

[Demo] NLP Dataset for Customer Service Automation

| | |
|-----------------------------|--|
| Company Type | Auto Repair and Maintenance Shops |
| Inquiry Category | Issues with car electrical system |
| Inquiry Sub-Category | Short circuits and electrical failures |
| Description | Customers might need help with diagnosing and resolving short circuits, faulty relays, or other electrical failures causing various issues in the vehicle. |
| Data Size | 5,163 paraphrases |
| Want to buy data? | Please contact nlp-data@gross.me via your business email address. |

Masked sample paraphrases of one "Auto Repair and Maintenance Shop" customer inquiry. (Purchased data will not be masked.)

_____ there an _____ failure that _____ the _____ flicker?
_____ electric _____ to _____ erratic behavior.
_____ is the electrical _____ messing _____?
Why is _____ electrics _____ the headlight _____?
_____ noticed that _____ headlights _____ is _____ electrical issue?
_____ noticed my headlights _____ and there's an _____.
_____ an electrical issue making _____.
_____ is _____ failure _____ headlights _____?
I've _____ my _____ flicker, it _____ an _____ issue
Why is the _____ wavering _____ electrical _____?
_____ did the _____ failure _____?
The headlights _____ and flickering.
_____ do the _____ flickering _____ electrical _____?
_____ an electrical failure _____ lights.
The _____ to an electrical _____.
_____ a reason for _____ oscillation?
Do _____ what causes _____ failure?
_____ headlight flicker _____ the _____?
How _____ issue affect my _____?
I _____ noticed _____ headlights flicker _____ an _____ issue.
_____ faulty electric that messes _____ headlight function.
_____ my _____ flicker, _____ that there's _____ electric issue.
_____ makes _____ flicker as _____ result _____ electricity _____?
Why _____ the _____ affecting _____ vehicular _____?
_____ an electrical failure affect _____?
_____ to electrical _____ headlights _____.
_____ erratic _____ of _____ is due _____ electric issue.
There's _____ issue that _____ my _____ to _____.
_____ affecting my headlights.

Is it _____ headlight _____ issue is _____ of an _____ failure?
_____ headlights flickering because of electrical failure?

Why _____ electrics _____ headlight function?
_____ headlights flicker, _____ that _____ issue?
_____ got an _____ issue that's _____ headlights.

This headlight flickerin' _____ going _____?

There is _____ electric malfunction _____ headlight _____.
_____ like to _____ there is an electric-induced _____.
_____ issue _____ a reason _____ the _____ erratic behavior.

Why _____ electrical _____ headlights flicking?
_____ electrical _____ my headlights flicker.
_____ did _____ ruin my headlights?

How can _____ issues cause _____?
_____ happened _____ due to electrical _____?

The headlights flicker _____ an _____.
There are _____ that _____ the _____ flickering.
_____ my headlights malfunctioning because of _____ problem
headlight flicker _____ result of _____
_____ have _____ my headlights flicker, _____ there _____ electric _____ I'm not _____ why.

There is _____ electrical _____ screwed up _____.
What _____ flickering _____ electrical failure?
electrical _____ the headlights _____
I _____ an _____ problem _____ makes my _____.
The _____ malfunction might _____ to blame for _____.
_____ electrical _____ causing vehicular headlamps _____?

What _____ headlight _____ a _____ of power _____?
_____ electrical _____ to flicker.

I'm _____ issue that's _____ headlights flicker.

Some _____ causing _____ headlights.
_____ fault can _____ to flicker.

The _____ flickering due _____ electrical _____ question.
_____ electrical failure _____ for flickering _____?
_____ are _____ headlights _____ when _____ an electrical failure?
_____ electrical malfunction the reason _____?
_____ is the _____ an electrical failure?

Why _____ the headlights _____ electrical is _____?
Why _____ the headlights _____ there's an _____?

The headlight _____ electrical _____?
_____ are electricity _____ lead _____ flicker.
_____ blinking _____ caused _____ the headlights' _____ fail.
_____ reason for headlights flashing?
_____ does the _____ an electrical _____?

I've _____ my _____ flicker, could _____ be _____ problem?

I _____ curious _____ the _____ flicker as a _____ issues.

How _____ electricity affect _____?
_____ headlights wavering after _____?

Why does my _____ when _____ electrics are _____?

How do _____ flickering happen _____?
_____ is _____ headlights electrical _____ causing _____?

Is _____ headlight _____ electrical issue?

How ____ the ____ be ____ by the ____ ?
____ my ____ because of ____ fault?
____ problem of ____ flickers ____ electric malfunction?
____ anyone know ____ electrics ____ with ____ headlight function?
Is electrical malfunctioning ____ ?
____ noticed my headlights flickering, is ____ ?
____ are caused ____ an ____ fault?
I've ____ my ____ electric ____ that I'm not quite ____ of.
There is ____ that ____ causing the headlight ____ issue.
____ causes ____ to flicker
Why ____ electrical failure causing the ____ ?
____ headlights ____ due ____ an ____ failure.
The headlights ____ flicker because ____ .
____ headlight ____ electrical ____ something?
____ with ____ caused by ____ failures.
The headlights flickered ____ electrical ____ .
____ have seen my ____ and there's ____ issue.
____ is ____ failure that ____ headlight ____ .
Is ____ because of an ____ ?
Why ____ wavering after electrical ____ ?
There are electrical ____ that ____ the ____ to ____ .
The ____ flickering ____ by ____ issues.
____ headlights' ____ failure ____ flicker.
The ____ electrical issues.
Why ____ the ____ of ____ electrical failure?
____ headlights move when ____ malfunction?
____ messed up, ____ did headlights ____ ?
____ did the ____ headlights to change?
Is ____ that ____ headlights ____ on and off?
____ would ____ to ____ why ____ is ____ electric-induced ____ flip-flops.
Is ____ flickering of ____ related to an ____ ?
Headlights ____ electrical failure.
____ cause ____ headlight ____ due to electrical failure?
Could ____ light ____ my headlights be ____ to ____ electrical ____ ?
____ does ____ headlights ____ an electrics ____ ?
Is ____ fault ____ shaky ____ ?
I've noticed ____ and ____ an electric issue ____ happen.
____ do headlights ____ there is ____ ?
headlight flickering ____ failure, ____ causes ____
Is the ____ my headlights ____ of ____ failure?
____ headlights ____ with ____ electric issue?
How ____ headlights ____ to an electrical ____ ?
____ the vehicular ____ of electrical failure.
How ____ the headlights flicker ____ ?
When electrical failure ____ why?
How can ____ faulty ____ with ____ headlight ____ ?
How do ____ the ____ glitch?
____ light on my ____ be malfunctioning ____ to ____ electrical ____ .
Is the ____ of ____ a ____ an electrical ____ ?
What ____ the ____ flash ____ electrical failure?

_____ are caused _____ problems?

The _____ electrical _____ blinking lights.

Is it _____ the _____ are flickering due _____ an _____?

_____ headlight electrical glitch?

I've _____ headlights _____ might it _____ an _____ issue?

_____ clue why _____ electrics messes _____ my _____?

If _____ electrical _____ why does _____ headlights flicker?

There's _____ electric _____ my _____ flicker

I have an _____ issue _____ messed up _____.

_____ can _____ issues _____ to flicker?

Problem with _____ fault _____.

_____ it an electrical issue?

Is _____ flickering _____ down due _____ an electrical _____?

Why _____ after electricity _____?

Electric fault _____?

_____ electric _____ which makes my headlights flicker.

There's _____ electrical _____ with _____ flicker.

_____ headlight _____ to electricity _____?

When electrics messes up, _____?

_____ headlights flicker, _____ that be _____ electrical issue?

Headlight _____ to electric _____?

How come headlights _____ when _____?

Are headlights _____ due _____?

_____ an _____ making that happen, and I _____ my _____.

_____ electric _____ cause the headlights _____?

Why are _____ due _____ failure?

I _____ flickering of my headlights is _____ an _____ failure.

The _____ there's an electrical _____.

Why _____ electrical failure cause the _____ to _____?

How _____ the headlights flicker _____ electrical failure?

_____ headlights flickering after _____?

_____ electrical fail _____ blinking lights.

_____ causes _____ flicker due _____ electrical _____?

_____ the _____ because of an _____?

_____ electric _____ could _____ the _____ headlights.

I've _____ headlights _____ could it be _____ issue?

Why are _____ flickering _____ to _____?

The _____ my headlights seems _____ malfunction _____ an _____ problem.

_____ noticed that _____ headlights _____ it's _____ to an _____.

What causes _____ when _____ are electrical _____?

The headlight _____ baffling.

There is _____ electrical issue _____.

Why _____ an _____ headlights blink?

_____ the headlight flicker when _____?

_____ electrical _____ the reason for _____?

Is electrical malfunction _____ are _____?

_____ are the _____ flickering _____ is _____ issues?

_____ does a car's _____ when there _____ failure?

_____ do headlights twitch when _____?

Is _____ my _____ malfunctioning _____ of _____ electrical malfunction?

_____ do _____ flicker if _____ electrical _____?

The _____ flicker, could _____ an _____?

_____ with the _____ electrical glitch.

_____ does _____ electricity issues occur?

The _____ with my headlight _____.

The flickering _____ be _____ electrical failure.

_____ isn't _____ the _____ flicker.

_____ noticed _____ headlights _____ that is due to _____ issue.

Why _____ electrical _____ headlights flickering?

How does _____ result of electricity issues?

Why _____ headlights wavering, _____ failure?

_____ the headlights flicker.

_____ is _____ this _____ electricity problems?

_____ is _____ faulty electric _____ with _____ headlights.

Why _____ the _____ when _____ is electrical _____?

_____ causes headlights _____ flicker _____ electrical _____?

_____ the headlights _____ due to _____.

_____ the _____ because _____ electrical issue?

Why _____ failure _____ vehicular _____?

What _____ the _____ to _____ failure?

What causes headlights _____ there _____ issues?

When _____ electrics messes _____ why _____ the _____?

_____ seen _____ headlights _____ and could _____ be _____ issue?

The headlights flicker _____ an _____ making _____ happen.

Is _____ electrical stupidity that _____ flicker _____ off?

I am _____ quite sure _____ my _____ flicker, _____ an electric _____.

_____ the _____ flicker if there is an _____?

_____ headlights _____ could it be an _____ issue?

Electric _____ shaky _____?

_____ electric issue making _____ headlights _____.

Problem _____ issue causing headlights _____?

The _____ due to _____.

_____ an _____ issue when _____ my _____ flicker.

I _____ noticed _____ headlights _____ and _____ electric issue _____ happen.

I am wondering _____ there _____ reason for the _____.

I'm _____ the light on my _____ is _____ because _____ an _____.

_____ the erratic _____ of headlights.

_____ electricity _____ lead to _____ flickering?

_____ flickering _____ there is electricity _____?

_____ are _____ headlights _____ an electrical _____.

When the electrical is _____ the _____ off?

Is _____ my _____ due to _____ failure?

_____ the _____ headlights the result of an _____?

_____ headlights have _____ which causes _____ lights.

_____ the lighting _____ my headlights malfunctioning _____ problem?

There is _____ as _____ my headlights flicker.

_____ seen my _____ and there's an _____ making that _____.

Why _____ flicker due _____ electrical _____?

_____ do _____ when _____ make a _____?

_____ the _____ flickering _____ electrical issue?

_____ is causing the _____ flicker due to _____?

_____ notice my headlights _____ an electric _____.

_____ shaky headlights?

Electric _____ shaky headlights?

What _____ cause of malfunctioning _____ headlights?

_____ of my headlights related to an _____?

_____ happening to the headlights _____ to an _____?

_____ electrics _____ why do _____ twitch?

_____ my headlights _____ is an electrical issue.

The _____ on _____ appears _____ malfunction _____ an electrical fault.

I'm _____ if the _____ malfunctioning due to an electrical _____.

The blinking _____ the headlights' electrical _____.

_____ is _____ electric issue _____ my headlights _____

_____ can _____ failures _____ headlights _____ flicker?

_____ electrics _____ messes with _____ headlights.

How _____ an electrical _____ make _____?

The electric _____ for headlight flickers.

_____ an electric _____ headlights flicker?

_____ issues _____ lead _____ headlights flickering.

The headlights flicker _____.

_____ my headlights _____ and there's _____ electric _____.

Is there _____ shaky headlights?

_____ headlights' electrical _____ flickering.

_____ flicker _____ to _____ issues

I _____ noticed _____ flicker and there's _____ electric _____ that _____.

_____ have _____ electric issue that _____ my _____.

How come _____ when _____ electrical failure?

_____ does _____ when an _____ failure _____?

I've noticed my headlights _____ and _____ an _____ quite _____ why.

I _____ electric _____ affecting _____ headlights.

There _____ electric issue _____ my _____.

I have _____ headlights flicker because _____ electric _____.

I've noticed _____ my headlights _____ because _____ issue.

_____ was _____ if there was a reason _____ headlight _____.

The _____ headlights _____ flickering _____ to an electrical _____.

_____ failures _____ flickering _____ how _____ they happen?

The headlight _____ is believed to _____ an _____ failure.

_____ headlights flicker after an _____?

_____ electrical issue _____ messing with _____.

What _____ cause of a _____ electrics _____ headlights?

_____ come the _____ mess _____ headlight _____?

_____ noticed _____ headlights _____ an electric issue.

_____ are _____ is _____ electrical issue?

I _____ noticed _____ headlights _____ is an _____ issue.

Why _____ headlight _____ messed up _____ a _____ electrics?

_____ my _____ and there is an electric _____.

The headlight _____ could _____ to an _____.

Low-beams _____ troubles, how?

_____ noticed _____ flickering, is it _____ issue?

_____ is the headlights' _____ flickering?

_____ electrical mess _____ me headlight _____?

There was an _____ led to headlights' _____.

_____ flickering _____ to _____ electrical failure

_____ is there an _____ failure _____ causes the _____?

I'm _____ the flickering _____ headlights _____ by an electrical _____.

_____ flickering due _____ failure?

I _____ that my _____ flicker due to _____.

_____ headlights _____ is _____ issue.

What causes headlight _____ are _____?

Why do _____ electrics _____?

What's going on _____ flickering due _____ failure?

_____ cause the _____ failure?

_____ the headlight electrical _____?

There are _____ may cause _____.

Is the flickering _____ my _____ caused _____?

_____ come a _____ electrics messes _____ headlight _____?

_____ flicker _____ a result _____ power issues?

Why _____ mess _____ the headlight function?

_____ have an _____ issue _____ is messing _____ my _____.

_____ it _____ that _____ electrics _____ with my _____ function?

My headlights flicker _____ there's _____ issue _____ happen

Is the light _____ due to an _____?

Problems with _____ headlights to _____?

Electric fault may _____

I _____ flickering of _____ headlights _____ by _____ electrical failure?

_____ an _____ issue _____ headlights to _____?

I've seen my headlights flicker, and _____ issue _____ why.

I've seen my headlights _____ could _____ be _____?

_____ the electrical _____ causing the _____ wavering?

The headlights flickering _____ to _____?

_____ my _____ flicker, _____ an electric issue _____ I'm _____ of.

There is _____ electric _____ and I noticed _____.

Is the _____ flickering headlights _____ to _____?

_____ do _____ issues cause _____ headlight _____?

_____ this _____ stupidity _____ my headlights _____ go _____?

_____ the headlights _____ due to an electrical _____?

Why is _____ wavering _____ electrical _____?

_____ fault possibly _____ shaky _____.

A _____ how _____ failures _____ flickering _____.

headlight flicker can _____ result _____

I _____ my _____ could it be an _____?

I _____ know _____ faulty electrics _____ my _____.

_____ light _____ my _____ malfunctioning due to an _____?

_____ flicker _____ an _____ failure

I _____ having an _____ make _____ flicker.

I've _____ headlights flicker, _____ be electrical?

Why does headlights _____ electrical _____?

Why _____ the _____ messed _____ my _____?

Why is _____ headlamp _____ of _____?

As a _____ of _____ issues, _____ headlight flicker?

_____ going _____ headlight electrical issues?

How _____ flickerin' electrical _____?

_____ headlights flicker _____ be an _____ issue?

_____ are _____ because _____ an _____ issue.

Why _____ the headlights _____ electrical _____?

I want to know _____ malfunctioning _____ headlights.

_____ an electric issue, and _____ my headlights _____.

_____ the headlights go _____ when _____ electrical isn't _____?

Why _____ electrical failure causing _____ headlamp _____?

_____ flickering _____ caused _____ an _____ failure.

_____ do _____ during _____ fault?

_____ that a _____ electric issue?

There is an _____ headlights.

_____ an _____ and _____ causes the headlights to _____.

What causes headlights to _____?

There _____ an _____ that _____ the headlights _____.

_____ headlights _____ is _____ faulty electric _____?

The _____ headlights is _____ issues.

_____ there any _____ to _____ there _____ electric-induced headlight malfunction?

_____ not working, the _____ flicker.

Because _____ failure, the _____.

I've _____ my headlights flicker, may _____ an _____?

Is _____ for the headlights' electrical failure _____?

_____ headlights due _____ failures?

_____ cause shaky _____.

_____ the _____ headlights malfunctioning because of _____ electrical _____?

The _____ failure _____ to flick.

How _____ this _____ flickerin' _____ disaster _____?

_____ the Headlight _____ due _____ electrical _____?

_____ have _____ electrical _____ causing _____ lights.

The _____ issue _____ be the reason _____ erratic _____.

_____ might be _____ blame _____ headlight flickers.

_____ flicker _____ to electrical _____?

How _____ the _____ failure _____ flickering?

_____ dance when electrics go _____?

The _____ fails _____ lights.

_____ light on _____ malfunctioning thanks to _____ fault?

_____ the vehicular headlamp _____ due to _____.

What _____ electrical fault _____ make _____?

I've _____ headlights _____ and _____ due to an _____.

The _____ fail and cause _____ lights.

What's _____ the _____ due to _____?

How about _____ with the _____?

_____ flicker of _____ a _____ issue.

Why does an _____ failure _____?

I wonder _____ flickering _____ my _____ is _____ electrical failure.

_____ the _____ flickering because of _____?

Electric _____ is _____ shaky _____.

_____ does _____ mess with the _____?

The headlights _____ to _____ failure.

headlights' _____ is _____ to _____ issue
Are _____ malfunctioning due _____ an _____?
The headlights _____ with _____ electric _____.
The electric malfunction may _____ the _____ flickers.
There is a _____ that _____ up _____ beams.
The headlight _____ is _____ an _____.
_____ the _____ up, why do _____ headlights _____?
_____ are electrical issues _____.
_____ wrong _____ the headlight electrical _____?
_____ failure affect the _____ headlights?
How _____ headlight _____ as a _____ of _____ issues?
_____ an electric _____ my headlights _____.
_____ noticed my headlights _____ and have _____.
Why does the _____ failure?
_____ due _____ electrical malfunction
_____ noticed _____ could it be an _____ issue.
_____ do _____ flicker when there's _____?
Why _____ headlights flickering, _____ failure?
headlights flicker and _____ an _____ issue _____ that _____
faulty _____ headlights?
The headlights _____ of _____?
Someone wants to know _____ an _____ oscillation.
_____ messing _____ headlights?
_____ a problem _____ headlight electrical _____.
I _____ problem that is messing _____ headlights.
I'm not _____ sure why my headlights _____ there _____.
_____ a _____ electrics messing _____ headlight function.
_____ fault impairing _____?
_____ headlights flicker, and _____ is an _____ problem.
_____ headlights _____ because of _____ issues?
_____ the light on my headlights _____ to _____?
_____ is _____ causing the _____ to wavering?
The headlights _____ to an _____.
There _____ an _____ failure _____ makes the _____.
I've noticed _____ flicker, it's _____ an _____ issue.
Is the _____ headlight _____ to _____ malfunction?
There is _____ failure _____ causes _____ to _____.
_____ light is malfunctioning _____ an _____ fault.
Is _____ malfunctioning _____ to _____ problem.
There is an _____ that _____.
The electric _____ be _____ the headlights' erratic _____.
_____ it because _____ my headlights are flickering?
I would like to _____ how _____ headlights.
_____ headlights light _____ due to an _____.
Bad _____ issue causing _____?
_____ is not working _____ headlights _____.
_____ when the power goes _____?
There are _____ by the headlights _____.
_____ flicker due to _____ issue.
_____ is an _____ making the _____.

_____ do the _____ flickering _____ to an _____ ?

I'm _____ about _____ there _____ electric-induced headlight _____.

_____ crash, _____ does the headlights _____?

_____ headlight _____ a result _____ electrical failure.

_____ headlights flashing _____ to _____?

Are _____ because of an _____?

Why _____ hurt headlights?

Is _____ of an electrical problem?

_____ are electrical _____ causing the _____.

_____ headlights flickering, _____ it _____ an electrical issue?

There is _____ problem _____ flickers _____ malfunction.

headlights flicker, and there's an _____

_____ seen _____ flicker, _____ it _____ electrical?

_____ electrical _____ is _____ blinking lights.

flickering _____ is _____ electric _____?

_____ electric _____ that's _____ the _____ flicker.

Why does an _____ flicker?

Why _____ flicker when _____ is _____ fault?

_____ headlights malfunctioning _____ an electrical _____?

Why did _____ electrical _____ cause _____ headlight _____?

The headlights have erratic behavior _____.

There is _____ that causes the _____ flash.

Why _____ headlights _____ when electrics _____?

My headlights flicker, _____ making that happen

_____ flicker because of _____ electrical _____?

Is _____ due _____ the _____ electrical fail?

There are _____ due to _____

Is the headlight _____ issue _____ an electrical _____?

When _____ malfunction, _____ twitch?

_____ the _____ wavering after electrical _____?

electrical _____ is what _____ the _____

headlight _____ caused _____ electric _____?

_____ can _____ electrical _____ headlights?

Why does the _____ is electrical _____?

_____ headlights flickering because _____ malfunction?

There's _____ electric issue _____ off.

What _____ electricity issues occur?

_____ noticed _____ flickering, could that _____ an _____ problem?

Why _____ flicker _____ there's _____ electrical _____?

_____ flicker when there is _____ issues?

_____ the electrical is _____ headlights _____.

_____ headlights flashing because _____?

There is a _____ what causes _____ due to _____.

Are _____ on my headlights _____ an _____ failure?

There's an _____ issue, _____ noticed my headlights _____.

_____ did the _____ flicker as a _____ electrical _____?

_____ the _____ on my headlights flickering _____ failure?

There's an _____ noticed _____ headlights flicker.

There _____ an _____ my headlights.

_____ are _____ issues _____ headlights _____ flicker.

Are ____ flashing because ____ ?

There's ____ that I'm not ____ sure ____ headlights flicker.

____ headlights ____ is an electrical ____.

My ____ and ____ is it electrical ____ ?

There's ____ electric issue ____ flicker

____ noticed my ____ flicker, ____ there's ____ electric issue ____ not ____ why.

I've ____ my ____ flicker, and there's an electric ____.

____ headlights flicker, could be an electrical ____?

My ____ function is messed ____ faulty ____.

____ did the ____ failure cause ____ to wavering?

How does a ____ headlights?

____ twitch when electrics don't ____?

____ is an ____ causes headlight ____.

____ fault ____ causing shaky ____?

I would ____ know how ____ electricity affects ____.

____ does low beams ____ due ____?

____ come ____ flicker as ____ electrical issues?

There ____ an ____ fault ____ to flicker.

What causes ____ headlights to ____ when ____ is ____?

____ the ____ my ____ malfunctioning ____ of an ____ fault?

There ____ flickering due ____ failure.

There ____ electrical ____ that cause ____ headlight ____ be ____.

Maybe ____ because of an electrical ____.

Is ____ caused by ____ issue?

The headlight ____ faulty electric ____.

Is ____ electricity affecting ____?

I ____ noticed my ____ flicker and could ____ be ____?

____ have ____ electric issue ____ makes ____ blink.

____ faulty electric ____?

When the ____ headlights twitch?

____ electrical ____ working why ____ the headlights ____?

The headlights ____ electrical ____?

____ the ____ my headlights ____ by ____ electrical fault?

The headlights flickering ____ electrical ____.

How ____ headlights ____ of ____ fault?

Why is the ____ causing the ____?

The headlights flickering ____ is a ____.

Why ____ due to ____ troubles?

____ headlights wavering ____ electrical failure?

Is there anyone who ____ headlight oscillation?

Why does electrical ____ lead ____?

____ my headlights malfunctioning due to ____ fault?

____ could the ____ flicker be ____ by ____?

____ do headlights ____ malfunctioning ____?

How ____ to electrical issues?

There ____ issues ____ that ____ to ____ flicker.

I ____ an electric issue which ____ my ____.

____ noticed that my headlights ____ could ____ electrical ____?

It's ____ that the ____ flicker.

Why is ____ up ____ headlight beams?

_____ causes headlights to flicker as _____ issues?
 _____ an electrical _____ causing headlights to _____?
 _____ is the _____ wavering _____ to electrical _____.
 How _____ electrical _____ headlights to _____?
 _____ my _____ flickering, and _____ an electric _____.
 _____ the _____ flickering due _____ failure?
 _____ headlights _____ to electrical _____.
 There are _____ because _____ the headlights _____.
 _____ it possible _____ issue is caused by _____ failure?
 I've seen _____ flicker, is _____ an _____?
 I am having an _____ makes _____ flicker.
 Why do _____ electrical issues?
 _____ the _____ glitch?
 Does the _____ my _____ malfunction due _____ issue?
 _____ electric issue and _____ headlights _____.
 _____ is _____ issue _____ the headlight _____?
 _____ wonder if _____ flickering of _____ headlights is the result _____.
 _____ the headlight flickering _____ electrical _____?
 _____ the _____ in my _____ due _____ electrical fault?
 _____ is _____ headlights wavering because of _____?
 There's _____ electric _____ with _____ headlights.
 Are _____ an electrical _____?
 _____ headlight _____ is _____ caused _____ an electrical failure.
 _____ headlights flicker _____ an _____ failure.
 I have noticed my _____ is _____ electric _____ I don't know _____.
 There's _____ electrical _____ the _____ flicker.
 _____ the electrical failure cause _____ wavering?
 The _____ malfunction _____ cause of _____ headlight _____.
 _____ wondering if _____ headlights flicker _____ an _____.
 Is the light on my _____ malfunctioning _____?
 There's _____ electrical issue _____ my _____.
 I _____ issue _____ causes my headlights to _____.
 _____ headlight _____ a faulty electric _____?
 _____ is headlights _____ due _____ electrical _____?
 My _____ are _____ due _____ electrical _____.
 _____ problem with _____ headlights, any ideas why?
 How _____ headlights twitch _____ electrics _____?
 shaky _____ are _____ by _____?
 _____ want _____ know how _____ affected by _____ electricity.
 _____ messed _____ by _____ faulty electrics.
 I've _____ headlights flicker, and _____ of an _____ issue.
 I want to _____ my _____ electrical issue.
 _____ know _____ there _____ an electric-caused headlight _____.
 I've _____ that my headlights _____ be an _____?
 There is an _____ issue that _____ headlights _____.
 _____ result of _____ the _____ flicker.
 _____ the _____ headlamp _____ because _____ electrical failure?
 The headlights _____ there's an _____.
 _____ are electrical _____ that _____ headlight _____.
 Why _____ flicker _____ is an electrical failure.

_____ reason _____ headlights' erratic _____ due to _____ issue.

Is _____ that the flickering _____ result _____ an electrical _____?

_____ headlight flickerin' _____ disaster?

_____ failing, what's _____ headlights?

_____ headlight _____ by an electrical problem?

_____ my headlights _____ and there's _____ making it happen.

What _____ to _____ headlights _____?

What _____ headlights' _____ fail?

_____ is _____ failure causing _____ headlights _____?

The flickering _____ my _____ may _____ a result _____ electrical _____.

_____ the light _____ headlights is _____ because of an _____ problem.

_____ are _____ wavering _____ electrical failure?

_____ headlights have _____ fault?

Is _____ fault _____ shaky _____?

_____ does _____ when the _____ is malfunctioning?

_____ flickering _____ related _____ an electrical _____?

blinking _____ caused _____ the _____ electrical _____

_____ with headlights _____ is _____?

_____ flicker because _____ faulty electric _____?

_____ like _____ why there is an _____ headlight _____.

_____ causes the headlights to _____.

_____ are _____ flickering due _____ failure _____ electrical _____?

_____ know how _____ failures cause _____ headlights.

How is _____ electrics messing _____?

_____ headlights flickering _____ electrical _____.

Problem with electrical issues _____?

_____ headlights have an electrical _____?

There's _____ electrical issue _____ messed _____ my _____.

The headlights _____ caused by _____.

_____ causes _____ to flicker _____ failure?

_____ headlight _____ messed with because _____ electrics.

Electrical _____ can _____ headlights.

_____ headlights flicker _____ electrical _____ working.

Why is my _____ headlights?

Is _____ on _____ flickering _____ an electrical failure?

_____ caused headlight flickers.

How does _____ failure and _____?

_____ an _____ issue _____ my _____ flickered.

_____ is an _____ I have noticed _____ headlights _____.

_____ noticed my _____ could that _____ an _____ issue?

Why _____ faulty electrics _____ my _____?

_____ noticed _____ headlights flicker, _____ issue.

There is a _____ issue _____ causes _____ to _____.

How _____ flickering happen _____ electrical issues?

_____ a way to _____ malfunctioning electricity affects _____?

What _____ headlights due _____ electrical _____?

_____ can the _____ due _____ failure?

Why does the _____ the _____ occurs?

Is _____ with my headlights?

_____ issue affect _____ headlight beams?

electrical ____ is ____ causes ____ flickering ____.
 ____ flickering is ____ electrical ____.
 ____ have noticed my headlights ____ is ____ electrical ____?
 ____ electrics ____ up, ____ the ____ twitch?
 ____ is the ____ of ____ flickering due to ____ failure?
 Electric ____ cause shaky ____?
 ____ fault ____ causing shaky ____?
 When ____ electrical is ____ does ____ headlights ____?
 I've noticed ____ flicker, it ____ an ____ issue.
 This ____ flickerin' ____ is ____.
 headlights flicker ____ not ____
 Are the ____ an ____ failure?
 ____ on ____ headlights ____ be malfunctioning because ____ an electrical ____.
 I've noticed my headlights ____ an electric ____ I'm ____ quite ____ why.
 ____ does the ____ failure cause the ____?
 ____ due to ____ electrical problem.
 Is ____ on my headlights malfunctioning ____ electrical ____?
 ____ fault in ____?
 ____ flicker because ____ electrical failure
 headlights flickering ____ failure.
 Why do ____ headlights ____ when the electrical ____?
 I've noticed that my headlights ____ an ____ that ____.
 The ____ an electrical ____?
 The ____ flicker ____ of ____.
 ____ am curious about ____ there is ____ oscillation.
 ____ is ____ flicker caused ____ electricity ____?
 ____ an ____ issue making ____ headlights ____
 The ____ might be ____ electrical issue.
 Why ____ the headlights' ____?
 Is ____ due to ____ problem.
 ____ the light on my ____ to an ____ failure?
 ____ headlight ____ be due to ____ issues?
