

[Demo] NLP Dataset for Customer Service Automation

| | |
|-----------------------------|--|
| Company Type | Electricity Suppliers |
| Inquiry Category | Restoration timeline after an outage |
| Inquiry Sub-Category | Priority restoration for critical facilities |
| Description | Customers representing critical facilities such as hospitals, emergency responders, or essential businesses inquire about priority restoration, seeking confirmation of their status and when they can expect to have their power restored ahead of non-essential customers. |
| Data Size | 9,478 paraphrases |
| Want to buy data? | Please contact nlp-data@gross.me via your business email address. |

Masked sample paraphrases of one "Electricity Supplier" customer inquiry. (Purchased data will not be masked.)

Can you confirm ____ hospitals ____ on the ____ of ____ with ____ timelines?

Can you verify ____ hospitals ____ on the ____?

____ the ____ have priority ____ restoration ____?

____ know ____ hospitals are included in the ____?

The ____ timelines for power recovery ____ include ____ facilities, which ____.

Will hospitals be ____ the ____ with ____ power restoration ____?

____ Restoration plan ____ hospitals?

Hospitals ____ worth your ____ when ____ power back ____?

The prioritized ____ include hospitals.

____ on the ____ restoration roster?

Did ____ hospitals receive ____ status for ____ restoration?

Did ____ know ____ receive priority ____ on ____ restoration ____?

Do ____ receive ____ restoration of ____ in ____?

Should ____ be included ____ the ____ for power ____?

Does ____ the power restoration timetable?

____ any ____ that ____ in the ____ that is ____ electricity replenishment?
