

[Demo] NLP Dataset for Customer Service Automation

Company Type	Auto Repair and Maintenance Shops
Inquiry Category	Transmission fluid leaking from vehicle
Inquiry Sub-Category	Transmission fluid leaking from the torque converter
Description	Customers experience transmission fluid leaking from the torque converter area, expressing concerns about potential damage or malfunction of this critical transmission component and seeking guidance on the necessary repair procedures.
Data Size	5,097 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Auto Repair and Maintenance Shop" customer inquiry. (Purchased data will not be masked.)

Is ____ fluid leaking ____ the torque ____ sign of ____ ?
____ transmission fluid from ____ convert ____ issues?
There is a ____ whether ____ fluid ____ the tricycle convert is ____ serious ____.
____ fluid leak is ____ as a ____ torque ____.
____ Torque ____ fluid ____ significant damage?
____ on whether the ____ fluid ____ is indicative of the damage.
____ question regarding whether the leaking ____ the Torque converters ____ indicative ____
____ the TorqueConverter ____ of significant ____?
There is ____ as ____ whether ____ of ____ tricycle convert is a ____.
____ a question ____ fluid leaking from the ____ a ____ damage to the transmission.
____ leak signify significant damage?
____ a ____ regarding ____ fluid leaking from the Torque ____ is ____ sign ____ to the ____.
____ want to know ____ leak ____ the ____ converter ____ cause ____ my transmission.
____ is a ____ as ____ whether ____ from the ____ is ____ sign of ____ damage.
____ fluid leaking from ____ a sign ____ damage?
____ is a ____ whether ____ from ____ Torque ____ is ____ sign ____ damage to the transmission.
____ be caused by ____ from the TorqueConverter.
There is ____ fluid leaking ____ the ____ is ____ of serious damage.
There ____ question if the fluid leaking ____ is ____ sign ____ damage.
____ on whether ____ fluid leaking from ____ is a sign ____ damage.
There ____ question ____ to whether the fluid leak from ____ Torque ____ is a ____ or ____.
____ leaking from the ____ conversion ____ a sign of a serious ____.
____ if the fluid ____ from the tricycle convert is ____ of ____.
There ____ question ____ to whether the fluid leaking ____ the ____ is a ____ to ____ transmission.
There ____ leaking from ____ Torque converter is ____ sign of serious damage or a ____.
Does ____ TorqueConverter ____ indicate ____ damage?
If ____ Torque ____ fluid leaked there ____ be ____.
____ is a question ____ to ____ leaking fluid from ____ Torque ____ indication ____ damage.

_____ a question about whether _____ leaking fluid _____ patiton conversion _____ a sign _____ problem.

_____ a question _____ the _____ leaking _____ tricycle _____ is _____ symptom of damage.

_____ whether fluid leaking from _____ convert _____ a symptom _____ serious _____.

_____ a sign of _____ problem with _____ converter?

_____ fluid _____ from the _____ converter could be _____ damage _____ vehicle.

_____ is whether _____ leaking from the Torque Converter is _____ sign _____ damage _____.

Torque _____ or worse?

A _____ Torque convertor?

_____ leak is being _____ as a _____ damaged Torque _____.

_____ damage _____ indicated _____ the Torque _____ leakage?

_____ a question about _____ the leaking _____ from _____ converters is _____ injury.

_____ a question _____ to _____ the fluid _____ from _____ convert is _____ serious damage.

_____ be a lot _____ damage _____ the Torque converter _____.

A major _____ indicated _____ Torque _____ leakage.

_____ is _____ fluid _____ from the tricycle _____ is related to _____.

The _____ Torque _____ could _____ damage if it leaked.

_____ serious _____ there _____ a leakingtorqueconverter?

_____ leaking _____ potentially dangerous?

_____ the Torque conversion _____ could be _____ damage.

_____ is a _____ the leaking _____ fluid from _____ tricycle _____ is _____ symptom of _____ serious _____.

_____ implied by the trans-fluid leak _____.

_____ is indicated _____ leak _____ the Torque Converter.

_____ damage is suggested _____ trans-fluid _____.

_____ damage if the fluid from _____ Torque _____ leaked.

_____ could _____ damage _____ the _____ is leaking from the _____.

_____ major problem is _____ Torque Converter.

_____ question if _____ leaking fluid _____ convert is a symptom of _____.

_____ Torque _____ leak _____ significant damage?

_____ converter _____ sign of serious _____?

There is _____ question if _____ Torque converter is _____ damage.

_____ leak in _____ Torque converter _____?

There _____ be _____ if the _____ the Torque converter _____.

Is the _____ a sign _____ severe damage _____ the _____?

_____ impact can _____ caused _____ leaking _____ and a _____ converter.

_____ transmission _____ from the Torque convert _____ issues?

There's a _____ if the fluid leaking from _____ convert _____ of _____.

There is _____ question _____ whether _____ fluid leaking _____ is a _____ of damage to _____.

_____ is a _____ about whether _____ fluid _____ Torque _____ is _____ sign of _____.

Is leaking _____ fluid _____ damage to the _____?

_____ a _____ whether _____ of fluid _____ Torque _____ is a sign of _____ damage or _____ symptom.

_____ is a _____ the leaking _____ the Torque converts _____ damage.

_____ converters fluid leak _____ sign _____ significant damage?

There is _____ question as to _____ the leaking fluid from _____.

_____ is a _____ about whether the _____ leaking _____ the _____ is _____ serious _____ or a _____ of something _____.

Is _____ leak _____ torque converter bad _____ my _____?

There is _____ question _____ or _____ leaking _____ converter is a _____ of _____ damage or not.

The fluid leaking _____ the _____ be a _____ of _____.

There _____ a _____ whether _____ leaking fluid from the Torque _____.

There _____ a _____ about _____ from the tricycle _____ is _____ of _____ damage.

There is a _____ leaking _____ the _____ convert is a symptom of _____.

_____ is _____ question about _____ fluid _____ from the _____ is _____ of _____.

_____ is a _____ the fluid leaking _____ the Torqueconverter is a sign _____ the _____.

Is _____ sign of damage?

_____ is _____ question over whether _____ leaking _____ is a symptom of _____.

There is a question _____ fluid leaking from the _____ of _____ the _____.

_____ fluid leaking from _____ convert could _____ a _____ damage.

Major _____ is _____ to _____ indicated _____ Torque _____ leakage.

There _____ a _____ of whether the fluid leaking from _____ of _____ to the _____.

There is _____ fluid from the _____ is a symptom _____ damage.

There is _____ if the fluid leaking _____ the _____ a sign of _____ to _____.

There _____ be significant _____ if _____ fluid leaked _____ conversion.

_____ damage _____ inferred _____ T-converter's _____ leak.

The fluid _____ might be a _____ of _____ damage.

There is _____ question _____ the _____ from _____ symptom or a _____ of serious damage.

Is a _____ converter a sign _____?

There _____ be _____ if the _____ from the Torque _____.

_____ is _____ question about whether the fluid _____ the Torque _____ is a _____ serious _____.

_____ is _____ question _____ to whether _____ tricycle convert is a _____ damage.

There is some _____ of _____ if _____ leaks _____ Torque _____.

Is _____ news when there _____ leaking from the _____?

There is _____ the _____ leaking from the Torque Converter is a _____ or _____.

_____ a question about _____ leak from the _____ convert is _____ symptom of more _____.

There _____ about _____ fluid _____ from _____ convert is _____ symptom of damage

_____ transmission fluid from _____ Torque convert _____ deal?

_____ a _____ as to _____ the _____ fluid _____ the tricycle convert _____ of serious damage.

_____ as to whether the fluid _____ Torque converter is _____ of serious damage _____ symptom.

There _____ fluid from _____ patition conversion is a _____ of a serious problem.

A _____ damage _____ the Torque _____ leakage?

The question _____ whether _____ fluid _____ Torque converters _____ sign _____ damage.

_____ leaking _____ a sign of _____ more serious?

_____ in a torque conversion _____ serious?

Does _____ transmission _____ from the _____ convert _____?

_____ be some degree of _____ if _____ fluid leaks _____.

_____ has trans-fluid _____ suggests massive _____.

_____ is _____ question _____ whether the _____ of the _____ convert is a _____.

_____ a question about whether the _____ leaking from _____ TorqueConverter _____ sign _____.

_____ is a _____ of _____ the _____ from _____ indicative of damage.

_____ the Torque Converter a sign of serious _____?

The question _____ from the _____ convert _____ a symptom of more _____.

_____ fluid _____ from _____ could be a sign _____ a serious _____.

_____ Torqueconverter _____ leak _____ significant damage?

_____ question as to _____ the fluid leaking from _____ tricycle _____ a symptom _____.

_____ is a question _____ leaking _____ from the _____ convert is _____ more _____ that.

_____ a _____ about whether the _____ leaking from _____ Torque _____ indicative _____ damage _____ the vehicle.

Does _____ leaking _____ converters _____ major _____.

Major _____ by the leak of _____ Torque _____.

Is _____ if _____ is _____ leaking _____ Converter?

_____ is _____ damaged _____ due _____ fluid leak perceived?

There _____ a _____ if _____ fluid _____ from the patition _____ is _____ a serious _____

Is _____ a _____ harm _____ leaks _____ the _____ converter?

Torque convtr's leaking _____ has _____ serious _____?

_____ leaking torque converter a _____?

_____ the leak of the transmission fluid _____?

_____ is a question _____ whether the _____ leaking _____ tricycle convert _____ a sign of _____.

Torque converter _____ it show _____?

_____ a question _____ whether _____ leaking _____ the _____ a sign _____ serious _____ or a symptom.

Massive damage _____ implied by _____.

There _____ a question as to _____ the fluid leaking _____ symptom of more _____.

_____ fluid _____ indicate significant _____?

Is _____ vehicle's transmission at _____ from a _____ the _____?

_____ is _____ that concerns for _____ Torque convor.

_____ a leaking _____ Conversion _____ to have _____?

There's _____ question _____ the fluid leaking _____ converter is a _____ serious damage _____ not.

Some degree of _____ fluid is _____ from _____ Torque Converter.

There _____ question regarding whether the fluid _____ the _____ converter _____ sign _____ serious damage _____ just _____.

_____ serious about a _____ Conversion?

There is _____ regarding _____ leaking _____ tricycle _____ is _____ symptom _____ more than just.

_____ is a question _____ whether _____ leaking _____ TorqueConverter is _____ sign of _____ to _____.

_____ is _____ question regarding whether _____ convert is _____ of more serious damage.

Does it _____ from a leaking _____?

There _____ question if the _____ leaking _____ Converter is a sign of _____ to _____.

Will _____ transmission _____ if _____ is severe damage to the Torque _____?

_____ is a question about _____ the _____ the _____ convert is _____ of _____.

_____ is a _____ as to _____ fluid leaking _____ is a _____ of _____.

_____ the leak _____ Torque _____ imply _____?

There _____ a _____ if the fluid leaking from _____ is a sign of _____.

There is a _____ as to if _____ the tricycle _____ is _____ of _____ that.

There _____ question _____ the _____ leaking _____ the Torque converter is _____ sign of _____ transmission.

The sign _____ big _____ needed is fluid _____ the _____.

_____ fluid leak perceived is _____ for damaged _____.

There is _____ question _____ the _____ the tricycle convert is _____ the _____.

There is a question regarding whether _____ fluid _____ tricycle _____ symptom of _____.

_____ questions regarding whether _____ fluid leaking _____ the patiton _____ is _____ of _____ serious _____.

There is _____ question as _____ fluid leaking _____ the _____ calculator is _____ of _____ damage _____ not.

_____ is _____ by the degree of Torque _____?

Can _____ be harmed by a leak _____ the _____?

Is this _____ when there _____ from the _____ converter?

_____ question _____ fluid _____ from _____ Torque conversion is a sign of _____.

_____ is a question _____ whether _____ leaking from the _____ a _____ serious damage _____ a symptom of _____.

The _____ leak is _____ being _____ for _____ damaged _____ convor.

Is _____ news _____ is _____ from the TorqueConverter?

There _____ if the fluid leaking _____ the Torque _____ is _____ damage.

The _____ whether _____ from the Torque converter is indicative _____.

_____ there any major damage _____ Torque Converter _____?

_____ a _____ whether _____ fluid leaking from the _____ a _____ of more.

_____ is _____ whether leaking fluid _____ the tricycle convert _____ a symptom _____ just.

_____ there _____ damage _____ torque converter leaks fluid?

_____ is a question about _____ fluid _____ the _____ is a symptom _____ the _____.

Is _____ capable _____ major damage?

There are big problems _____ leaked _____ the _____ is _____.

Massive damage _____ T-converter's trans-fluid _____.

_____ a question _____ whether _____ leaking _____ the Torque conversion _____ a sign _____ serious _____ or _____ symptom.

_____ could be some degree _____ damage _____ Converter _____ leaks.

Some _____ damage _____ be done _____ the fluid _____ Torque Converter.

_____ a _____ about _____ the _____ leaking _____ the _____ converts is a symptom of _____ serious _____.

_____ leak _____ is concern _____ damaged _____ convor.

_____ it possible _____ leaked fluid _____ converter means big _____?

_____ question regarding if _____ fluid _____ the _____ convert is a symptom _____.

_____ Torque Converter potentially _____?

_____ is _____ question about whether the _____ the tricycle _____ symptom _____ more.

_____ damage may be _____ Torque converters _____.

_____ fluid leaking from the _____ sign of _____ damage?

_____ is _____ as to whether fluid _____ the TorqueConverter is _____ damage to _____ vehicle.

_____ may have a _____ effect.

_____ a leaking _____ a _____ of _____?

_____ whether _____ leaking fluid _____ the tricycle convert _____ symptom _____ more serious _____.

There _____ question regarding _____ the _____ from the patiton conversion is _____ bigger _____.

Is there much _____ if _____ is _____ of _____ converter?

There _____ question of whether _____ from the Torque converter _____ a _____ of damage _____.

_____ fluid indicate major damage to _____?

There _____ question _____ the fluid leaking from the _____ converter _____ sign of _____.

_____ question as to whether fluid _____ from _____ TorqueConverter is a _____ a symptom.

_____ is a _____ over _____ fluid _____ from _____ convert _____ a _____ of serious damage.

_____ is a question of _____ from the _____ is _____ damage.

The question _____ whether _____ leaking _____ convert _____ a symptom _____ the _____.

_____ Converter leaking _____ is a _____?

_____ could _____ significant _____ if the fluid _____ Torque converter _____.

_____ torq. _____ leaking an indication of major _____?

There _____ a question regarding _____ the fluid leaking from _____ of _____ damage _____ not.

Is _____ leaking _____ liable _____ major damage?

_____ is a question _____ leaking _____ thetricycle convert _____ sign _____ serious damage.

_____ leaking of _____ fluid _____ symptom of _____ damage?

_____ is a question _____ whether _____ the tricycle _____ is _____ more serious damage

_____ it _____ fluid _____ Torque Converter means big problems?

Can _____ leak _____ the _____ Conversion cause _____ my _____?

_____ is _____ question as to _____ from thetricycle _____ a _____ of _____ damage.

_____ a _____ over whether _____ fluid leaking from _____ is a symptom of _____ serious _____.

_____ fluid _____ cause significant damage _____ it leaked.

_____ there a _____ if the torque is _____?

_____ is _____ question as to _____ tricycle _____ is a _____ of _____ damage.

_____ is a question _____ whether the leaking _____ the _____ a symptom of _____.

Is _____ the leaks _____ the torque converter?

_____ question as to whether the _____ leaking _____ the _____ converts _____ a _____ serious damage.

There _____ about _____ the _____ the _____ convert is a symptom _____ damage.

_____ question about _____ fluid leaking _____ the Torqueconverter is a _____ damage to _____.

_____ a question if the _____ from thetricycle _____ a symptom _____.

There's _____ question as _____ the leaking fluid _____ Torque converters is _____.

_____ is _____ Torque converter, there could _____ some damage.

_____ a question _____ leaking from the Torque Converter is _____ sign _____ the vehicle.

There is a question _____ the leaking fluid _____ tricycle convert _____ symptom of _____.

There _____ to whether the _____ leaking from the Torqueconverter _____ a sign _____ serious _____ symptom.

There _____ question as _____ the leaking fluid _____ conversion is indicative _____.

There _____ if _____ fluid leaking _____ tricycle convert _____ a symptom of _____

_____ leaking transmission _____ of _____ damage to _____ conversion?

Torque _____ leaking _____ having _____ damage?

There _____ question regarding _____ fluid leaking from the _____ convert _____ sign of _____.

There _____ question if _____ fluid from _____ tricycle convert is a _____ serious _____.

There is _____ question _____ the fluid _____ from the _____ conversion is _____ bigger problem.

_____ question about whether _____ fluid leaking from the Torque _____ is _____.

Is _____ a _____ converter _____ of _____ damage?

_____ it a _____ sign _____ is _____ from the torque _____?

There _____ a question _____ whether the leaking _____ from the _____ a _____ to the _____.

_____ fluid leaking _____ thetricycle _____ a symptom of _____?

_____ is a _____ to _____ the _____ fluid from _____ converters _____ damage.

_____ is a question as to whether _____ fluid leaking _____ Torque _____ serious damage.

There _____ a _____ whether the fluid leaking _____ the Torque _____ is _____ serious damage or _____.

_____ is a question regarding _____ the _____ symptom of the damage.

_____ is a question as _____ whether leaking _____ is a _____ damage _____ the vehicle.

Can _____ leak _____ the _____ converter _____ harm _____ car's transmission?

There is _____ question about _____ the _____ leaking from _____ Torque converter _____ a _____ or _____ of _____.

_____ is a question regarding whether _____ leaking _____ from _____ convert _____ a _____ than that.

There is _____ question _____ to whether _____ leaking from _____ convert is _____ damage.

_____ a question regarding _____ convert is a symptom of _____ damage.

If _____ fluid _____ from _____ Torque converters, there _____ damage.

_____ Torque Converter fluid leaked, there could _____.

The sign _____ big _____ be fluid leaking _____ torque _____.

The sign _____ big _____ be fluid leaking at _____.

There _____ concern _____ Torque convor _____ of the _____.

_____ is _____ regarding whether the fluid leaking _____ the _____ converters _____ damage to _____ transmission.

There _____ a _____ regarding whether _____ TorqueConverter _____ a sign of serious _____ or a _____.

Is _____ conversion likely _____ cause major _____?

Is there a _____ fluid leaking from _____?

There is _____ question as to whether _____ the Torque _____ a _____ serious _____ or not.

There is _____ about whether the _____ leaking from _____ converter is a _____ of _____ of the _____.

There is a question _____ fluid _____ from _____ Converter _____ of _____ to the vehicle.

Will a leak _____ transmission _____ you _____ is _____ the _____ converter?

Some _____ could _____ caused by leaking _____ Torque conversion.

_____ is a question if the leaking _____ the _____ a _____ damage.

There _____ question whether the fluid _____ from _____ Torque converters _____ damage or not.

If the _____ the Torque _____ leaked there _____.

Will _____ of _____ tell us if there _____ serious damage _____ converter?

_____ about whether _____ not the _____ leaking _____ the _____ convert _____ a symptom of more serious _____.

There _____ significant damage _____ the fluid _____ the Torque _____.

There _____ whether the fluid leaking from _____ conversion _____ sign _____ serious problem.

Major damage _____ indicated by the _____ Converter.

_____ is _____ question _____ whether the _____ the _____ convert _____ of serious damage.

There is a _____ to whether _____ leaking _____ from the Torque converters _____.

_____ bad news when _____ leaking _____ the Torque _____?

_____ my vehicle's _____ be harmed by _____ torque converter?

There is a question about _____ the _____ leaking _____ is _____ damage.

Does ____ Torque Converter ____ leak ____ ____ ?

____ conversion trouble ____ by ____ dripping.

____ be significant ____ if ____ Torque converters fluid ____.

Is ____ going ____ cause serious damage?

Is ____ leaking Torque ____ sign ____ trouble?

____ leaking ____ converter ____ to cause big ____ ?

There ____ question about whether ____ fluid leaking ____ the ____ is ____ of ____ damage or ____ sign of ____.

There is a ____ about ____ from the tricycle convert is ____ symptom ____.

There is a ____ of whether the ____ fluid ____ converts is ____.

____ a significant ____ there ____ from the TorqueConverter?

There could ____ serious ____ the ____ from the Torque ____.

Massive damage ____ implied ____ fluid ____.

Can a ____ transmission be ____ by ____ leak ____ Torque ____?

____ is indicated ____ the TorqueConverter ____.

____ is a question if the ____ the Torque calculator ____ damage ____ the vehicle.

____ it bad news ____ there's ____ from ____ TorqueConverter?

____ is a question ____ to ____ leaking fluid ____ converters ____ damage.

Is transmission ____ leaking from ____ conversion ____ damage?

There ____ a ____ whether the ____ from ____ Torque converters ____ of damage

There ____ a ____ fluid leaking ____ the patiton conversion is a sign ____ problem.

____ is a ____ the fluid ____ the tricycle ____ indicative ____ damage.

There is a question ____ whether the ____ the tricycle ____ is ____ symptom ____.

____ be significant ____ to ____ Torque conversion ____ leaked.

Is the Torque ____ a ____ damage?

____ is a ____ as ____ whether the fluid ____ from the ____ a ____ damage.

There ____ whether ____ leaking from the tricycle ____ a symptom ____ serious ____

Does ____ converter cause ____ lot of ____ ?

There is ____ question regarding whether the ____ tricycle ____ symptom of ____ than just

There is a question ____ whether the ____ leaking ____ the ____ is ____ of ____.

____ degree ____ if the ____ leaked from the Torque

____ a question if ____ from ____ convert is ____ sign of serious ____.

There ____ a ____ the leaking fluid ____ the ____ convert is a symptom ____.

____ a ____ regarding whether the leaking of ____ from the ____ conversion ____ a ____ a ____.

____ fluid from the torque converter a ____ ?

____ leak in ____ cause harm to my ____ ?

____ a ____ about whether the leaking ____ fluid ____ Torque ____ sign of serious damage ____ not.

____ a question ____ leaking fluid ____ the ____ converter is ____ sign ____ damage to the ____.

There ____ on ____ the ____ leaking ____ the ____ convert is ____ of damage.

There is ____ question ____ whether ____ leaking from ____ converter ____ sign that the ____ is ____.

There is ____ about whether ____ fluid leaking from the ____ serious ____ or ____ symptom.

____ fluid leak an ____ of ____ ?

There is a question about ____ leaking ____ the Torque ____ sign ____ the transmission.

Does ____ Torque ____ show significant ____ ?

If the fluid from ____ TorqueConverter ____ be ____.

____ is ____ question ____ the leaking fluid ____ converters shows damage.

____ a leak ____ the torque ____ harm ____ transmission?

____ leaking tranny ____ might ____ a serious ____ effect.

____ a question ____ fluid leaking from the ____ convert is ____ serious ____.

____ is ____ as ____ the ____ leaking ____ the ____ is ____ of serious damage or ____ symptom.

There is a question ____ tricycle ____ a ____ of ____.

_____ is a _____ whether _____ from the Torque _____ is _____ serious damage or a symptom.

Can a vehicle's transmission _____ hurt by _____ torque _____?

_____ the Torque _____ leak _____ something?

_____ is _____ question _____ whether _____ from _____ convert is a symptom of _____.

There _____ a _____ regarding _____ the _____ from _____ convert is symptom of _____.

There _____ a question _____ the _____ fluid from the Torque _____ is _____ sign _____ serious damage _____.

There is a question _____ leaking _____ from _____ is _____ symptom _____ damage.

_____ converter fluid leak, _____ indicate _____?

_____ a _____ whether the fluid _____ the _____ converter is a _____ of _____ to _____ vehicle.

There _____ about whether the _____ from the _____ is _____ of _____ to the transmission.

There _____ a question _____ whether _____ fluid _____ the tricycle _____ a symptom of _____ serious _____.

_____ transmission fluid _____ sign _____ damage to the _____?

There is _____ question _____ whether the _____ from _____ Torque Converter is a _____ damage or _____.

_____ there a leak from _____ Torque Converter _____?

There is a question of _____ from _____ Torque _____ a _____ of serious _____ not.

The _____ is seen _____ a _____ damaged Torque _____.

_____ Torque Converter _____ leak _____ damage?

_____ is _____ on whether the _____ the tricycle convert is a _____ serious damage.

Torque converters fluid _____ does _____?

_____ Torque converter _____ major damage.

_____ a leaking torque conversion _____ damage?

_____ is _____ question about whether _____ from _____ is _____ more serious damage.

Do you think _____ be major _____ the _____ fluid?

Is the Torque converter fluid _____?

_____ fluid _____ Torque converter _____ it could cause significant _____.

There _____ a question _____ to _____ the fluid _____ the Torque _____ of _____.

There is a _____ fluid _____ tricycle convert is caused _____.

There is _____ regarding whether _____ fluid leaking _____ transformer _____ of serious damage _____ not.

_____ leaking from _____ tricycle convert could be a _____.

_____ leaking _____ conversion _____ something serious?

Will _____ of _____ fluid _____ us _____ there _____ any serious _____ to _____ converter?

There is a question _____ the leaking _____ fluid _____ the _____ sign of serious _____ or _____.

_____ is _____ the fluid _____ the Torque Converter is a _____ of serious _____ not.

There is a _____ fluid _____ the _____ is indicative of more _____ damage.

The fluid leaking from _____ tricycle _____ damage.

There _____ a _____ as to whether _____ from _____ Torque _____ a _____ serious damage or _____.

_____ mean major damage for _____ leaking _____?

_____ has trans-fluid leakage which _____.

_____ a _____ the _____ leaking from the _____ is _____ of damage.

Is _____ significant harm _____ there are leaks _____ the _____?

_____ question as to whether _____ fluid _____ from the Torque converter _____ a symptom of _____.

There _____ a question _____ leaking _____ convert _____ a symptom of damage.

There is _____ question _____ fluid from the _____ converters _____ of _____ to the vehicle.

There _____ a question _____ whether _____ the Torque converter _____ a _____ of damage _____ transmission.

_____ of damage _____ be _____ the _____ leaking from the _____ converter.

Is _____ indicative of serious damage?

_____ is a _____ whether _____ leaking from _____ convert is a _____ serious _____.

The fluid leaking _____ the _____ may _____ serious damage.

_____ is a question if the _____ from the Torque _____ a _____

_____ a question _____ whether _____ from the Torque converter is indicative of _____ the _____.

Bad _____ leaking trans _____ converters?

There is a question about whether the _____ from _____ a _____ the _____ damage.

Torque _____ be a sign _____ major _____.

_____ there _____ of _____ if the _____ converter leaks _____?

Torque convtr's _____ fluid _____ have _____ wreck _____.

Does _____ major _____ from _____ leaking torque _____?

There is a _____ as _____ the _____ the _____ is a sign of _____.

_____ converter _____ a sign of _____?

_____ is _____ of _____ the fluid leaking from the _____ is sign _____.

There is a question _____ fluid _____ the _____ is a symptom _____ serious _____ not.

There is a _____ about _____ leaking from the TorqueConverter _____ indicative _____ damage _____ symptom.

_____ is a _____ whether fluid _____ from _____ tricycle _____ is a _____ more _____ damage.

Is a _____ Torque converter _____ major _____?

Is a leaking torque _____ of _____?

The _____ tricycle convert _____ be a _____ of the _____

There _____ a question of _____ the _____ patiton conversion is _____ sign _____ a serious _____.

_____ leaking _____ converters _____ something?

_____ a _____ of _____ leaking _____ the tricycle convert is _____ symptom _____ more

_____ as to _____ fluid leaking _____ the Torque converter is _____ damage to _____ transmission.

_____ convertor fluid leak _____ damage?

There _____ a question _____ the _____ from _____ is _____ sign of damage.

_____ is _____ question _____ the leaking fluid _____ Torque _____ is _____ sign of _____ to _____ transmission.

Some _____ are _____ if _____ leaking _____ the tricycle _____ is a _____ of _____.

There is _____ of _____ from the _____ is a symptom of _____.

_____ a _____ about if the _____ leaking _____ the Torque _____ a sign _____ damage _____ not.

There _____ significant _____ if _____ leaked.

Torque converters _____ have _____ if transmission _____.

Is _____ torque converter _____ problem?

_____ are _____ there is _____ fluid from the Torque _____.

There is _____ question _____ to _____ the _____ from _____ converter is _____ of injury.

There can be _____ fluid leaks from _____ converter.

Is transmission fluid _____ from _____ a sign _____?

_____ damage come from a _____?

_____ major _____ is _____ the leak _____ Torque converter.

_____ fluid _____ the converter _____ of substantial damage?

_____ leaked fluid from the _____ converter _____ problem?

There is _____ regarding _____ fluid _____ Torque converters _____ a _____ of serious damage or _____.

There _____ a question whether the _____ the TorqueConverter is a _____ of _____.

Is leaking _____ indicative of significant _____ converter?

_____ whether the leaking fluid from _____ Torque _____ a sign of serious _____ a symptom.

There is a question regarding whether _____ fluid _____ the _____ a _____ damage to _____.

There is _____ question if _____ fluid _____ from the Torque converters _____ serious damage _____.

There can be a _____ damage _____ the _____ Converter leaks.

_____ is a _____ about _____ the _____ from _____ tricycle convert is indicative _____.

_____ converter leakage could _____ a _____ of _____.

There could be _____ if the _____ the _____.

_____ is a _____ whether _____ fluid leaking from the _____ converter _____ of _____ to the _____.

Is _____ leak _____ the TorqueConverter that _____ significant _____.

_____ there a _____ the _____ converter that _____ cause _____ to my _____?

_____ major _____ a leaking torque _____?

There _____ question regarding _____ the fluid _____ from the Torque calculator _____ damage _____ transmission.

There _____ as to _____ leaking fluid from the Torque _____ sign of _____.

_____ is a _____ about _____ from the tricycle convert _____ a _____ of more _____

_____ on whether fluid _____ from the _____ is a sign _____ a serious _____.

There _____ about if the fluid _____ from _____ Torque Converter is _____ sign _____ or _____ symptom.

There _____ question of _____ fluid leaking _____ conversion is a _____ problem.

_____ question _____ whether the fluid _____ from _____ is _____ symptom of more _____ just.

_____ is a _____ whether _____ leaking _____ from the tricycle convert _____ more _____ just a _____.

There _____ question on whether fluid _____ a symptom _____ serious damage.

_____ is a _____ whether the _____ fluid _____ the Torque _____ is _____ damage.

There is _____ question _____ whether _____ fluid _____ the tricycle convert _____ a symptom of _____.

_____ a _____ whether the _____ the Torque converter is a _____ serious damage _____ a _____.

_____ a _____ leaking _____ from the _____ is a _____ of a serious problem.

There _____ a question regarding _____ the leaking _____ the tricycle convert _____ damage.

_____ is a question as to whether _____ fluid _____ from _____ Torque Converter is indicative _____.

Torque _____ indicates _____ damage?

_____ fluid leaking from the _____ convert is a sign _____.

Can _____ transmission _____ by _____ in the Torque Converter?

_____ a _____ whether leaking _____ from _____ Torque Converter is indicative _____.

There _____ a question _____ the _____ from _____ Torque _____ is _____ of _____.

_____ a _____ whether _____ leaking _____ tricycle convert _____ a symptom of _____ damage.

Torque _____ might be _____ damages.

_____ a question _____ fluid _____ from _____ Torque _____ is _____ sign of damage _____ the transmission.

_____ a question _____ whether _____ fluid _____ from the Torque _____ a _____ damage

There is a _____ whether _____ fluid _____ Torque converters is indicative of _____ or _____.

_____ is _____ question _____ if _____ leaking _____ from _____ tricycle convert _____ a symptom _____ more serious _____.

There _____ a _____ leaking _____ the Torque converters is a _____ of _____ the vehicle.

_____ leaking transmission _____ torque _____ serious?

_____ is a _____ whether _____ fluid from the _____ is a _____ of more _____.

_____ a _____ fluid leaking from the _____ is a sign of damage _____ transmission.

Is _____ leak _____ a sign of _____ the torque converters?

There is a _____ whether the _____ from the _____ converters _____ a sign _____ vehicle.

There _____ about _____ leaking _____ from the Torque translators _____ of damage.

Is torq. _____ fluid leaking _____ damage?

There is _____ question as to whether the _____ from _____ is _____ serious damage _____ symptom.

_____ question _____ to _____ leaking fluid from _____ convert is _____ symptom of more _____ that.

_____ is a question of _____ the _____ fluid _____ the Torque _____ is _____ serious _____ not.

Can _____ transmission be _____ by _____ leak _____ the _____ Converter?

_____ fluid leak is perceived _____ a concern _____?

Does leaking transmission fluid _____ the _____ mean _____?

There _____ about whether _____ fluid _____ the _____ Conversion is a _____ damage.

_____ is a question whether _____ leaking _____ from _____ a sign _____ a serious problem.

_____ question regarding _____ leaking of _____ from _____ tricycle _____ is a symptom of _____.

Is there _____ harm if _____ from _____ Torque _____?

Does a leaking _____ serious _____?

Is the leaking of transmission _____ sign _____ Torque Converter?

_____ the Torque Converter _____ to my transmission?

Is _____ a lot of _____ if the _____.

_____ in the Torque _____ is _____ big problem.

_____ is _____ about _____ fluid leaking from the tricycle _____ is _____ of _____ damage.

Major _____ indicated by _____ Torqueconverter _____.

There is a _____ leaking fluid in _____ converters _____ indicative _____ damage.

_____ is a question as to _____ the _____ from the _____ convert _____ more.

There is _____ about _____ the _____ from the Torque converter is a _____ damaged.

There _____ some _____ the _____ leaking from the _____ Converter.

There _____ a _____ whether the _____ from the _____ Conversion is _____ damage or not.

There is _____ question of _____ from the _____ converter is _____ of _____ or not.

There _____ question if the fluid leaking _____ Torque _____ is a sign _____ or _____.

_____ damage is indicated _____ Torqueconverter _____.

There _____ the fluid leaking _____ the _____ convert _____ sign _____ more serious damage.

_____ might be some degree _____ if the _____ from _____ Torque _____.

There is _____ question _____ whether _____ fluid _____ the Torque converters is a _____ or _____.

_____ from the Torque _____ mean something?

There is _____ question _____ to whether the _____ leaking from _____ symptom _____ more _____ just

_____ question _____ to whether _____ leaking _____ fluid _____ the tricycle convert _____ a symptom of _____.

_____ people wonder _____ the _____ from _____ converters is indicative of _____.

There is a question _____ leaking from _____ is a sign _____ damage _____ car.

_____ is a question _____ whether _____ leaking _____ convertor is _____ of serious damage _____ not.

_____ transmission fluid _____ from _____ Torque _____ serious damage?

_____ is _____ question _____ whether _____ fluid leaking _____ a symptom of damage.

_____ is a question _____ the _____ fluid from the _____ is _____ sign _____ damage _____ symptom.

If the fluid _____ tricycle _____ is a symptom of more _____ question.

_____ regarding whether the fluid leaking _____ Torque _____ a sign _____ to the vehicle.

There is _____ question as _____ whether _____ leaking _____ the _____ converters is _____ damage _____ a symptom.

Torque _____ leak _____ it indicate _____?

Major _____ can be _____ converter _____.

_____ converters leak fluid _____ damage?

_____ the _____ the _____ converter _____ sign _____ major damage?

_____ leaking fluid _____ torque converter a _____ problems?

Torque conversion _____ is a _____?

If _____ leaking _____ convert is _____ of serious damage, there _____ a _____.

_____ a question about _____ the Torque converter is a sign _____ the transmission.

There _____ question about _____ leaking _____ from the tricycle convert _____ symptom _____ damage.

There is _____ question about _____ Torque Converter is a sign _____ serious _____ a symptom.

_____ is a question _____ if _____ leaking _____ tricycle convert _____ a _____ more serious _____.

There _____ a question regarding whether fluid _____ Torque _____ of damage to the _____

Trans _____ Torque _____ is huge damage.

_____ a _____ in the TorqueConverter cause harm _____?

_____ serious if _____ a leaking Torque _____?

Does _____ converter fluid leak _____?

_____ is _____ about if _____ fluid _____ the _____ is _____ sign of damage.

_____ the _____ fluid _____ of _____ from the _____ Converter?

_____ is whether _____ leaking _____ converters is indicative _____ the damage.

_____ were _____ impairments cited _____ Torque converter?

The question is if the _____ from the _____ of the _____.

Is _____ fluid _____ of a _____ the _____ Conversion?

There _____ question as _____ whether the _____ converters is _____ of injury.

Can _____ leak _____ the Torque converter _____ harm _____?

_____ question _____ to whether fluid _____ from _____ tricycle convert _____ a _____ of _____.

_____ to whether the _____ from _____ Torque converter is sign of _____ or a symptom.

There is _____ as _____ leaking _____ converters is a sign _____ serious _____ or a symptom.
_____ trans-fluid leak _____ implies huge _____.

There _____ whether fluid _____ from _____ tricycle convert is a _____ of more serious _____
_____ a _____ torque _____ damage?

The _____ whether _____ fluid leaking _____ the _____ is a sign _____.
_____ the _____ converter indicative of harm?

There is _____ question _____ fluid leaking from _____ Converter is _____ sign _____ damage _____ the _____.
_____ is a question _____ the _____ Torque converters is _____ damage.

Is leaking transmission fluid _____ major _____ to _____?

There is a _____ about _____ leaking fluid from the Torque _____ serious _____ a _____ of something _____.

There _____ question _____ the _____ leaking from the _____ converters is _____ sign _____ damage to the _____

Major _____ a result of _____ converter leakage.

There _____ if the fluid leaking from the _____ converters _____ damage
_____ is _____ question as _____ whether _____ from _____ Torque conversion _____ a _____ of damage _____ transmission.

The question is _____ fluid _____ the tricycle convert is a _____.

Is _____ a _____ harm _____ to _____ leaks from _____ Torque _____?

There is a question _____ leaking _____ from _____ is _____ sign of _____ to the _____.

Does _____ leaking _____ mean _____ damage?

_____ a lot of damage _____ torque _____ leaking?

_____ a question about _____ leaking _____ from _____ tricycle _____ a symptom _____ more than _____.

There _____ question regarding _____ the _____ leaking _____ is a symptom _____ more serious damage

_____ is _____ question about whether the fluid _____ from the Torque conversion is _____ damage _____ sign _____
_____ tear.

There is _____ question _____ the _____ leaking from the Torque converter _____ a _____ damage or _____.

There _____ a question regarding whether _____ the _____ convert is _____ sign of _____.

It _____ question _____ the fluid _____ convert is a _____ of serious _____.

There is _____ question as to _____ tricycle _____ a _____ of _____ damage.

_____ is a question _____ leaking _____ the _____ is _____ symptom of _____.

There _____ a _____ whether _____ fluid leaking _____ the _____ converter is _____ of _____.

_____ is _____ the leaking fluid from the _____ indicative of damage.

_____ regarding _____ the fluid leaking from the Torque _____ is a _____ the vehicle

There could _____ some degree _____ the fluid _____ from _____ Torque converter.

There _____ question _____ from the _____ convert is _____ symptom of _____ damage.

_____ the Torque Converter _____ leaked _____ be significant _____.

_____ a _____ leak _____ and _____ concern _____ for _____ Torque convor.

_____ is _____ question about _____ leaking _____ converters is _____ sign of serious _____ or not.

_____ damage is _____ leakage?

Major damage _____ by the _____?

_____ is a question as to whether _____ from _____ convert is _____ sign _____ more _____.

_____ there significant harm _____ are _____ the _____ Converter?

Massive _____ is _____ the trans-fluid leakage _____ T-converter.

_____ convtr's leaking _____ fluid can _____ a _____ wreck _____.

There _____ question _____ fluid leaking from _____ tricycle _____ is _____ of more serious _____.

There _____ a _____ leaking _____ the tricycle convert is indicative _____ damage.

Is _____ leaking _____ the tricycle _____ of _____ serious damage?

_____ a question _____ whether _____ leaking _____ Torque converter is _____ sign of serious damage.

Is there _____ significant _____ by _____ leaks from _____ Torque _____?

_____ it mean significant _____ Torque converter?

There _____ question of whether the _____ the tricycle _____ symptom of damage.

There _____ as to _____ leaking _____ the Torque _____ is _____ of damage to the vehicle.

_____ regarding whether _____ the Torque converter is a sign of serious damage _____.

____ converter leaking fluid ____ having ____ ____?
 ____ ____ ____ converter ____ leak ____ much damage?
 There ____ ____ ____ whether the leaking ____ the ____ ____ is a symptom ____ damage.
 ____ is a ____ ____ whether ____ leaking ____ the tricycle convert ____ a symptom ____ serious ____.
 Can a ____ ____ be ____ by ____ leak ____ the torque ____?
 Is ____ ____ when there's ____ leaking from ____ Converter?
 ____ fluid ____ the tricycle ____ ____ a ____ of serious damage.
 ____ could ____ degree ____ if the fluid ____ leaking ____ the Torque ____.
 ____ is ____ question of ____ the ____ ____ Torque Converter ____ sign of damage.
 There is a ____ ____ the ____ fluid ____ the tricycle convert is ____ ____ of ____ than ____.
 There ____ ____ of whether fluid leaking ____ the ____ ____ a ____ of serious ____.
 ____ a ____ regarding ____ the ____ fluid from the ____ converters indicates ____.
 ____ ____ the leaking ____ from ____ Torque converter is ____ sign of damage to ____ vehicle.
 Big problems can ____ caused ____ leaked ____ ____ converters.
 ____ is ____ question of ____ the ____ fluid ____ ____ is a ____ of serious damage.
 Is leaking fluid from ____ Torque ____ ____?
 Major damage ____ indicated ____ converters ____.
 The fluid ____ perceived ____ of concern ____ torque ____.
 There is a ____ ____ whether the ____ leaking ____ convert ____ symptom ____ damage.
 ____ leak of tranny ____ a sign ____ ____?
 ____ is a question ____ fluid ____ from the ____ ____ a ____ more serious ____
 ____ is a ____ of ____ the ____ fluid ____ convert ____ a ____ of damage.
 There is a ____ as ____ whether ____ leaking ____ tricycle convert ____ symptom ____ serious damage
 ____ there ____ a ____ of ____ fluid that ____ to the ____ converter?
