

[Demo] NLP Dataset for Customer Service Automation

Company Type	Mobile Network Operators
Inquiry Category	Network outages and service disruptions
Inquiry Sub-Category	Network congestion
Description	Customers may experience slow speeds or difficulty in completing calls due to high network traffic or congestion in densely populated areas.
Data Size	5,539 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Mobile Network Operator" customer inquiry. (Purchased data will not be masked.)

Are ____ specific time periods ____ typically ____ internet connection rates ____?

Do you know ____ in which ____ users suffer inferior network ____?

____ users to ____ reduced connection ____ certain times ____ using your network?

____ scheduled intervals where the network ____ most ____ is ____?

____ time windows ____ slower in net ____.

Is ____ specific timelines ____ reduced ____?

____ there ____ time when ____ internet ____ happen?

Are ____ frequently associated with ____?

____ time slots associated with ____.

____ when internet ____ rates are slower.

Reduced speeds ____ during ____.

____ experience slow connection ____ certain ____?

Is there ____ connection ____ are ____?

Do ____ have ____ for your subscribers?

____ know ____ hours with ____ internet speeds?

What ____ of ____ users ____ slower internet speeds?

____ times when ____ face reduced ____?

____ most ____ delayed online connections?

Some ____ a slow ____ set hours.

There ____ at certain ____.

____ are ____ times when ____ slower ____ speeds.

Do ____ internet connection gets ____ for most ____?

Is ____ possible ____ encounter ____ at times?

____ periods tend ____ have ____ connections for ____ network subscribers?

____ want to know ____ you know of ____ decreased ____.

Certain periods ____ internet ____ for ____ subscribers.

What ____ popular moments of the ____?

____ most ____ come ____ slow web ____ set ____?

____ there ____ when ____ connection is ____?

_____ times _____ face slower internet _____.

Is there _____ that _____ users experience _____ network _____?

_____ there _____ scheduled intervals _____ most _____ to get _____ network _____?

_____ certain time windows have _____ others?

Has the _____ of _____ experienced _____?

_____ are certain _____ net _____ is _____.

_____ users face _____ connection speeds, _____ there _____?

Are certain times _____ slow web _____?

Some periods _____ your network subscribers.

_____ slowness happen often at _____?

Some _____ when _____ slower _____ speeds?

_____ there _____ when internet rates go _____?

_____ slower _____ speeds.

Do _____ lower internet _____ your subscribers?

_____ times more _____ having slow _____ connections than other _____?

_____ periods _____ the net speed _____ for people.

_____ times when internet speed _____ is _____?

There _____ some _____ with _____ connection for many people.

Time _____ internet?

Will _____ times for lower _____?

_____ specific time period when most internet users _____?

_____ you know anything _____ with decreased _____?

_____ there a time _____ where _____ internet _____ slower compared _____?

_____ there any scheduled intervals _____ most users suffer _____?

_____ need to know if _____ of _____ hours that have _____.

_____ there are dominant _____ slots _____ the _____ is slow, _____?

_____ people, are certain periods _____ connection?

_____ certain _____ more typical for dealing _____ slow _____ others?

_____ want _____ know if you _____ hours that have _____ internet _____?

Do _____ experience _____ connections?

Is _____ specific time _____ for _____ incidence?

_____ know if _____ be aware of certain _____ with _____ speeds?

I would _____ to _____ if specific _____ result _____ decreased _____.

_____ when connection speeds are _____.

_____ people experience slow _____ at _____?

_____ there _____ for reduced internet _____?

Is _____ a particular time _____ internet speed _____?

_____ you _____ any _____ on _____ the _____ gets slower _____ usual?

_____ am _____ knowing if _____ have any _____ hours _____ slower internet _____.

_____ for _____ users to have slower network _____?

Is _____ unusual _____ users _____ see _____ speed _____ certain times?

_____ come across _____ during _____ hours

Do most _____ notice _____ during certain _____?

_____ reduced network _____ during _____ hours?

_____ certain times the _____?

Is _____ a _____ of reduced _____ speed incidence?

Are there _____ time _____ for _____ internet _____?

_____ of users _____ delayed _____ connections?

_____ internet slowness occur _____ certain _____?

For seeing below-standard _____ any _____ on predictable _____?

____ most ____ notice reduced network speeds ____ ____ ____ ?
 ____ there a set ____ when ____ ____ ____ low?
 Is there ____ ____ consistent ____ users encounter ____ internet performance?
 ____ ____ ____ particular ____ period when ____ internet connection ____ occur?
 ____ it ____ to encounter ____ connections ____ certain times?
 ____ time ____ may have slower ____ ____ .
 Do you ____ when ____ face reduced ____ ____ ?
 ____ ____ ____ inferior ____ in terms ____ browsing speed, ____ ____ there scheduled intervals?
 ____ ____ ____ there are ____ ____ slots where internet connections are ____ ?
 Do ____ periods ____ lower ____ speeds for your ____ ____ ?
 ____ certain periods consistently ____ lower ____ speeds ____ ____ network ____ ?
 ____ it ____ that ____ periods result in ____ ____ speed?
 Is there a specific ____ ____ ____ incidence?
 Are ____ times ____ ____ for facing ____ web ____ ?
 Do users ____ ____ ____ they face ____ connection speeds?
 Time ____ ____ the ____ to be ____ ?
 ____ there ____ ____ internet connection rates ____ ____ be slower?
 Are ____ specific ____ when ____ internet connection rates ____ ____ ____ ?
 ____ ____ ____ users experience delayed online ____ ?
 ____ it normal ____ ____ of the ____ to encounter slow ____ ____ ?
 When is ____ internet slower ____ ____ ____ ?
 ____ you think there ____ dominant ____ ____ where users experience ____ ____ ?
 ____ ____ normal ____ your users to see reduced ____ ____ ____ times?
 Is ____ ____ for users ____ ____ connection speeds at ____ times in their ____ ____ ?
 Do ____ ____ slow connection ____ ____ times?
 ____ slow ____ connections ____ common ____ ____ times?
 ____ there ____ ____ when the ____ is ____ ?
 ____ users face set times when their ____ ____ ____ ?
 There are ____ ____ when internet ____ ____ are slower ____ ____ .
 ____ there ____ specific ____ ____ reduced internet speed?
 Is it ____ that some ____ have ____ ____ ____ many ____ ?
 ____ you ____ ____ is any scheduled intervals ____ most users ____ ____ network ____ ?
 ____ internet ____ ____ specific times?
 ____ users ____ ____ at times.
 ____ internet ____ ____ at ____ times?
 ____ there ____ ____ when internet speeds are ____ ?
 ____ ____ majority of ____ ____ delayed online connections?
 ____ ____ possible that ____ ____ are faced with reduced ____ ____ ?
 ____ ____ do most ____ experience slower ____ ____ ?
 Do you know the ____ ____ internet speeds ____ ____ should be ____ ____ ?
 ____ sluggish ____ certain ____ ?
 ____ ____ times when ____ ____ rates are ____ .
 ____ ____ windows ____ slower net ____ ____ others?
 ____ the internet ____ ____ ____ for most ____ is ____ known.
 ____ ____ intervals ____ with the ____ internet ____ ?
 ____ you tell ____ if certain periods cause ____ ____ ____ speed?
 ____ of the ____ windows ____ slower net speeds ____ ____ .
 Is there a ____ of people ____ ____ across ____ web ____ ____ ?
 Is ____ possible that ____ ____ result in ____ ____ ____ speed?
 Do ____ know if the internet ____ decreases ____ ____ ____ ?

There _____ when the internet _____ incidence is _____.
 _____ reduced _____ specific times.
 _____ time frames, many _____ speeds.
 Do _____ internet users _____ network _____?
 What _____ do most people experience _____ on _____?
 Reduced _____ occur _____ certain _____.
 When _____ internet connections _____ users?
 _____ identifiable _____ or hours _____ subpar internet performance?
 _____ certain _____ slower internet _____ speeds?
 _____ inquire about _____ web connections are more common?
 _____ when internet connection _____ for most users?
 _____ face slower connection speeds _____ there _____?
 _____ of times when the _____ not as fast?
 Do _____ users _____ connection _____ moments?
 _____ do people experience _____ speeds?
 Do _____ slower network _____?
 Is _____ a particular _____ when _____ slower?
 Do some _____ connections?
 _____ most _____ experience _____ online connections?
 _____ it more _____ for slow web connections to _____?
 When _____ internet _____ for _____ majority of _____?
 Does _____ at times?
 Can we _____ of _____ speed?
 _____ there a _____ time _____ where users _____ internet access _____ times?
 _____ slow _____ connections _____ common during _____ times _____ others?
 _____ wonder _____ certain _____ are _____ for _____ with slow web _____.
 Do most _____ slow _____ times?
 Is _____ that specific _____ in a _____ speed?
 _____ that my _____ speed slows _____ certain times?
 _____ a _____ that internet _____ face slower internet _____?
 Do _____ think there _____ times _____ rates are _____?
 _____ it _____ users _____ see slower _____ at certain times?
 _____ are _____ in _____ time frames.
 _____ network subscribers have lower internet _____ periods?
 _____ when users _____ most _____ to _____ decreased data transfer _____?
 _____ a _____ where users experience sluggish internet?
 _____ most _____ notice slower _____ during certain _____?
 _____ the majority of users _____ connections?
 _____ is the _____ slow internet?
 What _____ most popular _____ sluggish connection?
 What time _____ people get _____?
 The _____ network _____ might _____ familiar to _____ internet _____.
 _____ people _____ across slow _____?
 _____ a _____ slot where _____ can be slow compared _____ times?
 _____ you tell _____ whether _____ result _____ internet speeds?
 When _____ internet _____ slower for _____ majority _____?
 Can I _____ times are more _____ for _____ web _____?
 _____ any _____ when people _____ a slower net _____?
 _____ users _____ experience _____ online connections?
 _____ time windows have different _____?

slower network periods _____ internet ____?
 _____ experience _____ speeds.
 _____ you _____ with _____ internet speeds?
 Is _____ a _____ the internet _____ slows?
 There are _____ when _____ occur.
 _____ to _____ you have any _____ of the times _____ slower _____.
 _____ you _____ times with slower internet speeds _____ should _____ of?
 Reducing _____ hours do _____ individuals notice?
 Is _____ that a _____ of _____ face reduced _____?
 Is there _____ dominant _____ users _____ slower internet connection?
 There are _____ when _____ users encounter _____ connection _____.
 I _____ if you _____ any knowledge _____ times _____ slower _____ speeds.
 Do _____ slower network periods?
 Is there _____ when the _____ are slower?
 _____ specific time when _____ rates _____ slower?
 Most people _____ experience slower _____ certain _____.
 _____ there a _____ internet rates _____ slower _____ users?
 Do a _____ of people _____ set hours?
 _____ possible _____ internet conditions coincide with _____ intervals ____?
 What _____ time _____ internet?
 I want _____ if _____ a decreased internet speed.
 _____ when folks _____ lower net _____.
 Do the majority _____ people _____ during set ____?
 _____ time _____ where users _____ slower internet connections _____ other times?
 _____ speeds _____ encountered during _____ frames.
 Does _____ users experience _____ connection _____?
 _____ do _____ when _____ have _____ lower net speed?
 Some _____ internet _____ speeds.
 Time _____ for _____?
 If _____ periods result _____ speed, _____ tell _____ about it?
 Can you _____ me _____ the _____ connection _____ fast _____ usual?
 _____ the internet slow down _____?
 _____ people notice _____ slow _____ set hours?
 _____ a specific time when _____ speeds _____ slower?
 Do _____ think _____ dominant time slot where the _____?
 Can you _____ me _____ speed goes down during _____?
 Do you know _____ speeds?
 _____ you _____ about times when _____ connection is slower _____?
 Is _____ a time period _____ connection rates ____?
 I wonder if _____ more common for _____ web _____.
 Is _____ for users to _____ reduced _____ speeds _____ times _____ browsing routine?
 _____ am wondering _____ certain times are _____ typical _____ slow _____.
 Some periods _____ diminished connectivity _____.
 _____ times when _____ is slow.
 Is _____ a specific _____ internet _____?
 Some _____ be associated with _____ connection for _____ people.
 Reduced _____ encountered during _____ periods.
 _____ a dominant _____ slot _____ speeds are slower?
 _____ any _____ intervals _____ most _____ poor network performance?
 _____ reduced speeds during the _____.

When ____ the ____ connection ____ most ____?
____ there ____ are not as connected?
Time ____ a ____ internet?
Is it possible to identify ____ lower ____?
Does internet ____ occur ____ often?
____ times, ____ most ____ experience slow ____?
Can ____ tell ____ if the ____ speed ____ a ____ period?
____ there specific times when ____ occur?
Is ____ internet slow ____?
Is there a specific ____ internet ____ incidence.
Is certain ____ typical ____ web connections than ____?
Do ____ cause lower ____ speeds ____ your network ____?
____ most ____ reduced network speed?
Do users ____ internet ____ during ____ time slots?
What ____ people experience ____ internet ____?
____ users ____ set times ____ speeds go down?
____ when ____ speeds occur.
____ there a specific ____ speeds are slow?
At ____ time do most ____ slower ____?
Do users usually ____ inferior ____ terms ____ browsing speed at ____?
____ times ____ a lower net ____?
____ the ____ when the network ____ slower?
For ____ with ____ network speeds, ____ predictable times?
____ times ____ for having slow ____ connections?
____ connection get slower ____ most ____?
____ people ____ slower ____ at certain ____?
____ time frames ____ internet ____?
____ most people ____ very ____ web?
____ connection slow ____ most users ____?
____ about ____ hours that cause slower network ____?
____ periods ____ worse connections.
Is ____ a dominant ____ slots where ____ internet ____?
____ people ____ slower web ____ hours?
Is ____ a ____ slow ____ rates ____?
There ____ times ____ internet ____ rates can ____ slower than ____.
____ most users experience ____ rates at ____ times ____ the ____?
____ there a certain time ____ slow ____ than others?
____ slower internet connections in the ____ time ____?
____ slowness happen at ____?
____ times are there ____ internet ____?
____ it common ____ network ____ to be familiar ____ internet ____?
____ are particular times ____ internet ____ reduced.
____ the users ____ online connections?
There ____ internet rates ____.
Time ____ the ____ be slow.
____ users may ____ internet ____.
Do users often ____ internet ____ the ____ time ____?
I want to ____ have any ____ of ____ have ____ internet speeds.
____ specific time periods when ____ rates ____ slower?
Some ____ face ____ rates ____ times.

Some ____ may ____ associated with ____ for ____ people.

____ most people ____ across ____ slow ____?

____ of users often ____ delayed ____ connections?

____ the ____ of users ____ delays ____ online connections?

____ slowness ____ certain times?

Is ____ a certain ____ people have ____ speed?

____ you know when ____ internet ____ rates ____ for ____ users?

Do certain time windows ____?

____ tell me ____ there ____ periods ____ the ____ connection is ____?

____ is ____ internet connection slower ____?

Is there ____ specific time ____ connection rates ____ slower?

____ times ____ typical ____ seeing ____ web connections?

____ time ____ do most ____ get ____ web speeds?

____ there ____ when ____ encounter slower internet connection rates?

Is there ____ users face ____ rates?

Is ____ a ____ when ____ are slower?

____ know the times ____ internet ____?

____ come ____ slow web ____ set ____.

____ are ____ particular time frames.

____ slow ____ the ____ at certain ____?

____ have ____ internet ____ speeds ____ your subscribers.

____ coincide with slower internet ____?

____ are times when some ____ internet ____.

____ most ____ notice ____ network ____?

____ it ____ for users to see ____ connection speeds ____ times?

Do you ____ the ____ when the internet speeds ____?

____ most ____ network speeds?

When ____ internet ____ slow ____ most ____?

____ the most ____ users ____ decreased data transfer rates?

____ there ____ many ____ reduced internet rates?

____ possible ____ experience slower internet speeds?

Which ____ do users ____ rates?

Time ____ speeds than others.

____ a time ____ slow ____ affect users?

Is it common ____ users ____ at certain ____?

There are times ____ reduced.

____ the network ____ reduced ____ hours?

Do most ____ experience slower ____ connection rates ____ time?

For ____ of ____ are ____ periods associated with ____?

What times ____ slower ____ speeds?

____ slow connections ____ certain times?

I ____ to ____ if ____ know ____ hours ____ decreased internet ____.

Do you ____ any ____ have ____ internet speeds?

The internet may ____ times.

____ come across slow web ____ times?

There ____ set times for when ____ face ____.

There ____ be specific ____ internet ____ incidence.

Do people ____ slow web during ____?

Does the ____ users occasionally experience ____?

Do ____ periods ____ internet speeds ____?

Are certain times _____ experiencing _____ web _____?

Do certain _____ lower internet _____?

_____ you _____ of times when internet _____?

_____ specific times _____ internet _____ are slower for most _____?

_____ might _____ time when internet rates are _____.

_____ are set _____ when _____ speeds _____.

_____ to know if you _____ knowledge _____ hours _____ slower internet _____.

I want to _____ there are _____ when _____ internet _____ is _____.

_____ it _____ users to _____ connection speeds at _____ times?

Is there a _____ when slower _____ rates _____?

Internet slow _____?

_____ slow _____ speeds at _____ times.

Does _____ majority of _____ get _____ online _____?

Do you _____ the internet _____ during a _____ period?

Do users _____ slower _____ rates _____ of the _____?

What time of _____ do _____ slower web _____?

_____ know of the _____ that cause _____ speeds?

Do _____ have _____ speeds than _____ time windows?

When are _____ connections _____ most _____?

Certain periods _____ lower _____ speeds _____.

Are _____ connection rates are _____ than usual?

Are _____ times _____ getting slow web _____?

_____ it common _____ users _____ sluggish browsing _____ times?

Is _____ period _____ folks have a _____ net _____?

_____ most people encounter _____ set _____?

Time _____ slower _____ speeds than _____?

Do _____ have slower _____?

_____ is slow at _____.

_____ periods _____ folks _____ slower _____ speed?

Are the _____ decreased _____ speeds?

Is there _____ time when the _____ gets _____?

When _____ lower _____ speed?

_____ you know _____ about _____ with _____ speeds?

_____ users _____ a _____ time _____ internet rates are _____?

_____ set _____ when users face _____?

Is _____ a _____ time period _____ reduced _____?

Is there _____ specific time _____ for the _____ speed _____?

Are _____ aware _____ the times _____ cause slower _____?

_____ specific timelines _____ reduced _____ speed incidence.

_____ you tell me what _____ in slower _____?

_____ people have _____ lower net _____?

_____ there _____ when internet connection _____ slower?

There _____ certain _____ that _____ is reduced.

Do users _____ connections _____ times?

Any _____ net _____ lower?

Do _____ network performance _____ terms _____ browsing _____ during scheduled intervals?

_____ periods have _____ internet speeds _____?

Do you _____ users face slower connection _____?

_____ slowness frequent _____ times?

Is it common _____ to _____ at certain times _____ browsing?

Some time _____ slower _____ speeds _____ windows.
 _____ there _____ people face _____ internet rates?
 Some times _____ more typical _____ web connections than _____.
 _____ encounters reduced _____ during _____.
 Do people come _____ slower _____?
 _____ set _____ when _____ have _____ connections?
 Do you _____ any times _____ slower _____?
 Do there _____ times _____ when _____ slower connection _____?
 _____ slot where users experience sluggish _____ connections _____?
 There might be set _____ when _____ slower _____.
 _____ you think there are _____ is slower?
 _____ specific hours cause _____ internet _____?
 _____ most _____ web in _____ hours?
 _____ certain _____ lower internet connections for _____ subscribers?
 Is there _____ time _____ experience sluggish internet _____ often?
 _____ are _____ time periods for _____ speed _____.
 _____ there a dominant _____ slot _____ users _____ slow _____?
 _____ when internet _____ are slow?
 Users _____ lower connection _____ set _____?
 Is _____ specific _____ when _____ internet speed _____ down?
 Does _____ happen _____ times?
 _____ lower internet _____ for subscribers?
 Is there _____ specific time _____ day _____ the _____ connection _____ usual?
 Is time windows _____ others?
 _____ your network subscribers _____ internet connections _____ periods?
 Is _____ a _____ slot _____ is _____ compared to other times?
 _____ internet very slow _____ certain _____?
 slowest _____ periods _____ familiar to _____?
 _____ we _____ set _____ when the connection speeds _____?
 What _____ do _____ slower _____ speeds?
 _____ there a _____ users _____ slower internet speeds?
 _____ a time _____ when _____ rates are slower than _____?
 _____ to know _____ certain _____ more typical _____ slower web _____.
 _____ periods when _____ speed is lower.
 _____ any _____ intervals for most _____ to _____ network performance?
 Have you _____ time _____ for _____?
 There are _____ slots _____ with _____.
 Do you know _____ are _____ where most _____ network performance?
 _____ are times _____ rate _____ reduced.
 Any periods when people _____?
 Certain periods _____ slower net _____?
 There are _____ reduced internet rates.
 When _____ face lower _____ there _____?
 Do _____ encounter _____ during certain times of _____ year?
 _____ when slow web _____ more typical than _____?
 Is _____ true _____ have a diminished _____ for many _____?
 _____ that certain hours _____ slower _____ speeds?
 _____ you think _____ is _____ at _____ times?
 Do you _____ those _____ down _____ speeds?
 When _____ the internet connection _____ slower _____?

Is _____ users _____ experience slow _____ at _____ times?

Do _____ windows _____ net _____ than other _____?

_____ the _____ is _____ than _____.

_____ possible that some periods are associated _____ _____?

_____ time when internet service _____?

_____ there a _____ internet rate _____ slower?

_____ slow down when _____ times?

_____ times _____ users face _____ rates?

_____ you think _____ is a _____ where _____ experience sluggish internet _____?

_____ experience _____ web _____ at _____ times of _____ day.

Are certain time _____ net speeds _____?

_____ certain time windows _____ net _____?

_____ periods _____ slow _____?

_____ a specific time _____ speeds _____?

_____ you _____ when most _____ experience slower internet _____?

What are _____ moments _____ slow _____?

_____ notice _____ slow web during _____?

Is _____ scheduled intervals _____ users _____ network performance?

There _____ times _____ the internet _____ rates _____ than _____.

Reductions _____ speeds _____ certain _____.

_____ possible _____ periods _____ associated with diminished connection _____ many _____?

_____ there a dominant _____ where _____ experience _____ service?

_____ the _____ connections _____ for most _____?

_____ slow _____ during set hours.

I am wondering if _____ times _____ slow _____ connections.

Most _____ experience _____ certain times.

_____ dominant time slot where the _____ slower compared _____ other _____?

Is _____ users to see reduced _____ speeds _____ times?

I am _____ specific _____ result _____ a _____ in internet _____.

Do you know _____ periods when _____ net _____?

Are _____ times _____ with _____ connection _____?

_____ slow the internet is _____?

Do _____ about _____ with _____ speeds?

_____ times when _____ is a _____ connection.

_____ are reduced _____ are particular _____ frames.

Can certain _____ windows _____ slower _____?

Some _____ may _____ associated with diminished _____ for _____.

Does _____ time _____ net speeds _____ others?

_____ are associated _____ diminished connection _____ people.

_____ would _____ know _____ certain _____ more typical for dealing with _____ internet _____.

_____ it _____ certain _____ have _____ internet connections _____ network subscribers?

_____ a _____ when _____ usage slows?

Is there _____ specific _____ slow internet?

Do _____ know if certain periods _____ speed?

There are times when _____?

Do you _____ if _____ a _____ connection speed?

For occasionally having below-standard _____ speeds, _____ predictable _____?

Is Internet slow _____?

Do internet users know _____?

_____ a _____ when the _____ is slow?

Do ____ majority ____ encounter ____ online connections?

Do ____ know ____ reduced internet ____?

____ people ____ a ____ net ____?

____ times ____ speeds are reduced.

Is it ____ to ____ connection ____ reduced at ____ times?

Do ____ lower internet ____ subscribers?

Are there certain ____ the ____ when slow web ____ others?

____ you ____ the ____ that ____ network speeds?

Is ____ at ____ times?

____ certain periods ____ internet ____ for your ____ subscribers?

Do you know when ____ slower ____?

Do you know ____ slower ____?

What ____ most people ____ slow ____?

____ scheduled intervals for ____ users to ____ inferior network ____?

Is there a ____ when ____ rates ____ slower ____?

Some ____ may ____ for many ____.

Is ____ when ____ rates are ____ than usual?

Do some periods ____ internet ____ your network ____?

____ regularly experience delayed online ____?

____ time ____ net speeds than others.

____ the ____ connection gets slower?

____ your network ____ internet ____ during certain periods?

____ specific periods ____ internet speed?

What time do ____ speeds?

____ time ____ have slower ____ than others?

Do ____ cause ____ network subscribers ____ lower internet ____?

____ users frequently encounter ____ online ____?

Do ____ internet ____ for your ____ subscribers?

____ of time ____ reduced internet speed incidence?

____ most people ____ network speeds ____ hours?

____ you ____ about ____ hours that ____ down network ____?

____ you tell me ____ internet connection gets ____?

____ do most ____ experience ____ speeds?

____ users experience inferior ____ terms ____ speed, is there ____ scheduled ____?

____ you ____ times ____ decreased internet ____?

Is ____ intervals ____ most ____ to get ____ network performance?

____ there ____ certain ____ when internet ____ are ____?

____ someone ____ a lower net ____?

Is ____ a specific time ____ slower ____ connection ____ common?

____ there specific ____ the internet ____ is ____?

Is it possible ____ certain ____ result in ____?

There are ____ times ____ the ____ reduced.

____ internet ____ occur ____ times?

____ occasionally seeing below-standard network ____ any idea ____?

____ what ____ people experience slower ____ speeds?

Is ____ time ____ where ____ experience slower internet ____ other ____?

There ____ time ____ have ____ net ____.

Do users ____ set ____ connection speeds ____?

Internet is ____ times.

Can ____ when the internet ____ is slower ____ certain ____?

Time windows have _____ others?

Is _____ users _____ have slow _____ at specific _____?

Do most people _____ slow _____ set _____?

_____ people experience _____ at certain _____.

_____ most _____ come _____ web during the _____ hours?

_____ coincide with fixed _____?

Did most _____ come across _____ during _____ hours?

Some _____ associated _____ connections _____ people.

_____ particular times _____ internet speed _____.

_____ periods tend _____ have _____ connections?

_____ time _____ have decreased data speed?

_____ internet conditions _____ fixed intervals _____?

_____ when _____ is lower.

Is _____ a _____ of _____ that encounter _____ connections?

_____ users _____ network performance in _____ speed during _____ intervals.

_____ periods where people have _____ net speed.

_____ you know _____ slow _____ speeds?

_____ periods when people _____ speed.

_____ happen _____ specific periods?

_____ a specific _____ when internet _____?

_____ most _____ have _____ at times?

_____ people _____ slower internet _____?

_____ people _____ internet connection?

_____ observe periods with _____.

_____ it _____ certain _____ result in decreased _____ speeds?

_____ about _____ when _____ encounter decreased _____ rates could be _____.

There _____ time frames for _____ internet _____.

_____ time _____ have _____ net _____ than others.

Are _____ my internet _____ slows down?

When the _____ slower for _____?

Do _____ know _____ for users to see reduced _____ at _____ times?

Do _____ know any hours with _____ that _____ should be _____ of?

Is _____ time _____ users face slower connection _____?

Do _____ the _____ internet during set _____?

_____ users _____ slow connection _____ times?

_____ most _____ reduced _____ speeds?

_____ want _____ know _____ any hours _____ decreased internet speeds?

_____ across _____ web during certain _____?

Time windows _____ to _____ speeds _____ others.

Do _____ if specific _____ slower internet?

_____ there _____ internet connection rates _____ be slower?

_____ there _____ time _____ the internet _____ slower _____ certain times?

_____ certain periods _____ lower _____ speeds for your subscribers?

_____ a time _____ internet _____ can be _____?

Does _____ slowness _____ frequently _____ certain _____?

_____ want _____ if _____ times are _____ typical for _____ web connections.

Do _____ hours _____ speeds _____ others?

_____ certain periods for _____ internet _____.

Is it _____ that there _____ with _____ connections for _____?

_____ you any _____ times _____ internet _____?

When the _____ for _____ users?

Is there any scheduled _____ for _____ to _____?

Does internet slowness _____ at _____?

_____ periods _____ be associated with _____ for _____ people.

Is it _____ uncommon for users to _____ certain _____?

_____ there any period where _____ a _____ net _____?

_____ times when _____ decreased _____ transfer rates could be _____.

There _____ times _____ decline.

Is there _____ specific _____ internet _____ become _____?

_____ time _____ that have _____ net speeds.

_____ time _____ have _____ speeds

There _____ certain _____ net _____ down.

_____ there _____ time _____ reduced internet speed _____?

What _____ do most _____ speeds?

_____ a time _____ internet users _____ rates?

Are _____ times when reduced _____?

Slow internet _____ have _____ it.

_____ slowness _____ certain periods?

_____ there _____ users face _____ connections?

_____ is the _____ connection slow for _____ lot _____?

Is there _____ scheduled _____ most users _____ experience inferior _____?

Is there a _____ interval where most _____ network _____ of _____ speed?

What _____ time _____ experience _____ internet speeds?

Users can face _____.

Do _____ hours _____ cause _____ network speeds?

The _____ certain times.

Is there a _____ internet _____?

_____ would like _____ know _____ specific periods when the _____ connection is _____.

_____ true _____ certain periods _____ connection _____ many people?

_____ internet _____ when _____ periods are slower?

_____ tell me _____ specific periods result in _____ speed?

Do some _____ lower internet _____ subscribers?

_____ person has a slower net _____?

Is there _____ specific _____ internet usage _____?

_____ periods, _____ have a lower _____?

Do most people _____ web _____?

_____ frames _____ Internet?

_____ those hours slow _____ speeds?

_____ times _____ typical _____ slow _____ connections?

Do _____ periods have lower _____ speeds _____ network _____?

_____ slower web speeds _____ point.

_____ there _____ when _____ see reduced internet rates?

_____ dominant time _____ where _____ often experience _____ internet connections?

Most people experience _____ speeds _____.

_____ my _____ slower during certain _____?

_____ there _____ when _____ net speed is _____?

_____ there a _____ slot _____ users _____ to have _____ internet _____?

Do users face set _____ fall?

_____ want to _____ know of certain _____ have decreased internet _____.

Reduced _____ during particular _____.

_____ are _____ periods when _____ have a lower _____.

There are certain _____ web _____ are more _____ others.

_____ speeds _____ during certain _____ frames.

Is _____ a _____ time _____ the _____ always fast?

Does _____ internet _____ during _____ periods?

Is there _____ period when slower _____ are _____?

When _____ connection _____ slower?

Is there any identifiable patterns _____ experience _____ internet _____?

_____ certain _____ slower net _____?

_____ face _____ internet _____ during certain _____?

Some _____ when _____ net _____ is _____?

Does _____ slowness always _____ at _____?

_____ internet _____ specific times?

_____ there _____ intervals where _____ users _____ inferior _____ performance _____ browsing?

Is it common for users _____ slower connection _____ in _____?

I _____ periods result in decreased _____ speed.

_____ periods _____ lower _____ connection speed?

_____ have slower net _____ to others?

Is _____ that _____ result _____ decreased internet speed?

_____ it _____ certain periods _____ lower internet _____?

Does _____ slowness _____ certain _____ often?

Is _____ time _____ for internet speed _____?

_____ specific time period _____ users experience _____ internet connection _____?

I want _____ if _____ in a decrease in _____.

_____ connection _____ there set times?

_____ you _____ any _____ times _____ users _____ reduced data transfer _____?

Are _____ times _____ connection _____ are _____?

There are _____ when _____ internet connection rates are _____.

_____ internet slowness _____ during specific _____?

Can _____ tell me _____ when the internet _____ gets slow?

Do _____ have lower _____ speeds?

_____ specific _____ for reduced _____ speed _____?

Are there specific _____ internet connection rates _____ slower _____?

Are _____ when _____ rates are _____ than usual?

When _____ users _____ connection?

Is _____ for _____ connections _____ occur during certain times?

Are _____ when internet _____ reduced?

Do you _____ slots where _____ are slower?

_____ speeds _____ during specific time _____.

Do most users _____ slower internet _____ time _____?

_____ would like to know _____ know of certain _____ speeds.

_____ periods have _____ internet _____ your _____?

Reduced speeds can _____ encountered _____.

Do different _____ slower net _____?

_____ there _____ when _____ rates _____ reduced?

Do certain _____ cause _____ go _____?

What is _____ when most _____ slower _____ speeds?

_____ common for _____ to have sluggish _____ specific _____?

Do certain periods produce _____ internet _____ for _____?

_____ rates at certain _____.

____ internet ____ usually happen during ____ ____ ?
 ____ ____ specific time when ____ slower ____ ?
 Many users face ____ ____ ____ certain ____ .
 There ____ different times ____ ____ speed ____ .
 Users ____ ____ speeds, are there set times ____ ____ ?
 ____ ____ users experience ____ connection ____ ?
 There may ____ specific times when slower ____ ____ ____ .
 ____ ____ be slow ____ ____ times.
 Is ____ possible that ____ ____ result in slower ____ ____ ?
 ____ are periods ____ folks ____ slower ____ ____ .
 Is it ____ common for ____ ____ see reduced connection ____ ____ times ____ ____ browsing ____ ?
 Is there ____ ____ hours when users ____ subpar ____ ____ ?
 Are ____ ____ for reduced ____ speed ____ ?
 ____ ____ slots associated with ____ ____ speed?
 ____ ____ time when ____ ____ face slower speeds?
 Do ____ face ____ internet ____ ____ times?
 When are ____ connection ____ ____ ____ users?
 Any periods when ____ ____ slower ____ ____ ?
 There ____ ____ where ____ ____ slower than other times.
 Are ____ ____ windows ____ ____ than others?
 ____ ____ time period when internet connection rates ____ ____ ____ usual?
 ____ most ____ slower network ____ ?
