

[Demo] NLP Dataset for Customer Service Automation

Company Type	Auto Repair and Maintenance Shops
Inquiry Category	Unusual vibrations while driving
Inquiry Sub-Category	Brake system concerns
Description	Customers raise concerns about vibrations occurring during braking, which may indicate warped brake rotors or worn-out brake pads needing replacement.
Data Size	9,596 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Auto Repair and Maintenance Shop" customer inquiry. (Purchased data will not be masked.)

Could worn-out brake ____ be ____ for the ____ ____ ?
When a car ____ can ____ pads ____ ____ ?
Are the ____ ____ the cause of ____ vibrating ____ ?
Is worn-out ____ a ____ the ____ ?
Was ____ that ____ would ____ tremors?
Old ____ could ____ the reason for ____ ____ brakes.
____ aging brake ____ you feel ____ ?
____ out ____ cause shaking ____ braking?
Is ____ brake pads ____ the ____ ?
____ wonder ____ ____ vibration is due to ____ pads.
Is ____ brake pads ____ shaky brakes?
Is ____ trembling ____ when applying brakes ____ ____ degraded brake ____ ?
____ eroded brake ____ shakiness when ____ ?
Do ____ brake ____ lead ____ ?
Is ____ that damaged ____ pads cause ____ sound ____ ?
Is the ____ of ____ pads?
Have ____ caused by ____ pads?
Do ____ a ____ play ____ generating these vibrations?
____ brake ____ be to ____ vibrating?
Is worn brake ____ ?
____ when ____ brakes ____ be linked to degraded ____ pads.
____ happen ____ worn-out brakes?
____ it possible ____ tired-out brake pads ____ brake ____ ?
____ tremors ____ brakes are thought ____ be due to degraded ____ .
____ wearing ____ brakes ____ when ____ brake?
____ old brake pads the ____ ?
____ the ____ brake ____ related to the ____ ?
____ jerking ____ possible if the brake ____ are ____ ?

Do shaken stops have ____ do ____ ____ ____ ?
 ____ pads ____ while we ____ ?
 ____ brakes causing ____ vibrations?
 ____ the ____ because ____ brake pads?
 It is ____ worn ____ brakes ____ car vibrate.
 ____ brakes a ____ of ____ pads?
 ____ be ____ blame for the sound when ____ brake?
 Is it ____ these vibrations are ____ decline?
 Is it possible ____ the ____ due ____ brake pads?
 ____ it ____ pads to lead ____ shaky stops?
 ____ vibrating ____ sign of bad ____ ?
 ____ feeling ____ to old brake pads?
 Is it a ____ worn ____ result in ____ ?
 Was the vibrating ____ a ____ ?
 Is ____ vibrating brake ____ old?
 Are ____ shaky ____ of ____ ?
 Do ____ cause ____ when ____ brake?
 It's possible ____ worn-out ____ making my ____ vibrate.
 ____ shaky ____ a result ____ brake pads?
 Are the ____ to the ____ brake ____ ?
 Tired ____ pads ____ cause ____ .
 Is ____ possible ____ brakes ____ vibrations?
 Is ____ noise ____ pads?
 ____ that ____ brakes play a part ____ these vibrations?
 Degraded ____ reason for the ____ when applying brakes.
 ____ it ____ from using ____ pads?
 When ____ the brakes, is the noise ____ pads?
 ____ possible that worn ____ pads ____ these ____ ?
 Is the garbage ____ to blame ____ bad ____ ?
 ____ possible ____ tired out brake ____ can ____ vibrations?
 Is it possible ____ vibrations?
 ____ aged ____ pads produce ____ ?
 ____ be caused ____ brake pads.
 ____ it possible ____ the ____ are to blame?
 ____ braking ____ tired brake ____ ?
 ____ it ____ brake ____ cause vibration?
 ____ it ____ old brake ____ will vibrate?
 ____ brake ____ wear ____ be causing ____ to ____ .
 ____ the vibrations linked ____ pad ____ ?
 ____ it ____ that my ____ causing these vibrations?
 Are ____ brakes vibrating because ____ ?
 ____ brake ____ affect the ____ ?
 Is it possible that ____ can ____ a ____ ?
 Old ____ pad wear ____ vibrate.
 ____ it ____ for old ____ cause ____ sensations?
 ____ pads could be to ____ .
 ____ it ____ the degraded brake ____ that the ____ are ____ ?
 Do ____ brake pads ____ to ____ ?
 ____ the brakes ____ old brake pad?
 Is it ____ that ____ out brake ____ are ____ blame ____ the ____ ?

Is worn ____ pad ____ ?

The brakes ____ impacted by ____ .

____ brakes ____ impacted ____ pad wear.

____ worn brake pads ____ shaky stops?

Would ____ cause a ____ when ____ ?

____ it ____ for the ____ to ____ of tired-out brake ____ ?

Is jerking ____ by ____ pads?

____ brake ____ to ____ shaky stops?

____ wonder ____ brake pads can cause ____ .

Is ____ possible ____ brakes ____ cause issues when ____ ?

Is ____ for rattling brakes?

Maybe ____ because ____ used-up ____ pads.

____ possible that worn ____ pads ____ to vibrate?

____ braking pads ____ jerking ____ rattling?

I wonder ____ because of the ____ pads.

Do ____ make ____ during braking?

Old ____ shake ____ you ____ .

Can the ____ braking be ____ to old ____ ?

I would like ____ if worn-out ____ causing ____ .

Are the ____ brake pads?

____ possible that damaged ____ cause the ____ to ____ .

____ worn-out ____ while braking?

____ brakes ____ noise?

____ a connection ____ shaken stops and ____ ?

____ if it's ____ a used-up brake ____ ?

____ trembling felt when ____ brakes due to the ____ ?

Are ____ brakes because ____ brake ____ ?

____ the ____ feeling ____ old brake pads?

Are old ____ pads ____ ?

Can ____ pads ____ to stop?

Is it possible ____ pads ____ cause these ____ ?

____ brakes ____ the worn-out pads?

____ pressure to ____ do ____ brakes cause ____ vibrations?

There is ____ chance ____ the worn-out brakes are ____ .

Is ____ is caused by the brake ____ worn?

Is it the ____ that ____ ?

The ____ and the ____ old.

Is ____ sound ____ the brakes ____ the ____ pads?

Is it ____ that ____ brake pads ____ cause ____ ?

____ that worn ____ are causing problems?

Is it possible that ____ ?

____ that ____ brake pads ____ jerks?

____ that the ____ out brakes ____ making ____ vibrate.

____ sign that ____ pads are exhausted?

____ cause the sensation when we slow ____ ?

____ my car ____ because of ____ ?

____ brake ____ when you brake?

Is ____ possible for the ____ pads to wear ____ ?

____ it possible that worn-out brakes ____ when ____ ?

____ it ____ a ____ with ____ brake pads worn out?

_____ are old _____ cause vibrations.
 _____ are _____ pads _____ shake while _____.
 _____ pads _____ when braking?
 _____ jerking and _____ be _____ by poor _____ pads.
 _____ it possible _____ worn _____ affect braking?
 _____ tired _____ cause shaking?
 _____ hit the _____ do _____ vibrations mean worn-out _____?
 Is _____ tired brake pads _____ cause brake _____?
 _____ tired brake pads _____ shaky _____?
 Could _____ brakes _____ problems when _____?
 Is old _____ pad _____ causing _____?
 Is _____ material a reason _____ during _____?
 _____ pads going to _____ during _____ effects?
 Will _____ be _____ old pad _____?
 _____ brake _____ for loud brakes?
 Will _____ shaking of the _____ old _____ material?
 _____ vibrating sensation due _____ brake _____?
 Will _____ result in _____ rattling?
 _____ brake pads _____ brakes to _____.
 _____ pads cause _____ when _____ brake?
 There _____ brake pads _____.
 Could worn _____ an _____?
 _____ the worn brake _____ when _____?
 _____ possible _____ worn brake _____ to _____ these strange _____?
 _____ feeling _____ old brake pads?
 _____ it possible that _____ can _____ brakes?
 Could it _____ using _____ pads _____ vibrating?
 Is _____ that tired-out _____ pads _____ brakes _____ vibrate?
 _____ possible that worn brake pads _____ noises?
 The worn-down pad _____ trembling _____.
 _____ bad brake _____ jerks and _____ during _____?
 _____ it possible that bad brake _____ and rattling _____?
 _____ possible _____ out _____ pads are to _____ the jerks?
 _____ brake _____ make you _____?
 _____ possible for brake pads _____ out _____ brake vibrations?
 _____ there a _____ pads vibrating?
 Are worn-out _____ of shaking _____?
 If the brake _____ out, can it _____?
 _____ pads be to blame _____ vibrations when _____?
 _____ applying pressure to stop, _____ out _____ part?
 Is the brake vibrating _____ a _____ pads?
 _____ pads shake during _____?
 The _____ pads _____ braking.
 Is the damage _____ the brake _____ cause _____ brakes _____?
 Is _____ possible _____ pads _____ possibly cause vibrating?
 _____ possible for old _____ pads _____ cause _____?
 Is _____ worn brake _____ the brakes vibrate?
 _____ it _____ for _____ brakes to _____ from _____ pads?
 Is _____ possible _____ pad depletion?
 _____ pads the _____ for noise?

____ shaking stops ____ worn ____ pads?
 ____ possible to ____ brake ____ from ____ brake pads?
 ____ brakes ____ due ____ worn out pads?
 Is it ____ brakes are ____?
 Is ____ to shake while ____?
 The brakes might ____ vibrating due _____.
 ____ that ____ pads produce noises?
 Is ____ shuddering ____ the old ____ pads?
 ____ possible that ____ brakes vibrate due ____ damaged ____?
 ____ brakes ____ shaky stops?
 That ____ be ____ damaged ____ pads.
 Is used ____ tremors?
 ____ that deteriorated brakes cause ____ when ____?
 ____ the ____ when braking ____ out pads?
 Do ____ vibrate due ____ brake ____?
 Is ____ possible ____ worn brake ____ the ____ of ____ vibrations?
 Is ____ possible ____ could ____ vibrations?
 Is it due ____?
 ____ worn-out brakes ____ factor ____ vibrations when applying pressure ____?
 ____ bad pads cause ____ car ____ while ____?
 ____ is a question ____ worn-out ____ a role in ____ vibrations.
 ____ can result ____ shaky ____.
 When ____ hit ____ there sound like worn-out ____?
 Is it ____ brakes will ____ to unpleasant sensations ____?
 Is it ____ these ____ caused by ____ failure?
 ____ pads the ____ of shaky ____?
 Is it possible that ____ to blame ____ brake ____?
 ____ brake pads ____ shaky ____?
 ____ brake ____ can cause ____.
 Is ____ connected ____ the ____ brake pads?
 Is ____ possible ____ worn ____ cause some ____?
 Do ____ brake pads ____ the ____ brakes?
 ____ if ____ brake pads ____ to blame ____ the ____?
 ____ the ____ sensation when we ____ because ____ brake pads?
 Old ____ vibrating.
 Is ____ brake ____ to ____ the trembling felt ____ brakes?
 When ____ hit the brakes, ____ noise ____ worn-out ____?
 ____ stops ____ to worn out ____?
 Are brakes ____ because ____?
 Is it possible ____ brakes could ____?
 Is the ____ applying ____ because of degraded ____?
 Is ____ a ____ for ____ pads ____ cause brake ____?
 ____ it possible ____ tired-out ____ brake movements?
 Is ____ brake pads ____?
 ____ worn ____ pads shake when ____?
 ____ pressure ____ stop, are ____ out brakes ____ factor?
 Is the ____ brake ____ for ____ vibrating when ____?
 ____ worn brake pad ____.
 ____ brake ____ be ____ blame.
 Do old ____ you brake?

_____ braking caused by old brake _____?
 _____ brake pads cause shaking.
 _____ don't _____ worn-out brake pads _____ blame for _____ vibrations.
 Are the _____ vibrating _____ worn _____?
 Is it _____ worn _____ brake _____.
 Did those sensations come _____?
 Could used _____ cause _____?
 Would _____ brakes affect the _____ you _____ stop?
 _____ brake pads cause _____ rattling?
 _____ worn _____ shake _____ you stop?
 _____ the brakes _____ of _____ brake _____?
 _____ possible that worn-out brakes are _____ in generating _____?
 _____ the _____ by worn-out _____?
 _____ that _____ brake pads produce _____?
 _____ want _____ if it is because _____ pads.
 Are _____ to bad _____?
 _____ worn brake pads _____ cause _____?
 _____ worn brake _____ a cause _____?
 Is _____ a _____ for worn-out _____ these _____ waves?
 _____ eroded _____ pads the cause _____?
 Does _____ cause _____ when _____ brakes?
 Is _____ that used-up _____ tremors?
 _____ vibrations are _____ to _____ brake _____ usage.
 _____ possible that worn _____ cause _____?
 _____ possible that _____ car _____ vibrated _____ worn-out _____.
 _____ brake _____ can cause _____ you _____.
 _____ old _____ pads _____ shaking?
 Is it _____ to create _____ sensation if _____ brakes _____?
 _____ brake _____ might _____ shaking.
 Is _____ possible that worn _____ the _____ of these _____?
 Is it _____ Brake _____ old _____ cause _____?
 _____ when brakes due _____ worn _____ pads?
 Is it _____ that _____ unpleasant sensations?
 _____ brakes _____ tremors?
 Is _____ garbage _____ to blame _____ the bad _____?
 Is _____ of _____ the _____ feel when applying brakes?
 _____ it possible that _____ the _____ of _____ pad _____?
 Is it _____ wearing-out _____ vibrating?
 _____ wobbly _____ result of _____ pads?
 Should _____ brake _____ the vibrating sensation when we _____ down?
 _____ there a correlation _____ aging _____ and _____?
 Is _____ a _____ when _____?
 Should _____ brake _____ be _____ blame for the _____ felt _____?
 _____ pad material may make _____.
 Would _____ brakes _____ about _____?
 I wonder _____ it's _____ of _____ old _____.
 _____ the vibrating sensation is caused by _____.
 When _____ do _____ brake pads _____?
 Is it _____ old _____ pad _____?
 _____ can _____ shaky stops.

_____ sound _____ brakes _____ sign of _____ pads?
 Does _____ lead _____ vibrating?
 Is it possible _____ old _____?
 Is _____ brake _____ caused _____ worn _____?
 _____ wearing _____ brakes _____ shaking while _____?
 _____ is a possibility _____ brakes are making _____ vibrate.
 _____ it _____ brake pads.
 Tired _____ cause the _____ to _____.
 _____ worn-out brakes _____?
 _____ old pads _____ braking.
 Is old _____ a _____ shaking?
 _____ because of _____ poor pads?
 Do worn-out _____ pads cause _____ I hit _____?
 _____ the brakes _____ of _____ brake pad _____?
 _____ trembling felt _____ brakes a result of degraded _____?
 Do the _____ vibrate _____ worn-out _____?
 _____ from the old brake _____?
 _____ true _____ brake pads produce _____?
 When braking could _____?
 Is _____ that _____ out _____ cause shaking _____ braking?
 _____ the exhaustion of _____ brake _____ linked to _____?
 _____ it _____ worn brake pads _____ problems?
 _____ shuddering feeling _____ with the old _____?
 _____ old brake _____ reason _____ vibrating?
 _____ it possible that _____ brakes _____ worn _____ and _____ sensations?
 Do old _____?
 Is it _____ for _____ brakes _____ vibrating?
 _____ shuddering feeling _____ be _____ old _____ pads.
 _____ brake pads _____ hard _____ brake?
 _____ the _____ brakes that are _____ these vibrations.
 Is _____ possible that the _____ braking problems?
 _____ brake pads _____ when I _____?
 _____ it possible _____ worn brake pads to _____?
 Is _____ due _____ worn _____ brake _____?
 Can _____ result _____ brake pads?
 The _____ when applying brakes might be related _____.
 Is shaking _____ worn- _____ brakes?
 _____ brakes are vibrating due _____ the _____ brake _____.
 _____ to _____ worn-out brakes generate the vibrations?
 _____ vibrate because _____ old brake _____?
 _____ possible _____ brakes cause vibrating sensations?
 It's _____ brakes could _____ problems.
 Do deteriorated _____ cause _____?
 _____ it _____ of _____ pads?
 Is it possible that worn _____ when _____?
 Is _____ possible that _____ pads shake _____?
 _____ come _____ worn-out pads?
 When _____ pressure _____ stop, do worn _____ play a _____?
 Is _____ feeling caused by _____ old _____?
 _____ it possible _____ pads cause brakes to _____?

____ can ____ caused by ____ brake ____ .
 ____ brake issue caused by ____ ?
 ____ pressure ____ applied ____ do ____ brakes ____ a part?
 Do ____ brakes ____ shaking?
 ____ pads may be ____ cause ____ the ____ when applying ____ .
 ____ it ____ worn ____ affect the ____ ?
 Is ____ brake ____ from tired-out pads?
 Is ____ possible ____ old brake pads ____ ?
 Are faulty ____ pads ____ cause ____ sensation when ____ down?
 ____ worn-out ____ factor ____ shaking while braking?
 Is ____ garbage brake pads to ____ when I ____ ?
 the ____ is ____ brake pads
 Is tired brakes ____ lead ____ ?
 Does the shuddering ____ during ____ with old brake ____ ?
 Could ____ out brake ____ to ____ ?
 ____ tired brakes ____ linked to ____ .
 ____ tremors felt when ____ are ____ degraded brake ____ .
 Is ____ a ____ that ____ cause shaking while ____ ?
 ____ possible ____ vibrations ____ linked ____ exhausted ____ pads.
 Is ____ brake ____ caused ____ pads?
 During slowing ____ up brakes ____ ?
 ____ on the brake pads ____ an ____ on the ____ ?
 Can wear-out ____ cause ____ when ____ ?
 ____ possible that ____ brakes ____ feelings when braking?
 ____ it ____ for ____ brake ____ to ____ brake vibrations?
 Is ____ brake ____ because of ____ ?
 ____ it possible to cause ____ problems ____ pads?
 Is it possible that tired ____ pads ____ ?
 Is ____ worn-out ____ a factor?
 ____ brake pads making ____ to ____ ?
 Is there a problem ____ ?
 ____ it possible ____ damaged brake ____ the brakes to ____ ?
 Is ____ aged brake ____ produce ____ ?
 ____ blame for the tremors felt?
 Old brake pads ____ those ____ .
 ____ be affected ____ pad wear.
 Is ____ old ____ Pads ____ cause vibrations?
 I ____ to ____ if worn-out ____ are ____ vibrations ____ brake.
 ____ it ____ problem that ____ cause shaking?
 If the ____ are ____ out, can ____ sensation?
 I wonder ____ garbage brake pads are ____ while stopping.
 Is ____ worn-out ____ pads?
 Is ____ noise coming from ____ ?
 ____ brakes vibrate due ____ old ____ ?
 ____ shaky ____ result ____ tired ____ pads?
 ____ if my ____ brake ____ to ____ for the vibrations.
 When ____ do ____ brakes have ____ role to play?
 Old ____ shaking ____ braking?
 I ____ know ____ worn-out ____ cause vibrations ____ I ____ .
 ____ old brakes ____ ?

Is ____ possible ____ bad brake ____ ____ jerk and ____?

Is ____ brakes ____ tremors when ____?

____ it ____ to ____ brake pads?

When ____ the brakes, ____ worn-out ____ pads ____ any ____?

____ possible ____ tired-out brake ____ cause ____ vibrations.

____ tremors ____ when ____ brakes ____ result of degraded brake ____?

Is ____ brake pads ____ you ____?

The tremors ____ felt when ____ brakes may be ____ degraded ____.

Is it possible ____ brakes ____ cause problems ____?

____ decrepit ____ affect ____ effects?

____ it ____ that eroded brake pads ____ ____ shaky ____?

Do ____ pads shake ____ you ____?

When ____ down, are the faulty brake ____ ____?

____ wear on the ____ pads ____ of the ____ vibrating?

Can ____ brakes cause ____ when ____?

____ brake ____ ____ shaky stops?

____ it possible that ____ are caused by ____ ____?

Is ____ for ____ to cause vibrating ____ when ____?

Do you ____ that ____ brakes ____ a ____ exhausted ____?

I wonder ____ those ____ are ____ old ____ pads.

____ be linked to exhausted ____.

Is ____ sign of exhausted ____ the ____ are ____?

____ pads affect the ____?

Is ____ ____ to ____ with the braking effects?

____ brake pads ____ an ____ braking?

____ it ____ create a vibrate ____ if the brakes ____ ____?

Is ____ brake pads ____ noise?

____ the ____ a ____ of ____ vibrations?

Is ____ possible ____ ____ to sensations?

Is ____ pads going to shake ____ braking ____?

Do ____ brake pads ____?

Is it possible that ____ ____?

Is it possible the ____ are linked ____ ____?

____ it possible ____ brake pads ____ shakiness?

Are ____ stops ____ by tired ____?

Are the ____ because of ____?

Would the tremors ____ during slowing ____ caused ____ ____?

____ a ____ between ____ brake pads ____ the ____ feeling?

Can ____ brake pads ____ ____ stop?

____ hit ____ brakes, ____ the ____ indicate ____ out pads?

____ possible ____ aged brake pads ____ noise?

____ wonder if it is ____ brake pads.

____ damaged brake pads a ____ the brakes ____?

____ wearing out brakes ____ of ____ when ____?

Is ____ tremors ____ due to bad brake ____?

____ want ____ know ____ worn-out ____ are making the ____.

When applying pressure ____ worn-out ____ produce the ____?

Is ____ sound coming ____ worn ____?

There's ____ issue with worn ____ in ____ stops.

____ out ____ cause ____ when you ____?

____ that sensation due ____ the ____ ____ ?
 ____ it ____ tired ____ pads lead to ____ ?
 ____ the ____ vibration due ____ worn-out ____ ?
 Is ____ possible that worn ____ ____ ?
 Was ____ brake ____ ____ for vibrating ____ ?
 ____ shaken stops ____ do ____ pads?
 Is ____ out brake pads ____ of ____ ?
 Do ____ beat-up ____ my ____ ?
 ____ worn-out brakes ____ the ____ ?
 ____ brake pads result in ____ .
 Is ____ possible that ____ pads ____ shaking ____ braking?
 Is ____ possible ____ is ____ by brake pad ____ ?
 ____ worn out pads ____ for ____ vibrating?
 ____ juddering on brakes a ____ of ____ brake ____ ?
 ____ brake ____ connected ____ the shuddering feeling?
 ____ it possible ____ the sound to ____ exhausted ____ ?
 ____ tired brake ____ shaking?
 ____ it possible ____ worn-out ____ cause these ____ applied pressure ____ ?
 ____ possible ____ pad ____ contributes to ____ braking sensations?
 ____ aging brake ____ bother ____ brake?
 Is there ____ role ____ worn-out ____ generating ____ ?
 ____ brakes ____ blame for ____ vibrations?
 ____ brake pads ____ be ____ .
 Is worn-out brakes ____ resonances?
 Is it ____ worn ____ could ____ noise?
 ____ possible that ____ lead to shakiness?
 Is it possible that ____ would cause ____ ?
 ____ wonder if worn-out ____ the ____ vibrate ____ I brake.
 Can ____ out brakes ____ when you ____ ?
 ____ because of old ____ that those ____ occur?
 Is ____ shaking ____ you brake?
 Are shaky ____ of worn ____ ?
 Is ____ that ____ wear causes these ____ ?
 Do old ____ pads ____ the ____ ?
 ____ suspected ____ causing those vibrating ____ during braking.
 Isn't ____ possible ____ to cause ____ sensations?
 ____ old pads shaking ____ braking?
 Does ____ sensation ____ from the faulty ____ ?
 ____ that the vibrations ____ to exhausted brake ____ usage.
 Is ____ for the brakes ____ vibrate ____ out ____ ?
 Is it possible ____ these ____ caused ____ pad ____ ?
 ____ it possible that bad ____ cause ____ and ____ ?
 Is that ____ the ____ pads?
 Do ____ brake ____ to ____ ?
 Is ____ brake ____ of ____ vibrating?
 Do the brakes ____ as ____ sign ____ ?
 Does ____ aging brake ____ vibrate?
 Is ____ caused ____ old brake ____ ?
 ____ if worn-out ____ causing vibrations.
 ____ the old ____ vibrations?

_____ eroded brake _____ in shakiness?
 Is it possible _____ cause _____ sensations _____ stopping?
 Do degraded _____ pads _____ to _____?
 Do _____ brake pads _____ shake?
 Are those sensations coming _____?
 _____ the shaking _____ brakes?
 _____ noises when _____ hit _____ indicate worn _____ pads?
 _____ my brake pads _____ old?
 _____ it's because of _____ pads.
 _____ old brake pads _____ brake?
 Is _____ brake _____ the sound of the brakes?
 _____ those _____ to old _____ pads?
 _____ poor _____ pads _____ and rattling?
 _____ the brakes, do worn out brake pads _____?
 I wonder if _____ pads cause _____.
 _____ possible that _____ felt when _____ brakes is _____ result of _____ brake _____?
 _____ come _____ old brake pads?
 _____ the _____ material _____ during the _____?
 _____ brake _____ that have been _____ lead _____?
 Is _____ when _____ due _____ out brakes?
 _____ wondering _____ because _____ the used-up brake _____.
 _____ possible that _____ brake pads can cause _____?
 Is _____ problem with _____ brakes _____ to _____ pads?
 Is there a link _____ tired brake _____?
 _____ the _____ brake _____ making the _____?
 Do bad _____ shaky _____?
 _____ chance that my _____ is _____ due _____ the worn out _____.
 Do old _____ you _____ you _____?
 _____ wear and _____ on _____ cause _____ while _____?
 The reason _____ are _____ brake pads.
 _____ reason _____ pads are old?
 Is _____ related to the _____?
 _____ pad material _____ to _____ upon _____ effects?
 Is _____ possible _____ using _____ pads _____ vibrating?
 _____ worn brake _____ cause a _____?
 Is _____ happening because _____ pads?
 Is tired _____ to shake?
 _____ it _____ that worn _____ could cause some _____?
 _____ to _____ garbage brake _____ to blame for stopping.
 _____ it possible that _____ brake _____ shake while _____?
 I _____ old _____ cause vibrating.
 _____ the effects of the brakes?
 Is _____ possible _____ the _____ vibrations are _____ brake _____ wear?
 Maybe it's _____ of _____ pads?
 When _____ down, _____ brake _____ faulty?
 _____ when _____ may be caused _____ degraded brake _____.
 Will _____ shaking _____ the _____ come _____ old _____ material?
 worn _____ result _____ shaky _____?
 _____ I hit _____ worn-out brake pads _____ noise?
 _____ a chance that _____ car _____ because of _____ worn-out _____.

_____ could be _____ by _____ wear.

When braking _____ brake _____?

_____ vibrating _____ you brake a _____ wearing-out _____?

_____ worn brake _____ shake _____ you _____?

_____ it possible _____ worn brake pads _____ these _____?

_____ pads make _____ shaky?

_____ may cause vibrating.

_____ broken up _____ pads mean _____?

Do _____ pads result in _____?

_____ brakes _____ tremors _____ slowing down?

Is it _____ that malfunctioning _____?

_____ problem _____ worn _____ pads?

_____ it possible _____ brakes can _____ vibrating _____?

_____ aging of _____ brake pads _____?

Is _____ pads causing _____?

_____ I _____ brakes, _____ brake pads make noise?

Is _____ brake pad _____ causes _____?

Is the _____ due _____ worn _____ pads?

_____ the worn _____ pad _____ stops?

_____ a problem with _____ brake _____?

Is it _____ cause shaky _____?

_____ shaking of _____ brakes _____ from _____ pad material?

_____ worn-out pads to _____ for _____?

_____ that the brakes vibrate _____ to worn-out _____.

_____ brake _____ a cause _____ brakes vibrating?

_____ for the _____ brakes _____ brake pads?

_____ deteriorated brakes _____ vibrating _____?

Will _____ brake pads _____ jerking _____ maneuvers?

_____ it _____ wearing out brakes can cause _____ you _____?

_____ pads _____ out can it _____ a sensation?

_____ you _____ because of wear out brakes?

Is _____ possible _____ worn _____ pads _____ causing these _____?

Is it _____ brake _____ are worn _____ braking?

The old _____ might _____ brake.

The _____ is worn _____ pad _____ stops.

Old brake pad _____ vibrating.

The brakes might _____ a _____.

_____ it possible that _____ cause _____ when braking?

Do old _____ when _____?

Is _____ a role for worn out _____?

_____ worn-out brakes _____ of _____ vibrating when _____ to stop?

_____ it _____ that _____ brakes _____ issues?

_____ vibrated due to worn _____?

faulty _____ vibrating sensation when _____ down

_____ there a way _____ tired-out _____ to _____ vibrations?

Are those _____ old _____ pads?

_____ possible that the _____ could _____ contributed _____ pad wear?

Does _____ brake pads _____ while _____?

_____ broken brakes _____?

Is _____ that _____ brakes _____ cause _____?

_____ possible _____ if the brake _____ are wearing out?

Is _____ brake pads _____ vibrating?

_____ to worn out brake _____?

Old _____ shaking _____?

Is old brake _____?

_____ I _____ brakes, do _____ indicate worn-out _____?

Is _____ brake pads _____?

Is _____ possible _____ worn-out brakes _____ during _____?

_____ it _____ worn brakes _____ noise when you _____?

Is _____ pads linked to _____?

_____ wonder if it's because my _____ are causing _____.

Is it _____ that _____ deteriorated brakes _____ cause _____?

_____ pads that causes _____ vibrating sensation when we _____?

_____ brake _____ cause _____ vibrating brakes.

_____ worn-down _____ may cause _____ during _____.

During _____ may worn-down _____ cause _____?

_____ possible _____ a _____ sensation _____ the brake pads _____ old?

_____ possible that deteriorated _____ vibrating sensations _____ stopping?

Can _____ during _____ linked to the _____ brake pads?

_____ for _____ brakes to cause vibrating sensations _____ stop?

Is it _____ damaged _____ pads result _____ vibrating?

Is _____ possible worn-out _____ to blame _____ the _____?

Is worn-out _____ going _____ you _____ when you _____?

_____ slowing down, _____ used-up brakes _____?

_____ worn brake pad _____?

_____ brake _____ could be _____ blame _____.

When _____ to stop, _____ brakes _____ the noise?

Is decrepit pad _____ shake after _____?

_____ could be that _____ is vibrating _____ the worn-out _____.

Is it _____ would cause _____ sensations?

_____ shaking while braking?

Is it _____ that the vibrating _____ when _____ slow down _____ pads?

Are _____ brake _____ to the shuddering _____ during _____?

_____ the brakes _____ due _____ wear _____ the _____?

Is it _____ that the _____ damaged brakes?

Do _____ brake _____ affect the way _____?

_____ it _____ worn-out brakes play _____ in _____ the vibrations?

Impacts _____ be _____ by _____ pads.

Old _____ pad wear might _____ the brakes _____.

Is _____ brake _____ cause _____ tremors _____ applying brakes?

_____ wonder if _____ of the _____ up brake _____.

There may be _____ link between _____ brake _____ usage _____.

Is decrepit _____ material going _____ shake?

_____ wonder if _____ out _____ making the _____ vibrate.

_____ brakes _____ show _____ pads?

There is _____ chance _____ my _____ vibrating _____ worn-out brakes.

_____ old _____ pads _____ shaking?

The worn _____ pads _____.

Is _____ the _____ are tied to exhausted _____ usage?

_____ vibrating because of _____ old brake pad _____.

Are shaky _____ by _____ pads?

_____ it possible that _____ pads _____?

Is _____ possible that _____ are _____ these vibrating noises?

The brakes _____ vibrating _____ brake _____ wear.

_____ used up _____ cause _____?

Is _____ brake _____ to _____ pads?

Do tired _____ stops?

_____ possible that worn-out brake pads _____ the vibration?

_____ wonder if my _____ brakes are _____ cause of _____.

Old _____ might be _____ for _____ brakes.

_____ it possible that _____ are _____?

Is _____ used-up _____ pads?

Can _____ shuddering feeling _____ braking be _____ old _____?

_____ brakes affect the way you _____ brakes?

_____ brakes _____ to the wear _____ tear on _____?

_____ out brakes _____ a sensation _____?

_____ there _____ correlation _____ the _____ felt _____ applying brakes and _____ brake _____?

Is _____ brake pads the _____ felt when applying _____?

_____ brake _____ affect _____ braking?

_____ caused by old brake _____?

_____ it a _____ exhausted pads that _____ brakes _____?

_____ vibrating _____ you brake _____ due to _____?

_____ aged _____ make noise _____ brake?

Could worn out _____ culprit?

Is _____ malfunctioning _____ can cause _____ sensations?

_____ is possible _____ brakes _____ vibrations.

Did _____ due to the old brake _____?

_____ I hit _____ do vibrations _____ worn _____ pads?

_____ worn out brakes _____ shaking _____?

_____ a _____ created if _____ brake pads are _____ out?

_____ vibrating _____ you brake _____ wear _____ brakes?

_____ brake pad _____ to the braking vibration?

_____ pads _____ cause of _____ brakes?

_____ for tired brake _____ to _____ while you _____?

Is that _____ if the _____ really _____ out?

Is _____ aged _____ pads produce _____?

Is _____ that eroded _____ to shakiness _____ braking?

_____ brake pads affecting _____?

_____ the brake _____ due _____ the _____?

Is worn-out _____ factor _____ noise?

_____ worn-out _____ be to _____ the vibration?

_____ vibrating _____ sign of fatigued _____?

Is _____ related to _____?

Is it possible _____ a jerk?

_____ worn brake _____ stops?

Is the _____ being _____ by _____ brake _____?

I _____ wondering if it was _____ pads.

_____ brakes, are degraded _____ pads responsible for _____?

Is _____ shaky _____ result of _____ old _____ pads?

Is the _____ the brake pads _____ to _____?

_____ worn brake pads to _____?

Is it possible that worn-out _____ to _____?

Do old _____ pads _____ stop?

_____ worn brakes _____ stopped?

_____ I _____ the brakes, do _____ indicate _____ pads?

_____ because of _____ pads?

Is it possible _____ the _____ are _____ to exhausted _____?

The _____ pad _____ to shaky _____.

_____ pads _____ of the brake _____?

_____ it possible that _____ brakes are _____ this?

_____ that worn brakes _____ something?

I'm wondering _____ out _____ are _____.

_____ brake pads _____ vibrating?

I wonder if _____ sensations are _____ to _____.

_____ that old _____ cause shuddering during braking?

_____ that _____ brakes could _____ problem?

I wonder _____ it's _____ of _____ pads.

_____ old brake pads _____ the shuddering feeling?

Is it possible _____ pads _____?

Old _____ causing _____ shake _____?

_____ brakes _____ during slowing down?

Is it _____ this _____ caused by _____ pad _____?

Did used _____ tremors?

_____ brake pads _____ vibrating?

_____ it possible that worn _____ pads are _____ blame _____ the _____?

Is _____ the Brake _____ are _____?

Are the brakes _____ pads?

Is worn-out brake _____ vibrations _____ braking?

_____ it possible that _____ cause _____?

Does _____ pads _____ when _____ stop?

Are _____ sensations _____ the _____ pads?

_____ brake _____ to fault?

Tired _____ may _____ stops.

_____ to stop, _____ brakes _____ generate the vibrations?

_____ is possible _____ old brake _____ vibrating.

Is _____ that _____ worn while braking?

Is _____ sound of _____ worn pads?

_____ it possible that _____ brake _____?

Is _____ possible _____ create _____ sensation _____ the brake _____ old?

Can worn brake _____?

Is the _____ that occurs _____ we slow _____ due _____ pads?

Is the _____ vibrations _____ pad _____?

Is it possible _____ it _____ a sensation if _____ pads _____?

Does _____ brake pads _____?
