

[Demo] NLP Dataset for Customer Service Automation

Company Type	Mobile Network Operators
Inquiry Category	Network speed and performance concerns
Inquiry Sub-Category	Poor call quality
Description	Customers complaining about issues with call clarity, such as dropped calls, static noise, or voice distortion, impacting the overall call experience.
Data Size	7,384 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Mobile Network Operator" customer inquiry. (Purchased data will not be masked.)

_____ responsible _____ breaks/disturbances while talking via cellular service?

_____ cellular service _____ technical issues?

Can _____ tell me _____ conversations are _____ to technical _____?

_____ malfunction _____ cellular services could be _____ blame _____.

_____ it possible that _____ calls _____ paused because of _____?

_____ there any _____ errors _____ intermittent interruptions during _____ service _____?

Is it _____ glitch _____ causes _____?

Technical _____ that _____ intermittent _____ while talking _____ service?

_____ might be disrupted _____ technical _____.

It is possible that technical _____ to _____ for _____ our _____.

_____ explain the _____ service problems _____ you guys _____ the _____?

_____ issues affect call _____ on _____?

_____ disrupt calls.

Tech _____ behind _____ talk _____?

Technical issues _____ phone _____.

_____ breaks in _____ due _____ technological _____?

_____ disruptions _____ due to _____ issues.

Why _____ conversations _____ by glitches?

Technology _____ may cause _____ when _____ networks _____ calls.

_____ reason _____ intermittent breaks _____ you are _____ the phone?

_____ bugs _____ can cause _____.

Sometimes calls _____ interrupted because _____

Irregular call _____ linked to _____.

_____ malfunction in _____ be _____ cause of sporadic _____ distortions.

_____ be breaks _____ due to _____.

_____ can _____ technical issues _____ calls.

_____ mistakes the _____ intermittent _____ drops?

Is _____ for choppy phone _____?

Yes, can _____ calls?

_____ anyone having _____ connections ruining _____ chats?
 Sometimes call _____ on _____ due to technical _____.
 _____ in calls due to _____ problems.
 _____ the glitch _____ blame _____ interruption?
 _____ of talk interruption on my mobile _____?
 What is _____ cause _____ this _____ ruining our _____?
 Is _____ break _____ due to technological _____?
 _____ in calls _____ be _____ issues.
 _____ it _____ that technical errors _____ intermittent _____?
 Is _____ interrupted _____ technical fault _____ service?
 _____ is _____ cause _____ talk interruptions _____ my _____?
 _____ it _____ voice distortions _____ caused by _____ in cellular services?
 _____ disruptions _____ tech errors when _____ networks _____ calls?
 Cell conversations are _____.
 Call disruptions are _____ technical _____.
 _____ you _____ any _____ cause intermittent disruptions during _____ conversations?
 _____ conversations break _____ because _____ glitch?
 Is _____ possible _____ fault can _____ disruption _____ talking _____ cellphones?
 _____ bugs can _____ call _____.
 Technical _____ in _____ services _____ be to _____ voice distortions.
 _____ call _____ due to _____?
 Why _____ frequent, _____ disruptions when communicating _____ signal?
 _____ phone conversations _____ being _____ faulty technology.
 Poor _____ cause _____ our talks.
 Have you _____ system errors that _____ to intermittent _____?
 _____ technical _____ disrupt cellphone communication.
 _____ we _____ deal with _____ talkin' because of _____?
 Are the breaks _____ related _____ issues?
 _____ issues _____ on _____ cellular network?
 Is _____ correlation between _____ disruptions and technical issues _____?
 _____ it possible that _____ disrupted _____ glitch?
 Technical _____ can _____ call _____.
 Is speaking _____ of _____ technical fault _____ service?
 Is it possible _____ technological _____ cause _____?
 _____ technical problems _____ interruptions.
 Some _____ interrupted _____ to _____ errors.
 Is _____ the _____ of mobile service?
 There _____ issues _____ choppy phone _____.
 _____ glitch _____ calls?
 _____ issues with cellular services that _____ voice _____.
 _____ technical issues _____ interrupt _____?
 Why do I _____ by glitch?
 During cell _____ do _____ them _____?
 _____ that _____ errors cause intermittent _____ drops.
 _____ my voice calls due to _____ technical flaw?
 _____ the intermittent _____ calls be related to technical _____?
 _____ due to _____ errors?
 Cellphone _____ by _____ technology.
 _____ be _____ fault _____ causes _____ disruption while talking over _____ phone.
 _____ technical issues be _____ for _____ calls?

What _____ of disruptions when _____ mobile networks _____?
_____ there _____ breaks on _____ phone?
Is technical _____ for _____ drops?
_____ cell _____ service disruptions?
Cell phone _____ are interrupted _____.
_____ it a technical _____ that _____ intermittent breaks/disturbances _____ via _____?
Can _____ tell me if phone _____ technical _____?
_____ are _____ calls _____ to technological _____.
_____ might be disrupted _____ tech _____
There are _____ due to _____ when using _____ for _____.
Are call _____ glitches?
_____ conversations can be disrupted _____.
_____ technical _____ cause of choppy _____?
Is it _____ breaks _____ by glitches?
_____ technical _____ interrupt _____?
Is there _____ call _____?
What is causing a _____ short _____ using the _____?
_____ there _____ calls due _____ issues?
There _____ technical flaws _____ disrupt _____.
During cell _____ glitch _____ stop?
_____ bugs _____ cause _____ stop.
Is _____ possible that _____ cellphones _____ malfunctioning?
Sometimes _____ drop _____ interrupted _____ to _____ problems.
Technical disruptions _____?
_____ caused by glitching.
During cell _____ glitch _____ chats _____?
_____ technical issues cause _____?
Technology _____ conversations.
_____ may be _____ by glitchy _____.
_____ may _____ technical errors causing _____.
There are _____ are disrupted _____.
_____ communicating with _____ mobile _____ what is _____?
_____ technical problems cause _____?
Technical problems _____?
Is _____ calls _____ of technical _____?
_____ are technical _____ that _____ communication
_____ it possible that _____ cellphone _____ be _____?
_____ fault _____ service may _____ interruption.
_____ phone _____ caused _____ technical errors.
Do _____ know of any system _____ in telephone _____?
Technical _____ be responsible for _____ while _____.
_____ a known _____ that _____ occasional _____ while talking _____ the phone?
Is _____ interruptions?
Sometimes _____ are _____ technical errors, but _____?
_____ being _____ by technical _____?
_____ there _____ from _____ errors _____ using mobile _____?
Is _____ possible that _____ networks _____ caused by technical _____?
_____ could be messing _____ my _____.
_____ phones may _____ disrupted by _____.
_____ in _____ are _____ to technical _____?

Do _____ interrupt phone _____?

_____ messing my calls.

Is _____ service _____ due _____ technical _____?

There _____ be disruptions _____ mobile _____ calls.

_____ there _____ that _____ to call _____?

Please _____ conversations are disrupted _____ glitch.

_____ bugs may _____ disruptions _____.

Is it the _____ over _____ cellular network?

_____ during calls?

_____ problems _____ calls?

Poor connection might be to _____ in _____.

Can _____ intermittent voice _____ attributed _____ cellular services?

Some people _____ technical issues _____.

Is _____ issues messing _____ my _____?

_____ messing with my phone _____?

_____ can _____ calls.

It is _____ service _____ are _____ by _____ difficulties.

_____ glitch _____ cell _____ break?

Is glitch _____ my _____?

There _____ cause _____ phone drops.

Is technical _____ causing _____?

_____ conversations are _____ by flawed _____.

I _____ to _____ why _____ phone _____ interrupted _____ glitch.

_____ drops _____ be _____ by _____ errors.

_____ disruptions _____ to technological difficulties?

_____ there any _____ that lead _____ intermittent _____ in phone _____?

Why are my phone _____?

Break _____ could be _____ technological _____.

_____ do my phone conversations _____ be _____ by _____?

_____ may be _____ during _____.

Is _____ a reason why _____ service _____ at _____?

_____ call issues _____ be linked _____.

_____ issues cause calls to _____?

_____ in _____ to _____ issues?

_____ technical issues _____ calls?

Is _____ possible _____ there _____ for the pauses during _____?

_____ it _____ that _____ cellular _____ interrupted because of technological _____?

_____ for call _____ on the cellular networks?

_____ disruptions are _____ technical _____?

There _____ irregular _____ issues _____ technological _____

Technical _____ could be _____.

Are _____ known _____ that cause occasional _____ while _____ on _____?

_____ the call _____ related _____?

_____ be _____ by tech issues

Cell _____ disrupted.

_____ are technical flaws _____ communication

Is _____ the _____ issues _____ breaking _____ chats?

Technical _____ may _____ for _____.

_____ any _____ is _____ call breaks?

Why are _____ by _____ problems?

_____ that disrupt _____ communication at times.

_____ you _____ if _____ issues cause disruptions during _____?

_____ may be _____ by technical _____ cell networks.

Sometimes there are _____ cell _____.

There may _____ behind _____ interruptions.

_____ resulting _____ call interruptions?

_____ technical _____ that _____ choppy calls.

_____ it technical _____ break our _____?

Is _____ a _____ of intermittent _____?

_____ be _____ problems _____ call disruptions.

_____ it _____ technical _____ are to blame for _____ during _____?

Is the _____ blame _____ disruptions?

Is there technical _____ calls?

Irregular _____ linked to _____?

Is there a _____ when _____ mobile _____?

Do _____ phone conversations _____ disrupted by technical _____.

_____ cause _____ phone calls?

_____ possible technical issues cause _____?

_____ possible that the _____ are _____ because of _____?

Do _____ issues cause _____ calls _____?

Are _____ related _____ technical issues?

_____ being disrupted _____ tech _____

Is there break _____ related _____?

_____ problems on _____ affect _____?

Is _____ the technical issues _____?

_____ you been _____ any system errors that cause _____ phone _____?

Is _____ a _____ mobile network _____ working?

_____ on cellular networks _____ caused by technical _____.

_____ with _____ on my mobile _____ due to glitch?

When communicating _____ a _____ signal, _____ the disruptions?

There _____ problems that _____ intermittent breaks/disturbances while talking _____.

_____ the _____ calls _____ to technological _____?

Cell network call _____ may _____ issues.

_____ calls might _____ tech issues?

The _____ sometimes _____ to _____ errors.

_____ possible _____ the _____ have pauses _____ technical issues?

_____ issues and call disruptions on cell networks?

_____ there are _____ disruptions on _____ due _____ technical _____.

Technical issues are _____ chats _____ a _____.

There _____ the cell networks.

Is _____ possible that _____ in _____ voice _____ the result _____ technical _____?

_____ there _____ reason for _____ interruptions _____ my _____ network?

_____ disrupted _____ by technical flaws.

_____ call disruptions on cell _____ are _____ technical _____.

Is _____ possible that _____ occasional _____ in _____ voice _____ due to _____?

Is _____ possible _____ a malfunction _____ cutting off while _____ phone?

_____ it possible _____ phone calls _____ tech errors?

_____ there problems _____ call _____?

There _____ be _____ choppy calls.

_____ it _____ issues _____ cause our _____ to break?

Do you ____ if ____ problems ____ ____ interruptions?
 ____ it possible ____ technical ____ the ____ during ____ calls?
 ____ in calls associated ____ technical ____
 ____ trouble is ____ ____ disruptions.
 ____ it ____ that ____ during cell ____?
 Cell ____ can experience _____.
 ____ issues ____ reason ____ choppy calls?
 ____ could be ____ frequent, short disruptions when ____ through _____.
 Is ____ that ____ break during ____?
 Do ____ lead to ____ phone ____?
 ____ it ____ that glitch can ____ my ____?
 Are there ____ in ____ connected ____?
 ____ possible that cell ____ during ____ conversations?
 Is ____ interrupted ____ mobile ____ problem?
 ____ technical ____ disrupt cellphone ____.
 Are ____ my mobile network that cause ____?
 ____ technical issues ____ calls?
 Are technical ____ cause ____ choppy ____?
 Is it ____ that we ____ that ____ our calls ____?
 Technical ____ can ____ calls.
 ____ ____ disrupt ____ phone calls.
 Did glitch ____ chats ____?
 Is it possible that ____ to ____ call ____?
 ____ have to contend with tech ____ disrupting ____?
 ____ conversations break ____ glitches.
 Do ____ problems ____?
 Can you tell me if ____ phone ____?
 There ____ technical ____ cause ____ breaks/disturbances ____ talking on the ____.
 ____ the ____ stop our chats?
 ____ issues ____ be interfering ____ calls.
 choppy ____ calls ____ caused by ____.
 Tech issues ____ up ____ calls.
 When using mobile ____ for ____ tech errors?
 ____ a reason ____ the intermittent ____ on ____ phone?
 Is it ____ that ____ issues ____ during ____ calls?
 Some ____ disrupt ____ communication.
 Is call ____ by ____?
 ____ interruptions may ____ due to _____.
 ____ there ____ cellphone networks that cause ____ disruptions?
 ____ might ____ disrupted ____ glitches.
 Is it possible for ____ tech ____?
 Do ____ issues ____ call ____ the cellular ____?
 Is it possible that ____ cellphone ____?
 ____ it technical ____ are messing ____ our ____?
 Are ____ in your system ____ for the ____ the cellphone network?
 Can ____ problems ____ interruptions?
 ____ technical ____ calls to ____?
 ____ possible that glitch ____ disrupt ____?
 ____ on ____ networks ____ by technical issues?
 ____ can ____ the phone _____.

_____ technical _____ that _____ occasional _____ while talking _____ a cellphone.

_____ been disruptions caused _____ tech _____ using _____ networks.

glitches _____ for call _____

There _____ be _____ that cause _____ networks for calls.

_____ that technical _____ can _____ calls?

_____ breaks in calls _____ to _____?

_____ the _____ talk interruptions on my _____ malfunctioning?

Maybe technical _____ choppy _____?

_____ it _____ tech _____ originate _____ using mobile networks for _____?

_____ are _____ by faulty _____

_____ do _____ phone _____ getting interrupted by _____?

_____ it _____ for technical faults _____ cause _____ while talking on _____?

Technical _____ can _____ calls _____ drop or be _____.

_____ you tell me _____ cause _____ during calls?

technical _____ calls

_____ cause _____ phone drops?

_____ there _____ in _____ to _____ issues?

Can you _____ us _____ phone conversations are _____?

Telephone _____ disrupted _____ by technical _____.

_____ a _____ interrupted _____ to _____ errors.

Cell _____ be _____ glitch

_____ distortions be _____ on technical issues _____ cellular _____?

Technical _____ disruptions?

Technical glitch _____ for _____ breaks/disturbances _____ talking.

_____ connection _____ breaks in _____ conversations?

_____ possible _____ cell conversations break _____ due _____ glitch?

Is _____ a _____ and intermittent phone drops?

Sometimes _____ because _____ technical errors.

_____ the _____ my _____ network _____ to glitches?

_____ have _____ technical _____ call disruptions.

_____ technical _____ to cause _____?

_____ you found _____ system errors _____ lead _____ intermittent interruptions _____ the _____?

_____ affecting cell calls?

Some _____ issues _____ call _____.

_____ the glitch _____ blame for _____.

Are _____ glitches to blame _____?

_____ issues may disrupt _____.

_____ to blame for _____?

_____ disruptions to calls.

Cell _____ due to _____.

_____ cellular _____ caused by something?

_____ calls _____ be _____ due to _____.

Does _____ to stop?

Did _____ glitch _____ call _____?

_____ to _____ what causes _____ on the phone.

Is it _____ issues that _____ chats _____ fail?

_____ get cut _____ due _____ errors.

_____ are caused by _____?

Cell calls are _____

The _____ may be due _____ technological _____.

Is it _____ talking via _____ issues?

_____ it possible that _____ issues cause _____ during _____?

There _____ when using mobile _____ calls.

_____ call issues can be _____.

Is _____ issues _____ affecting our _____?

Are call _____ glitch?

_____ is frustrating pauses while _____?

Is there _____ technical glitch _____ go to _____ sometimes?

Are intermittent _____ drops _____ by _____?

_____ can _____ interrupted by _____ technology.

Cellphones _____ faulty technology.

_____ there any system errors that _____ to _____ in telephone _____ via _____?

_____ can _____ breaks _____ our talks.

Is the _____ a _____ fault of the _____?

Sometimes calls _____ interrupted _____ errors.

_____ there a _____ between _____ issues _____ call _____ on _____ networks?

_____ may be causing breaks _____

Is _____ any technical _____ that _____ disruptions _____ talking _____ the _____?

_____ can be _____ during _____.

_____ it the _____ my conversations go _____ shit sometimes?

_____ be caused by glitch?

_____ calls disrupted _____ glitch

Is _____ for _____ on cell phones?

Is _____ technical _____ that are _____ to break?

_____ cellular service _____ what causes _____?

_____ calls get interrupted _____ technical _____.

Is it _____ cellular service?

_____ can _____ disruptions _____ calls.

Is _____ any _____ for call disruptions _____?

_____ problems causing _____ to stop?

There might be _____ to technological _____.

Can poor _____ breaks _____ talks?

Technical issues _____ breaking _____ over the _____.

What is causing a _____ short _____ when _____ phone?

_____ there _____ cellular service _____ issues?

Are there _____ are _____ call _____?

Is _____ issues _____ ruin _____ calls?

Technical _____ are _____ interruptions

Is there a _____ between call _____ on cellular _____?

Cell _____ can _____ call _____.

_____ drops _____ related _____ technical errors.

There are _____ errors _____.

_____ are _____ technical fault that _____ disruption while _____ over _____ networks.

Is _____ calls due _____ fault?

Is _____ system errors that _____ intermittent _____ during _____?

_____ problems _____ network disruptions?

_____ you _____ via _____ encounter _____ problems?

The _____ disrupted _____ technical flaws _____.

_____ sporadic voice _____ to technical _____ cellular services?

Is there _____ technical _____ disruptions while talking _____ phone?

During cell _____ do glitch _____?

Are there call _____ to _____ cell networks?

Do technical _____ disruptions?

_____ technical errors _____ to _____?

Sometimes calls get _____ due _____.

Can _____ interrupt _____?

Tech _____ can _____ when using _____ networks _____ calls.

During a _____ glitch _____ chats _____?

_____ phone _____ are interrupted by _____.

There are occasional _____ disruptions _____.

Will _____ calls _____ disrupted _____?

_____ interfere with my _____?

_____ of _____ errors that _____ drop or get _____?

_____ phone conversations are _____ interrupted _____.

_____ calls are _____ glitch.

Cell _____ break _____ to _____.

Technical bugs during _____?

_____ might be able to _____.

_____ sometimes technical _____ that cause calls _____ drop _____ interrupted.

Technical problems can _____.

Technical problems _____ to _____ breaks/disturbances _____ talking on the _____.

Can _____ cell _____ calls?

Is _____ caused by technical _____ in the _____?

Is it _____ disrupt cell _____?

_____ people think technical errors _____.

_____ are tech _____ disrupt cell _____.

A _____ is causing _____.

_____ it _____ glitch _____ causes call _____?

_____ breaks in _____ due _____ technological _____?

_____ tech _____ effect cell _____?

_____ it _____ that technological _____ cause cellular _____?

Sometimes calls are _____ errors.

_____ be _____ by technology issues.

Is _____ interrupted by _____ service?

Call disruptions _____ be _____ technical _____.

_____ technical problems _____ call _____.

_____ know if technical issues _____ during phone _____?

_____ calls related _____ malfunction?

_____ can interrupt _____.

The _____ while _____ via _____ caused by technical glitch.

There _____ that are _____ with my _____.

_____ breaks are caused _____?

_____ fault _____ be _____ of frequent, short disruptions _____ communicating through the _____.

Cell calls _____ glitch.

The intermittent phone _____ to _____.

Why are _____ when _____ for calls?

_____ network are caused by glitch?

_____ technical flaws _____ cellphone _____

Celluar _____ is disrupted _____ by _____.

_____ the _____ related to _____ malfunction?

Is there _____ disruptions on _____ cell networks?
_____ break during glitched _____.

There are _____ calls to _____.

_____ there _____ for _____ mobile network _____ be slow?

Technical _____ cause _____ to _____ or _____.

When _____ networks for calls, is _____?

Can some _____ interrupt _____?

_____ intermittent breaks _____ your _____ to technical _____?

Cell _____ may _____ by _____

Call disruptions _____ networks may _____ technical problems.
_____ problems cause choppy _____?

Is _____ technical _____ affect our _____?

_____ can _____ disruptions _____ calls?

cell calls might _____ tech _____.

_____ voice distortions _____ to technical problems in _____?

There _____ flaws _____ disrupt cellphone _____.

Is call _____ glitch?

_____ malfunctions _____ services can _____ voice distortions.

Is the _____ in _____ due _____?

_____ sporadic cut-offs in _____ are the result _____ technical flaws?

Is it possible that our calls _____?

What is _____ of frequent, short _____ a mobile _____?

_____ over cellphone networks _____ disrupted _____ faults.

_____ breaks _____ to _____ by glitch.

Have _____ system errors that cause _____ interruptions in _____?

There _____ technical _____ that _____ cellphone _____.

Would _____ cause choppy _____?

Sometimes _____ on cell networks.

cell _____ are _____ by _____

Can you tell _____ if the _____ are _____ by _____?

There are faulty technology _____.

_____ technical issues _____ cause choppy _____.

_____ problems disrupt cell _____?

Is there _____ using mobile _____ calls.

do _____ issues affect _____?

_____ disruptions due _____ technical issues?

_____ phone conversations _____ interrupted by technical problems?

Are _____ causing _____ stop?

_____ that _____ intermittent _____ while talking on the phone.

_____ interrupted due to _____ fault _____ mobile service?

Poor cellular _____ due to _____.

Does glitch _____ chats _____?

Sometimes calls _____ of _____.

Is it _____ that technical _____ to blame for _____ in _____?

_____ breaks _____ caused by _____.

_____ about the _____ that ruin _____ calls?

_____ calls _____ be _____ to technological _____.

Break in _____ with _____?

Could _____ cut-offs _____ voice calls _____ result of _____ issues on your _____?

_____ glitch interrupt _____?

_____ phone _____ caused _____ issues?

Is _____ technical _____ interruption?

Cell phone _____ interrupted by _____.

Can _____ explain _____ causes _____ the phone?

There are _____ disruptions.

_____ calls may _____ by tech _____.

Talk over _____ networks _____ disrupted _____ known technical _____.

_____ interruption/dropout related _____ glitch?

_____ cellular service bad _____ problems?

When _____ interruption _____ to _____ fault of _____ service?

_____ bugs in _____ system that _____ hard _____ talk _____ the cellphone network?

_____ technical issues that _____ choppy phone _____.

_____ it _____ technical issues that _____ chats on the _____?

Is _____ that technical problems _____ the _____ stop?

_____ technical _____ causing the _____ interruptions?

Our _____ may _____ interrupted _____ connection.

Does tech _____ affect _____?

Is break _____ calls _____ technological _____?

Tell _____ why _____ phone _____ keep getting interrupted _____.

Are _____ in _____ system to blame for the _____ interruptions _____ you _____?

Is _____ possible _____ our calls _____ paused _____ to _____?

Is _____ while talking on _____ to _____?

Is _____ that there _____ issues that cause pauses _____?

_____ bugs during _____ could _____.

_____ in _____ due to _____ problems.

Are _____ issues _____ mobile network _____ glitch?

Is there any _____ when using _____?

_____ glitch _____ during cell phone _____?

_____ calls might be _____ by _____

_____ flaws _____ cellphone communication.

Technical _____ may be to _____ for _____ breaks/disturbances _____ cellular _____.

_____ you know if _____ disrupted due to _____?

_____ errors a cause of _____?

_____ distortions are _____ by technical issues in cellular _____?

_____ found any system _____ that lead _____ intermittent _____ calls?

Are technical problems _____?

_____ be _____ by technological fault.

Is cell _____ disrupted _____?

_____ it possible _____ phone conversations can be _____?

Are call _____ by _____?

_____ call _____ could be _____ technological _____.

_____ poor _____ service _____ to _____ flaws?

_____ technical _____ call problems?

_____ breaks _____ to glitch?

_____ technical flaws _____ disrupt _____ communication.

_____ glitch _____ blame _____ call _____?

Are _____ because of _____?

_____ bugs can _____ disruptions _____ calls _____ made.

Technical _____ can _____ the _____.

_____ bugs in your system _____ the buzzkill _____ on this _____ network?

Is _____ correlation _____ intermittent voice _____ technical malfunction _____ services?
 _____ disruptions _____ to technical _____?
 _____ you _____ if the _____ conversations _____ disrupted by _____ malfunction?
 _____ it _____ cause call disruptions?

Is _____ related _____ service problems?
 Technical _____ causes _____?
 _____ a link _____ distortions _____ cellular services malfunctioning?

Sometimes _____ drop or _____ to _____ issues.
 _____ there a correlation _____ call disruptions and _____ glitch _____?
 _____ over _____ networks _____ be disrupted _____ technical _____.

Is calls _____ problems?
 _____ glitch make _____ conversations _____?

Is _____ fault that _____ occasional disruption _____ talking _____ cellphone?
 _____ intermittent voice _____ can be _____ to _____ services.
 _____ wonder if the sporadic cut-offs _____ voice _____ are _____ flaws?

Sometimes _____ are due to technical issues.

Can you _____ me if technical _____ phone _____?
 _____ technical problems _____ call _____?

Is _____ possible _____ talk _____ cellular _____ tech _____?

Why _____ frequent, _____ disruptions when _____ a _____ phone?
 _____ there a known fault _____ occasional _____ over _____ phone?
 _____ phone calls get _____ errors.

Is _____ possible that _____ issues _____ my cell _____?
 _____ there _____ when _____ through the _____ signal?
 _____ disruptions _____ by _____ glitches?
 _____ to blame _____ call interruptions?

Is _____ to _____ for _____ interruptions?

Is the cut-offs in _____ flaws?

Technical fault _____ mobile _____ cause interruption _____.

Do _____ chats to _____?
 _____ are _____ mistakes _____ cause _____ drops.
 _____ that _____ are _____ difficulties that affect _____ service?
 _____ disruptions on _____ be blamed on _____ glitch.

Do _____ affect _____?
 _____ phone conversations _____ disrupted by _____.
 _____ intermittent breaks/disturbances while talking _____ cellular service
 _____ are likely to _____ by tech _____.
 _____ voice _____ be _____ on _____ services _____?

Sometimes _____ due _____ technical _____.

Is _____ a correlation _____ on _____ networks and technical _____?

Did you _____ system _____ that lead _____ during _____ conversations?

Sometimes phone drops _____ technical _____.

There may _____ known _____ that _____ disruption _____ talking on _____ phone.

Is _____ possible that _____ cellular _____ disrupted _____ of technological _____?

Is _____ breaking our chats?
 _____ the _____ to a technical problem _____ mobile _____?

Is _____ possible _____ technical issues cause _____ to _____?
 _____ occasional _____ in _____ voice calls be _____ technical flaws?
 _____ issues are _____ on the _____ network.

Sometimes call _____ because _____ technical _____.

Are there any _____ interruptions?

Is _____ disruptions _____ by technical _____ on _____ networks?

Is _____ a malfunction _____ off while talking on _____?

A tech fault may _____ short _____ communicating through _____.

Cell conversations _____ of _____

_____ interruption _____ my _____ network a _____?

Do _____ rough calls?

_____ it the _____ problems that _____ our _____?

During _____ conversations _____ make _____ stop?

_____ during calls _____ disruptions.

_____ there a relationship _____ technical errors _____ drops?

_____ call disruptions on _____ cell _____.

_____ the patchy coverage _____ chats?

Is _____ a problem _____ the cellphone networks _____?

Is it _____ that _____ caused _____ when using _____ networks _____?

_____ this glitchy _____ messing _____ my _____?

_____ that _____ service problems _____ caused _____ technological difficulties?

Is _____ the _____ that _____ our _____?

_____ technical _____ phone calls?

_____ networks might be _____ by technical glitch.

Sometimes _____ interrupted _____ of _____ error.

Call _____ on cellular networks _____ account _____.

Are _____ service _____ to _____ difficulties?

_____ cell phone _____ do _____ stop?

What is _____ a lot of _____ when using _____?

_____ you _____ me if phone conversations _____ technical problems?

Does _____ during _____ phone conversations?

_____ there disruptions _____ for calls?

_____ have to _____ technical issues?

_____ in calls _____ to _____ fault?

Cellphone conversations are _____ with _____.

Is it _____ errors _____ to _____ when _____ mobile networks for calls?

Do _____ occur _____ issues?

Has _____ a problem with shoddy _____ ruining _____?

_____ you say _____ conversations are disrupted _____ problems?

_____ that glitches _____ my phone conversations?

Technical _____ making _____?

Do _____ do with _____ glitches?

Is there _____ disruptions _____ cell networks?

_____ is _____ phone _____ by glitches?

_____ can _____ by technical flaws _____.

_____ cause _____ to _____ cell conversation?

_____ interrupt cellular _____.

_____ glitch may be _____ intermittent breaks/disturbances _____ talking.

_____ technical _____ cause _____ service?

Is _____ that voice distortions _____ caused by malfunction _____?

_____ problems are breaking _____ cellular network.

_____ the glitch _____ call _____?

_____ the _____ my _____ network caused by _____?

technical _____ can _____ choppy _____.

_____ it possible that _____ are to _____ for _____ stopping?
 There _____ disruptions related to _____ when using _____.
 Is there _____ that lead _____ intermittent _____ during _____?
 _____ there a _____ for _____ in cellular services?
 Is it _____ cellular _____ happen _____ of technological _____?
 Problems _____ to blame _____ call _____.
 _____ there a reason for _____ talk _____ network?
 Break in calls _____ by _____?
 What's _____ the _____ coverage to _____?
 _____ cellular service _____ is related to _____ difficulties?
 Technical _____ call disruptions on _____ cellular networks.
 Cell calls _____ get disrupted _____.
 _____ possible _____ technical errors cause _____?
 Have _____ that lead to intermittent _____ phone conversations?
 Is _____ because of _____ flaws?
 _____ fault causes occasional _____ talking over the phone?
 Does malfunction _____ while _____ on _____?
 Technical bugs during _____ cause _____.
 _____ it possible that _____ cut-offs _____ my _____ calls are due _____?
 _____ might _____ calls.
 Have _____ any _____ errors that cause _____ during _____ phone _____?
 _____ problems _____ interrupt _____.
 Technical _____ could _____.
 Sometimes technical _____ communication.
 _____ are _____ that affect cellphone _____.
 _____ it _____ phone service _____ work _____ at times?
 Cellphone _____ interrupted _____ unreliable _____.
 _____ technical flaws that _____ service.
 _____ call _____ caused by technical problems _____?
 Do _____ issues _____ calls?
 _____ in _____ may _____ disruptions.
 _____ disruptions caused _____ glitch?
 Does _____ issues disrupt _____?
 There _____ causing call _____.
 Is _____ my phone _____?
 _____ there _____ behind call _____?
 Can glitch _____ calls?
 Is _____ breaks _____ calls _____ technical issues?
 There are _____ cellular _____.
 _____ about _____ issues causing _____?
 There _____ disruptions _____ mobile _____ for calls.
 Cell _____ be _____ from _____ issues.
 _____ you know _____ there _____ errors _____ to intermittent interruptions _____ calls?
 _____ technical issues _____ to _____?
 Is talking interrupted _____ the _____ of _____ service?
 _____ can ruin _____ voice chat.
 _____ disruptions come _____ tech errors _____ mobile _____?
 _____ conversations are interrupted _____.
 Is _____ possible _____ technical _____ can cause disruption while _____?
 _____ calls might _____ because _____ tech _____.

____ it possible ____ sporadic voice ____ due to ____ cellular ____?
 ____ me why ____ interrupted by glitch.
 Technical ____ be breaking our chats ____ the ____.
 ____ problems can ____?
 Do phone ____ choppy ____ issues?
 Is ____ possible ____ from tech errors ____ mobile networks?
 ____ affect chats ____ cell phone ____?
 ____ are ____ flaws ____ communication occasional.
 ____ because of the technical ____ of ____ mobile ____?
 ____ technical ____ cause ____ calls.
 ____ occasional cut-offs ____ my voice calls ____ the result of ____ flaws?
 Technical ____ over the cellular network.
 Technical ____ can ____ disruptions.
 Sometimes calls get interrupted ____ technical ____?
 Is ____ that the ____ are due to ____?
 Technical ____ causing calls ____ stop?
 ____ glitch interrupt ____?
 ____ issues affect cell ____?
 ____ issues ____ cell calls.
 Tech ____ to disruptions ____ mobile networks.
 ____ are Irregular call ____ to ____ malfunction.
 ____ there a ____ for intermittent ____ while talking ____ the ____?
 Can ____ tell me if ____ with ____ conversations?
 ____ call ____ caused ____ glitch?
 Is the ____ blame ____ my mobile network?
 Call issues ____ problems?
 Does technical ____ intermittent ____?
 Is there any ____ call disruptions ____?
 Are ____ service interruptions ____ difficulties?
 Does ____ affect ____ on ____?
 ____ are ____ by ____ technology.
 ____ call ____ by ____ glitch ____ the cellular networks?
 Is ____ to ____ these service problems while ____ to ____ via ____?
 Did ____ glitch ____ the ____?
 ____ it ____ that ____ technical issues causing our ____ stop?
 Is there ____ cause ____?
 ____ error behind ____?
 Sometimes calls will ____ errors.
 ____ phone ____ are stopped ____ technology.
 ____ errors ____ calls ____ stop?
 ____ it possible ____ there ____ with my mobile ____.
 ____ tech error ____ the ____.
 There ____ technical ____ affect ____ communication.
 ____ there ____ chance ____ cellular ____ interruptions are ____ by technological ____?
 ____ glitch disrupt ____?
 Are ____ caused ____ errors when ____ mobile ____?
 ____ issues ____ disruptions during ____.
 ____ calls may ____ due ____ technological ____
 Technical ____ disrupt ____.
 ____ our ____ over ____ cellular network.

_____ breaks _____ calls _____ of technological _____?
 _____ problems _____ call _____?
 Is _____ possible _____ there are _____ our calls?
 Sometimes _____ can interfere _____ communication.
 Have technical _____ call _____?
 Sometimes _____ because _____ errors.
 _____ via cellular _____ tech issues?
 Is _____ service _____ are _____ by technological difficulties?
 When communicating _____ a mobile _____ is _____ disruptions?
 Is _____ the technical _____ our _____?
 _____ if there are system _____ that _____ to _____ interruptions during _____?
 Have _____ any _____ errors _____ interruptions during the phone conversation?
 Call _____ cellular networks can _____ technical glitches.
 Is _____ caused by _____?
 Is _____ cellular service disruptions _____ the result _____ technological _____?
 There are intermittent _____ drops _____.
 What _____ intermittent _____ issues?
 Cell _____ conversations _____ disrupted.
 Call disruptions on cell _____ be _____ to _____.
 Does tech _____ calls?
 _____ phone _____ that _____ getting interrupted _____ glitch.
 Call _____ may be caused _____.
 Does technical _____ call _____?
 _____ connection may be the _____ of _____ our _____.
 _____ identified any _____ errors _____ intermittent interruptions in phone _____?
 Is _____ possible _____ phone conversations get _____ malfunction?
 _____ do _____ keep having _____ my cellphone?
 _____ call _____ be caused _____ technical glitch _____ networks?
 _____ call _____ to technical _____ happen?
 _____ breaks in _____ may be _____ issues.
 Cell _____ calls _____ be _____ issues.
 Should technical _____ phone _____?
