

[Demo] NLP Dataset for Customer Service Automation

Company Type	Internet Service Providers
Inquiry Category	DNS and IP address configuration help
Inquiry Sub-Category	DNS Resolution Issues
Description	Assistance with troubleshooting and resolving DNS resolution problems, including issues related to DNS server configuration, caching, and domain name registration.
Data Size	5,081 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Internet Service Provider" customer inquiry. (Purchased data will not be masked.)

Can ____ assist with configuring the ____ server for ____ ____ ____?

Is it possible ____ to ____ me set ____ DNS server ____ reliability?

Do ____ know of a ____ up ____ reliable ____ high-performance DNS ____?

____ it ____ to help ____ setup the dns ____ for optimal ____?

____ you fix ____ dns ____?

____ help improve ____ reliability and performance of ____?

Please, ____ the setup ____ the ____.

____ you ____ any ____ to ____ reliability?

Can ____ the upgrade of ____ terrible DNS ____?

____ it ____ to ____ with the ____ and reliability ____ the DNS ____?

Wouldn't ____ be great ____ advice on how ____ improve ____ DNS ____?

____ possible ____ help ____ the performance ____ the DNS server.

Is it ____ to be improved?

____ do ____ improve ____ server performance?

____ help ____ performance of ____ server?

____ you be able ____ configuring a ____ server?

____ needed ____ up the ____ server

Is it ____ increase DNS speed and ____?

Is ____ to get help ____ and efficient DNS configuration?

Is ____ that you can help ____ reliable ____ server?

Are ____ looking for ____ configuring the DNS ____.

____ it ____ to get ____ to improve ____ performance and reliability ____?

____ any suggestions ____ configuring the ____ server?

____ there a ____ improve ____ performance ____ reliability of the DNS ____?

____ you ____ the efficiency of ____ DNS server?

Any ____ to ____ of the domain name ____?

Help ____ needed ____ up ____ name server.

____ domain name setup.

Can ____ help ____ server up ____ performance and reliability?
____ you ____ set up theDNS ____ for improved performance ____?
Is it possible ____ with enhancing ____ performance and ____ theDNS ____?
____ with bettering ____ domain ____ system?
____ you ____ experience setting ____ reliable and high-performing ____ server?
Would you like ____ the ____ better reliability?
Do you ____ improve ____ of the domain name ____?
Assist ____ reliability ____ theDNS server?
Looking for ____ system better.
Help withDNS ____ boost ____ reliability.
Are ____ able ____ the reliability and speed ____ DNS ____?
____ help set up ____ reliable and ____ server.
____ configuringDNS ____ for ____ is needed.
Need ____ server?
____ to improve my system's ____?
____ my domain ____ system's performance?
I'm ____ for ____ configuring the ____ server ____.
____ the ____ of ____ domain name ____?
____ to give guidance ____ how to increase ____ performance and ____ server?
____ team help ____ the configuration ____ the DNS server ____ performance?
Can ____ set ____ the ____ for better performance ____ reliability?
____ assistance ____ set ____ and ____ DNS coverage?
____ server ____?
Need help ____ the ____ for better ____.
____ you tell me ____ possible ____ set up ____ reliable and ____ configuration?
Who ____ me ____ myDNS server's speed ____?
____ there any ____ to ____ and ____ of theDNS?
____ you require ____ configuring the ____ server ____ better ____?
____ help improve ____ DNS ____ performance?
____ you ____ help improve the reliability ____ DNS ____?
____ possible ____ get assistance ____ enhancing the ____ of ____ DNS ____?
Any ____ on ____ configuration of the dnsservers?
____ it possible ____ give ____ on how ____ DNS server ____ enhanced ____ and ____.
____ it possible ____ the DNS server for ____ results.
Can ____ help with ____ the ____ server ____ performance?
Are you ____ increaseDNS speed ____?
____ possible to help ____ the performance ____ DNS ____?
____ it possible to ____ with ____ reliableDNS ____.
Is ____ a ____ the speed ____ of the DNS ____?
Do ____ improving the efficiency of ____ DNS ____?
Are you ____ to ____ uptime?
Can ____ give advice on ____ to ____ server?

Looking ____ theDNS server.
____ configuring ____ domain name ____ for ____.
Are ____ the speed and ____ ofDNS?
Do ____ help in improving ____ server ____?
Do ____ help ____ server up?
Is it ____ you ____ with ____ the smarter DNS ____.
____ possible ____ to help improve the performance of the ____?

_____ with _____ reliable and high-performing _____ server.
_____ need help _____ configuring _____ server.
_____ with setting up _____ more _____ efficient DNS server?
Is it _____ for _____ help me set _____ up _____ efficiency _____ reliability?
_____ configuring the DNS _____ better _____?
How can _____ help improve _____ and _____ the _____ server?
Help _____ needed _____ increase _____ server.
_____ it possible _____ in _____ the DNS server?
_____ you looking for _____ the _____ for _____ dependability?
_____ it possible to _____ how _____ maximize the _____ the DNS _____.
_____ we make _____ performance _____?
_____ you _____ set _____ a _____ server?
Are _____ going to help set _____ and _____ server?
_____ a DNS _____?
_____ with DNS _____ server performance _____ reliability.
Is _____ you can help in _____ server?
_____ there any help to _____ the _____ of _____ name _____?
Are you _____ of _____ of the DNS _____?
Is it possible to _____ performance _____?
_____ be configured for better _____ stability.
_____ it _____ for _____ that crappy DNS server _____ will work?
Are you _____ help configuring DNS _____ improved _____?
_____ be _____ to help _____ set up the _____ name server _____ improved _____?
_____ with DNS configuration _____ performance?
_____ to _____ of the DNS server?
We _____ help _____ upgrade _____ DNS _____.
_____ is _____ the _____ and dependability of _____ server.
_____ way to _____ the reliability of _____ Domain Name _____?
Will _____ be _____ help me with _____ the domain _____?
_____ it _____ to help me _____ dns server?
Help _____ configuration would boost _____.
I'm _____ help configuring _____.
_____ for you to upgrade _____ DNS _____ it works?
Are _____ available to _____ improve _____ of the _____?
_____ configuration is _____ better _____.
Is it _____ you to give guidance on _____ to _____?
Any _____ on how _____ improve _____ the DNS _____?
Is _____ you _____ guidance on enhancing the _____ and reliability _____ the _____?
_____ it _____ for _____ to help _____ DNS server _____ ensure better _____?
_____ help with the setup _____.
_____ help _____ more _____ and efficient DNS server?
Do you _____ assistance _____ the efficiency of _____?
Is _____ possible to _____ increasing _____ reliability _____ speed of _____ server?
_____ it possible to help _____ the _____ of _____ server.
Can you _____ improve _____ of _____ server?
Help _____ increasing the _____ of the DNS _____.
_____ it _____ get help _____ the DNS _____ make it more _____ and _____?
Is it _____ me set up _____ for _____ performance.
Are you _____ better reliability?
How do _____ enhance _____ of _____?

Help ____ upgrade our ____ server ____
____ is needed to ____ DNS server.
____ needs ____ for ____ and speed
There is ____ improving DNS server's ____ and dependability.
____ have the skills ____ a ____ high- performance DNS server?
Help ____ up a ____ server ____ performance.
Can ____ us set up a ____ reliable ____ efficient ____ ?
Is ____ for you ____ enhance ____ speed ____ reliability?
Would you ____ to help ____ up ____ reliable ____ server?
Who ____ with my DNS ____ speed ____ reliability?
I'm looking ____ to help ____ configuring the ____ .
____ a ____ that you can ____ that crappy DNS ____ ?
____ it possible ____ help set ____ performance DNS server?
Is it ____ help in configuring ____ DNS ____ ?
Is ____ possible ____ to help ____ performance and ____ the DNS ____ ?
Seeking help to ____ performance ____ the ____ system!
____ it ____ people to help ____ the ____ of ____ server?
Is ____ possible to ____ reliable ____ high-performing DNS server?
Help ____ the ____ server.
Looking ____ to improve DNS ____ !
____ the ____ the ____ name server.
____ need ____ configuring my domain name ____ speed.
____ needed to improve ____ of the ____ server.
Do ____ performance of your DNS server?
____ you ____ to help set ____ a ____ high- performance ____ system?
____ a ____ for ____ on improving DNS ____ speed.
____ the performance of ____ DNS ____ ?
For ____ stability ____ you need ____ the DNS.
Is it possible ____ the smarter ____ server?
Is it ____ improve the performance ____ server?
Is ____ receive assistance ____ improve the ____ of the DNS ____ ?
Can ____ in ____ a reliable ____ server?
____ it ____ to ____ a smarter DNS server?
Help needed ____ server
Is ____ a way ____ could ____ a ____ server?
____ possible to ____ help with ____ server ____ reliability and speed?
Are you ____ for ____ configuring the ____ for ____ ?
Assist ____ bettering ____ system?
Any ____ on ____ the DNS server ____ ?

Can you help in setting _____ reliable _____ DNS _____?

Is _____ a way _____ help _____ the DNS server _____ better _____?

Need _____ with the performance _____?

_____ for assistance to _____ DNS _____ better.

I need _____ configuring _____ DNS _____ achieve _____ speed and _____.

_____ you help _____ for _____ performance and dependability?

Is there a _____ you _____ with _____ upgrade of that _____?

I _____ if it _____ possible _____ assistance _____ up the _____ efficient, dependable _____ configuration.

Is it _____ improve _____ and _____ with _____ configuration?

_____ is needed _____ and _____ of the DNS server.

Can you _____ a hand _____ setting up _____ reliable and _____?

Is _____ possible for _____ help improve _____ of _____ DNS _____?

Can you help _____ a _____ reliable and _____?

Is _____ guidance _____ how to improve the _____ name _____ and reliability?

Qualified assistance _____ enhanced _____ of the domain _____.

_____ you _____ me about _____ best way to _____ reliability _____ the DNS _____?

_____ you help _____ the performance _____ server?

_____ there _____ to _____ reliability?

_____ you give guidance _____ to improve the _____ server?

_____ DNS _____ speed/reliability?

Can you _____ on _____ to improve _____ performance _____ the _____?

Looking _____ to help with _____ of the _____.

Please help _____ the _____ nameserver.

Are _____ with setting up _____ reliable _____ high- performance DNS _____?

_____ you help increase the _____ reliability _____?

Help _____ of a _____ server.

I would like to know _____ you _____ in _____ reliable _____.

Is _____ give _____ improving the DNS _____ performance and dependability?

Helping to _____ of our DNS.

I'm _____ configuring _____ better

Seeking _____ boost the reliability of _____.

_____ and _____ the DNS server.

Is _____ possible _____ on how to improve _____ DNS _____ for improved _____?

Are you _____ to _____ setting _____ a _____ and high-performing DNS _____?

Help with DNS configuration _____.

_____ you give _____ suggestions for configuring _____ better?

Is _____ help in configuring _____ server?

_____ with _____ setup of _____ DNS

I'm looking _____ assistance _____ the domain _____.

Is _____ possible _____ get _____ DNS _____ for better reliability?

_____ you _____ guidance _____ improve the DNS server?

_____ you _____ for help _____ improving _____ of the DNS _____?

_____ with _____ configuration to boost _____ and _____?

Want assistance to _____ reliable _____?

Need help _____ the DNS for better _____

_____ possible _____ you to _____ in configuring the smarter _____?

_____ possible _____ give _____ on how _____ improve the reliability _____ performance _____ server?

_____ you _____ setting up a _____ high-performing _____ server?

_____ is _____ set _____ the _____ server.

Are you able _____ performance of _____ DNS _____?

_____ tell me how to _____ the _____ server's _____.

Need help _____ the _____ of _____

_____ get _____ to set up _____ and _____ coverage?

_____ the performance of _____ server?

_____ you be _____ me _____ up the _____ server to improve _____ and _____?

_____ it possible _____ assistance _____ setting up _____ most _____ name system?

Could _____ me _____ DNS _____ performance.

_____ with the performance _____ the _____ name _____?

_____ you know _____ boost my _____?

_____ for _____ to help _____ configuring a _____ DNS server?

Is there a _____ to _____ performance _____ server?

_____ improved _____ are _____ seeking _____ the DNS?

_____ help _____ upgrade our domain _____ server _____.

Is _____ improve the _____ of the DNS server?

_____ it possible to _____ in _____ up _____ and _____ domain name?

Are _____ able to help set _____ a _____ and _____?

____ you ____ the ____ reliability of the DNS?
 ____ any suggestions on ____ make the DNS ____ better?
 Is it possible you ____ help ____ the ____?
 Is it ____ provide ____ on ____ enhance ____ and ____ the DNS server?
 I'm looking ____ to ____ set ____ server.
 ____ we ____ improve the ____ and reliability of ____ DNS ____?
 ____ required ____ increase performance on ____ server.
 How can I ____ reliability ____ the DNS server?
 ____ can you do ____ and ____ of ____ DNS server?
 ____ would like ____ if you can ____ configuring ____ DNS server ____ better ____.
 ____ you give ____ on how ____ improve ____ server?
 Helping with ____ would boost ____ reliability?
 ____ help ____ up the ____?
 Is it ____ to give ____ on ____ the ____ name server for ____ performance ____?
 ____ to assist ____ setting up a reliable ____ domain name ____?
 Help with ____ of the domain ____ system.
 Looking for ____ configuring the ____ improved dependability?
 Help with improving ____ dependability ____ speed ____.
 Is there a way ____ reliable DNS server?
 Can your ____ help ____ up ____ DNS server ____ ensure ____ and ____?
 ____ to upgrade our ____ server ____.
 Can ____ help ____ performance?
 DNS need ____ to ____ configured ____ better stability ____
 Is ____ get ____ with ____ server in order to improve ____ and ____?
 ____ need help ____ the ____.
 ____ on how ____ improve ____ performance ____ DNS server?
 Do you ____ improving ____ the DNS server?
 ____ help ____ the ____ name system for ____ reliability?
 Can ____ our performance with the DNS ____?
 Will you ____ assist me ____ setting ____ domain name ____?
 Do ____ set up ____ and fast ____ coverage?
 Are ____ looking ____ help enhancing the ____ of ____?
 ____ it ____ you can improve DNS speed ____.
 The DNS ____ needs ____ increased ____
 Is ____ possible ____ me set ____ the ____ server for ____?
 ____ the performance of ____ server.
 Is there ____ help ____?
 ____ for ____ configuring ____ servers.
 Could ____ my DNS ____ performance.
 Improving ____ of ____ server?
 Is ____ possible to get ____ setting up ____ configuration?
 ____ to ____ DNS ____ and reliability?
 ____ it ____ for you to assist ____ configuring a ____.
 ____ the ____ for better ____ reliability.
 Is there any ____ of the DNS server?
 Improve server performance and ____ help of ____.
 Is it ____ in configuring a smarter ____.
 Assist ____ improving the ____ of ____ name ____?
 ____ the dependability ____ performance of ____ DNS ____.
 Is it ____ DNS performance?

Do ____ know how ____ up a reliable and ____ domain ____?

Is it ____ for ____ help in configuring ____ domain ____?

____ you able ____ help ____ configuring a smarter ____?

Is ____ anything ____ can ____ improve the ____ of the ____ server?

Any ____ on how to improve ____ theDNS ____?

____ there a ____ in configuring ____ smarter DNS server?

Can you ____ me if it's ____ to set ____ efficient, ____.

____ for better performance

____ increase ____ performance ____ the DNS?

____ you looking ____ help configuring the ____ system for ____?

____ it possible that you can ____ configuring ____ server?

____ help to improve the performance of ____?

____ possible to give guidance ____ to improve ____ name ____?

____ of the DNS ____ help.

____ is a ____ for guidance ____ speed.

____ it ____ upgrade that terrible DNS ____ work?

____ find ways ____ improve the ____ the DNS ____.

The ____ is needed for enhanced ____.

Help ____ the performance ____ theDNS ____?

____ you be able to ____ me setup ____ better ____ reliability?

____ possible to aid in configuring ____ DNS server ____?

____ configuring ____ server for ____ performance ____.

Do you ____ on how to set ____ server ____?

Are you ____ help ____ the ____ improved dependability?

Seeking ____ speed ____ dependability ____ domain name system.

Do ____ know ____ improve the performance ____ theDNS ____?

My DNS ____ needs to be ____ to ____ speed ____.

Do ____ unreliable domain ____?

____ possible ____ to improve ____ speed and reliability of ____ server?

Is it possible ____ help me ____ the ____ server for optimal ____?

I ____ help configuring ____ server to ____ speeds.

How can ____ the ____ of the DNS?

____ help ____ the setup of ____?

____ with ____ DNS ____?

____ like to ____ if ____ is ____ to set ____ the most ____ efficient DNS ____.

I ____ help ____ my ____ server ____ performance.

Can you ____ setting ____ a ____ server?

____ help to improve ____ theDNS ____?

____ with configuring ____ DNS server.

____ there ____ way ____ improve performance by ____ the ____?

Seeking ____ to improve ____ domain ____.

____ you ____ how to ____ performance?

Assist ____ the ____ of ____ server?

Help ____ theDNS ____ better.

____ optimal ____ and stability, I need ____ my DNS server.

____ setting up ____ more reliable DNS server?

I would ____ know if ____ is ____ assistance ____ setting ____ the most efficient, ____ configuration.

Seeking help ____ DNS ____!

Is there ____ way ____ the performance ____ dns server?

Could you ____ domain name ____?

_____ to improve _____ reliability of _____ DNS server?

_____ it possible _____ help to improve _____ and _____ of _____ DNS _____?

_____ anything _____ can _____ me _____ how to improve _____ performance _____ of the _____ server?

_____ possible _____ set up _____ more reliable and _____ server?

Help improve _____ reliability _____ performance _____ DNS _____.

Is it possible _____ help _____ the _____ reliability _____ the dns _____?

Is it _____ you to _____ upgrade _____ server _____ work?

_____ you _____ me _____ improve the DNS _____ performance?

_____ configuring DNS _____ better speed _____.

How do we _____ performance _____ the _____?

_____ need assistance _____ reliable and fast _____?

Is _____ to help _____ the DNS server?

_____ possible that _____ with setting up a _____ server?

_____ possible _____ to help set up _____ smarter _____ server?

_____ way to _____ the speed _____ reliability of theDNS _____.

Is _____ possible _____ guidance _____ improve the _____ server for _____ performance _____ reliability?

_____ you improve _____ performance _____ the _____?

_____ you help _____ server efficiency?

_____ it possible _____ improve _____ reliability and speed _____ dns _____.

_____ it _____ for your team to _____ in _____ DNS _____ better performance and _____ reliability?

_____ you _____ help configuringDNS _____ performance?

Can _____ how to _____ server's dependability?

_____ offer help _____ of the DNS server?

Can you _____ more reliable and efficient domain _____?

_____ it _____ help _____ in _____ theDNS server for _____ performance?

_____ it _____ for you _____ me _____ the dns server _____?

Is _____ to get _____ in setting up the most _____ domain _____?

_____ you _____ help with configuring _____ DNS _____ improved _____?

_____ is needed _____ the _____ server.

Are you able _____ set up _____ reliable _____ server?

Can _____ me _____ it's _____ help me _____ up the _____ reliable, _____ configuration?

Is it _____ to assist _____ in configuring _____ server _____?

Improve server performance _____ by helping _____ DNS _____?

Is it possible _____ you to _____ performance?

Help with _____ speed _____ reliability of _____ server?

Help _____ up a _____ aDNS _____?

Are _____ for assistance _____ uptime?

I _____ help _____ speed and dependability _____ theDNS _____.

Is _____ possible _____ get _____ up the most _____?

Is _____ possible to _____ me _____ up _____ improved performance?

There is a _____ configuring the _____.

_____ you _____ performance _____ the domain _____ system?

Help _____ up _____ stable _____ with _____ DNS _____.

Help _____ the _____ of _____ server.

Can you give _____ to improve the _____ the _____?

_____ possible _____ improve the performance of _____ DNS server with the _____?

Helping to _____ both _____ of _____.

_____ it _____ to help _____ configuring the _____ server _____ performance?

_____ you need _____ the DNS _____ improved _____?

_____ it possible to _____ some _____ with _____ theDNS _____?

Can _____ configuring the smarter _____?

Is it _____ you _____ help increase _____ and _____?

_____ need to be _____ stability.

Is it _____ for _____ to _____ upgrade that _____?

_____ up a better DNS _____?

Is it possible that _____ can help in _____ for _____?

Any _____ how to better configure _____?

_____ help to maximize _____ the domain _____ system.

Can you help us with _____ improved _____?

There _____ for _____ the _____ better stability and speed.

Is _____ provide guidance _____ the DNS _____ performance?

Help configuring _____ server _____ is needed.

Are _____ able _____ set up _____ and high- performance _____?

Is _____ anything you can do _____ reliability?

Help improve the _____ of _____?

guidance _____ enhance both _____ and dependability _____

For _____ reliability, are you _____ help configuring _____?

_____ it _____ you _____ me setup the _____ server?
