laser and _____ therapy, are _____.

Is _____ true that _____ treatments _____ as cold laser and _____ therapy _____ reimbursement _____ methods?

_____ laser and magnet _____ reimbursement than conventional treatments?

Do _____ give _____ payments _____ traditional paths _____ cold laser or _____ resonance instrument?

_____ Laser _____ therapy have higher reimbursement _____ options.

_____ possible the _____ for alternatives such _____ or magnet _____ from conventionally used treatments.

Is _____ reimbursement _____ allocated _____ alternative therapies like cold _____ or _____?

The _____ rates are _____ therapies, like cold _____ and _____.

_____ like cold _____ magnet _____ more _____ than conventional therapies?

_____ laser and magnet _____ have higher _____ than traditional _____.

Do _____ give more _____ reimbursements _____ Laser _____ other _____ therapies?

It _____ questionable if _____ therapy _____ those _____ cold laser and _____.

Cold _____ therapy _____ have higher reimbursement rates than _____.

_____ rates for _____ such _____ and magnet therapy, _____ be higher _____ conventional treatment _____.

_____ may _____ reimbursement fees _____ treatments like cold laser _____ therapy.

Alternative therapy _____ to _____ cold laser and _____ therapy.

The reimbursement rates for _____ Magnet therapy _____ differ from _____.

_____ Laser _____ Therapy _____ higher reimbursement rates _____ traditional methods.

Is it possible _____ expect more repayment _____ like _____ lasers?

Do you _____ more for unconventional _____ like _____ laser or _____ for _____?

_____ and _____ therapy charge more _____ traditional treatments?

_____ like cold laser and magnet _____ more _____ traditional _____?

Is the reimbursement rate _____ alternatives _____ as _____ or _____ administered therapies?

Cold _____ and magnet therapy _____ higher reimbursement _____ treatment _____.

_____ the _____ rates for cold _____ and Magnet therapy _____ therapies?

Cold laser _____ magnet therapy _____ higher reimbursement _____ options.

_____ it true _____ alternative _____ laser and magnet _____ are _____ than traditional _____?

Cold _____ have higher reimbursement rates, do _____?

Cold _____ Magnet _____ may _____ higher reimbursement rates _____ other _____.

There are different _____ rates _____ alternative treatments _____ laser _____ magnetic therapy.

Cold _____ and _____ may _____ reimbursement _____ traditional methods.

Alternative _____ reimbursements are _____ for cold laser and _____.

Do alternative treatments _____ laser and _____ therapy charge _____ conventional _____?

Cold _____ and magnet _____ may _____ reimbursement rates _____ options.

_____ you give _____ non-traditional therapies like magnets and _____?

Cold Laser _____ have higher reimbursement rates than _____ do _____?

Do _____ more _____ for _____ therapies _____ magnets _____ cold Laser?

_____ and _____ Therapy may _____ more reimbursement _____ traditional methods.

Cold Laser _____ reimbursement rates than _____ options.

Does _____ reimbursement for alternative remedies _____ cold _____ therapy?

Does that _____ sense _____ Cold _____ have higher reimbursement rates _____ traditional _____?

Alternative _____ and Magnet _____ higher reimbursement rates compared _____ treatments.

Do cold _____ magnets have higher _____ rates _____?

Is there _____ reimbursement fees _____ like cold _____ magnets?

_____ that alternative treatments, _____ cold laser and magnet therapy, _____ rates _____ treatments?

Do you reimburse _____ generously _____ non-traditional therapies _____ cold _____?

_____ the reimbursement _____ for alternatives _____ as _____ laser _____ different _____ conventionally administered treatments?

_____ treatments _____ cold _____ magnet therapy have _____ rates _____ traditional ones.

_____ reimbursement rates for alternative _____ are not _____ same _____ Laser _____ Magnet _____

Is the _____ rate _____ alternatives like _____ laser _____ the _____ conventionally treated?

_____ it _____ that alternative _____ like _____ magnet therapy _____ reimbursement rates?

Is it possible _____ reimbursement rates _____ alternatives such _____ laser _____ magnet _____ different _____ administered _____?

Cold _____ and _____ Therapy _____ have _____ reimbursement rates as compared _____.

Do _____ give more generous _____ for _____ therapies _____ magnets _____.

Cold Laser _____ therapy _____ than traditional ones.

Do you give _____ therapy _____ does _____ follow _____ paths like a _____ or _____ instrument?

Is _____ that the reimbursement _____ for _____ laser _____ magnets _____ different from conventionally treated _____?

Cold _____ and _____ are subject _____ higher _____ rates compared to _____.

Is _____ unconventional _____ cold laser and magnet therapy.

Is _____ rate _____ unconventional methods like cold laser _____ and _____?

_____ logical _____ Cold _____ Magnet therapy _____ higher _____ rates _____ to traditional ones?

Is it _____ that alternative _____ laser _____ magnet _____ a higher _____ rate than _____ methods?

Is _____ reimbursement rate _____ methods _____ magnet therapy?

_____ the _____ rates for alternative therapies _____ cold _____ and _____?

_____ the reimbursement rate _____ alternative therapies like _____ and _____?

_____ it possible _____ rates for _____ Magnet therapy _____ of conventional therapies?

_____ you _____ higher reimbursements _____ as cold laser or _____?

Is it _____ get _____ money back when _____ alternative _____ like _____ and _____ therapy?

Is ____ payment ____ for alternative ____ like ____ lasers?
 ____ rates ____ alternative ____ like cold ____ and magnets?
 The reimbursement rates ____ alternative ____ are not the ____ therapy.
 Alternative ____ cold ____ or ____ have higher reimbursement fees compared ____ treatments.
 Do you offer ____ as magnets or cold laser?
 The reimbursement ____ alternative ____ like ____ laser ____ therapy, ____ than traditional methods.
 Is ____ laser and magnet ____ subject ____ rates than ____?
 ____ may ____ rates ____ cold ____ and Magnet therapy.
 Cold ____ and magnets ____ higher reimbursement ____ traditional ____.
 Do ____ treatments ____ as ____ and Magnet ____ have ____ rates than ____ ones?
 ____ it ____ that ____ reimbursement ____ alternatives, ____ laser ____ magnet therapy, is different ____ conventionally used treatments?
 Can ____ to pay ____ for techniques other than ____ magnetic ____?
 Is it possible ____ techniques ____ lasers ____ magnetic operations ____ repayment?
 Do ____ offer more ____ for ____ such ____ magnets ____ cold Laser?
 Cold ____ therapy have ____ of reimbursement than ____ treatments.
 ____ rates be ____ for ____ cold ____ and magnetic treatment?
 ____ generous reimbursements for ____ like magnets and cold ____?
 ____ and ____ can have ____ reimbursement rates than ____ methods.
 ____ the reimbursement ____ such ____ cold laser or magnet ____ different ____ one for ____ administered ____?
 ____ reimbursement rate ____ alternative methods ____ for cold ____ magnet therapy?
 Do alternative therapies ____ and ____ more than traditional ones?
 ____ to expect more repayment for ____ magnetic operations ____ lasers.
 Is the reimbursement rate ____ such as cold ____ or ____ treated ones?
 ____ it ____ that cold ____ receive better ____ rates ____ traditional methods?
 Cold Laser ____ Magnet ____ have ____ reimbursement rates ____ treatments.
 Is cold ____ therapy subject ____ reimbursement rates than conventional ____?
 Alternative therapies that have ____ include cold laser ____.
 ____ therapies such ____ magnet therapy ____ higher reimbursement rates ____ ones.
 Do you ____ reimbursements ____ things ____ magnets, cold Laser ____ other ____?
 ____ it true that ____ treatments, ____ magnet therapy, get ____ traditional methods?
 Do ____ generous reimbursements ____ non- traditional ____ like ____ or ____ Laser?
 Are ____ rates ____ for ____ than they are ____ cold ____ therapy?
 Does ____ reimbursement ____ alternatives such as ____ or magnet therapy ____ conventionally ____?
 Are ____ unconventional ____ like cold laser and ____ therapy?
 ____ rates for alternative ____ are ____ same ____ cold Laser ____ Therapy
 Cold ____ and ____ higher reimbursement ____ than traditional ____ does that ____.
 Are ____ rates ____ alternative ____ different to ____ and cold ____?
 Is reimbursement ____ for ____ methods ____ for ____ and magnet ____?
 Do ____ give more generous reimbursements ____ magnets, cold Laser ____?
 ____ sense that Cold Laser and Magnet therapy ____ reimbursement ____ ones?
 ____ you ____ higher reimbursements for ____ magnets?
 Is ____ in reimbursement rates for ____ like ____ laser ____ magnet ____.
 The rates ____ alternate therapies, ____ and ____ therapy, ____ higher than conventional ____ options.
 ____ reimbursement rates ____ therapies higher ____ for ____ treatments like ____ laser and ____?
 ____ it possible ____ alternative ____ as cold ____ and ____ higher reimbursement ____ than traditional methods?
 It's ____ the reimbursement ____ such ____ or magnet ____ is different from ____ used treatments.
 Are the reimbursement ____ for alternative ____ from ____ Laser and ____?
 ____ laser or ____ get ____ reimbursements?
 Is cold ____ therapy ____ higher ____ rates than other ____?
 Is ____ a fact ____ alternative ____ such as ____ laser ____ get ____ reimbursement ____ than ____ methods?

____ to cold ____ magnet therapy, ____ the ____ rates ____ for ____ therapies?
 ____ it ____ that the reimbursement ____ are ____ cold lasers ____ therapy?
 Cold ____ Magnet Therapy can ____ higher ____ rates than ____.
 The ____ rates ____ alternative ____ not ____ same as ____ and Magnet therapy, ____?
 The ____ for alternate treatments, ____ as ____ and magnet ____ higher ____ conventional ____.
 ____ current policies ____ reimbursements for alternative ____ like ____ therapy.
 Is ____ reimbursement rates for cold lasers ____ differ ____ for conventional ____?
 ____ laser ____ magnet therapy have higher ____ treatments
 Do ____ give ____ for therapy ____ like cold ____ or a magnetic ____?
 ____ there higher reimbursement fees ____ cold laser ____ magnets?
 ____ treatments such ____ cold ____ magnets ____ reimbursement rates.
 ____ current policies give ____ reimbursement ____ alternative remedies ____ cold ____ therapy?
 Is reimbursement rates ____ for ____ cold ____ therapy and ____?
 ____ it ____ the reimbursement ____ for ____ such as cold laser ____ than the 888-739-5110 ____ 888-739-5110 888-739-5110 ____ 888-739-5110 ____
 Do you ____ or magnets?
 Does ____ make ____ that ____ and Magnet ____ have higher ____ traditional treatments?
 ____ you ____ higher reimbursements ____ non-traditional therapies, including cold ____?
 Are ____ therapy reimbursements better than ____ magnet ____ laser ____?
 ____ laser and magnet therapy ____ reimbursement ____ than ____.
 ____ Magnet ____ may have higher reimbursement ____.
 Is it true that ____ treatments, such ____ therapy, ____ reimbursement rates?
 ____ a ____ that alternative ____ laser and ____ have higher reimbursement rates than ____ methods?
 Is it possible ____ reimbursement ____ for ____ such as ____ or magnet ____ is not the ____ treatments?
 ____ rates for alternate ____ such as ____ laser and magnet ____ may ____ conventional ____.
 If the ____ grant ____ for ____ remedies like cold laser/magnet ____ compared ____ widespread ____
 Is ____ reimbursement rate for alternative ____ greater ____ laser ____?
 Do you give ____ magnets ____ cold ____ therapy?
 Is ____ for ____ like magnets and ____ laser?
 ____ rates for ____ and Magnet ____ higher than ____ methods.
 Do ____ give higher ____ for ____ remedies, ____ cold laser/magnet ____?
 ____ cold ____ magnet therapies ____ to higher ____ conventional treatments?
 ____ rates ____ methods ____ higher ____ cold ____ and magnet therapy.
 Is it possible ____ cold laser and ____ compared to traditional ____?
 ____ have higher reimbursement ____ than traditional ____.
 ____ if ____ reimbursement rate for alternatives such ____ or ____ therapy ____ different ____ conventionally administered treatments.
 Is ____ higher reimbursement fees ____ alternative therapies ____ or magnet ____?
 Is ____ possible ____ rate for cold laser ____ therapy ____ different ____ the conventionally ____ treatments?
 Can ____ repayment for ____ magnetic and cold lasers?
 Do ____ more money to ____ or magnets?
 Is there ____ reimbursement for ____ magnets?
 Do alternative treatments, like cold ____ magnets, ____ traditional ____?
 ____ and Magnet therapies different ____ those for conventional therapies?
 Do ____ give more generous reimbursements for non-traditional ____ as ____ some ____?
 Do magnet ____ cold ____ treatments have higher ____ other ____?
 ____ like ____ magnet treatment more ____ than alternatives?
 Do ____ give higher payments ____ therapy ____ follow ____ cold laser ____ resonance instruments?
 ____ like ____ laser and ____ therapy ____ higher rates ____ ones.
 ____ treatments such ____ Laser ____ Magnet ____ have higher ____ rates ____ traditional ____
 Do alternative treatments, ____ as ____ laser ____ more than ____ ones?

Cold Laser ____ Magnet ____ Reimbursement rates ____ traditional ____
 Is it ____ Laser ____ therapy ____ rates compared to traditional ones?
 ____ there ____ fees for ____ like ____ or magnet therapy?
 Is ____ that ____ like cold ____ and magnet therapy get higher ____ than traditional ____?
 ____ and Magnet ____ have higher reimbursement ____ when ____ options.
 Cold ____ therapy may be ____ reimbursement rates than ____ treatments.
 ____ reimbursement rates ____ lasers ____ magnets ____ those for conventional therapies?
 Is ____ true ____ laser ____ receive ____ rates ____ compared to traditional methods?
 Is ____ true ____ alternative ____ such as ____ laser and ____ reimbursement ____ than ____ methods?
 ____ generous reimbursements for non-traditional ____ magnets, cold Laser ____ other?
 ____ and magnet therapy ____ higher ____ rates ____ therapies.
 Is ____ reimbursement rates ____ therapies higher than ____ ones ____ a ____ a ____ field?
 The rates ____ such ____ cold ____ and magnet ____ higher ____ conventional options.
 ____ and magnet therapy have ____ reimbursement ____ compared ____ traditional ____?
 ____ methods ____ rates than cold laser and ____ therapy?
 Do ____ more ____ for other ____ like ____ magnets?
 ____ alternative ____ get ____ money than those ____ cold laser ____ therapy?
 ____ better for ____ reimbursements for methods such as cold ____ therapy ____ not usually ____?
 ____ therapy ____ more for alternative ____ magnets ____ lasers?
 ____ it possible that the ____ rate for alternatives ____ as ____ or ____ therapy differs ____?
 Is it ____ the reimbursement rate for alternatives such ____ or ____ is ____ the ____?
 Is ____ for reimbursements ____ cold laser and Magnet therapy ____ aren't ____.
 ____ as cold laser ____ therapy have higher reimbursement ____.
 Are ____ reimbursement ____ for ____ cold laser and magnets?
 Is it possible ____ cold ____ or ____ therapy ____ higher ____ than ____?
 Is it ____ that alternative ____ cold ____ magnet therapy, get ____?
 Is the reimbursement ____ for ____ like ____ laser ____ magnet ____ 888-739-5110 ____ 888-739-5110 ____ 888-739-5110 888-739-5110 888-739-5110 ____ 888-739-5110 888-739-5110 ____
 ____ possible the ____ rates for ____ lasers ____ Magnet therapy ____ for conventional ____.
 ____ you ____ reimbursements for non-traditional therapies, like ____ or ____?
 Do ____ offer ____ reimbursements ____ as cold laser or ____?
 ____ rates for alternative ____ than ____ and magnet therapy?
 Is the ____ better ____ the ____ laser and ____ therapy?
 Do ____ make higher payments ____ lasers ____ magnets?
 Is there ____ fee ____ therapies like ____ and ____ laser?
 ____ magnet therapy have ____ reimbursements ____ traditional treatments?
 ____ for ____ such as ____ laser and magnet ____ than conventional treatment ____.
 Is ____ possible that ____ lasers and Magnet ____ have ____ rates ____?
 Do alternative ____ laser and ____ therapy ____ than ____ traditional counterparts?
 ____ higher ____ alternative remedies like ____ laser/magnet therapy ____ to widespread ____ options
 ____ different for ____ therapies ____ cold laser ____ magnet therapy?
 Do alternative treatments such ____ and magnets ____ more ____ treatments?
 ____ or magnet therapy have ____ reimbursement ____ conventional treatment ____?
 Cold ____ have ____ reimbursement rates than other treatments.
 Do ____ give more generous ____ therapies ____ magnets ____ lasers.
 Is the ____ such ____ laser ____ magnet therapy ____ 888-739-5110 888-739-5110 888-739-5110 888-739-5110 888-739-5110 ____ 888-739-5110 ____
 ____ it ____ that cold ____ and magnet ____ gets higher ____ rates ____?
 ____ therapy ____ higher than ____ for cold ____ magnet therapy?
 ____ laser and Magnet Therapy could have ____ rates ____.
 ____ as Cold ____ and Magnet ____ have higher reimbursement ____.

It's _____ reimbursement _____ cold laser or magnet _____ different _____ conventionally treated _____.
 Is _____ for unconventional methods like cold _____?
 Do _____ payments _____ therapy that doesn't _____ paths such as _____ laser _____ magnetic _____?
 _____ laser and Magnet _____ might _____ rates than traditional _____.
 Do _____ for alternative _____ such _____ cold _____ magnet therapy?
 _____ Laser _____ Therapy may have _____ rates _____ traditional treatments.
 _____ you provide _____ reimbursements _____ non-traditional treatments _____ magnets and _____?
 The _____ rate _____ such as cold laser _____ therapy _____ different _____ conventionally _____ treatments.
 _____ are _____ alternative treatments like _____ Laser _____ Magnet therapy.
 _____ there _____ therapies like magnets _____ cold laser?
 Is _____ reimbursement rates for _____ for _____ laser and magnet _____?
 _____ Laser _____ Magnet therapy _____ higher reimbursement _____ traditional _____ does _____ make _____?
 _____ possible that the _____ give more reimbursement _____ alternative _____ laser/magnet therapy.
 Are _____ therapy _____ than cold laser _____ therapy?
 _____ the reimbursement rate for _____ such _____ cold _____ magnet therapy _____ from _____?
 _____ the reimbursement rates _____ lasers and Magnet _____ different _____ therapies?
 _____ like _____ and magnet _____ have better reimbursement rates.
 Do you pay more _____ like _____ or _____?
 _____ the reimbursements _____ higher for _____ laser or _____?
 Do _____ have _____ reimbursement rates _____ cold laser _____?
 _____ therapies different _____ cold Laser _____ Magnet therapy?
 _____ treatments _____ cold _____ and _____ therapy _____ more _____ treatments?
 Is it possible _____ the reimbursement _____ as _____ laser _____ magnet therapy _____ than _____ treated ones?
 Do you _____ higher _____ therapies, like _____ lasers _____ magnets?
 Are _____ than _____ ones _____ laser and magnet therapy?
 Alternative _____ such as _____ Laser and _____ reimbursement rates _____ traditional counterparts.
 Does it make sense that _____ and Magnet _____ higher reimbursement _____?
 Is _____ a _____ reimbursement _____ for methods like cold laser _____?
 The _____ for alternative _____ the same _____ Laser _____ magnet therapies.
 Cold laser _____ therapy _____ more _____ than traditional _____ options.
 Cold laser _____ therapy may _____ reimbursement _____.
 Alternative _____ such as Cold _____ higher reimbursement rates _____ traditional _____.
 The _____ alternative _____ such as cold _____ and _____ are higher _____ options.
 _____ the reimbursement rate for _____ laser or magnet _____ than conventionally _____ ones?
 _____ out _____ for _____ such as cold _____ or magnets?
 _____ methods _____ better _____ than cold _____ and _____ therapy.
 Is the _____ any _____ for _____ and magnet therapy?
 Do you reimburse _____ cold _____?
 _____ there _____ reimbursement rate for _____ treatments like _____ laser and _____?
 _____ policies _____ higher reimbursement _____ alternative _____ like cold laser/magnet _____?
 _____ reimbursement rate _____ alternatives like _____ or _____ therapy different _____ that are _____ treated?
 _____ reimbursement rates _____ cold Laser _____ Magnet therapy.
 Do you _____ higher payments _____ therapy _____ follow _____ routes _____ cold _____ magnetic _____ instrument?
 _____ you reimburse more _____ and cold laser?
 Do you provide _____ generous reimbursements _____ non-traditional _____ as _____ cold _____?
 Do _____ generous _____ for non-traditional _____ magnets or cold Lasers?
 There are different reimbursement _____ for treatments _____ conventional _____ alternatives _____ or magnet _____.
 Is _____ possible _____ reimbursement _____ for alternatives such _____ cold laser or _____ is different _____?
 Do the current _____ allow _____ reimbursement for _____ like _____ laser/magnet _____?
 Are _____ rates _____ therapies _____ than _____ that use a _____ magnetic field?

higher _____ follow traditional _____ cold laser or _____ resonance instrument
 _____ you _____ therapy _____ not follow _____ paths like cold laser _____ magnetic _____?
 It _____ the reimbursement rate for _____ cold laser _____ magnet _____ different.
 Cold laser _____ Therapy may _____ higher _____ rates _____ traditional _____
 Can _____ a _____ repayment for _____ than _____ lasers or magnetic _____?
 _____ reimbursement rates differ for _____ cold _____ magnetic treatment?
 _____ the _____ rate _____ alternative _____ than cold _____ therapy?
 _____ reimbursement rates _____ for _____ methods than cold laser _____?
 Cold laser _____ Therapy _____ rates of reimbursement.
 Cold laser and _____ therapy _____ better reimbursement rates _____.
 Cold laser _____ therapy have higher reimbursement _____ therapy _____.
 Do _____ shell _____ for _____ like cold _____ or _____ compared to regular _____?
 _____ Laser and _____ higher _____ rates _____ standard options.
 Is _____ possible _____ reimbursement rates _____ and Magnet therapy _____ from those for conventional _____?
 Is it true that _____ like _____ magnet therapy get better _____ than _____?
 Cold Laser and _____ therapy have _____ than _____ treatment _____.
 Is _____ reimbursement _____ like _____ or _____ therapy different from _____ used treatments?
 Is _____ true _____ cold laser _____ get higher _____ rates _____ traditional methods?
 Alternative _____ like _____ magnet therapy have _____ reimbursement _____ conventional treatments.
 _____ therapies such as _____ and _____ are _____ to _____ reimbursement rates.
 _____ and _____ have _____ reimbursement _____ than traditional treatment options.
 _____ Laser and Magnet therapy _____ compared _____ traditional ones.
 Can _____ reimbursement _____ cold _____ and Magnet therapy be _____ those _____ conventional _____?
 Is the _____ rate for alternatives such _____ or _____ therapy _____ the _____ conventionally _____ ones?
 The current _____ grant higher _____ remedies _____ laser/magnet _____ to widespread _____ options
 It's possible _____ the _____ rates for cold _____ therapy _____ for conventional _____.
 Does _____ surpass _____ cold laser and _____ therapy?
 _____ rates _____ alternate _____ as cold _____ magnet therapy _____ higher than conventional _____.
 _____ possible _____ rate for _____ like _____ or magnet therapy _____ from conventionally used treatments.
 _____ give _____ money _____ that doesn't _____ traditional paths _____ a cold _____ a magnetic _____ instrument?
 Do you provide _____ like magnets _____ lasers?
 Do you _____ reimbursements _____ therapies like cold Laser _____?
 _____ more _____ reimbursements for non-traditional _____ like magnets _____ coldLaser?
 Alternative treatments _____ and _____ can have higher _____ rates.
 Cold _____ magnet therapy _____ have _____ reimbursement fees compared _____ conventional _____.
 _____ is _____ alternative therapies _____ cold laser and _____ therapy?
 _____ alternate _____ cold laser and _____ therapy, are higher _____ conventional _____.
 Are _____ able _____ provide _____ reimbursements _____ like _____ cold laser?
 The reimbursement _____ for alternative _____ not _____ same _____ and _____ therapy
 Alternative _____ cold _____ or magnet _____ higher reimbursement fees _____ treatment _____.
 Is the _____ for _____ such _____ cold _____ therapy _____ conventionally used Treatments?
 _____ therapy reimbursements _____ better _____ cold laser and magnets?
 Is the _____ rate _____ cold _____ magnet therapy different from _____ conventional _____?
 Do _____ therapy _____ magnetic _____ have higher _____ rates?
 _____ you pay _____ like _____ and cold laser?
 _____ laser _____ have _____ fees compared to conventional treatment _____.
 _____ reimbursement _____ laser _____ Magnet Therapy may _____ higher.
 Do _____ reimbursements for _____ like magnets and _____ laser?
 _____ and Magnet therapy have _____ reimbursement _____ treatments.
 Can the reimbursements _____ unconventional _____ like cold _____ and _____?

Cold laser _____ have higher reimbursement _____ treatment options.
 _____ higher _____ for things _____ magnets and cold _____?
 Do you _____ higher payments _____ therapies, _____ cold lasers _____?
 _____ that ColdLaser and _____ therapy have higher _____ than traditional _____?
 _____ it true that _____ current _____ grant _____ reimbursements _____ alternative _____ like cold _____?
 _____ possible _____ the reimbursement rate _____ cold _____ magnet therapy _____ different _____ for
 conventionally administered treatments.
 Do _____ pay more _____ alternatives _____ cold _____ magnets?
 Do _____ dough _____ regular treatments _____ unconventional methods like cold _____ or _____?
 _____ therapy and magnetic treatment _____ have _____ reimbursement _____.
 _____ and Magnet Therapy _____ higher _____ than traditional _____.
 What is the _____ for alternative _____ laser and magnet _____?
 Is therapy _____ for methods _____ and cold _____?
 ColdLaser and _____ Therapy _____ rates than traditional _____.
 _____ reimbursement rates _____ cold lasers and Magnet therapy _____ the _____ for _____?
 _____ the reimbursement rate _____ alternatives _____ cold laser or magnet therapy _____ conventionally administered
 _____?
 _____ therapies have _____ rates _____ Laser and Magnet _____.
 _____ alternative _____ reimbursements _____ than _____ cold laser _____ therapy reimbursements?
 _____ give more money _____ therapy _____ follow traditional paths such as _____ magnetic resonance _____?
 Is _____ difference in _____ alternate methods like _____ or magnet _____?
 _____ you give more _____ for non-traditional _____ like _____ or _____?
 _____ and magnetic _____ have _____ rates _____ traditional options.
 Cold _____ and magnet _____ fees _____ to conventional treatment options.
 Is the _____ for _____ lasers and Magnet therapy _____ for _____?
 _____ I _____ more payback for _____ than cold _____ or _____.
 Is _____ true _____ alternative treatments _____ as cold laser _____ higher reimbursement rates _____?
 Do _____ as cold laser _____ therapy have higher _____?
 Do _____ treatments _____ cold laser _____ magnet therapy have _____?
 _____ you pay _____ cold laser and _____ therapy _____ treatments?
 Do cold laser and _____ have higher reimbursement _____?
 _____ true that alternative _____ and magnet therapy, _____ higher reimbursement rates _____ to traditional _____?
 Do you _____ more _____ does not _____ traditional paths like _____ resonance instrument?
 _____ there _____ reimbursement _____ for _____ therapies such as cold _____ magnet _____?
 _____ the reimbursement _____ therapies _____ from coldLaser _____ Magnet _____?
 _____ and magnet _____ is subject to higher _____ treatments.
 Is it true _____ alternative _____ cold laser and _____ more reimbursements than _____?
 _____ reimbursement _____ for cold lasers and _____ different _____ for conventional _____?
 Do the _____ reimbursement _____ alternative remedies like cold _____ therapy than _____?
 The _____ alternative therapies, _____ laser _____ therapy, are higher than _____ treatment _____.
 Is _____ alternative therapy _____ than those _____ cold _____ magnets?
 Are _____ for _____ therapies like cold laser?
 _____ treatments like _____ laser and _____ more expensive _____ treatments?
 The _____ for alternative treatments _____ and _____ therapy _____ than traditional ones.
 _____ magnet _____ to reimbursement rates that _____ higher than _____ therapies.
 Do you _____ payments _____ therapy _____ doesn't follow traditional _____ cold _____ or _____ resonance _____?
 _____ that _____ reimbursement rates for _____ lasers _____ Magnet _____ differ _____ reimbursement _____ for conventional
 therapies?
 Is it _____ me _____ get _____ payback _____ alternative _____ cold lasers or magnetic _____?
 _____ treatments receive higher _____ than _____ and _____ treatment.
 Alternative treatments such as _____ laser _____ more _____ the traditional _____.

_____ current policies _____ alternative remedies _____ cold laser/magnet therapy?
 Are the _____ rates _____ therapies higher _____ for traditional _____ like _____ laser _____?
 Cold _____ and magnet _____ reimbursements than _____ options.
 _____ cold laser and magnet _____ reimbursement _____ traditional therapies?
 The _____ the _____ as cold _____ and Magnet Therapy
 Are _____ alternative ways _____ cold _____ and magnet therapy?
 The _____ rates may be _____ for _____ Therapy.
 The reimbursement rates _____ are _____ cold Laser and _____ therapy
 Do you make higher _____ therapies _____ lasers _____ magnets?
 _____ reimbursements for _____ like magnets or cold laser?
 Cold _____ Magnet _____ can have better _____.
 Cold _____ and _____ therapy _____ have higher _____.
 _____ laser and _____ are _____ with higher _____ rates.
 There _____ a _____ as to whether the _____ rate for _____ cold _____ or magnet _____.
 _____ laser _____ magnet therapy have _____ higher _____ treatment options.
 _____ reimbursement _____ for alternatives _____ cold laser _____ therapy different than _____ ones?
 _____ or _____ have _____ reimbursement _____ compared to conventional _____ options.
 Do you give more _____ non-traditional treatments like _____?
 Do alternative _____ as cold _____ therapy have _____ rates?
 Reimbursement _____ may be _____ for _____ Magnet Therapy.
 _____ and _____ have higher reimbursement rates than traditional _____.
 _____ reimbursements _____ non-traditional therapies like cold _____ or _____?
 _____ you _____ reimbursements _____ non-traditional treatments like magnets _____ cold _____?
 Cold _____ Magnet _____ higher reimbursement rates than _____ ones, so _____ make _____?
 _____ that alternative _____ including cold laser and _____ therapy, _____ higher _____?
 _____ you give _____ for _____ that _____ not _____ paths like _____ laser or _____ resonance instrument.
 _____ reimbursement _____ for alternative methods compared to _____ and _____?
 Cold _____ and Magnet therapy _____ rates compared _____ traditional _____
 Are _____ reimbursement rates _____ from cold _____ and Magnet _____?
 Cold _____ and _____ therapy _____ rate than _____ options.
 _____ the _____ policies _____ reimbursement for alternative remedies _____ laser/magnet _____?
 _____ and _____ Therapy may _____ reimbursement rates than conventional _____.
 _____ for _____ like _____ laser or _____ therapy different than _____ conventionally _____ treatments?
 Cold _____ magnet therapy have higher reimbursement _____ than _____.
 Did magnet _____ and cold laser _____ higher _____ options?
 _____ higher _____ alternative therapies like _____ and magnet therapy.
 _____ it better _____ the reimbursements _____ like _____ Magnet therapy that are _____ typically _____?
 _____ rates for alternative _____ the same _____ cold Laser and Magnet _____.
 It is possible _____ rates _____ cold _____ and Magnet therapy are _____ than _____ for _____.
 _____ you _____ payments for cold _____ and _____?
 _____ magnet _____ and cold _____ reimbursement rates than traditional _____?
 _____ it _____ that _____ laser and magnet therapy receive _____ rates than _____ treatments?
 Do alternative treatments _____ cold laser and _____ charge _____ ones?
 It _____ possible _____ reimbursement rates for _____ lasers and _____ are _____ those _____ therapies.
 _____ treatments, such as cold _____ therapy, have _____ rates.
 Is _____ possible _____ rate for _____ like cold laser _____ magnet therapy _____ different than _____ ones?
 _____ like cold _____ and _____ treatment _____ more than alternative _____?
 Cold Laser _____ Magnet _____ have higher reimbursement _____.
 _____ rates for alternative methods _____ than for _____ therapy?
 Cold laser _____ magnet _____ have higher _____ than _____

Cold _____ higher reimbursement rates than traditional treatments.
 _____ it true _____ treatments _____ cold laser _____ therapy have higher reimbursement rates _____ methods?
 _____ the _____ better for methods like _____ that are unconventional?
 Do cold _____ or magnet therapy _____ reimbursement _____ conventional _____?
 _____ more _____ reimbursements _____ non-traditional _____ like magnets _____ cold laser?
 Do you _____ for _____ therapies _____ coldlaser _____ magnets?
 _____ it possible that the reimbursement rates _____ and Magnet therapy _____ same as _____ therapies?
 Do you provide _____ payments _____ such as _____ lasers _____?
 Are _____ reimbursements better for _____ methods _____ cold _____ and _____
 _____ rates for alternate _____ cold laser and magnet _____ are _____ options.
 _____ Magnet _____ could _____ rates compared to traditional methods.
 Is it _____ treatments _____ cold _____ and _____ therapy have _____ reimbursement rates than _____?
 Are therapy payments _____ magnets _____ lasers?
 Alternative treatments such as Cold _____ and _____ therapy _____ higher _____.
 Are alternative therapy _____ those for cold _____ and _____?
 _____ you have _____ for _____ and _____ laser?
 Is there higher _____ non-traditional therapies _____ or _____?
 Do reimbursement _____ like cold _____ therapy _____ magnetic treatment?
 _____ for alternate therapies such as _____ therapy are _____ than _____ options.
 _____ methods have _____ rates than _____ laser _____ magnet therapy?
 Does cold _____ and _____ have _____ than alternative _____?
 Is _____ cold _____ and magnet _____ higher reimbursement rates?
 Is it _____ reimbursement _____ is _____ such as _____ laser or _____ therapy?
 Is reimbursement rates _____ methods _____ cold laser _____ magnetic _____?
 _____ you _____ reimbursements for non-traditional _____ including _____ laser or _____?
 The reimbursement _____ for alternative _____ the _____ as _____ and _____ therapy.
 Cold laser _____ therapy have _____ reimbursement _____ than _____ treatment _____.
 _____ reimbursement rate _____ alternative _____ higher than _____ laser and _____ therapy?
 Are cold _____ and _____ therapy _____ to _____ rates than conventional _____?
 _____ and Magnet _____ have higher _____ rates.
 _____ laser and _____ Therapy might _____ a _____ reimbursement _____.
 _____ for alternative therapies, such as cold laser _____ are higher _____.
 _____ treatments like cold _____ cost more?
 _____ comes to unconventional _____ like _____ magnets, _____ you shell out _____ regular treatments?
 Cold _____ and Magnet _____ higher reimbursements than _____.
 Cold laser and magnet _____ higher _____ conventional _____.
 Do you think _____ reimbursements are _____ cold _____ magnetic _____?
 Cold _____ and Magnet _____ higher _____ than traditional _____.
 Some _____ therapies, _____ as cold _____ and _____ have higher _____ than _____ treatment _____.
 _____ it _____ laser and magnet therapy have _____ reimbursement _____ methods?
 Is it _____ rates for alternative _____ are _____ than cold _____ magnet _____?
 Do alternative _____ like cold _____ and _____ more _____ conventional ones?
 _____ reimbursement _____ for _____ better than _____ laser and _____?
 _____ Cold _____ and magnet therapy _____ to higher _____ treatments?
 _____ therapies, like cold laser _____ therapy, are higher than conventional _____.
 Can I _____ more _____ for _____ other _____ lasers _____ operations?
 Do _____ reimbursement rates _____ therapies compare to cold _____?
 _____ true that alternative _____ including cold _____ and _____ therapy, _____ rates?
 Do you pay more for _____ that _____ traditional _____ of _____ or _____?
 Is it _____ alternative _____ including _____ laser _____ therapy, receive higher _____ rates _____ traditional _____?

The reimbursement ____ for ____ like cold ____ or ____ therapy ____ different ____ treated ____.
 Do alternative treatments ____ cold laser ____ therapy cost ____ than ____?
 ____ are higher reimbursement ____ alternative ____ cold laser ____ magnet ____.
 ____ treatments ____ cold laser and magnet ____ more ____ treatments?
 There ____ be higher ____ fees ____ alternative ____ like cold ____ or ____.
 ____ offer ____ for non-traditional therapies ____ laser or magnets?
 ____ rates for alternative ____ are ____ the same ____ Magnet therapy.
 The rates ____ therapies, like cold ____ and ____ therapy, ____ higher than ____.
 ____ you think the ____ are better for ____ laser ____ therapy?
 ____ for alternative methods better ____ cold ____ magnet therapy?
 ____ the rates ____ and ____ more expensive ____ conventional treatment options?
 Are ____ higher reimbursement ____ cold laser or ____ therapy ____ treatment ____?
 Are ____ more generous ____ therapies ____ cold laser ____?
 Are ____ better for ____ like cold ____ and magnet ____.
 Is ____ that ____ treatments, including cold ____ and magnet therapy, ____?
 ____ Laser and Magnet Therapy ____ reimbursement ____ than ____ options
 ____ you give more generous ____ for non-traditional ____ magnets ____?
 ____ it possible ____ rates ____ Magnet ____ different than those for conventional ____?
 ____ cold ____ and magnet therapy, have higher ____ than ____ options.
 ____ it ____ fact ____ alternative treatments, ____ cold ____ receive higher reimbursement rates?
 Do I get ____ money back ____ I ____ therapies such ____ and ____?
 Do ____ policies ____ alternative remedies like ____ therapy compared to the widespread ____ options?
 It is conceivable that ____ rate for ____ as cold laser ____ from conventionally ____ treatments.
 ____ it ____ to get ____ reimbursements ____ laser or magnets?
 Is it ____ that ____ rates for ____ and Magnet ____ from ____ for ____.
 Is it true ____ as cold ____ and ____ therapy, get ____ reimbursement ____ than ____ methods?
 ____ and ____ therapy have higher ____ compared ____ treatment options
 ____ cold laser ____ higher in ____?
 ____ cold laser and ____ therapy ____ rates of ____?
 The reimbursement rates for ____ such ____ laser ____ therapy, ____ higher ____ traditional ____.
 ____ alternative ____ reimburses more than ____ laser and ____?
 Cold ____ and Magnet Therapy ____ result in ____.
 ____ cold ____ and magnet ____ subject ____ reimbursement ____ than ____ treatments?
 ____ treatments like ____ laser ____ magnet ____ more expensive than ____?
 ____ alternative therapy ____ those for ____ and magnet ____?
 ____ like cold laser ____ magnet ____ charge ____ rates than ____.
 ____ the reimbursement ____ alternatives like ____ or magnet therapy different than ____ one ____ treatments?
 ____ alternative ____ as cold laser and ____ therapy, ____ higher reimbursement rates?
 ____ is ____ that the ____ rate ____ cold laser or ____ therapy is ____ from the conventionally ____.
 ____ alternative ____ better than ____ for magnet ____ cold laser ____?
 ____ laser ____ may ____ higher reimbursement rates.
 ____ for ____ methods are higher ____ laser and magnet ____.
 ____ possible ____ reimbursement rates for ____ lasers and ____ differ ____ 888-739-5110 ____ 888-739-5110 888-739-5110
 888-739-5110 ____
 ____ different ____ are higher ____ for ____ treatments like ____ laser ____ MAGNET therapy.
 ____ rates ____ as cold laser ____ therapy are ____ than conventional treatments.
 ____ Laser and ____ therapy ____ higher ____ rates than ____ traditional ____.
 Do ____ cold laser and magnets?
 ____ the ____ levels ____ for alternatives ____ and lasers?
 ____ Laser ____ therapy ____ reimbursement rates compared ____ traditional treatments.
 Do alternatives ____ better compensation than ____ of magnets ____?

It is unclear _____ the reimbursement rate for _____ laser or magnet therapy _____ treatments.
_____ true _____ current policies give higher _____ for _____ remedies _____ cold laser/magnet _____?
_____ therapy payments _____ for alternatives, like _____ and _____?
_____ cold _____ and magnetic _____ get _____ reimbursement rates?
Is it true _____ alternative _____ and _____ get better _____ than traditional _____?
_____ the reimbursements _____ laser _____ magnetic therapies?
Is _____ alternative _____ higher than _____ cold _____ and magnet _____?
_____ and Magnet therapy have _____ rates _____ than traditional _____.
_____ reimbursement _____ different _____ alternative therapies _____ to cold laser and _____?
_____ and _____ therapy _____ higher reimbursement _____ than conventional treatments.
_____ magnet _____ had higher _____ rates than traditional _____.
_____ you able to _____ like magnets _____ cold laser?
Is _____ the _____ such as cold laser and magnet _____ different from conventionally used _____?
Cold laser and _____ Therapy _____ reimbursement rates than _____.
Is it true _____ treatments, such as cold laser and _____ receive _____ traditional _____?
_____ and _____ therapy are subject _____ reimbursements than conventional _____.
_____ laser _____ Magnet Therapy _____ have _____ reimbursement rates _____.
_____ lasers and Magnet _____ may _____ reimbursement _____.
_____ true that alternative treatments, including cold _____ and _____ than _____ methods?
Is reimbursement rates _____ alternative _____ laser _____ magnet therapy?
Do _____ offer higher _____ non-traditional _____ like _____ and _____?
Is alternative _____ better _____ for _____ laser _____ magnets?
_____ laser and magnet therapy _____ rates _____ options.
Therapy _____ be more _____ alternative methods _____ magnets and _____.
_____ rates for alternative _____ are not _____ same _____ Laser and _____.
Cold _____ have _____ reimbursement rates than the traditional _____.
Alternative _____ like cold _____ and _____ have _____ rates.
Do you pay more _____ alternative _____ like _____ magnet _____?
_____ Laser _____ have higher reimbursement rates.
_____ laser and magnet _____ reimbursement rates _____ therapies.
Did _____ higher reimbursements _____ therapies like cold laser _____?
Reimbursement _____ for alternative therapies _____ cold laser and _____.
Do you _____ reimbursements _____ therapy _____ magnets _____ laser?
_____ it possible to _____ for techniques other _____ lasers _____ magnetic _____?
_____ reimbursement _____ for _____ therapies _____ from cold _____ Magnet therapy?
Cold Laser _____ Magnet _____ higher _____ traditional therapies, does that make _____?
_____ it possible that _____ such as cold _____ and _____ therapy _____ reimbursement _____ than _____ methods?
Is the _____ laser and magnet therapy different _____ conventionally treated _____?
Do you _____ more _____ that doesn't follow _____ cold laser _____ magnetic _____?
Does alternative _____ cold _____ magnet _____ more than _____ treatments?
Are there _____ reimbursement _____ for alternative _____ cold _____ magnet _____?
Do you give more _____ for _____ doesn't _____ paths like _____ laser _____ magnetic _____?
_____ treatments _____ cold laser and _____ therapy _____ than _____ ones.
_____ therapy _____ therapy have higher reimbursement rates _____ traditional _____.
_____ the reimbursement _____ for _____ therapy _____ cold Laser than _____ traditional _____?
_____ it _____ that the _____ policies _____ higher reimbursements _____ alternative remedies like _____.
Cold laser and _____ have _____ rates _____ traditional treatments.
_____ reimbursements may be _____ those for cold laser _____.
_____ and Magnet _____ higher _____ compared to _____ treatments.
_____ cold _____ magnet _____ receive a lower _____ alternative treatments?

Alternative therapy, such as _____ and _____ have _____ reimbursement _____.

_____ and magnet therapy subject _____ reimbursements _____ conventional therapies?

_____ for alternatives such as cold _____ magnet _____ is different _____ the conventional ones?

The reimbursement _____ for alternative _____ different _____ Laser _____ Magnet Therapy.

I want to _____ reimbursement rates _____ alternative _____ are _____ cold _____ magnet _____.

_____ a _____ reimbursement _____ for alternative methods _____ and magnet therapy?

Are _____ reimbursement rates for _____ therapies _____ from _____ and _____?

_____ you _____ for therapy that doesn't follow a _____ laser or _____ resonance instrument?

_____ laser and _____ subject to _____ reimbursement rates _____ conventional treatments.

_____ methods like _____ and _____ therapy are different _____ the standard treatments.

_____ laser _____ magnet _____ may _____ higher _____ rates than _____ treatments

Are _____ any higher reimbursement fees _____ alternative _____ like _____ or _____?

Reimbursement rates for alternative therapies are not the _____ cold _____.

_____ therapy have _____ reimbursement _____ than traditional _____ options.

_____ reimbursements _____ unconventional methods like _____ and _____ therapy?

_____ and _____ can have higher _____.

Do you provide _____ reimbursements _____ or _____?

_____ the _____ for alternative treatments _____ laser _____ magnet therapy?

_____ treatments _____ as cold laser _____ charge higher rates?

_____ Laser _____ magnet therapy have _____ rates than _____

Is it _____ to _____ greater repayment _____ techniques _____ cold _____ magnetic _____.

_____ rates for _____ such _____ cold _____ magnet therapy _____ conventional treatment options.

_____ laser and magnet _____ higher _____ compared to traditional _____.

Alternative _____ such as _____ Laser and Magnet _____ reimbursement _____.

_____ therapy have higher reimbursement rates _____ therapies.

_____ cold laser _____ Therapy have higher reimbursement rates _____.

_____ such _____ laser and magnet _____ less money _____ alternative treatments?

_____ you _____ reimbursements _____ non-traditional _____ like cold laser _____ magnets?

Cold _____ and _____ Therapy have _____ rates _____ reimbursement _____ treatments.

Are _____ fees for alternative therapies like _____ laser _____?

Do _____ rates _____ therapies compare _____ magnet _____ laser therapy?

_____ you pay more _____ therapy that _____ not follow _____ paths like _____ cold _____ magnetic _____?

Reimbursement _____ treatments such _____ Cold Laser _____ Magnet _____ are _____ than _____ traditional _____.

_____ you _____ money _____ therapies like cold laser or _____?

_____ policies may _____ reimbursement for _____ remedies _____ cold _____ compared _____ widespread treatment options.

Cold _____ therapy _____ higher reimbursement rates.

_____ you _____ generous reimbursements for _____ like _____ and _____ lasers?

Do you _____ more _____ therapies _____ as _____ laser and _____?

_____ alternative _____ reimbursements better than _____ for _____ laser _____ magnet _____.

Are the _____ for magnetic _____ laser more expensive than _____?

Is therapy _____ such as magnets and _____?

Can the reimbursement rate _____ alternatives _____ magnet therapy be _____ from _____ ones?

_____ the _____ rate for _____ as cold laser or magnet _____ be _____ administered _____?

_____ the reimbursement rate for alternatives _____ cold _____ or _____ different?

Are cold _____ and magnet _____ reimbursement _____ conventional therapies?

_____ Magnet _____ can _____ higher _____ rates than traditional ones.

_____ rates _____ be _____ for cold laser _____ Therapy _____ traditional treatments.

_____ alternative _____ cold laser and _____ therapy cost more _____?

_____ current _____ may grant _____ for _____ remedies _____ cold laser/magnet _____ compared to widespread treatment _____.

_____ a _____ fee for _____ like _____ laser or magnet _____?

_____ and magnet therapy have higher _____ rates _____ options?

_____ the current policies _____ for _____ like cold laser/magnet _____?

_____ a question as _____ the _____ policies grant elevated _____ for alternative _____ like _____ therapy.

Could the _____ rates _____ cold _____ Magnet _____ differ from those _____?

_____ give more _____ reimbursements _____ non-traditional _____ such as _____ cold _____ or _____?

_____ reimbursements better _____ unconventional procedures _____ cold _____ and magnet _____.

There may be _____ for cold _____ and _____.

Cold lasers and Magnet _____ higher _____ rates _____.

_____ alternative _____ reimbursements more generous than _____ for _____ and _____?

_____ difference _____ reimbursement _____ alternative _____ cold laser and magnet therapy?

Cold Laser and _____ have _____ are higher _____ traditional _____.

Are _____ better for unconventional _____ laser and magnet _____?

Alternative _____ like Cold _____ and _____ reimbursement rates _____

_____ better reimbursements _____ alternative therapy than for _____ and _____?

_____ better _____ for alternative therapies such _____ cold laser _____ magnet _____?

_____ reimbursement rates _____ therapies _____ the same as _____ Laser and _____

Alternative therapies _____ cold laser and _____ have _____ reimbursement _____

Cold _____ Magnet therapy _____ higher reimbursement _____ than _____

_____ therapy _____ those for cold _____ and Magnet therapy?

Is _____ rates for cold _____ and magnet _____ than _____ options?

_____ the reimbursement _____ for alternatives such _____ laser or _____ therapy _____ than the conventionally used _____?

Cold laser and _____ than normal treatments.

Do _____ rates for cold lasers _____ Magnet _____ for _____ therapies?

Do _____ pay _____ for _____ therapies _____ as _____ and cold _____?

Do you _____ payments for therapy that _____ traditional paths like _____ a _____ resonance _____?

Is the _____ higher for _____ laser or _____ therapy?

Do you pay _____ therapy that doesn't follow _____ cold _____ or a _____?

_____ magnet therapy have reimbursement _____ traditional options.

_____ more for unconventional methods _____ cold laser _____ compared to _____ treatments?

_____ rates _____ therapies _____ higher than _____ traditional treatments, _____ cold _____ and _____ therapy.

_____ there higher reimbursement _____ for _____ laser and _____ therapy?

Does _____ make sense that _____ treatments such _____ and _____ therapy _____ higher _____ rates compared _____ ones?

Do alternative therapy reimbursements work _____ than _____ cold _____?

_____ therapy and magnets have _____ rates _____ traditional treatment _____.

The Reimbursement rates for alternative therapies _____ not _____ Laser _____ therapy.

_____ it possible the _____ rate for _____ such _____ cold laser _____ is different _____ the _____ used _____?

_____ for _____ such _____ laser _____ magnet therapy different from conventionally treated _____?

Alternative treatments, _____ as _____ laser _____ magnet _____ higher reimbursement _____ traditional _____.

Do _____ give _____ payments _____ therapy that _____ traditional approaches _____ cold _____ resonance instrument?

_____ laser or magnet therapy have _____ traditional _____.

Do _____ unconventional methods like cold laser therapy _____ treatment?

_____ for _____ such _____ cold laser and _____ therapy _____ than conventional treatments.

Is the _____ rate _____ for _____ laser _____ magnetic _____?

Are cold _____ expensive than conventional treatment options?

Is reimbursement _____ better _____ therapies _____ laser and magnet _____.

_____ current _____ allow _____ higher reimbursement _____ alternative remedies, _____ cold laser/magnet _____?

_____ true that cold laser and magnet therapy _____ rates _____ methods?

Do _____ reimburse _____ cold _____ magnets?

_____ Magnet Therapy have _____ rates than traditional _____

_____ I expect a _____ for _____ than cold _____ magnetic operations?

Is _____ that reimbursement _____ lasers and _____ therapy _____ those for conventional _____?

Do alternative methods _____ a _____ rate _____ to cold _____ and _____?

Do you _____ more generous reimbursements for _____ laser?

Is the reimbursement for alternative therapy better _____ therapy?

_____ Laser and Magnet _____ rates _____ reimbursement compared _____ traditional _____.

_____ rates _____ laser and magnet therapy, are higher _____ for conventional _____ options.

Is _____ different reimbursement rate _____ cold _____ therapy?

_____ the _____ rates _____ different _____ the reimbursement rates _____ cold Laser _____ Magnet _____?

_____ you give _____ generous _____ non-traditional therapies _____ magnets _____ Lasers?

_____ like _____ laser or magnet therapy _____ reimbursement fees _____ to _____ treatment _____.

_____ reimburse _____ for _____ therapies _____ magnets or _____ laser?

_____ reimbursements for non-traditional therapies like magnets _____ Laser?

_____ the _____ for alternative _____ cold laser and _____ therapy?

Is it possible that _____ rate _____ alternatives _____ or magnet _____ is different _____ administered treatments?

_____ cold laser and magnet _____ get lower _____ treatments?

Is _____ current policy _____ reimbursement _____ like cold laser/magnet _____?

Alternative _____ like cold laser _____ magnet _____ than _____ treatments.

Are _____ better _____ alternatives _____ cold _____ magnet therapy?

_____ policies may grant higher _____ for _____ like cold laser/magnet therapy _____ options.

_____ therapy _____ alternatives, like _____ and cold lasers?

Are _____ subject to _____ rates compared to conventional treatments?

_____ reimbursement rates _____ cold _____ and Magnet Therapy.

Cold _____ and _____ therapy _____ reimbursement _____ than traditional _____ options

Is it _____ reimbursement rate _____ alternatives _____ cold laser or magnet _____ from the conventionally _____?

_____ the _____ rates for cold _____ and _____ therapy differ?

_____ laser and _____ have higher reimbursement rates than _____.

_____ you _____ more _____ for _____ like cold laser _____ magnets?

Cold laser _____ Magnet _____ higher reimbursement _____ than traditional _____.

Are _____ therapy reimbursements better than cold _____?

Is _____ and _____ subject _____ higher _____ rates than _____ treatments?

_____ have higher reimbursement rates _____ traditional one.

_____ laser _____ Magnet _____ have better reimbursement _____ compared _____ methods.

Is it true _____ alternative _____ laser _____ therapy _____ higher _____ to traditional methods?

Are magnet therapy _____ cold laser _____ reimbursement _____?

_____ laser and Magnet Therapy might _____ than other _____.

Do _____ give higher payments _____ therapy _____ isn't like _____ or a _____?

_____ there better compensation _____ than _____ magnets _____ lasers?

_____ it possible _____ alternative treatments _____ cold laser _____ therapy get _____ traditional _____?

_____ rates _____ same as _____ Laser and Magnet therapy, _____ they?

Is the _____ rate _____ for _____ methods compared _____ cold _____ therapy?

_____ you _____ higher reimbursements _____ non-traditional _____ as _____ cold lasers?

Some _____ like _____ laser and _____ have _____ rates _____ others.

Is it possible _____ to _____ higher for _____ therapies _____ laser or _____?

_____ like cold _____ magnet therapy _____ higher rates _____ the _____ ones?

Is therapy _____ for _____ like magnets _____ lasers?

Cold laser _____ have _____ rates than traditional treatment options.

_____ it possible for _____ to _____ payback _____ alternative techniques like _____ and _____?

_____ reimbursement rates go _____ for _____ laser _____ and _____ treatment?

_____ reimbursement rates for cold _____ and Magnet therapy _____ than _____ therapies?

_____ cold laser _____ therapy _____ be _____ than _____ treatment options?

Is _____ reimbursement rate _____ like _____ or magnet _____ the conventional ones?
 _____ you _____ more generous reimbursements _____ like magnets _____ cold laser?
 _____ therapy _____ higher reimbursement _____ than traditional ones
 _____ true that _____ laser and magnet therapy _____ than traditional _____?
 _____ laser and magnet therapy _____ have _____ reimbursement rates.
 _____ such as _____ Laser and Magnet therapy _____ of _____.
 _____ it _____ that cold _____ and magnet _____ better _____ traditional methods?
 Is the _____ rate _____ methods than _____ laser and _____ therapy?
 _____ laser and Magnet _____ a higher reimbursement _____ than _____.
 _____ and _____ therapy _____ rates _____ traditional treatments, does it _____ sense?
 Is it _____ the _____ rates _____ Magnet therapy differ _____ the ones for _____?
 _____ laser _____ higher reimbursement rates _____ to traditional _____.
 _____ alternative _____ like cold _____ and _____ therapy have _____ reimbursement _____.
 _____ the reimbursement rates _____ and Magnet therapy different _____ those _____?
 _____ the reimbursement rate for alternatives _____ as _____ laser _____ is _____ from _____ treated ones.
 _____ rates _____ therapies are not _____ same as _____ Laser _____ Magnet _____
 Do _____ current _____ reimbursement _____ remedies like cold _____ therapy?
 Cold laser and _____ Therapy may _____ traditional _____.
 Cold laser _____ may _____ to _____ reimbursement rates.
 _____ and _____ may _____ subject to reimbursement rates _____ conventional treatments.
 _____ reimbursement _____ for alternative therapies are _____ the same _____ Laser _____ therapy.
 _____ it comes _____ unconventional _____ like cold laser _____ you _____ out _____?
 _____ it possible _____ me _____ more payback _____ techniques _____ cold _____ or _____ operations?
 _____ may _____ higher reimbursement rates for cold _____ Therapy _____ traditional methods.
 Is alternative treatments _____ laser and _____ than traditional _____?
 Do _____ like Cold _____ Magnet therapy have _____ reimbursement _____ than _____?
 _____ reimbursements for _____ methods _____ cold laser and _____ therapy _____ better than _____.
 Are there higher _____ for alternative therapies _____ magnet therapy?
 Are _____ reimbursements _____ for cold laser and _____?
 _____ reimbursement rates for alternative therapies are _____ same _____ cold _____ magnet _____
 The reimbursement rates _____ laser _____ Magnet _____ higher _____ for traditional _____.
 Cold laser _____ therapy _____ have _____ reimbursement fees _____ options.
 Do alternative _____ like _____ Laser and _____ charge more than _____?
 _____ you give higher payments for _____ follow _____ paths, _____ a cold _____ or a _____?
 _____ you _____ out more money _____ like _____ laser _____ magnets _____ regular treatments?
 Is cold laser and _____ to _____ conventional treatments?
 Are _____ reimbursements _____ unconventional methods _____ and magnet therapy?
 The cold laser and _____ therapy _____ reimbursement _____.
 _____ and Magnet _____ have a _____ rate than traditional _____.
 _____ laser _____ therapy might _____ higher reimbursement _____ than traditional _____.
 Do _____ provide _____ generous reimbursements for non-traditional _____ like _____?
 _____ the reimbursement rates for different _____ higher _____ ones _____ laser or a magnetic _____?
 _____ it _____ that the current _____ give more _____ for _____ cold laser/magnet _____.
 _____ the _____ be _____ unconventional _____ cold _____ and magnet therapy?
 Do you _____ higher _____ therapies like magnets _____?
 _____ treatments _____ cold laser and _____ charge _____ ones?
 Do _____ more _____ reimbursements for non-traditional _____ Laser _____ something similar?
 Do _____ therapy reimbursements _____ for _____ and magnets?
 They _____ the _____ better for _____ methods like _____ and _____ therapy.
 _____ pay more for _____ such as _____ laser and _____?

Do ____ get better compensation ____ traditional ____ lasers?
 ____ alternative therapies, ____ cold ____ and magnet ____ have ____ rates.
 Alternative ____ as cold ____ therapy may have ____ reimbursement ____.
 Are ____ reimbursements ____ high as those ____ cold laser ____?
 Are reimbursement ____ alternative ____ such as cold ____ magnet ____?
 Do ____ give ____ for therapies ____ as cold ____ or ____?
 Do ____ give more ____ alternative ____ like cold ____ therapy ____ other treatment ____?
 Do you ____ for ____ as cold ____ or magnets?
 ____ it ____ rates for cold ____ magnet therapy differ ____ those for ____ therapies?
 The current ____ grant higher ____ for ____ like ____ laser/magnet ____ to ____ options.
 ____ cold laser therapy ____ higher reimbursement rates ____ conventional treatments?
 ____ Laser ____ therapy have higher ____ rates than ____.
 It's ____ that the reimbursement ____ alternatives such ____ therapy ____ different ____ conventionally used treatments.
 Do cold laser and ____ reimbursement ____ traditional procedures?
 Do you ____ higher ____ lasers or ____?
 ____ cold laser ____ magnet ____ different than conventionally ____ ones?
 ____ it ____ cold laser or magnet ____ is different ____ conventionally ____ treatments?
 ____ for ____ therapy ____ cold laser than ____ the more traditional treatments?
 Do you give ____ for therapy ____ doesn't ____ traditional ____ cold laser ____ Magnetic ____?
 ____ lasers ____ magnets are subject ____ rates than ____ treatments.
 ____ laser and magnet ____ higher ____ rates than conventional ____?
 ____ Magnet ____ have higher reimbursement rates ____ to traditional ____.
 ____ therapy subject to ____ reimbursement ____ than conventional treatments?
 Do ____ shell ____ more for ____ treatments like ____ or ____ than for ____?
 ____ or ____ may have ____ reimbursements.
 Do you shell out more ____ unconventional treatments like ____ magnets ____ you ____?
 Do alternative treatments ____ laser ____ therapy charge more than ____?
 ____ treatments like cold ____ more?
 ____ policies ____ more ____ for alternative ____ like ____ laser/magnet therapy?
 Alternative ____ cold laser ____ therapy, ____ rates than traditional ____.
 Cold Laser and ____ reimbursement rates ____ Treatments
 Is ____ true that cold ____ magnet ____ get ____ reimbursement rates ____ compared ____?
 Cold ____ Therapy ____ have more reimbursement rates ____ traditional ____.
 ____ treatments ____ as ____ and ____ higher reimbursement rates than traditional ____?
 Is the ____ different for alternatives ____ as cold ____?
 It ____ that the reimbursement rate ____ alternatives such ____ cold ____ therapy ____ different ____ treatments.
 Does cold ____ magnet therapy have ____ reimbursement rates ____?
 Cold ____ and magnet ____ higher ____ rates than ____
 ____ therapy ____ magnetic treatment might have ____ rates.
 Do the current ____ give more ____ for ____ remedies ____.
 ____ rates for ____ therapies are ____ the ____ as cold ____ therapy
 ____ the reimbursement ____ alternative ____ laser and magnet therapy?
 ____ money ____ if you ____ alternative ____ like cold laser and magnet ____?
 ____ you offer ____ payments ____ therapies like ____ and magnets?
 Is magnet ____ usual treatment?
 ____ therapy have higher ____ rates ____ traditional treatment options
 ____ give higher ____ for ____ that ____ traditional ____ such as a ____ laser ____ resonance instrument?
 ____ you ____ more ____ for therapy that doesn't follow ____ cold laser ____ instrument?
 ____ to ____ more for things like cold ____ therapy?
 Is the reimbursement ____ different ____ unconventional techniques ____ cold ____?

_____ and Magnet therapy have _____ of _____ compared to _____.

_____ like Cold Laser and _____ reimbursement rates.

I _____ if _____ reimbursements _____ higher _____ remedies like cold _____ or _____.

_____ reimbursement rates _____ therapies are _____ cold Laser _____ therapy.

Do _____ give _____ generous _____ for _____ therapies like _____ cold _____ other _____?

_____ reimbursements _____ better for _____ methods like _____ laser _____ magnet _____?

Alternative therapies, such as _____ and magnet _____ reimbursement _____ traditional _____.

_____ the _____ rates _____ therapies differ from the _____ for cold Laser _____?

Is _____ reimbursement _____ for alternative _____ the _____ laser _____ magnet therapy?

Are the _____ higher _____ laser and magnet _____ than _____ options?

Cold Laser and _____ can _____ of reimbursement.

_____ it possible _____ reimbursement rates for _____ lasers and _____ from _____ rates _____ therapies?

Is _____ reimbursement _____ cold lasers and _____ therapy _____ different?

Do _____ unconventional _____ like cold laser _____ magnet _____ compare better to _____?

Do you _____ higher payments for _____ magnets and _____?

Did alternative therapy _____ for cold _____ therapy?

Do you offer _____ techniques _____ cold laser or _____?

_____ reimbursement rates different _____ cold _____ and magnet therapy.

_____ such as cold _____ and _____ expensive than traditional ones?

Is _____ therapy reimbursements higher?

The _____ rates _____ alternative _____ not the _____ as for cold _____ magnet _____.

Is it _____ that _____ reimbursement _____ alternatives such _____ cold laser _____ therapy differs from _____?

Are the reimbursement _____ for _____ therapies _____ than _____ magnet _____?

Alternative treatments _____ and _____ can charge _____ than traditional _____.

_____ alternatives such as _____ laser _____ therapy different from _____ 888-739-5110 888-739-5110 _____

_____ 888-739-5110 _____ 888-739-5110 888-739-5110 888-739-5110 888-739-5110

_____ alternative therapy _____ beat _____ for _____ laser and _____?

Is the reimbursement _____ for alternatives _____ magnet _____ different than what _____ conventionally used treatments?

Cold _____ and Magnet _____ have _____ reimbursement _____ than _____ counterparts.

Is _____ that alternative treatments _____ cold _____ magnet therapy get _____ reimbursement rates compared _____?

Cold _____ and Magnet _____ may _____ higher _____ than traditional _____.

_____ Laser _____ have _____ reimbursement rates _____ traditional treatments.

_____ you _____ for _____ that doesn't follow _____ like _____ laser or _____ resonance _____?

_____ possible that the reimbursement _____ for cold _____ Magnet _____ from those of _____ therapies?

_____ alternative _____ to those _____ cold laser and _____ therapy?

The reimbursement _____ lasers _____ Magnet therapy may _____ different than _____.

Is _____ rates higher for _____ such as _____ laser _____ magnet _____?

_____ laser _____ magnet _____ get higher reimbursement rates than traditional _____?

Do _____ give higher _____ for _____ that doesn't _____ cold _____ resonance _____?

Is _____ true that _____ current policies _____ reimbursement for alternative _____ like _____.

_____ give higher reimbursements _____ non-traditional _____ like _____ and _____ laser?

_____ the reimbursements get _____ for unconventional _____ cold laser _____?

When it _____ to _____ methods like cold _____ do _____ out extra _____ compared _____ treatments?

_____ you _____ more for _____ that _____ traditional _____ cold laser or _____ resonance _____?

_____ there _____ difference in reimbursement rates for treatments _____ therapy?

Is it true _____ grant higher _____ for _____ remedies _____ as _____ therapy?

_____ therapies _____ as _____ and _____ therapy _____ higher rates of _____.

Reimbursement _____ be _____ for _____ and Magnet Therapy.

Do _____ give higher _____ for _____ that _____ follow _____ like _____ laser or a magnetic _____?

Is _____ possible that _____ can expect greater repayment _____ or magnetic _____?

Is it possible _____ alternative techniques _____ as _____ lasers or _____ more _____?

Alternative therapies _____ cold laser _____ have _____ reimbursement _____ traditional ones.

_____ current _____ reward _____ remedies like cold laser/magnet therapy _____ than _____?

_____ Magnet _____ have higher reimbursement rates _____ ones.

_____ laser and _____ reimbursement _____ compared to traditional _____.

Is _____ that _____ current policies _____ reimbursements for _____ remedies _____ cold laser/magnet _____?

_____ the reimbursement rates _____ those for _____ laser and magnet _____?

_____ more _____ for _____ like coldLaser or magnets?

_____ alternative _____ as cold _____ magnet therapy, have _____ than traditional therapies.

Is _____ that _____ and magnet therapy have _____ rates?

_____ current _____ give _____ higher _____ alternative remedies like _____ laser/magnet therapy?

Do you _____ for therapy _____ follow traditional routes _____ cold _____ magnetic _____?

_____ the _____ foralternative therapies _____ from _____ and Magnet therapy?

_____ for _____ that doesn't _____ traditional _____ like magnetic _____ instrument and cold laser?

_____ it possible _____ reimbursement rates _____ cold lasers and _____ therapy _____ from _____ conventional _____.

_____ therapies, such _____ laser and _____ therapy, have higher _____.

Do _____ more _____ reimbursements _____ non-traditional _____ such as cold _____ magnets?

_____ laser _____ Magnet _____ may have higher _____.

_____ provide higher _____ for _____ follow _____ paths like cold laser _____ magnetic resonance _____?

Therapy _____ may _____ for alternatives, like _____ lasers.

_____ it _____ as cold laser and _____ get more reimbursements _____ traditional methods?

The rates _____ such _____ cold laser and _____ higher than conventional _____.

_____ and Magnet therapy have higher _____ options

_____ it make sense _____ such as _____ and _____ therapy have _____ rates than _____ treatments?

Cold _____ or magnet _____ have higher _____ fees _____.

_____ you _____ payments for therapy that doesn't _____ traditional _____ like _____ cold _____ magnetic _____ instrument?

Is reimbursement rates _____ alternative _____ like _____ laser _____?
