

[Demo] NLP Dataset for Customer Service Automation

Company Type	Water and Wastewater Utility Companies
Inquiry Category	Reporting illegal connections and discharges
Inquiry Sub-Category	Illegal Discharge Reporting
Description	Customers inquire about how to report incidents of unauthorized discharge into the water and wastewater systems, including spills, dumping, or illicit connections.
Data Size	8,567 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Water and Wastewater Utility Company" customer inquiry. (Purchased data will not be masked.)

What ____ can ____ taken to prevent ____ connections ____ the water and ____?

What ____ stop ____ from messing with the water and ____?

____ do ____ make sure ____ is wrongly tapping ____ supply?

When people ____ connect ____ discharge ____ into the water ____ should ____?

____ can we prevent ____?

____ the steps ____ to ____ releases in the water ____?

How can ____ connections in my ____?

____ outsiders be stopped ____ or ____ or wastewater?

Ensure ____ no unauthorized ____ in ____ systems?

There ____ can ____ to deter ____ hook ____ within the ____ network.

Measures ____ curtailing ____ water?

There are ____ determing ____ water ____.

I would like ____ methods ____ preventing unauthorized ____ and ____ in the water ____.

Can anyone tell ____ about ____ keep unauthorized ____ out of ____ pipes ____?

How ____ to curb unauthorized ____ in ____ systems?

Is ____ way ____ unauthorized people from ____ to our ____ links?

____ can we ____ from happening?

Could you ____ advice on ____ to ____ people ____ dumping ____ water ____?

____ is possible ____ from ____ up illegally ____ stuff in our ____.

How are ____ able ____ discharges?

Taking ____ water dischargers.

____ we deter illegal ____ and ____?

Is ____ way to stop ____ illegally accessing ____ waste ____ water?

____ stop illegal connections to our ____ infrastructure?

Taking ____ water dischargers.

How can I ____ the ____ discharges ____ the ____?

Measures to ____ unauthorized ____ and discharges ____ wastewater ____?

What can ____ to ____ and ____ within ____ water network?

Can you tell _____ prevent unauthorized _____ the _____ network?
 _____ can _____ done _____ the release of _____?

How _____ we protect _____ systems _____ unauthorized connections?

Taking _____ illegal water _____?

Is _____ possible to prevent unauthorized connections _____ and _____ networks?
 _____ there _____ plan in _____ keep _____ people away _____ pipes _____ sewer?
 _____ can _____ taken to _____ unwanted sewer _____?

How _____ illegal wastewater _____?

Is there _____ to stop unauthorized _____ connecting _____ the water _____?

There are _____ to _____ the unauthorized _____ the _____.
 _____ can we _____ leaks _____ illegal _____ water system?

What _____ we _____ to _____ our _____ from _____ messed with?

How _____ unauthorized water _____?

_____ are _____ that _____ be _____ reduce the _____ banned waste/drain claims.
 _____ do we _____ free of unauthorized discharges?

Taking _____ actions towards _____?

How can _____ the _____ network?

What can we _____ to _____ discharges _____ not _____?

Measures to control _____ to _____ waste water _____?

How _____ we _____ unauthorized connections _____ our _____?

How _____ prevent the illegal _____?

How _____ deter _____ hook-ups _____ in the water _____?

The _____ wrong _____ contacting and making dirty water.
 _____ be _____ to _____ connections of water and _____?

_____ method to prevent _____ connections _____ and wastewater networks?
 _____ can we _____ to _____ illegal connections _____ the _____?

_____ is no illegal _____ sewage _____.

_____ we _____ unauthorized _____ discharges from happening?

Is _____ unauthorized individuals _____ using essential water _____ links?

What can _____ to stop _____ releasing water systems?

_____ it possible to stop people _____ messing around _____ release?
 _____ mechanisms _____ against _____ connections _____ spills?
 _____ you tell _____ about _____ unauthorized connections _____ discharges?
 _____ systems need to be _____.

Is it possible _____ make _____ nobody _____ tapping into _____ supply?

How _____ we _____ unauthorized discharges do _____?

How _____ prevent _____ from _____ water/wastewater?

What _____ to _____ illegal _____ discharges?

_____ do we make sure our water _____?

How to stop unauthorized _____?

_____ need _____ be taken to _____ discharges into _____ system?
 _____ can _____ done in _____ prevent illegal _____ and _____?
 _____ outsiders _____ from _____ or releasing in water _____?
 _____ do to _____ the unwanted _____?

_____ can we guard _____ connections _____ water _____ wastewater infrastructure?

Suggestions _____ prevent _____ routines?

Taking preventive actions _____?

_____ there _____ way _____ unauthorized _____ from connecting to _____ vital _____ links?
 _____ can be done _____ prevent unauthorized _____ wastewater systems?
 _____ sought to deter discharges _____.

____ there a way to ____ spills ____ the ____ ?
 ____ there ____ plan ____ keep ____ people ____ getting near ____ pipes ____ sewers?
 ____ a ____ to prevent ____ releases?
 ____ can ____ that there are ____ unauthorized discharges ____ ?
 ____ stop ____ from ____ with water systems?
 What ____ possible ____ prevent illegitimate entries ____ leaks?
 ____ there ____ plans ____ keep ____ people ____ from our ____ and ____ ?
 ____ to ____ connections ____ water system.
 ____ for keeping ____ system safe?
 Is ____ a ____ to stop ____ connecting to ____ supplies?
 ____ are ____ doing ____ stop the people from ____ systems?
 What do you ____ done ____ them from messing ____ systems?
 Do ____ plans ____ to ____ people out of our pipes ____ sewer?
 How can we ____ is wrongly ____ our ____ supply?
 Measures are ____ deter unauthorized individuals ____ connecting to ____ essential ____ .
 ____ on stopping anyone from ____ water supply or ____ release.
 ____ we prevent unauthorized hookups ____ in the ____ ?
 ____ are measures ____ curb unauthorized ____ in ____ .
 ____ to prevent ____ connections ____ entering ____ .
 To ____ is no illegal ____ water and ____ .
 ____ can we do to stop ____ in ____ ?
 ____ there ____ plans to ____ unauthorized ____ out of the ____ ?
 ____ illegal ____ of both ____ sewage.
 ____ do ____ stop ____ connections ____ water system?
 Is it ____ hook-ups ____ within the ____ network.
 What ____ to ____ people from messing around with ____ supply ____ treated ____ ?
 Do you have ____ plans ____ to keep ____ people ____ our ____ and ____ ?
 What ____ be done to stop ____ systems?
 ____ you ____ on ____ to stop people from illegally ____ dumping ____ into ____ water ____ ?
 How ____ outsiders ____ prevented ____ accessing ____ releasing water ____ ?
 ____ to ____ of water ____ .
 ____ me about ____ keep unauthorized people away from ____ pipes and ____ ?
 ____ can ____ stopped from entering ____ water ____ ?
 ____ any advice ____ protecting the water and ____ systems ____ ?
 ____ advice on how ____ stop ____ dumping waste into the ____ ?
 Is ____ that curb ____ access in ____ systems?
 ____ am ____ in ____ how ____ prevent ____ and deposits in ____ water ____ networks.
 What ____ going ____ keep these ____ from messing ____ the sewage ____ ?
 ____ there a ____ to deter ____ individuals ____ using ____ supply ____ ?
 ____ to ____ about ways to prevent ____ our water and wastewater ____ .
 How ____ from unpermitted taps?
 How ____ we ____ and ____ within the ____ network?
 How to ____ system ____ ?
 ____ can we ensure ____ safety of ____ and ____ ?
 ____ we stop discharges ____ aren't ____ ?
 ____ curb ____ in ____ water systems?
 ____ advice on how to ____ people ____ accessing or ____ waste into ____ infrastructure?
 What ____ done ____ illegal discharges.
 How ____ prevent unauthorized use ____ .
 ____ we need to take ____ prevent hookups ____ water ____ ?

How _____ sure _____ wastewater systems are free _____ discharges?

What _____ you do _____ unpermitted _____ releases _____ water?

_____ have any methods _____ preventing unauthorized connections _____ in _____ and wastewater _____?

_____ you _____ of the _____ by preventing unauthorized actions?

_____ give guidance _____ to _____ flow out of the _____ facilities?

_____ should I _____ discharges _____ into _____ sewage system?

How can _____ stop _____ using the _____?

Are you able _____ on _____ or _____ into _____ water treatment facilities?

_____ wastewater systems _____ unauthorized access?

_____ on how _____ keep _____ Wastewater _____ safe?

_____ there ways to prevent unauthorized _____ water supply?

_____ know how _____ keep _____ of our drinking/flushing _____?

How _____ we _____ hook-ups _____ releases within _____ network?

_____ should we _____ the _____ connections in _____ systems?

What _____ you going _____ to stop _____ messing up _____ system?

Is _____ way _____ unauthorized _____ in water systems.

_____ any plans _____ people from _____ near the pipes _____ sewer?

Can anyone tell _____ how _____ people _____ messing _____ supply or sewage _____?

How can _____ wastewater and coupling _____?

Measures _____ unauthorized _____ in water _____?

_____ stop _____ our water systems?

_____ it _____ stop people messing with _____ water supply _____?

Taking _____ against illegal _____?

_____ can we deter _____ water _____ links _____?

How will _____ stop _____ from messing _____ water _____?

_____ to stop _____ from _____ water/wastewater _____?

Is _____ anything _____ can _____ to deter _____ connecting to our _____?

_____ prevent unauthorized connections and discharges _____ wastewater systems?

Water/wastewater systems have measures _____ curb _____.

How _____ we prevent people from _____ our water _____ waste?

Is _____ to prevent _____ discharges into _____ sewage system?

_____ safeguard _____ water/wastewater from unpermitted _____?

_____ should we do _____ deter people _____ with the _____ sewage _____?

_____ anything _____ do to prevent unauthorized entry _____ discharge _____ wastewater _____?

What _____ are _____ to deter _____?

How _____ unwanted releases?

_____ a way _____ people from _____ or dumping waste into _____?

_____ can my water system _____?

_____ we prevent illegitimate _____?

What _____ we _____ to stop _____ connections _____ our _____?

Can you _____ advice on how _____ people _____ the _____ infrastructure?

What _____ prevent unauthorized _____ in the _____ and wastewater _____?

_____ you _____ me _____ how _____ unauthorized connections in _____ water _____ wastewater networks?

_____ we make _____ water and _____ is secure?

How _____ I _____ illegal connections _____ water system?

There _____ measures _____ could _____ taken to _____ unauthorized _____ to _____ supply links.

What are the _____ taken _____ deter _____ and _____?

_____ there _____ securing _____ wastewater system?

How about measures _____ water _____?

There are steps _____ the chance _____ waste/drain _____.

How ____ we ____ unauthorized ____?

Are _____ give advice on ____ to stop _____ into the ____ infrastructure?

_____ be done to prevent unwanted _____?

_____ to deter _____ system _____?

_____ works _____ safeguard _____ water from _____?

_____ determing _____ system discharges?

How ____ we ____ people ____ with _____ supply or ____ release?

How can we keep _____ water and _____ from _____?

_____ can we stop _____ messing with _____ systems?

_____ be done about illegal _____ illegal _____?

Is ____ a _____ unauthorized people ____ connecting to ____ water ____ links?

_____ to ____ illegal ____ use.

_____ that ____ unauthorized access ____ water _____?

_____ prevent illegal connections _____ discharges.

Seeking suggestions to _____ hook-ups.

Measures for _____ discharges _____ the _____?

Do you ____ any plans _____ to ____ unauthorized people ____ of _____ sewer?

_____ can I prevent _____ use of _____ system?

_____ do ____ stop ____ connections in _____?

Is _____ to keep unauthorized _____ connecting _____ water supply links?

Is there _____ unauthorized people ____ getting _____ the _____ the sewer?

_____ can ____ stop unauthorized ____ in _____?

Fight _____ into _____ systems.

_____ able _____ how to _____ flow into _____ water treatment facilities?

What will _____ from messing _____ the sewage system?

preventative _____ dischargers?

_____ can be _____ connections in the ____ and wastewater _____?

_____ you have any suggestions _____ how _____ people from _____ the _____ or ____ sewage release?

Should we prevent people ____ hooking _____ and _____ system?

_____ we minimize ____ discharges?

_____ more ____ protect against illegal connections _____?

Do _____ advice on _____ protect ____ water and ____ systems?

How to prevent outsiders ____ accessing _____?

Do ____ have ____ plans _____ unauthorized people _____ our ____ and sewers?

Suggestions _____ to ensure there are no _____ our _____.

_____ water system links?

How to stop _____ using ____ water _____ water _____?

How _____ illegal _____ the ____ systems.

Measures ____ prevent _____ to ____ systems?

_____ there any _____ could give _____ people from _____ the water infrastructure?

_____ can be done ____ deter illegal _____ water _____.

Illegal _____ water systems _____ be _____.

Is _____ way _____ illegal hookups _____ the water _____.

_____ in ____ to keep ____ people _____ our pipes and sewer?

_____ we ____ our water _____ infrastructure from ____ connections?

What ____ be ____ to _____ connections _____ water systems?

Any plans _____ unauthorized _____ from our _____ sewer lines?

_____ there ____ way ____ stop ____ people _____ to our ____ water ____ links?

_____ possible ____ make ____ that nobody is ____ tapping into our _____?

Ensuring not to _____ and _____.

How ____ prevent ____ into ____ water/wastewater systems?

____ measures ____ water discharge?

____ should be measures ____ to ____ in the water ____.

____ there a way ____ take ____ actions ____ water ____?

Do ____ any ____ place ____ keep unauthorized ____ out of ____ and sewers?

____ do to prevent illegal connections ____?

____ to prevent outsiders ____ releasing ____ or ____ water?

____ should be ____ to stop ____ tampering with the ____ systems?

____ there ____ advice ____ securing ____ water ____ wastewater systems?

Is ____ give advice on stopping ____ illegally dumping ____ into the ____?

____ you know how ____ stop ____ messing ____ water ____ or sewage release?

____ show me ____ to ____ unauthorized flow into ____ treatment ____?

You ____ help stop ____ illegally ____ dumping waste ____ the water ____.

Measures for ____ water ____?

____ you able to ____ advice ____ people ____ illegally ____ or dumping waste ____ water ____?

____ in place to ____ unauthorized people ____ from our ____ sewers?

What works ____ unpermitted taps?

Do ____ have ____ stopping people from messing ____ water supply ____ sewage ____?

What ____ done ____ prevent wastewater ____?

Is there ____ stopping people from messing ____ the water ____?

____ tell me about ____ to ____ connections ____ water ____ wastewater networks?

Is ____ plan ____ to keep troublemakers out of ____?

How ____ we protect ____ wastewater ____?

____ illegal connections and spills?

Is ____ any way to ____ unauthorized connections ____ wastewater ____?

Can you tell ____ to ____ unauthorized connections ____?

Tell ____ how ____ to ____ troublemakers out ____ the sewer ____.

Is there ____ to prevent illegal ____ our ____ network?

____ will ____ stop illegal connections in ____?

____ to prevent unauthorized ____ and discharges ____ water and ____ systems?

How ____ I ____ illegal ____ my ____ system?

____ any way to prevent ____ individuals ____ to our ____?

____ ways ____ people from ____ with ____ water supply or sewage ____?

Is ____ advice on how ____ water and ____ systems?

____ you tell us ____ to ____ deter ____ or dumping ____ water ____ facilities?

Can ____ me any ____ people from getting ____ our ____ and sewer?

____ it possible ____ unauthorized individuals from ____ our essential ____ supply ____?

____ know how ____ people from ____ water ____ wastewater systems.

There ____ taken to ____ individuals from connecting to the water ____.

____ prevent hookups ____ spills in the water ____?

____ preventive ____ against ____ water ____.

____ can ____ illegal wastewater ____ use?

There are steps ____ could ____ taken ____ deter ____ releases ____ network.

____ stopped from ____ releasing water?

How ____ prevent outsiders from ____?

Is there ____ way ____ prevent unsanctioned connections ____ releases ____?

Measures ____ system ____ unauthorized discharges?
