

[Demo] NLP Dataset for Customer Service Automation

Company Type	Automotive Parts Retailers
Inquiry Category	Technical assistance with part installation
Inquiry Sub-Category	Wiring and electrical connections
Description	Customers requiring assistance with wiring and electrical connections when installing automotive parts, providing guidance on proper positioning, splicing, and troubleshooting electrical issues for optimal performance.
Data Size	5,011 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Automotive Parts Retailer" customer inquiry. (Purchased data will not be masked.)

Can you provide guidance ____ splicing ____ connections to ____ ____ ____ ____ ?

Suggestions on the best ____ ____ ____ lines during ____ ____ phase?

____ ____ how to ____ ____ wires during an ____ ?

I'm wondering ____ ____ ____ effective ways of ____ ____ that result ____ ____ setup?

I wonder ____ you ____ teach me ____ to ____ wires ____ ____ way.

Are you ____ to tell ____ ____ connect electric cables ____ a set up ____ ____ and ____ ?

____ it ____ ____ ____ how ____ separate the electrical connections after ____ install?

____ it ____ to give ____ ____ to separate electrical connections ____ ____ install?

Is there ____ ____ to ____ wires that ____ a ____ ____ ?

____ ____ us about ____ ____ smooth electric connection?

Are ____ ____ tell me the ____ way to ____ the ____ ?

Is ____ a ____ to connect ____ that bring ____ ?

How do ____ ____ electric ____ ____ ____ up that's ____ and smooth?

____ ____ ____ could show me ____ ways to connect wires ____ ____ seamless ____ .

Is it ____ to explain ____ ____ ____ that lead to ____ ?

____ ____ think that ____ can ____ help ____ the efficient ____ of ____ splice?

Do ____ need ____ with ____ electrical ____ ?

Do you know how ____ ____ electrical ____ ____ ____ fixing ____ ?

____ an ____ ____ ____ to ____ step-by-step instructions ____ how to join electrical wires.

____ ____ ____ if you can ____ ____ how ____ connect ____ that lead to ____ setup.

____ you ____ the right ____ to connect electric ____ ____ a ____ ?

Is ____ familiar ____ how ____ make the installation ____ ____ ____ splicing techniques?

I was ____ ____ you could ____ ____ advice on ____ ____ ____ simpler installs.

____ can ____ difficult and need help with ____ ____ ____ make ____ easier.

____ you advise me on how ____ install ____ ____ ?

I ____ wondering if you ____ teach ____ ____ connect ____ that ____ to ____ setup?

Wondering if you ____ explain ____ to ____ wires in ____ ____ ____ .

____ it ____ to give advice ____ electric connection ____ for ____ ____ ?

_____ was wondering _____ connection splicing _____ easy _____.

_____ needed to _____ in installations?

Can _____ tell _____ the right _____ connect electric _____ in a _____?

Advice _____ joins _____ occur quickly?

_____ wondering if you had _____ electric _____ splicing for simple _____.

_____ the _____ to connect electric _____ to a smooth _____ up?

Advice _____ wired _____ can _____ quick?

For an effortless _____ you _____ want _____ provide step by _____ for the _____ of _____.

_____ in teaching me _____ connect _____ that lead to _____ setup?

You can offer _____ how _____ electrical _____ during _____ install.

_____ you _____ way to connect electric _____ for a good _____?

_____ can _____ about how _____ the electrical _____ during the installation?

_____ you know if you can _____ electrical _____ neatly _____?

I _____ wondering if you could _____ electric connection _____ for _____.

_____ if _____ any _____ about connecting _____ that result in _____ setups.

_____ it possible to _____ electrical _____ smooth installation?

Are _____ to get help _____ glitch-free _____ installations?

_____ you might want _____ provide step _____ step instructions _____ the _____ joining _____ wires.

_____ wondering if _____ have any _____ for connecting wires _____ seamless _____.

Is anyone _____ of a _____ to smooth _____ of _____ lines when _____ sliced?

For _____ effortless setup, you _____ want to _____ join wires.

Need help _____ electrical _____ installation?

Can _____ me _____ electric connection _____?

Can _____ how _____ cleanly put together the electrical connections during _____?

_____ me about electric connection splicing for smooth _____?

Need help with _____ electrical _____?

I _____ wondering if you _____ any _____ on electric connection _____.

_____ you _____ to be _____ with _____ efficient _____ splicing _____?

Can you tell _____ to _____ splicing easier?

_____ need _____ on _____ to _____ connections perfectly.

_____ possible to _____ helped with efficient, _____ free _____ installations?

_____ think you _____ with the glitch-free electrical splicing _____?

Is _____ on how _____ electrical connections during the installation?

If _____ can teach _____ connecting _____ a _____ setup.

_____ the help _____ connection splicing

_____ can _____ assistance with _____ glitch-free splice electrical installations?

_____ way to separate the electrical _____ the _____?

Wondering if _____ could _____ how to connect _____ that _____ setup.

_____ possible to get help with the efficient, _____?

Helping achieve _____ flawless _____ is _____.

Is _____ to give instructions _____ of _____ electric _____?

Guidance _____ seamless _____ splicing.

I want _____ know _____ you _____ show _____ how to _____ wires _____ smooth _____.

Is _____ way to smooth _____ the _____ while they are _____ sliced?

There _____ any _____ on how _____ a smooth, _____ electric _____?

I _____ help _____ electric connection _____.

Wondering _____ you _____ explain _____ wires that _____ to _____ setup?

Does anyone have better ways _____ smooth _____ electric lines _____ being _____?

Can you _____ me how to _____ electrical _____ the _____.

How _____ wires correctly in _____?

_____ so seamless wired joins _____ ?
 _____ advice _____ to _____ the electrical _____ during the installation?

 _____ you think you can _____ an _____ of electrical _____ ?
 I'm curious _____ you'd teach _____ something about _____ wires _____ seamless _____.
 I _____ trying _____ way _____ connect electric wires _____ a _____ setup.
 _____ there any _____ you _____ me about connecting wires _____ seamless _____ ?
 Is it possible _____ to connect _____ that _____ a seamless _____ ?
 _____ was wondering _____ you _____ connecting wires that lead _____ seamless _____.
 _____ you show me _____ for an easy setup?
 _____ it possible that you would _____ how _____ connect _____ that _____ seamless _____ ?
 _____ like _____ with an efficient electrical splicing _____ ?
 _____ if _____ could show me ways to _____ result in _____ ?
 Guidance was sought _____ electrical _____ could _____ ensured.
 _____ wondering _____ any tips for connecting _____ that _____ to _____ setup.
 _____ about the _____ electrical splicing _____.
 _____ there any advice _____ how to _____ a _____ tidy _____ ?
 _____ installing electrical splices?
 Can you _____ help with _____ install _____ smoothly?
 Does anyone _____ way _____ my electrics for _____ setup?
 _____ teach me _____ wires in a _____ way?
 I _____ if you _____ teach me about _____ that lead _____.
 Can _____ easy to follow instructions _____ wire-splicing?
 Can _____ how _____ setup _____ electric connections?
 Can _____ with _____ to install electrical connections _____ ?
 _____ you teach me _____ to _____ for _____ setups?
 _____ to explain _____ to connect _____ that lead to _____ ?
 How _____ cables to a _____ set up?
 _____ seamless installation of _____.
 Do you _____ the way _____ connect electric _____ a _____ ?
 Are you _____ advice _____ to separate electrical _____ during the _____ ?
 I'm _____ about _____ to _____ wires _____ will lead _____ setup.
 Is _____ possible to explain _____ to _____ seamless setup?
 _____ possible _____ give _____ on how _____ separate _____ connections in the _____ ?
 _____ am interested _____ learning _____ wires that _____ to seamless _____
 _____ was wondering _____ you could _____ me _____ about connecting wires _____ seamless _____.
 _____ might _____ to _____ by step instructions _____ proper _____ of _____ for an effortless _____.
 _____ effortless _____ you might _____ to _____ step- _____ instructions on the _____ of wires.
 I _____ advice on _____ electrical connections cleanly.
 I _____ about how _____ connect _____ wires for _____ smooth _____.
 For _____ effortless setup _____ might want to _____ to join wires.
 For _____ setup, _____ may _____ to give _____ by _____ instructions _____ the proper _____ of _____.
 I _____ know _____ electrical connections during the _____.
 _____ wondering _____ you can _____ me _____ to make a _____ connecting _____.
 Does anyone _____ way to smooth out the _____ of electric _____ they're _____ sliced?
 _____ am _____ you can show me effective _____ wires that _____ setup?
 Is it _____ get assistance _____ efficient, _____ electrical _____ installations?
 For an _____ setup, _____ would want _____ give instructions on _____.
 Do you feel _____ can _____ the _____ of _____ splice?

Guidance _____ to ensure _____ stitching.

I _____ wondering if _____ could _____ a _____ on _____ for clean installs.

_____ you show me _____ to _____ to _____ smooth setup?

Need _____ with _____ efficient and _____ electrical _____?

_____ there a way _____ that _____ to seamless setup.

What advice _____ you _____ smooth, _____ electric splice?

_____ electrical _____ cutting during setup.

Do you _____ to separate _____ electrical _____ during the installation?

_____ teach _____ to connect _____ in a seamless _____?

_____ efficient electrical splicing _____?

_____ electrical connections for _____.

We _____ for _____ electrical _____.

I'm curious _____ you have _____ tips _____ that lead _____ setup.

_____ you _____ separate the electrical _____ during a installation?

Are _____ willing _____ teach me _____ wires _____ lead to _____?

For _____ effortless setup, _____ want to give instructions on _____.

Can you _____ correct way _____ electric _____ for a smooth _____?

_____ there _____ advice _____ to achieve _____ smooth and tidy _____?

Is _____ you to _____ help with _____ installation _____ electrical splice?

_____ if _____ have _____ for connecting _____ that _____ lead to seamless _____.

I'm _____ if you can _____ for _____ result in _____ seamless setup.

How _____ I _____ slice _____ for easy _____ up?

I'm looking _____ on _____ splicing.

_____ tell me the proper _____ to _____ electric cables to _____ set _____ and smooth?

I am curious if _____ would teach _____ connect _____ in _____.

Is _____ possible to connect _____ up _____ is smooth?

I would like to lear _____ to _____ wires _____.

_____ wondering if you have any _____ on _____ wires _____.

Do you _____ electrical connections during the _____?

Can you _____ me with _____ electrical connections _____?

It _____ to give guidance on _____ a smooth installation.

Can you give _____ electric wires _____ good setup?

I _____ to _____ wires that give _____ setup.

_____ if you _____ show _____ how _____ wires in a _____ way.

_____ anyone _____ a suggestion _____ the _____ integrate _____ during the installation phase?

_____ if you _____ me about connecting wires _____ a _____?

_____ to splice wires in my setup.

_____ am wondering _____ teach _____ connect wires that _____ seamless to setup.

_____ wondering if you _____ how to _____ wires that _____ to _____.

Instructions _____ to _____ wires _____ be _____ for an effortless _____.

_____ teach me how to connect wires _____ seamless _____?

Is _____ any way _____ out _____ installation phase of _____ lines _____ sliced.

I'm _____ if _____ can _____ me how _____ connect _____ seamless setup.

_____ anyone aware _____ better way to _____ out _____ installation _____ electric _____ when they _____ being _____?

_____ anyone _____ on _____ to smooth wire-splicing?

Can _____ about how to _____ the electrical _____ install?

Do _____ on how to smoothly _____ electrical _____?

Do you think _____ how _____ join _____ neatly?

_____ so wired joins can _____ quickly?

_____ wonder _____ me _____ about connecting wires that _____ seamless setup?

_____ there any _____ connect electrical splice _____?
 Can _____ how _____ the electric cables _____ smooth set up?
 Can _____ offer advice _____ connections _____ the installation?
 _____ you know how to _____ electric _____ set up _____?
 Do _____ way to _____ electric wires for an _____?
 How can _____ sure _____ installation _____ splicing techniques?
 Can you tell _____ to connect _____ wires _____ setup?
 _____ am wondering _____ you can _____ me _____ connection _____ smooth installs.
 _____ how to _____ wires that _____ to _____.
 _____ the _____ way _____ electric wires for an easy _____ up?
 _____ point _____ how I want _____ slice _____ cables _____ easy _____ up?
 I'm wondering _____ you have _____ ways _____ wires _____ make a _____.
 I am _____ if _____ about _____ in a seamless setup.
 _____ electrical connections for _____?
 _____ smooth out the _____ electric lines when they're being sliced?
 _____ can _____ for tips _____ seamless electrical splicing _____.
 _____ it possible _____ would teach me _____ in a _____?
 _____ it _____ explain how _____ wires that _____ to seamless _____?
 _____ to safely combine _____ during _____?
 Is _____ possible to guide me _____ connect _____?
 I'd _____ know _____ connecting wires in _____ seamless _____.
 _____ am _____ if _____ show _____ to _____ wires in a _____ setup.

 I _____ if _____ could give me _____ electric _____ for a clean _____.
 Is _____ possible _____ could _____ help with _____ installation _____ electrical _____?
 I am looking for _____ how to _____ electric _____.
 Can _____ advice _____ how to _____ electrical connections _____ the _____?
 If you would _____ me _____ things _____ a seamless _____
 I was _____ if you _____ me _____ the electric connection splicing _____.
 _____ anyone _____ me instructions for _____?
 _____ was wondering _____ teach me how to _____ wires _____ seamless setup.
 For an effortless _____ provide step by _____ instructions for the _____ of electrical _____.
 _____ know how to _____ connection splices easier.
 _____ are _____ to point out _____ to _____ for easy setup?
 _____ you _____ me the _____ to _____ to a _____ up that's fast and _____?
 _____ have _____ so _____ happen fast?
 I'm wondering _____ you _____ show me _____ ways of connecting _____ that _____.
 _____ am I _____ slice these _____ for easy _____?
 If you _____ me something about connecting _____ to seamless _____?
 For an _____ setup, you _____ provide step-by-step instructions _____ how _____

_____ electrical splices?

Suggestions _____ electrical splicing _____.

_____ you like _____ problem-free _____ splice installations?

_____ an _____ you might want _____ provide step _____ step _____ on how _____ join _____.

Can you tell _____ way _____ the _____ for _____ easy setup?

Are _____ willing to _____ with the _____ glitch-free _____ splicing _____?

Is _____ a way _____ it easy _____ the installation phase?

Do _____ think you can _____ with the _____ of electrical _____?

For an _____ you _____ want to _____ step by _____ instructions _____ of electrical wires.

What can _____ us _____ making _____ connection splices _____?

_____ wondering _____ you _____ show _____ effective _____ for connecting wires that _____ in _____.

_____ suggestions about how _____ wires?

Guidance _____ sought to _____ electrical _____.

Would _____ willing to _____ helped _____ efficient, _____ electrical splicing _____?

_____ I smoothly combine _____ during _____?

Seeking _____ on _____ electrical _____?

I am _____ you _____ show _____ ways _____ connect _____ that result _____ seamless _____.

Do you have _____ way _____ connect wires _____ setup?

You will _____ how I'm going to slice _____?

Do _____ think _____ help with _____ electrical _____ installations?

Is _____ possible to shed light on joining _____?

Asking _____ electrical _____?

Is _____ possible _____ to offer advice _____ how to _____ electrical _____ the _____?

_____ you show me how _____ connect _____ wires _____ setup?

_____ like to be _____ problem _____ splicing installations?

I'm wondering _____ could _____ me how to _____ in _____ seamless _____?

_____ wondering _____ teach _____ about _____ wires in _____ seamless setup.

_____ would teach _____ things about connecting wires _____ lead to _____.

Advice _____ electric _____ installation.

How _____ put _____ wires smoothly _____?

_____ a seamless _____ how _____ I _____ electrical _____?

_____ if you could _____ me _____ advice on the _____ splicing.

_____ need advice _____ how _____ splicing electrical _____.

_____ you know _____ to _____ the installation _____ electric lines when they're being _____?

If _____ would _____ me _____ to _____ wires _____ seamless _____ please.

_____ trying to find a _____ connect _____ to a smooth _____.

Can you _____ figure out the _____ way _____ wires?

For _____ effortless _____ want to _____ step _____ for the proper joining _____ wires.

Is _____ possible _____ electric connection splices _____ convenient?

Can _____ tell me how _____ electrical _____ an _____?

Could _____ suggest ways to _____ easier?

_____ on _____ join wires _____ an effortless setup.

_____ you _____ me how _____ separate the electrical _____?

_____ you think _____ can _____ with the easy installation _____?

I _____ like _____ know _____ the electrical _____ the installation.

_____ we make _____ fluid installation with _____ wires?

_____ it _____ for you to give _____ for _____ laying?

_____ to connect wires _____ lead _____?

Do _____ think _____ some _____ the efficient installation of electrical _____?

_____ you _____ how to _____ a _____ connection?

Do you _____ get _____ with efficient, glitch-free _____ installations?

_____ about _____ electrical connection _____ during _____.

_____ there a _____ connect wires _____ a _____ setup?

_____ for _____ to _____ instructions for _____ electric connection _____.

_____ give me _____ for _____ wires that result in a seamless _____.

_____ looking for advice _____ how _____ electric splice.

Is there any _____ you _____ the _____ of electrical _____?

_____ was _____ you would _____ advice _____ electric connection splicing _____ simple _____.

_____ wondering _____ could _____ me how _____ connect wires _____ a smooth _____.

_____ with splicing for _____ installation?

_____ anyone aware of _____ smooth _____ installation phase of electric _____ when _____ being sliced?

_____ to _____ ways to connect _____ that _____ in _____ setup?

Installation needs help _____.

_____ you _____ on _____ to _____ the electrical _____ for the _____?
