

[Demo] NLP Dataset for Customer Service Automation

Company Type	Smartphone Manufacturers
Inquiry Category	Privacy and security concerns
Inquiry Sub-Category	Biometric authentication
Description	Concerns regarding the use and security of biometric features, such as fingerprint or facial recognition, including inquiries about their accuracy, vulnerability to spoofing, or the storage of biometric data.
Data Size	7,356 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Smartphone Manufacturer" customer inquiry. (Purchased data will not be masked.)

_____ for _____ authentication _____ besides relying solely _____ fingerprints/facial scans?
 I'm curious if _____ use _____ other than _____ facial _____.
 Is there _____ to do _____ authentication without _____ ?
 _____ there a substitute _____ single reliance _____ MFA?
 _____ use _____ than _____ or facial _____ for multi-factor Authentication?
 _____ there a _____ to _____ multi-factor identification without _____ or _____ ?
 _____ options do you _____ other _____ and facial _____ ?
 _____ anyone know any _____ assure _____ ?
 Is there any _____ besides _____ for _____ ?
 Is _____ a _____ to _____ multi-factor _____ without _____ facial scans?
 _____ can we implement _____ without relying _____ face?
 More than just _____ faces _____ ?
 _____ possible to do _____ else _____ facial scans?
 _____ you have any plans _____ different _____ of _____ instead _____ just _____ fingerprints?
 _____ possible to do _____ besides fingerprints _____ scans.
 Is _____ any plan to use different _____ of _____ of _____ ?
 Is _____ a _____ multi-factor authentication?
 Is there a suggestion _____ non-scan _____ ?
 _____ another _____ for multi-factor _____ besides _____ ?
 _____ possible _____ have an alternative _____ MFA besides _____ ?
 Do _____ alternative modes _____ multi-factor verification, _____ relying _____ fingerprints and _____ scans?
 _____ there _____ to do _____ without using facial _____ fingerprints?
 _____ be used without _____ on _____ ?
 _____ layer _____ and _____ enhance multi-factor authentication _____ security level?
 Is _____ possible to _____ instead _____ just fingerprints?
 _____ there be _____ to relying _____ security?
 Is there _____ alternative for _____ does not rely _____ ?
 _____ be _____ without relying _____ fingerprints?

____ it ____ to use ____ than ____ facial scans?
____ there an ____ to ____ relying on _____.
Are there any _____ for multi-factor ____?
____ you ____ an alternative ____ relying _____ scans?
____ it possible to use something _____?
_____ alternative to ____ on fingerprints or facial ____?
Is ____ any ____ option besides just ____ fingerprints _____?
_____ identification methods are ____?
Is there _____ goes _____ and faces in M.F.A?
_____ using ____ else _____ of fingerprints/face ____?
____ we _____ authenticators ____ of ____ completely on prints ____ faces?
____ it ____ that MFA could use _____?
____ can ____ use ____ other _____ face to implement MFA?
_____ to use different authenticators _____ prints and faces?
_____ to use something ____ than fingerprints _____ scans?
I'm _____ there ____ an alternative _____ fingerprints ____ facial scans.
Is ____ possible to do ____ other _____ scans?
Is Ref _____ just fingers _____ in ____?
Can _____ without relying on ____?
Do non-biometric ____ exist _____?
Is it possible _____ elements _____ face into the _____?
Is ____ an _____ relying on ____ or ____?
Can ____ come ____ with something _____ scans?
____ options _____ than using only ____ or facial ____?
Beyond ____ and _____ M.F.A?
Did _____ alternative modes _____ verification?
____ wondering ____ I ____ use something other ____ fingerprints _____ scans.
____ it ____ to use different authenticators _____ just prints ____ faces?
____ there ____ other non-biometric _____ multi-factor ____?
Is _____ to get alternatives _____ fingerprints/facial scanning?
____ we ____ MFA ____ that don't depend on ____ and _____?
Is _____ something ____ than fingerprints for multi-factor ____?
____ there ____ way ____ do multi-factor ____ without ____ facial ____ or ____?
____ use _____ than just using prints ____ faces?
____ am wondering _____ is an alternative _____ on ____ fingerprints.
____ from ____ fingerprints ____ faces, ____ else can ____ implement ____?
Ref ____ beyond ____ and faces _____?
What ____ be done without _____ fingerprints _____ scans for ____?
____ be utilized ____ MFA beyond ____?
____ there a different approach _____?
Can ____ go _____ different ____ than using ____ checks?
Is _____ other ____ besides ____ recognition for the ____?
____ there something else that can be used _____ scans?
____ else ____ we ____ MFA ____ relying ____ fingerprints?
____ it possible to ____ an alternative besides _____?
____ don't know _____ are ____ options ____ from relying _____ for ____ purposes.
Is _____ alternative to using ____ fingerprints _____ identification?
Is _____ to utilize _____ scans?
Is there ____ plan _____ different ____ of _____ than ____ using fingerprints?
____ there ____ alternative to ____ on ____ and ____ scans.

____ it possible to use ____ or ____ scans ____ MFA?
 Have ____ other ____ of multi-factor ____ instead of relying ____ on ____ and ____ ?
 ____ be used with fingerprints as ____ in ____?
 ____ you ____ alternative to relying ____ fingerprints and facial ____?
 What ____ multi-factor ____ are ____?
 ____ MFA ____ without ____ facial scans?
 ____ if there ____ any ____ alternatives apart from relying on ____ purposes.
 Is ____ to using fingerprints/facial ____ MFA?
 Can features ____ used by ____?
 ____ it possible for ____ without ____ fingerprints and facial scans?
 ____ we ____ different authenticators than ____ just ____ faces?
 There ____ an ____ to relying ____ face scans.
 Is ____ an ____ to ____ biometrics?
 Is ____ besides relying on fingerprints and ____?
 Is it ____ besides ____ into the ____ authenticate option?
 ____ possible to use ____ other ____ face ____ choice for MFA?
 Is ____ do ____ without using ____ or facial scanning?
 ____ an ____ to MFA besides fingerprints/facial ____?
 ____ another method ____ than fingers/faces ____ multi-factor ____?
 ____ an alternative to ____ relying ____ fingerprints.
 ____ are ____ alternatives to just ____ scans?
 Can the ____ use ____ features ____?
 ____ there ____ method ____ multi-factor assurance.
 Is there ____ way to ____ more ____ just fingerprints ____?
 Is there ____ to just ____ and facial ____?
 Are ____ other options ____ on ____ facial scanning ____ multi-factor Authentication?
 Will ____ an alternative ____ relying ____ scans?
 Can we do more ____?
 ____ there other ____ solely on fingerprints ____ facial ____?
 How can we ____ MFA without ____ and ____?
 ____ use something ____ fingerprints for multi-factor ____?
 ____ possible for MFA to be ____ relying ____ fingerprints ____ facial ____?
 Are ____ options apart from ____ or ____?
 Is ____ alternative ____ scanning for multi-factor authentication?
 Does ____ have a way to do multi-factor ____ fingerprints ____?
 ____ other options besides ____ solely ____ fingerprints ____ facial scanning for ____?
 Is ____ an ____ relying ____ on fingerprints and facial scans.
 ____ you use alternative modes ____ multi-factor ____ instead of relying just ____?
 ____ MFA ____ features ____ are ____ fingerprints?
 ____ alternative to relying ____ only ____?
 Any ____ fingerprints/Facial ____?
 Which ____ verification ____ available?
 ____ it ____ a ____ instead ____ relying on prints and faces?
 ____ features be ____ MFA ____ fingerprints?
 ____ offer an alternative to relying ____?
 Beyond ____ fingers ____ Multi-factor-Auth?
 ____ beyond just fingers ____ faces in M.F.A.
 ____ any other option instead ____ or facial ____?
 ____ more than ____ for ____ assurance?
 ____ it ____ MFA can utilize ____ fingerprints?

I'm wondering _____ an _____ to relying _____ only _____.

_____ possible _____ include _____ besides fingers/face in _____ credentials option?

Is there something _____ that _____ be _____ instead _____ face _____?

_____ way to do multi-factor security _____ using _____ or _____ options?

How _____ multi-factorAuthentication _____?

_____ there something else _____ can do instead _____ using _____ _____?

Is there any _____ options _____ recognition _____ used _____ MFA?

Is there other _____ using fingerprints _____?

_____ it _____ to incorporate elements _____ into _____ multi-factor _____?

What _____ authentication _____ available?

_____ option _____ just fingers and _____

_____ tell me if there are _____ besides _____ for MFA purposes?

_____ way to _____ multi-factor authenticating _____ using _____ or facial _____?

Is _____ any _____ way _____ MFA _____ or facial scans?

We rely _____ face, _____ how else _____ we _____ MFA?

_____ something _____ that can _____ used besides fingerprint/face _____?

Is _____ MFA _____ without fingerprints/face scans?

_____ there an _____ on fingerprints.

_____ it possible to _____ an _____ relying _____ only _____ and facial _____?

Can _____ be _____ scans.

_____ any _____ besides fingers/faces for _____ assurance?

_____ possible _____ have _____ fingerprints and facial scans?

Is there _____ option _____ Multi-Factor-Auth?

_____ to relying on fingerprints andfacial _____.

_____ there _____ way _____ include _____ besides _____ in the multi-factorAuthentication _____?

Is there an alternative _____ relying _____ biometrics _____?

_____ MFA _____ without fingerprints?

_____ there an alternative _____ fingerprints/Facial scans?

_____ wonder _____ there _____ an alternative _____ relying _____ fingerprints/facial _____.

Is _____ a _____ to do multi-factor _____ facial or _____?

Is _____ a _____ way _____ assure _____?

_____ it _____ to _____ something other _____ for multi-factoring?

_____ it possible to _____ fingers/ _____ into _____ multi-factor authentication _____?

Is _____ way to _____ security _____ having _____ use _____ or facial _____?

_____ use different approaches _____ checks?

_____ possible to _____ something other _____ andfacial scans?

Do _____ use alternative _____ instead _____ relying _____ fingerprint and facial _____?

Is _____ any _____ to multi-factor _____?

There are _____ alternatives _____ just _____ scans?

_____ want any _____ that _____ rely on finger-face _____.

Can _____ be done without _____ or _____?

_____ there a _____ way _____ using _____?

_____ provide an alternative to _____ and facial _____?

Can _____ come _____ with something _____ besides _____ or _____?

Is there _____ non-biometric _____ for _____?

Ref _____ beyond just _____ in _____.

_____ use something _____ and _____ scans for multi-factor?

_____ it _____ possible _____ have an _____ to _____?

_____ there _____ way to _____ besides fingers/face _____ authentication?

Are _____ other options besides _____ scanning _____?

_____ application _____ MFA _____ done _____ relying on fingerprints and _____?

I _____ to know _____ are any _____ apart from relying _____ recognition _____ purposes.

_____ it _____ modes _____ multi-factor _____ of relying solely _____ facial and fingerprints?

_____ there _____ non-biometric _____ multi-factor authentication?

Can _____ us an alternative to _____ solely _____ facial _____?

_____ using fingerprints _____ detection, _____ another _____ multi-factor authentication systems' security _____?

_____ you considered other _____ of multi-factor _____ of relying _____ fingerprints?

Ref _____ beyond _____ M.F.A

How _____ include more than just _____ in _____ multi-factor _____?

_____ want _____ know _____ any _____ options _____ from relying on _____ for MFA _____.

Any _____ relying _____ fingerprints?

Can it _____ without relying _____ facial scans?

_____ it _____ MFA to be _____ without fingerprints _____ facial _____?

_____ alternative to _____ on fingerprints/facial _____ for _____ security?

_____ there any way to _____ other _____ or _____ scans?

_____ there _____ using fingerprints or _____?

Is it possible _____ fingers/face _____ the _____ logon option?

_____ way for _____ not rely _____ finger-face scans?

Is _____ any alternative for single reliance _____?

What _____ methods can be _____ with _____ factors _____?

Is _____ possible for _____ to use _____ and facial _____?

Is _____ to _____ besides _____ the multi-factor authentication option?

Can _____ give me _____ alternative to _____ fingerprints/facial _____?

_____ any _____ to fingerprints _____ scans?

_____ exist non-biometric alternatives for _____?

Is MFA applied _____ on _____?

Is _____ to choose a _____ than _____ fingerprints?

_____ any other _____ than _____ biometrics for MFA?

I'm _____ sure if there _____ alternatives _____ multi-factor _____.

Can _____ use _____ instead of relying _____ and faces?

_____ there _____ other _____ relying on fingerprints/facial _____?

Is there a way to include _____ into _____?

Can _____ something _____ fingerprints _____ multi-factor?

Is there another _____?

_____ want _____ an alternative _____ relying on fingerprints/facial _____.

_____ a _____ for multi-factor protection?

Is it _____ add _____ besides _____ into multi-factor _____?

Is there _____ option _____?

Is _____ possible to have _____ or _____ scans.

Can _____ tell _____ if _____ are _____ besides _____ scanning _____ multi-factor _____?

Are _____ alternatives to single reliance _____ MFA?

_____ are _____ options _____ MFA _____ on biometrics.

Can _____ be _____ on _____ or facial scans?

Is there _____ way to _____ multi-factor security _____ facial _____?

_____ something else _____ fingerprints _____ faces?

_____ we _____ a different _____ than _____ facial checks?

Is there a _____ option _____ relying _____ scans?

Is there _____ option _____ besides relying on _____?

_____ there any _____ options besides _____ fingerprints _____?

_____ possible to _____ extra _____ without using fingerprints/face _____?

Can we ____ different authenticator ____ just ____ faces?
 ____ there ____ way ____ verification without using ____ or ____ scans?
 Do ____ other ____ on biometrics ____ the MFA?
 Is ____ possible ____ multi-factor authentication ____ level ____ and face detection?
 A ____ option beyond ____ fingers ____?
 ____ for you to ____ with something other ____ and facial ____?
 ____ non-biometric ____ to multi-factor authentication?
 Can ____ without ____ using ____?
 I ____ if there ____ just ____ on fingerprints/facial scans.
 Can ____ be applied ____ using ____ scans?
 ____ the ____ possible ____ fingerprints/face ____?
 Is it possible to ____ authenticator ____ prints and ____?
 Do ____ have an ____ to ____ on fingerprints or ____?
 Can there be ____ for ____ besides ____?
 Do ____ have ____ to ____ of multi-factor Authentication, ____ of just using ____?
 Is ____ to ____ multi-factor ____ by using another layer ____ detection?
 ____ relying on fingerprints or facial scans?
 ____ have any alternatives ____ relying on ____?
 Do ____ to ____ on biometrics?
 ____ offer ____ alternative to relying ____?
 Is ____ an alternative ____ my ____ to ____ multi-factor ____?
 Can we ____ up with ____ different approach ____?
 Is there more ____ it ____ on ____ MFA?
 ____ to use ____ other than ____ multi-factor verification.
 ____ are alternatives for ____ Biometrics ____ MFA.
 Is there ____ option ____ does not rely ____ scans.
 Is ____ to ____ MFA ____ or scans?
 ____ to do extra ____ beyond fingerprints ____ face ____?
 Can ____ be ____ fingerprints?
 Is it ____ else than fingerprints or ____?
 Is ____ capable of ____ fingerprints ____ face ____?
 ____ you ____ an ____ to ____ solely on ____?
 Ref option ____ fingers ____ faces ____?
 ____ you use alternate ____ of ____ relying solely on ____ and facial ____?
 ____ there ____ multi-factor authentication ____?
 ____ an ____ fingerprints/facial scanning for ____ Authentication?
 ____ it possible ____ with no fingerprints or ____?
 ____ alternative for MFA other than fingerprints ____ scans?
 ____ there ____ to have ____ alternative ____ than fingerprints?
 Is ____ possible ____ put elements ____ fingers/face in ____ authentication ____?
 Is there ____ besides relying on ____?
 ____ there are ____ alternatives ____ on biometrics for MFA purposes.
 ____ be done without using ____ or ____ as ____ for MFA?
 There are ____ fingers ____ face ____ be ____ in the multi-factor ____.
 Is ____ a way to ____ using fingerprints or ____?
 ____ you ____ modes of multi-factor verification ____ solely ____ facial and ____?
 Can ____ approach be ____ instead ____ using fingerprints/facial ____?
 Is ____ possible to ____ with fingerprints and face ____?
 Anybody ____ to ____ scans?
 ____ another method ____ multi-factor ____ other than ____?

Do you have ____ plans to ____ means ____ multi-factor ____ than relying ____ ?

____ there a way to ____ multi-factor ____ on ____ and facial ____ ?

____ MFA ____ functioning ____ fingerprints and ____ scans?

Is ____ anything else that can ____ used ____ for the ____ of ____ ?

____ there ____ way ____ multi-factor authentication ____ using fingerprints ____ facial scans?

____ there any other option ____ than ____ on ____ ?

____ other options ____ relying solely ____ fingerprints and facial ____ multi-factor ____ ?

____ there ____ alternative to ____ my ____ face for ____ access?

Is ____ way to ____ multi-factor ____ without using ____ or ____ ?

I ____ like ____ know if ____ for MFA.

Is it ____ have an alternative other than ____ ?

Is ____ another way to enable ____ other than ____ ?

____ there an ____ using my ____ and fingerprints ____ multi-factor ____ ?

____ possible to use something ____ fingerprints/face scans?

____ you ____ an ____ relying ____ on fingerprints/ facial ____ ?

Is ____ alternative ____ relying ____ for MFA?

It's possible ____ than fingerprints/face ____ .

Can ____ different authenticators ____ of ____ totally on ____ faces?

Can ____ something else ____ multi-factor ____ ?

____ we use ____ than using ____ and facial checks?

Is ____ to use ____ other than fingerprints ____ ?

Can ____ different ____ rather than ____ on ____ prints and ____ ?

Can ____ be applied without ____ ?

____ it possible for ____ be applied ____ on fingerprints ____ facial ____ ?

Are ____ ways ____ access?

Is there ____ the sole use ____ authenticators?

Is ____ for multi-factor authentication ____ on fingerprints/facial scans?

Can you tell me ____ are any alternatives ____ for ____ purpose of ____ ?

Is ____ way ____ security without using ____ or facial ____ ?

Can another layer ____ enhance multi-factor Authentication ____ security ____ ?

Is ____ alternative ____ fingerprints in the MFA?

Do ____ other ____ besides relying on biometrics for ____ ?

____ to fingerprints ____ facial scans?

____ there ____ alternatives for multi-factor ____ ?

Is ____ possible ____ instead ____ fingerprints or facial Scans?

Can ____ relying on fingerprints ____ scanning for multi-factor ____ ?

Is there ____ option ____ of ____ facial scans?

____ wonder ____ there ____ using my fingerprints to enable multi-factor ____ .

____ options beyond relying on ____ recognition ____ MFA?

____ option for multi-factor ____ other than relying ____ on ____ ?

____ sure if there's an option ____ that ____ finger-face scans.

Is ____ way to ____ besides ____ into ____ authentication option?

____ possible ____ have an alternative ____ or facial ____ ?

Is it ____ use ____ than ____ or ____ scans

____ there ____ to relying ____ finger-face ____ ?

Is ____ a ____ just fingers in ____ ?

____ a better way to use fingerprints and ____ ?

____ there are ____ instead of using fingerprints ____ scans.

Is ____ for MFA to ____ using ____ ?

Does ____ have an alternative ____ using ____ scans?

Is _____ for MFA _____ be _____ relying on fingerprints/facial _____?
 can _____ without relying _____ fingerprints?

Is _____ any _____ besides fingerprints/facial _____ for _____?
 _____ wonder _____ alternatives for single reliance on _____ MFA.

Is there another _____ facial/fingerprint recognition _____?
 Is _____ an _____ for _____ Authentication _____ solely on fingerprints _____ scans?
 _____ it possible _____ include _____ other _____ fingers _____ face _____ the _____ option?
 _____ it _____ choose _____ different _____ instead of using _____ checks?

Is _____ different way _____ enable _____?
 _____ there any way _____ without _____ fingerprints or _____ scans?
 _____ alternative besides fingerprints/facial scanning _____ access?

Do you _____ options _____ fingerprints or _____ scans?
 _____ there another way to _____ Authentication other than _____?

Can _____ use something _____

Is _____ applied without _____ on _____?
 _____ there a _____ do _____ without having to _____ fingerprints _____ facial _____?
 _____ possible to use the _____?

I _____ not _____ there is _____ to relying _____ fingerprints/facial _____.
 _____ am not sure _____ there _____ a way to _____ without using _____.
 _____ done without relying solely _____ fingerprints/facial _____?
 _____ to _____ if there are _____ other alternatives besides _____ on _____ purposes.
 _____ and _____ in Multi-factor-Auth?

Is it possible to _____ alternative that _____ or _____?
 Is there _____ to _____ multi-factor access without _____ or _____?

Is this possible _____ on _____?
 _____ possible to go _____ different _____ than _____ fingerprints?

Is there any _____ besides _____?
 Is it _____ to use something _____ for _____?
 _____ other options _____ recognition?

Is _____ relying on fingerprints _____ scans?
 _____ it possible to use _____ of _____?
 _____ there an _____ to _____ reliance _____ fingerprints _____ MFA?

Is _____ options _____ relying _____ for MFA?
 _____ to _____ options _____ relying on Biometrics _____ MFA?
 _____ exploring other modes of _____ instead _____ on fingerprints and _____ scans?
 _____ there a Ref _____ fingers and _____ in _____?

Is _____ possible _____ implement a _____ authenticator _____ prints _____ faces?

I want _____ know if there _____ alternative _____ relying _____.
 _____ applied without relying _____ scans.
 _____ about _____ fingers and _____ in _____?
 _____ possible to _____ elements other _____ fingers/face _____ authentication option?

Something else _____ used _____ of _____?
 _____ there _____ alternative _____ on fingerprints/facial scans for MFA?

Can _____ be used to _____ authentication _____?
 _____ it possible for MFA _____ function _____ fingerprints/face _____?

Is _____ multi-factor _____ other than fingers?
 What additional _____ could _____ with fingerprints _____ face _____ factors _____?
 _____ a _____ for MFA to _____ fingerprints and face _____?
 _____ there another _____ enable _____ other than _____ fingerprints?
 _____ to _____ else than fingerprints/face scans.

Is _____ option beyond _____ in Multi- Factor-Auth?

Is _____ alternative _____ relying _____ and facial scans?

Is _____ way _____ multi-factor authenticating without using fingerprints _____ ?

_____ fingers _____ faces in Multi-factor-Auth.

_____ options are _____ apart _____ using _____ facial scans?

Are _____ other _____ MFA?

Is _____ alternative to relying _____ on fingerprints and _____ scans _____ ?

_____ use additional _____ with fingerprints?

_____ applied with _____ reliance on _____ ?

_____ an _____ to relying on useless face _____ fingerprints _____ ?

_____ there _____ alternative to using _____ ?

I'd _____ to _____ if _____ are _____ other options besides relying _____ MFA _____ .

Do _____ to _____ on biometrics in _____ ?

Is _____ possible _____ other _____ besides fingerprints/facial _____ for multi-factor _____ ?

For multi-factor _____ any other _____ ?

_____ another layer that _____ enhance _____ systems' security _____ ?

_____ we use _____ authenticators _____ of _____ and faces?

_____ exist an _____ to _____ reliance _____ biometrics _____ MFA?

_____ an alternative to relying on _____ scans _____ ?

_____ there an _____ relying _____ fingerprints and facial _____ ?

_____ other _____ along with fingerprints as _____ factor in _____ ?

_____ it possible to implement _____ different authenticator _____ just _____ ?

_____ alternative to _____ on _____ for MFA.

_____ to give _____ to relying _____ on fingerprints/facial scans?

_____ there any non-biometric _____ to _____ available for multi-factor _____ ?

Is there _____ multi-factor _____ ?

_____ to use different _____ of _____ instead _____ just using fingerprints?

_____ there _____ to use _____ else _____ of fingerprints/face _____ ?

I _____ like to know if _____ any _____ alternatives _____ on biometrics _____ purpose of _____ .

_____ than fingerprints or _____ available?

Is it _____ use non-biometric alternatives _____ ?

_____ to do _____ authentication without using _____ or _____ scans.

Is it possible to _____ and _____ scans?

Is _____ any _____ single reliance _____ in MFA?

_____ you have an _____ to _____ on _____ or facial _____ ?

Are there _____ to fingerprints and _____ multi-factor _____ ?

_____ MFA be done without _____ on fingerprints/facial _____ ?

Is _____ possible to implement different _____ just _____ faces?

_____ option for multi-factor _____ besides _____ on fingerprints.

_____ do _____ include more _____ the _____ authentication option?

Is it possible to implement _____ authenticator _____ just _____ ?

I _____ if _____ can _____ something other _____ fingerprints/facial _____ .

_____ possible to _____ besides fingers _____ multi-factor authentication option?

Is _____ alternative besides _____ solely _____ for multi-factor _____ ?

Is there another _____ besides relying _____ face _____ for _____ ?

Is there any _____ ?

Something else _____ be _____ instead of _____ face _____ ?

_____ any _____ to do multi-factor authentication without using _____ ?

Do _____ alternative methods _____ multi-factor verification instead _____ relying solely _____ and _____ ?

Do you use _____ of multi-factor verification _____ of relying _____ scans?

_____ an _____ to using my _____ and fingerprints _____ enable _____?

There _____ other options besides _____ and facial _____ authentication.

_____ it possible _____ without fingerprints or facial _____?

Is there _____ way _____ use _____ facial _____?

I wonder if there _____ besides using fingerprints _____.

_____ applied without _____ solely on _____?

Is _____ something _____ that _____ done besides using _____ scans?

Is _____ alternative _____ on fingerprints for _____?

Is _____ alternative to _____ fingerprints/facial _____?

_____ it _____ offer an alternative _____ relying _____ on _____?

Could you offer _____ to _____ fingerprints?

Isn't _____ an alternative _____ fingerprints and _____ for example?

Beyond just _____?

_____ there _____ alternative to relying on fingerprints/facial scans.

_____ possible without _____?

_____ you provide an _____ to _____ only _____ scans?

Aside _____ fingerprints _____ how can _____ MFA?

Do _____ have any plans _____ different _____ instead _____ using fingerprints?

_____ there _____ alternative to _____ reliance _____ Biometrics in _____.

Any other methods _____ the _____ faces _____ multi-factor _____?

_____ we use different authenticators _____ just prints and _____?

I don't know _____ are any _____ biometrics for _____ purposes.

Do you _____ use _____ multi-factor authentication, _____ than using fingerprints _____ face _____?

_____ there an _____ for multi-factor access besides _____ fingerprints _____?

_____ there something else _____ could _____ of _____ and _____ scans?

_____ to use different _____ rather than simply using fingerprints?

_____ there other methods _____ facial _____ fingerprints?

_____ possible _____ implement _____ different authenticator instead of _____ only _____ and _____?

Is _____ able to _____ fingerprints?

Do you have _____ to _____ different _____ of _____ authentication, _____ of _____?

_____ there _____ non-biometric alternatives to _____?

_____ any _____ and facial recognition?

Is _____ possible to _____ alternatives for _____?

_____ it possible to have _____ and facial scans.

_____ it possible _____ use any _____ MFA _____ besides _____?

Can _____ on _____ besides the face recognition and _____ for _____?

_____ to find an _____ to relying _____ fingerprints/facial _____.

Can there _____ fingerprints and facial scanning _____ authentication?

_____ there be an _____ on fingerprints?

_____ there an _____ for multi-factor Authentication besides _____ only _____ facial _____?

Does _____ function without _____ or _____?

_____ there something else available _____?

Can _____ done _____ relying _____ fingerprints and facial _____?

_____ a _____ to _____ other than fingerprints for multi-factor _____?

Is it possible _____ no _____ scans?

_____ there additional _____ besides facial/fingerprint _____?

_____ you _____ modes of multi-factor verification _____ of relying solely on _____?

Do you _____ any _____ means _____ multi-factor _____ than just _____ fingerprints?

_____ have an _____ to just relying _____ fingerprints/facial _____?

_____ there _____ method for multi-factor _____?

_____ there an _____ fingerprints and facial scans _____ multi-factor _____?
 _____ there _____ different _____ to using _____ and _____ checks?
 Are you _____ to _____ an _____ to _____ fingerprints?
 _____ you have _____ alternative to _____ fingerprints?
 _____ a non-biometric _____ multi-factor assurance?
 Is _____ something else _____ can be _____ fingerprints?
 _____ there _____ alternative to relying on _____ Scans?
 _____ any other method _____ factor _____?
 CanMFA _____ fingerprints?
 _____ it possible _____ include other elements _____ fingers/face _____ the _____?
 _____ am _____ there is an _____ relying _____ and facial scans.
 Is _____ to _____ different _____ to enable multi-factor authentication?
 Can we _____ approaches _____ using _____?
 What other _____ be _____ besides _____ in MFA?
 _____ tell me an alternative _____ fingerprints/facial scans?
 Can you _____ alternative to relying _____?
 _____ count on anything _____ than face _____ fingerprints _____ MFA?
 Is _____ option apart from _____ scan _____?
 Is there _____ option besides _____ fingerprints _____ face _____?
 _____ features _____ fingerprints/facial scans?
 _____ possible _____ fingerprints _____ scans?
 I want to know _____ alternative _____ relying solely on _____.
 Is it _____ use _____ fingerprints or facial _____ for _____?
 _____ non-biometric multi-factorAuthentication _____ there?
 Is _____ possible _____ alternatives other than _____ and _____?
 Have you tried _____ modes _____ multi-factor verification _____ relying _____ scans?
 I _____ like _____ know _____ any _____ other than relying only _____ biometrics _____ MFA _____.
 Is _____ possible to _____ a different _____ fingerprints.
 _____ we use _____ relying on only _____ and faces?
 Is there _____ to multi-factor _____.
 _____ a way _____ do _____ authentication _____ using fingerprints?
 _____ alternative besides relying solely _____ fingerprints/facial scanning _____ authentication?
 _____ possible _____ use something other _____ or facial scans.
 _____ it possible to have other _____ relying on _____?
 _____ other modes of _____ instead of relying _____ on facial _____?
 _____ there _____ option that _____ face _____ and fingerprints?
 Is _____ elements _____ than _____ into multi-factor authentication?
 I _____ if _____ are other _____ beyond _____ on _____ MFA.
 _____ possible to use face _____ fingerprints for _____?
 Do _____ a _____ to _____ multi-factor authenticate _____ or facial scans?
 _____ it _____ to get _____ facial/fingerprint recognition?
 _____ there a _____ to incorporate _____ besides _____ option?
 _____ have _____ other _____ than fingerprints and facial _____?
 _____ we use _____ approach instead of just _____?
 Isn't _____ possible _____ alternative besides _____?
 _____ don't _____ there are any _____ alternatives _____ on _____ MFA purposes.
 It is _____ to use _____ fingerprints/face _____.
 _____ you _____ alternative to _____ on fingerprints _____?
 Which _____ Authentication _____ are _____?
 Do _____ have any _____ than relying on _____ MFA?

_____ there an alternative _____ using _____ and _____ for _____ Authentication?
 Is there something else that _____ used _____ or _____?
 _____ with something else _____ fingerprints/facial scans?
 Is _____ an alternative _____ my _____ to _____ multi-factor authentication?
 Is facial/fingerprint recognition _____ for _____?
 Is there _____ way for _____?
 Is there _____ option _____ use _____ besides _____ and facial _____?
 _____ there anything else _____ I can count on _____ the _____ recognition _____?
 _____ there _____ to do _____ authentication without using _____ facial _____?
 Is _____ an _____ multi-factor _____ than _____ on fingerprints.
 Can _____ offer an alternative to relying solely _____?
 _____ there _____ alternative _____ on fingerprints for multi-factor _____?
 Is it _____ to include elements _____ into _____?
 _____ an _____ relying on _____ scans?
 Do you _____ to relying _____ scans.
 Is _____ possible to _____ alternative _____ multi-factor verification instead _____ only _____ and _____ scans?
 _____ there an alternative to using _____ multi-factor _____?
 _____ there a better way _____ instead of _____ or _____?
 Is there _____ way to _____ using _____ or _____ scans?
 _____ to apply MFA without _____ on fingerprints _____ scans?
 Is _____ any _____ for MFA that _____ finger-face _____?
 What _____ can be _____ and _____ as factors _____ MFA?
 _____ non-biometric _____ to multi-factorAuthentication?
 Is _____ a _____ elements besides _____ into the multi-factor _____?
 _____ there an option _____ authenticating _____ than _____ fingerprints?
 _____ alternatives to _____ or _____ scans?
 Is it _____ other _____ fingerprints _____ facial scans for multi-factor _____?
 Do _____ have _____ plans _____ use _____ means of _____ rather _____ using _____?
 _____ we use a _____ authenticator _____ of just _____?
 _____ other elements besides _____ in the multi-factor _____ option?
 _____ there a _____ way to _____?
 _____ something other than _____ for _____ security?
 Is there any other options _____ facial _____?
 Is _____ besides face/fingerprint recognition?
 _____ have a way to _____ without _____ or facial scans?
 _____ options _____ and _____ scanning for multi-factor authentication?
 _____ possible _____ a face _____ multi-factor?
 _____ additional methods can be used _____ fingerprints _____ MFA?
 I _____ there is _____ choice _____ than _____ on biometrics for _____.
 _____ other methods _____ be used _____ fingerprints as _____ MFA?
 _____ an alternative _____ besides fingerprints?
 Is there _____ enable _____ security without _____ fingerprints?
 Is there _____ way _____ multi-factor security without using _____?
 _____ for _____ to _____ used without fingerprints?
 Is MFA _____ used without _____ or facial _____?
 Do you _____ use _____ multi-factor Authentication _____ than using fingerprints?
 _____ it _____ to _____ multi-factor authentication _____ security _____ and face detection?
 _____ to _____ multi-factor Authentication other _____ by _____ my fingerprints?
 Is it _____ use something _____ scans _____ multi-factor Authentication?
 _____ have _____ use other means of _____ Authentication, _____ than just _____ fingerprints?

Something else _____ used _____ of _____ or _____ scans?

We _____ fingerprints and _____ how _____ can we implement _____?

Is there _____ to _____ multiple factors _____ relying _____ on _____ and _____?

Is there _____ alternative _____ for multi-factor _____?

Is there any _____ for _____ reliance _____ MFA?

Is _____ anything _____ can be used _____ of just _____ scans?

_____ there _____ to do _____ only using _____ or fingerprints?

_____ be _____ relying on _____ or facial scans.

_____ possible to use MFA _____ and _____ scans?

_____ to _____ multi-factor _____ without using fingerprints _____ facial scans?

Do you use other _____ multi-factor verification _____ relying _____ and _____ scans?

_____ are _____ besides _____ and _____ that _____ used for _____ authentication.

_____ another _____ multi-factor assurance besides _____?

Did _____ modes _____ multi-factor _____ instead _____ relying solely on fingerprints _____ facial _____?

Is it _____ use something _____ for _____?

Is there an _____ relying _____ scanning _____ multi-factor Authentication?

Are _____ alternatives _____ using _____ scans?

Is _____ to _____ elements _____ fingers and _____ into the _____ option?

Is MFA _____ without _____ scans?

_____ there a way to _____ or facial scanning options?

_____ there _____ option _____ using fingerprints and _____?

_____ you explored alternative _____ of multi-factor verification _____ on _____ and facial _____?

_____ multi-factor _____ methods _____ out there?

Do you have _____ plans _____ use other means _____ using _____?

_____ have _____ plans to _____ means of multi-factor Authentication, _____ using fingerprints?

Is _____ possible to use _____ fingerprints _____ facial scans to _____?

_____ possible to do _____ security without _____ and face _____?

_____ am wondering _____ I can use something other _____.

Is _____ suggestions _____ MFA options?

_____ other methods _____ assurance?

Is _____ possible to use _____ than _____ to _____ multi-factor _____?

Any alternatives _____ or facial _____?

What _____ methods _____ be used _____ fingerprints _____ factors _____ the _____?

_____ you _____ an _____ to relying _____ fingerprints?

Is _____ another _____ can _____ systems' security level?

_____ wondering if _____ can use something _____ for _____ authentication.

Is _____ an _____ on fingerprints/facial scans _____?

_____ possible to include elements _____ the multi-factor Authentication option?

Can we apply _____ relying _____?

Is there any other _____ recognition available _____?

_____ of _____ in _____ supplemented by other choices?

For _____ assurance, _____ method other _____?

_____ there _____ to use _____ fingerprints _____ facial scans?

_____ alternatives to _____ reliance on biometrics in _____?

Apart _____ relying _____ fingerprints _____ faces, how _____ implement _____?

Can there _____ alternatives _____ Authentication?

Is _____ alternative to using my fingerprints _____ multi-factor _____?

Is _____ a _____ use _____ identification besides _____ fingerprints _____ facial scans?

Do you think _____ are _____ relying on _____ MFA?

_____ there an alternative _____ rely on _____ scans _____.

Is MFA ____ without ____ scans?
____ to it ____ relying ____ fingerprints or ____ scans?
____ it ____ to use alternatives ____ fingerprints/facial ____ multi-factor ____?
Is there any ____ without ____ fingerprints ____ facial scans?
____ there ____ to ____ of multi-factor Authentication, ____ of simply using ____?
____ you ____ besides relying on fingerprints/facial scanning ____ multi-factor ____?
____ possible to use ____ than fingerprints ____ multi-factor ____?
____ possible to ____ than ____ as a choice for MFA?
Do you use alternative ____ multi-factor ____ other ____ on fingerprints ____ scans?
Is there an alternative ____?
____ be applied without ____ on facial ____?
____ there ____ to ____ face verification?
How ____ implement ____ without ____ on fingerprints and ____.
Can ____ no fingerprints/face ____?
What ____ authenticate methods ____?
There are ____ fingerprints/facial scans?
There ____ alternatives to ____ scans.
Do you have ____ other ____ than ____ MFA?
Is there another ____ besides fingers ____ for ____?
Is it ____ else rather than ____ scans?
____ you think there ____ to relying on ____?
____ wondering ____ was an alternative to ____ on fingerprints/facial ____.
____ there are ____ other ____ relying on biometrics ____ MFA purposes.
____ you have an ____ solely ____ fingerprints?
Is there an option ____ multi-factor authentication ____ relying ____ scans?
Is there ____ besides relying on ____?
____ an option ____ than ____ on ____ and facial ____?
____ it ____ to ____ something ____ besides fingerprints and ____ multi-factor authentication?
____ we use ____ different ____ than ____ fingerprints?
____ it ____ to ____ MFA without ____ on fingerprints ____ scans.
____ there ____ for ____ security besides relying ____ fingerprints/facial ____?
How about using ____ other than ____ scans ____ MFA?
Can ____ else besides ____ fingerprints/facial ____?
____ to relying on fingerprints/facial scanning ____ multi-factor ____?
____ you ____ to use ____ means of ____ authenticating, ____ than using ____?
____ it ____ to ____ besides ____ scanning for multi-factor authentication?
Is it ____ than fingerprints for ____ verification?
____ it ____ to apply MFA ____ or ____ scans?
____ know if ____ any other alternatives besides ____ on ____ for MFA ____.
Is it possible ____ use ____ instead ____ or ____ scans?
Is ____ relying ____ and facial scanning for multi-factor authentication?
____ possible to ____ security, not just ____ and faces?
Do you use alternative ____ multi-factor ____ instead of ____?
I ____ is an alternative ____ only fingerprints?
Is there ____ option beyond ____ faces in ____?
____ there an ____ that ____ not rely solely ____?
Can MFA be ____.
Is ____ any ____ to multi-factor ____?
Do ____ exist ____ authenticating?
____ from fingerprints and faces, how else ____?

_____ to _____ something other _____ fingerprints/facial scans.

_____ there another _____ to authenticate _____ fingerprints/face _____?

Is _____ MFA _____ fingerprints/facial scans?

_____ there a _____ to _____ besides _____ and _____ into _____ authentication?

_____ to _____ else besides _____ a choice for MFA?

Is it _____ to _____ something other _____ fingerprints or _____ scans _____.

Is _____ possible _____ Authentication _____ security level without _____ fingerprints _____ face _____?

Is _____ else _____ be used _____ from _____ on biometrics for _____?

_____ there _____ have _____ alternative besides fingerprints and _____ scans?

Is _____ possible for _____ without using face _____?

I don't _____ there _____ an _____ for _____ doesn't rely on _____.

Can be _____ without _____ on _____ or _____?

Can we go in _____ using _____ and _____ checks?

_____ you _____ alternative modes _____ multi-factor _____ instead _____ on fingerprints?

_____ there _____ multi-factor Authentication _____?

_____ possible _____ offer _____ to _____ solely on _____ and facial scans?

Is it _____ to use _____ different approach _____ fingerprints/facial _____?

Is there _____ way _____ do multi-factor _____ using fingerprints _____?

_____ to _____ and facial scans?

_____ possible _____ the _____ use _____ beyond fingerprints/facial scans?

_____ other alternatives _____ on fingerprints _____ facial scanning _____ authentication?

Are _____ alternative modes of _____ of relying only _____ fingerprints _____ scans?

_____ we use different authenticator instead of _____ faces?

_____ could _____ instead _____ scanning for MFA?

Is there any other option for MFA _____.

_____ want to _____ are _____ relying on Biometrics for the _____ MFA.

_____ you use alternative _____ of _____ rather _____ on facial and _____?

Is _____ MFA _____ facial/fingerprint recognition?

There _____ alternatives for _____.

_____ for MFA that don't rely _____ finger- _____ scans?

_____ it possible _____ something other _____ fingerprints _____ security.

_____ to have _____ alternative _____ fingerprints/facial scans?

Is the _____ using features _____?

What _____ non-biometric multi-factor _____ there?

Are _____ other options for _____ that _____ rely _____ scans?

_____ y'all _____ up with _____ other _____ fingerprints _____ scans?

Is there _____ Ref option _____?

_____ there _____ way _____ without using fingerprints or _____ options?

Is there _____ to multi-factor _____?

_____ MFA _____ relying on _____?

_____ any _____ to _____ different _____ of multi-factor _____ rather _____ using fingerprints?

_____ more _____ available for MFA?

How _____ can we _____ on _____ and face?

_____ wondering if there's _____ other _____ biometrics _____ MFA purposes.

_____ any non-biometric _____ to _____?

_____ there an _____ to _____ purely on _____?

Is there an _____ than relying _____ fingerprints _____?

_____ possible _____ something _____ than fingerprints _____ a choice for MFA?

Is _____ possible to _____ besides _____ in _____ identification option?

_____ any non-biometric alternatives _____ multi-factor _____?

____ it ____ to ____ else instead ____ fingerprints/face scans.
 ____ MFA ____ used ____ fingerprints ____ face ____?
 Is ____ suggestion ____ MFA?
 ____ different approach ____ using fingerprints/facial ____.
 ____ options besides ____ only fingerprints ____ facial scans?
 Is ____ an ____ for MFA that ____ not rely ____?
 ____ there ____ alternative ____ using ____ face ____ for multi-factor authorization?
 Can ____ beyond ____ facial scans?
 ____ there ____ different ____ to enable multi-factor authentication than ____?
 Do you have any plans to ____ rather ____ just ____ fingerprints?
 What ____ multi-factor Authentication ____ out ____?
 Do you ____ modes ____ verification ____ relying solely on fingerprints and ____?
 Does ____ alternative to ____ fingerprints/facial ____?
 Can ____ use a different approach ____ fingerprints ____?
 I want ____ know if ____ alternative to ____ on ____.
 Is there ____ to relying ____ fingerprints/facial ____ for ____?
 ____ you have ____ plans to ____ means ____ multi-factor ____ rather than ____?
 ____ want to ____ if there ____ alternatives ____ biometrics for MFA.
 Is there any ____ multi-factor ____?
 ____ we ____ a ____ approach than using ____?
 ____ we use ____ of relying on ____ prints?
 ____ anyone ____ any other ____ multi-factor ____?
 Is ____ an ____ to ____ fingerprints or facial ____?
 Are there ____ options besides relying ____ facial ____ identification?
 There ____ alternatives for ____.
 Is there ____ way ____ include ____ besides fingers/face ____ the ____?
 Is ____ any ____ for ____.
 I want to ____ there ____ an ____ to relying ____ on ____ facial ____.
 Is it ____ level without using fingerprints and face ____?
 Is it ____ for ____ to ____ without ____ scans?
 Is ____ for MFA that ____ use finger-face ____?
 ____ there an ____ relying ____ fingerprints/facial scans ____ the ____?
 Is there ____ use ____ for MFA?
 ____ it ____ if there was ____ way to ____ without ____ fingerprints ____ facial scans?
 Is ____ any ____ for multi-factor ____ besides ____ faces?
 ____ a ____ to ____ multi-factor authenticating ____ fingerprint or facial ____?
 ____ be other options besides relying ____ for ____?
 Are ____ relying on fingerprints ____ facial scans?
 Are there other ____ relying on ____ scanning?
 ____ it be ____ MFA ____ fingerprints?
 Can ____ be ____ options besides ____ MFA?
 Is ____ to include elements ____ fingers/face ____ the ____ option?
 ____ not sure how ____ do ____ authentication without ____ scans.
 ____ beyond fingers/ ____ in ____?
 Is ____ something else ____ can do ____ fingerprints?
 ____ it possible to incorporate ____ and face into ____?
 Is there ____ besides ____ MFA?
 ____ possible for another layer ____ authentication ____ security level?
 Is ____ using fingerprints/face ____?
 Is ____ possible ____ relying only on fingerprints ____ facial ____?

_____ there is a way _____ do _____ without _____ fingerprints or facial _____.

I _____ if _____ can _____ other than _____ or facial _____.

Is _____ any other method besides fingers _____?

Is it possible to _____ layer _____ authentication _____?

There _____ options _____ than _____ onbiometrics _____.

Does anyone _____ alternatives _____ fingerprints _____ scans?

_____ exist for _____ management?

_____ non-biometric _____ for multi-factor _____.

_____ be _____ without relying solely _____?

_____ option beyond _____ fingers _____?

_____ feasible to _____ something _____ instead of _____?

_____ enable _____ Authentication other than using my fingerprints?

Can features _____ be used _____?

_____ any _____ to single reliance _____ in the _____?

_____ it possible _____ use alternative _____ verification instead _____ on _____ and fingerprints?

I would _____ know if there are _____ reliance _____ for _____ purposes.

_____ non-biometric _____ for multi-factor _____ verification?

Is _____ an alternative _____ relying _____?

Is there _____ besides _____ on _____ or _____ scans?

_____ fingers and _____ in Multi- Factor-Auth.

_____ it _____ to _____ something else _____ fingerprints or _____?

_____ you exploring _____ of _____ verification _____ relying _____ on facial and _____?

_____ to _____ another form of verification besides _____?

_____ it _____ without relying _____ facial scans?

_____ there _____ to relying on _____?

Is _____ do more _____ other than _____ and _____ scans?

_____ else _____ can count on _____ face _____ and _____ for MFA?

_____ a Ref _____ just fingers _____ faces _____ Multi-Factor-Auth.

Can this be done _____?

Is it _____ for _____ to _____ besides _____?

Is _____ an _____ for _____ verification other _____ relying _____ and facial _____?

_____ there any _____ multi-factor?

_____ it _____ do multi-factor authentication _____ fingerprints or facial _____?

Can _____ the use _____ fingerprints?

_____ alternatives for _____ authentication?

_____ it be _____ solely on _____ scans?

_____ there any other method _____ faces for multi-factor _____?

Is there _____ way to _____ without _____ fingerprint _____ facial _____?

_____ use different _____ instead of just prints and _____?

_____ be an alternative _____ relying on _____ face _____?

Is _____ options besides _____ scanning for _____?

_____ like _____ know _____ there _____ besides relying on _____ MFA purposes.

Is it possible _____ an alternative to _____ fingerprints _____?

_____ to fingerprints/facial _____?

Is it possible _____ security without _____ fingerprint/face _____?

Can _____ applied without relying _____?

Can I use _____ other _____?

I am _____ if _____ can use something _____ for _____.

_____ there _____ multi-factor Authentication _____?

_____ there _____ way _____ apply MFA _____ relying _____ fingerprints.

Is MFA possible _____.

Is there _____ for _____ verification?

_____ am _____ there is _____ alternative to _____ solely on _____.

_____ a _____ way to use fingerprints/ _____ for _____?

Is it _____ for _____ use _____ than fingerprints _____ facial _____?

Is it _____ for the MFA _____ beyond _____?

Is _____ to add _____ of _____ multi-factor authentication systems?

beyond _____ and _____ Multi-factor-Auth?

_____ be _____ without _____ fingerprints/facial scans?

Does _____ an _____ to _____ fingerprints/facial _____ for MFA?

Is _____ tactics beyond _____ fingerprints?

Ref _____ hands and _____ M.F.A.

_____ possible _____ opt for a different approach than _____?

Ref option _____ fingers/faces _____?

Is it _____ to _____ elements besides fingers/face _____ option?

_____ alternative modes of multi-factor _____ instead _____ solely on _____ and facial _____?

_____ alternatives _____ for multi-factor _____

_____ to implement _____ other than just prints _____?

_____ to use any _____ options other than _____?

Is _____ be _____ without _____ scans?

Is _____ a possibility?

Did _____ investigate alternative _____ of _____ of _____ solely on _____ and _____ scans?

Does _____ exist _____ authentication?

_____ to use an _____ fingerprints and _____ scans.

_____ there _____ that aren't _____ fingerprints/facial _____?

Do you _____ other _____ for _____?

Are _____ to come _____ than fingerprints and facial _____?

_____ be applied without _____ fingerprints or facial _____?

_____ non-biometric _____ for multi-factor authenticated?

Is there any other _____ than _____ or _____?

Is there _____ option _____ facial/fingerprint _____ available _____ MFA?

_____ other _____ besides _____ scanning for _____ authentication?

Do _____ exist _____ security?

Do _____ modes _____ multi-factor _____ rather than relying _____ on _____ and _____?

Is _____ possible _____ methods _____ scanning for multi-factor Authentication?

Do _____ have any _____ use _____ methods of _____ using fingerprints?

_____ an _____ relying _____ on fingerprints _____ facial scans for _____?

Is it _____ have _____ alternative to _____ besides _____?

_____ possible to _____ something else _____ face scans.

Is _____ any _____ options _____ facial/fingerprint _____?

_____ there a way _____ use _____ fingerprints/face scans?

Is it _____ to use _____ other than fingerprints _____ for _____?

_____ there _____ way to _____ multi-factor security _____ or facial _____?

_____ there another way to _____ authentication _____ fingerprints?

Is it possible _____ alternative modes _____ verification instead _____ relying on _____?

_____ come _____ something _____ besides fingerprints and _____ scans?

_____ better way _____ enable _____ than using my fingerprints?

_____ an option for multi-factor _____ other _____ on _____?

I _____ to know _____ to _____ elements _____ into _____ authentication option.

I'm _____ if there _____ non-biometric _____ for multi-factor _____.

Is it possible _____ use _____ fingerprints or facial _____ redemption?

_____ MFA be _____ facial scans?

Is there _____ besides relying _____ or _____ scans?

_____ there _____ we can do _____ on fingerprints _____ faces?

I'm _____ an alternative _____ relying _____ fingerprints _____ scans.

_____ we able _____ a _____ than using fingerprints _____ checks?

_____ you use _____ modes _____ rather than relying on _____ facial _____?

_____ there _____ alternative _____ on fingerprints _____ scanning _____ multi-factor Authentication?

_____ non-biometric _____ Authentication _____ are _____?

Does anyone _____ alternative _____ rely on _____?

Is _____ that _____ not _____ on fingerprints or face _____?

Can _____ offer an alternative _____ facial scans?

_____ it _____ to use MFA _____ relying on _____?

Is _____ possible _____ else than _____?

I'm wondering if _____ are _____ non-biometric alternatives _____.

Is it possible _____ have another _____ and facial _____?

Something else could _____ used instead _____ fingerprints _____?

I _____ know if _____ are any other _____ reliance _____ MFA purposes.

_____ can MFA function without _____ face _____?

_____ other options other than relying _____ MFA?

What options _____ there _____ than _____ fingerprints _____ scans?

Is _____ an option _____ multi-factor authentication _____ on fingerprints and _____?

Do _____ any other _____ fingerprints or _____ scans?

How about using something _____ than _____?

Is _____ option that _____ rely on fingerprints _____?

_____ alternatives to _____ for security?

_____ other methods _____ multi-factor verification?

Is it possible _____ alternatives besides _____ multi-factor _____?

_____ fingers _____ faces _____ Multi-Factor-Auth?

Is _____ else that _____ used _____ of _____ using _____ or _____ scans?

_____ any _____ to _____ methods of multi-factor Authentication, _____ using fingerprints?

_____ beyond just fingers _____ faces _____ A?

Is MFA _____ without _____ fingerprints _____?

_____ there _____ relying on fingerprints _____ MFA?

_____ there an alternative _____ fingerprints?

_____ possible _____ use a substitute for fingerprints/face _____?

_____ can _____ use _____ methods besides _____ fingerprints and _____.

There _____ relying solely _____ fingerprints/facial scanning _____ multi-factor authentication.

Any other _____ fingerprints/facial _____?

_____ it possible to _____?

_____ there other options besides _____ biometrics _____?

_____ about using something _____ of _____ face scans?

Any _____ fingerprints?

Is _____ relying on _____ fingerprints.

Is _____ an option _____ other _____ relying on fingerprints _____?

Is there a _____ do multi-factor _____ using facial _____?

_____ possible to _____ authenticator _____ relying on just prints?

_____ other _____ relying on _____ scanning for multi-factor _____?

_____ other _____ verification _____ are available?

How else can _____ implement _____ besides _____ on _____?

Is MFA possible _____.

Is there _____ non-biometric _____?

_____ have _____ plans to use _____ of _____ identification, _____ than using _____?

_____ way to _____ identity besides _____ face verification?

Do _____ another _____ besides _____ on useless _____ scans for MFA?

_____ it _____ something other _____ fingerprints for multi-factor.

_____ use only _____ and face _____ another layer enhance _____ security _____?

Are _____ options available besides _____?

_____ want _____ know _____ are _____ other options besides relying _____ for _____ purposes.

_____ implement MFA without using fingerprints and _____?

_____ and _____ detection, can another _____ enhance multi-factor security _____?

_____ there any other options _____ reliance _____ for _____?

_____ way _____ do multi-factor _____ without using facial _____ scanning?

Will _____ be able _____ other than fingerprints _____ multi-factor _____?

Can't _____ have an _____ doesn't depend _____ fingerprints or _____?

Can _____ different authenticator _____ of relying on _____ and _____?

_____ there _____ to do _____ authentication without using _____?

Is there _____ beyond _____?

_____ MFA _____ without fingerprints _____ scans?

Is _____ use _____ than fingerprints or facial scans _____ account?

Is _____ alternative to _____ only _____ and _____ scans for multi-factor _____?

Is _____ a way to do _____ or facial _____.

Is _____ possible _____ a different _____ using fingerprints/ _____ checks?

_____ alternatives exist _____ authenticating?

Can _____ different authenticator _____ of just using prints _____?

_____ there anything else that could be _____ from _____ for _____ purpose _____?

_____ alternatives _____ besides _____ fingerprints _____ facial scans as _____?

Is MFA capable _____ fingerprints?

_____ there any plan _____ of _____ authenticating, _____ than using fingerprints?

_____ have something _____ depend _____ fingerprints _____ face scans?

_____ if I _____ use something _____ than _____ facial scans.

For _____ assurance, _____ other methods _____ faces?

_____ we have a _____ depend _____ fingerprints _____ face scans?

_____ there an _____ to _____ on _____ and facial _____?

Do _____ alternatives work _____?

How _____ implement _____ without relying _____ and face?

What _____ be _____ of face scanning as _____ choice _____?

Is _____ alternative to relying on _____ only?

_____ possible _____ use a _____ multi-factor?

_____ it _____ for _____ to function _____ using _____.

Is there an _____ on _____ scanning for _____?

Is _____ a _____ for _____ choices?

I don't _____ if _____ use _____ other _____ multi-factor security.

Am I able _____ get _____ alternative to relying _____?

_____ use something _____ than _____ or facial scans for _____?

Do _____ alternative _____ of _____ verification instead _____ simply _____ fingerprints _____ facial scans?

_____ there other alternatives _____ fingerprints/facial scanning _____ multi-factor _____?

Can MFA be applied _____ on _____?

_____ possible to utilize _____ of fingerprints?

What _____ was _____ option _____ fingers and _____ in M.F.A?

_____ methods besides hands/faces _____ assurance?

Is there any way _____ using fingerprints _____ facial _____?

_____ to _____ something _____ than facial scans _____ multi-factorAuthentication?

_____ that does _____ rely on fingerprints?

Is there _____ MFA that _____ relying on _____?

Is _____ possible _____ incorporate _____ than fingers/face into the _____?

_____ there _____ useless fingerprints and face scans _____ MFA?

_____ there a way _____ use _____ other _____ fingerprints _____ multi-factor _____?

_____ there _____ to using my fingerprints _____ gain _____?

_____ using _____ and face detection, _____ layer enhance multi-factor _____?

_____ any _____ to _____ solely on _____?

_____ facial/fingerprint recognition _____ only option _____?

_____ other options _____ facial/fingerprint recognition for _____.

Should _____ be _____ options besides _____ MFA?

_____ you offer _____ alternative _____ on _____ only?

_____ there an _____ relying _____ things _____ fingerprints?

Is there a _____ relying _____ for MFA?

Is there _____ besides _____ solely on fingerprints/facial scanning _____?

_____ if _____ any other alternatives besides relying _____ on _____ for MFA _____.

_____ it be _____ without _____ on _____?

_____ possible to use _____ rather than _____ on _____ and faces?

Do you think _____ is an alternative _____ scans?
