

[Demo] NLP Dataset for Customer Service Automation

Company Type	Life Insurance Companies
Inquiry Category	Questions related to underwriting and eligibility
Inquiry Sub-Category	Re-evaluating policies
Description	Customers have questions about options for re-evaluating their policies, such as changing coverage amounts, adjusting premium levels, or switching to a different policy type. They may want to explore how life changes or financial situations can affect their current coverage.
Data Size	6,924 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Life Insurance Company" customer inquiry. (Purchased data will not be masked.)
