

[Demo] NLP Dataset for Customer Service Automation

Company Type	Internet Service Providers
Inquiry Category	Wi-Fi network setup and troubleshooting
Inquiry Sub-Category	Network connectivity issues
Description	Customers report problems with connecting their devices to the Wi-Fi network or experiencing frequent disconnections.
Data Size	5,297 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Internet Service Provider" customer inquiry. (Purchased data will not be masked.)

Why ____ my device ____ lose ____ to ____ ____ being close to ____ ____?

____ my ____ ____ ____ to the routers, ____ might be causing them ____ ____ off my internet?

What ____ causing my ____ ____ near the internet?

____ ____ ____ is ____ reach ____ dying wi-fi shocks ____ by constantly disconnecting?

Is ____ ____ ____ Wi-Fi disconnections to be ____ by being ____ the ____?

My ____ drops ____ ____ it is close.

____ ____ understand ____ ____ device ____ connect to ____ ____ in the range of the ____.

____ ____ my ____ experience frequent drops ____ despite ____ ____ range of ____ router?

Despite ____ ____ of ____ routers, ____ device ____ frequent drops in ____ speed.

How ____ our nearest wireless ____ point and ____ ____ of ____ are ____ ____?

____ wondering ____ ____ some ____ ____ why my device doesn't connect to ____ ____ it's so close to

When ____ device is in close proximity ____ ____ router, what ____ ____ causing it to be ____ ____ ____?

____ equipment often loses ____ because ____ ____ near the ____.

How come ____ ____ wi-fi when ____ ____ the internet?

Connection ____ close ____ router, what's ____?

When ____ ____ ____ frequently fails to connect ____ the wireless ____.

____ ____ know what's ____ my ____ to ____ ____ the internet, ____ though it's located ____ to ____ internet

I wonder why my ____ ____ dropping ____ network ____ ____ it's ____ range ____ router.

____ do my gadgets keep ____ ____ ____ closest access point?

frequent ____ ____ ____ prevented by being ____ the Router.

Being near ____ ____ doesn't ____ frequent ____ ____.

Is there a reason ____ ____ intermittent ____ ____ to the ____?

Why ____ we have frequent ____ ____ our nearest access ____ ____ ____?

I ____ wondering ____ you ____ ____ some light ____ ____ my device ____ connect ____ the wi-fi ____ ____ it's nearby

How ____ I ____ ____ I'm close to the ____?

____ do I lose wi-fi ____ though ____ close ____ ____?

____ I'm ____ my device ____ loses its ____ ____ the network.

____ causes intermittent ____ between our ____ wireless ____ point and ____ ____?

____ normal for my ____ ____ lose ____ even though it's near ____ ____ ____?

____ ____ frequent connection loss.

My device _____ even if it's _____ the _____.

I _____ why _____ connect _____ the _____ while it's in _____ range.

_____ often _____ have wi-fi _____ it _____ to the routers.

_____ experiences _____ wi-fi drops _____ being within _____ of the _____.

Why _____ weak _____ when _____ to the internet connection?

_____ very close, why _____ my _____ internet?

_____ does _____ internet _____ when I'm _____ to _____ router?

Why _____ my _____ drop _____ signal _____ it's _____ to _____ router?

I _____ to know _____ my _____ persistently doesn't connect _____.

Is _____ for my device to _____ though _____ wi-fi network?

_____ seem to _____ my device to _____ even when I'm near _____.

Is _____ reason for the _____ next to _____ computer?

_____ close _____ routers, _____ wi-fi is still disconnected.

_____ the cursed _____ is _____ constantly disconnected from the dying _____.

When my _____ the routers, what might _____ it _____ disconnected _____ the internet?

_____ close, why _____ my equipment _____ contact with _____?

My device _____ have wi-fi _____ if it's close _____.

_____ wi-fi when it's located near _____ routers.

I _____ by the constant _____ of my dying _____ within reach.

_____ don't _____ wi-fi when I'm close to _____?

_____ equipment frequently loses _____ it's located near _____ routers.

Why is _____ having _____ with _____?

Even though _____ are _____ to the _____ is _____ not _____.

Why does _____ equipment _____ with _____ when _____ close _____ it?

_____ it normal that _____ gizmo keeps _____ connection _____ it's near _____?

_____ beside _____ router and _____ dropping.

How come _____ device _____ on _____ network _____ I'm _____ by?

I _____ my device loses wi-fi _____ if _____ is _____ to _____.

Why _____ so many _____ losses close to _____?

Even _____ close to _____ the _____ is not connecting.

_____ device next _____ routers _____ the internet frequently.

_____ you _____ wi- fi signal?

I _____ know why _____ doesn't connect to _____ when _____ range of _____.

_____ don't know why _____ device _____ connect to the internet _____ network.

_____ I can't connect to _____ internet _____ close?

_____ device _____ always _____ if it is close _____ the _____.

Is _____ normal _____ my _____ keeps _____ though _____ near the Internet?

_____ sure what's causing _____ device _____ frequently disengage from the _____ even though _____

_____ my device keeps losing _____?

I'm not _____ causing my device to frequently _____ the _____ it's _____ my

Why does my gizmo fail to _____ internet _____ point?

_____ being within range _____ device _____ frequent _____ drops at regular _____.

_____ there a loss _____ wi-fi _____ to the _____?

Why does _____ experience _____ drops in _____ when _____ range?

_____ wi-fi signal even though it's _____ the router.

_____ doesn't my _____ to _____ when it's _____ close proximity to _____?

_____ possible that my device _____ not _____ to _____ internet _____ it's near _____.

_____ does _____ connect to our wireless network _____ close by?

What causes _____ between _____ wireless access point _____ appliance?

My device _____ despite _____ close.

_____ don't _____ what's _____ my _____ frequently _____ connect to the internet, _____ it's next _____ the
 It _____ that wi-fi doesn't _____ being _____ the _____.
 _____ are there so _____ wi-fi losses _____ to _____?
 _____ wondering if you _____ shed _____ on _____ my _____ doesn't connect _____ internet when _____ to my
 I'm not _____ doesn't connect to _____ near the router.
 What's the cause _____ my _____ from _____ nearby _____?
 My _____ wi-fi _____ if it's close to _____.
 _____ normal that _____ gadgets _____ losing _____ though it's _____ the wi-fi?
 Why _____ devices _____ connection?
 Is it normal _____ to lose _____ even _____ close _____ routers?
 _____ does the _____ the router?
 Why _____ my equipment lose _____ with _____ close?
 _____ is a _____ to a _____ gets _____ off _____ internet.
 Why _____ when near the _____?

_____ a reason _____ frequently loses _____ located near the _____.
 _____ device _____ work on our _____ I'm near?
 _____ seem to _____ device _____ when _____ in close proximity to the _____.
 I _____ doesn't _____ the internet _____ it's in range _____ the Router.
 Why does _____ equipment _____ with _____ service?
 When _____ next to _____ does _____ weak connection persist?
 I _____ why my _____ connect to the internet _____ it's _____ the _____.
 I don't understand why my _____ even if _____ are _____.
 Why does _____ connect to _____ our closest access point?
 I was _____ if you could shed _____ light _____ my _____ the _____ even _____ it's close
 I'm wondering if _____ shed _____ why my _____ connect to the _____ even _____ it's near _____
 _____ does _____ device often _____ connection _____ the _____ though it's _____ the router?
 Why _____ the _____ drop when _____ next _____ the _____?
 What is the _____ connection _____ close to _____?
 _____ my device always _____ trouble connecting _____ our _____ access _____?
 I _____ to _____ connect to the _____ wireless source.
 _____ the reason _____ to nearby internet?
 _____ the _____ of wi-fi _____ a router?
 I'm _____ if _____ tell me _____ my _____ connect _____ the _____ even though it's _____ the
 _____ disconnections are _____ by _____ near the Router.
 My device _____ doesn't _____ wi-fi even if _____ to _____.
 My _____ loses wi-fi, though _____ located _____ router.
 How _____ my device lose _____ connection to the _____ network _____?
 _____ does _____ connection to _____ internet _____ though I'm close to the _____?
 Even though _____ routers _____ my dying wi-fi shocks _____ constantly _____.
 _____ to _____ what is _____ my device to lose _____ to _____ hub.
 _____ device _____ to _____ even though _____ is close to the router?
 _____ the _____ of frequent _____ loss _____ to _____ router?
 _____ can't _____ device doesn't _____ the internet when _____ the routers.
 My equipment _____ though it's _____ near the _____.
 Do _____ know _____ be causing _____ to lose its _____ with _____ nearby _____?
 Why _____ device _____ the internet even though _____ to the router?
 _____ causes this _____ mine _____ disconnected from our nearest _____ access _____?
 _____ lose _____ wi-fi even though _____ close _____ it?
 _____ is causing my _____ to frequently disengage from the wi-fi, _____ though it's _____.
 _____ possible that _____ remains _____ close to the router?
 _____ need to know what _____ causing _____ lose _____ the nearby hub.
 _____ is _____ reason for frequent disconnection between _____ point and _____?
 I wonder why _____ device _____ it's in _____ of _____.
 I _____ why my _____ wouldn't connect _____ when _____ was in the _____ routers.
 Why do _____ frequent wi-fi _____ even though _____ is _____ range _____ the _____?
 _____ going _____ with connection _____ my router?
 Why _____ there _____ connection change _____ the _____?
 Is _____ reason for the _____ wi-fi next _____ device?
 Being _____ next _____ it, _____ does my electronic _____ its _____ a _____?
 _____ don't always have _____ even if _____ close _____ router.
 There is a _____ loss _____ nearby _____ routers.
 _____ equipment frequently loses _____ wi-fi, _____ it _____ the routers.
 _____ router and the internet _____.
 _____ don't know what's _____ my _____ frequently _____ connect to the _____ even though it's located _____

_____ why my device _____ connect _____ internet when it is _____ the _____.
 _____ to _____ my _____ it's in close proximity to the routers.
 I _____ what's _____ device to _____ from the internet, even _____ it's near the _____.
 The _____ WiFi disconnections are not _____ by _____.
 _____ device _____ loses wi-fi _____ it's _____ to the _____.
 Do _____ know why I'm _____?
 The cursed router _____ reach, _____ wi-fi shocks me _____ disconnected?
 Is there a _____ device _____ connect _____ the internet _____ when _____ router?
 I don't _____ frequently loses _____ even _____ it's close to _____.
 _____ my _____ sometimes _____ connection to the wireless network.
 I was _____ if _____ light on why _____ wouldn't connect to _____ wi-fi even _____ it's _____
 _____ wondering if you can _____ light on _____ my _____ to the _____ when _____ to _____ router
 Why _____ gadgets stop _____ internet at our closest _____?
 Why _____ weak connections _____ to the internet?
 _____ to know why my _____ connect _____ wi-fi even when it's close _____.
 What is the _____ from nearby wi-fi?
 I _____ understand _____ weak _____ persist _____ beside the _____.
 Even _____ Router _____ reach, my dying wi-fi shocks me _____?
 Why _____ my _____ frequent _____ drops, even _____ within range?
 _____ not _____ what's causing _____ to _____ disengage _____ wi-fi, even though _____ positioned near _____
 It's _____ for _____ device _____ lose _____ if it's _____ the Router.
 I _____ my _____ to _____ to _____ internet when _____ close to the _____.
 I _____ my _____ to lose _____ to the wi-fi even _____ close to _____ Router
 I'm right next to _____ why does _____ lose _____ so _____?
 Why does _____ lose contact _____ nearest wireless _____?
 Why is the _____ loss _____?
 _____ get _____ connection _____ my routers.
 _____ are frequent _____ disconnections if _____ the _____.
 I don't _____ device _____ even if _____ to the Router.
 _____ my _____ wi-fi even if it _____ close to the _____?
 _____ connections _____ next to the router.
 My _____ have wi-fi _____ though it's _____ near _____ router.
 _____ does my device _____ to the internet _____ it's close _____ the _____?
 I wondered _____ my device _____ connect _____ internet when _____ was _____ the _____ router.
 _____ do _____ lose _____ with the _____ of internet?
 _____ connect weakly _____ Router?
 What _____ causing my _____ connect to _____ internet?
 _____ my device experience _____ wi-fi _____ it _____ within range _____ router?
 _____ device _____ have _____ even if _____ to the router.
 _____ do _____ gadgets always drop its _____ to _____ access _____?
 _____ lose my wi-fi when _____ near _____?
 _____ gadgets _____ wi-fi even if _____ the router.
 My equipment _____ when _____ located near the _____.
 _____ next to _____ why does _____ lose its _____ often?
 My equipment _____ wi-fi _____ though _____ the Router.
 Is _____ normal _____ to lose connection _____ it's close _____ the _____?
 _____ come _____ lose wi-fi _____ I'm _____?
 _____ could be _____ lose its connection _____ nearby hub?
 _____ does my _____ its wi-fi _____?
 _____ even though it's close to _____ router.

I don't _____ what's _____ my _____ to _____ the _____ even _____ it's near the _____.

 _____ can't seem _____ figure _____ why _____ device _____ the internet when _____ the _____.
 My _____ loses its _____ connection a lot _____ though _____ it.
 _____ wondering if you _____ on _____ my _____ doesn't connect to the wi-fi _____ nearby
 Even though _____ close _____ the _____ keeps _____ working.
 Is it _____ gadgets to lose _____ even though _____ the _____?
 Is it normal _____ to _____ it's near the wi-fi?
 Why does _____ device experience _____ drops _____ wi-fi _____ within _____?
 I can't seem to _____ device _____ to _____ when _____ near my _____.
 Why does _____ electronic lose its _____ connection when _____?
 _____ my _____ drop wi-fi _____ being _____?
 _____ me _____ be _____ device to lose its _____ to the _____ hub?
 What causes _____ nearest wireless _____ and _____ to _____ disconnected _____?
 I _____ a _____ of _____ loss _____ to _____ Router.
 I _____ though I'm _____ to the router.
 _____ the _____ fluctuations near _____ Router?
 I don't know _____ loses wi-fi, _____ near the _____.
 _____ lose wi-fi connection?
 Why _____ my device _____ the wi-fi _____ though _____ is _____ to _____ routers?
 I don't _____ what's _____ my _____ frequently _____ from _____ wi-fi, _____ it's _____ to the
 I don't know _____ device _____ to the _____ even though it's _____ near the _____
 I'm wondering _____ you can shed _____ on why my _____ doesn't _____ to _____ if _____
 I'm beside _____ router, _____ keep dropping?
 Is _____ possible that _____ wi-fi _____ despite being _____ to the _____?
 _____ W-iFi _____ are not prevented by being _____ the routers?
 _____ you know why _____ am _____?
 _____ W-iFi _____ are _____ by being near _____ router.
 _____ why does my _____ drop _____ connections?
 Why _____ there _____ close to the ROUTER?
 _____ it normal _____ my _____ to lose _____ even though _____ the _____ network?
 _____ does the _____ I'm close _____ it?
 Why does _____ lose contact _____ a _____?
 _____ my gizmo to _____ even _____ it's _____ the wi-fi?
 I'd _____ to know why my _____ to the wi-fi _____ router.
 My device _____ to the _____ near _____ router.
 Why does the internet _____?
 _____ my _____ connection to the internet _____ though it is _____ Router?
 The _____ keeps dropping _____ though I'm _____ the _____.
 _____ my device is _____ the _____ what might be _____ to _____ disconnected?
 _____ device fail _____ to _____ internet even _____ it's close to _____ routers?
 _____ cutting _____ even near the router?
 _____ normal _____ lose connection _____ though _____ next to the wi-fi?
 Even though the _____ routers is _____ reach, _____ dying _____ by _____ disconnecting.
 _____ is _____ fluctuations when _____ Router?
 Despite being right next _____ it, _____ its internet _____.
 Why _____ electronic lose _____ so often even though _____ am _____ next _____?
 Even though _____ routers is within _____ dying _____ me _____ constantly _____.
 Is it _____ for _____ device to _____ connection _____ though _____ close _____ wi-fi _____?
 I _____ understand why _____ connections _____ I'm _____ the router.

_____ be _____ my device to _____ connecting _____ even _____ it's near the router?
 I'm _____ if you _____ light _____ why my _____ can't _____ to _____ even though _____ near a
 _____ I lose _____ I'm close to _____ router?
 Despite _____ close, my _____ drops _____.
 I have _____ that _____ to the internet near _____.
 Why _____ my _____ connection _____ the _____ source _____ internet?
 _____ want _____ know why my device keeps losing connection _____ wi-fi even _____ to _____.
 _____ constantly _____ the dying _____ though it's _____ reach?
 _____ the _____ connections _____ when I'm _____ to the _____?
 Why do I lose _____ wi-fi _____ I'm _____?
 I have _____ connection _____ my _____.
 What _____ cause of frequent loss _____ near _____?
 Frequent W-iFi disconnections _____ seem to _____ prevented _____ router.
 _____ experience frequent _____ drops even _____ within range _____ the router?
 _____ what's causing my device _____ fail to _____ the internet, _____ it's near the _____
 _____ device _____ loses _____ it's close _____ the internet provider.
 I can't seem to _____ my device to _____ to the _____ is _____.
 _____ why does _____ device sometimes _____ internet?
 Why _____ my _____ frequent _____ even though it's within _____?
 Can you tell me _____ causes my _____ lose _____ with _____?
 _____ why I am _____ wi-fi _____?
 Why does _____ frequent _____ even though it _____ within _____ of the _____?
 _____ I _____ wi-fi _____ when I'm close _____ it?
 Why _____ connection to the Internet _____ it's close to _____?
 _____ equipment doesn't always _____ wi-fi _____ near the _____.
 I _____ what's causing my device to _____ disengage from _____ internet, _____ near _____.
 _____ may be causing _____ to lose its link with _____ nearby _____.
 _____ know why my device _____ to the _____ even _____ near the _____.
 _____ device _____ wi-fi even _____ it is close _____ the _____?
 Can you tell me _____ to _____ nearby internet _____?
 _____ internet constantly _____ though I'm _____ to it?
 The device _____ the router _____ the internet _____.
 _____ my equipment _____ with _____ wi-fi?
 _____ my device _____ frequent drops in internet _____ within range?
 _____ know what's _____ my device to _____ disengage _____ the _____ even _____ near a
 When I'm close _____ device sometimes _____ connection _____ the _____.
 What's the _____ with _____ close _____ router?
 When I'm beside the _____ why _____ connection _____?
 What causes my gadgets to _____ even if _____ are _____?
 When my _____ is _____ the router, what _____ me to lose _____?
 _____ am _____ to it, _____ electronic loses _____ internet _____ often.
 Despite being _____ device _____ wi-fi.
 Despite _____ it, _____ does my _____ lose _____ internet connection _____ often?
 _____ is in close _____ to _____ connection, what might _____ causing the _____?
 _____ me _____ my device _____ lose its link with the _____ hub?
 _____ does my _____ contact with _____ when I'm _____?
 _____ equipment _____ loses _____ because it's _____ close _____ the _____.
 _____ wonder why _____ doesn't _____ when it's in _____ of the _____.
 My _____ has lost its _____ connection _____ despite being right _____.
 _____ there _____ reason _____ the _____ lack _____ wi-fi next to _____?

Why do my _____ even if they're _____ Router?

_____ wonder why _____ doesn't connect _____ the internet _____ close _____ router.

_____ though the cursed _____ within _____ my dying _____ by _____ disconnection.

_____ though the _____ within _____ I'm constantly disconnected _____ wi-fi.

Why does my _____ to _____ to the internet _____ is _____ routers?

How _____ my _____ often loses _____ to _____ wireless _____ when I'm _____?

Why _____ lose wi-fi _____ close to it?

I wonder _____ does _____ to the _____ when it's _____ the range of _____.

_____ the _____ not _____ when I'm next to _____?

_____ the _____ frequent connection _____ close to _____ routers?

The internet drops _____ routers.

_____ equipment _____ nearby wi-fi _____ I am close.

_____ gadgets tend to lose wi-fi _____ they _____ close _____.

Why is _____ of wi-fi _____ to _____?

What _____ the _____ loss _____ signal _____ the router?

_____ lose _____ even if _____ to the router.

Is _____ normal for my device to _____ connection _____ a _____?

Why is _____ from _____ wi-fi?

It's not _____ for _____ to lose wi-fi _____ if _____ to the _____.

I'm _____ if _____ can _____ on why _____ device doesn't connect to the _____ it's near _____

Is there _____ reason _____ the intermittent _____ next _____ the _____?

_____ to _____ my device doesn't connect to _____ even when near the _____.

_____ loses wi-fi _____ located near the routers.

I wonder _____ my device _____ it's in _____ routers.

Why _____ device _____ to _____ when it's _____ close _____ to _____ routers?

Why do my device _____ the _____ it's _____ to _____ Router?

_____ causes frequent _____ our closest wireless _____ this appliance?

Why do _____ lose _____ to the _____ I'm _____ to _____ routers?

_____ though the cursed routers _____ dying Wi-fi _____ me _____ constantly _____.

_____ doesn't my _____ connect _____ internet near _____ router?

_____ is the _____ close _____ the router?

I _____ my _____ even though I'm _____ to _____.

What _____ appliance _____ be disconnected from _____ nearest wireless _____?

Being near _____ doesn't prevent _____ Fi _____.

_____ loss of _____ wi-fi _____ in the vicinity?

I'm _____ can shed some light _____ why _____ device _____ to the internet _____ though _____ close to _____

When _____ close by, _____ device _____ its _____ the network.

_____ isn't _____ connecting to the _____ near _____ Router?

I don't know _____ causing _____ device to frequently _____ internet, _____ in the vicinity

Could _____ tell me what _____ causing my device _____ its _____ nearby _____?

Why _____ my _____ lose _____ connection so often _____ it?

_____ is not _____ to _____ internet when it is in _____ to the router?

Why _____ my electronic _____ internet connection _____ even _____ right _____ to it?

_____ lose my wi-fi even _____ I'm _____ the _____?

I _____ why _____ to the internet _____ I'm near _____ routers.

_____ a reason _____ device doesn't connect _____ the _____ I'm near _____ internet?

My _____ frequently _____ because it's _____ near _____.

_____ you tell me _____ connect _____ the nearby internet?

Why _____ my _____ fail _____ connect _____ the internet _____ closest _____ point?

How _____ lose my _____?

I don't know what's causing _____ to frequently _____ connecting _____ even _____ to my
 Is _____ a _____ my _____ connect to the internet even _____ internet?
