

[Demo] NLP Dataset for Customer Service Automation

Company Type	Automotive Parts Retailers
Inquiry Category	Compatibility of parts with vehicles
Inquiry Sub-Category	Electrical System Compatibility
Description	Customers require assistance in determining if a certain electrical component, such as a starter or alternator, is compatible with their vehicle's electrical system to prevent any compatibility-related malfunctions or failures.
Data Size	7,128 paraphrases

 ____ possible ____ an ____ alternator ____ my vehicle will ____ problems.
 ____ ruin my car's ____ I install an ____ ?
 Can ____ arise from ____ alternator?
 ____ present wiring configuration ____ car, do ____ have to ____ about the ____ installing ____ mismatched ____ ?
 Can an alternator ____ car's ____ cause problems?
 ____ if I try ____ alternator into my car?
 What ____ can ____ if my car's ____ system ____ connected ____ an ____ alternator?
 ____ it ____ an alternator ____ doesn't match ____ existing wiring could ____ ?
 ____ it ____ will ____ install an ____ alternator into my vehicle?
 ____ I try fitting a non-compatible ____ into my ____ ?
 Is fitting an ____ alternator into ____ vehicle going to cause ____ ?
 Can ____ alternator mess ____ my ____ ?
 ____ it ____ for ____ car to ____ issues if I ____ a ____ wiring?
 ____ can ____ if ____ an incompatible alternator ____ use ____ existing car ____ .
 ____ I attempt to fit ____ alternator into my car's ____ what ____ consequences?
 ____ installing an unfitting ____ my ____ wiring a ____ ?
 What could ____ with ____ incompatible alternator ____ electrical system?
 If ____ an ____ it ____ the car's wiring?
 Will ____ be ____ with my ____ if ____ use ____ alternator?
 ____ that ____ alternators could cause problems with ____ existing ____ ?
 ____ happen when ____ put ____ incompatible alternator into ____ system?
 There ____ problems if ____ install ____ Alternator into ____ car.

____ I ____ an ____ alternator, can ____ ruin my ____?

What could ____ if my car's ____ electrical ____ an ____ alternator?

____ up if ____ put a wrong alternator there?

Is it ____ ride ____ go wrong ____ I put ____ alternator in ____?

If I try to fit ____ non-compatible ____ what ____ be the ____?

____ that ____ car's wiring will ____ if ____ stick a wrong ____ in ____?

There ____ involved ____ wrong alternator ____ my car.

____ the ____ alternator ____ the car, will there be ____?

Can ____ ruin the ____ my car?

____ to ____ a ____ alternator in my ____ wiring setup

____ alternator into the ____ of my car going to ____ problems?

Can using ____ cause ____ problem in ____ wiring system?

____ a ____ alternator affect ____ car's wiring ____?

____ I ____ to ____ a non-compatible ____ car's original ____ of difficulties will I ____?

____ there ____ if ____ put a ____ altern ____ in my car?

____ there ____ problem ____ an unsuitable ____ to r ____ my car?

Will ____ install an unfitting alternator ____ vehicle's wiring?

Is ____ possible ____ use ____ wrong ____ in my car's ____?

____ I force some braindead alternator ____ my good ____ setup, ____ do ____?

I wonder if ____ misfitting ____ cause ____ my car's ____ componentry.

If I try ____ an ____ alternator into ____ of ____ vehicle, ____ will ____?

Is ____ idea ____ use a mismatching alternator ____ vehicle's wiring ____?

Is it ____ will ____ with the installation of ____ tool within ____ conduits connections?

____ would like ____ if there are ____ drawbacks ____ a mismatched alternator ____ my car.

____ I ____ a misfitting ____ to my ____?

If ____ unreliable ____ with my ____ system, what would ____?

What could ____ car ____ put a ____ alternator ____ it?

What ____ of ____ can arise ____ try to fit a non-compatible ____ car's ____?

Is ____ possible ____ the ____ installation of an ____ alternator ____ the factory wires ____?

____ use an unsuitable alternator ____ current electrical system, ____ could possibly ____?

____ try fitting ____ unsuitable ____ into the existing ____ my ____ what would ____?

____ harm can ____ done ____ my ____ an incompatible ____ connected?

____ will happen ____ ride if ____ put ____ alternator in ____?

My ____ could ____ messed ____ by a ____ alternator.

There might ____ if ____ an ____ alternator into ____ vehicle.

Will using an ____ alternative ____ on my vehicle ____ the ____?

____ it ____ to use an incompatible alternator ____ my car's ____?

Is ____ safe ____ the ____ alternator with the existing ____ in ____?

If I ____ with my ____ electrical ____ what will happen?

If I ____ to fit a ____ compatible alternator ____ original ____ what ____ the ____?

Is it ____ an alternator that doesn't ____ car's wiring ____?

____ an ____ ruin my ____ wiring?

____ it ____ for problems to occur from ____ and ____ wiring?

What ____ if I ____ an ____ Alternator into my ____?

____ possible that installing ____ alternator into ____ vehicle could cause ____?

Which ____ will arise ____ an unsuited alternate generator is ____ the ____?

____ alternators cause problems ____ existing ____?

What ____ do ____ my car's ____ setup doesn't match ____?

Is ____ install ____ unfitting ____ in my vehicle's ____?

Is ____ a ____ if ____ use the ____ car wiring and ____?

What issues ____ I have if ____ a ____ my ____ setup?
 Is ____ idea ____ install ____ mismatched alternator ____ the current wiring ____ my ____.
 Is ____ to ____ an incorrect ____ in ____ wiring system?
 There ____ be ____ if ____ alternating mechanism ____ installed ____ the ____ setup.
 ____ would ____ car if I ____ a ____ alternator in?
 If ____ install ____ incompatible alternator ____ my ____ what ____ might ____?
 ____ alternator affect ____ car's wiring ____?
 ____ alternative Alternator on ____ cause any issues with ____ wire ____?
 Is ____ that ____ vehicle's current electrical ____ not work ____ use ____ alternator?
 ____ possible to have a bad ____ in ____ vehicle's ____?
 ____ a problem ____ install a mismatched ____ the present ____?
 ____ to have a bad alternator ____ my ____?
 ____ incompatible ____ up ____ car's wiring?
 Is it possible ____ alternator ____ doesn't ____ car wiring ____ problems?
 What could ____ an incompatible ____ my car's electrical ____?
 Will there be ____ with ____ due ____ incompatible ____?
 Do there ____ drawbacks with the current ____ configuration in my ____ being ____ mismatched ____?
 ____ possible that installing an unsuitable alternator into ____ will ____?
 If I install ____ incompatible alternator ____ my ____ could ____ be ____?
 ____ an alternator that doesn't ____ car's wiring ____?
 ____ be ____ from ____ an alternating mechanism ____ pre-existing ____?
 There ____ risks ____ the wrong ____ with ____ configuration of my ____.
 ____ I ____ to fit an unsuitable alternator ____ vehicle's wiring ____?
 ____ alternator ruin ____ wiring?
 Is it possible to face ____ consequences ____ an ____ to ____?
 ____ occur ____ try fitting a non- compatible ____ into my ____ connections.
 Can I expect problems with ____ when ____ faulty ____?
 ____ it ____ alternator ____ match my car's ____ could lead to ____?
 ____ fitting ____ incompatible alternator ____ my vehicle's current wiring ____ negative consequences.
 Can I expect ____ install a ____ my ____ wiring?
 ____ I ____ wrong alternator in the ____ wiring, ____ anticipate ____ problems?
 Do ____ know about ____ that ____ happen ____ put a jacked-up ____ my car?
 ____ might ____ I ____ to fit an unsuitable alternator into ____ existing ____ vehicle?
 ____ this be a ____ if I ____ an ____ at r ____?
 ____ are ____ of ____ I ____ fit a non- ____ alternator into ____ original connections.
 I'd like to ____ if there ____ any ____ to ____ mismatched alternator ____ wiring configuration in ____.
 Would the existing wiring be ____ incompatible Alternator ____?
 ____ I put ____ bad ____ in my car, ____?
 Will ____ an inadequate ____ alternator ____ to ____ with ____ wire installations ____?
 ____ be ____ my car's wiring if ____ use an ____ alternator?
 Can ____ alternator cause any ____ in my ____?
 ____ it possible that ____ car's ____ if I ____ a wrong ____ there?
 ____ the incompatible alternator ____ the ____ of ____?
 ____ it possible to avoid ____ if ____ a ____ the car ____?
 Can an ____ that ____ match my ____ wiring ____ troubles?
 If ____ alternator to my ____ could happen?
 ____ it a ____ an unfitting ____ my vehicle's wiring?
 ____ my ____ electrical system is connected ____ incompatible ____ what ____ will ____?
 I ____ to know if ____ drawbacks to installing ____ with the ____ wiring ____ in my ____.
 ____ issues ____ I have if I force ____ braindead ____ my vehicle's ____?

Can you ____ me what ____ things ____ ____ ____ put a ____ in ____ car?

Is ____ an incompatible alternator ____ my car ____?

Is ____ problem with installing ____ incompatible alternator ____ existing car ____.

Is ____ possible for ____ issues ____ install a ____ alternator into it?

If I ____ fit a ____ compatible alternator into ____ connections, ____ kind of ____ I ____?

____ an incompatible ____ affect ____ wiring ____ my ____?

____ car's ____ setup may ____ problematic if ____ install ____ incompatible ____.

Is it possible for ____ ride to ____ if ____ cram ____?

Could ____ with ____ existing wiring?

Would ____ my car ____ because ____ an incompatible alternator?

What problems ____ arise ____ I ____ an incompatible ____ into ____?

____ an ____ alternator ____ car's wiring?

____ vehicle's ____ is connected ____ an incompatible alternator, what ____ cause?

____ there be drawbacks ____ I ____ an alternator ____?

If I install an ____ my car, what ____?

Will ____ occur ____ I ____ bad ____ my car's wiring?

____ might be caused ____ installing a wrong ____ into ____?

____ possible ____ unsuitable alternator into my car ____ result in ____?

Will the installation ____ an ____?

____ problems with ____ car's ____ wiring if ____ the wrong alternator.

I don't ____ putting ____ alternator ____ doesn't ____ car's ____ would ____ any problems.

____ existing wiring be ____ an incompatible ____ my car?

____ issues ____ if ____ install an ____ alternator ____ vehicle?

Should I try ____ a ____ alternator ____ car's original ____?

Is ____ that installing an unsuitable ____ my vehicle ____ to ____?

Is a wrong alternator ____ my ____ wiring ____?

____ to install an ____ alternator ____ my car's wiring?

____ put an ____ alternator into my car's wiring?

Installation ____ unfitting ____ my vehicle ____ cause issues.

If my ____ is ____ an incompatible alternator, what would ____?

____ drop ____ unsuitable alternator, how ____ up will things ____?

____ know ____ would ____ ride if I put ____ bad ____ in it.

____ it a risk to put an ____ that ____.

Can ____ ruin ____ car's wires?

If ____ the braindead alternator in ____ vehicle's ____ setup, ____ issues would ____?

What ____ be done ____ vehicle's electrical system is ____ to ____?

Will ____ be issues from ____ an ____ alternator ____?

If I ____ a ____ alternator ____ my good ____ issues do I ____?

____ car's wiring ____ to ____ problems ____ use an unreliable ____?

____ wonder ____ my car wiring can ____ up ____ an ____.

Will there be ____ if ____ an ____ alternator in ____?

____ I use an ____ vehicle's ____ system, ____ could happen?

Will problems arise ____ unfitting ____ in my ____ wiring?

Is ____ possible for ____ have ____ if I ____ a faulty alternator ____?

Is ____ a wrong ____ to cause ____ my ____ wire ____?

There may be issues ____ my car's ____ install ____.

____ possible for ____ alternator ____ my car wiring?

Is ____ me ____ have ____ if I ____ a malfunctioning ____ my ____ wiring?

____ may be ____ with installing ____ my car.

____ I put ____ alternator ____ my ____ what ____ happen?

_____ downside _____ using _____ faulty alternator in my _____ wiring _____?

_____ an _____ alternator _____ the wiring _____ car?

There _____ be problems _____ put _____ into my car.

If I _____ fit _____ non-_____ my _____ connections, what could happen?

What _____ the consequences _____ an incompatible _____ car's current _____ setup?

Is an alternator that doesn't match the _____?

What _____ car's wiring _____ doesn't _____ alternator I use?

_____ wiring _____ to be _____ by an incompatible alternator _____ my _____?

_____ potential drawbacks _____ using a _____ alternator in my _____ setup?

_____ it possible that _____ alternative _____ unit _____ affect my car's _____?

_____ use _____ unreliable _____ in _____ wiring, will _____ be issues?

fitting an incompatible _____ wiring arrangement _____ cause negative _____?

Is it possible that _____ an unsuitable alternator _____ my _____?

Is it _____ that _____ will experience _____ I _____ unreliable alternator?

_____ there _____ installing an unfitting alternator in _____ wiring?

If I attempt to fit an _____ vehicle, what problems will occur?

_____ problems might _____ I install an incompatible _____ to _____?

_____ would _____ I _____ an incompatible alternator _____ my car?

There are _____ difficulties if I _____ to _____ compatible alternator _____.

Would the _____ be disrupted by _____?

Will issues arise _____ unfitting _____ in _____ vehicle?

_____ ruin the _____ on my car?

_____ happen to _____ car _____ I _____ an incompatible _____?

If _____ alternator _____ vehicle's electrical system, _____ could go wrong?

_____ use a _____ alternator that isn't _____ with _____ car's _____ happen?

Can _____ bad _____ my car _____?

Could there _____ installing an _____ alternator into my _____?

_____ I _____ an unsuitable alternator for _____ what could possibly _____?

What problems _____ arise _____ an _____ Alternator _____ my car?

What _____ possibly go wrong _____ my _____ current electrical system _____ used _____?

Is my car's _____ install an incompatible _____?

Is _____ wiring _____ up if I use a _____ alternator?

_____ use the _____ alternator for my _____ configuration?

_____ that an alternator that _____ match my _____ will cause _____?

Will there _____ if _____ an _____ alternator in my _____?

Will I have any problems _____ wire installations if _____?

My car's _____ componentry can _____ by _____ misfitting _____.

_____ alternators _____ cause problems with the _____ wiring.

What could happen if I try _____ existing wiring _____ vehicle?

What _____ issues _____ a _____ alternator in my car's wiring _____?

_____ want _____ know _____ are any _____ wrong alternator with my car.

There might _____ problems _____ install an unsuitable _____ into _____.

If _____ electrical system is _____ to _____ incompatible _____ what _____ could _____ cause?
