

[Demo] NLP Dataset for Customer Service Automation

Company Type	E-commerce Marketplaces
Inquiry Category	Product information and specifications requests
Inquiry Sub-Category	Product Compatibility
Description	Customers want to know if a product is compatible with other devices or systems, seeking information about connectivity options, software requirements, or interoperability.
Data Size	5,000 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "E-commerce Marketplace" customer inquiry. (Purchased data will not be masked.)

____ operating ____ support ____ connectivity ____ this ____?

There ____ a question ____ or not ____ OS exists for ____.

____ the use of ____ on the device ____ not?

Which operating systems ____ bt ____ at least ____ that ____ it?

____ am wondering if ____ operating systems that ____ compatible ____ a ____ a name ____ is ____ to ____.

____ have ____ systems ____ are ____ a ____ with a name ____ to Bluetooth?

____ of the OS ____ supporting bt on ____?

____ operating system enables the device ____ wireless ____?

____ a requirement ____ kind ____ systems can ____ with that?

Which OSs ____?

____ are the OS ____ employing BT on this ____?

What ____ operating ____ that ____ the ____ of bt?

I'm ____ any ____ OS ____ here.

____ is a BLE connection ____ device, ____ operating ____ do ____ work with?

Do anyone ____ any operating systems that are ____ device ____ a ____ that is ____?

What ____ allow ____ of ____ on a ____?

What ____ operating ____ can accommodate ____ for Bluetooth?

I ____ curious ____ know ____ any ____ systems ____.

Which ____ can ____ of a ____?

Can ____ the ____ of wireless communication on ____?

____ versions of ____ systems are ____ use ____ bt ____ the device?

____ Bluetooth support for?

____ communication ____ by ____ this device?

Does anyone ____ systems ____ are ____ with ____ a ____ a name that ____ compatible ____ wireless technology?

____ operating ____ the word bluetooth on ____?

____ has ____ connection, ____ which ____ do it work on?

The ____ a BLE connection but ____ systems ____ work ____ it?

Does ____ have an operating system that ____ has ____ that's compatible with Bluetooth?

What operating systems _____ of bt _____ some _____?

_____ supported operating systems that allow _____ some of _____?

_____ OS _____ a wireless _____ device?

Which _____ have the _____ the bluetooth requirements?

_____ versions of OS _____ enable _____ use _____ bt on _____?

What versions of _____ operating _____ are supported _____ the use _____ the _____?

There's _____ about if _____ a supported _____ the wireless _____.

_____ are there OS _____ allow this device _____?

Can the _____ use its wireless technology _____ outside _____ operating system?

_____ operating _____ have _____ to work with _____?

Can the _____ with _____ using its _____ on _____ operating systems?

There's a _____ if _____ a supported OS _____ the _____.

_____ operating systems that _____ for _____?

What _____ the _____ are _____ the use _____ on the device.

_____ aBLE _____ with this device, but which operating _____ connect _____?

Does anyone _____ any _____ systems that _____ using _____ device with _____ that's _____ withBluetooth

_____ of any operating systems _____ Bluetooth _____?

_____ the OS they _____ use of _____ on the device.

_____ OSs supportBluetooth _____ this _____?

_____ it can use any OS _____ is compatible _____?

This device has _____ connection, _____ which operating _____?

Which _____ will _____ to use a wireless _____?

_____ use with _____ wireless system?

_____ your stuff _____ with any _____ the _____ acknowledge Bluetooth?

_____ are the operating _____ which _____ be used?

_____ it support any _____ systems _____ supportBluetooth?

What operating systems _____ use of _____ this _____.

_____ operating _____ connection with the _____?

Which OSs _____ wireless _____?

Is _____ stuff _____ with any _____ that _____?

I want _____ if _____ operating systems _____ the _____ of bt on _____ device _____.

I _____ any operating systems that _____ compatible with a device with a _____ that _____ Bluetooth.

_____ is compatible with _____ connection?

_____ the OS versions that allow _____ this _____?

I want to know _____ can use _____ is _____.

_____ OS can _____ somebody use _____?

_____ operating _____ allow bluetooth for _____?

_____ the OS versions _____ bt _____ device?

What _____ operating system that _____ bt on _____?

Does the _____ OS _____?

Is _____ any operating systems _____ are _____ with using _____ is compatible with bluetooth?

_____ operating system _____ allows _____ use of bt _____ device?

Which _____ OS enable the _____ bt on the _____.

_____ support the _____ of _____ on a device?

_____ has _____ connection, which operating _____ it work with?

Which OSs are _____?

What are _____ operating _____ for the _____ bt _____ a device?

Is bt _____ the supported operating _____ the _____?

_____ anyone _____ any _____ that are _____ with a _____ with _____ name that _____ compatible _____ the wireless _____?

This _____ has aBLE connection, _____ which _____ it _____ to?

Which OS _____ the _____ a wireless signal?

What are the _____ allow for _____ bt _____ the device?

Can it use _____ compatible _____?

_____ operating _____ that _____ support forBluetooth?

Does _____ operating _____ that are _____ the bluetooth _____?

What _____ systems are _____ the use _____ bt _____ a _____?

_____ device comes with aBLE _____ but _____ operating _____ do _____?

_____ operating _____ support use _____ the device?

What _____ the _____ are _____ the use _____ bt _____ the device?

_____ supported _____ order to allow the use of _____ on _____?

Which _____ lets _____ a _____ connection?

_____ the supported operating _____ allow _____ the device?

Can _____ use _____ operating system compatible with _____?

Which operating systems are _____ to allow _____ the _____?

Which operating _____ can _____ use _____ Bluetooth?

_____ OS is _____ use _____ wireless accessory on?

_____ operating _____ enable the _____ of bt on _____ device _____?

I _____ to _____ operating _____ are compatible with a _____ a name that is _____ withBluetooth.

Which operating _____ can _____ to use _____ communications?

What versions of _____ on the _____ the use of _____?

Does _____ give _____ device aBLE _____?

_____ systems _____ supported to use bt on _____?

_____ OSs _____ Bluetooth?

What operating systems _____ the _____ the device, _____ least the _____ that _____ it?

_____ has _____ but _____ operating systems will work _____ it?

Can _____ tell _____ of the OSes _____ with _____ here?

_____ operating _____ the ability to _____ with the _____ of _____

_____ there an _____ that allows _____ of _____ the device?

_____ has aBLE _____ which operating systems _____ it _____ with?

Are there _____ that _____ the _____ of _____ on the _____?

_____ versions _____ operating _____ are used by the _____ bt?

_____ the _____ options _____ with the wireless _____?

Which _____ can _____ use _____ signal?

_____ any _____ systems _____ allowBluetooth?

Which _____ allows a _____ to use _____?

Which _____ of the operating _____ support _____ device?

What _____ OS that are _____ enable the _____ of _____ the _____.

This device has _____ but which operating _____?

_____ the operating _____ that _____ you _____ bt _____ the device?

_____ operating _____ connection _____ this device?

Which operating _____ allow this _____ have _____ device?

This _____ has aBLE _____ but which _____ it connected _____?

_____ operating _____ the use of _____ the device?

What _____ systems they support enable _____ use _____ bt?

_____ device _____ aBLE _____ but which _____ it work?

Which _____ this item?

What _____ can _____ used forBluetooth?

_____ compatible with _____ options?

Which _____ lets _____ use _____ wireless _____?

_____ want _____ the OS versions that do _____ the use _____ on _____ are supported.

_____ any operating systems have support for Bluetooth.

_____ versions of _____ enable the _____ of bt _____ supported _____ the device?

_____ the _____ to _____ a wireless accessory?

I _____ operating systems _____ compatible with using a _____ with a _____ is compatible _____.

There _____ question _____ to whether or _____ any supported OS _____ the _____.

_____ device _____ connection, but _____ operating systems _____ it work _____?

_____ can _____ wireless connection?

_____ operating _____ are used _____ allow _____ use _____ on the _____?

What _____ it _____ communication?

_____ supported to _____ use of bt on this _____?

What _____?

_____ are the _____ that _____ use of _____?

_____ any operating _____ with Bluetooth _____?

_____ systems _____ allow this device to use _____?

Can the device connect _____ the _____ on which operating systems?

Does _____ operating _____ are compatible _____ wireless technology?

What operating systems _____ use _____?

Are _____ operating _____ that _____ bt _____ the _____ supported?

Can _____ if _____ operating _____ are compatible with _____ protocol?

Which _____ device to use a wireless _____?

Does anyone have _____ system that is _____ a device with _____?

Is _____ an OS _____ a device _____?

_____ OS versions _____ let BT _____ employed on this device?

_____ of _____ on _____ device _____ the use of bt?

_____ systems are used _____ support the _____ of _____ a _____?

I _____ like to _____ any operating _____ have any _____.

Is it possible _____ an operating _____ that _____ with _____ device _____ name _____ to Bluetooth?

_____ have any operating _____ compatible _____?

How _____ the _____ operating systems that _____ the device?

Can the device use _____ wireless technology _____ which _____ world?

What _____ the _____ options that _____?

Is there an _____ a item _____?

Which _____ a _____ use _____ wireless device?

_____ of the _____ that _____ used _____ the device _____ the use _____?

Is _____ possible to _____ what OS supports _____ item _____?

Does _____ any operating systems _____ work _____ the _____ wireless _____?

_____ connect with the _____ through _____ wireless _____ on which _____ systems?

_____ system for this _____ compatible _____?

What versions _____ operating systems _____ the _____ of bt?

_____ systems _____ the ability _____ with _____ bluetooth requirements of _____ widget?

What _____ the _____ versions that _____ of _____ on _____ device?

There _____ not _____ is a supported OS for the _____ accessory.

There are _____ systems _____ product.

_____ give this device a BLE _____?

_____ of _____ used to enable bt _____ the device?

_____ versions of _____ of bt on the device?

Which _____ deal _____ requirements?

I was wondering _____ has _____ that are compatible with _____ device _____ a _____ that _____ to _____.

_____ OS supports _____ of a _____?

_____ systems that are compatible with _____ Bluetooth _____?

Which _____ systems do you _____ give this _____

Is _____ by the _____ systems _____ are _____ the _____?

Which _____ enable it _____ wireless _____?

_____ operating _____ that _____ the _____ of bt _____ the _____ supported?

Which _____ would _____ wireless _____ something?

What are _____ systems _____ bt on the device.

What _____ OS that support the use _____ the _____?

Which OSs _____ using _____?

_____ allow _____ of a _____ signal?

_____ anyone tell me _____ of the _____ compatible _____?

_____ of the operating _____ enable the use _____?

_____ are the _____ systems that _____ allow the use _____ bt _____?

Which OS _____ device _____ a wireless _____?

I am curious _____ any _____ forBluetooth in _____ systems.

The _____ has _____ connection, _____ which operating _____ does it _____?

_____ of using a wireless _____ for something?

_____ it connect with _____ outside world _____ wireless _____ on _____ operating _____?

_____ operating _____ enable the use of _____ device are _____.

_____ system _____ use of _____ communication?

What _____ are supported to _____ the use _____ bt _____?

What are _____ systems that _____ the use of bt _____?

_____ operating _____ enable the _____ of _____ in this _____?

What _____ of _____ are _____ with the _____ forBluetooth?

_____ operating _____ bt _____ this device?

What are the _____ systems _____ allow _____ use of _____ some _____?

_____ versions _____ OS do they support _____ allow _____ device?

_____ offered OS _____ compatible with _____?

_____ operating systems that _____ of bt _____ device are _____ known.

Is there _____ systems that are compatible _____ a _____ name that's related _____?

Does _____ have any operating _____ compatible _____ wireless _____?

What operating system gives _____ to use _____ connection?

What operating _____ are _____ use bt on _____?

_____ are the supported _____ of _____ OS _____ the use _____ bt _____ the _____?

_____ have any operating _____ that work _____ a _____ a name _____ withBluetooth?

The device _____ aBLE connection, _____ will it work _____?

Can _____ use an _____ compatible _____?

_____ you tell me _____ there is _____ OS _____ here?

What _____ of the OS that _____ of _____ the _____?

_____ would like to _____ systems have _____ support forBluetooth.

What _____ OS that enable _____ use _____ the device.

_____ have any _____ that are compatible _____ a device _____ a _____ is _____ with bluetooth?

_____ systems _____ allow _____ bt on this device?

_____ can _____ for wireless communication?

_____ anyone _____ of any _____ that _____ compatible _____ device with _____ name that _____ related toBluetooth?

_____ anyone have any operating _____ are compatible _____ the _____?

I want _____ know if _____ are _____ support.

_____ are _____ OS _____ that _____ to _____ used _____ the device?

_____ of _____ supported for bt on _____ device?

Is _____ operating systems _____ work with _____ device with _____ name _____ toBluetooth?

Is there _____ this product?

_____ operating system supports _____ device _____ says _____

_____ versions of _____ that _____ on the device?

_____ enable the _____ of bt _____ the _____ or at _____ the OS versions _____?

_____ operating _____ allows _____ use of _____ connection?

_____ allows _____ thingamajig to go _____?

What OS _____ use of _____ the _____?

_____ of the operating systems that _____ the _____ of bt?

_____ operating systems that support _____?

It is aBLE _____ but _____ will _____ with?

What _____ the OS _____ use enable _____ use _____ on the _____.

_____ am _____ in finding _____ if _____ operating _____ have _____ forBluetooth.

_____ OS _____ for the _____ of bt _____ the device?

_____ operating systems that _____ bt on _____ device?

_____ systems _____ connection?

Can the _____ the world _____ wireless technology on _____ systems?

What are the _____ allow the _____ of _____ the devices?

The device comes _____ which operating _____ it connect _____?

What are the _____ bt on _____ device?

_____ operating systems do _____ support _____ allow the _____ of _____ device?

I _____ like to know _____ any _____ the operating _____ a device with a _____ to _____.

Does anyone _____ any _____ that _____ work _____ a device with _____ that's _____ to _____?

Which _____ versions _____ bt _____ the _____?

_____ operating system can allow _____ to _____ technology?

Which _____ is _____ let _____ use a wireless _____?

_____ it use _____ communication?

What _____ the use of bt _____?

_____ versions _____ enable _____ device _____ useBT?

_____ any operating systems that _____ work with a _____ a name _____ is _____ to _____?

_____ the _____ operating systems _____ enable use of _____?

What OS is compatible _____?

_____ operating systems _____ it _____ communication

The OS _____ that _____ allow _____ use _____ bt on _____ are _____.

_____ OS _____ are _____ bt on the _____?

Does your operating _____ use _____?

_____ can handle _____ requirements of _____?

I would _____ to know _____ any _____ the operating systems are _____ a device _____ a _____.

Do you _____ any _____?

_____ the _____ systems enable the use of _____ on _____?

_____ allowed _____ to have _____ wireless accessory?

Which operating _____ to _____ used on _____ device?

What are _____ supported _____ systems that allow _____ of _____ the _____?

It's _____ which operating systems do _____ with?

_____ stuff work _____ any operating systems _____ acknowledgeBluetooth?

What versions _____ supported _____ allow _____ bt on the device?

Can _____ device _____ OS compatible _____?

_____ enable the use _____ bt on _____ or _____ on some versions?

Which OS _____ use _____ wireless _____?

_____ allow this item _____ wireless communication?

_____ supported _____ systems that _____ to be used?

Which _____ allow _____ item to have a _____?

_____ device _____ wireless technology _____ which _____ systems?

_____ want _____ know if _____ systems _____.

The device _____ connection, but _____ operating systems _____?

_____ device has aBLE _____ what _____ systems _____ work with?

_____ can enable the device to _____ wireless _____?

_____ device has aBLE _____ operating systems do _____ it?

What versions _____ operating _____ are supported _____ bt _____ device?

_____ operating systems support _____ the _____?

What are the operating _____ versions that _____?

Can anyone _____ me if there _____ OS _____?

_____ are _____ support bluetooth?

I _____ to know if _____ offered _____ are _____.

Which operating _____ allows this _____ communicate _____ bluetooth?

_____ OSs _____ the bluetooth _____ product?

Does _____ any _____ that _____ compatible with using _____ device with a _____ is _____ to wireless _____?

Does _____ any _____ compatible with _____ Bluetooth technology?

_____ operating system _____ this _____ the ability to _____?

Which _____ have _____ to deal with the _____ bluetooth?

Do _____ have _____ support _____ bluetooth?

This _____ aBLE connection but which _____ it?

_____ device has _____ Connection _____ operating _____ do it _____ to?

I _____ like to know if anyone has any operating _____ device with _____ Bluetooth.

What operating _____ for _____ use of _____ on _____?

_____ the operating systems _____ support _____ of _____ on this _____?

_____ anyone tell me _____ any operating _____ the Bluetooth _____?

_____ of the operating systems _____ enable bt on _____?

_____ OS versions _____ used to support _____ device?

Is _____ a _____ OS for _____?

_____ the _____ that support _____ on a device?

I _____ like _____ know _____ any supported _____ forBluetooth here.

_____ allows _____ device _____ a wireless signal.

Which operating _____ can _____ to _____ Bluetooth?

There _____ a _____ a compatible _____ here.

_____ with _____ connection, but _____ operating systems will _____ with?

_____ OS _____ let _____ use _____ wireless accessory?

Does anyone _____ operating _____ that _____ compatible with a _____ with _____ is compatible _____ wireless network?

Are _____ operating systems _____ bt on _____ device _____?

_____ are all the supported _____ systems _____ of bt _____ device?

_____ versions _____ supported _____ allow the use of _____ device?

_____ versions of _____ OS _____ of bt on the _____.

_____ its operating systems _____?

I _____ if _____ offered _____ options are _____ with _____.

_____ would like _____ if _____ systems that are compatible with a _____ a name that is _____.

_____ want _____ know _____ OS options _____ compatible _____ Bluetooth.

_____ operating _____ use _____ bt on _____ are not known.

Can _____ use its _____ to connect _____ the outside world _____ system?

_____ OS that _____ use of bt _____ the device _____ supported.

What _____ of _____ bt on _____ device?

I'm wondering if _____ has _____ operating systems _____ compatible _____ using a _____ with _____ to _____.

_____ versions _____ enable the use of bt _____ the _____?

_____ allow it to _____ wireless _____?

What _____ of _____ OS that _____ bt _____ the device?

Does _____ have _____ systems that can _____ with _____ device _____ a _____ is _____ toBluetooth?

This device _____ with _____ which _____ will it work _____?

_____ operating _____ supports a device with _____?

Do _____ have _____ ability to _____ the bluetooth requirements?

Which _____ systems _____ have aBLE _____?

_____ of _____ run on _____ device enable the use of _____?

I'm wondering if _____ Bluetooth here.

_____ operating _____ the use of _____?

Can _____ tell me if any _____ systems _____ compatible _____ a device with a _____ compatible _____?

Which OS allow _____ have _____?

What _____ of bt on the devices?

_____ a Bluetooth feature?

Which _____ supports _____ this _____?

_____ operating _____ allow _____ connection?

_____ device is _____ which _____ systems do _____ work with?

_____ me if any of the operating _____ are _____?

Which OS _____ to _____?

Is anyone aware of any operating _____ using a _____ a _____ that is _____?

Which OS _____ you _____ connection?

_____ systems are _____ use bt on _____ device?

What _____ of _____ operating systems _____ use of bt on _____ device _____?

What _____ of operating systems _____ the _____ of _____ device?

I _____ know if the _____ operating _____ enable the _____ of _____ the _____.

_____ OS they use allow for the _____ on the _____?

_____ system can _____ on this?

Which operating _____ this _____ have a _____ connection?

What _____ the supported _____ that _____ this device?

_____ use bt on _____ device, what _____ supported?

_____ it to use _____ communication?

The device comes _____ connection but _____ operating systems _____?

_____ support Bluetooth _____ product?

Which operating system can enable _____ a _____ cell phone _____?

Is _____ aware of _____ operating systems that _____ work _____ device _____ a name _____ Bluetooth?

Which _____ allow for _____ wireless _____?

_____ the device _____ wireless technology _____ which _____ system?

Is _____ use _____ bt _____ by the _____ systems _____ the _____?

There is _____ or not _____ OS is _____ for the _____.

Is there _____ for _____ bluetooth product _____ any _____ operating _____?

Is _____ possible _____ device _____ any _____ compatible withBluetooth?

_____ curious _____ see if _____ operating _____ support forBluetooth.

It _____ but which _____ systems do it connect _____?

The _____ systems _____ enable _____ use of _____ on _____?

_____ OSs _____ compatible _____?

_____ OS is _____ use _____ wireless _____?

_____ is a question _____ whether there _____ a _____ OS _____ the _____.

What kinds _____ systems can accommodate _____?

_____ of _____ operating systems allows _____?

Which _____ system _____ allow the use _____ accessory?

Which _____ system _____ thingamajig _____ ability to interact _____ via _____ connection?

_____ OS enables _____ use wireless _____?

_____ that's compatible _____ the wireless technology?

Which OSs allow this _____ a _____?

_____ it possible to know _____ OS _____ Bluetooth?

What _____ the _____ to deal with the _____?

_____ that allow the _____ bt _____ the device.

Which _____ allow _____ use _____ wireless _____?

This device has aBLE _____ operating _____ it _____ with?

_____ of the OS _____ on the device are supported?

Which _____ may _____ the _____ have a wireless _____?

Does _____ operating systems _____ are compatible with _____ a name that _____ compatible _____ wireless technology?

_____ is your _____ Bluetooth?

This device _____ aBLE _____ which _____ do you _____ give _____ this connection?

_____ systems _____ aBLE _____ device?

_____ are the OS _____ that _____ the use _____ on _____?

_____ allow the device _____ use a _____ signal?

Does _____ operating systems _____ the _____ of _____ on _____?

At least what versions _____ the _____ the use _____ bt on _____

Does anyone _____ operating systems that are _____ with _____ with a _____ that's _____ bluetooth?

_____ versions _____ the OS were used _____ of bt _____ the _____?

Is _____ compatible _____ operating systems that _____ Bluetooth?

_____ versions of _____ to _____ bt _____ the device?

Does _____ if there's _____ supported _____ forBluetooth _____?

What operating systems _____?

Which _____ is _____ with a _____ with _____ word _____ it?

What _____ systems that _____ of bt on the _____?

Which operating _____ a device _____ the wordBluetooth _____?

What operating _____?

_____ the _____ systems that _____ the use _____ bt on _____ device?

Do _____ OSs allow the item to _____?

_____ can _____ used _____ a wireless accessory?

_____ versions of _____ OS enable _____ use of _____?

Which OS _____ the device to _____ a _____?

_____ device _____ aBLE connected, _____ which _____ systems will _____ with?

_____ are _____ supported operating systems that _____ for _____?

Any _____ systems _____?

Can _____ if _____ thing can use _____ OS _____ compatible _____?

What _____ the operating systems _____ bt _____ used _____ the _____?

What _____ systems are _____ to _____ the use of _____.

What operating systems _____ bt _____?

Which versions of _____ enable the _____ are supported?

What _____ of _____ systems _____ to allow the use of _____?

_____ operating systems _____ use _____ on the device?

Is there any OS _____ enable _____ bt _____ the _____?

I _____ wondering if anyone _____ any operating _____ that _____ compatible with _____ name _____ is _____ with _____.

What versions of _____ systems do _____ that _____ use of _____ the _____?

_____ would like to _____ if any _____ systems _____

Which _____ let the _____ a wireless _____?

_____ OS versions _____ allow for _____ of bt on _____ device?

Which _____ use wireless communication?

_____ want _____ know if _____ systems have _____ forBluetooth

What versions of the _____ allow _____ bt _____ the _____?

What _____ of _____ do they _____ the use _____ on?

Is it possible to _____ wireless _____ on _____ operating _____?

_____ operating systems allow the _____ of _____ device

_____ to know _____ operating _____ have support forBluetooth.

What are _____ supported _____ that allow _____ to use _____ device?

_____ operating systems _____ the device, _____ at _____ OS _____ supports it?

_____ operating _____ supports _____ wireless _____?

Is there an _____ supports _____ item _____?

_____ has aBLE connection, but which _____ it?

_____ device to have aBLE communication?

Is _____ options _____ with _____?

_____ anyone have _____ operating systems that _____ device with _____ that's compatible _____ the wireless _____?

Do operating _____ support _____ idea of _____ on _____?

_____ operating _____ have the _____ work _____?

_____ OS _____ aBluetooth _____?

_____ allow _____ to _____ a wireless communication _____?

_____ operating _____ are _____ to allow _____ use of _____ on _____?

Does anyone _____ any _____ systems that can _____ a name _____ toBluetooth?

_____ operating system _____ to _____ toBluetooth?

_____ systems allow the _____ ofBluetooth for _____?

_____ versions _____ supported _____ allow _____ of bt on a _____?

What are the _____ that allow for _____?

_____ have _____ operating _____ compatible with a _____ has _____ name that is _____ with wireless communication?

Which _____ device _____ use a _____ technology?

The device has aBLE _____ but _____ permit _____?

_____ versions of the _____ used _____ use _____ on the device

_____ device to be aBLE connected?

_____ are used _____ enable the use _____ on _____ device.

_____ this device use _____ that is compatible _____?

_____ operating _____ allows _____ to interact _____ a bluetooth connection?

Which _____ can allow for _____ use _____ phone known asBluetooth?

_____ supported operating systems that let _____ bt?

_____ of the operating _____ supported in _____ to _____ on _____ device?

What are the _____ use of bt _____ the device?

_____ of _____ are supported for _____ the device?

Does _____ have any _____ systems that _____ compatible _____ a name _____ compatible with the wireless _____?

_____ the supported operating systems _____ bt on a _____?

_____ anyone _____ me if any of _____ are _____ with _____?

_____ operating _____ support _____ wireless device?

_____ operating _____ enable _____ of _____ on the device?

_____ kind _____ operating _____ meet _____ requirement forBluetooth?

This _____ has _____ connection, which _____ work with _____?

Which operating _____ deal _____ bluetooth _____ of _____ accessory?

_____ an OS _____ compatible _____?

The _____ is aBLE connected but _____ will _____ work _____?

Which OS _____ a _____ wireless accessory?

_____ there any operating _____ support _____?

This _____ aBLE connection, which _____ systems _____ with?
 The _____ to interact _____ things via _____ is given _____?
 Can _____ if any _____ operating systems are _____ with _____ device _____ a name _____ is _____ to _____?
 _____ operating _____ supportsBluetooth for _____?
 What _____ are used to enable _____ this _____?
 It has aBLE _____ which operating _____ it _____?
 I _____ know _____ operating system _____ withBluetooth.
 _____ of _____ OS that allow _____ of _____ are supported?
 What _____ OS allow _____ use _____ on devices?
 _____ it possible to _____ what OS _____ an _____?
 _____ OSs _____ it _____ use _____?
 Which operating _____ capable _____ dealing with the bluetooth _____?
 _____ are the supported operating systems _____ enable _____?
 Which _____ systems support _____ this _____?
 Which OSs _____ this _____ be _____?
 _____ versions of _____ OS _____ supported to _____ use of _____ device?
 Does anyone _____ there is _____ supported _____ here?
 What _____ use of bt on _____ device?
 Is _____ of any _____ support?
 _____ can the device use _____ have _____ wireless _____?
 Which _____ Bluetooth?
 _____ operating _____ are able to deal _____ the _____?
 What _____ of _____ they _____ enable bt _____ device?
 I'm curious _____ if _____ supportBluetooth.
 The _____ has _____ which operating systems _____ work with _____?
 What _____ supported operating _____ bt to be used _____?
 Which _____ able _____ deal with the _____ of _____ accessory?
 Which OS could _____ have a wireless _____?
 _____ aBLE connection, but _____ operating systems _____ to?
 What _____ supported _____ systems _____ allow _____ to use _____ on the _____?
 How _____ the _____ versions _____ can _____ device _____ useBT?
 On which _____ can the _____?
 _____ are used to _____ bt _____ this device?
 What _____ the _____ that allow _____ of _____ on _____ versions?
 What versions _____ the OS are supported _____ on _____?
 Which operating _____ product?
 Which _____ be _____ to Bluetooth?
 _____ systems _____ allow the _____ of bt _____ device?
 What _____ supported to _____ on _____ device?
 Does _____ have _____ systems _____ compatible with _____ new _____ technology?
 Which _____ system _____ allow _____ device to _____ communication?
 There is a _____ is _____ supported OS for _____ wireless _____.
 This _____ has _____ Connection, _____ which operating systems _____ to?
 _____ know of _____ for Bluetooth?
 _____ is a _____ whether there is _____ that supports _____ accessory.
 _____ systems have a supported Bluetooth _____ this _____?
 _____ version _____ the OS _____ use enable _____ of bt _____ the _____?
 _____ operating system _____?
 There _____ any _____ have _____ support?
 _____ anyone have _____ systems _____ work _____ theBluetooth protocol?

____ version of ____ are supported ____ use ____ on the device?
 ____ operating systems ____ for ____ bt ____ the device?
 ____ versions of ____ bt on the device ____ supported.
 What ____ supported OS versions ____ bt on the ____?
 ____ there an ____ that ____ of bt on ____ device?
 ____ allow bt ____ the device?
 I'm curious ____ operating ____ have any ____
 What ____ of operating systems ____ handle ____?
 Which OS ____?
 ____ of ____ OS ____ support ____ the use of bt on ____ device?
 Is there ____ support for ____ product ____ operating ____?
 The ____ the use of ____ the device should ____ known.
 ____ are the operating systems ____ enable the ____ device.
 ____ connection, but which ____ systems do you ____ it ____?
 ____ versions of operating systems ____ to allow ____ use ____ bt ____?
 ____ are ____ operating ____ that have ____?
 What ____ allow the ____ of bt ____ the device, ____ the ____ versions that ____?
 Which ____ allow a wireless ____?
 What ____ of ____ systems ____ supported ____ the use of bt ____?
 Which operating system ____ of Bluetooth ____ device?
 ____ are supported ____ that ____ the ____ of bt on ____?
 The device ____ aBLE ____ but ____ operating ____ that?
 ____ OS ____ this device?
 ____ operating system ____ to use ____ wireless technology?
 Which ____ system can ____ a ____ signal on?
 ____ operating ____ support ____ use of ____?
 ____ OS ____ the device to ____ a wireless ____?
 What ____ of ____ OS are ____ that enable the use ____ the ____?
 ____ OS can ____ to use a ____?
 ____ OS ____ support?
 Which operating ____ have ____?
 ____ any operating systems that ____ work ____ a ____ a name related ____?
 Which ____ supports ____ device with ____ word "Bluetooth"? ____
 Which ____ a wireless ____?
 ____ operating system supports ____ device with ____ it.
 ____ thing ____ an OS ____ compatible ____ the ____ technology?
 ____ possible for the ____ to ____ bluetooth on ____ operating ____?
 Can anyone ____ any of ____ are compatible ____ Bluetooth?
 Is there ____ support for Bluetooth?
 Does anyone ____ any ____ systems that ____ with ____ device that ____ that ____ related to ____?
 ____ versions ____ the ____ systems ____ supported ____ the ____ of bt ____ device?
 Does ____ have any operating ____ are ____ a device with a ____ with Bluetooth.
 ____ it ____ for the ____ OS options ____ work ____?
 ____ is a question ____ OS ____ supports the ____.
 ____ would allow ____ to use a wireless ____?
 ____ is ____ whether or ____ is an OS that supports ____ wireless ____.
 Is there ____ operating ____ supports Bluetooth ____ this ____?
 Does ____ systems that support Bluetooth?
 Which ____ system ____ with the ____ " bluetooth"?
 ____ has aBLE connection, but ____ operating ____ it?

_____ operating systems _____ are compatible _____ using a _____ with a _____ that _____ to Bluetooth?

_____ operating _____ have support _____?

_____ operating _____ support for?

_____ connection, but what operating systems allowed _____?

_____ operating system _____ flexibility _____ interact _____ things _____ a bluetooth _____?

_____ anyone have _____ operating systems that are _____ a _____ related _____?

_____ anyone have _____ operating systems that _____ with a device that _____?

What _____ operating _____ can address the _____?

Does anyone have _____ operating systems that are compatible _____ a _____ compatible with _____?

_____ operating systems _____ allow bt _____ the device?

_____ operating _____ supports a _____ with _____ bluetooth _____ it

_____ are _____ supported _____ systems _____ use _____ bt _____ the device.

Which _____ of the operating _____ are _____ the use _____ bt _____?

Which OS _____ for _____ accessory?

_____ the OS they _____ the use _____ bt on the _____.

_____ if the OS _____ withBluetooth.

Is _____ for the device _____ connect with _____ outside world _____ wireless technology _____ operating _____?

What are _____ systems _____ allow _____ to _____ bt?

_____ OS _____ the _____ use _____ communication?

_____ device comes _____ aBLE connection, but which _____ do _____ to?

_____ don't _____ if the _____ includeBluetooth _____.

The device _____ aBLE connection, _____ do it work _____?

_____ want to _____ if _____ systems have _____ forBluetooth.

_____ you know _____ the _____ system supports _____ connection _____?

_____ question about whether _____ there _____ operating _____ that supports _____ bluetooth protocol.

Does _____ an _____ system that's _____ using _____ device _____ name that's related to _____?

What _____ will allow _____ of _____ the device?

Which _____ the device _____ use _____?

_____ versions _____ are _____ by _____ allow the use of bt?

There is a question _____ whether there _____ wireless accessory.

_____ supported OS _____ that allow the _____ bt?

At _____ what versions of _____ OS _____ allow _____ on _____?

What are the operating systems _____ use of _____?

Which OS _____ a _____?

Which _____ compatible _____ the bluetooth _____?
