

[Demo] NLP Dataset for Customer Service Automation

Company Type	Telecommunications Equipment Manufacturers
Inquiry Category	Installation instructions and guidance
Inquiry Sub-Category	Software and Firmware Updates
Description	Customers seek instructions on updating software and firmware for their telecommunications equipment, asking about the latest versions, installation methods, and precautions to ensure a successful update process.
Data Size	5,153 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Telecommunications Equipment Manufacturer" customer inquiry. (Purchased data will not be masked.)

Do ____ need ____ training before attempting ____ telecom devices' software and ____?
 ____ specific ____ for telecom ____ update ____?

Do ____ if ____ training ____ to install updates ____ the telecom ____?
 ____ installing ____ device update require ____?

Is ____ necessary ____ device update?
 ____ you think ____ need ____ specialized ____ to ____ updates ____ telecom devices?

Do we need ____ specialized ____ to upgrade our ____?

I am wondering ____ installing telecom device ____.

Updating telecom ____ software/firmware ____.

____ training ____ updating ____ on the ____ devices?
 ____ training ____ software updates?
 ____ specialized ____ necessary ____ update installations?

Should ____ specialized ____ to install ____ updates ____ our ____?

____ we have the ____ training ____ sure that we ____ updates ____ telecom ____?

If ____ are ____ on ____ equipment, do you think we should ____ training first?
 ____ we ____ to receive ____ to ____ updates ____ our ____?
 ____ device ____ need specialized instruction/training?
 ____ you ____ we ____ special ____ to install ____ on ____ devices?

Do you recommend ____ training ____ you ____ to ____ the software ____ equipment?
 ____ be ____ install updated software ____ our devices?

Training necessary ____ updating ____?

Do ____ to ____ for device updates?

Should we get specialized ____ to ____ our ____?

____ think it's a good idea ____ learn specialized ____ update ____ devices?
 ____ telecom ____ software and firmware ____.

Should people ____ specialized ____ changing ____?

Do we need ____ training ____ to ____ our telecom ____?
 ____ needed ____ updating ____ systems?

_____ we _____ with the telecom device's software/firmware _____?

_____ training needed _____ devices?

_____ we require training on updating _____ software _____?

_____ it _____ to _____ specific training before updating _____?

_____ specialized training _____ in _____ to install updates _____ our _____?

Is it necessary _____ have _____ install telecom _____?

_____ if _____ a telecom _____ update _____ training.

_____ clarify _____ is _____ to install _____ software on our _____ devices?

_____ training _____ to _____ on telecom devices?

_____ you _____ we _____ have specialized _____ to install _____ phones?

_____ learn _____ skills to update _____?

_____ best to get specialized training _____ we want to _____ and _____?

Do _____ devices require _____ training?

_____ device _____ we get specialized _____?

Do _____ need training _____ device's software before _____ it?

Can it _____ important _____ have specific _____ software on _____ communication _____?

Should installing _____ device _____ instruction?

If _____ to _____ telecom device's software/firmware upgrade, we need _____.

Is installing _____ device _____ instruction/training?

Do you _____ if _____ training is required _____ telecom devices?

_____ before the phone software is updated?

You _____ it's _____ good idea _____ to update telecom _____ with _____?

_____ think _____ should get specialized training first _____ to update _____ software on _____?

_____ for specialized training in telecom _____?

_____ recommend _____ specialized training first if _____ to update _____?

Do you _____ for software _____ firmware _____ gadgets?

Training _____ telecom _____ software?

_____ we _____ specialized _____ to fix the _____ device's _____?

_____ appropriate _____ train _____ telecom software _____?

_____ you _____ we _____ specialized training first so that we can update _____?

_____ before attempting the _____ in telecom devices?

_____ devices _____ to be updated _____ special _____?

Updating software _____ might require _____ training.

_____ required prior _____ to _____ in telecom devices?

_____ you _____ training to install _____ on _____ software?

_____ to install _____ on _____ phones?

_____ it _____ training to install _____ updates on _____ devices?

If specialized _____ is needed _____ our _____ devices' software.

_____ necessary _____ install updates on our _____ devices?

Do _____ we _____ specialized training to install _____ latest updates _____?

Do _____ need specialized _____ when trying to update _____?

_____ telecom software updates?

If _____ is needed to install _____ on _____ software?

Do _____ need _____ through training to _____ our _____?

_____ specialized training for _____ updates?

_____ be _____ to _____ software updates for _____ devices?

Do _____ we _____ get _____ first if we _____ to update the _____?

_____ we have to go _____ training _____ upgrade _____ software on _____?

Can you clarify _____ specialized _____ is _____ install _____ telecom devices' _____?

_____ before _____ in telecom devices?

I want to ____ if specialized ____ is ____ to ____ updates ____ ____ ____ software.
____ think ____ trained to install ____ on ____ devices?
____ be needed to install ____ on our ____ devices?
____ necessary for ____ installation of ____ ?
____ have ____ training ____ how to update our ____ ?
Are ____ telecom equipment?
What ____ update ____ devices' software?
____ training ____ to ____ the ____ updates ____ our phones?
Should ____ get ____ training ____ software?
____ vital to ____ for ____ updates?
Is ____ training required ____ telecom ____ ?
Can we ____ training ____ telecom ____ ?
____ we need specialized training before ____ to upgrade ____ ?
Is it ____ to update software on the ____ ?
Do you ____ need specialized ____ install ____ updates?
Do you ____ we ____ telecom ____ updates?
____ for individuals to receive ____ training ____ updating ____ device ____ ?
____ need ____ updating telecom devices?
Do we need specialized ____ trying ____ new ____ phones?
____ you think we ____ specialized training ____ install ____ latest ____ our ____ ?
____ to update telecom ____ ?
Are we ____ have training before ____ update ____ ?
____ needed ____ install firmware ____ ?
____ software may require ____ specialized ____ .
Do we need ____ get ____ before we upgrade ____ ?
Training ____ for ____ software?
____ need training ____ how to install ____ on ____ ?
Do ____ go ____ special training to ____ software?
____ we ____ updating the telecom ____ software?
____ prior ____ trying ____ install ____ in telecom devices?
Do you think ____ training to install the ____ software ____ ?
____ installation training ____ updates?
____ it ____ to training ____ updating ____ devices?
____ you recommend that we get ____ to ____ the software ____ ?
Do we ____ to attend specialized ____ the ____ our ____ devices?
____ necessary to have special ____ device software ____ ?
____ get specialized training first if ____ are ____ and equipment?
Should we ____ on ____ our ____ ?
If ____ is ____ install updates ____ telecom devices' software ____ firmware?
____ pre-installation training for ____ updates?
Will it ____ special ____ before ____ device software?
____ be trained ____ with ____ device's software/firmware upgrades?
____ training about ____ ?
____ we want ____ training for ____ ?
Do ____ update require ____ instruction?
Is ____ necessary ____ software and ____ ?
____ we need to ____ the telecom ____ installing it?
____ to go through ____ before updating ____ equipment?
I wonder if ____ for telecom software ____ .
____ special training ____ device software?

Is _____ requirement for special _____ to _____ telecom _____?

Do you _____ training to _____?

_____ there _____ need for _____ before updating phone _____?

Should _____ training first if we _____ to _____ the _____ our _____?

Do we _____ special _____ to _____ telecom device's Software?

_____ training necessary _____ updating telecom _____?

Do we _____ updating the telecom device's _____?

Should _____ take specialized _____ our devices' _____?

Should one _____ special _____ upgrade _____ phones?

_____ we need _____ for updating the _____ device's _____?

Is _____ to _____ our _____ devices?

Is _____ needed for _____ software _____?

Is there _____ software on telecom devices?

_____ installing _____ required special instruction?

_____ need specialized training before attempting _____ devices' software?

Do you think we _____ training to _____?

_____ we _____ if we want to tinker with _____ software _____?

_____ trainings _____ for _____ upgrade?

_____ we _____ training before _____ telecom device's software?

Is _____ to train _____ updates?

_____ we _____ specific _____ our telecom equipment?

Should _____ before updating _____?

Do _____ need _____ attempting _____ install update _____ telecom _____?

_____ we _____ to update _____ phones?

Can _____ if specialized training _____ needed to install software updates _____?

If we _____ to tinker _____ software upgrades, _____ we get _____?

Do we need _____ training _____ software _____ telecom _____?

We _____ specialized training _____ want to _____ with the telecom _____.

Before _____ devices' _____ knowledge is _____?

_____ learn _____ to _____ cell phone's _____ von _____ machines?

Are _____ for specialized training to _____ on _____?

Do _____ need _____ software and _____ updates?

_____ specialized training _____ telecom _____ updates?

I would _____ if specialized training _____ to _____ updates on _____ devices' _____.

Do we _____ specialized _____ if we _____ on our _____?

_____ special training required _____ on telecom _____?

_____ should get specialized training first _____ want _____ change _____ software?

Do _____ we _____ specialized _____ install updates on _____ devices?

Is _____ training required _____ device _____?

_____ we have _____ training when _____ equipment?

Do _____ need _____ training _____ updating _____ telecom _____ software?

Is _____ device _____ required _____?

_____ have _____ training _____ update our _____ devices software.

_____ have training regarding updating the telecom _____?

There should be _____ telecom _____.

Do you need _____ lessons _____ phone _____?

_____ think _____ need specialized _____ on our telecom devices?

Do _____ if specialized training is required _____ software _____ telecom _____?

Can _____ me if _____ to _____ software updates _____ telecom devices?

_____ need _____ guidance/training _____ updating _____ telecom device's software?

Should _____ instruction _____ device update _____?

_____ needed _____ telecom system updates?

_____ we _____ telecom software updates?

Do you recommend _____ training _____ the _____ on our _____?

_____ we _____ install updated software on our _____?

_____ special lessons _____ phone software?

_____ want to _____ updates _____ our telecommunications _____ should we _____ first?

_____ need _____ training to _____ updates _____ our devices?

Is _____ idea to _____ software updates _____ our telecommunications devices?

_____ necessary _____ have _____ to _____ updates on our _____ software?

Shouldn't _____ to tinker _____ the telecom _____ software/firmware _____?

Are specialized _____ to _____ updates _____ devices?

If _____ telecom _____ software upgrade, shouldn't _____ get specialized training?

Do we _____ training to _____ our _____ devices?

Should we get _____ our _____ software?

Should we _____ training _____ telecom _____?

Should _____ have specialized _____ the software on _____?

_____ we _____ to _____ special _____ updating _____ on telecom devices?

_____ we should have _____ training _____ updates on _____ devices?

Do _____ training when trying _____ on our telecom devices?

_____ you think _____ should _____ specialized _____ plan on _____ software on our equipment?

_____ we _____ training for _____ software _____?

Is _____ telecom software _____?

Do _____ need _____ before installing updates _____ software?

Should _____ get specialized _____ first _____ plan _____ our software _____ equipment?

Is it _____ training _____ the software _____ telecom devices?

_____ specialized _____ before _____ phone software?

Are _____ going to need training _____ telecom _____?

_____ before attempting update in _____?

Should you _____ training _____ devices?

_____ specialized _____ we are going to _____ our software _____ equipment?

Training _____ updating telecom _____

_____ in need of specialized training _____ updates on _____?

_____ you believe that we need _____ training _____ on our _____?

_____ you need to learn _____ telecom _____?

Don't _____ need proper training _____ telecom _____ software?

Should _____ upgrade their cell _____ while _____ special _____?

_____ training is needed _____ updating _____ devices.

Prior _____ or _____ may be required _____.

Do you _____ to install _____ your device?

_____ it _____ us to have _____ installing telecom software _____?

Do we _____ the specialized _____ the latest updates on _____ devices?

Is there _____ need _____ for installing _____?

_____ need to go through _____ telecom device software?

Do you _____ should get _____ to update _____ software _____ our _____?

Do you need training _____?

Maybe _____ telecom device update _____.

Do we need special _____ about _____ to _____ device's _____?

_____ training is necessary _____ updates on our telecom _____?

Is _____ for _____ updates?

Is _____ for _____ to have _____ before installing _____ updates?
_____ want _____ specialized techniques _____ update software?
We should consider getting trained _____ our phones.
_____ of telecom _____ may _____ instruction.
Do _____ need specialized training _____ install _____ our _____?
_____ you _____ to _____ update on our device _____?
_____ training _____ required _____ software _____ our telecom devices.
Do _____ need some specialized _____ to update _____ telecom _____?
_____ you _____ we need _____ to install updates _____ telecom _____?
_____ training _____ before updating _____?
_____ go through specialized _____ in order to _____ telecom devices?
_____ devices need to be _____ specialized _____?
Do special _____ exist for _____ telecom devices?
_____ order to _____ our _____ devices' _____ firmware?
Can there _____ a _____ training _____ on telecom devices?
_____ to upgrade the software of _____ devices, _____ need _____ training?
Do _____ think _____ training to install _____ our devices?
_____ you _____ we should get specialized _____ we want to _____ the software _____ equipment?
Should people receive _____ training _____ update _____?
Would _____ require _____ install updates on our _____?
_____ installation of update in _____ devices, there _____ training.
Do _____ training for _____ software _____?
_____ need to go _____ specialized training if we want _____ devices?
Do _____ specialized training _____ install updates on _____ telecom _____?
_____ to pursue specialized _____ for telecom _____ updates?
_____ to _____ on our device?
_____ you believe we need _____ new updates _____ our telecom _____?
Do _____ go through _____ trying _____ upgrade the _____ of our telecom _____?
_____ device _____ specialized training?
Do _____ need training for _____ updates on _____?
Is it _____ specialized training _____ updates on _____ devices?
Is it _____ updating _____ on _____ telecom devices?
Is specialized _____ install _____ software on telecom _____?
Is _____ necessary _____ telecom device _____.
_____ you _____ training _____ and updates _____ telecom gadgets?
_____ we _____ to _____ equipment, do _____ recommend getting specialized _____ first?
Do _____ that we need _____ our telecom devices?
Do _____ need _____ to install _____ and _____ updates?
Should we _____ on how to update _____?
Do we _____ through _____ before _____ to upgrade _____ telecom _____ software?
_____ training _____ how to update our telecom _____?
Do _____ need _____ update _____ software _____ the telecom device?
Should we _____ training to _____ updates on _____?
Can _____ me _____ it's _____ to _____ knowledge _____ updating our _____ devices?
_____ be _____ in how to _____ device's software/firmware?
_____ training _____ order to upgrade _____ of our telecom devices?
_____ the special training _____ install _____ updates on our _____?
_____ get _____ training _____ updated software _____ our devices?
Is _____ necessary _____ installation of _____ devices?
Does _____ device update _____ instruction?

If ____ wish to ____ with ____ telecom device's software/firmware ____ should ____ ____ ____ ?
 Do ____ need specialized ____ install ____ on ____ phones?
 ____ we need ____ for updating ____ software?
 Do we need special guidance ____ device's software?
 Do you ____ training ____ devices?
 Is it ____ to ____ specialized training ____ on our telecom equipment?
 ____ specialized ____ required for ____ installations?
 ____ of ____ device ____ may ____ specialized instruction.
 ____ you think it ____ have ____ knowledge when installing software for ____ ?
 ____ you need special ____ you ____ software?
 ____ we ____ to go through ____ training ____ our devices?
 Is ____ necessary for ____ have expertise ____ telecom ____ updates?
 ____ you ____ training to install updates?
 Is it ____ for installing telecom device ____ ?
 ____ special ____ for software ____ updates on ____ gadgets?
 Is training necessary ____ installing ____ ?
 Shouldn't we get specialized ____ software?
 Do ____ specialized training in order ____ software ____ phones?
 Is ____ updating our telecom ____ ?
 ____ need specialized ____ to install ____ software on ____ ?
 Is it ____ specialized ____ to ____ on telecom devices' ____ and ____ ?
 ____ necessary ____ putting in ____ updates?
 Do you believe we ____ install updates ____ our ____ ?
 ____ know ____ is needed to ____ our ____ devices' ____ and firmware?
 ____ need training ____ your telecom ____ ?
 Do ____ get ____ install updates on our ____ ?
 Is there ____ for special ____ update software ____ devices?
 ____ training needed ____ updating ____ software?
 Do we need training ____ telecom ____ Software/Firmware ____ to ____ ?
 Do ____ need ____ training ____ updates to our ____ ?
 ____ you ____ if special training is required for ____ ?
 Should we ____ instruction ____ mess ____ our ____ updates?
 Do you ____ prior specialized ____ is ____ update telecom ____ ?
 ____ we ____ to make sure that we ____ the updates ____ ?
 ____ special training ____ updating ____ ?
 ____ specialized ____ to ____ updates on ____ telecom devices?
 ____ we ____ learn how to update ____ device's software ____ ?
 ____ there ____ pre-installation training for ____ ?
 Is ____ for trainings ____ telecom ____ ?
 ____ necessary for ____ to ____ devices?
 ____ it's a ____ to get specialized ____ to update ____ on ____ devices?
 Are ____ to make ____ that the ____ our ____ are installed?
 ____ training ____ required to ____ on our ____ devices?
 Do telecom ____ training?
 Do you think ____ should get ____ first if ____ are ____ equipment?
 Should ____ go through ____ to install ____ ?
 ____ know if specialized training ____ required to ____ software ____ telecom ____ ?
 Is it ____ for specialized ____ to install ____ device ____ ?
 Is ____ for us to ____ before updating our ____ ?
 Is ____ training ____ software ____ ?

_____ to _____ software for _____ devices?

_____ recommend _____ training first _____ we _____ to update _____ software _____ our _____ equipment?

_____ training _____ Telecom software _____?

Is _____ necessary for _____ update our _____ devices?

_____ telecom _____ update require specialized _____?

Training _____ telecom device's software.

_____ or _____ prior to installing _____ telecom device's software?

Wondering _____ specialized _____ is required for installing _____.

_____ have to learn about _____ the _____ device's _____ installation?

Is it _____ know how _____ install _____ software _____?

Do _____ need special guidance or _____ before _____ the _____?

_____ a good idea to _____ trained _____ to install _____ our phones?

Is _____ necessary _____ telecom _____?

Is specialized _____ in _____ update _____?

_____ need _____ go through specialized training _____ attempting to _____ devices?

_____ updates on _____ devices _____ training?

_____ it _____ have _____ on _____ to _____ device software?

Do _____ have to go through _____ to upgrade our _____?

_____ wise _____ get _____ before trying _____ install _____ on our phones?

Should _____ in _____ updates?

_____ we _____ trained to install _____ on _____ devices?

_____ have to go _____ specialized _____ we _____ our telecom _____?

_____ needed _____ we update _____ phones?

Should _____ get specialized training _____ we want _____ device's software?

_____ we _____ before _____ our telecom devices?

_____ training _____ if _____ want to update the software _____ our _____?

_____ necessary for special training for _____ devices?

_____ you think one _____ to install device _____?

I want to _____ if _____ required to _____ on our _____.

_____ we _____ to go _____ specific training _____ our equipment?

Need _____ with _____ software?

Does _____ device _____ require _____?

Do _____ specialized _____ for updating our _____?

Training _____ to _____ telecom _____ updates?

_____ for _____ training to _____ our telecom devices' software?

_____ need training before _____ our _____?

_____ a telecom device _____ require _____?

_____ need to _____ training to upgrade _____ software?

We _____ get specialized training _____ we _____ tinker _____ software/firmware upgrade.

_____ need to go _____ training before _____ to _____ our equipment?

Do _____ specialized training to install _____ software _____ devices?

_____ trainings necessary _____ updates?

_____ need to go _____ training to _____ telecom devices?

_____ we need to _____ specialized training before we _____ our _____?

Did _____ for telecom updates?

_____ we need any _____ updating the _____ Software/Firmware?

_____ you know _____ training is _____ install updates _____ our _____?

Should we _____ specialized _____ before _____ software _____ equipment?

Do _____ think _____ get specialized training first _____ we _____ the software?

Is specialized training necessary _____ on telecom _____?

Do you advise _____ get _____ training first _____ we _____ update _____ on our _____?
_____ we _____ specific training _____ install _____ on the _____ instruments?
If _____ to update _____ software and _____ should _____ get _____ training _____?
Is _____ required to _____ our devices?
_____ training be _____ to install _____ telecom devices?
Should _____ get specialized _____ if we _____ to update _____ firmware _____ equipment?
_____ we want _____ update software _____ our _____ equipment, should _____ specialized _____?
_____ with the telecom _____ we get specialized training?
Maybe _____ device update _____ specialized _____.
If we _____ to tinker _____ the _____ software _____ get _____ training?
_____ to _____ software, is it _____ to _____ special _____?
_____ required _____ go through _____ training _____ attempting _____ upgrade our _____?
Is installing _____ device update _____?
Special _____ updating _____ software?
Do _____ need _____ training before _____ updates _____ our _____ equipment?
_____ it _____ for telecom device _____ have specialized _____?
Do _____ need to _____ updating _____ telecom _____ Software/Firmware?
Are you required _____ train _____?
_____ for pre-installation _____ for _____?
_____ you think we _____ to install new software _____?
Is _____ necessary _____ mess with software updates _____ devices?
_____ need training _____ update _____ software?
Is _____ device _____ requires specialized _____?
Proper training is _____ to _____ telecom _____.
_____ training for _____?
Updating _____ may _____ training.
Is it _____ for _____ training _____ updates on _____?
Do _____ need _____ updating the telecom device's _____ we _____?
_____ specialized _____ to _____ with _____ device's software/firmware upgrades.
_____ get specialized _____ for _____ updates?
_____ undergo special training to _____ their _____ phone _____?
_____ update installations _____ training.
Special _____ be _____ before _____ phone _____.
_____ updating device software, _____ it _____ to have _____?
Training is needed to _____?
_____ specialized training _____ telecom _____ update _____?
_____ for telecom software updates?
If we wanted to tinker _____ the _____ software, _____ training?
_____ for telecom _____?
Any training _____ install _____?
_____ to _____ specialized training before we try to _____ the _____?
_____ want to install _____ our _____ should we _____ trained?
Can you confirm _____ specialized _____ is _____ install updates _____ devices?
Do _____ and firmware _____ our telecom gadgets?
Is _____ essential _____ telecom _____?
_____ make sure our telecom devices are updated?
_____ need _____ get trained _____ try _____ software updates on our _____?
Do we _____ training _____ trying _____ software _____ on our _____?
Need to _____ how to _____?
_____ we trained to _____ we install _____ our telecom _____?

_____ required for software updates _____ our _____ devices?

If we _____ modify _____ telecom _____ software/firmware upgrades, _____ get _____ training?

_____ need to _____ before installing software updates _____ devices?

Do _____ the _____ to _____ telecom devices' software and _____?

Is _____ necessary _____ on _____ telecom devices?

_____ believe we need _____ install updates for our _____?

Do we _____ to get _____ device _____ installation?

Do _____ it's _____ good idea to learn _____ stuff _____ the software _____ telecom _____?

I wonder if _____ is _____ training _____ updating _____ software.

_____ need _____ on Updating _____ Telecom device's Software/Firmware?

Should we _____ training before trying to _____ telecom devices?

_____ required before _____ our telecom _____?

Perhaps _____ telecom _____ update requires _____.

Can you _____ me if _____ necessary _____ install updates _____ our _____ devices' _____?

_____ you think we _____ to _____ on our phones?

_____ training is required for _____ devices.

_____ phone _____ may _____ special _____.

_____ updating telecom devices' software.

_____ we _____ training or guidance _____ the _____ device's software?

_____ necessary for _____ devices' update _____?

Is it a _____ idea to _____ trained before _____ on our _____?

Is _____ a _____ special training for updating _____ on _____?

_____ to upgrade _____ software?

Do _____ need _____ to install _____ on our devices?

_____ updating our _____ Is training _____?

_____ to update _____ software?

_____ you need training _____ software _____ telecom gadgets?

Do _____ specialized training to upgrade _____ software _____ devices?

If we _____ to update the _____ our _____ get _____ first?

Should _____ for installing telecom device _____?

Do you _____ on software _____ for telecom _____?

Do we need _____ training _____ updating _____ telecom equipment?

I _____ instruction is _____ telecom device update.

For _____ software and firmware?

Is specialized _____ updates _____ telecom devices?

Is it necessary _____ have special _____ device _____?

Is _____ necessary to _____?

_____ we need to go _____ training _____ we upgrade _____ device _____?

Is _____ training _____ telecom device _____?

_____ special training _____ to update _____ telecom devices?

_____ training _____ telecom updates?

Is _____ possible that _____ without _____ training to update _____ software?

_____ for updating telecom _____

_____ we _____ special _____ the _____ device's software before _____ start installation?

Is _____ telecom devices to have _____ training?

_____ required before _____ software?

If we plan to update _____ do _____ specialized training first?

Do you need _____ have _____ before _____ software?

Is there _____ need _____ training before _____ device _____?

Do updates to telecom _____?

Do you _____ specialized _____ how to _____ updates?
 _____ we have _____ install updates _____ our equipment?
 _____ you know if _____ training is _____ install updates _____?
 Is _____ special _____ to _____ software on telecom _____?
 _____ we get _____ to fix _____ device's software _____?
 _____ training _____ updates _____ telecom devices?
 _____ specialized knowledge _____ needed to _____ software?
 Do _____ require _____ lessons _____ your _____ is updated?
 Should we _____ to _____ new software _____ our _____?
 Do _____ need specialized training to install _____?
 _____ telecom device _____ to have _____?
 Do we _____ on _____ install software updates _____ devices?
 _____ pursue _____ training _____ telecom _____ updates.
 _____ want _____ before you change phone _____?
 _____ to get specialized training to update _____ software on _____?
 _____ are _____ the software on our telecom _____ do _____ suggest _____ specialized _____ first?
 _____ you need _____ special lesson before _____ software?
 I would _____ training _____ necessary to install software updates _____ devices.
 _____ trained personnel to _____ telecom _____ updates?
 _____ training for _____ needed?
 Is _____ good idea _____ installing software _____ our telecommunications devices?
 Are trainings required _____?
 Are specialized _____ necessary _____ installations?
 _____ required to _____ devices?
 _____ installing _____ device update required _____?
 _____ training _____ install device software updates?
 _____ we need _____ guidance and training to _____ software?
 _____ on how to _____?
 _____ we want to _____ with _____ device's software/firmware upgrade, _____ get _____?
 _____ it _____ requirement _____ update software on our telecom _____?
 Is _____ necessary to be trained _____?
 _____ you think _____ is _____ to learn _____ skills just to _____ the _____ telecom devices?
 Is specialized _____ to install the _____ telecom devices?
 Before _____ of update in telecom _____ is _____?
 _____ you _____ we _____ specialized training _____ if we are _____ to _____ equipment?
 Do _____ think _____ important to _____ knowledge _____ software on communication _____?
 _____ for us to have _____ our telecom devices?
 Is it necessary _____ specialized _____ to install _____?
 _____ think _____ get _____ training first before updating _____ software _____ equipment?
 Do you think _____ specialized training _____ if we want _____ make _____ to the _____?
 _____ attempting to upgrade the software _____ our _____ devices, do _____ go _____?
 Do _____ before _____ software on our phones?
 _____ training required _____ telecom _____ update _____.
 _____ necessary to _____ training _____ updating our _____ instruments' software?
 Do you need _____ before we _____ our _____?
 _____ intend to _____ the _____ on our _____ get specialized training first?
 Is _____ install updates on _____ telco instruments' software?
 _____ to be done before _____ telecom devices?
 _____ installing _____ need specialized instruction?
 Is _____ for _____ to _____ before _____ our telecom devices?

_____ lessons before _____ phone software?

Is instruction _____ telecom _____ installation?

Is it necessary _____ have special _____ order _____ software?

Should we _____ training _____ our _____ software?

Is specialized _____ to _____ new software _____ our _____?

Should people _____ before changing _____?

Do _____ go through special _____ upgrade the software _____ devices?

_____ get trained before we _____ update our _____?

Should we train _____?

Do _____ specialized training _____ order to _____ updates _____ devices?

Do we need _____ before _____ updates?

Do _____ need any _____ the telecom _____ software?

_____ specialized training is _____ install new _____ on our _____?

_____ it a requirement for _____ to update _____ our _____?

_____ telecom _____ knowledge is needed?

_____ need _____ training in order _____ install _____ on _____ devices?

_____ necessary _____ install updates _____ telecom devices' software?

Should _____ get _____ training to install _____ devices?

_____ update might require specialized _____.

Do _____ need training _____ devices.

_____ we _____ to upgrade _____ telecom devices?

Should _____ get _____ training _____ device software?

_____ you believe we _____ special _____ updates on _____ phones?

Pre-installation _____ for _____ updates?

Do we _____ training _____ upgrade the _____ of _____?

_____ us if _____ is needed _____ updates _____ our telecom devices?

If _____ training _____ to install _____ on _____ devices' software.

_____ you think _____ necessary _____ special training for _____ software?

_____ training required _____ updating _____ software _____ our devices?

_____ we _____ training _____ how _____ updates on our _____?

Should _____ get specialized training to _____ with _____ upgrade?

Do _____ believe _____ specialized training _____ updates on our _____?

_____ you require _____ upgrade your _____?

Do you think _____ to _____ knowledge when installing _____ devices?

Do telecom _____ require training _____?

_____ need _____ we want to _____ updates on _____ devices?

Do you think we should get _____ updating our _____ equipment?

_____ training _____ when _____ our _____ devices?

When _____ devices' _____ prior _____ knowledge _____ required?

Should _____ to _____ on our device software?

Do _____ think we _____ first if we're _____ update _____ software?

_____ trainings _____ firmware upgrades?

Is specialized _____ required to _____ on _____?

Do _____ need _____ before _____ updates on our equipment?

_____ we need pre-installation _____ updates?

_____ we _____ specialized _____ to upgrade _____ of our telecom _____?

_____ installing _____ telecom _____ require _____ training?

Should we _____ special _____ updates on _____ devices?

Is specialized _____ necessary for _____ our _____?

_____ for _____ software changes?

Should ____ have ____ before we ____ telecom ____?

____ installation ____ for telecom ____?

____ specialized ____ required for ____ of ____ telecom devices?

____ need special guidance ____ updating the ____ software?

____ you think ____ idea ____ learn specialized ____ the software on ____ telecom devices?

____ like to ____ if specialized ____ is required to ____ updates on ____.

Do ____ have ____ through ____ training ____ attempting to ____ our ____?

If we want to ____ telecom ____ upgrades, ____ get specialized ____?

Do we need training ____ updating ____?

____ believe ____ training to install updates for ____ devices?

Do we need ____ before we ____ update ____?

Should ____ receive ____ training to ____ software ____ our ____?

Is ____ necessary ____ training to update software ____?

____ we ____ to ____ device software?

____ required for ____ upgrade?

Do ____ need ____ training to install ____ telecom ____?

Do ____ specialized ____ we upgrade the software ____ telecom ____?

Do ____ train to ____ software?

____ you ____ for specialized ____ install updates ____ your ____?

Do we ____ specialized training to ____ software ____ devices?

Training ____ updates ____ telecom gadgets is ____.

____ believe ____ need special ____ install ____ on our devices?

Do ____ it's ____ good idea to ____ specialized ____ just ____ the software on the ____?

____ want ____ modify the ____ software/firmware, we ____ get specialized ____.

Can ____ important to ____ when installing software on communication devices?

____ require specialized ____ attempting to ____ our telecom ____?

____ it ____ to ____ specialized ____ before attempting to ____ software of ____ devices?

Do ____ special training for ____ software on our ____?

____ if ____ device ____ specialized instruction/training.

____ be trained ____ fix the telecom device's ____?

____ a telecom device update ____?

Telecom device ____ specialized training.

____ a ____ for special ____ in updating software ____ telecom ____?

____ special training needed ____ software ____ devices?

____ we learn ____ to update ____?

____ get trained ____ to update our telecommunications ____?

Does special training ____ done for ____ on telecom ____?

____ we need ____ training to ____ device's software?

____ it ____ have specific training before ____ on telco ____?

Do you ____ software ____ updates ____ telecom gadgets?

Do you ____ for ____ and Firmware ____ telecom ____?

____ believe ____ to install updates on telecom devices?

Do ____ specialized training ____ install ____ on our ____?

Do ____ need ____ training before ____?

Are ____ telecom ____ upgrades?

Do ____ training before we try ____ our ____?

Is ____ for ____ software on telecom ____?

Can you tell me ____ training ____ to ____ new software ____ telecom ____?

Do ____ special training ____ updating the telecom ____ we ____ it?

____ it ____ to ____ training when ____ device software?

_____ need to _____ trained _____ and firmware updates?
 _____ it necessary _____ installing firmware _____?
 _____ it _____ for specialized _____ installing telecom device update?
 Do _____ need _____ specialized training to install _____?
 Do you need _____ training _____ install _____ on _____ software?
 Is _____ training needed _____ the _____ on _____ devices?
 _____ we need training _____ the _____ software _____ we _____ it?
 _____ training necessary for installing _____?
 Do _____ need to _____ training to install the _____?
 _____ install telecom _____?
 Do you _____ that we need _____ training _____ install _____?
 _____ need specialized training _____ install software _____ on our _____ devices?
 Shouldn't we _____ specialized training to _____ with _____ software _____?
 Shouldn't _____ trained _____ with telecom _____ software/firmware upgrades?
 _____ installation of _____ in telecom devices, _____ necessary?
 If _____ update _____ on our telecom equipment, _____ specialized training?
 Updating our telecom devices _____.
 Are telecom device update _____?
 Do _____ we need any specialized _____ to _____ on _____ telecom _____?
 Do _____ have _____ training to make sure we _____ devices?
 _____ install software updates?
 _____ get specialized _____ going to tinker _____ the telecom _____ software?
 Is _____ updating telecom devices?
 _____ we _____ training _____ software updates?
 _____ we _____ through _____ training to _____ devices?
 _____ specialized training _____ needed to install updates _____ devices?
 Do you think it's a _____ update _____ software on the _____ devices?
 _____ you think _____ should _____ specialized _____ first _____ we want to _____ and _____?
 Is _____ training required _____ telecom devices?
 _____ know _____ training is _____ update our telecom devices' _____ and _____?
