

[Demo] NLP Dataset for Customer Service Automation

Company Type	Payroll Outsourcing Companies
Inquiry Category	Employee onboarding and offboarding
Inquiry Sub-Category	Time and Attendance
Description	Inquiries regarding the tracking and recording of employee working hours, including timesheets, attendance policies, leave management, and paid-time-off accruals.
Data Size	5,019 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Payroll Outsourcing Company" customer inquiry. (Purchased data will not be masked.)

____ it ____ set up automated notifications/alerts when certain ____ (e.g., ____ reached?
 I ____ if ____ is any chance ____ automated ____ low ____.
 Is ____ possible ____ set up ____ for ____ mid-PTO ____?
 ____ you have ____ way ____ alert ____ you hit weakPTO ____?
 Low levels of unused ____ time ____ could ____ in ____.
 ____ it's Feasible ____ set up ____ low PTO?
 Is ____ possible ____ get ____ when ____ reach low PTO ____.
 It ____ possible that the system ____ configured ____ notifications ____ low ____.
 ____ to set ____ low PTO.
 ____ it ____ set up automated ____ when ____ balance thresholds are ____?
 I'm curious ____ there ____ automated notification systems that can ____ balances ____.
 ____ may be ____ chance for ____ low PTO.
 Is ____ feasible ____ set ____ automatic ____ for low PTO ____ thresholds?
 ____ it possible ____ a ____ or ____ there is a low balance?
 Is ____ up automatic ____ when ____ a low PTO balance?
 ____ it possible ____ have ____ auto notifications ____ reaching low ____?
 It ____ possible that ____ notifications ____ for low ____ balances.
 Is it possible ____ automated ____ low to ____?
 If the ____ gets ____ low, ____ automate the ____?
 ____ there ____ automated ____ available for ____ PTO ____?
 I'm interested ____ learning ____ systems available ____ information ____ my PTO balance is critical.
 Can ____ be setup for ____ mid-PTO ____?
 ____ it ____ automate threshold-based alerts?
 Is there ____ way ____ automate ____ the ____ low?
 ____ know ____ were any ____ for ____ notifications upon reaching low ____.
 ____ it possible ____ set ____ for low ____ other thresholds?
 ____ low balance thresholds are reached, is it ____ to ____ alert ____?
 ____ how ____ when you reach low PTO limits?

Is there _____ set _____ alert system when low _____ reached?
 _____ low PTO balance thresholds _____ reached, _____ it possible _____ set _____ a _____?
 We _____ able to _____ alerts for the _____.
 _____ a _____ up notifications _____ critical PTO _____ are hit.
 Is _____ a way to _____ up _____ low _____ balances?
 _____ is possible that automated _____ be created _____.
 Automatic _____ for _____ unused paid _____ off _____ be used.
 Would _____ be possible to _____ automated _____ balances?
 _____ possible that we _____ up automated notifications _____ PTO.
 When _____ PTO balance _____ are _____ possible _____ set _____ a automated notifications _____?
 If PTO _____ too _____ automate alerts?
 Is _____ possible _____ automate _____ if PTO _____ low?
 I'm _____ are any options for _____ notifications _____ reach low _____.
 _____ to set _____ notifications when the _____ balance _____ low?
 Do _____ believe _____ possible _____ automated alarms for low _____ mid-PTO _____?
 _____ interested in knowing if _____ are available _____ information when the PTO _____ are _____.
 Is it _____ alert when the PTO balances _____ low _____?
 There is a chance that _____ be _____ up _____ low _____.
 Is there _____ for auto _____ be made _____ low _____?
 There is _____ as _____ possible to _____ up _____ alert for _____ PTO balances.
 Do you _____ it is _____ alert program when low balance _____ are _____?
 When thresholds _____ met, can _____ alerts be _____?
 _____ plausible _____ set up automated _____ for low to _____?
 Do _____ if _____ possible _____ set _____ an alert program _____ low balance _____?
 Is there a way _____ the PTO gets _____ low?
 In _____ critically _____ time _____ can there be _____ warnings?
 _____ am interested _____ learning if there _____ notification _____ that _____ when my _____ are in danger.
 Do _____ think _____ appropriate _____ up alerts on low _____?
 _____ it feasible to _____ up automated _____ low _____ balances.
 _____ is possible _____ automatic notifications _____ for low PTO _____.
 It's possible _____ automated _____ the PTO _____ is low.
 It is possible _____ notifications _____ low PTO balances.
 _____ Feasible _____ set up an alert _____ PTO?
 We _____ to set alerts _____ low _____ balances.
 _____ balance thresholds are _____ can _____ up automated _____?
 Automatic _____ be _____ when _____ are met.
 It _____ set up automatic _____ for _____ balances.
 _____ there an option for automated _____ levels?
 Is _____ to set up _____ low to _____ balance?
 _____ it _____ to _____ automated alert _____ low PTO balances
 _____ is _____ is it possible to set up an _____?
 _____ want to _____ there _____ options _____ the low PTO is reached.
 It is possible _____ low PTO balances could _____ by _____.
 Is _____ an _____ notifications _____ PTO _____?
 _____ it possible _____ set up a _____ program _____ the _____ balance _____?
 _____ to _____ automated notifications for low PTO balances.
 _____ you _____ automated _____ the PTO balance is _____?
 _____ you know _____ there _____ auto notifications _____ you reach _____ PTO?
 Is _____ automate the alert _____ low PTO _____.
 _____ it possible to set _____ warnings _____ PTO _____ other _____?

I wonder if there _____ auto notifications _____ low _____.
 _____ a way to _____ notifications _____ low PTO?
 I want _____ if _____ for automated notifications on low _____.
 When low PTO balance _____ reached, _____ possible _____ set up a _____ alert _____?
 Is _____ available _____ low PTO _____?
 Low levels of _____ time _____ could _____ highlighted _____ automated _____.
 Is there _____ way _____ us about _____ PTO balances _____?
 _____ you _____ to _____ for when the PTO gets _____?
 Is _____ for _____ to _____ automated _____ low PTO balances?
 _____ may _____ able to set _____ automated notifications _____.
 _____ it _____ to _____ automated _____ with _____ to mid-PTO balances?
 _____ low PTO _____ thresholds _____ is it _____ up automated notifications/ alert _____?
 Can _____ set _____ automatic notifications _____ PTO _____?
 Is it _____ to set up _____ alert for _____?
 _____ there _____ way _____ alert for _____ weak PTO _____?
 _____ be a _____ for automated _____ on _____ low _____.
 _____ there _____ a chance _____ notifications on low _____?
 Is _____ possible _____ set up automated alarms _____ mid-PTO _____?
 _____ possible _____ set _____ alert _____ PTO balances _____ low thresholds.
 Is it _____ to _____ up automatic alert _____ of _____?
 Can automated _____ be set _____ for a _____?
 Is _____ possible _____ automated _____ for _____ gets too low?
 It's _____ automated _____ for low _____ balances would _____ set _____.
 _____ a chance _____ automatic notifications on _____?
 Do _____ it's ok _____ set _____ alerts on _____?
 _____ of critically _____ time off _____ there can _____ warnings?
 _____ wondering _____ there _____ for auto notifications _____ reaching _____ PTO.
 I _____ like to _____ if there are _____ options _____ low _____.
 We may _____ able _____ set _____ low PTO _____.
 _____ am _____ in _____ there _____ automated notification systems _____ me information when my PTO _____ level.
 Can _____ be set up for _____ to _____?
 It is possible _____ certain _____ and _____ balances _____ with automated _____.
 Is _____ receive an alert _____ amount of _____ goes _____?
 _____ notifications _____ low levels of _____ time _____ be _____?
 Do you think _____ possible _____ get _____ alert on _____?
 _____ it possible _____ low levels of _____ paid time _____?
 _____ automated _____ for low _____ balances.
 _____ automated alarms _____ low to _____ balances be _____?
 If _____ goes _____ can we automate _____ alerts.
 We _____ able _____ automated alert for _____ balances and other _____.
 I _____ interested in learning _____ automated notification _____ information _____ balances are low.
 _____ wonder _____ options for _____ notifications upon reaching _____ low _____.
 I _____ interested _____ learning if there are _____ available when _____.
 Is _____ chance _____ automated _____ on _____ PTO?
 I'm _____ learning _____ there _____ automated notification _____ send me _____ my PTO balances _____ critical.
 _____ am _____ in learning _____ there _____ systems that _____ information when the PTO balances are _____.
 _____ that notifications _____ balances and certain key thresholds would be _____.
 _____ be possible to set _____ alarms for low _____.
 _____ to _____ sure _____ notified _____ you _____ low PTO limits.
 _____ you _____ a chance _____ automated _____ on low _____?

Is it possible _____ up _____ low to mid-PTO balance?

When low _____ reached, _____ possible to set _____ a alerting _____.

_____ low _____ balance _____ reached, is _____ to set up an _____ system.

_____ easy to set up automated _____ to _____ balances?

There _____ a possibility that _____ low PTO _____ other critical _____ could _____.

It's _____ PTO balances and thresholds could be _____ into the _____.

_____ balance thresholds _____ it possible to set up automated _____?

Possible automated notifications for _____ levels _____ paid _____?

_____ possible to automate _____ for _____.

It is _____ automatic notifications _____ low PTO _____.

_____ way to _____ notifications for when the PTO _____ low?

_____ there _____ for auto notifications _____ made after reaching _____ low _____?

_____ there _____ way to be notified if you _____.

_____ that _____ PTO balances and _____ could be built into the _____.

_____ for us _____ automate low PTO _____?

I _____ learning _____ there _____ systems out there that can _____ when my PTO _____ are critical.

When _____ PTO _____ are _____ is it possible _____ alert or _____ program?

When _____ balance thresholds _____ reached _____ it possible _____ setup _____ alert _____?

_____ possible _____ make automated warnings for low _____?

_____ possible that _____ automated _____ low PTO _____ could be set.

_____ interested in learning if there _____ notification _____ can send _____ information when _____ reaches _____.

_____ possible to _____ notifications for _____ balances and _____ thresholds.

Can you _____ there are _____ for _____ reaching low PTO?

Is _____ way to _____ if you reach _____ limits.

_____ you dip _____ how _____ automated notifs?

I _____ if _____ automated alert _____ PTO balances.

Should there _____ warnings in _____ paid time off _____?

_____ is _____ chance that _____ notifications _____ be _____ for _____ PTO _____.

When _____ PTO _____ thresholds are _____ to set _____ a _____ to alert?

It _____ possible _____ would be set _____ PTO balances.

_____ possible _____ automated notifications to show low _____ time off.

_____ to get automatic _____ is a _____ in PTO amounts?

_____ to set _____ alarms for _____ to mid-PTO _____ or key _____?

_____ way to automate _____ the PTO _____ too low?

Is _____ possible to _____ alert _____ when _____ PTO is _____?

It is _____ that automated _____ configured for _____.

_____ for automated _____ PTO balances to be created.

_____ able _____ set _____ for _____ PTO balances and thresholds.

Is there _____ PTO notifications?

_____ in learning if _____ are automated notification systems _____ send me information _____ balances _____.

_____ might be _____ set _____ for _____ PTO balances.

_____ of critically _____ off days, _____ could be automated _____.

There _____ be _____ up for low PTO balances.

_____ there a _____ to _____ the PTO balances _____ low _____?

_____ notifications may _____ set _____ balances.

You may _____ able _____ set up notifications _____ hitting _____.

_____ interested in _____ there are _____ notifications _____ can send _____ information when _____ balances _____ low.

_____ critically _____ paid _____ off days there _____ be automated _____?

We _____ to set _____ an _____ low PTO balances.

Are there any automated _____ PTO gets _____?

Is _____ way to have _____ if _____ reach _____ PTO?

Is it _____ up an alert system when _____?

Can we set _____ automated _____ thresholds _____ as low _____?

Is _____ set up _____ notifications system when _____ balance _____ low?

_____ there any way to _____ us _____ PTO balances and _____?

_____ like _____ know _____ there _____ automated systems available _____ send me information _____ balance reaches _____.

_____ a _____ that _____ could include automated notifications _____ PTO balances.

_____ the PTO gets _____ can we _____ the _____.

Is it _____ to set up _____ low _____

_____ that automatic _____ for low _____ balances can be _____.

Automating notifications _____ reaching _____ could _____.

_____ be _____ warnings after reaching _____.

_____ thresholds are reached is it _____ an alert program?

Is _____ possible to use _____ for _____ PTO _____?

_____ it _____ automate the alerts for _____ weak _____?

Is it _____ up automated _____ low to _____ balances?

_____ you _____ to put _____ alert _____ low PTO?

_____ for hitting thresholds _____ done.

Is it _____ to _____ you _____ weak _____ limits?

When _____ like low _____ are _____ automatic _____ be implemented?

Is it possible _____ set up _____ alert _____ low _____?

_____ there is a chance _____ notifications on _____

Do you _____ possible _____ set up _____ alert _____ balances?

There is _____ up _____ for a _____ PTO balance.

It is possible to _____ alert _____ low PTO _____.

In case _____ critically _____ time off _____ automated warnings?

We _____ able to _____ signals _____ PTO balances.

Is there a _____ to alert _____ to _____ other _____ thresholds?

It is _____ that thresholds _____ low _____ balances could _____ automated _____.

Is it _____ automated alert for low _____?

_____ it _____ to _____ automated _____ for low _____ levels?

If the PTO _____ can we be _____.

_____ low PTO balance _____ it possible _____ up an _____ notifications program?

Is there a _____ notifications for _____ too low?

_____ a _____ to set up an _____ alert for _____?

Is it _____ set up an alert _____ when _____ low _____?

When _____ balance thresholds are _____ possible to set _____ program?

_____ possible for us to _____ updates _____ thresholds, like _____ are _____?

_____ low PTO _____ are reached is _____ a way to set _____?

Is _____ possible _____ set up a _____ or _____ there is _____ low _____?

Do _____ have a _____ of _____ on low _____?

_____ possible that _____ can automate _____ the _____ gets _____ low?

Can automated _____ tell me _____ is _____ critical _____?

_____ low _____ balance _____ are reached, it's _____ up _____ notifications.

Is it _____ set up _____ for PTO _____ low _____?

It _____ possible that _____ for low _____ other thresholds _____ into the _____.

_____ possible _____ automate _____ low PTO balances?

_____ to know if it's _____ to _____ notifications on diminishing _____.

We _____ be _____ to set _____ low PTO _____.

_____ I _____ to _____ automated alarms for low to _____?

_____ there _____ way _____ get automated notifications _____ PTO _____ low?

Is _____ possible _____ establish _____ notifications _____ balances?

_____ it _____ to _____ up _____ automatic _____ for low PTO _____?

What if _____ set _____ on _____?

I am _____ there are _____ send me information when the PTO _____ critical.

_____ to set up _____ alert for _____ PTO _____.

_____ we _____ notifications for _____ PTO _____?

We may _____ automated alerts for _____ balances.

Are _____ ways _____ up automated alarms _____ to mid-PTO _____?

Is _____ automated alert for low _____ balances _____ thresholds?

When low PTO _____ can _____ alert _____ implemented?

_____ thresholds are _____ it possible to set up _____ notifications _____ system?

Is _____ possible _____ set _____ automated notifications when _____ balance threshold _____?

_____ interested in learning if automated notifications _____ when the PTO _____ are _____.

_____ balance thresholds are reached _____ it possible _____ set _____

It is possible for _____ for low PTO _____ set.

Is it _____ have _____ notifications _____ certain levels _____ PTO _____?

I'm interested _____ there are automated _____ to send _____ my _____ balances get critical.

_____ am interested _____ learning _____ notification systems available to _____ information when my _____ balance _____ critical.

Is there _____ for _____ PTO _____?

Is _____ possible to _____ program when _____ is low?

_____ low PTO _____ reached _____ is _____ a automated notifications or alert program.

_____ possible to automate alert if you _____?

It's possible _____ could be _____ into the system _____.

_____ is _____ notifications can be set _____ low _____.

_____ low PTO _____ it possible to set up an alert _____?

When low PTO balance thresholds _____ possible _____ notifications _____ alert program

There _____ a chance that _____ could _____ built _____ notifications for _____ PTO _____.

_____ it _____ alert us _____ PTO _____ other key thresholds?

_____ am _____ notification systems available to _____ information _____ the PTO balances _____ low.

When low PTO _____ are _____ to set _____ notifications system?

We may be _____ to set _____ PTO balance

Is it _____ set _____ automated notifications _____ PTO _____ are _____.

Automating _____ thresholds _____ done.

_____ may be possible _____ set _____ for low _____.

_____ way _____ get notified once you reach _____ limits.

Is there _____ to _____ notified upon reaching _____?

Is it possible _____ we can _____ the _____ level?

_____ there an _____ for _____ PTO balances?

Is _____ a way _____ get auto _____ reaching a _____?

Is _____ a way _____ get automated _____ the _____ low?

_____ am _____ in _____ if automated notification _____ me information when _____ balance is critical.

Do _____ have the _____ automate _____ hitting weak PTO _____?

Does it make _____ up automated _____ when the _____ is _____?

_____ possible to _____ automatic warnings _____ amount _____ PTO decreases?

Is there a _____ for low _____ balances?

_____ to automate _____ for low _____ balance?

When low _____ are reached _____ is possible _____ up _____ notifications.

Automatic notifications _____ paid time off might _____ implemented.

I want _____ know _____ there are _____ notifications when you _____ PTO.

_____ that you can _____ when you reach low _____.

We may be _____ to _____ alerted _____ balances.

Do _____ think to _____ up _____ low PTO _____?

Is there _____ way _____ automate notifications _____ low _____?

_____ possible to _____ automatic _____ if _____ amount of PTO _____?

Is it possible to get _____ amount of _____?

Can _____ notifications _____ know when my _____ balance _____ approaching _____?

_____ you know if _____ options _____ auto _____ after _____ low _____?

Is _____ a _____ notified _____ reaching low PTO _____?

_____ be _____ for low to mid-PTO balance?

How _____ automated notifications _____ showing _____ levels _____ paid _____ off?

_____ possible _____ set up a notifications _____ PTO balance _____ are _____?

Is it _____ that we will _____ minimum level?

Is it possible for _____ made after _____ PTO?

It _____ for low _____ balances and _____ thresholds _____ be set.

Is there a _____ automated _____?

_____ there _____ way to get _____ when PTO gets _____?

_____ it _____ to _____ an _____ if _____ gets too _____?

Is _____ for _____ to _____ if the _____ goes _____ low?

Is it _____ to _____ up _____ notifications _____ low PTO _____ thresholds _____ reached?

When _____ PTO balance _____ possible to _____ a notifying system?

_____ are reached, can _____ notifications be _____ up?

Do _____ think _____ alert _____ low PTO _____ Feasible?

_____ way _____ to be sent when there is low _____?

Is _____ to set up _____ to alert when _____ thresholds _____ reached?

Automatic _____ PTO balances _____ other critical _____ can be _____.

_____ there _____ way to get _____ when _____ a lowPTO _____?

_____ there _____ to alert you to hit _____?

_____ is _____ notifications for low PTO balances _____ are built _____ system.

_____ create _____ based on low PTO balances?

I am interested _____ there _____ automated _____ that _____ send _____ information when thePTO _____ reaches _____.

_____ would _____ if there are automated notification systems _____ will _____ when _____ are low.

I _____ if there are automated _____ available to _____ me _____ balance _____ critical.

_____ there _____ way _____ us _____ there is a low _____?

Is it possible to set _____ alert for _____ balances _____?

_____ in learning _____ an _____ can send me information when thePTO balance _____ critical.

_____ low PTO balance _____ possible to set up a _____?

Is _____ to configure _____ alerts for _____ balances?

When low _____ are _____ possible _____ set up an alerting _____.

_____ there are options _____ auto notifications after _____ PTO.

_____ for the creation _____ notifications for _____ PTO balances.

_____ notifications _____ up _____ low PTO balance.

_____ low PTO balance thresholds _____ is _____ set up a _____ or _____?

Is it _____ up _____ alert if _____ is _____ PTO?

Is there a _____ to _____ there is _____ other key thresholds?

I _____ like _____ there _____ for _____ notifications on reaching _____ PTO.

When the low PTO balance _____ are _____ it _____ up _____?

Is _____ possible _____ create automated _____ for _____ balances?

_____ gets _____ low, can _____ automate _____?

_____ it possible _____ set up _____ notifications _____ alert _____ when _____ PTO _____ is _____?

_____ believe _____ possible to set _____ automated _____ for low _____ balances?
 _____ possible _____ you _____ alerts for hitting weak PTO _____?
 _____ am interested _____ if _____ are automated _____ to send _____ when my _____ balance reaches _____ levels.
 _____ is possible _____ automated notifications _____ low _____ balances and _____ be _____ up.
 _____ is _____ that _____ would be _____ for _____ PTO balances.
 _____ can _____ done _____ automate notices _____ levels.
 It is _____ for _____ low PTO balances _____ certain _____ thresholds _____ be _____.
 _____ it _____ to _____ up _____ notification when _____ balance thresholds _____ reached?
 _____ it possible to _____ alert for _____ that reach _____.
 _____ notifications can be set _____ for _____ PTO _____.
 Is _____ to _____ automatic warnings _____ decreasing _____ amounts?
 _____ low _____ thresholds _____ reached _____ it possible _____ up _____ alerting system?
 _____ automated alert for low _____ balances?
 How _____ I _____ for when _____ PTO gets _____ low?
 Does it _____ to _____ up automated _____ low PTO _____?
 _____ be _____ to set _____ automated _____ for low _____ balance.
 _____ to _____ you if you hit weak PTO _____?
 Alert for _____ balances _____ key thresholds _____ be _____.
 Automatic _____ can be _____ thresholds _____.
 I am interested in _____ if _____ automated notification systems available _____ when PTO _____ low.
 _____ low _____ balances _____ be possible.
 _____ is possible that automated _____ low PTO _____ built _____ system.
 It is _____ notifications _____ into the _____ for _____ PTO balances.
 _____ we _____ such as _____ balances?
 Is _____ for us to _____ timely _____ critical _____ like diminishing _____ balances?
 _____ it possible _____ have an _____ PTO balances.
 _____ there _____ way for auto notifications to _____ reached _____ low _____?
 _____ could _____ for automated notifications _____ low PTO.
 It can be possible _____ alarms for _____ mid-PTO _____.
 Do _____ think _____ are ways _____ be _____ reach _____ PTO limits?
 _____ is a chance that there might _____ low _____.
 _____ is a _____ that _____ notifications _____ low balances can _____.
 _____ be _____ chance of automated reminders _____ thresholds _____.
 _____ to _____ automated alerts _____ low PTO balances?
 When low PTO balance _____ are _____ to setup _____ alert _____?
 _____ that automated notifications for low PTO balances _____.
 Automatic _____ put _____ place for _____ of unused _____ off.
 _____ there _____ way _____ auto notifications _____ be sent _____ the _____ considered?
 Is it possible for _____ notifications _____ sent upon _____?
 We may be _____ to _____ low _____ balances.
 _____ am interested in _____ automated _____ systems _____ to _____ me _____ when the PTO balances are _____.
 When _____ thresholds _____ reached is it possible to _____ notifications?
 _____ have _____ for low _____ balances.
 _____ is a chance that automated _____ low _____ and _____ be _____.
 It _____ possible _____ notifications could _____ set _____.
 When _____ balance _____ are reached is _____ to _____ up _____ notifications.
 When low PTO _____ thresholds _____ it _____ set _____ notifications _____ alert program?
 _____ a chance _____ can be configured _____ PTO balances.
 _____ it possible _____ set up _____ when _____ balance _____ are reached.
 _____ PTO balances _____ key thresholds _____ be subject to _____.

_____ PTO _____ thresholds _____ reached _____ it possible _____ an alert program?
 _____ is possible _____ thresholds _____ be _____ to _____ notifications.
 _____ a _____ automated notifications for low PTO _____ be _____ in.
 _____ this _____ PTO balances _____ low _____?
 _____ there an automatic way _____ you to _____ limits?
 Is _____ a way to get _____ PTO?
 Do _____ it's okay to _____ alert _____ low _____?
 Is _____ an _____ for hitting _____ limits?
 _____ to set up _____ automated alert _____ low _____ balances.
 _____ it _____ to send an automated _____ for _____?
 Automatic notifications _____ low _____ and thresholds _____ set _____.
 _____ for auto _____ to be sent upon reaching _____?
 I am wondering if there _____ options _____ reaching low _____.
 Is _____ possible to set _____ alerts for _____?
 It's possible _____ automatic notifications could _____ for _____.
 _____ might be _____ to _____ for low PTO _____.
 Is it doable to _____ alert _____ of PTO _____?
 _____ there automatic _____ low PTO _____?
 _____ am _____ knowing if there are automated notification systems _____ the PTO balances are _____.
 _____ it _____ possible _____ when the PTO _____ too low?
 _____ it _____ to _____ automatic _____ low PTO balances?
 _____ you tell _____ if _____ are _____ setting _____ automatic _____ when limits are _____?
 _____ there _____ way to _____ automated notifications _____ PTO _____?
 _____ interested _____ learning if there are automated notification _____ that will _____ reaches critical.
 _____ is _____ automated notifications for low PTO balances _____ created.
 Will _____ automated warnings _____ case of _____ time _____ days?
 _____ any chance of creating _____ notifications for _____?
 Is it possible _____ us to critical thresholds _____ PTO _____?
 Do _____ a way to alert _____ I hit _____?
 Is there _____ to _____ you _____ hitting weak _____?
 _____ low _____ balance thresholds _____ reached is _____ possible _____ automated _____?
 I _____ there are automated _____ that _____ send _____ information when _____ low.
 Is it _____ to _____ low _____ of PTO?
 _____ automated warnings _____ event _____ paid time off days?
 Is it _____ to set _____ for _____ balances?
 Is it _____ set up _____ system when _____ PTO balance threshold _____?
 Is it _____ implement automated _____ low levels _____ paid time _____.
 Automatic _____ could _____ implemented _____ are _____.
 When low _____ are _____ is it _____ to set _____ or alert _____?
 _____ am _____ learning if there are _____ can send _____ when _____ reaches critical.
 I _____ interested in _____ systems _____ will let me _____ when the PTO balances are _____.
 _____ tell me _____ to be notified when _____ low PTO _____?
 _____ want to _____ if there _____ options _____ notifications when _____ a low _____.
 Is it possible to _____ up _____ when the _____?
 _____ there a _____ to _____ automatic notifications _____ low _____?
 _____ be automatic warnings in _____ of critically _____ days?
 _____ might be able _____ notifications _____ low PTO _____.
 Can automatic alarms _____ set _____ low to _____?
 _____ it _____ set up an alerting system _____ there _____ a _____?
 Is there _____ for auto _____ sent _____ you reach _____ PTO?

_____ a _____ to be _____ when _____ low _____ limit is _____?

Is _____ feasible _____ automated _____ to mid-PTO balances?

_____ gets too _____ we _____ alert?

_____ low balance _____ reached _____ to set up automated _____ alert systems?

If _____ can we be _____ automatically?

It is _____ set _____ alert for _____ balances.

_____ alerts _____ be _____ in _____ when _____ are met.

I am _____ if there _____ notification systems _____ send _____ when my PTO balance _____ critical _____.

_____ it'ssible to _____ up alert on _____ PTO?

Do you think _____ set up notifications _____?

_____ a chance _____ automated notifications on _____ PTO

Is it _____ to set up _____ is _____ minimal _____?

It _____ notifications for low PTO _____ configured.

_____ is _____ system _____ to automate notifications for _____ PTO balances.

When _____ PTO _____ thresholds _____ is it _____ to set _____ automated _____?

_____ balance _____ are _____ is it possible _____ set up an alert _____ notifications?

When _____ are reached, _____ it possible _____ set up _____ or alert _____?

It is _____ that _____ be configured _____ low PTO _____.

_____ thePTO reaches minimum level _____ be _____?

_____ is possible _____ notifications for low PTO _____.

_____ it _____ to set _____ an _____ for low _____ balances?

_____ an automatic _____ you _____ you hit weakPTO limits?

Is it _____ set up an _____ when _____ low _____ balances?

_____ interested in learning _____ there are _____ notification _____ can _____ me _____ when thePTO _____ hits _____.

_____ it _____ to _____ notifications if there _____ a low PTO _____?

If the PTO _____ low, _____ we _____ alert?

_____ low _____ thresholds are _____ is it _____ to set up _____ or _____ system?

We _____ able _____ alert to _____ balances.

We could be able _____ set up _____ notifications _____.

Is _____ a _____ you when you _____ limits?

_____ we _____ automated _____ for _____ as low PTO _____?

_____ possible _____ set _____ notifications when lowPTO _____ thresholds are _____.

_____ think it _____ to have _____ notifications _____ some levels are _____?

_____ possible _____ set up automated _____ for _____ levels of _____?

_____ it possible to _____ PTO balances _____ low thresholds?

There _____ be _____ warnings upon reaching _____.

_____ it possible _____ PTO _____ reach low thresholds?

Is _____ possible _____ up warnings when _____ is _____ PTO _____?

_____ want _____ know _____ there _____ notification _____ to send me _____ when thePTO _____ is low.

_____ reached is it possible to set up a _____ notifications?

_____ it _____ to set up an _____ the low _____ balance _____ is _____?

_____ in learning if _____ are _____ notification systems _____ give _____ information _____ thePTO balance _____ critical.

When low PTO _____ thresholds _____ reached, is it _____ up _____

_____ in learning _____ there are automated _____ systems _____ will _____ information _____ PTO balances reach _____ levels.

_____ possible that automated _____ balances could be _____.

Do you _____ up _____ on _____ PTO?

_____ want _____ learn if there _____ automated notification systems _____ can _____ me information _____ balance _____.

When low PTO balance _____ it possible _____ up a _____?

_____ it possible to set _____ alert _____ if _____ balance thresholds _____?

_____ it _____ possible to set up _____ when _____ balance thresholds _____?

It is _____ low PTO balances _____ automated.
 _____ balance _____ reached is _____ possible to _____ a notifications system?
 _____ PTO balance _____ are _____ is _____ possible _____ set up _____ programs?
 It's _____ to _____ notifications _____ critical PTO _____.
 _____ low balance thresholds _____ to _____ a system for notifications?
 _____ me when my PTO balance is _____?
 _____ may be able _____ set warnings _____ low _____.
 It _____ possible _____ set _____ automated _____ there _____ PTO balance thresholds.
 _____ low PTO _____ be created.
 Does _____ sense to _____ alerts for _____ balances?
 _____ set up automated _____ for low _____ and thresholds?
 Can _____ automated notifications _____ low _____?
 Is _____ have _____ auto notifications _____ reaching low PTO?
 _____ possible that there could be automated _____ low PTO balances _____.
 _____ interested in learning _____ there _____ automatic notification systems that can _____ when the PTO _____.
 _____ am interested in _____ if there _____ automated _____ systems _____ can send _____ information _____ balances _____.
 _____ it _____ up _____ for the lowest PTO balances?
 Is it possible to _____ automated notifications _____ a _____ balance?
 Is _____ possible _____ up _____ alert _____ when _____ PTO balance _____ reached?
 There _____ be _____ warning upon _____.
 I am _____ automatic notification systems that _____ send _____ when the PTO balance is _____.
 When you _____ limits, how _____ the _____ notifs?
 _____ possible that the _____ notifications for low PTO balances.
 _____ to _____ when _____ amount of PTO is reduced?
 _____ there _____ possibility _____ automated _____ for _____ levels _____ unused _____ time off?
 There _____ a chance _____ automated _____ low PTO _____ could _____.
 Would it _____ possible _____ for low PTO balances and _____?
 _____ that _____ notifications _____ balances could be created.
 _____ we _____ ability _____ automated alert _____ low PTO balances?
 _____ it possible _____ up an _____ system _____ low PTO _____ reached?
 _____ case of critically _____ paid _____ are there _____ warnings that can _____?
 _____ it possible _____ a alert _____ there is a _____ PTO _____?
 If the _____ reaches minimum _____ get _____ automatically?
 There is a _____ that automated _____ low PTO balances _____.
 _____ is a chance _____ automatic _____ low _____ other thresholds could be built _____ system.
 Is it _____ alerts?
 Is _____ possible _____ establish _____ alerts for _____ PTO _____?
 Is _____ possible to set _____ alarms for _____?
 _____ it possible _____ alert for hitting _____ PTO _____
 _____ is _____ possibility _____ automated notifications could _____ for _____ PTO _____.
 I'm interested _____ are _____ notification _____ that _____ me information when the PTO _____ is low.
 _____ it _____ to get _____ if _____ reach _____ limits?
 If _____ thresholds _____ is it possible to set up _____?
 _____ it possible _____ set _____ automated alert _____ low PTO _____?
 _____ we _____ notifications for _____ PTO _____?
 _____ to alert _____ PTO _____ reach low thresholds?
 Do _____ think that it's sible _____ set _____ alert _____?
 _____ we be able to _____ notifications _____ low _____?
 _____ notifications _____ low PTO balances.
 _____ in learning _____ there _____ notification systems _____ to send me information as _____ PTO _____ critical _____.

I _____ to learn _____ automated notification _____ are _____ to _____ me _____ when _____ balances _____ low.
_____ for low PTO _____ be _____.

_____ any _____ auto notifications when the low PTO is _____.

_____ possible that _____ notifications can be _____ balances.

Do _____ think _____ set up _____ notifications _____ the PTO balance _____ low?

_____ it possible _____ automate _____ for _____?

If the PTO gets _____ low, can _____?

_____ may be able _____ up automatic _____ for a _____.

I would _____ know if _____ notified _____ reaching low PTO limits.

When low _____ thresholds _____ possible _____ set up _____ alerting system?

We may be _____ to _____ for _____.

_____ levels _____ unused paid _____ off, could automated notifications _____?

_____ it possible to _____ automated alarms for _____ to _____?

_____ that _____ system _____ build automated _____ low PTO balances.

There _____ a chance that notifications _____ be created.

Is it possible to set _____ PTO _____?

When _____ reached is _____ possible to set up _____ program?

I _____ to know if _____ possible to _____ automatic alerts _____.

Is it _____ to _____ an automated _____ low PTO?

Is there a _____ alert _____ PTO balances _____ thresholds?

_____ there a _____ notified _____ when _____ reach _____ PTO limits.

Is _____ a way _____ get notified when _____ a _____.

There's _____ automated _____ on _____ PTO.

_____ it _____ up an _____ alert for _____ PTO balances?

_____ feasible _____ an automatic alert for low _____ balances?

It is possible that _____ the system _____ low PTO _____.

Is _____ set up an alert _____ low PTO _____ reached?

Is it possible _____ set _____ an automated _____ to _____ balances?

_____ it _____ to automate _____ if PTO _____?

_____ don't know if _____ can _____ for low PTO _____.

Is _____ possible _____ notifications for low levels of unused _____?

_____ automated notifications _____ low PTO?

It's possible that _____ could be _____ for _____.

Is _____ possible that you _____ automate _____ weak _____ limits?

Is _____ set up _____ for low to _____ balance?

_____ automatic way to _____ you _____ hitting _____ limits?

Do _____ think it's possible _____ up _____ when the _____ low?

_____ be automated _____ reaching certain _____.

Could _____ be _____ to _____ alerts?

_____ don't know if there _____ notifications once _____ low PTO.

_____ critically low paid _____ days, there should _____ automated _____?

_____ balance _____ is there a way to _____ up automated _____?

It _____ that _____ can be built into _____ system _____ balances.

It _____ be _____ automate notices _____.

Could _____ us know when there _____ thresholds _____ diminishing _____?

_____ for alerts to _____ up for low _____ balances?

We _____ the ability to set alerts _____.

I _____ learning _____ automated _____ systems _____ available _____ send me information when _____ balances are low.

_____ have _____ for automated notifications _____ low PTO?

_____ you think _____ feasible to set _____ alert _____ low _____?

_____ thresholds _____ reached, is it possible to set _____ system?
_____ it possible _____ set _____ an _____ alert _____ low PTO _____.
_____ that _____ low PTO _____ could be _____ with automated notifications.
I'm interested _____ learning _____ are automated notification _____ available _____ me information _____ the PTO balances _____.
_____ is possible to _____ up automated _____ to mid-PTO _____.
_____ is _____ that _____ for low _____ balances _____ other _____ can be _____.
When _____ PTO _____ thresholds are _____ is it _____ automated system?
It is _____ that the notifications _____ be configured.
_____ able to _____ automated notifications _____ PTO balances
When _____ PTO balance _____ critical _____ can automated _____ me about _____?
_____ up notifications _____ PTO?
You _____ automate _____ at _____?
_____ notifications for low _____ could _____.
There could be an _____ for _____ on _____.
Do you _____ set _____ on low PTO _____?
Is there _____ way _____ auto _____ be _____ reach low PTO?
_____ is a _____ that _____ be set up upon _____ critical _____.
Is it _____ to set _____ for low _____?
I am _____ notification systems _____ will _____ me information when _____ balance is _____.
Is it _____ to _____ up _____ alert _____ there _____ remaining?
It _____ possible _____ there _____ be _____ for low PTO balances _____ system.
_____ wondering if there are any _____ upon _____ a _____ PTO.
_____ we _____ automated notifications for a low PTO balance.
I _____ to _____ if _____ automated _____ systems _____ me information when the PTO balance _____ critical.
I'm wondering _____ there are options _____ reaching a _____.
_____ automated _____ used to indicate _____ levels of unused _____?
Is _____ a way to _____ PTO _____ too low?
_____ is possible _____ automated notifications for low _____ paid _____ off.
We may _____ able _____ set alarms _____ low _____ thresholds.
For _____ to _____ possible to set up automated _____?
Is _____ a way _____ you _____ hit _____ limits?
I am _____ in _____ if _____ notification _____ that can give _____ information _____ balances _____ low.
_____ possible _____ an _____ when low PTO balance _____ are reached?
_____ it _____ to set up _____ alert _____ low _____ the _____?
