

[Demo] NLP Dataset for Customer Service Automation

Company Type	Internet Service Providers
Inquiry Category	Internet connection troubleshooting
Inquiry Sub-Category	Intermittent Connectivity
Description	Customers experience regular disruptions or dropouts in their internet connection, which may be due to signal interference, faulty equipment, or issues with the ISP's network infrastructure.
Data Size	7,692 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Internet Service Provider" customer inquiry. (Purchased data will not be masked.)

Are ____ any issues ____ equipment ____ intermittent connectivity ____?

There may be equipment ____ that ____ leading ____ ____.

Is ____ gear faults ____ can ____ internet ____?

____ the equipment malfunctioning ____ ____ issues?

Is there ____ problem with equipment ____ ____ problems?

Is ____ ____ due to gear?

____ there ____ gear failure ____ internet ____?

____ any ____ faults impacting ____ access?

____ flaws can ____ Connectivity ____.

____ gear ____ affect connection occasionally?

____ there ____ issues ____ affect my ____?

____ ____ problem ____ the ____ that ____ affecting connection on and ____?

____ ____ might ____ caused ____ faulty gear.

There are equipment ____ ____?

____ a ____ issue due ____ faulty equipment?

Is ____ something wrong with ____ device ____ intermittent ____?

faulty ____ could ____ for periodic connectivity ____.

Is there ____ wrong ____ causes ____?

____ unreliable connections ____ problematic ____?

There ____ be an equipment ____ is ____ problems.

Is ____ malfunctioning is ____ internet ____?

Is the ____ which is causing ____?

____ it okay if ____ gear ____ internet sometimes?

Can ____ us ____ the network disruptions ____ result of ____?

____ the equipment ____ intermittent ____?

Is it a ____?

Is there ____ equipment that ____ problems?

Any ____ affecting ____ internet?

_____ there _____ that _____ it hard to _____?

_____ the equipment _____ for connecting?

Net _____ could _____ issues with _____?

_____ devices may be _____ blame _____?

Did you _____ troubles _____ connections _____ equipment?

_____ issues affecting my internet on _____ frequently?

_____ with our equipment that _____ occasional disconnections?

_____ have troubles _____ due to faulty _____?

_____ hardware _____ that are _____?

Is there _____ trouble _____ the _____ that affects _____ on _____?

Is the _____ connected _____?

Any _____ concerns causing connections _____?

_____ the cause of _____ connections?

_____ there a _____ glitch _____ system _____ inconsistent service?

I wonder if the _____ blame _____ spotty _____ issues.

_____ we having _____ with _____ gear that _____ connection _____ and _____?

Is _____ any _____ affecting my _____?

_____ there _____ with _____ intermittent connection?

Is there any _____ with _____ of _____ equipment?

_____ we have trouble _____ the _____ that _____ issues?

Is _____ the cause _____ connections?

Are _____ caused _____ devices?

Is _____ because _____ gear making _____?

_____ with _____ devices _____ unreliable linkages.

_____ issues that _____ connections?

_____ our _____ linked to _____ apparatus?

_____ equipment _____ that _____ in a shaky connection?

Issues _____ gadgets _____?

_____ the _____ the _____ disconnections?

_____ are _____ with gadgets impacting _____?

Is there _____ malfunctioning _____ connections?

_____ can _____ the connection.

_____ issue with _____ communication?

Can you _____ if the network _____ are _____ equipment?

_____ you _____ that _____ network _____ related to _____ apparatus?

The _____ problems _____ connecting.

_____ gear glitches _____ internet?

Is _____ connectivity problems _____?

_____ net access here?

There may _____ in _____ system _____ lead to inconsistent _____.

_____ equipment _____ that _____ connection issues?

_____ there a _____ with _____ that _____ connection problems?

Is _____ issues with _____ intermittent connection _____ equipment?

_____ problems _____ disrupting the internet?

Are there problems with _____?

_____ intermittent connection _____ equipment malfunctioning?

_____ sporadic network _____ caused _____ faulty _____?

_____ it related _____ concerns causing _____ to _____?

_____ the equipment _____ connections?

Connected _____ equipment quirks?

_____ any issues with the _____ connection _____ and off?

_____ might _____ for connectivity issues.

_____ consistent _____ equip _____ culprit?

Is the _____ malfunctioning _____ intermittent _____?

_____ issues with _____ my connection _____?

_____ if _____ is to blame for _____ spotty connection _____.

Problematic _____ unreliable linkages.

_____ fault _____ occasionally?

_____ lead to unreliable _____?

Problems with _____?

Some gear _____ affecting _____ on _____.

_____ problems connecting?

_____ there _____ to equipment flaws?

_____ there unreliable _____ problematic devices?

_____ any _____ with _____ sporadic connections?

_____ equipment affect _____?

There _____ technical problems _____ system that _____ connections.

Is _____ problem due _____?

_____ there any device _____ impact _____ on _____ off?

_____ equipment _____ a _____ connecting?

_____ equipment _____ an _____ way of _____?

Equipment _____ usage?

Do you know any _____ occasional _____?

Is _____ any _____ affecting my _____ and off?

_____ that equipment issues interrupt _____?

Is _____ leads _____ sporadic connections?

_____ any hardware _____ that _____ causing _____ connections to change?

Is the _____ intermittent _____ problems?

Are _____ connectivity issues _____ equipment _____?

_____ the gear messing _____ internet _____?

Is _____ a _____ issue _____ malfunction?

Is _____ equipment _____ causes occasional _____?

_____ be _____ with _____ that cause intermittent issues.

Is _____ connectivity _____ the gear?

_____ equipment _____ that interfere with _____?

Are _____ any _____ causing _____ to _____?

Net access _____ here due _____ issues _____?

_____ we _____ with our _____ intermittent connection?

_____ the equipment _____ of _____?

_____ devices causing _____ connectivity _____?

There _____ any _____ connections to _____?

_____ occasionally _____ by _____ problems.

Are _____ any gear _____ access?

_____ equipment causes connectivity _____.

_____ problems when intermittent?

Issues _____ impacting _____?

_____ issues _____ by _____ malfunctioning?

Issues _____ gadgets _____?

Is the _____ causing _____?

Is there _____ of _____ equipment.

Internet _____ be affected _____ equipment _____.

There are any _____ affect _____?

_____ anything _____ with the _____ messing up my _____?

_____ there any _____ fault _____ internet _____?

_____ the _____ responsible _____ connections?

_____ information about devices _____?

_____ equipment _____ causing connection _____?

_____ faulty _____ of cursed issues affecting _____ signal?

Internet _____ affected _____ equipment fault

_____ disrupted _____ equipment _____?

_____ gear making my _____ frequently?

Is the _____ malfunctioning _____ intermittent _____?

Devices _____ internet _____?

_____ malfunctioning that's causing intermittent _____?

_____ is the cause _____ shaky connection when _____?

Problems with _____ access due _____?

_____ fault in equipment _____ connections?

_____ it possible that _____ are hardware _____ responsible _____?

Problems _____ due _____ bad _____?

_____ any concerns _____ devices causing _____?

_____ might _____ connection occasionally.

_____ the gear _____ spotty _____ issues?

Is the devices _____ connections?

There _____ devices that cause occasional disconnections.

_____ be _____ with the equipment _____ connectivity problems.

_____ any challenges connecting?

_____ gear _____ the connection in _____?

_____ our _____ connecting _____?

Does _____ equipment _____ a _____ in _____?

Have _____ identified _____ problems that might _____ disruptions?

_____ something _____ with the _____ that cause _____ disconnections?

_____ there a technical _____ in the _____ inconsistent _____?

Is there any _____ with _____ leads _____ problems?

_____ the equipment _____ to inconsistent _____?

Is _____ device _____ connection?

Do any _____ glitches _____?

Is _____ unreliable _____ problematic devices?

Are there equipment _____?

Is our _____ intermittent _____ issues?

_____ gear fault _____ affects _____ access?

_____ concerns _____ connections to change?

_____ equipment malfunctioning _____ intermittent connectivity _____?

There could _____ problems with the _____ equipment.

Have _____ hardware problems that _____ responsible _____ occasional _____?

_____ equipment issue that is _____ problems?

_____ you have trouble _____ of _____ equipment?

_____ you _____ network disruptions are related _____ faulty _____?

Was _____ related _____ equipment?

Does _____ cause intermittent _____?

There _____ equipment issues _____ connection _____.

_____ into the devices causing _____?

_____ there _____ connection glitch _____ the _____?

Did _____ trouble _____ the _____ to malfunctioning equipment?

Are intermittent _____ by hardware _____?

_____ may be _____ with our _____ causing occasional _____.

Are _____ issues with _____ connection?

Is it possible that _____ connections _____?

_____ unreliable and related _____?

_____ related connectivity?

_____ you _____ hardware problems _____ for occasional disruptions?

_____ likely to cause inconsistent _____?

_____ you spotted _____ hardware _____ that _____?

_____ equipment problems _____ are _____ internet?

_____ for _____ gear to affect the _____ intermittently?

Is _____ internet malfunctioning _____ result of _____?

_____ device _____ my internet _____ and off _____?

_____ with our equipment's _____ connection?

There _____ be issues with _____ issues.

There might _____ a _____ with _____ that _____ connections.

Is _____ equipment to _____ intermittent _____?

Is _____ the _____ of _____ connections?

_____ the _____ intermittent _____ hard?

There could be _____ the _____ issues.

_____ there _____ problem _____ causing sporadic _____?

_____ a problem _____ the system _____ causes inconsistent _____?

_____ the gear _____ the connection _____?

Is _____ possible that the _____ network disruptions are _____?

_____ you _____ connecting _____ to faulty equipment?

_____ due _____ making my _____ flicker?

Can _____ affect _____ randomly?

_____ you _____ if the _____ disruptions _____ due _____ faulty _____?

_____ be equipment issues _____ connection.

_____ found any _____ can cause occasional disruptions?

Any _____ the _____ causing _____ disruptions?

_____ equipment: poor _____?

Has _____ intermittent connection _____?

Equipment _____ uncertain _____ reported/notified?

_____ disruptions from _____ apparatus?

Is there _____ with the gear _____?

_____ about _____ internet disruptions?

_____ might _____ problems in the _____ disconnections.

_____ me if _____ network _____ stem from faulty _____?

_____ malfunctioning, _____ to problems?

_____ concerns about _____ causing _____ connections?

_____ it the fault of hardware _____ causes _____?

_____ with the _____ that results in inconsistent _____?

Problems with _____ a _____ connection?

Did _____ fault _____ internet _____?

Did _____ experience problems connecting _____?

What device issues _____ internet on _____ frequently?

_____ connections related _____ unreliable connections?

_____ connection on _____?

Does the _____ cause _____?

Are _____ equipment issues _____ internet?

Is _____ any _____ issue _____ problems?

Is _____ equipment causes _____?

_____ the _____ causes the sporadic _____?

Did _____ troubles with _____ malfunctioning equipment?

_____ causing issues with _____?

_____ may be _____ wrong with _____ equipment _____ leads _____.

Is the _____ for _____ connections?

Is the _____ connection?

_____ there _____ concerns regarding _____ causing _____?

_____ glitch affect _____ internet?

Is it _____ matter?

faulty _____ sometimes _____.

_____ with our _____ causing occasional disconnections.

Is _____ cause of occasional _____ problems?

Can _____ that our network _____ are _____ faulty _____?

_____ tell me _____ the network disruptions _____ to malfunctioning _____?

_____ device issues are _____ internet _____ and _____?

Are _____ to equipment

_____ equipment may be _____.

How _____ are device issues _____ internet _____ and _____?

_____ connections connected to _____?

_____ there _____ connections _____ equipment?

_____ the _____ responsible for _____ connection _____?

_____ faulty equipment sometimes _____?

Is _____ connectivity _____?

Is _____ equipment _____ that is _____ connectivity _____?

Problems _____ connection?

_____ any _____ issues _____ internet access?

Devices causing _____ concerns?

Is there a hardware _____ causing _____ connections _____?

_____ a _____ equipment malfunction and _____ connectivity issues?

_____ may be _____ that _____ connection problems.

There _____ devices _____ disruptions

Do _____ issues _____ gear _____ affects connection?

Is _____ equipment _____ occasional _____?

Tech issues cutting _____ us?

Is _____ which causes _____ connectivity _____?

Is the _____ of intermittent _____?

Have you seen any _____ problems _____?

Do _____ have _____ be any _____ faults _____ access?

Is _____ possible that there _____ issues _____ connection due _____?

_____ connected with _____ connections?

_____ that is _____ problems _____ huh?

_____ equipment issue _____ problems?

Is _____ any connection _____ equipment?

Does _____ any problem _____?

_____ because _____ equipment issues.

Is _____ gear _____ blame _____ problems?

_____ the device _____ malfunctioning?

Issues _____ off internet _____ us?

_____ if there _____ any _____ problems _____ cause disruptions?

Is there _____ issues that affect _____ on _____?

Any _____ concerns causing _____ to _____?

Is there any _____ causing connections _____?

Problems with _____ equipment _____?

_____ with _____ may be the result _____.

What _____ have with devices causing _____?

_____ unreliable _____ problematic devices?

Is _____ any equipment _____ connections?

_____ we _____ gear that causes connection problems?

Is _____ causes irregular _____ interruptions?

Are we having _____ gear _____ is _____ connection?

Does the _____ connecting?

_____ it possible _____ device _____ causing intermittent _____?

_____ gear able to _____ intermittently?

Are _____ with equipment?

Is _____ able to _____?

_____ may _____ flaws _____ the devices _____ occasional disconnections.

Have you _____ troubles with _____ to _____?

There might be _____ equipment _____ intermittent _____.

Do _____ have any _____ the device _____ intermittent _____?

_____ devices causing _____ connections?

_____ equipment _____ be to _____ for _____.

_____ with devices _____ be _____ blame _____ linkages.

_____ there any _____ causing _____ connections?

Is _____ interrupt network?

Is there _____ gear affecting _____?

_____ flaws can cause _____.

Is there _____ related issue _____?

Is _____ interrupted by _____?

_____ with gear causing _____ to _____?

_____ disrupted by _____ issues?

_____ equipment _____ affect _____.

_____ there equipment issues _____?

_____ causing _____ connection _____ flicker frequently?

_____ faulty gear _____ blame _____ bad _____?

Can _____ the connection _____?

The _____ cause _____ connections.

Did you _____ any _____ to faulty equipment?

_____ issues _____ the equipment causing intermittent _____.

_____ disrupted by _____ problems?

_____ with devices _____ connections.

Is _____ malfunctioning _____ to intermittent _____?

There _____ be _____ system that _____ inconsistent connections.

_____ equipment _____ that causes _____ disconnections?

_____ wonder _____ the _____ cause _____ connections.

Does the _____ sometimes _____ to _____?

_____ it an equipment _____ that _____?

Is _____ making connections _____?

_____ the devices _____ network _____?

_____ may _____ equipment issues _____ connection.

_____ problems being caused by _____?

_____ there equipment _____ that interrupt _____?

Is _____ an equipment _____ to connection _____?

_____ are _____ concerns that affect _____?

_____ having _____ network dips, _____ issue _____?

Is it _____ of _____ off internet intermittently?

Does _____ to connection _____?

_____ intermittent connection issues _____ by _____?

_____ be a _____ in the system _____ inconsistent connectivity.

What do we know _____?

I _____ wondering if the _____ for _____ spotty _____ issues.

_____ would like _____ the gear is _____ blame _____ my _____ connection _____.

Is _____ causing _____ onlineFunctionality _____?

What _____ wrong with the device _____?

_____ hardware problems _____ occasional disruptions?

Connection _____ may _____ by equipment _____?

Does the _____ mess _____?

_____ regarding devices causing sporadic _____?

_____ have concerns with devices _____?

_____ malfunction that causes _____ online _____?

Are _____ equipment issues _____ are _____?

Problematic devices _____ unreliable _____.

There _____ gear _____ our internet?

_____ may be _____.

Any _____ fluctuations _____ connections?

_____ there bad _____ that _____?

_____ there any _____ into devices _____ intermittent _____?

_____ may _____ wrong with the _____ to _____ problems.

_____ are _____ with connection _____ equipment _____?

_____ are _____ hardware-related concerns that _____ connections _____?

_____ there anything wrong _____ the _____ up my _____?

_____ any _____ related concerns causing _____ to _____?

_____ troubles affecting our _____?

_____ caused by _____ device?

_____ the unit experiencing _____ issue with devices?

_____ there _____ equipment issue _____ connections?

Do _____ internet access?

Is _____ with _____ intermittent connections?

Does equipment _____ connections?

Is _____ the _____ up my _____?

Is _____ usage _____ by equipment _____?

_____ equipment _____ occasionally?

_____ occasionally is disrupted _____ equipment _____.

Is it possible _____ equipment _____?

Did _____ have troubles _____ your _____ to faulty _____?

_____ equipment issues _____ the _____?
 _____ equipment _____ resulted in the shaky connection?
 _____ causing connection _____ yes _____?
 irregular _____ caused _____ faulty gear?
 Are there any problems _____ affects connection on _____?
 _____ there _____ equipment _____ leads to _____ problems?
 Sometimes _____ disrupted _____ equipment _____.
 _____ issues with gadgets _____?
 Is _____ equipment _____ causing _____ issues?
 _____ be _____ equipment causing _____ issues.
 _____ cause _____ drama?
 Is _____ drama?
 Did _____ experience _____ due _____ equipment malfunctioning?
 _____ the _____ messin up my _____?
 Is _____ concerns causing _____ to fluctuate?
 _____ wonder if _____ is something _____ with the _____ sporadic _____.
 There may _____ wrong with _____ sporadic connections
 Does _____ connection _____ any problems?
 _____ the _____ up my _____ wrong?
 Is _____ inconsistent connections?
 Does _____ when connecting?
 _____ with _____ are _____ connection?
 Do _____ have _____ problems _____ the _____ that is affecting _____?
 Is the equipment _____ spotty _____ problems?
 _____ problems stemming _____ persisted?
 _____ be _____ that affect the _____.
 Is _____ intermittent _____ problem caused _____?
 _____ equipment _____ causes problems occasionally?
 Is _____ any _____ with the _____ of our _____?
 _____ you have concerns _____ connections?
 Is it _____ connection _____?
 Is _____ gear _____ blame _____ connections.
 Does _____ to _____ connections?
 Is _____ because _____ issues _____ to _____ off internet _____?
 Is _____ network disruptions are _____ of faulty apparatus?
 Is _____ links caused by _____?
 _____ problemsaffecting _____ internet?
 Is _____ wrong _____ device that _____ to sporadic _____?
 Do _____ think _____ are responsible _____ occasional _____?
 _____ may _____ the devices causing _____.
 Any _____ issues _____ connections to _____?
 _____ is _____ our _____?
 Internet _____ can _____ by equipment _____.
 _____ be problems _____ the _____ disconnections.
 Net _____ could be disrupted _____ devices.
 Does _____ equipment _____ connectivity _____?
 _____ could _____ problems with the _____ intermittent _____.
 Is there a hardware concern _____ causing _____?
 _____ issues _____ cutting off _____ intermittently grace us?
 _____ any link problems _____ faulty _____?

Is _____ worry _____ devices causing _____?

What _____ the _____ the _____ causes intermittent connections?

What are the _____ my _____?

_____ gear _____ connection flicker?

_____ wrong with _____ gear _____ up _____?

_____ unreliable linkages _____ problematic devices?

Is it possible _____ the _____ inconsistent _____?

_____ you know _____ sporadic _____ disruptions are _____ faulty apparatus?

_____ equipment affect _____?

There _____ be _____ equipment issue _____.

Is there _____ problem with _____ causes _____?

_____ we have trouble with the _____ equipment?

Is _____ the devices cause intermittent _____?

_____ the _____ cause _____ intermittent _____ troubles?

_____ equipment might lead _____.

_____ be technical problems in _____ system that result _____.

Is _____ by problematic _____?

_____ have issues _____ connecting intermittently?

Connection _____ may persist _____ equipment _____.

_____ is gear _____ connection, what _____ it?

_____ sporadic _____ related to faulty _____?

Is equipment _____ connectivity _____?

_____ there _____ interrupt the connection?

Does _____ affect internet _____?

Connected but _____ equipment _____?

Issues with _____ the _____?

What _____ issues with _____ impacting _____?

Is _____ responsible _____ spotty _____?

_____ may _____ issues that _____ service.

_____ equipment _____ to _____ connectivity troubles?

_____ may _____ issues with _____ due _____ equipment.

_____ is causing _____ connectivity issues?

There may be technical _____ that _____ communication.

_____ be problems _____ the devices _____ to occasional _____.

_____ equipment do _____ shaky connection?

_____ there Connectivity _____ due _____ devices?

_____ anything wrong _____ the equipment _____ its _____?

_____ with _____ affect _____?

The _____ connection.

Is _____ gear _____ irregular _____ interruptions?

Is _____ technical problems _____ the _____ that _____ inconsistent _____?

_____ it possible _____ equipment _____ connection?

_____ can _____ problems _____ devices causing occasional _____.

_____ devices _____ internet disruptions?

Does _____ have an inconsistent _____?

_____ related _____ affecting connections?

_____ there _____ connection _____ faulty equipment.

Are there any _____ problems?

Is _____ any gear _____ affecting _____?

Connection _____ by equipment.

_____ gear _____ impact _____ access?
 _____ there _____ with _____ devices _____ disconnections?
 Is _____ working _____ there an issue affecting the _____?
 _____ the devices _____ communication problems?
 _____ the _____ is affecting connection on _____ off have _____?
 Are _____ devices _____ intermittent _____?
 _____ there any _____ fault affecting _____?
 The _____ problems with _____.
 Is the _____ disruptions _____ apparatus?
 Are there _____ problems in _____ system that _____?
 Is sporadic connection _____?
 Is _____ to blame _____ spotty internet _____?
 _____ might _____ a problem _____ the _____ resulting _____ inconsistent _____.
 _____ a reason why the _____ intermittent _____?
 _____ be _____ blame for the _____ flaws.
 _____ equipment _____ inconsistent connection?
 _____ you having _____ because of _____ equipment?
 Connection _____ equipment _____ persisted?
 Is _____ equipment _____ cause of _____?
 Does _____ issue _____ occasional _____ problems?
 Is it _____ issues _____ issues?
 Is _____ likely _____ cause _____ communication?
 _____ there _____ with _____ devices _____ sporadic connections?
 Any device issues _____ my _____?
 _____ something _____ the _____ up my internet?
 _____ devices causing _____ connections.
 _____ you _____ any hardware _____ that _____ intermittent disruptions?
 Does the _____ a _____ when _____?
 _____ hardware-related concerns _____ causing _____ fluctuate?
 Is there any device _____ my internet _____?
 Are _____ faulty _____ connections?
 The _____ problems _____ to equipment _____.
 Do unreliable _____ to _____ devices?
 Is faulty _____ to _____ for _____?
 _____ device _____ intermittent connecting _____?
 Does _____ disruptions?
 _____ the equipment give _____ inconsistent _____?
 What _____ concerns about _____ causing _____?
 _____ be to blame _____ the connection _____?
 Any _____ trouble _____ internet?
 _____ gear the _____ interruptions?
 Any _____ devices causing _____ disruptions?
 Any _____ issues _____ affect my _____?
 There _____ an _____ that _____ connection problems.
 Is _____ with devices _____ connections?
 Is there _____ gear _____ internet _____?
 Are there unreliable _____ by _____?
 Is _____ equipment _____ affects _____ usage?
 _____ occasionally _____ equipment fault.
 Connection _____ could _____ by equipment _____.

_____ the equipment _____ connections?

There are _____ gear _____ access?

There _____ equipment _____ is causing _____.

Is it possible _____ network disruptions _____ caused _____?

Sometimes internet cutting _____ is _____.

Does the _____ lack _____?

Do _____ know _____ sporadic _____ disruptions stem _____ apparatus?

_____ there a _____ the system _____ inconsistent connection?

Is _____ any _____ causing _____ to fluctuate?

Is the _____ issue _____ connection _____?

_____ any _____ into _____ devices causing sporadic internet _____?

_____ the network disruptions _____ faulty _____?

There may be _____ wrong _____ the equipment _____ problems.

_____ connection are _____ problems _____?

Have _____ with _____ equipment's intermittent _____?

_____ be a _____ device _____ causes sporadic connections.

_____ issues affect my internet on _____ frequently?

_____ equipment _____ intermittent _____ troubles?

_____ devices might cause _____ linkages.

_____ be the cause of _____ connectivity glitch?

Do we _____ the device causing _____?

_____ the _____ problem due to _____?

_____ there _____ device issue _____ internet _____ and off?

Are the _____ by equipment _____?

Is _____ gear _____ causes _____ interruptions?

_____ it _____ that some hardware _____ cause _____?

Is the gear _____ for _____?

Unit experiencing _____ dips, an _____ their _____?

_____ disrupted _____ occasionally.

_____ by equipment fault?

_____ we have issues _____ the _____?

Is there any _____ devices _____?

_____ that _____ disrupting the connection?

Connectivity _____ caused _____ equipment _____?

_____ the equipment _____ any _____ in _____?

_____ equipment likely _____ inconsistent connections?

Does _____ lead _____ inconsistent _____?

Can you _____ if the _____ network disruptions _____ faulty _____?

Has anyone _____ any hardware problems _____?

Can _____ if the network _____ are _____ faulty equipment?

_____ faulty _____ might _____ connections.

Is there _____ connections?

_____ there equipment _____ causing _____?

_____ making _____ yes _____ no?

Do you know about _____ hardware _____?

Is there _____ with the devices _____?

_____ gear _____ my connection _____ work?

_____ any hardware-related concerns causing _____ connections _____?

Does _____ cause my _____?

_____ due to equipment _____?

Is _____ a problem with _____ that _____?
 _____ by equipment fault?

Trouble _____ it _____ equipment-related _____?
 _____ gear _____ for interruptions?
 _____ equipment have issues _____ connection?

Is _____ gear _____ blame for _____?
 _____ not right _____ the _____ that _____ sporadic connections.

Is the connection interrupted _____?
 _____ pose _____ issue connecting?
 _____ any issues with _____ are affecting connection?
 _____ there _____ and _____ related?

Hardware _____ could _____ the _____ sporadic _____ problems.

Is the _____ cause _____ connectivity?
 _____ access _____ interrupted with _____ devices?
 _____ gear _____ the _____ intermittently?

Is _____ the cause _____ communications?

Is _____ equipment issue that _____ problems?
 _____ connections related _____ equipment?
 _____ there any problems _____ is _____ the connection?
 _____ connecting _____ problematic devices?

Any hardware-related _____ are _____ change?
 _____ faults disrupt _____ connection _____.
 _____ malfunctioning gear the _____ of _____?
 _____ it _____ gear _____ leads to _____?

Are _____ any _____ with the _____ that are _____?

Are _____ equipment's _____ connection _____?

Are there _____ with _____ affecting _____?

Does the _____ any problem _____?

Is _____ unreliable _____ by problematic _____?

Is _____ equipment-related connection _____?
 _____ faulty gear _____ blame _____ frequent _____?
 _____ there a problem _____ to connection problems?

Is _____ a _____ connection _____ equipment flaws?
 _____ flaws _____ connections problems.

Which _____ issues affect my _____ frequently?
 _____ there _____ system resulting in inconsistent service?
 _____ it equipment _____ causing the _____?
 _____ hardware _____ connections to _____?
 _____ the _____ inconsistencies in connecting?

Connected occasionally, _____ flaws?

Any _____ problems that affect my _____ on _____?
 _____ equipment _____ the issues?
 _____ our network _____ by _____ apparatus?
 _____ equipment _____ connection problems.

There _____ be something _____ the _____ connection problems.
 _____ fault disrupted _____ occasionally.

Any _____ that _____ connections?

Is equipment _____ intermittent _____?
 _____ can be _____ equipment _____ connections _____.
 _____ the concern _____ sporadic connections?

_____ do the equipment do wrong _____ in _____?

Is _____ equipment _____ is _____ my internet?

_____ affecting the connection?

What _____ of our equipment?

_____ any gear fault _____ access?

_____ the _____ which is causing _____ communication _____?

Is _____ problem _____ gear _____ is _____ connection on and _____?

Are _____ glitch _____ our _____?

_____ gear _____ connection _____?

_____ any hardware-related _____ that are causing the _____ _____?

_____ insight into _____ causing internet _____?

Does the equipment _____?

Equipment _____ be _____ reason _____ problems.

_____ might _____ problems _____ causing occasional disconnection.

Is _____ causing _____ troubles?

Are _____ with the _____ causing intermittent _____?

_____ may be _____ gear _____ internet.

_____ any _____ affect our _____?

The internet usage _____ fault.

Is _____ gear _____ to blame _____ my _____ connection?

_____ there _____ device issues _____ internet _____ frequently?

Is _____ gear affecting _____ and _____?

_____ by device issues here?

_____ be an equipment issue _____ connection _____.

How about _____ messing _____?

_____ equipment fault?

Will the gear _____ to blame _____ my _____?

_____ might be _____ blame for the _____?

internet usage _____ affected _____ equipment _____.

Have problems with _____ equipment?

_____ disrupted by _____ fault?

_____ gear _____ for _____ irregular connection interruptions?

Any _____ concerns _____ are _____ the _____ to _____?

_____ the _____ the _____ occasionally?

Is the _____ to _____ for _____ connection _____?

_____ there _____ problem _____ connections _____ to faulty equipment?

_____ causes intermittent connections malfunctioning?

_____ about _____ causing sporadic connections?

_____ equipment _____ to _____ an _____ connection?

Internet usage _____ be _____ equipment _____

_____ a problem with the _____ inconsistent _____?

_____ gear is _____ blame for _____ spotty _____ issues?

_____ with the device that _____ sporadic _____.

Issues _____ gadgets impacting _____?

_____ prone to _____ connectivity?

Is _____ concern _____ devices _____ intermittent _____?

Did you experience _____ because of _____?

_____ it _____ true _____ the gear messin' _____ internet _____?

_____ the system have _____ problems that cause _____?

_____ shaky connection when equipment fails?

_____ equipment _____ issue in connecting?
 _____ communication issues _____ by the _____ malfunctioning?
 _____ it _____ related _____ matter?
 Is _____ connection _____ caused by _____?
 _____ there _____ issues _____ it difficult _____?
 _____ devices are _____ to _____ linkages.
 _____ equipment to blame _____ communication _____?
 _____ gear affect _____?
 Is _____ connected _____ equipment?
 _____ anyone have _____ devices _____ intermittent _____?
 There might _____ are disrupting _____ internet.
 _____ equipment _____ it hard _____ get in _____?
 I'm _____ the gear _____ for my spotty connection _____.
 Sometimes _____ equipment _____ issues.
 Any insights _____ devices _____ sporadic _____?
 Any gear _____ internet?
 Did _____ with the _____ due to _____ equipment?
 Can the _____ the connection _____?
 _____ internet fails _____ problems.
 If our _____ are _____ by _____ apparatus, _____ you _____ it?
 _____ may be _____ problems.
 Have problems _____ due to _____?
 _____ the _____ of connection problems.
 _____ may _____ problems in the _____ lead to inconsistent _____.
 Are _____ connections _____ equipment malfunction?
 _____ are the problems _____ connection?
 Is unreliable _____ related _____?
 _____ equipment _____ unreliable connections?
 Can _____ the network _____ were caused _____ apparatus?
 _____ it disrupted occasionally _____?
 Is _____ equipment _____ connectivity?
 _____ may _____ intermittent _____ problems.
 Is _____ equipment _____ interrupt _____?
 Problems with _____?
 Are _____ result of _____ apparatus?
 _____ there _____ connected _____ due _____ faulty _____?
 Is there _____ equipment?
 Hardware-related _____ connections?
 _____ equipment responsible _____ connections?
 _____ are _____ issues: _____ connection?
 _____ any equipment _____ is _____ issues?
 _____ can _____ equipment _____ connections.
 Is _____ equipment-related wireless _____?
 Are _____ related to _____?
 faulty gear _____ to _____ for _____ periodic _____?
 Is _____ equipment causing _____?
 Is it _____ that the _____ messin' _____ my _____?
 Can _____ tell me _____ disruptions are caused _____?
 _____ connections with _____?
 Can _____ gear _____ effect on _____ connection _____?

Is _____ concern _____ the devices _____ connections?
 _____ malfunction _____ online features _____ reported?

Are _____ intermittent _____ issues _____ equipment _____?
 spotty _____ or _____?

_____ equipment affecting _____ internet _____?
 _____ information _____ the devices _____ internet disruptions?
 _____ the concerns with _____ causing _____?
 _____ you _____ any _____ problems that _____ disruptions?
 _____ with the _____ affecting connection?
 _____ there any technical _____ system _____ result _____ inconsistent communication?
 _____ is causing _____ connecting, _____?

Is _____ possible _____ your service _____?

Are there _____ the _____ is affecting _____ and off?
 _____ problems affecting our internet?

How often _____ issues _____ my _____?

There _____ an equipment issue _____ causes _____ connection _____.
 _____ the _____ causing _____ to _____?

Sometimes _____ is causing _____ fail.
 _____ the gear _____ blame _____ connection.
 _____ could be connection _____ due _____.
 _____ equipment: unreliable _____?
 _____ the equipment malfunctioning and _____?
 _____ is _____ problems with _____?

Are _____ gear making my _____?
 _____ the _____ gadgets impacting the _____?
 _____ be issues _____ the equipment causing _____ problems.
 _____ a _____ issue _____ connection problems?
 _____ there _____ causing _____ disruptions?

Is _____ cause of intermittent _____?
 _____ may be equipment _____ interrupt _____.
 _____ the _____ affect _____ connection?
 _____ gear _____ of _____ connectivity glitch?
 _____ issue with _____ impacting connectivity?

Can the _____ connection?
 _____ may _____ issues _____ connection problems.
 _____ links _____ problem devices?

Is _____ intermittent _____ problems?

Is _____ to _____ for unreliable _____?

Any _____ issues _____?
 _____ equipment connections _____?
 _____ you _____ of _____ hardware problems _____ cause _____ disruptions?
 _____ and disrupted _____ fault?

Is _____ attributable to _____?

Is _____ that _____ disrupting services?

Are _____ intermittent _____ caused _____ malfunction?

Is _____ gear _____ affecting internet _____?

Is _____ any _____ issue causing _____?

Is there _____ why the _____ causes _____?

Have _____ any hardware problems _____ can cause _____?
 _____ equipment-related connection _____?

_____ there any _____ with the gear that _____ .
 Is the _____ for _____ connection _____ ?
 Are _____ intermittent internet _____ ?
 Is _____ that _____ affecting connections?
 Is there _____ gear fault _____ may _____ ?
 _____ faulty gear the cause _____ ?
 There may be _____ devices _____ cause occasional _____ .
 _____ equipment related _____ connections?
 _____ device _____ my internet _____ and off _____ ?
 Are _____ technical problems _____ the system _____ result in _____ ?
 _____ the _____ intermittently _____ off due to issues _____ ?
 Is _____ connection problems due _____ ?
 Net _____ can be _____ due _____ issues _____ .
 _____ there any issues with the _____ is _____ ?
 _____ equipment appear _____ an _____ connection?
 faulty _____ could be _____ flaws?
 _____ intermittent connections _____ equipment malfunctioning?
 _____ equipment create _____ connections?
 Are there _____ ?
 _____ we _____ problems that _____ occasional disconnections?
 Sometimes, is _____ problems?
 _____ malfunctioning _____ affect connections occasionally?
 _____ the intermittent connectivity _____ caused _____ equipment _____ ?
 Is _____ equipment _____ problems _____ ?
 Did _____ connection flicker?
 _____ triggering _____ onlineFunctionality reported?
 Is _____ connection problem _____ gadgets?
 Is there any trouble _____ that is _____ ?
 Have _____ connections due _____ faulty _____ ?
